

SPECIAL MEETING OF THE MADERA CITY COUNCIL

205 W. 4th Street, Madera, California 93637

NOTICE AND AGENDA

Thursday, August 24, 2023
6:00 p.m.

Council Chambers
City Hall

The Madera City Council meetings are open to the public. This meeting will also be available for public viewing and participation through Zoom. Members of the public may also observe the live streamed meeting on the City's website at www.madera.gov/live. Members of the public may comment on agenda items at the meeting or remotely through an electronic meeting via phone by dialing (669) 900-6833 enter ID: 882 7570 8725#. Comments will also be accepted via email at citycouncilpubliccomment@madera.gov or by regular mail at 205 W. 4th Street, Madera, CA 93637.

CALL TO ORDER:

ROLL CALL: Mayor Santos Garcia
Mayor Pro Tem Elsa Mejia, District 5
Councilmember Cece Gallegos, District 1
Councilmember Jose Rodriguez, District 2
Councilmember Steve Montes, District 3
Councilmember Anita Evans, District 4
Councilmember Artemio Villegas, District 6

INVOCATION:

PLEDGE OF ALLEGIANCE:

APPROVAL OF AGENDA:

PUBLIC COMMENT:

Members of the public shall have an opportunity to address the City Council regarding matters on this Agenda at the time the agenda item is called. Speakers should limit their comments to three (3) minutes.

A. CONSENT CALENDAR:

A-1 Appropriations Limit (Gann Limit) for Fiscal Year 2023/2024

Recommendation: Adopt a Resolution establishing an Appropriations Limit for Fiscal Year 2023/2024 in the amount of \$57,164,973 (Report by Mike Lima)

B. PUBLIC HEARINGS:

B-1 Public Hearing and Consideration of a Resolution Adopting the City of Madera Budget and Capital Improvement Program for Fiscal Year 2023/24

Recommendation: Conduct a Public Hearing and Adopt the Resolution Approving the Operating Budget for Fiscal Year (FY) 2023/24, including the Five-Year Capital Improvement Program (CIP) (Report by Mike Lima)

ADJOURNMENT:

UPCOMING MEETING DATES:

- Wednesday, September 6, 2023
- Wednesday, October 4, 2023

-
- The meeting room is accessible to the physically disabled. Requests for accommodations for persons with disabilities such as signing services, assistive listening devices, or alternative format agendas and reports needed to assist participation in this public meeting may be made by calling the City Clerk's Office at (559) 661-5405 or emailing cityclerkinfo@madera.gov . Those who are hearing impaired may call 711 or 1-800-735-2929 for TTY Relay Service. Requests should be made as soon as practicable as additional time may be required for the City to arrange or provide the requested accommodation. Requests may also be delivered/mailed to: City of Madera, Attn: City Clerk, 205 W. 4th Street, Madera, CA 93637. At least seventy-two (72) hours' notice prior to the meeting is requested but not required. When making a request, please provide sufficient detail that the City may evaluate the nature of the request and available accommodations to support meeting participation. Please also provide appropriate contact information should the City need to engage in an interactive discussion regarding the requested accommodation.
 - The services of a translator can be made available. Please contact the City Clerk's Office at (559) 661-5405 or emailing cityclerkinfo@madera.gov to request translation services for this meeting. Those who are hearing impaired may call 711 or 1-800-735-2929 for TTY Relay Service. Requests should be submitted in advance of the meeting to allow the City sufficient time to provide or arrange for the requested services. At least seventy-two (72) hours' notice prior to the meeting is requested but not required.
 - Please silence or turn off cell phones and electronic devices while the meeting is in session.
 - Regular meetings of the Madera City Council are held the 1st and 3rd Wednesday of each month at 6:00 p.m. in the Council Chambers at City Hall.
 - A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (559) 661-5405 or by email at cityclerkinfo@madera.gov .
 - Questions regarding the meeting agenda or conduct of the meeting, please contact the City Clerk's Office at (559) 661-5405.
 - Para asistencia en español sobre este aviso, por favor llame al (559) 661-5405.
-

I, Alicia Gonzales, City Clerk for the City of Madera, declare under penalty of perjury that I posted the above agenda for the Special Meeting of the Madera City Council for August 24, 2023, near the front entrances of City Hall and on the City's website www.madera.gov at 7:30p.m. on August 21, 2023.

Alicia Gonzales, City Clerk

REPORT TO CITY COUNCIL

A handwritten signature in black ink that reads "Michael Lima". The signature is written in a cursive style and is positioned above a horizontal line.

Michael Lima, Director of Financial Services

A handwritten signature in blue ink that reads "Arnaldo Rodriguez". The signature is written in a cursive style and is positioned above a horizontal line.

Arnaldo Rodriguez, City Manager

Council Meeting of: August 24, 2023

Agenda Number: A-1

SUBJECT:

Appropriations Limit (Gann Limit) for Fiscal Year 2023/2024

RECOMMENDATION:

Adopt a Resolution establishing an Appropriations Limit for Fiscal Year 2023/2024 in the amount of \$57,164,973

SUMMARY:

State law requires the City of Madera (City) set an Appropriations Limit (also known as the "Gann Limit") after budget adoption each fiscal year (FY), in accordance with Section 1.5 of Article XIII B of the California Constitution. The Appropriations Limit is increased each year by a formula that uses a combination of percent changes in the Statewide Per Capita Income (PCI), city or county population, and the City non-residential assessed valuation. The State Department of Finance provides the PCI and population growth rates. The County Assessor provides the non-residential assessed valuation information.

DISCUSSION:

The Appropriations Limit creates a restriction on the amount of government revenue that may be appropriated in any fiscal year. An appropriation is a formal authorization by the City Council to spend funds. The Gann limit only applies to appropriations that are "proceeds of taxes", as defined by the law and statewide reporting guidelines. The limit is based on actual appropriations during the base year of 1986-87 and increases each year using specified growth factors. Appropriations for debt service and capital outlay are excluded from the calculation. The FY 2023/24 Appropriations Limit shows an increase from the prior year due to a rise in the Statewide PCI of 4.44 percent in combination with a 0.06 percent decrease in the City's population growth rate. This resulted in a combined increase of 4.38 percent.

The FY 2023/24 Article XIII B Appropriations Limit Calculation Worksheets and supporting documents are included as Exhibit A.

FINANCIAL IMPACT:

The Appropriations Limit for FY 2023/24 has been calculated to be \$57,164,973. This represents the maximum amount of appropriations from tax proceeds that can be budgeted by the City for the current fiscal year. Budgeted appropriations subject to limitation are determined to be \$27,104,270, as shown on Exhibit A, Worksheet No. 1. This represents the appropriations from tax proceeds approved in the FY 2023/24 budget. The current year budgeted appropriations are approximately 47 percent of the allowable limit, indicating that the City's approved budget is well within the limits set by State law.

ATTACHMENTS:

1. Resolution
2. Worksheets # 1, 2, 3
3. Department of Finance Letter

RESOLUTION NO. 23- _____

**A RESOLUTION OF THE COUNCIL OF THE CITY OF MADERA ADOPTING THE
APPROPRIATIONS LIMIT FOR THE 2023/2024 FISCAL YEAR**

WHEREAS, Section 7910 of the California Government Code of the State of California provides that each year the governing body of each local jurisdiction shall, by resolution, establish its Appropriations Limit for the following fiscal year pursuant to Article XIII B of the Constitution; and

WHEREAS, the City Council has received evidence regarding the Appropriations Limit to be established for the City of Madera.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF MADERA hereby resolves, finds, determines and orders as follows:

1. The above recitals are true and correct.
2. The Appropriations Limit for the City of Madera for the 2023/2024 fiscal year, as described in Article XIII B of the Constitution of the State of California and as determined pursuant to Sections 7900 to 7913 of the California Government Code is in the amount of Fifty-seven million, one hundred sixty-four thousand, nine hundred seventy-three dollars (\$57,164,973).
3. The Council declares that the percentage change in California per capita personal income and the City of Madera annual percent change in population were used in calculating this Appropriations Limit.
4. This resolution is effective immediately upon adoption.

Dear Fiscal Officer:

Subject: Price Factor and Population Information

Appropriations Limit

California Revenue and Taxation Code section 2227 requires the Department of Finance (Finance) to transmit an estimate of the percentage change in population to local governments. Each local jurisdiction must use their percentage change in population factor for January 1, 2023, in conjunction with a change in the cost of living, or price factor, to calculate their appropriations limit for fiscal year 2023-24. Attachment A provides the change in California's per capita personal income and an example for utilizing the price factor and population percentage change factor to calculate the 2023-24 appropriations limit. Attachment B provides the city and unincorporated county population percentage change. Attachment C provides the population percentage change for counties and their summed incorporated areas. The population percentage change data excludes federal and state institutionalized populations and military populations.

Population Percent Change for Special Districts

Some special districts must establish an annual appropriations limit. California Revenue and Taxation Code section 2228 provides additional information regarding the appropriations limit. Article XIII B, section 9(C) of the California Constitution exempts certain special districts from the appropriations limit calculation mandate. The code section and the California Constitution can be accessed at the following website: <http://leginfo.ca.gov/faces/codes.xhtml>.

Special districts required by law to calculate their appropriations limit must present the calculation as part of their annual audit. Any questions special districts have on this requirement should be directed to their county, district legal counsel, or the law itself. No state agency reviews the local appropriations limits.

Population Certification

The population certification program applies only to cities and counties. California Revenue and Taxation Code section 11005.6 mandates Finance to automatically certify any population estimate that exceeds the current certified population with the State Controller's Office. **Finance will certify the higher estimate to the State Controller by June 1, 2023.**

Please Note: The prior year's city population estimates may be revised. The per capita personal income change is based on historical data.

If you have any questions regarding this data, please contact the Demographic Research Unit at (916) 323-4086.

JOE SPEPHENSHAW
Director
By:

Erika Li
Chief Deputy Director

Attachment

- A. **Price Factor:** Article XIII B specifies that local jurisdictions select their cost of living factor to compute their appropriation limit by a vote of their governing body. The cost of living factor provided here is per capita personal income. If the percentage change in per capita personal income is selected, the percentage change to be used in setting the fiscal year 2023-24 appropriation limit is:

Per Capita Personal Income

Fiscal Year (FY)	Percentage change over prior year
2023-24	4.44

- B. Following is an example using sample population change and the change in California per capita personal income as growth factors in computing a 2023-24 appropriation limit.

2023-24:

Per Capita Cost of Living Change = 4.44 percent
Population Change = -0.35 percent

Per Capita Cost of Living converted to a ratio: $\frac{4.44 + 100}{100} = 1.0444$

Population converted to a ratio: $\frac{-0.35 + 100}{100} = 0.9965$

Calculation of factor for FY 2023-24: $1.0444 \times 0.9965 = 1.0407$

Fiscal Year 2023-24

Attachment B
Annual Percent Change in Population Minus Exclusions*
January 1, 2022 to January 1, 2023 and Total Population, January 1, 2023

County City	<u>Percent Change</u>	<u>--- Population Minus Exclusions ---</u>		<u>Total Population</u>
	2022-2023	1-1-22	1-1-23	1-1-2023
Madera				
Chowchilla	1.12	13,517	13,669	18,844
Madera	-0.06	65,582	65,540	65,540
Unincorporated	1.23	72,865	73,764	73,764
County Total	0.66	151,964	152,973	158,148

*Exclusions include residents on federal military installations and group quarters residents in state mental institutions, state and federal correctional institutions and veteran homes.

REPORT TO CITY COUNCIL

Approved by:

Michael Lima

Michael Lima, Director of Financial Services

Arnoldo Rodriguez

Arnoldo Rodriguez, City Manager

Council Meeting of: August 24, 2023

Agenda Number: B-1

SUBJECT:

Public Hearing and Consideration of a Resolution Adopting the City of Madera Budget and Capital Improvement Program for Fiscal Year 2023/24

RECOMMENDATION:

Conduct a public hearing and adopt the resolution approving the operating budget for Fiscal Year (FY) 2023/24, including the Five-Year Capital Improvement Program (CIP)

DISCUSSION:

The Proposed FY 2023/24 Budget and CIP are attached for Council consideration. Council may recall that as part of the City's budget process, staff conducted workshops pertaining to the City's Budget. More specifically, Council held workshops on:

- May 17, 2023 – to discuss proposed CIP for streets, active transportation, and storm drainage projects.
- June 7, 2023 – to discuss FY 2022/23 and FY 2023/24 projected revenues
- June 21, 2023 – to discuss FY 2022/23 projected expenditures and obtain guidance on possible fee adjustments
- August 2, 2023 – to discuss proposed CIP for Fire, Parks, Sewer, and Water
- August 16, 2023 – to discuss overview of Proposed Budget

The workshops were intended to provide Council and the community with a preliminary overview of the 5-year CIP, the Citywide Operating Fiscal Budget, and the related revenue sources and expenditures by fund and department that collectively comprise the City's Budget.

SUMMARY OF PROPOSED BUDGET:

The FY 2023/24 Proposed operating budget is balanced. The projected annual operational revenues, including transfers will sufficiently pay for projected operational expenditures.

Operational expenditures are the normal cost of conducting City business and providing services to the Madera community (e.g., personnel, utilities, supplies, equipment, contractual services, and similar costs). The following is a summary of the budget elements:

GENERAL FUND & MEASURE K

General Fund:

The General Fund is the main operational fund of the City with revenues from various sources. The following 10 major revenue sources account for nearly 90 percent of the General Fund revenues:

- Sales & Use Taxes
- Property Tax
- Secured Property Tax
- Engineering Fees
- Building Permits
- Transient Occupancy Tax
- Business License Tax
- Cable Utility Franchise Tax
- Grants
- Plan Check Fees

Measure K:

Measure K is a Sales Tax adopted by the residents of Madera to support Public Safety. The revenue generated by this ½ cent sales tax is split equally between the Police and Fire Departments. Measure K revenue is used for both operations and capital improvements.

The following table identifies the proposed General Fund operating budget.

Table 1: General Fund for FY 2023/24 (not including Measure K)			
<i>Description</i>	<i>Proposed</i>		<i>Projected surplus</i>
	<i>Revenues</i>	<i>Expenditures</i>	
General Fund	\$43,228,243	\$42,875,904	\$352,339

ENTERPRISE FUNDS

Enterprise funds are municipal services that are funded through fees charged partly or wholly to cover the costs of the services provided. The fees collected must be used on operating and/or capital expenditures directly related to the enterprise for which they were collected, such as water, sewer, or street sweeping. The revenues projected for the Water, Sewer, and Solid Waste enterprise fund reflect the adjusted rates approved by the ratepayers via the Proposition 218 process completed last year. Table 2 provides a summary of the enterprise funds’ projected revenues and expenses for Fiscal Year 2023/24.

Table 2: Enterprise Funds for FY 2023/24

<i>Description</i>	<i>Proposed Revenues</i>	<i>Proposed Expenditures</i>	<i>Operating Surplus/(Deficit)</i>
Water	\$24,394,353	\$24,394,353	\$0
Sewer	\$28,908,417	\$27,266,005	\$1,642,000
Airport	\$2,524,960	\$2,424,909	\$100,051
Golf Course ¹	\$317,921	\$317,921	\$0
Dial-A-Ride	\$1,414,443	\$1,315,054	\$99,389
Fixed Route (Madera Metro)	\$2,794,405	\$2,045,876	\$748,529
Drainage	\$1,978,122	\$1,978,122	\$0
Solid Waste	\$8,832,545	\$8,832,545	\$0

¹ The Golf Course Fund is subsidized by \$120,421. In November 2023, the City will retire the golf course's outstanding debt. Moving forward, unless the Council directs otherwise, the General Fund's contribution will be nominal.

Funds with an Operating Surplus have projected revenues greater than proposed appropriations. Council may choose to appropriate these monies as part of the FY 23/24 budget or leave them in the fund balance to be used in an emergency during the fiscal year.

OVERALL BUDGET APPROPRIATIONS

Citywide Proposed appropriations, including Capital Expenditures, for FY 2023/24 are approximately \$196.4 million. Projected citywide revenues are approximately \$202.0 million. Please see Exhibit A attached. The Proposed Budget includes the following funds:

- General Fund
- Measure K
- Enterprise Funds
- Special Revenue Funds
- Internal Service Funds

KEY ASSUMPTIONS

While staff is proposing a balanced budget, it is important to highlight the current economic climate and key assumptions that influenced the FY2023/24 proposed budget revenue and expenditure projections:

1. Economic Climate

The current economic climate dictates cautious optimism, especially with regard to revenue projections and increasing budgetary expenditures. The pandemic after-effect relative to consumer confidence and spending is still a concern, a situation that could be worsened by current inflation and Federal Reserve actions. Staff will continue to monitor

the situation and will recommend adjustments as may be necessary as the fiscal year unfolds.

2. Revenue

- Sales tax projections are based on HDL estimates (including Measure K).
- Property tax projections include the basic 2% adjustment per Proposition 13.
- Other general and special revenues projected include 2% to 3% increases based on contributing factors to the specific revenue.
- Utility revenue estimates were based on the 2021 Rate Study and the related Proposition 218 approved rate adjustments approved by the City Council on July 20, 2022.
- In preparing the budget, staff estimated major City revenues as indicated below:
 - Projected Retail Sales & Use Tax: \$13.1 million
 - Measure K: \$7.2 million
 - Transient Occupancy Tax (hotel tax): \$1.0 million
 - Property tax in-lieu (c. 2004): \$7.6 million
 - Property tax: \$4.6 million
 - Business License revenue: \$0.6 million
 - Interest Income: \$1.0 million

3. Expenditures/Expenses

- Utility and Public Works Material costs are based on analysis of historical trend and/or 4% adjustment.
- Projected salaries and benefits include all anticipated pay and benefits in compliance with negotiated Memorandums of Understanding with the City's bargaining units, as well as anticipated merit increases and promotions within class series.
- The increase in healthcare premiums to be effective January 1, 2024, and employee lump sum payments made in July 2023 are funded in the proposed budget by General Fund reserves as directed by Council.
- Retirement costs estimates, including unfunded liability, are based on CalPERS actuarial report for the City dated June 30, 2021

4. Balancing the Budget: General Fund

The proposed FY2023/24 General Fund budget is a balanced budget. It includes all the requisite appropriations departments need to effectively run city operations. The budget as proposed has a projected surplus of \$352,339 if all the revenues and expenditures materialize as contemplated. All of this projected surplus is being earmarked for deposit in the General Fund Stabilization Reserve in order to meet the 30% of appropriations reserve requirement established by the City's adopted General Fund Reserve Policy.

The City has ample reserves including the General Fund Stabilization Reserve. Should the City receive less revenue than anticipated on account of the tenuous economic climate, the City expects to utilize reserves to offset revenue shortfalls. Such utilization of reserves will be brought to Council for consideration and approval.

5. Budgeted Positions:

The City Manager has reviewed current positions and all previously budgeted positions have been included in the proposed budget, as well as positions added since adoption of the last operating budget, such as four grant-funded Police Officer positions. In addition, the City Manager is recommending the following new positions in the proposed budget as well as the noted reclassifications.

All current vacancies as well as recommended new positions and reclassifications are included in the proposed budget with reasonable assumptions regarding hire date, pay, and applicable benefits. As the year progresses, staffing will be regularly reviewed and analyzed for needed adjustments. Any requests for additional positions will be subject to Council consideration and approval. The new position recommendations and reclassifications included in the proposed budget are outlined in Table 3 below.

Table 3: New positions			
<i>Department</i>	<i>Status</i> ¹	<i>Position</i>	<i>Notes</i>
Public Works			
Wastewater	FT	Wastewater Treatment Plant Operator-in-Training	
Water	PT	2 part-time Maintenance Worker I	Duties would include exercising water valves
Sewer	PT	2 part-time Maintenance Worker I	Duties would include preventive sewer main cleaning
Safe & Clean Team	FT	1 Equipment Operator and 2 Maintenance Worker II	Replacing current team of part-time positions. The part-time positions would be eliminated.
Parks & Community Services	FT	Administrative Analyst I	Replacing current part-time Analyst position with a full-time position. The part-time position would be eliminated.
Parks & Community Services	PT	After School Program Leader I	Multiple positions
Building Division	FT	Administrative Assistant	
Building Division	PT	Intern	
¹ Status: FT = Full time, PT = Part Time			

Table 4: Position Reclassifications				
<i>Department</i>	<i>Status</i> ¹	<i>Position</i>		<i>Position status</i>
		<i>Existing</i>	<i>Proposed</i>	
Parks & Community Services	FT	Park Manager	Park Project Manager	Vacant
Public Works Admin.	FT	Purchasing Assistant	Office Assistant II	Filled
Wastewater Treatment Plant	FT	Operator I	Plant Mechanic	Filled
¹ Status: FT = Full time, PT = Part Time				

The FY 2023/24 proposed budget has a total of 319 Full Time Equivalent (FTE) compared to 298 FTE in FY 2022/23. FTE is determined by the percent of the fiscal year for which the position is budgeted. FTE may fluctuate based on position changes, as noted in Table 3, but may also fluctuate when previously vacant position budgeted for a partial year are now budgeted for a full fiscal year. Part-time FTE counts are calculated as a percent of a full-time year, or 2,080 hours. This may also fluctuate based on the City’s needs and anticipated services or programs, such as adding the Madera Unified School District After School Program to the proposed budget.

6. Health Care and Retirement for Vacant Positions

For the FY 2023/24 proposed budget, vacant full-time positions were budgeted at the expectation of employee only health coverage in the Anthem plan and the Public Employee Pension Reform Act (PEPRA) tier for the CalPERS pension.

7. Planned Promotions

Planned promotions have also been captured in the budget. These promotions are for class series where classification is determined by certification and/or time in the position (i.e., Police Officer I to Police Officer II). Another example is movement within the Wastewater Treatment Plant Operator series upon higher level certification after passing exams from the California State Water Resources Control Board. These promotions will only be effectuated upon satisfactory job performance at the current classification level documented in a written performance evaluation and subject to approval by the City Manager.

8. Employee Compensation

The FY 2023/24 Proposed Budget includes all salary and benefit adjustments as approved by the City Council. This includes the 2% cost-of-living adjustment (COLA) and \$1,500 lump sum payments for applicable positions effective the first paycheck of July 2023, the 2% COLA to be effective December 2023, and the adjustment to the City’s contribution towards health insurance to be effective January 2024.

The Proposed Budget also includes merit step increases to be awarded as earned by employees via satisfactory performance evaluations. Merit step increases are only awarded within the defined steps of the assigned salary range for the position and are not automatic.

9. Debt

The total City outstanding debt, including utility debts, is \$55.02 million as of June 30, 2023. The Proposed FY2023/24 Budget includes appropriations for the related debt service payments totaling \$8,251,036 in various funds.

10. Measure K

Measure K sales tax revenue is committed to public safety and is shared 50/50 between the Police and Fire Departments. Measure K Police and Fire funds are budgeted and accounted for separately. This budget recognizes the following:

<i>Table 5: Measure K Revenue and Expenditures FY 2022/23</i>			
<i>Department</i>	<i>Projected</i>		<i>Difference</i>
	<i>Revenues</i>	<i>Expenditures</i>	
Police	\$3,734,024	\$3,715,701	\$18,323
Fire	\$3,739,870	\$3,112,472	\$627,398

- Measure K Stabilization Fund

The Council approved the establishment of a Measure K stabilization reserve with an allocation of \$130,000 of Measure K revenue for both Police and Fire each year until the reserve amount reaches the equivalent of 30 percent of Measure K expenditures. As of June 30, 2023, both Police and Fire have a stabilization reserve fund balance of \$780,000. By June 30, 2024, both Police and Fire will have stabilization reserve fund balances of \$910,000. Both reserves are short of the 30 percent of Measure K expenditures and will need further contributions in future fiscal years.

<i>Table 6: Measure K Reserve Account</i>		
<i>Fiscal Year</i>	<i>Police</i>	<i>Fire</i>
2017/2018 ⁽¹⁾	\$130,000	\$130,000
2018/2019	\$130,000	\$130,000
2019/2020	\$130,000	\$130,000
2020/2021	\$130,000	\$130,000
2021/2022	\$130,000	\$130,000
2022/2023	\$130,000	\$130,000
2023/2024	\$130,000	\$130,000

Total	\$910,000	\$910,000
<i>(1) The Reserve account was created in FY 2018/2019; however, revenue exceeded projections in FY 2017/2018 and funds were retroactively adjusted.</i>		

- Fire Engine Replacement Fund

Additionally, the Council approved a fire engine replacement fund with annual allocation of \$200,000 beginning in FY 2017/18. This was increased to \$490,000 per year in FY 2022/23. As of June 30, 2023, the reserve fund has a balance of \$738,540. Table 6 on the next page provides a summary.

Table 7: Fire Engine Replacement Program ⁽¹⁾			
<i>Fiscal Year</i>	<i>Allocation</i>	<i>Expenses</i>	<i>Running Total</i>
2017/2018 ⁽¹⁾	\$200,000	\$0	\$200,000
2018/2019	\$200,000	\$0	\$400,000
2019/2020	\$200,000	\$0	\$600,000
2020/2021	\$200,000	\$0	\$800,000
2021/2022	\$200,000	\$751,460 ⁽²⁾	\$248,540

2023/2024	\$490,000	0	\$1,228,540
<i>(1) The program was created in FY 2018/2019; however, revenue exceeded projections in FY 2017/2018 and funds were retroactively adjusted.</i>			
<i>(2) Council authorized the purchase of a New Type 1 Engine.</i>			

BUDGET SUMMARY:

Staff is pleased to present a balanced General Fund budget. More detailed information regarding the budget may be found in the proposed budget document which includes the City Manager’s Budget Message.

FINANCIAL IMPACT:

The Proposed Budget is the City’s fiscal plan of operations and capital improvement for the Fiscal Year 2023/24. It supports appropriations of \$196,388,539 for the FY2023/24 operations of the City.

ALTERNATIVES:

Direct staff to amend the proposed budget for consideration by Council.

RESOLUTION NO. _____

**RESOLUTION OF THE COUNCIL OF THE CITY OF MADERA ADOPTING THE
BUDGET OF THE CITY OF MADERA FOR THE FISCAL YEAR JULY 1, 2023
THROUGH JUNE 30, 2024 IN THE AMOUNT OF \$196,388,539 AND THE
FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM**

WHEREAS, City staff has prepared the proposed budget in proper form for all funds for which a budget is required; and

WHEREAS, the City Council (Council) at reviewed the draft five-year Capital Improvement Program (CIP) covering the period through Fiscal Year (FY) 2026/27 at its scheduled May 17, 2023 and August 2, 2023 meetings; and

WHEREAS, the Council held a workshop at a regularly scheduled City Council meetings on June 7, 2023 and June 21, 2023 to discuss the FY 2022/23 projections and Proposed FY 23/24 amounts for various City funds, including underlying key assumptions for revenues and expenditures;

WHEREAS, the Proposed Budget along with all supporting schedules and data are available for public inspection online and in the office of the Director of Financial Services; and

WHEREAS, the five-year CIP covering the period through Fiscal Year 2026/27 is attached to the Proposed Budget and has been made available for public inspection online and in the office of the Director of Financial Services; and

WHEREAS, on June 7, 2023, the Council adopted a Continuing Resolution Continuing Expenditures and Revenues pending further review and adoption of the FY2023/24 budget; and

WHEREAS, on August 16, 2021, the Council held a workshop at its regularly scheduled City Council meeting to discuss the Fiscal Year 2023/24 Proposed Budget; and

WHEREAS, all statutory and legal requirements for the final adoption of said budget have been completed; and

WHEREAS, it is the intention of the Council to adopt the said Fiscal Year 2023/24 budget.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF MADERA hereby resolves, finds, determines and orders as follows:

1. The above recitals are true and correct.
2. The City of Madera budget in the amount of \$196,388,539 as set forth in the attached Exhibit "A" including budgets for capital improvements, is hereby adopted for the Fiscal Year beginning July 1, 2023 and ending June 30, 2024.
3. Transfer of appropriated budget authority from one-line account to another within a department may be done upon approval of the City Manager.
4. Transfer of budget authority between departments of the General Fund or between funds will be done by minute order of the Council if less than \$25,000 and by resolution if greater than \$25,000. Transfer of appropriated budget authority between capital outlay accounts in one fund to capital outlay accounts in the corresponding capital outlay fund or from Special Revenue funds to capital outlay funds as presented in the CIP budget regarding project funding may be done upon approval of the City Manager.
5. Authority is given to the Director of Financial Services to adjust the budget for all monies received by the City not included in this budget up to \$5,000 per incident without a budget resolution. A report will be given to the Council on a quarterly basis regarding any such activity.
6. All outstanding encumbrances as of June 30, 2023, approved by the City Manager shall be continued and re-appropriated for expenditure into the FY 2023/24.
7. The unencumbered balance for all Capital Improvement Project accounts, which are duly approved as of or before June 30, 2023, shall be continued and re-appropriated for expenditure in the FY 2023/24.
8. Except as monetary appropriations may be affected by intra-fund transfers within the General Fund or other funds as herein above provided, no appropriations set forth in said budget shall be cancelled in whole or in part except by resolution adopted by a majority vote of all members of the Council.
9. Expenditures made, liabilities incurred, or warrants issued in excess of budget appropriations as originally approved or as thereafter increased or decreased, shall not constitute an obligation or liability of the City of Madera. The City Manager and the Council shall approve no claims and the Director of Financial Services shall issue no warrants or checks for any expenditure in excess of existing appropriations

except upon an order of the court of competent jurisdiction, or in cases of emergency as specified and in accordance with the procedures established in the Government Code of California.

10. The CIP covering the period through FY 2027/28 is consistent with the Madera General Plan.
11. The CIP covering the period through FY 2027/28, a copy of which is on file with the Madera City Engineer, 205 W. 4th Street, Madera, is hereby adopted.
12. This resolution shall be effective immediately upon adoption.

Letter from the City Manager

Executive Summary:

On behalf of City staff, it is my pleasure to present the FY 2023/24 Annual Operating Budget for general operations and capital improvement programs for the City of Madera.

While the end of the COVID-19 pandemic has made it difficult to forecast financial results, the City is pleased to share the budget revenues and expenses as proposed represent a net surplus for 2023/24 General Fund, including a \$1,715,418, transfer from the unallocated balance in the General Fund to pay the increase in health insurance premiums and one-time pay to the bargaining unit groups.

Note that the City's budget document is one of the single most essential expressions of a municipality's core mission, City Council policy priorities, and ultimately, the community's vision. With this in mind, the 2023/24 Annual Budget has been prepared with the goal of continuing to deliver essential city services, all while maintaining fiscal accountability.

The City's financial condition has been on an upward trajectory, with sales tax and property tax revenue projected to exceed last fiscal year's sales and property tax results. Other revenues, such as charges for services, were on a gradual growth trend as well. Throughout the pandemic, the City has maintained its General Fund fund balance stabilization reserve consistent with the City General Fund Balance Reserve Policy. Specific assumptions and budget modifications are outlined in the Key Budget Assumptions & Changes section. As the new fiscal year progresses, staff will routinely revisit our assumptions and projections based on new information and bring that analysis to the Council for direction and action.

As mentioned before, preparing a budget with as many unknown variables as were encountered in a post-pandemic environment posed significant challenges. However, the pandemic was only one variable impacting the national and local economies. Other factors causing challenges include:

- Inflation has increased, while interest rates are unpredictable.
- Supply chain issues
- Labor shortages (the Great Resignation) remain a challenge for the City and the community
- Global conflict: Russia's invasion of Ukraine has impacted the economy, such as oil prices
- Complying with increased regulations, specifically land use and environmental regulations

Though we anticipate much of that uncertainty will continue in the near term, our approach to budgeting continues to focus on the continuity of service levels and the strategic expansion of services as growth and demand warrant. This requires reprioritizing and adapting as the economy reopens. While the outlook for revenue looks brighter, expenses are also projected to increase.

Despite forecasts predicting a brighter economic outlook nationally, the City must still keep a keen eye on rising costs from unfunded mandates, deferred maintenance of facilities and amenities, and maintaining competitive employee compensation and benefits. Moreover, while the community has continued to grow, service levels have not necessarily kept pace. Positions added this year account for several years of pent-up demand to maintain service levels and address overgrowing areas of concern, such as the cleanliness of our City.

While the City's General Fund budget is balanced for FY 2023/24, it does not address all the City's long-term liabilities, such as facility maintenance and new infrastructure. Historically, deferred maintenance of the City's parks, playgrounds, senior centers, Fire Stations, City Hall, pools, Corporation yard, and other facilities has been underfunded. While this budget does not address all deferred maintenance, it does include some funding for minor repairs. Regardless, continuing to identify opportunities to reduce costs, increase revenue, update service delivery plans, and form new partnerships remains imperative to moving forward.

These challenges and our focus on delivering the most effective services with the most significant impact are the impetus for our operating plan.

Consequently, this budget is designed to:

- Ensure continuing excellent service and safety to our community
- Maintain fiscal balance in an evolving economy
- Shape the organizational culture to ensure a high-performing workforce operating in a rewarding environment, making the City an employer of choice in the region
- Continue our commitment to keeping our neighborhoods safe
- Improve our service delivery

Budget Overview

The City of Madera cannot provide a budget overview without acknowledging the impacts that economic factors, such as increased costs, presented in the preparation of this budget document. While traditional revenue streams have increased, such as gas, transit occupancy tax, and recreation revenue, City expenses have also increased. For example, while the City receives more in gas tax, road repairs have also increased.

As we continue to move forward, the City anticipates greater revenue in comparison to previous years. More specifically, the City generated \$13.1M from Bradley-Burns uniform local sales tax and \$7.2M from Measure K.

Property taxes and property tax in-lieu/VLF are forecast to increase slightly year over year, to \$12.3M. Property values have increased, both in the residential and commercial arenas.

Unfortunately, while some revenues have increased, certain City expenses have as well. Property Liability Insurance has increased, while energy costs continue to grow at a pace that exceeds inflation. Employee Health Insurance is increasing by 4 percent and Senate Bill 1383 will increase solid waste costs.

The Citywide budget includes many enterprise, internal service, and special revenue funds that operate with adequate revenue to sustain necessary operating and capital needs; however, some have incurred structural deficits with ongoing revenues insufficient to cover ongoing expenses. Specifically, the Sewer, Water, and Drainage funds require millions of dollars to fund complex projects over the following years, impacting rates with increases, albeit somewhat mitigated given the City's use of the American Rescue Fund.

Special revenue funds are established to track and report funds assigned to specific purposes. All special revenue funds are budgeted based on projected revenues and are balanced. An example of Special revenue funds would be the Community Development Block Grant (CDBG) program. Internal service funds provide services to internal customers, including Information Services, Fleet, and Facilities. During the 2020/21 fiscal year, the Insurance Reserve Fund was reclassified to an internal service fund to reflect its role and utilization properly. Like enterprise funds, internal service funds charge customers for services provided. Budgeted revenues are adequate to provide the City departments with essential internal services.

Presenting a Balanced Budget

I understand that a balanced budget is one of the Council's highest priorities. In my review, each department, including the Finance Department staff and myself, examined projected revenues and proposed expenses. The result is a budget where projected operational revenues slightly exceed anticipated projected operational expenses.

Several items worth highlighting:

- The City is projecting General Fund revenues to increase in comparison to previous years.
- Senate Bill 1383 has state mandates which will impact the solid waste cost permanently. Commercial accounts will experience the largest increases.
- The City is projecting a balanced operating budget. Operational costs are the day-to-day expenses incurred as a normal cost of doing business (e.g., salaries, benefits, utilities, supplies, equipment, contracted services, and similar costs).
- This budget reflects the operating and capital activities of 1 General Fund, 10 Enterprise Funds, and 128 Special Revenue Funds, 4 Internal Service Funds, 1 Capital Projects Funds, 1 Debt Service Fund, 7 Fiduciary Funds, and approximately 319 full-time equivalent positions that provide the City's public safety, quality of life, infrastructure construction and maintenance, transportation and development-related services, and the internal governance services that support them.
- The largest component of the budget is the General Fund.
- Capital Improvement Projects will be placed in separate accounts, apart from the General Fund.
- Measure K is projected to generate nearly \$7.2 million for public safety.
- Projected Measure R revenue is not included considering that it is premature when cannabis businesses will open.

Safe and Clean Initiative

Maintaining our premier public spaces continues to be a priority. Not only do these public spaces provide a valuable resource for residents and visitors alike, maintenance of those spaces also mitigate public safety concerns. In addressing this priority, staff is proposing to complete the expansion of the clean-up pilot program that commenced with the removal of snipe signs, abandoned telephone booths, shoes overpower lines, and shopping carts. This continued with the contracting of a private company to remove trash around the Fresno River and adding a part-time employee crew to provide on-going clean-up efforts. This budget contains funding to convert those part-time positions to three full-time employees that will focus on cleaning public spaces. Funds for supplies and equipment that this team will utilize are also included in this budget.

Addressing Deferred Maintenance

Another hallmark of this budget is the funds earmarked to address the deferred replacement and maintenance issues that exist in the City. Among the deferred items to be addressed with this budget include:

- Replacement of 16 servers for Information Technology function.
- \$1.7 million for the replacement of several vehicles and the purchase of several new pieces of equipment that will assist employees in working more efficiently.
- Rehab of several Parks facilities (both buildings and parks) funded through the Capital Improvement Program.

Looking Ahead

Our City continues to assess evolving circumstances and should make every effort to prepare itself for the effects they may have on our ability to deliver quality services. While much remains out of our control, such as international conflicts, inflations, and national trends, the City remains financially steady.

Though this budget funds the absolute musts, the City must plan on economic tightening. As we continue to work in partnership with our community to deliver desired service levels through effective business models, staff will continue to adjust its efforts as more efficient methods are identified. In partnering with our community, service organizations, Council, and staff, I am confident that we will capitalize on opportunities and mitigate challenges positioning the City to weather any anticipated challenges on the horizon.

I would like to thank the City Council for your leadership. Community members are confident that their City is well-run, and their well-being is our top priority. With your ongoing support, we will continue to provide excellent customer service as we strive to become the City of tomorrow.

Respectfully submitted,

Arnoldo Rodriguez
City Manager

General Description of Boards, Committees & Commissions

ADA ADVISORY COUNCIL: Four-year term. The ADA Council is composed of seven members. Appointees shall be residents of the City of Madera. Regular meetings are held the third Tuesday of each month at 3:30 p.m. Each member of the City Council makes a nomination to be considered for appointment by the Mayor.

Responsibilities: Serves in an advisory capacity to the City Council and staff on ADA matters including: promote pedestrian safety and access to all public streets; ensure that all public buildings and facilities, services, programs and activities are in compliance with ADA regulations; promote inclusion of the disabled community in the City's emergency and disaster preparedness plans; develop disability awareness and educational outreach programs; work with the various City of Madera departments to ensure that all public buildings and facilities, remodeled and newly constructed are in compliance with current laws guaranteeing access for all people with disabilities; promote affordable and accessible housing in the community; make recommendations regarding unmet transit needs; and ensure grievance procedures are followed and enforced as described in the ADA bylaws.

AIRPORT ADVISORY COMMISSION: Four-year term. The Commission is composed of seven members. Appointees shall be residents of Madera County, and at least four members shall reside within the City. The commission meets at least quarterly at a date and time selected by the Commission. Appointments are made by Council Members.

Responsibilities: Oversee, review, and make recommendations regarding the airport's annual budget for operational and capital improvement purposes, Airport operations and services, master planning and land use.

BEAUTIFICATION COMMITTEE: Four-year term. The Committee is composed of seven members. Appointees shall be residents of the City of Madera. Regular meetings of the Committee are held every second Thursday of the month at 5:30 p.m. Appointments are made by City Council Members.

Responsibilities: Serves in an advisory capacity to the City Council and staff on community beautification matters including: develop and formulate programs and projects to enhance the aesthetic appearance of the community; develop an ordinance which will establish landscape standards for new development projects; develop and recommend practices and policies which will enhance and upgrade existing properties;

and coordinate periodic community clean up campaigns and encourage public participation therein.

CIVIL SERVICE COMMISSION: Four-year term. The Commission is composed of seven members, each member of the City Council makes a nomination to be considered for appointment by the Mayor. Appointees shall be residents of the City of Madera. Commissioners shall not be employed with the City nor shall they be under the direct supervision of any existing Council Member. Meetings, as needed, are usually held on the first Tuesday of each month at 5:00 p.m.

Responsibilities: Certification of eligibility lists for hiring employees in the classified service at regularly scheduled meetings; conducts appeal hearings regarding disciplinary action or alleged violations of Civil Service rules and at the request of the City Council or Administrator; special meetings for hearings are scheduled as needed and may require multiple evenings to complete.

CDBG BLOCK GRANT COMMISSION: This committee is composed of seven members appointed by the Council. Meets during a weekday evening as required. Serves in an advisory capacity to staff and the City Council on matters pertaining to the use of CDBG funds allocated to the City of Madera to benefit persons of low and moderate income, disabled and elderly persons, minority groups, homeless persons or persons at risk of homelessness and CDBG-funded activities in eligible Census Tracts where CDBG program activities are proposed. Accepts testimony from City staff and applicants presenting proposals to request CDBG funds. Evaluates proposals and recommends CDBG funding allocations consistent with policies, goals and priorities established by the City's CDBG Consolidated Plan and the Vision Madera 2025 Action Plan. Receives testimony from staff and provides comments about the City's CDBG-funded programs and projects overall annual outcomes and accomplishments. Promotes public participation in the CDBG planning process and any amendments.

LOAN REVIEW COMMITTEE: This committee consists of five members appointed by the City Council comprised of at least three residents of the City of Madera. Members shall possess backgrounds in residential mortgage lending, real estate or the building trades industry. Members do not serve specific terms nor do they receive compensation/benefits. Meetings of the committee are held as needed to provide for the review of loan and grant applications for first time homebuyer down payment assistance and owner occupied rehabilitation programs funded by State, Federal and local funds awarded to the City of Madera and from the Successor Agency to the Former

Redevelopment Agency. Failure by a Committee member to attend three consecutive meetings shall be deemed an automatic resignation. A significant pattern of absences shall also be considered grounds for removal from the committee. Conflict of interest provisions apply as applicable to committee appointees serving the City of Madera or the Successor Agency to the Former Redevelopment Agency.

PLANNING COMMISSION: Four-year term. The Commission is composed of seven members who are individually appointed, one appointee for the Mayor and each of the Council Members. Appointees must reside within the City limits. Meetings are held on the second Tuesday of each month beginning at 6:00 p.m.

Responsibilities: Develop, maintain and amend the General Plan and Specific Plans as deemed appropriate; discretionary approval of development proposals, including subdivisions, use permits, and variances; discuss overall planning for the City, including ordinances, special studies, zoning, subdivisions and signs, with recommendations to the City Council.

TRANSIT ADVISORY BOARD: Four-year term. The Board consists of seven members appointed from a cross section of the community (general public, children, elderly, disabled, students, social service agencies, and minority family). Seven (7) members are appointed by individual Council Members. Appointees shall be residents of the City of Madera. Meetings are held quarterly in January, April, July, and September at a time and public place set by the advisory board.

Responsibilities Include: Recommend to the City Council a five (5) year transit and equipment plan; review, modify transit system proposals.

YOUTH COMMISSION: Two-year term. The Commission consists of seven members. Each member of the City Council shall appoint one member to the Commission from their district; the Mayor shall appoint one member from the city-at-large. The Commission meets on the second Wednesday of each month at 5:00 p.m.

Responsibilities Include: Serves in an advisory capacity to the City Council about public safety, job opportunities for youth, recreation activities for youth, opportunities for effective participation by youth in governmental process, and changes in city regulations that are necessary to improve the social, economic, educational, recreational advantages, health and well-being of youth.

Madera, California

The City of Madera is located in California’s stunning Central Valley. Featuring a balanced climate that serves as the perfect host to some of the nation’s finest agricultural operations, Madera is also within close proximity to cherished world treasures such as Yosemite National Park, the Sierra Nevada Mountain Range, and attractions that run along the Pacific coastline. Madera is the perfect combination of the best California has to offer.

Located in **Madera County**

Nickname **The of California**

South of **Fresno**
North of **Chowchilla**

Home of the annual
Madera Pomegranate, Fruit & Nut Festival

Population: ~68,000

Location Size: ~16.5 sq. miles

Median Income: \$53,777

The Early History of Madera

Source: Madera Chamber of Commerce

William H. Thurman founded the City of Madera and is thus known as the “Father of Madera.” He founded the Madera Lumber and Trading Company and served as Madera County’s first sheriff from 1893 until 1895.

The Madera County Courthouse began construction in 1896. It was completed in 1901. The court and county offices moved out in 1957. In 1971, it was renovated to become the Madera County Historical Society Museum.

1876

On October 11, 1876, the idea for the City of Madera was first discussed in the newspaper, the Fresno Expositor.

1877

At a public meeting on March 21, 1877, attendees decided a school building should be built. There was also a drought throughout the San Joaquin Valley during this time.

1881

A disastrous fire completely destroyed the lumberyards in Madera, almost ridding the town of the lumber industry entirely.

1893

Madera County officially became a county in the State of California on May 16, 1893.

1896

Madera began construction on a new courthouse, jail, zoo, and county park. Madera also became the county seat this year.

1898

In March, Madera’s first Chamber of Commerce was formed. Forty-nine men paid \$2.50 charter membership dues.

1907

Madera is officially founded on March 27, 1907. Citizens of Madera held a centennial celebration on March 27, 2007.

1933

After reaching peak production of 50 million board feet of timber annually, the lumber industry era in Madera came to an end. Farm work became Madera’s new main industry and revenue source.

Madera Residents

Madera Metro utilizes **4 routes**, transporting Madera citizens where they need to be.

Dial-A-Ride charges **\$3 or less** for a ride within the city or county. Seniors and the disabled can ride at a discounted price.

Madera residents take over **29.3 minutes to get to work**, compared to 22.4 minutes for Fresno residents and 29.5 for all of California.

Miles to Other Major California Destinations

Local Government

Council-Manager

Madera is a municipal corporation following the Council-Manager form of government. The Council, the city's legislative body, defines the policy direction of the city. The City Manager oversees the daily operations of the city.

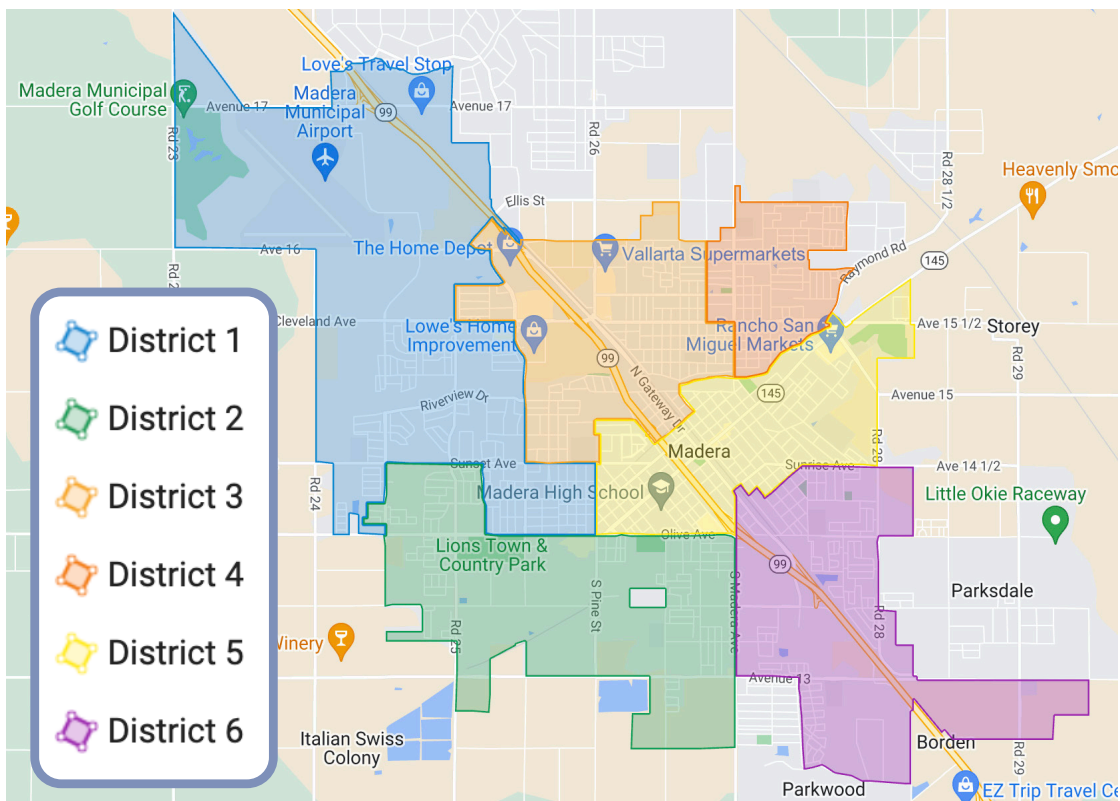

Districts

The City Council consists of an elected mayor and six elected council members. Each serves a four-year term. Council members are elected by district, whereas the Mayor is elected at large or citywide.

General Law City

There are two types of cities in California – charter and general law. Charter cities follow the laws set forth in the state's constitution along with their own adopted "charter" document. General law cities follow the laws set forth by the state legislature. Madera is a General Law city.

The Six City Council Districts of the City of Madera

[View a detailed district map at madera.gov/districts](https://madera.gov/districts)

Parks

11 Parks

Madera enjoys three community centers, one skate park, one community garden, one municipal golf course, and a cross-city trail system.

27 Slides

These slides are located at various municipally operated playgrounds distributed throughout the City of Madera.

3 Pools

Located at the Centennial Pool Complex, these pools provide refuge and fun to residents wanting to escape the summer heat.

161 Acres

These acres comprise the City of Madera's municipal park resources available to residents of the community.

Infrastructure

203 Miles of City Streets

This is based on reports from the Public Works department.

19 Water Wells

These work to provide the City of Madera's water supply.

200 Miles of Waterline

With an additional 175 miles of sewer line.

3,017 Streetlights

Keep Maderans out of the dark, while 38 traffic signals keep them safely moving.

Police

39 Police Vehicles

Madera PD has 16 marked patrol vehicles, eight code enforcement vehicles, five traffic enforcement motorcycles, five unmarked detective vehicles, and five administration vehicles.

71 Sworn Officers

This includes specialized units, such as SWAT, SIU, and Community Outreach. The Police Department also has 37 civilian employees.

3 K-9 Units

The Madera PD welcomed a new K9 to their ranks this year. These dogs help human officers take a bit out of crime.

63,137 Events

Madera PD responded to 2,705 more events, compared to last fiscal year's 60,432 events.

Fire

3 Fire Stations

Construction of Fire Station #58 was completed in FY 20/21.

5 Fire Engines

The Fire Department also has one ladder truck.

217 Fires Mitigated

during FY 22/23.

25 Fire Fighters

Recruitment efforts are still underway to add more.

3,277 Calls for Service

Calls occurred during FY 22/23.

17,324 Inspections Conducted

Inspections were conducted by the Building Department in FY 22/23

4,584 Business Licenses

Madera has this total number of business licenses, excluding rentals by the end of FY 22/23.

247 Single Family Residential

Permits were issued in FY 22/23.

3,445 Building Permits

Permits were issued during FY 22/23 fiscal year.

- Employees By Department

Key Budget Assumptions & Changes

Defining the 2023/24 Starting Point

The City budgets to maintain the existing level of services delivered to the community while strategically increasing or expanding services as growth and demand warrant. Similar to other communities, the City consistently recalibrates its service delivery model to meet evolving demands. Due to slight unexpected increases in revenue, the City is positioned to remain financially stable. Unfortunately, the Country is entering a tumultuous period and planning and flexibility will be imperative. With the level of uncertainty in the current economic climate, staff has updated budget item forecasts relative to the plethora of issues pressing the national and local economy. Some of these include:

- **Closure of Madera Community Hospital:** The hospital's closing extends beyond timely access to care; it will have a long-term detrimental impact on an already economically challenged region. It is well documented that the Central Valley healthcare system is overburdened. Local media outlets routinely report that Fresno hospitals are at excess capacity. It is also acknowledged that many hospitals have significant delays in service. Closing the City's lone hospital will worsen the problem. Historical trends indicate that Madera's unemployment rate is one of the highest in the State, and the hospital was one of the largest employers in the community. Thus, not only will access to critical care be reduced, one of the most economically depressed areas in the State will suffer another unnecessary setback. It is noted that Madera is consistently in the top nine for the highest unemployment rates in the State. By closing the hospital, hundreds of families will be negatively impacted. Finding employment for former employees will be difficult, especially during the infant stages of a recession. Moreover, not all the existing employees' job skills are transferable, considering that it is the only hospital in the area. Some current employees likely sought employment in other hospitals, disrupting families, schools, and neighborhoods.
- **Interest Rates:** Interest rates have risen dramatically over the past year. Beginning in March 2022, the Federal Reserve has increased the Federal Funds Rate from a low of 0% to the current 5.50%. This increase has had a slowing effect on the economy, by making money more expensive to borrow. With no plans for further borrowing and all its debt at fixed rates, the interest rate increase has had minimal impact on the City's costs. However, it has had a significant impact

on the City's interest earnings. Evidence of that impact can be found in the yield on the City's Treasury portfolio which has gone from .74% at the end of May 2023 to 2.92% at the end of July 2023. Staff anticipates the yield to continue to increase throughout FY 23/24, as lower yielding investments mature and are replaced with higher yielding investments. The added Interest Income will provide additional resources for the City to deliver services to its residents.

- **Inflation:** While inflation has slowed from its peak of 9% a year ago, the current rate of 3.2% is still higher than the Federal Reserve's stated goal of 2%. Prices have been driven up by supply chain issues and disruptions to global food and energy markets worsened by Russia's war against Ukraine. Similar to others, the City is experiencing the effects of inflation from cost increases in services, fuel, supplies and equipment, and construction projects.
- **Consumer Confidence:** Consumer confidence has increased over the past year, as inflation has slowed, and the labor market remains tight. The hope is that the increased consumer confidence will translate to addition spending by consumers, resulting in increased Sales Tax to the City.
- **Supply chain issues:** The pandemic created significant supply chain challenges, which continue to impact manufacturing, construction, retail, and many other industries. These disruptions have caused lengthy lead times and sudden price increases for goods. The City has experienced these challenges in procuring various supplies and equipment, including IT hardware, vehicles, capital projects, etc.
- **Labor:** The Great Resignation and labor challenges have had an impact on the City. While the City has attempted to mitigate impacts by implementing unconventional practices, the City will need to monitor trends to ensure that it retains its workforce and remains competitive in attracting new talent.

Revenue Forecast during uncertain times

While there is uncertainty about how much the City's revenues will be impacted, some items are foreseeable. For example:

- It is important to remember that the Budget is a forecast based on many assumptions. Thus, it is not

expected to be 100 percent accurate when compared to actual results.

- The erosion of consumer confidence and the potential closure of retail establishments means a decline in sales tax revenues, however there may be a potential offset from increased online purchases.
- The price of gas and electricity is a major concern. While consumers are being impacted, the City's utility rates continue to increase.
- While programmed activities levels are still below those of pre-pandemic times, the City must maintain facilities, such as the pool which may need augmentation from the General Fund to offset some costs.

Like all annual budgets, staff made assumptions to determine the budget. The following are a list of key assumptions.

Projected Revenues

In preparing the FY 2022/24 budget, staff estimated major city revenues as indicated below:

- Projected Retail Sales & Use Tax: \$13.0 million
- Measure K: \$7.1 million
- Transient Occupancy Tax (hotel tax): \$991k
- Property tax in-lieu (c. 2004): \$7.6 million
- Property tax: \$4.6million
- Business license revenue: \$577k
- Community Facilities District (CFD): \$1.1 million
- Building Permits: \$700k

Interest Income: \$1.0 million It should be noted that potential Measure R revenues are not included given that cannabis permits are under review.

Increased Expenses

In preparing the FY 2023/24 Proposed Budget, staff made the following adjustments to expenses:

- Unfunded Accrued Pensions Liability is expected to increase.
- Property Liability Insurance is expected to increase.
- Employee Health Insurance is projected to increase by 4.7 percent.
- Senate Bill 1383 will result in increased costs for solid waste.

Balancing the Budget

- The Proposed General Fund FY 2023/24 Budget projects that revenues will exceed expenses by approximately \$352k.
- The Proposed Budget does not anticipate using funds from the General Fund Reserve.
- The Proposed Budget includes allocating \$1,500 stipends for City employees from the General Fund unallocated account and an additional \$580k to offset increased healthcare costs. These funds were placed in separate accounts and were derived from the Unassigned Funds from prior Fiscal Years.
- Should the City receive less revenue than anticipated, the City expects to utilize reserves to offset revenue shortfalls, however such utilization of reserves will be brought to Council for consideration and approval.

Budgeted Positions

- The proposed budget incorporates the costs of the City's recently negotiated labor agreements and cost increases in other spending categories.
- Budgeted positions: The Proposed Budget only includes positions based on those reasonably expected to be filled by a person. As the year progresses, staffing will be continually reviewed and analyzed, and any changes to budgeted positions will be brought to the Council for consideration.

Vacant Positions

- Vacant positions are included in the budget for any existing or new positions the City intends to fill. The number of vacant positions and the positions fluctuate as employees leave the organization and new employees are hired. The budget includes

assumptions on hiring timelines and applicant availability. The Proposed Budget consists of all approved positions with reasonable assumptions as to the hire date for positions currently vacant. As the year progresses, staffing will be continually monitored, and any requests for additional positions will be subject to Council consideration and approval.

- For the FY 2023/24 Proposed Budget, vacant positions were budgeted at the expectation of employee-only health coverage in the Anthem plan.

Reclassifying Positions

The City may seek to reclassify positions based on an analysis of actual job duties. Additionally, pursuant to the City’s Memorandums of Understanding with represented employee groups, employees may submit reclassification requests each year during certain filing windows if they believe they are working outside their job classification. The Human Resources Department evaluates these requests and then recommends to the City Manager whether a position should be reclassified or whether the assigned duties fall within the existing classification. The City Manager then decides to uphold or deny the recommendation. Employees may appeal to the City Manager if they disagree, however the City Manager’s determination is final. The City did not receive any employee-initiated requests this year.

Planned Promotions

Planned promotions have also been captured in the budget. These promotions are for class series where classification is determined by certification and/or time in the position (i.e., Police Officer I to Police Officer II). These promotions will only be effectuated upon satisfactory job performance at the current classification level and the individual meeting the employment standards for the higher classification.

Proposed New Positions

The proposed budget includes several new positions that are recommended to maintain and enhance the City’s service delivery:

(FT = full-time; PT = Part-time)

- Parks and Community Services
 - Administrative Analyst I (FT replacing an existing PT position)

- Parks Project Manager (FT replacing an vacant PT)
- Community Development, Building Division
 - Administrative Assistant (FT)
 - Intern (PT)
- Public Works Safe & Clean Team (the proposed positions would replace the existing PT position)
 - 1 Public Works Equipment Operator (FT)
 - 2 Public Works Maintenance Worker II’s (FT)
- Public Works, Sewer
 - Maintenance Worker I (PT, 2 – 1,000-hour positions)
- Public Works, Water Distribution
 - Maintenance Worker I (PT, 2 – 1,000-hour positions)
- Public Works, Wastewater Treatment Plant
 - New Operator-in-Training (FT)

Employee Compensation

The FY 2023/24 budget includes the following relative to employee compensation:

- Merit increases have been budgeted; however, the actual achievement of such increases is dependent upon individual employee performance.
- Two percent cost of living adjustments to go into effect in July 2023 and January 2024 have been included to base wages for employees represented by the City’s four bargaining units.
- Health Care for Current Employees: As Council has directed the unallocated balance in the General Fund be designated and used to pay the increase in health insurance premiums, resources from the General Fund are being transferred to other City funds to cover this cost.
- One-time payments: Per Council direction, this budget includes resources being transferred from the

unallocated General Fund balance to other City funds to cover this cost.

Measure K

Measure K sales tax revenue is committed to public safety and is shared 50/50 between the Police and Fire Departments. Measure K Police and Fire funds are budgeted and accounted for separately.

This budget recognizes the following:

- Equipment and vehicles for the Fire Department are paid for by Measure K
- Two-thirds of personnel and operations costs for the Fire Department are funded by the General Fund, while Measure K funds the remaining one-third.
- The City issued lease revenue bonds in June 2019 to construct Fire Station 58 for \$4,005,000. The bonds are due in annual installments of \$230,000 to \$307,000 over 20 years. The construction of the fire station was completed in November 2020. The annual debt service is included in the budget.
- Police staff salaries and benefits
- General Fund loan payment for the purchase of a Police building and critical radio infrastructure.
- Unassigned or unused Measure K monies for Fire and Police remain in their respective Measure K funds.

Measure K Stabilization Fund

The Council has directed that \$130,000 of Measure K revenue for both Police and Fire be committed each year for establishing a stabilization reserve, until the reserve reaches the equivalent of 30 percent of Measure K expenditures. Currently, both Police and Fire have a stabilization reserve fund balance of \$780,000 each, both consistent with the City's reserve policy.

Fire Engine Replacement Fund

Additionally, the Council approved a fire engine replacement reserve fund of \$200,000 in the previous year, with the intent to add \$200,000 each year. To ensure an effective engine replacement plan and to maintain a modern fleet of fire equipment, staff recommended that it be increased to \$490,000 per year in last year's budget. Including last year's

budget, the City had set aside \$1.29 million; however, the City purchased a Type 1 engine and related equipment totaling approximately \$751k. To ensure that the Fire Department is properly equipped, another \$490k is proposed to be reserved in the Proposed Budget.

It is noted that staff is recommending that the Fire Department vehicles be removed from the City's Fleet Replacement Program and be housed in the Fire Department Equipment Replacement Program.

Debt

The City expects to pay \$8,251,036 in principal and interest this year, with a total outstanding debt of \$55,823,145 as of June 30, 2023.

Budget Process

The latest approved budget document is made available at madera.gov/budget

The City Council sets the overall policy direction for the City and helps staff prioritize programs, projects and services to support that direction. The City operates on a fiscal year that begins July 1. City staff in their respective departments prepare individual budgets for their functional areas. These budgets are then combined into an overall city budget that is presented to the Council each spring for review and input.

The Council has the authority to approve the annual budget and may amend it during the year if needed. The legal level of budgetary control is at the fund level, which means spending in each different type of fund may not exceed the budgeted amount without Council approval.

Department Personnel Begins Projections

Department personnel are asked to update current year projections and proposed FY 2023/24 projected expenses and revenues. As part of this process, Salary Projection Worksheets are also prepared. These worksheets list City employees organized by department and calculate their total salary and wages for the specified fiscal year.

Mid-year Budget Review

Each department performs a mid-year budget review to determine if budgeted revenue and expenses are on target or need to be adjusted. Budget adjustments will be adopted per resolution. The Engineering Department prepares a five-year Capital Improvement Plan and presents the draft to the Council at this time.

Preliminary Enterprise Fund Review

The preliminary Enterprise fund budgets are presented to Council for review. These include budget:

- Water
- Sewer (e.g. wastewater)
- Solid Waste; and
- Storm Drainage

Other Funds Review

Preliminary Internal Services (Fleet, Facilities Maintenance, and Technology) and Special Revenue Fund budgets are presented to Council for review.

Public Input on Spending Priorities

A public hearing is held at a Council meeting regarding the Community Development Block Grant (CDBG). The public is encouraged to provide input regarding how funds are to be allocated.

Preliminary Budget to City Council

A budget workshop is held for the Council and community. Budgets for City funds are made available for review and discussion. The Financial Services Director leads the presentation and department directors are available to discuss any specific budget items within the purview.

Final Budget Approval

A budget workshop is held for the Council and community. Budgets for City funds are made available for review and discussion. The Financial Services Director leads the presentation and department directors are available to discuss any specific budget items within the purview. The chart below depicts the ideal timeline for the preparation of the budget. Due to staffing, the preparation of this budget was prolonged.

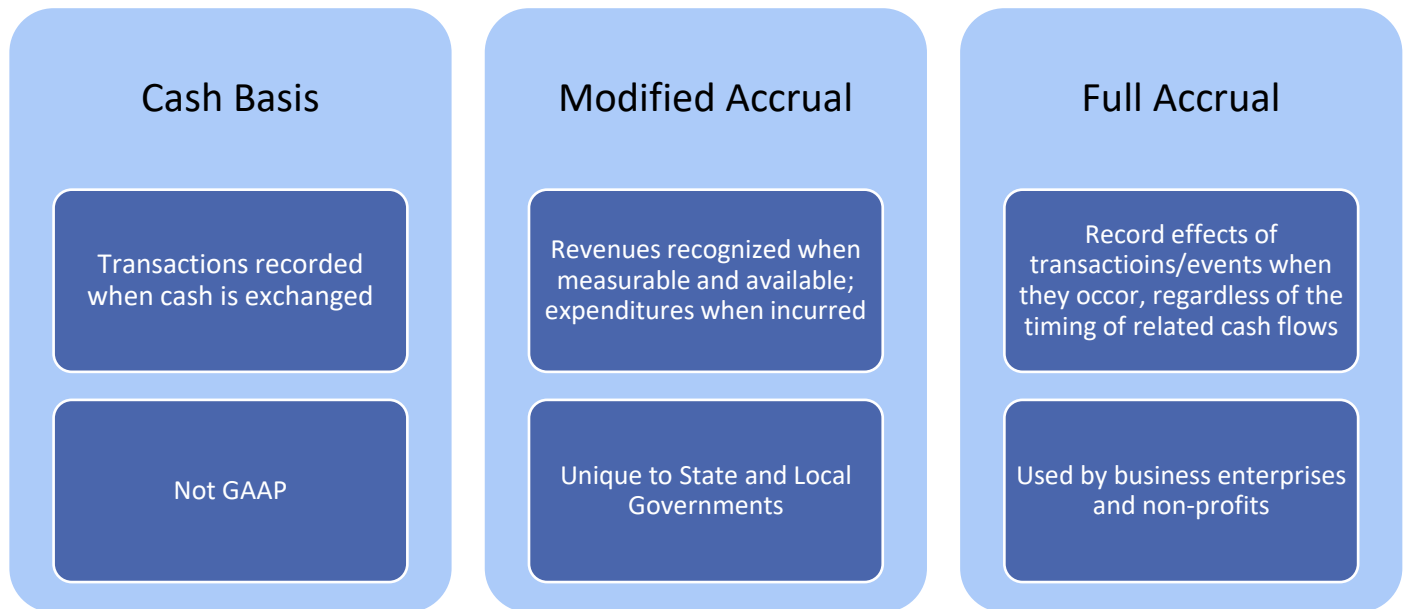

Basis of Accounting & Budgeting

The City budgets on a modified accrual basis for all funds except for its enterprise and internal service funds, which are budgeted on a full accrual basis. This is consistent with the City's basis of accounting as reported in its Annual Comprehensive Financial Report (ACFR). The City's Governmental Funds consist of:

- The General Fund
- Special revenue funds (including Enterprise Funds)
- Debt service funds
- Capital project funds

Each fund is prepared on a modified accrual basis where revenues are recognized when they become measurable and available, and expenditures are recorded when the related liability is incurred; except that principal and interest payments on general long-term debt are recognized when due. Revenue availability criteria are defined as collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period (i.e., 60 days after fiscal year-end).

Budgets for proprietary funds (Internal Service Funds and Enterprise Funds) are prepared on a full accrual basis where revenues are recognized when earned, and expenses are recognized when they are incurred.

Level of Budgetary Control

In the spring of every year, City personnel prepare a proposed budget and present it to the Council for consideration. The proposed budget, along with all the supporting schedules, is made available for public inspection in the City Clerk's Office and the office of the Financial Services Director. For the FY 2023/24 budget, the Council held a budget review workshop on August 2, 2023, to receive public comments and ascertain the facts regarding the proposed budget.

The City Council was introduced to new budgetary controls to start the FY 2020/21 budget. During the June 11, 2020, Council meeting, staff presented the following controls:

- Transfer of appropriated budget authority from one account to another within a department may be done upon approval of the City Manager.
- Transfer of budget authority between departments of the general fund or between funds will be done by minute order of the City Council if less than \$25,000 and by resolution if greater than \$25,000.
- Authority is given to the Financial Services Director to adjust the budget for all monies received by the City not included in the budget up to \$5,000 per incident without a budget resolution. A report will be given to the Council on a quarterly basis regarding any such activity.
- All outstanding encumbrances as of June 30 approved by the City Manager shall be continued and re-appropriated for expenditure into the following fiscal year.
- Except as monetary appropriations may be affected by intra-fund transfers within the general fund or other funds, no appropriations set forth in said budget shall be cancelled in whole or in part except by resolution adopted by a majority vote of all members of the Council.
- Expenditures made, liabilities incurred, or warrants issued more than budget appropriations as originally approved or as thereafter increased or decreased, shall not constitute an obligation or liability of the City. The City Manager and the

Council shall approve no claims and the Financial Services Director shall issue no warrants or checks for any expenditure more than existing appropriations except upon an order of the court of competent jurisdiction, or in cases of emergency as specified and in accordance with the procedures established in the Government Code of California.

Financial Budget Policies

Budgeting

An annual base budget will be developed by verifying or conservatively projecting revenues and expenditures for the current and forthcoming fiscal year.

The operating budgets shall be balanced. Ongoing costs shall not exceed current revenues plus available fund balance that exceeds reserve fund requirements.

Projected revenues will be sufficient to support projected expenditures.

The City will avoid budgetary procedures which balance the current budget at the expense of future budgets.

The Financial Services Director will prepare and submit a mid-year budget review and analysis to the City Council.

Accounting & Financial Reporting

- An independent audit will be conducted annually by a certified public accountant. This is the Annual Comprehensive Financial Report (ACFR).
- Financial reports will be produced per Generally Accepted Accounting Principles (GAAP) as outlined by the Governmental Accounting Standards Board (GASB).
- The City will maintain a strong system of internal controls.
- The City will maintain a written investment and portfolio policy that establishes parameters for determining investment placement and the overall management of the City's investment portfolio.

Reserves

- The City will maintain the General Fund Contingency reserves at a level of at least 30 percent of the general fund operating expenditures to protect essential service programs and funding requirements during periods of economic downturn or other

unforeseen significant costs not covered by the Contingency Reserve.

- The City will establish an account to accumulate funds to be used for payment of accrued employee benefits for retired and separated employees. The level of this reserve will be established based upon an annual projection of employee retirements.
- Self-insurance reserves will be maintained at a level consistent with professional actuarial review recommendations.

Capital Planning

- The City will develop and annually update a long-term Capital Improvement Plan (CIP) for the purpose of planning, scheduling, and financing capital projects as determined and approved by the City Council.
- The CIP will be a five-year plan and will include major on-going maintenance and rehabilitation costs to existing capital assets (land, land improvements, infrastructure, and equipment), as well as the costs of new facilities and improvements.
- The City will maintain its capital assets at a level adequate to protect the City's capital investment and to minimize future maintenance and orderly replacement of capital assets from current revenues where possible.
- The CIP budget will realistically assess potential future revenues and avoid commitments for projects that lack economic feasibility.

Revenue

- The City will estimate its annual revenues by an objective, analytical process utilizing trend, judgmental, and statistical analysis as appropriate.

- The City will attempt to maintain a diversified and stable revenue base to minimize the effects of economic fluctuations on revenue generation.
- The user fees and charges for each Enterprise Fund will be set to fully support the total direct and indirect costs of the activity. Indirect costs include the cost of annual depreciation of capital assets and overhead charges.
- Internal Service Funds are to be funded at appropriate levels to ensure their ability to provide services adequately.
- Development Impact Fees will be established to provide for the cost of infrastructure improvements from new growth instead of being a burden to existing taxpayers.

Debt Management

- The City will not use long-term debt financing for any recurring purpose such as current operating and maintenance expenditures.
- The City will consider the issuance of long-term debt to purchase or construct capital assets that will serve as long-term community assets. Prior to entering a long-term financing arrangement, an internal analysis will be conducted to determine the impact on current and future budgets for debt service and operations. This analysis will address the reliability of revenues to support the debt service.

Employee Salary & Benefits

Employee Salary & Benefits Summary

The City has four recognized bargaining units that represent all full-time employees, except Management. They include:

- Madera Affiliated City Employees’ Association
- Mid Management Employee Group
- Madera Police Officers’ Association
- Law Enforcement Mid Management Employee Group

Management and part-time employees are unrepresented.

When proposing and negotiating modifications to either salary or benefits, the City’s pay philosophy is to focus on total compensation. Below represents a summary of the normal benefits offered by the City in addition to base pay. Individual bargaining units may have additional pay incentives or benefits negotiated for their members; bargaining unit agreements can be found on the City’s website.

Summary Description

Retirement

Retirement: Defined Benefit

The City participates in the California Public Employees’ Retirement System, commonly known as CalPERS. The benefit received in retirement depends on the employee’s age at retirement, years of service, applicable pay, and benefit factor. The City does not participate in Social Security. The benefit is funded by both Employer and Employee contributions. The City participates in the following benefit formulas, with placement in the formula defined by hire date with the City:

Miscellaneous Employees

- Classic: 2.5% @ 55, highest single year
- Classic Tier I: 2% @ 60, average 3-year final compensation
- PEPR: 2% @ 62, average 3-year final compensation

Sworn Employees

- Classic: 3% @ 50, highest single year
- Classic Tier I: 3% @ 55, average 3-year final compensation
- PEPR: 2.7% @ 57, average 3-year final compensation

<p>Retirement: Supplemental</p>	<p>The City offers a choice between two 457 Deferred Compensation plans for full-time employees. For all full-time employees except Sworn Law Enforcement and Management, the City contributes an amount equal to 4.2% of base pay into the plan. No matching contribution from employees is required. Employees may elect to contribute their own funds up to the IRS defined annual maximum on a pre-tax basis. Monies may be withdrawn while still employed through either an emergency withdrawal or as a loan that must be repaid. Emergency withdrawal provisions are governed by IRS rules. Individuals have full access to funds after separation of service from the City.</p>
<p>Retirement: Part-Time</p>	<p>Part-time employees receive either the CalPERS benefits defined above or participate in a Social Security replacement plan administered by Empower Retirement depending on the number of hours worked annually. Any employee who works 1,000 or more hours in a fiscal year qualifies for CalPERS, regardless of part-time or full-time status.</p>
<p>Health & Welfare Benefits</p>	
<p>Health, Dental, & Vision Insurance</p>	<p>Effective July 1, 2021, the City joined the PRISM public entity risk sharing pool to participate in their health plans. This change allowed the City to offer multiple providers and multiple plans for employees to choose from when selecting benefits. Joining the pooled program will also have the long-term benefit of reducing rate volatility. The City’s current benefit providers are:</p> <ul style="list-style-type: none"> ▪ Medical: Anthem and Kaiser ▪ Dental: Delta Dental ▪ Vision: Superior <p>The City’s contribution towards health insurance is defined within the bargaining unit agreements for each employee group. The contribution will be equal to the cost of the Core medical plan plus dental plus vision at each enrollment level. Employees may waive coverage with proof of other coverage and receive a monthly waiver benefit of \$450. Premiums are paid by employees pre-tax under a Section 125 Cafeteria Benefits Plan.</p> <p>When the City moved from purchasing its own plans to PRISM in July 2021, it also began to transition its plans from fiscal year to calendar year. To facilitate the transition, the City’s initial premium rates from PRISM were 18-month rates from July 2021 to December 2022. The City has received the information for the January 2023 renewal and medical premiums will increase 8.6% for each plan, with dental and vision insurance rates having no change.</p> <p>The FY 2022-23 budget includes the City’s current contribution through December 2022, as well as the revised contribution beginning in January 2023. The difference in the City’s contribution rate from FY 2020-21 to present was directed by the City Council to be paid from monies in the City’s General Fund Reserve that have since been designated for that purpose. For the FY 2022-23 Budget, this has been calculated as being equal to approximately \$1.1 million to be paid from the designated reserve.</p>
<p>Flexible Spending</p>	<p>The City offers both dependent care and medical expense Flexible Spending Accounts under its Section 125 Cafeteria Benefits Plan. Employees may choose to contribute up</p>

Accounts	to \$2,850 per year on a pre-tax basis for reimbursable medical expenses or up to \$5,000 per year on a pre-tax basis for reimbursable childcare expenses.
Group Life	The City provides group life insurance coverage for full-time employees and dependents. Employees may purchase additional voluntary employee, spouse, and/or dependent life through the program, as well as accidental death and dismemberment benefits.
Disability	The City provides a long-term disability policy for situations requiring the employee to be absent from work due to disability more than 90 days. The policy provides up to 60% income replacement. The City does not participate in the California State Disability program; Madera Affiliated City Employees' Association participates at their own expense.
Employee Assistance Program	The City offers an Employee Assistance Program through Halcyon Behavioral that provides free counseling services to employees and their household. The program also has free online resources to help with work-life balance and management. In addition to these services, the plan also includes wellness benefits for employees and emotional fitness coaching resources.
Supplemental Insurance	The City offers additional accident, disability, universal life and similar policies employees may choose to participate in at their own expense.
Paid Leave Benefits	
Vacation	All full-time employees accrue paid vacation based on years of service with the City. Unused vacation is fully vested to the employee and is paid out as compensation upon separation from the City. Vacation balance caps vary by bargaining unit.
Sick	All full-time employees accrue paid sick leave at the rate of 12 days per year. A percentage of sick leave is available for cash-out upon positive separation based on years of service with the City. All part-time employees accrue paid sick leave at the rate of 1 hour for every 30 hours worked.
Family Sick	Both full and part-time employees may use sick leave to care for a family member. The number of hours varies by bargaining unit.
Holidays	The City recognizes 11 full day and 2 half day paid holidays each year. Additionally, some employees are eligible for floating holiday time based on years of service with the City, depending on their bargaining unit. Because of the nature of their job, employees represented by the Madera Police Officers' Association accrue holiday leave similar to vacation.

Administrative Leave	Positions exempt from overtime under the Fair Labor Standards Act receive 40 hours per year of Administrative Leave. This leave must be used each fiscal year, or it is lost; unused hours are not carried forward.
Compensatory Time Off	Positions eligible for overtime have the option to accrue Compensatory Time Off in lieu of pay. For each hour of overtime worked, the employee may elect to accrue 1.5 hours of leave.
Supplemental Paid Sick Leave	Effective January 1, 2022, through September 30, 2022, all full-time employees received 80 hours of supplemental paid sick leave for COVID related reasons. Part time employees are eligible for a pro-rated amount of leave based on work schedule.
Additional Benefits	
Flexible Work Schedules	Depending on bargaining unit, employees may request to work alternative schedules to assist in work/life balance. This potentially includes both 9/80 and 4/10 options.
Bilingual Pay	Full-time employees may be eligible for bilingual English-Spanish incentive pay after successfully completing a skills exam. Employees represented by the Madera Police Officers' Association are also eligible for American Sign Language bilingual pay.
Education/Certificate Incentive Pay	All four of the City's recognized bargaining units provide various education and certificate incentive pays. These benefits are in addition to base pay.
Education Reimbursement	All four of the City's recognized bargaining units have provisions in their agreements for reimbursement of education expenses. Currently employees may request reimbursement of up to \$2,400 per fiscal year for pursuing a college degree.
Holiday Closure	For employees represented by the Madera Affiliated City Employees' Association and the Mid Management Employee Group, the City closes non-safety functions and services between Christmas Day and New Year's Day.

General Fund Summaries

Major Revenue Sources

Revenues provide a representative picture of the local economy. They are of particular interest as they fund essential services, such as Police, Fire, Parks, some professional staff, etc. The City relies on several revenue sources to support the General Fund budget. The primary revenue sources are the following:

Sales & Use Tax

Sales tax is one of the City's most significant sources of revenue for the General Fund. In accordance with the Bradley-Burns Local Sales and Use Tax Act, the City receives a 1 percent share of taxable sales generated within city limits. Sales Tax revenues generally move in step with economic conditions and have improved markedly over the past years. A small portion, or 3 percent of the sales tax collected is shared with Madera County as part of a tax sharing agreement.

With the passage of Measure K, the City receives an additional .5%. This .5% sales tax is used for public safety enhancements and is recorded in a separate fund within the General Fund. Revenues are divided by the Fire and Police Departments.

In short, the sales tax rate in the City is 8.25% and includes:

- 7.25% per the State of California
 - The City receives 1% of the 7.25%, also known as the Bradley-Burns Local Sales Tax
- .50% for Measure K (Police & Fire, City only)
- .50% for Measure T (Transportation; Countywide)

Property Tax In-Lieu of Vehicle License Fees (VLF)

Previously the State of California assessed a two percent tax for cities and counties known as the Vehicle License Fee (VLF) on car registrants. As part of the 2004 Budget Act negotiations, an agreement was made between the state and local governments where the VLF rate would be permanently reduced from 2 percent to 0.65 percent. The difference is paid through local property tax from County educational revenue augmentation funds (ERAF), referred to as the "VLF swap." As such, this is another form of property tax where the "base" is determined on the amount "swapped" in 2005 plus growth in assessed valuation like the City's "regular" property taxes.

Secured Property Tax

The City's property tax revenues are based on assessed property values. Proposition 13, adopted in 1978, limits the annual increase in assessed values for property. Under this proposition, assessed values (and the related property tax) can grow by no more than two percent per year. In addition, the value upon which the tax is based is only increased to the total market value upon the sale of a property. Thus, property taxes tend to grow slowly unless there is housing activity.

Property Tax collections are much less predictable than Property Tax In-Lieu of VLF, as the second installments vary considerably from the first installment.

Transient Occupancy Tax

Hotel/Motel Tax, also known as Transient Occupancy Tax (TOT), is a 9 percent tax assessed on hotel and motel room rentals and short-term residential rentals within the City. A total of 7 hotels and motels currently operate within city boundaries. The tax was last raised in 1986, from 7 percent to current 9 percent. The FY 2023/24 projected TOT revenue is projected at \$980k.

Franchise Fees

Franchise fees are considered a form of rent to use Madera public rights-of-way. This fee is collected from companies furnishing users with telephone, cable television, and gas services. Franchise fee revenue comes from Comcast and Pacific Gas & Electric. Payments are based on a percentage of gross revenues as stated in the Madera Municipal Code; therefore, they fluctuate based on gross billings by the companies listed above. Based on current year revenues, this revenue stream is expected to remain flat in FY 2023/24.

Engineering Fees, Projects, and Transfers In

Interfund Charges/Project Management makes up approximately half of the Engineering Division's revenue budget. In addition, the Engineering Department charges other departments for personnel costs related to the management of specific capital projects.

Interfund Charges (Administration and Overhead)

Madera's General Fund includes expenses for all administrative services (e.g., finance, human resources, attorney services, etc.). A portion of these services support the enterprise funds, including utility funds. The City uses a

fair and equitable indirect cost allocation process to allocate departmental costs from the General Fund to all funds that benefit from the services that the General Fund departments provide. The City recaptures these costs from non-General Fund departments based on factors such as the number of employees, agenda items, budget amounts, and square footage. The City employs formulas provided by Cost Tree, an independent company, to determine universally accepted methods. Charges are recorded by way of monthly recurring journal entries.

Police Fees and Contracts

The Police Department within fund 1020 charges various fees and penalties per the Master Fee and Master Penalty Schedule, utilizes various grants to purchase equipment and supplement staff time and has agreements with outside entities to provide police services (such as the Madera Unified School District) and receives payment for these services.

Development-related revenues

Development-related revenues are derived from fees for planning, engineering, and building permits and fees paid by developers to cover the cost of reviewing and monitoring development activities, such as plan checks and inspections. These revenues are difficult to predict, as many planning and engineering activities occur months or years before development.

Business License Tax

A Business License Tax is a tax imposed on businesses for the privilege of conducting business in the City. The bulk of this tax is collected and recorded in July when business licenses are renewed.

Grants

This revenue category includes state and federal grant awards received by the City and reimbursement of state mandates. This includes the Community Block Development Grant, Federal Transit Administration (Madera Metro), the Justice Assistance Grant (JAG), and more recently the Proposition 64 (Taubert Park), and the Clean California Grant (Fresno River).

Department Summary

The City Council (Council) consists of seven members and is the governing body elected directly by the residents of Madera. The Mayor is elected at large and there are six Council Districts. The Mayor Pro Tem is selected on a rotating basis.

As the legislative branch of our local government, the Council makes final decisions on all significant City matters and sets citywide priorities and policies. The Council directs the City Manager to implement these priorities and policies.

The Council adopts ordinances and resolutions necessary for efficient governmental operations, approves the budget, and acts as a board of appeals. It also appoints members of the City's advisory boards, commissions, and committees.

The Mayor and Councilmembers are accountable to the electorate and must balance the views of individuals and groups with the community's needs. Councilmembers achieve success with public policy issues facing the region by leading and collaborating with residents, businesses, and regional partners on issues of mutual interest.

The Council is responsible for the scope, direction, and financing of City services; establishing policy based on information provided by staff, advisory boards and commissions, and the public; and implementing policy through staff under the Council-Manager form of government. The terms of the Mayor and Councilmembers are four years, and the General Municipal Election is held in even-numbered years on the first Tuesday after the first Monday in November.

Responsibility

The mission of the Council is to adopt legislation and provide direction to the administration of the City and promote the community's best interests locally and with other governmental agencies.

The public elects the Council to serve as the governing body and policymakers of the City.

The City Clerk oversees the Council budget related to expenses associated with conducting Council meetings, other miscellaneous expenses for participation in various community events and functions, and travel and training for professional development as elected officials.

In addition to Council meetings, Councilmembers hold special local and regional committee assignments, frequently meet with residents, business owners, and City staff to discuss issues and projects, and regularly attend various community events.

The City Council hires the City Manager, City Clerk, and City Attorney, and appoints members of the City's advisory boards, commissions, and committees.

The City Manager oversees the hiring and management of the rest of the staff. It is the Council's responsibility to enact policy and the City Manager's job to implement the Council's policies and approaches, many of which are expressed in the annual budget.

Objectives

While the objectives of the Council are many, the following reflects some key items:

- Provide legislative policy directives for City programs and services
- Support Community engagement and advocacy
- Invest in well-planned infrastructure and growth
- Approve programs for the City's physical, cultural, and socio-economic development
- Encourage cooperation among community leaders, civic organizations, and residents
- Work to maintain high-quality City programs and services

- Actively participate in State and Federal legislative processes
- Work closely with other local governments and the League of California Cities to focus on issues that press local governments
- Continue to concentrate on communication and cooperative efforts with City residents

Department Fund Summary

The General Fund fully funds the Council and does not anticipate generating revenue in FY 2023/24.

The proposed budget includes the following expenses:

- \$30,000 for the New Mayors and Council Members Academy, the City Leaders Summit, and the Mayors and Council Members Executive Forum. Should Councilmembers elect not to attend, funds are reallocated to the General Fund.
- \$800 per Councilmember, for a total of \$5,600 for expenses related to travel, meetings, etc.

Department Staffing & Structure

The Council is elected by district sans the Mayor who is elected at large.

(10201000)

City Clerk

Department Summary

The City Clerk's office serves as a vital link between the city government and those it serves, providing access to public records, publishing Council agendas, preparing minutes, and serving as the City's election official.

We are committed to providing quality public service, informing our residents, and ensuring transparency by connecting them with the legislative process. The City Clerk acts as the compliance officer for federal, state, and local statutes, including the Political Reform Act, the Brown Act, and the Public Records Act. The department is responsible for maintaining Madera's legislative history, and municipal code, coordinating, and administering all activities of Council meetings, and managing, and coordinating Council-appointed boards and commissions. The department serves as the filing

officer for Fair Political Practices Commission Forms and is also the custodian of the City seal. The City Clerk is appointed by and reports to the City Council.

The statutes of the State of California prescribe the essential functions and duties of the City Clerk, and the Government Code provides specific responsibilities and procedures to follow. The City Clerk's office is a service department with the municipal government upon which the Council, all city departments, and the public rely for information regarding the operations and legislative history of the City.

Responsibility

The City Clerk's Office provides a wide range of public services, including:

- Archiving official city records; preserving a complete and accurate record of Council meetings
- Processing of public records requests
- Supporting the Council, staff, and the public by providing copies of agendas and associated reports
- Coordinating Council meetings, agenda items, packets, and minutes for regular and special meetings
- Posting and publishing legal notices, scheduling public hearings
- Transcribing meeting minutes
- Recording of ordinances and resolutions
- Engaging in boards and commissions, elections, and records management recruitments
- Providing information pertaining to the Brown Act, the Political Reform Act, and the Public Records Act

As the custodian of records, the City Clerk's office is responsible for the management of the City's official records, including:

- Agendas
- Meeting minutes
- Resolutions
- Ordinances
- Agreements

The City Clerk also serves as the filing officer for the Fair Political Practices Commission for Statement of Economic Interest filings (Form 700) and as a liaison between the community and City Council regarding the City's business and community events.

The City Clerk is also responsible for maintaining the City's Municipal Code to date and the Boards and Commissions Appointment List. The City Clerk also responds to requests for internal document production.

Key Accomplishments

Overview of accomplishments:

- Prepared and published 19 Council agenda packets
- Prepared and published 5 Special Council agenda packets
- Supported over 61 hours of Council meetings
- Continue to offer online public records request services through our website to increase citizen access to records and streamline compliance and department workflow. Coordinated over 180 responses to Public Records Act Requests
- Adhered to statutory requirements related to open meeting law and agenda preparation
- Coordinated FPPC filings for 87200 filers and designated positions

Goals & Performance Measures

- Records management - develop a schedule for filing backlog
- Develop citywide records retention schedule
- Be committed to maintaining a system of transparency, public engagement, and collaboration, thus ensuring the public's trust. Transparency in government promotes accountability and provides information for citizens about what their local government is doing. Local government should be easily accessible and contain the most desired and valuable information to the community.
- Stay current on updates to state laws that have the potential to affect operations
- Ensure Council and City Clerk website pages are current
- Track public record requests and respond per the Public Records Act
- Acknowledge and respond to requests within two business days

- Maintain 100 percent filled status of the City Boards and Commissions with the goal of filling unscheduled vacancies within 60 days.

Department Staffing & Structure

The City Clerk reports directly to the Council and is supported by the Deputy City Clerk. The City Clerk's Office has two full-time employees, and no changes are proposed from FY 2023/24.

City Manager

Department Summary

The City operates under a Council-Manager form of government. The elected seven-member City Council appoints the City Manager to provide executive leadership and oversee the day-to-day business of the city government.

The City Manager’s Office implements the City Council’s vision and goals by aligning financial resources and administering City projects, programs, and services that support expressed City Council priorities. The City Manager makes policy recommendations to the City Council and oversees all City departments except for the City Clerk and the City Attorney. The City Manager’s Office also focuses on leadership, overall quality-of-life issues, fiscal accountability, internal and external communications, employee engagement, and industrial expansion. The City Manager serves as a link between residents, regional governments, private and public agencies, City staff and Councilmembers while facilitating efficiency, innovation and change within the City.

The City Manager's Office provides leadership and professional management to the City government organization and works with the Council to develop and implement its policies to maintain and enhance Madera’s quality of life. The City

Manager's Office adheres to guiding values that emphasize community, stewardship, and public service.

Responsibility

Provides the organizational support and leadership necessary to:

- Implement City Council programs and policies to meet current and future needs
- Ensure city operations demonstrate transparency and fiduciary responsibility to the public
- Build a strong service culture
- Maintain a healthy relationship with employees
- Provide ongoing, informative communications to City Council and City employees regarding key objectives, challenges, and accomplishments

- Provide clear and concise information to the community
- Provide the community with live and recorded access to various public meetings, community forums, local events, public service announcements, social media, etc.
- Foster a positive relationship with a variety of media outlets by releasing notable updates and information promptly and accurately through press releases and media advisories
 - Director of Public Works with 18-years of Public Works experience
 - Finance Director with prior Controller experience and extensive knowledge in City finance
 - Community Development Director with over 20 years of experience
 - Chief Building Official, who is also certified as a Fire Marshal

Key Accomplishments

- Continued to provide essential services to residents such as emergency response, transportation, water and sewer, maintenance of local streets and public facilities, as well as the overall upkeep of City infrastructure
- Actively sought and advocated for
 - Applying \$23 million in American Rescue Plan funding to mitigate excessive sewer and water rate increases
 - \$500k COPS Grant for the recruitment of law enforcement officers with the purpose of increased policing and crime prevention.
 - \$101k in National Opioid Settlement funding for opioid remediation projects
 - \$2 million for the construction of a new park located at Olive and Knox Avenues.
 - \$823k Clean California Local Grant to restore and beautify the Vernon McCullough River Trail
- Transitioned essential leadership and staff positions to ensure the execution of key City Council priorities
- Recruited key directors to ensure streamlined operations at the departmental level:
 - Assistant Fire Chief with a background in Incident Management, Haz-Mat and Rescue Operations
- Successfully partnered with the Downtown Business Association to continue implementation of the Crow Abatement Program for the fourth year in a row
- Managed the City’s state and federal legislative program to advance City Council and city department goals
- Originated Council meeting informative recap internal communication to keep employees informed of items brought before Council and actions taken
- Strived to support employees working remotely by providing enhanced technology resources as part of that effort
- Served as the lead for the Fresno River clean-up and ongoing maintenance efforts
- Produced a balance budget for four consecutive fiscal years with the anticipation of a fifth year in 2023-24 fiscal year.
- Madera Eats, featuring food vendors and local businesses

Played an instrumental role in:

- City staff worked collaboratively with multiple other committee members toward preparing a November 2022 ballot for an extension of the Measure T program
- Recruiting Administrative Hearing Officers for Cannabis and other City-related appeals

- Proactively utilizing City and contractor resources to mitigate the detrimental impacts of winter storms
- Collaborating with Madera Irrigation District to recharge over 400 acre-feet in joint recharge basins within the City
- Directing Clean and Safe Initiatives citywide such as:
 - Removal of snipe signs
 - Removal of shoes over powerlines
 - Removal of abandoned pay phones
 - Clean-up of shopping carts
 - Purchase of sweeper for use at City Parks, parking lots, trails, etc.
 - Maintenance of identified City owned land
- Provide timely, accurate, and results-oriented financial and operational reports
- Lead the City's management team to ensure the provision of high-quality, cost-effective, and customer-focused services
- Advance Council priority projects while promoting the high-performance organization initiatives
- Assist in the negotiations with employee associations and labor unions for a Citywide salary increase at no additional cost to constituents
- Shape the organizational culture to ensure a high performing workforce operating in a rewarding environment, making the City an employer of choice in the region
- Research and implement best practices related to government services and innovation
- Continue to support the Council and departments with Federal and State legislative priorities and goals
- Promote transparency by providing staff updates on Council action and latest information affecting the City

Growing our community by:

- Bringing onboard a new Chief Building Official with a background in Construction Management, Electrical Systems, and who is a certified Fire Marshall.
- Facilitating a cannabis program and currently closing out the appeals process before beginning

Goals & Performance Measures

- Continue to meet the City's mission statement to deliver quality public services with integrity, courage, compassion, and competence to the diverse community
- Continue to support the City Council, the priority setting process, and regular, special, and committee meetings
- Grow the community engagement and transparency efforts to foster authentic civic engagement with residents, organizations, and businesses
- Continue to provide leadership and professional management to the city government organization

Department Fund Summary

The City Manager is responsible for four distinct budgets. They include:

- City Manager's Office
- Central Administration
- Legal Expenditures
- Community Promotion

The following is a summary of each:

City Manager's Office

The City Manager's Office budget provides for three full-time personnel to carry out the primary functions of the

department. These include the City Manager, an Administrative Analyst, and the Communications Specialist.

Central Administration

The Central Administration budget is used to track services provided internally to the organization.

Community Promotion

The Community Promotion budget includes payments to organizations outside of the city. For example, the City contributes towards the Local Agency Formation Commission, the Economic Development Commission, League of California Cities, crow abatement for downtown, recognition of community events/people, etc.

Legal Expenditures

The Legal Expenditures budget includes payments to the contract City Attorney and other legal counsels contracted by the City to handle litigation and advisory matters.

Department Staffing & Structure

The City Manager is one of three appointed positions. The City Manager reports directly to the City Council.

Finance Department

Department Summary

As a steward of the City's assets and liabilities, the Finance Department sets and implements a strategic financial management plan and provides information effectively and timely, ensuring the City makes sound financial decisions.

The Department takes immense pride in accomplishing this mission by maintaining individual and departmental credibility, working together as a team, and consistently striving to exceed expectations.

As a full-service finance operation, the department is responsible for accounting procedures and policies, accounts payable and receivable, budget preparation and administration, annual independent audit preparation and financial statement review, debt issuance, and administration, revenue collection, including water, wastewater, solid waste,

drainage, and street sweeping bills, payroll, business license taxes, parking citations, purchasing, and fleet management.

Finance also includes the Fleet and Grants Divisions within its organizational structure. A description of their FY 2022/23 accomplishments and their FY 2023/24 goals can be found in their chapters of this document.

Responsibility

The Finance Department provides the organizational support and leadership necessary to:

- Deliver superior service to internal and external customers in a fiscally responsible manner.

- Maximize the effective and efficient use of public funds.
- Ensure the financial integrity of the City by strictly complying with City policies and continuously improving the City's financial accounting processes.
- Monitor the financial activities of City departments to ensure strict compliance with the City's Purchasing Policy.
- Prepare and maintain balanced annual operating and CIP budgets that meet the Government Finance Officers Association (GFOA) program guidelines.
- Anticipate potential budget impacts from changing economic conditions, state budget impacts to Madera, impacts from state and federal legislation to the City, and recommend and implement measures to mitigate those impacts.
- Maintain a balanced operating budget for all governmental funds.
- Monitor all proprietary funds to ensure they remain self-supporting, maintaining appropriate reserves, and complying with all bond covenants.
- Provide reliable, cost-effective fleet management.

solid waste, and drainage. New water, wastewater, and solid waste rates were approved in July 2022.

Purchasing:

- Presented, for Council approval, a new Purchasing Policy which defined dollar thresholds for purchases that can be handled administratively and those that need to go to Council for approval. It also authorized the use of piggyback purchasing arrangements to obtain supplies. This policy was approved in November 2022
- Managed 13 Requests for Proposals during the fiscal year.
- Conducted a public auction of surplus City assets in November 2022, which netted the City \$118,731.

Utility Billing:

- Collected \$31,294,867 of revenue for the City's utility funds.
- Successfully transitioned to new utility rates approved by Council in July 2022 and applied the following funding to the appropriate accounts:
 - Water: \$371,626
 - Sewage: \$308,566
- Updated policy relating to establishing payment arrangements to comply with California Water and Wastewater Arrearage Payment Program guidelines.

Key Accomplishments

Overview of accomplishments in FY 2022/23:

Finance:

- Completed the FY2021/22 Annual Financial Audit
- Completed the review and issuance of the FY2021/22 Annual Comprehensive Financial Report (ACFR).
- Completed the review and issuance of the FY2021/22 Single Audit report.
- Provided various financial reports to the Council and City departments.
- Provided ongoing staff training of the Munis system.
- Presented, for Council approval, the results of the Proposition 218 (Rate Study) for water, wastewater,

Goals & Performance Measures

Finance:

- Provide timely, accurate, and result-oriented financial and operational reports
- Monitor City's General Fund budget every 90 days to evaluate changes in revenue levels compared to expenditure commitments.
- Provide financial update reports to City Council, City staff, and the public in a timely manner.
- Develop and implement a cannabis revenue program to account for cannabis revenues received by the City.

- Review opportunities for refunding City debt to maximize debt service savings.
- Identify ways to streamline purchasing/contracting by creating template agreements for citywide use, providing training, and reviewing the City's purchasing policies to ensure that the City's purchasing policies reflect contemporary practices.
- Complete the FY2022/23 Annual Comprehensive Financial Report (ACFR) timely and submit it to the GFOA and CSMFO for recognition.
- Invest City funds in various instruments allowed under the City's investment policy to maximize interest earnings for use by City departments.
- Will bring to Council a proposal for a rotating payment schedule for the City's utility customers.

Department Fund Summary

The Finance Department is responsible for the following areas:

- Budget
- Accounting
- Utility Billing
- Purchasing
- Fleet (please refer to the Fleet section in the Internal Service Fund section of this document)
- Grants (please refer to the Grants section in the Special Revenue Funds Group of this document)

The following is a summary of each:

Budget

The budget includes preparing, developing, and publishing the Annual Adopted Budget and Quarterly Financial Reports. This may also include budget amendments throughout the year, including the carry-forward of approved budgets for unspent encumbrances and capital improvement projects (CIPs).

Accounting

The Finance Department is also responsible for developing, implementing, and maintaining adequate financial accounting

systems and internal controls. The department provides management control over the City's financial activity by ensuring the ability to present a fairly stated financial position of the City on a timely basis. The accounting staff is responsible for managing the revenue operations of the City and monitoring the City's debt and investment portfolio. It is also responsible for the City's billed receivables, including the collection of citywide delinquent accounts.

The department is responsible for the timely calculation and payment of payroll, payments to vendors, PERS administration and reporting, and retiree health administration and payment.

Utility Billing

The Utility Billing Division is responsible for the billing and collection of utility services to city residents for water, wastewater, drainage, street sweeping, and refuse service. Services include processing new services, transfers, payments, delinquency cutoffs, and meter readings. The City utilizes Mid-Valley Disposal (MVD) for refuse collection, collects payments, and distributes funds to the private hauler.

Utility Billing salaries and benefits are paid by the water, wastewater, and refuse service enterprise funds per the following:

- Water Fund: 50 percent
- Wastewater Fund: 25 percent
- Refuse Collection Fund: 25 percent

Purchasing

The Purchasing Division is responsible for acquiring needed goods and services as efficiently and inexpensively as possible while assuring fair and equal opportunity to all qualified vendors. Purchasing's primary function is to assist other City departments in their procurement efforts by securing materials and services which meet the necessary standards. Concurrently, Purchasing monitors the procurement process to ensure compliance with applicable laws and Council policies. The Purchasing Division manages vendor relations, prepares Requests for Proposals and other procurement efforts, and manages the City's travel and credit card procurement programs.

Budget Summary

- The Fleet Division detail pages are in the Internal Service Fund section.

- The Utility Billing Division detail pages are in the corresponding Enterprise Fund section.
- The Grants Division detail pages are the last section of the Special Revenue Funds Group.

Department Staffing & Structure

The Finance Department has 15 positions, not including Fleet and Grants. The Director of Financial Services reports to the City Manager and is responsible for the department. In addition to the Director of Financial Services, the department's staffing consists of the following:

- Finance: 9 positions
- Purchasing: 1 position
- Utility Billing: 5 positions

Human Resources

Department Summary

The Human Resources Department provides services to both internal and external customers of the City. Acting as the City's first point of contact for many community members, the department strives to put customers in contact with the appropriate person or service the first time. The department's responsibilities serve to support the creation of a high-performance work culture that can carry out the vision for the organization as defined by the City Council and the City Manager.

The Department manages personnel, employee relations, and risk management programs. These activities include recruitment, employee benefits, personnel records, labor contract negotiations, classification and compensation, training, insurance/self-insurance, and safety/loss control.

The Human Resources Department administers two separate budgets: Human Resources (General Fund 1020) and Risk Management (Insurance Reserve Fund 1090)

Responsibility

The Human Resources Department focuses on:

- Attracting, recruiting, retaining, and developing qualified individuals committed to serving the City.
- Onboarding new employees to ensure a complete understanding of all City services and their contribution to our community.

- Administering employee benefits
- Workforce planning
- Providing comprehensive risk management programs to ensure a safe workplace
- Ensuring well-rounded employee benefit offerings to aid in employee satisfaction and retention
- Ensuring all City departments and individual employees are supported relatively with the utmost confidentiality
- Providing training opportunities to improve supervisory skills, employee interactions, and workplace safety
- Maintaining open lines of communication throughout all levels of the organization
- Offering support and assistance in administering benefit programs to help employees navigate work and life changes
- Managing risk exposure to the City through the participation in self-insurance programs and the purchase of fully insured products as appropriate, as well as facilitating appropriate risk transfer activities
- Ensuring policies and workplace standards are applied fairly and consistently across all City departments
- Maintaining positive working relationships with representatives of the City's recognized bargaining units
- Supporting our workforce as we navigate the post-COVID economic and workplace recovery and effects on where and how we work, as well as work/life balance
- Processed and provided ongoing administrative management for 30 tort claims.
- Processed and provided ongoing case management for 44 new reports of employee on-the-job injuries.
- In compliance with state mandates, reported, investigated, and provided oversight for investigation and reporting of 59 actual and potential COVID-19 workplace exposures.
- Processed and sought recovery for 105 property damage/loss events by filing insurance claims, direct billing to the at-fault party, or seeking restitution when the matter is criminal in nature, collecting \$123,311 in actual recovered funds during the fiscal year.
- Continued Wellness Challenges to encourage employees to focus on initiatives such as Rethink Your Drink (hydration), Chill Out Challenge (meditation), Drop 5 Challenge (focus on healthy eating and activity), Walk this Way (step challenge), and Healthy Heart (focus on heart health). All employees who completed the challenges were eligible for prize drawings. Prizes included bikes, smartwatches, grills, and similar items to support health activities and healthy eating.
- Administered a Cities for Workforce Health grant through the League of California Cities. Funds were used for wellness services at our 2023 Health & Benefits Fair and to purchase healthy snacks and fresh fruit through a Kaiser Permanente partnership with The Fruit Guys that were distributed to all City employees.
- Hosted an in-person Employee Health & Benefits Fair, providing employees information on their comprehensive benefits package and access to benefit providers. The health fair also provided employees the opportunity to participate in wellness screenings, flu and COVID vaccines, and a blood drive.
- Hosted two employee Onboarding Day events. The first event in September 2022 was a catch-up in-person onboarding that included invitations to anyone hired during COVID when the event was virtual and included a total of 32 employees. The spring event included 13 new employees. For both events, new employees toured various departments and facilities owned by the City, received information on services provided by all of the various City

Key Accomplishments

Overview of accomplishments in FY 2022/23; data points provided are as of mid-May 2023:

- Promulgated 54 Civil Service employment lists.
- Onboarded 72 new hires and facilitated 47 existing employee transfers, promotions, and assignment changes.

departments, and were shuttled around town using Madera Metro buses. The event also included lunch and afternoon refreshment opportunities to network with more-tenured colleagues from the City.

- Completed the Request for Proposal process for medical services, including pre-employment physicals for both safety and non-safety positions, Department of Transportation commercial driver exams and random drug testing, and occupational medicine. Awarded agreements to two service providers to facilitate timely and quality medical services for new hires and existing employees.
- Issued and completed the Request for Proposal process to utilize a professional recruiting firm in the hiring of the Director of Financial Services and Public Works Operations Director.
- Implemented additional Cost of Living Adjustments for employees and salary range adjustments to offset inflation and California minimum wage adjustments.
- Continued work with consultant Sally Swanson Architects on an update to the City's ADA Self Evaluation and Transition Plan in collaboration with the City's ADA Advisory Council. The consultant is working towards a final draft of the documents currently.
- Designated as lead for pursuing disaster recovery funds from the California Office of Emergency Services (CalOES) and the Federal Emergency Management Agency (FEMA) for damages incurred during the January 2023 winter storms. Completed Initial Damage Estimates and are working on project development with the designated FEMA Project Development Manager. Projects include the initial storm response and debris removal, the emergency repair of the Avenue 13/Granada Drive sewer trunk collapse, several storm drainage collapse locations, and damages to the equipment at the Wastewater Treatment Plant because of debris in the line.
- Assumed lead for the City's COVID-19 relief claim with CalOES and FEMA. Recovery options are being evaluated to determine if the City remains eligible for the submittal of claim information.
- Committed to participation in updating the Madera County Multi-Jurisdictional Local Hazard Mitigation Plan.

- Continued participation in the Madera County Department of Public Health Emergency Preparedness Subcommittee.
- Participated in the Veteran & Military Family Appreciation Day to provide employment opportunity information to our local community.
- The Human Resources Department budget also included funds for use by the ADA Advisory Council to support and further ADA access and education. In the current year, these funds were used to:
 - Purchased and distributed 6-foot-tall orange safety flags for use by citizens who traverse our City with the aid of mobility devices such as motorized scooters.
 - Partnered with the Police Department on an educational campaign to promote "Save the Space," a campaign to raise awareness about the appropriate use of accessible parking spaces and placards and a separate campaign for pedestrian awareness.
 - Participated in the annual Old Timer's Day Parade

Goals & Performance Measures

- Continue to support our internal and external customers with positive interactions, providing the correct information and resources at the first interaction.
- Conduct two (2) in-person Employee Onboarding Day events, one in the fall and one in the spring.
- Conduct an in-person Health & Benefits Fair in October during Open Enrollment.
- Continue to work on implementing Personnel Actions within the Enterprise ERP system, moving the City away from paper Change of Status forms for employee payroll changes.
- Following implementation of Personnel Actions, begin the build-out of Recruiting within Enterprise ERP to allow for online application submittals.
- Explore utilizing Tyler Content Manager for electronic document storage and opportunities to move away from paper files.

- Facilitate opportunities to educate employees on their available benefits and choices through on-site visits with benefit representatives.

Department Fund Summary

Human Resources

The Human Resources Department budget captures the operating expenses for the personnel and risk management functions. This includes salaries and benefits for the four departmental staff, as well as operational expenses.

There are no proposed staffing changes to the department's organizational chart.

The proposed budget includes funds to continue with two -in-person Employee Onboarding Day events. We feel it is highly beneficial for all new employees to have the opportunity to participate in the in-person Onboarding event to gain a well-rounded understanding of the City's full-service delivery plan. Staff plans to offer one Onboarding event in the fall and one in the spring.

Additionally, the proposed budget includes funds to continue the in-person Health & Benefits Fair. It is highly beneficial to have the in-person Health & Benefits Fair so employees can speak with providers directly about their various employment-related benefits. With assistance from Information Services, a mobile computer lab is also provided to ensure employees have an opportunity to request assistance with the online enrollment platform.

In FY 2022/23, all advertising for full-time positions was moved into the Human Resources budget. Previously, there was not a specific line item consolidating these charges and advertising costs beyond the local newspaper were charged to departments and paid for with salary savings. This methodology made it difficult to track expenses. The adopted FY 2022/23 Human Resources budget included all pre-employment costs and advertising for all full-time recruitments of the City, with the Police Department maintaining a budget specifically for their sworn recruitments. As this change was implemented during the fiscal year, staff found it beneficial for Human Resources to also administer advertising and recruitment announcements for part-time positions. The proposed budget includes a requested line-item increase for advertising to recognize what we now know to be actual costs inclusive of both full and part-time recruitments. While the Human Resources Department is considered a General Fund Department, it is funded by Administrative Overhead Charges, spreading the costs across all City Funds.

In preparation of the budget, staff reviewed the operational expenses for the department, analyzing a three-year historical trend comparison and considered known pricing and known expenditures that will be required in FY 2023/24.

Risk Management

The risk management budget in the Insurance Reserve Fund captures retrospective adjustments from the City's pooled insurance program, the Central San Joaquin Valley Risk Management Authority (CSJVRMA). Every year is different; some years the City owes, and some years it receives refunds, depending on the claims experience for the program year being adjusted. The proposed budget includes the actuarial estimates for the coming year's adjustments, which are projected to be refunds in both the liability and workers' compensation programs.

There is an operating budget within the fund used to pay for contracted legal services not provided by the City Attorney, primarily related to employment law items. A separate firm typically handles these items because the City Attorney represents the City Council, the appeal body for employment matters. Utilizing the same attorney to advise staff on employment matters which will advise the Council on appeal matters can give the appearance of a biased system. There is also a budget line item for citywide harassment and/or safety training.

The fund itself maintains a balance designated for claims payment should the City have any claims or lawsuits not covered by our insurance. The fund balance is separate from the operating budget.

Department Staffing & Structure

The Human Resources Department is staffed with four positions. The Director of Human Resources reports to the City Manager and has overall responsibility for the department. The department is also staffed with one Administrative Analyst and two Human Resources Technicians.

Police Department

Department Summary

The mission of the Police Department (MPD) is to be devoted to family and community through superior service and partnerships. We will reduce crime while treating people with dignity and respect.

At the MDP, Police Chief Dino Lawson leads and directs a dedicated, diverse workforce of sworn peace officers and non-sworn professional employees ready to provide superior service delivery through the three divisions and functions of the organization.

The Department consists of the following divisions:

- **Administration Division:** Community Outreach, including Animal Control, Dispatch, Records, and Property and Evidence.
- **Operations Division:** The largest division of the department, comprised of patrol personnel, school resource officers, and traffic enforcement officers.
- **Investigations Division:** Detective Unit, Special Investigations Unit, MADNET, and Code Enforcement.

Responsibility

MPD is tasked with:

- Safeguarding lives and property.
- Protecting the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder.
- Identifying and apprehending criminal offenders.
- Reducing the opportunities for the commission of crimes through preventive patrol and deterrence measures.
- Improving the safety of the motoring public through the enforcement of traffic laws.
- Forming partnerships with community members and stakeholders to address public safety and concern matters.
- Ensuring that the City is safe and attractive via the efforts of Code Enforcement.
- Maintaining public safety and the well-being of animals through educating and enforcing city, state and federal animal laws.

Key Accomplishments

- Measure K has allowed MPD to expand technology infrastructure to be more efficient and better serve our community. This includes an ever-expanding citywide camera system.
- Code Enforcement, along with other staff and the Madera Irrigation District, has achieved remarkable levels of nuisance mitigation along the Fresno River and parallel McCullough River Trail. Efforts include trash removal, citation issuance, fire prevention and an educational component to prevent future trash accumulation.
- Improved our service delivery to the public through a new professional staff position titled Police Auxiliary Services Supervisor. This supervisor oversees 5 Records Clerks and 2 Property and Evidence officers. This was a goal set by the department last year that has been met.
- Purchased 48 new body-worn cameras to ensure every police officer and code enforcement officer are equipped with one , allowing for increased public trust and

transparency, quickly resolving citizen complaints, and protecting the City against frivolous complaints.

- MDP was awarded the COPS FY 2022/23 Hiring Grant that allotted \$500,000 to the City. This funding will help to hire four police officers that will focus on strengthening local partnerships with agencies such as Madera County Behavioral Health.
- Assembly Bill 178 funded the Officer Wellness and Mental Health Grant Program. MPD was awarded \$40,720 to invest in officer health and wellness.
- The Police Department was awarded \$604,887 from the BSCC Proposition 64 Public Health and Safety Grant which provides funding over five years for hiring one full-time police officer. The officer will focus on outreach projects that involve crime prevention and marijuana education.
- The MPD social media following has grown to over 55,000 followers allowing for the quick dissemination of information and the ability to work collaboratively with the public to solve crimes that may have gone unsolved in the past. For example, the MPD initiated a weekly feature titled, "#WhoisThisWednesday" where a surveillance video of crimes is posted that allows the public to help identify the suspects. This program has a success rate of over 60 percent.
- The department revived our popular Citizen's Academy after a three-year hiatus due to the COVID-19 pandemic. Class 14 wrapped up in May with a graduating class of 18.
- MPD hosted the annual "Egg-stra Special Event" to gather community members for an afternoon of games, food, and fun. Community members had the opportunity to participate in an egg hunt, shop from local vendors, and build relationships with our officers. This has become one of the largest events hosted by MPD with an estimated attendance of 5,000.
- The communications center received and processed 153,126 emergency and non-emergency calls for service.
- Department personnel handled 53,326 events in the calendar year 2022. An event includes service calls and officer-initiated activities. In 2022, responded to 1,500 welfare checks, 1,604 burglar alarms, and 3,563 requests for assistance. Responded to 1,712 stray animal calls and investigated 71 dog bites.
- Code Enforcement responded to 5,027 calls for service. These calls resulted in the generation of 2,253

reports, resulting in 1,154 notices of violation and 195 citations for non-compliance. Staff also towed 131 vehicles from the streets of the City that were abandoned or had registrations that were significantly expired (there were exceptions made per Governor Newsom’s orders at the onset of the COVID-19 Pandemic).

- The Investigations Unit handled 1,062 cases in 2022 and closed 96 percent of the cases in the calendar year.
- Officers arrested 456 persons for driving under the influence in 2022.
- The Department completed its goal of launching our Principled Policing program. All employees have been educated about implicit bias and procedural justice. “Principled Policing” can be found on each patrol vehicle, and the key values are incorporated in our newly drafted mission statement.
- MPD has provided unprecedented support to our vulnerable homeless community near the Fresno River. Individuals have been provided services to improve their health, safety, and quality of life. For example, we have successfully reunited several individuals with their families.

Goals & Performance Measures

- Pursue technology that allows the Department to be more efficient and effective at deterring and solving crime. This encompasses expanding City’s surveillance system, which has proven critical in combatting crime.
- Continued growth of our social media presence allows the public to take an active role in crime fighting and gives them a voice in how they want Madera to be policed.
- Implement the Crisis Intervention Team to better utilize non-enforcement solutions to problems within our community. This involves two officers dedicated to promoting community wellness by embracing and applying Community Policing philosophies and strategies. The team would collaborate with Madera Behavioral Health to support beneficial outcomes for persons with mental health illnesses.
- As our community continues to recover from the COVID-19 pandemic, the Police Department will begin to revive pre-pandemic programming and events. These include Citizens’ Academy and Mad-Kids Camp.

- Improve and update the Police Department headquarters. This includes the expansion of the parking lot on the north side of the building to include pavement, security fencing, landscape, and lights. Paint the interior of the building and add new desks and seating in the report writing, briefing, and conference rooms.

Department Fund Summary

The Police Department operates under the following budgets and funding sources:

- PD Operations
- Measure K- Police
- Community Corrections Partnership
- School Policing
- PD Housing Authority
- Supplemental Law Enforcement Services Funds (SLESF)
- Justice Assistance Grant (JAG)
- Tobacco Law Enforcement Grant
- COPS Hiring Grant
- Animal Control
- Code Enforcement
- Selective Traffic Enforcement Program (STEP)
- BSCC Cannabis Grant

The following is a summary of each:

PD Operations

The PD Operations budget provides for 55.5 full-time sworn police officers and 23 professional personnel to carry out the department’s primary functions. This budget also makes up the bulk of the PD’s maintenance and operations costs.

Measure K- Police

The Measure K Police budget provides 11 full-time sworn police officers and three professional personnel. This budget

also has funding to improve police technology and equipment and plans for the growth of the police department.

Community Corrections Partnership

The Community Corrections Partnership budget funds the cost of our Special Investigations Police Sergeant. The funding source comes from the passage of AB109 in 2011 that effectively shifted the responsibility for supervising specified offenders from the state to the counties. The City will be reimbursed up to \$185,128 in FY 2023/24.

School Policing

The School Policing budget provides for three full-time sworn police officers whose sole focus is the policing of MUSD campuses. MUSD reimburses the City.

Housing Authority

The PD Housing Authority budget provides for half of a full-time sworn police officer whose sole focus is issues arising from properties under the jurisdiction of the Housing Authority. The Housing Authority reimburses the City approximately \$97,000 per year. This is the last year of the three-year contract.

Supplemental Law Enforcement Services Funds (SLESF)

These funds are a grant from the State of California for “front-line law enforcement services.” SLESF can be used for salaries, services, supplies, equipment, and administrative overhead. MPD receives \$100,000 annually.

Justice Assistance Grant (JAG)

JAG is federal criminal justice funding to state and local jurisdictions that can be used to support a broad range of state and local government projects, including those designed to prevent and control crime. This year the MPD will have \$27,829 of these funds available.

Tobacco Law Enforcement Grant

The California Healthcare, Research and Prevention Tax Act of 2016 (Proposition 56) increased taxes on cigarettes and other tobacco products by \$2.00 starting in April 2017. These funds support local agencies to enforce tobacco-related statutes and ordinances, including efforts to reduce the illegal sale of tobacco products to minors. This year represents the final year of the three-year grant awarded the MPD \$286,314. This increase of nearly \$250,000 from prior grant awards allowed

us to hire a Neighborhood Revitalization Specialist dedicated to tobacco enforcement activities.

COPS Hiring Grant

This grant provides \$500,000 to hire four police officers who will focus on strengthening local partnerships with agencies such as Madera County Behavioral Health.

Selective Traffic Enforcement Program (STEP)

The Selective Traffic Enforcement Program is a grant that provides \$85,000 for enforcing impaired driving and distracted driving violations to reduce traffic collisions within the City. The grant includes money for overtime, training, and equipment.

BSCC Proposition 64 Public Health and Safety Grant

The BSCC Proposition 64 Public Health and Safety Grant funds one full-time police officer. The officer will focus on outreach projects that involve crime prevention and marijuana education.

Animal Control

The Animal Control budget provides for two full-time animal control officers who protect and serve the citizens and animals within the City, through education and enforcement of city, state, and federal animal laws.

Code Enforcement

The Code Enforcement budget provides one full-time supervisor, four full-time code enforcement personnel, two part-time code enforcement officers, and one full-time neighborhood outreach specialist.

Funding Summary

MPD funding is a combination of General Fund, Measure K, reimbursements, and grants. The following table provides a summary.

Funding Source	Amount ¹
Measure K (estimate)	\$3.5 million
Community Corrections Partnership	\$185k
School Policing (3 Officers; City is reimbursed)	\$383k
Housing Authority (City pays the delta; 1 full-time Officer)	\$97k
Justice Assistance Grant (JAG)	\$28k
Supplemental Law Enforcement Services Funds (SLESF)	\$100k
Tobacco Law Enforcement Grant for 3 years; this is the last year of the grant	\$286k
COPS Hiring Grant (4 new full-time officers over TBD years)	\$409k
Selective Traffic Enforcement Program (STEP)	\$85k
BSCC Proposition 64 Public Health and Safety Grant	1 full-time officer
Proposition 17	\$195k
Madera County Fair	\$16k
Radio Tower Rental Income	\$59k
¹ All figures rounded

Fire Department

Department Summary

The Fire Department aims to protect lives, property, and the environment through fire suppression, emergency medical services, community risk reduction, public education, and emergency preparedness. The Fire Department's mission is to provide effective emergency response to the public safely, efficiently, and cost-effectively. The Department strives to protect life, property, and the environment, by delivering innovative and efficient quality emergency management services in our community.

Since 1993, the City has contracted with the California Department of Forestry and Fire Protection (CAL FIRE) for fire protection. Policy direction remains with the Madera City Council. Fire Department staff are CAL FIRE employees. CAL FIRE serves and safeguards the citizens and protects the property and resources of California and provides a multitude of emergency and non-emergency services to the community.

Role

- Fire suppression and prevention
- Emergency medical services
- Rescue and public Service assistance
- Fire menace standbys
- Coordinates response support operations for natural or man-made disasters

Responsibility

The Fire Department:

- **Serve:** We are committed to the safety and well-being of the public and our employees.
- **Collaborate:** We build and maintain cooperative relationships across the state and beyond to benefit the public we serve.
- **Protect:** We integrate fire protection, natural resource management, and fire prevention under a single mission on behalf of the state and local communities.

Key Accomplishments

Overview of accomplishments in FY 2022/23

- B51 new command vehicle placed in service
- Hired New Battalion Chief - B50
- Held truck academy to train a larger pool of qualified personnel
- Set aside \$490,000 for the Fire Apparatus replacement fund
- Purchased equipment for new E57 totaling \$200,000

- Participated in the Fresno River clean-up to minimize fuel load
- Demolished the single-family home adjacent to Station 56 for future department growth
- Purchased new fire inspection software program
- Started inspections on family daycares and residential care facilities
- Purchased new equipment for the fire hydrant testing program
- Purchased exercise equipment and remodeled gyms at Stations 56 and 57
- Council approved reclassifying two Firefighters to Fire Engineers for a higher level of service to the community
- Successfully mitigated 3,208 calls, including:
 - 1,393 emergency medical calls
 - 323 fires
 - 146 motor vehicle accidents
 - 290 assists
 - 203 fire alarm responses

- 101 public service assists (non-emergency calls of service)
- 748 fire menace standbys (emergency calls non-fire or medical)
- 4 hazardous materials incidents

- Complete the RFP process for Station 56
- Place New Engine 57 in service (pictured on the bottom of this page)
- Begin inspections on Multifamily dwellings to include Hotels and Motels
- Purchase new all-terrain vehicle (ATV) for river fires
- Purchase skid steer and attachments for continuous river cleanup projects
- Design a new Squad for future purchase order

Goals & Performance Measures

- Emphasize the prevention of fire and other peril through effective code adoption and enforcement activities in the city
- Work on improving Insurance Service Office (ISO) rate to a Class 3 Fire Department, creating cost savings for citizens and businesses of Madera on their insurance policies
- Research and apply to state, federal, and private grant programs to assist in funding Fire Department operations
- Continue effective collaboration with community groups to ensure coordination and integration with local emergency response agencies
- Continue to provide effective fire and life safety education to school-aged children in our community
- Increase PPE reserve cache
- Detailed maintenance of equipment to extend the service life

Department Fund Summary

The Fire Department is funded by the City’s General Fund and Measure K. Measure K is a .5% sales tax used for public safety enhancements and is recorded in a separate fund within the General Fund. Revenues are divided by the Fire and Police Departments.

As a practical matter, Measure K pays for personnel housed at Fire Station 58; whereas the General Fund pays for Stations 56 and 57. Other costs are divided by one-third and two-thirds.

Public Works Department

Department Summary

The Public Works Department is responsible for maintaining and managing the operations of the City's public utility systems. It handles installing, maintaining, and repairing the City's water, sewer, and electrical conveyance systems.

Primary responsibilities also include the maintenance of the Wastewater Treatment Plant and the Municipal Airport. Within the Public Works Department, tasks such as street repair and maintenance, street sweeping services, flood control, and administrative functions related to solid waste and recycling activities are carried out. Public Works is composed of the following Divisions:

- Administration
 - Airports
- Streets and Storm Drainage
- Water and Sewer Collections
 - Water Quality
 - Water Conservation
 - Wastewater Collection
- Wastewater Treatment
- Facilities and Electrical

Responsibilities

The Administration Division plays a vital role in supporting the operations of the Public Works Department. The administrative staff facilitates hiring, maintains records, manages contracts, and assists with grant management. They also oversee various administrative tasks, including budgeting, supplies, invoicing, and council presentations. All service calls originate with the administrative division and are directed to the appropriate department. Additionally, the Administrative Division is responsible for managing the operations and maintenance of the airport.

The administrative staff performs a range of support roles to aid other divisions. They manage contracts for uniform cleaning, janitorial, alarm, and pest control. They actively participate in implementing SB 1383, which mandates the diversion of recyclable and organic materials from the trash for all California businesses, multifamily properties, and residents. Moreover, the administrative division handles invoice payments, purchase order entries, and assists in creating Requests for Proposals.

Furthermore, the administrative staff oversees the maintenance of the supplies warehouse, which serves as a resource for various City departments. They manage grants, including the Tire Cleanup grant and the Beverage Container Recycling City/County Payment Program. Additionally, they present product and service agreements, staff reports, and resolutions to the City Council.

Streets and Storm Drainage

- Provide maintenance and repair of street systems, including pavement markings, pothole repair, alley grading, and street signs
- Offer street sweeping services and an annual leaf cleanup program
- Paint traffic control identifiers on over 90 miles of roadway
- Oversee the contract for alley re-pavement and maintenance
- Maintain storm drain systems, including cleaning drainage lines and inlets, basin maintenance, and emergency flood responses

- Removal and cover-up of graffiti throughout the city
- Contracted to repair 9,868 square feet of utility patches and failed asphalt citywide
- Minimized local flooding by clearing 952 linear feet of obstructed storm drain lines

Water and Sewer

- Deliver a continuous supply of clean, fresh water throughout the City
- Perform routine maintenance of the City's 20 groundwater wells and approximately 200 miles of water distribution pipelines. Approximately 2,901,507,000 gallons of water were pumped and delivered to residents
- Repair compromised water service lines and water mains annually
- Promote water conservation through outreach and customer rebate programs
- Ensure the collection and delivery of wastewater to the Wastewater Treatment Plant (WWTP)
- Provide routine maintenance of 5 sewer lift stations

Wastewater Treatment

- Operate and maintain the City's Wastewater Treatment Plant in a safe, reliable, productive, and cost-effective manner
- Maintain compliance with the Regional Water Quality Control Board's Waste Discharge Requirements (WDR) permit for all wastewater treatment and disposal facilities (WDR) permit for all wastewater treatment and disposal facilities
- Enforce the City of Madera's Industrial Pretreatment Program in conformance with the City's Legal Authority and Code of Federal Regulations (CFR), Title 40, Part 503
- Protect public health and the environment by providing wastewater treatment to all domestic and industrial wastewater collected within our service areas

- Promote safe work habits and employee involvement in safety training programs
- Implement capital improvement/repair plans to improve and maintain mechanical systems critical to the efficient operation of the WWTP

Facilities and Electrical

- Provide routine maintenance to the City's buildings, equipment, and facilities
- Maintain:
 - More than 3,300 streetlights
 - 196 Solar Street Lights
 - 40 traffic signals
 - Other electrical components for the City
- Ensure the safe operation of 20 water wells, 5 sewer lift stations, 21 storm drain lift stations, and other systems
- Maintain City-owned buildings to enhance usability, comfort, and aesthetics
- Manage electrical operations of solar arrays and machinery at various facilities, including the WWTP

Key Accomplishments

In FY 2022/2023, PW operated without any disruptions in service to the community. Some notable accomplishments include:

- Repaired 3,876 potholes, an increase of over 1,576 from the previous year
- Two corporate hangars were built at the airport
- Replaced an undersized 12-inch storm drain line at Lewis/Monterey with an 18-inch line and installed an ADA-compliant handicap ramp
- Repaired more than 125 water leaks
- Tested and repaired over 400 city-owned backflows

- Assisted with sewer main collapse incident by providing initial traffic control, hauling soil, providing pumps and conducting a watch to ensure that pumps were working and fueled
- Collaborated with Madera Irrigation District to divert more than 800-acre feet of irrigation water into existing ponding basins for water recharge
- Storm drains were cleaned and pumps were used to prevent or alleviate flooding during the heavy rains
- 972 linear feet of gutters were cleaned to reduce flooding
- The Fresno River was cleaned from west to east within the City's limits through weed abatement and the removal of fire hazards
- Operated the Wastewater Treatment Plant without interruption, processing over five million gallons of wastewater per day
- 13 solar arrays were built surrounding city facilities, all lighting inside and outside city facilities were switched to more efficient LED lighting and HVAC and Energy Management Systems were upgraded in numerous city facilities as part of the Engie project
- Conducted various repairs, replacements, and maintenance tasks related to streetlights, traffic signals, plumbing leaks, water lines, and facilities
- Completed construction of the Storm Drainage Improvements Project at the Madera Municipal Airport with a cost of \$1,087,000
- 153 miles of road were swept
- CDBG funds were used to remove and replace 1736 linear feet of sidewalk

Goals & Performance Measures

- Monitor and evaluate the effectiveness and efficiency of service delivery
- Maintain and manage ponds, conduct utility patches and asphalt repairs, clear obstructed storm drain lines, and pump water into the distribution system

- Address water leaks, collect bacteriological samples, enforce water regulations, and promote water conservation
- Undertake beautification projects, crack seal pavements, clean river areas, and install/maintain solar streetlights
- Increase the wastewater treatment plant's capacity, provide employee training, and improve workplace safety
- Promote the City's transition to green energy and contribute to beautification projects led by the Safe and Clean team

Department Fund Summary

The Public Works Department operates through seven different funds:

- Streets/Graffiti (General Fund)
- Water Fund
- Sewer Fund (Sewer and WWTP)
- Airport Fund
- Drainage Fund
- Solid Waste and Recycling Fund
- Facilities (Internal Service Fund)

Each fund has specific budgets and revenue sources, such as gas tax, user rate revenue, rental fees, leases, and grants. These funds cover various streets, water, sewer, airport, drainage, solid waste, recycling, and facility maintenance expenses.

The following is a summary of each:

Streets/Graffiti

The Streets and Graffiti budgets fall within the General Fund. Gas Tax and Measure T are the primary revenue sources for each budget. Recently, this team was awarded \$25,000 to purchase paint via the Community Development Block Grant.

Water Fund

The Water Fund is funded by user rate revenue. There are several budgets within the Water Fund: Water Maintenance, Water Quality, Water Conservation, and Water Capital Outlay.

Sewer Fund

The Sewer Fund is also funded by user rate revenue. Within the Sewer Fund are several budgets: Sewer Maintenance, Wastewater Treatment Plant, and Sewer Capital Outlay.

Airport Fund

The Airport Fund is funded by several revenues: hangar and tie-down rental fees, fixed-based operator land leases, and agricultural land leases. The Airport Fund has both a maintenance budget and a capital outlay budget. The Federal Aviation Administration primarily funds capital projects. This year, the city finished paying the loan for the construction of new T-hangars.

Drainage Fund

The Drainage Fund is funded by user rate revenue. It is broken into three budgets: Drainage Capital Outlay, Drainage Operations, and Drainage Flood Control.

Solid Waste and Recycling Fund

The Solid Waste Fund is funded by user rate revenue. This fund has several budgets: Solid Waste Disposal, Street Cleaning, and Tire Cleanup. Numerous small budgets represent various CalRecycle grants the City receives from the state for recycling programs.

Facilities

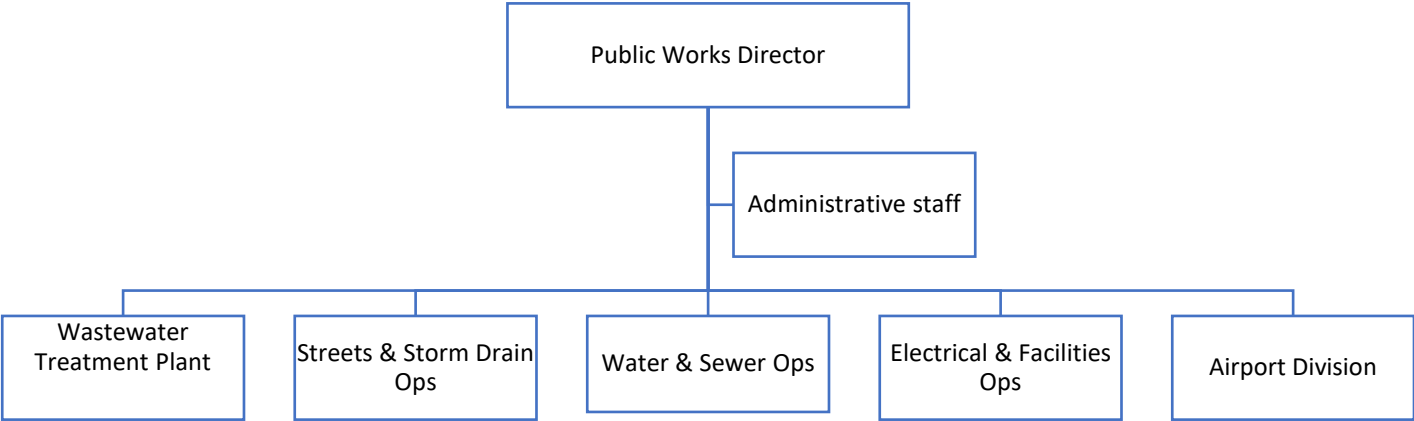

Facilities is an Internal Service Fund. It receives Gas Tax revenue to offset the cost of maintaining streetlights and traffic signals. The remainder of the costs are then split proportionately throughout each department in the City.

Budget Summary

- For budget details for the following, please refer to the "Enterprise Revenues" section of this report.
- For budget details for the following, please refer to the "Special Revenues" section of this report.
- For budget details for the following, please refer to the "Interfund Revenues" section of this report.

Planning Department

Department Summary

The Planning Department is one of the four departments that cumulatively make up the Community Development Department of the City.

The Planning Department provides professional advice to City Council, Planning Commission, residents, businesses, and developers regarding policies that guide the physical development of the community. The Department is responsible for updating and maintaining the General Plan, specific plans, zoning ordinance and development-related policy documents. It is also responsible for processing various land use, zoning, subdivision, design, sign applications, and hearing processes. Planning staff is available Monday through Friday to answer general questions regarding growth and

development of the City, and to explain permit review requirements.

The budget year demonstrated a nominal reduction in entitlement application volumes. While new building permits are still being pursued in the residential sector, the fiscal year experienced decline in new home building (some of which may have been due to inclement weather conditions). The Planning Department received less interest in new residential entitlement applications coupled with requests for extensions of existing subdivision and development entitlements. This is consistent with statewide trends which experienced a 40% reduction in home sales year-over-year. This is likely due to uncertainty in economic conditions and forecasts due to higher interest rates implemented by the Fed, looming

inflation experienced within the fiscal year, and uncertainty of whether the nation will enter a recession. Sales tax performance echoed more cautious behaviors by consumers. Most recent projections expect modest declines through the balance of the 2023 calendar year with small levels of growth beginning again in 2024.

The year brought on changes in both Department personnel and administrative staff. These changes facilitated evaluation and scrutiny of/to prior department practices, policies, and considerations respective to organizational structures, processes, and tools within Community Development Departments as a whole, including the Planning Department. In the interest of improving performance, considerable efforts have been made by staff to streamline processes, foster accountability, as well as better transparency, and to implement new policies which better align with contemporary development industry expectations and new State regulations. These efforts are paramount to the City's ability to provide effective, accessible and responsive Planning services in order to continue to improve performance; and will remain a principal focus for further improvement in the coming fiscal year to better the meet expectations of the City Council, the citizens and business of the City and that of the development community.

Responsibility

The Planning Department is responsible for two distinct planning disciplines:

- **Current Development:** Processing of ministerial and discretionary permits including, but not limited to, site plan reviews, use permits, temporary use permits, zoning administrator permits, sign permits and home business occupation permits, precise plans, variances, parcel maps, tentative subdivision maps, vacation and abandonment of public right-of-way, rezones, general plan amendments, and ordinance amendment requests, all of which require the approval of the Planning Department, the Planning Commission and/or City Council.
- **Long Range Planning:** Includes the maintenance or preparation of the City's General Plan and its elements, including annual housing program implementation reports required by the California Department of Housing and Community Development, annexations, specific plans, master plans, design guidelines and other documents specific to the future vitality of the City.

A primary function of the Department is to serve as a liaison to the Planning Commission. The Department also:

- Provides customer service to the citizens of Madera via telephone and email communication, the provision of walk-up service at the Planning public counter, coordination, and scheduling of virtual or in-person meetings and appointments for site visitation.
- Provides dedicated service to the development community including, but not limited to: complimentary preliminary project reviews, consultation, and regulatory guidance; project entitlement management; implementation of three-party programs providing opportunities for project expediting; and lead guidance for the review and preparation of environmental analyses and findings.
- Implements the City's General Plan, the various specific plans of the City and Zoning Ordinance.
- Processes land division entitlements in conformance with the Subdivision Map Act.
- Provides plan check reviews of new and remodeled residential, commercial, industrial, and public buildings for compliance with local ordinances, zoning regulations and project conditions of approval.
- Provides site inspection of new/remodeled commercial, industrial, and public buildings to ensure development conforms with project conditions of approval.
- Provides interdepartmental support and documentation for Capital Improvement Program projects as well as for state and federal grant funded programs and projects.
- Provides Geographic Information Systems (e.g., maps and data) support to multiple City departments.
- Provides intellectual support to all City departments and partnering agencies via preparation of a myriad of deliverables ranging from park design and placement, street landscaping, industry research, statistical data reporting, impact fee update assessments, amendments to local ordinances, and

spatial analyses pertaining to land uses and infrastructure placement.

Key Accomplishments

- Planning hired a new full-time Senior Planner, a new full-time Assistant Planner, and a part-time Geographic Information System (GIS) Technician.
- Planning implemented new policy respective to Zone Conformance approvals for new businesses seeking to locate within tenant spaces within existing buildings on existing improved properties; streamlining and reducing time and costs for new businesses to obtain business tax licenses to operate.
- Planning began implementation of new procedures in conformance with recently adopted State legislation aimed toward streamlining and/or reducing the need for certain application processes such as the need for rezoning; reducing time and costs for the development of new housing units.
- Planning received authorization from City Council to implement a three-party program for applicant use of consultant services for purposes of providing opportunities to expedite projects requiring expanded California Environmental Quality Act (CEQA) review and processing. This initiative, now being implemented, provides the development community with greater opportunity and options to control elements of application processing timelines to meet project objectives (self-service) while reducing demand on limited City resources.
- Planning procured additional equipment and software licensing in order to begin implementation of electronic document/application submittal and review. While not yet fully implemented, this initiative, will ultimately save customers time and costs associated with printing and delivery of hardcopy plan sets for review, will allow for greater utilization of and participation by remote staff creating continuity in staff involvement; thereby creating a variety of efficiencies and time and cost savings in the application review process for both the City's customers and its staff.
- Planning obtained Determinations of Use from the Planning Commission relative to new business uses or operations for which the Department has received new or recurring business investment interests. These Determinations of Use provide clear classifications or definitions for the respective uses, identify in which zone districts such uses may be permissible and identify whether the respective use is permitted as a matter of right or subject to a use permit in respective zone districts. These determinations were requested to better assist the City's development customers with their ability to make informed investment decisions and streamline processes where appropriate. Examples of such uses include Smoke/Tobacco/Vape Shops and Lounges, Food Banks, Food Pantries and Similar Uses, and Indoor Fitness, Athletic and Recreation Facilities.
- Facilitated adoption of new codified regulations for wireless facilities on private property and new policy for small wireless facilities in public rights-of-way in compliance with Federal and State Law.
- Awarded contract and executed a professional services agreement for preparation of the City of Madera 6th Cycle Housing Element Update.

Overview of entitlement applications in FY 2022/23:

Type	# of Applications
Right-of-Way Abandonment	1
Annexation	2
Conditional Use Permit	24
CEQA/NEPA Environmental Review Assessment	18
General Plan Amendment	5
Home Occupational Permit	86
Lot Line Adjustment	3
Ordinance Text Amendment	3
Precise Plan	7
Preliminary Project Review	9
Prezone / Rezone	4
Sign Permit	35

Zoning Administrator Permit	4

Entitlement Approvals Included:

- New and expanded commercial developments – financial / banking, restaurants, automotive repair, drive-thru coffee house, medical and dental offices, professional offices, beauty salons, car wash, service stations; including but not limited to:

A new service station with 10 fueling positions, a drive-through car wash, and associated commercial space at the intersection of West Kennedy Street and North Schnoor Avenue;

A new two-story vertical mixed-use development at the intersection of East Yosemite Avenue and North B Street;

Smart & Final & Ross Dress for Less within the tenant space previously occupied by Pak ‘n Save in the Madera Marketplace shopping center; and,

Sunbelt Equipment Rentals on Noble Street.

- Multiple infill residential projects including new single family residential dwellings, accessory dwelling units, duplexes, and multi-unit residential development.
- Madera Rescue Mission Triage Center. The addition of 6 new two-bedroom dwelling units for temporary housing.
- Semi-Public, social service and care facilities, including:

ADHC of Madera, an Adult/Senior Citizen Care Center on Yosemite Avenue offering professional health, therapy, personal care and social services to older adults and adults with health conditions and/or disabilities. The programs offered within the center aim to provide services to individuals who may be at-

risk for institutional care so they may remain living at-home with program assistance.

The Arc of Fresno/Madera Counties, a new Intellectual and Development Disability Center on Country Club Drive along with the initiation of annexation proceedings for approximately 242 acres of land to the City of Madera. The area proposed for annexation includes Nishimoto Elementary, Jack G. Desmond Middle and Matilda Torres High Schools.

Active Planning Projects:

- Ventana Subdivision. 855-lot single family residential lots and 144 multi-family residential units on the south side of Pecan Ave between Parkwood and State Highway 99.
- Carmel Homes Subdivision Phases II & IV. 318 single family residential lots at the southwest corner of East Pecan Avenue and Stadium Road.
- Las Palmas Apartments. A 16-unit multi-family courtyard housing development located at the intersection of South Lake Street and Moore Street.
- 7-11 Travel Center. 24-hour highway travel center with 12 automobile fueling positions, 4 heavy diesel truck fueling positions and associated convenience retail store at the intersection of Avenue 17 and Golden State Boulevard.
- Airport Chevron. A new 24-hour service station with 12 automobile fueling positions, associated convenience retail store and fast-food drive-through at the intersection of Avenue 17 and Golden State Boulevard.
- Food Bank. A new 20,000 square-foot warehouse and office building for the Madera Food Bank at the intersection of South Knox Street and Road 28.
- Evapco. Approximately 101,000 square-foot facilities expansion adjacent to existing facilities located on Almond Avenue.

Non-entitlement project tasks:

- Collaborated with outside agencies through the entitlement process of various commercial and residential projects.
- Assisted the Engineering & Parks Departments with the preparation of CEQA and/or NEPA environmental documentation on CIP and grant-related projects.
- Completed numerous GIS projects in support of City department needs, including updates to City parcel, street and GIS layers as well as mapping efforts for various purposes.
- Initiated ordinance text amendments for purposes of adopting new yard landscaping and streetscape standards and various commercial use classifications.

contribute to additional open space and recreational opportunities.

- Continue partnerships and collaboration with outside agencies and organizations with the preparation, adoption and implementation of ordinances, plans, and policies.
- Provide training opportunities for both staff and the Planning Commission, including attendance at the League of California Cities Planning Commissioners Conference and at the American Planning Association Conference.
- Continue efforts related to the adoption of updates to the zoning ordinance and the associated update of the Official Zoning Map of the City.
- Respond proactively to the direction of the Council, Planning Commission, and the City Manager to positively influence the betterment of the community.
- Assist with the preparation of a Development Impact Fee workshop before the Council.

Goals & Performance Measures

- Improve customer service for all segments of the population.
- Improve transparency and implement new options for accessibility and self-service for customers; including but not limited to:

Re-engineer and implement previously purchased software solutions to greater capacity and affect. Create online civic access portal for online application submittal and tracking. Convert fully to paperless application processing through implementation of electronic document review.

- Reevaluate and refine existing and continue to consider alternative methods to improve standards for the timely processing of planning entitlements, assuring that all applications are processed within suitable timeframes and scheduled for the earliest possible public hearing dates.
- Collaborate wherever possible with other departments to maximize the value of staff.
- Continue to pursue grant funding opportunities which will help facilitate community planning and development initiatives that will encourage and incentivize housing and economic development, supplement infrastructure and CIP projects, and

Department Staffing & Structure

The Planning Department has 5 budgeted positions, 4 of which are filled. The Department is currently seeking to fill the Senior Planner position. Should the Department continue to receive the volume of land use entitlement applications it received the previous fiscal year, the Department may continue to rely on the services of contract planners and/or planning and environmental consultant firms to perform planning and zoning entitlements, environmental review and/or report preparation as directed by the Planning Department.

Building Department

Department Summary

The Building Division is one of the divisions that cumulatively make up the Community Development Department.

The Building Division ensures the safe occupancy of buildings by verifying construction compliance with building and fire codes, which is achieved through the application and enforcement of State laws and City ordinances governing the construction, use, and maintenance of structures on private and public property. In this capacity, the Building Division administers federal, state, and municipal regulations regarding architectural compliance, structural stability, seismic safety, electrical, mechanical, plumbing, disabled access, energy conservation, green building, and tenant protection during construction.

Services provided by the division include public counter permitting operations, plan reviews, inspections, and maintenance of permit and construction records.

Responsibility

The Building Division is responsible for reviewing all activities associated with on-site construction projects. It administers the building permit process, which includes the submittal of building plans, subsequent plan check for compliance with City and State building code requirements, and the issuance of certificates of occupancy. The typical timing of this process varies. Plan review times for expedited projects range between 2-3 weeks, whereas typical projects range between 4-6 weeks. The City contracts with a Fire Marshal that performs plan check

reviews and field inspections to ensure compliance with California Fire Code.

Projects requiring a building permit include new construction, remodels, modifications to existing plumbing and electrical systems, and heavy mechanical equipment (heating, ventilation, and air conditioning systems).

Certain types of construction and installation projects that do not require a building permit include:

- Any structure less than 120 square feet without plumbing or electrical work
- Surface treatments (paint, tile, etc.)
- On-site concrete work, not in an accessible path
- Fences that do not require footings

The Permitting Process

- **Over-the-counter:** These permits are common for single-family homeowners and are completed with relative ease, saving the customer time. Common permits that do not require a plan check include water heater replacements, re-roofs, electrical service upgrades, window replacement, and HVAC replacements.
- **Plan Check:** More complex permits that require plans, such as new commercial/industrial buildings, new homes, tenant improvements, or extensive house remodels. As part of this process, applicants submit plans identifying proposed improvements. Staff reviews the plans for compliance with state building codes to meet minimum codes.
- **Inspections:** The building division has a 24-hour inspection request line. Inspections requested prior to 4:00 pm are completed the next business day.

Key Accomplishments

Overview of accomplishments in FY 2022/23:

- The Building Division was active in issuing 3,534 building permits with a total valuation of over \$4.5 million.
- The Building Division has strived to meet its goals by conducting inspections to ensure compliance with governing codes, tracking permits and inspections,

and posting information to the City's website. All of this while providing exemplary customer service.

Notable completed projects include:

- Dutch Bros on Country Club Dr.
- California Custom Processing-Steam Generator on Condor Ave.
- Cal Pacific Supply on S. Granada Dr.
- Madera Warehouses on Schnoor St.

Notable projects under construction:

- Fast Track Carwash on Clark St.
- In-N-Out on W. Cleveland Ave.
- Premium Water Office Addition on Independence Dr.
- Amond World Phase I on Condor Rd.
- Full Throttle Suspension on Condor Dr.

Goals & Performance Measures

- Adopted the 2022 California Codes with minimum local amendments to address potential Emergency Housing projects.
- Explore opportunities to further modernize and streamline operations, including the efficient digitization of permit applications intake and scanning building plan prints.
- Implement an Electronic Plan Review Program to streamline and expedite the plan check review and permitting process.
- Implement an Electronic Plan Review Program to streamline and expedite the Solar (PV) plan check review and permitting process.
- Implement a program to streamline and expedite the Electric Vehicle Charging Stations plan check review and permitting process.
- Continue to build strong relationships between departments and outside agencies.

- Respond to 100 percent of building permit inspections the following business day. Staff has managed to meet this goal, which will continue to be our standard of care.

Annual Inspections

- The following table highlights the number of inspections and inspection stops.

Inspection Summary			
	2020/21	2021/22	2022/23 Projected
Building Inspections	16,331	20,369	17,971
Inspection Stops	5,933	6,520	6,826

Department Fund Summary

The Building Division has five budgeted positions, all currently filled. The City also hired a part-time building inspector to assist and a contracted Fire Consultant that reviews plans for compliance with the California Fire Code and the Building Code.

The Building Department is currently staffed with:

- Chief Building Official
- Two full-time Building Inspectors
- One part-time Building Inspector
- One Plans Examiner
- One Permit Technician
- Consultant for Fire Inspections and Building and Fire Plan Checks

Engineering Department

Department Summary

The Engineering Department is one of the divisions that make up the Community Development Department. The mission of the Engineering Department is to serve the needs of residents by providing professional engineering services to the community and city government. The department is dedicated to maintaining the highest level of responsiveness, which serves to characterize a business-friendly environment for serving our community.

The Engineering Division includes both Inspection and Design. The Inspection team provides construction management and inspection services on private development projects, encroachment permit projects, and Capital Improvement Program projects.

The Design team provides engineering and public facility design, plan review, administration, permitting, and construction of public works and development projects, including infrastructure, Capital Improvement Program, and replacement projects.

In addition, the department is responsible for enhancing mobility and safety citywide through ongoing transportation planning, traffic engineering, and signal operations activities.

Responsibility

The Engineering Department, under the direction of the City Engineer, is charged with overseeing, planning, designing, and implementation of infrastructure projects.

Some of the department's functions include:

- Transportation, water, sanitary sewer, and storm drain engineering
- Asset management of transportation, drainage, and other city infrastructure. Long-range planning for capacity and financial support (rate studies).

- Construction Management & Inspection (CM&I) – Managing Capital Improvement Program projects and public works contracts for city departments, inspection and oversight of private development grading, sanitary sewer, water, stormwater and improvements, inspection, and oversight of all activity in the public right-of-way and provides project management and development services for civic projects
- Serve as the construction manager for city projects not initiated in the Engineering Department which included monuments at Centennial & Rotary Parks and a Transit Facility Canopy
- Program, plan, design and administer the construction of the annual Capital Improvement Program in cooperation with other departments
- Issue permits for work in the public right-of-way
- Inspect construction within the public right-of-way
- Plan check all development plans, parcel maps, subdivision maps including those that impact other department functions
- Manage the National Pollutant Discharge Elimination System (NPDES) program activities
- Manage traffic engineering and transportation planning activities
- Provide Interagency Coordination with agencies such as Caltrans, County of Madera, Madera Irrigation District, Madera County Transportation Commission and Authority (MCTC & MCTA)
- Implement Council programs and policies to meet the City's current and future infrastructure needs
- Provide ongoing, informative communications to City Council and residents regarding key objectives, challenges, and accomplishments
- Participation in the Sustainable Groundwater Management Act (SGMA) activities that includes preparation of the Groundwater Management Plan (GMP)
- Participate in the Technical Advisory Committee of the MCTC and MCTA and planning, programming, and

oversight of local, state, and federal transportation funding sources

- Provide support to City Departments in areas of infrastructure planning and construction

Key Accomplishments

The department's accomplishments are most visible in the completion of projects, those that are moving forward at any given time, and assistance provided toward other endeavors of the Council. Overview of accomplishments in FY 2022/23:

- Managed the emergency repair of the collapsed Avenue 13 Sewer Trunk Main, quickly completing repairs with no interruptions to City sewer service
- Managed Phase II of the Olive Avenue Road Widening Project, where overhead utilities will be undergrounded. This is being done in advance of the Phase III Road construction portion, which is anticipated to advertise in early 2024, subject to ongoing coordination efforts with the Union Pacific Railroad
- Secured project nomination from Congressman John Duarte for the Howard and Pine Avenue Storm Drain Pipeline project – Awaiting presentation to Senate appropriations committee
- Submitted 16 applications (8 State, 8 Federal) to various agencies and offices to secure additional project funding – Applications are in various stages of review
- Participated in the Measure T Steering committee. Worked collaboratively with multiple other committee members toward preparing an investment plan for the November 2022 ballot for extension of the Measure T program. The ballot measure did not receive the required 2/3 vote; thus, these efforts continue as it will be presented again to the voters in November 2024.
- Completed setup of an on-call program for assigning task orders to qualified consultants in lieu of typical requests for proposals (RFP) which are now reserved for larger more complex projects, to date the following task orders have been issued:
 - 6 – Sewer Project
 - 7 – Water Project
 - 1 – Traffic Signal Project

- 1 – Traffic Study

Designed and managed various Road Rehabilitation or Miscellaneous Paving Projects including:

- Installation of Rectangular Rapid Flashing Beacons and various safety improvements at George Washington Elementary
- City Streets 3R & ADA, Cycle 2020-21, Various Locations – Complete
- Completed installation of missing sidewalk segments at the following locations:
 - Central Ave, from Gateway Ave to Lake St
 - E Street, from Central Ave to 3rd Street
 - 3rd Street – from E Street to Central Ave
- City Street 3R and ADA, Cycle 2022-23 – various locations – Construction anticipated Summer, 2023
- RMRA Seals and Overlay, Cycle 2021/22 – Construction anticipated Summer, 2023
- RMRA Seals and Overlays, Cycle 2022/23 - In construction
- Alley Paving Projects ALY-01 and ALY 03 – Construction anticipated Summer, 2023
- Almond Avenue Traffic Study – The consultant was recently retained for this study which will evaluate traffic, pedestrian and bicycle needs along Almond Avenue and Stadium Road as a result of constructing the Almond Avenue connection between Pine Street and Stadium Road as well as those associated with multiple schools on Stadium Road

Managing design and construction of multiple pedestrian facilities including:

- Maple, Santa Cruz, and Monterey Community Development Block Grant (CDBG) sidewalk project – Complete
- Lilly and Vineyard CDBG sidewalk project – Complete
- Schnoor Avenue sidewalk project from Sunset to Riverside (Congestion Management and Air Quality (CMAQ) and Measure T) – Plans are 60 percent complete

- Washington School sidewalk project (CMAQ) – Plans are 60 percent complete
- Affordable Housing and Sustainable Communities (AHSC) grant project which includes sidewalks, bike lanes, stop sign flashers, rapid flashing pedestrian crossing beacons – Part of the project has 60 percent plans, and part is going to construction in Fall 2023
- Managing design construction of new traffic signals at:
 - Lake Street and Sherwood Avenue – Currently in Design
- Lake/4th/Central Intersection traffic signal following a study of alternatives. The design of a future signal is approaching 60 percent complete
- Intersection of Olive Avenue at Knox and at Roosevelt as part of Olive Avenue Widening

Managing design and construction of sewer and water projects identified in the CIP:

- New Water Storage Tank in northeast Madera
- New Water Well 37 on Granada Drive
- Complete planning and design for new water meters – Construction to begin Fall 2023
- Rehabilitation of both the Loy Cook and D Street Water Towers – Currently in Design
- Completed or near complete projects during this last fiscal year was approximately \$5.6M
- Through May 19, 2023, issued 367 encroachment permits of all types within the public right-of-way versus 270 same time last year and 359 two years ago
- Managed what is anticipated to be the busiest three years of development activity since the 2007/08 fiscal year with the prior year (2020/21) being the highest

Goals & Performance Measures

- Advance a project or projects to address necessary improvements to the Avenue 13 sewer pipeline recently identified as having significant age-related deterioration. This endeavor was partially delayed for the same reason it is considered a priority: there was a failure to one of the pipe segments.

- Continue to support the Council and its goals toward a more livable community through, in part, infrastructure that supports the community today and into the future
- Advance council infrastructure and planning priority projects in a manner that demonstrates the highest ideals of commitment to current and future residents
- Continue effort to recruit new team members with the continuing goal of reducing project backlog while minimizing impacts to the General Fund through continued allocations of staff time to those projects
- Complete site selection, environmental and preliminary design of new Water Storage Tank project
- Move the Northeast Tank, supporting pump station and transmission mains to completion of the design and obtain the necessary right-of-way for construction
- Provide ongoing ADA improvements to city sidewalk facilities throughout the city as funding becomes available
- Update the citywide pavement management system to improve the efficient use of available resources – Set to switch to new software in Fall of 2023
- Continue support of SGMA activities identified previously

- General Fund

Department Staffing & Structure

The department is currently budgeted with:

- 16 full-time positions of which 4 are vacant
- Six part-time positions; 2 are vacant with 1 of those vacant being interns

Department Fund Summary

The department is responsible for one departmental budget as well as numerous project and program-related budgets that are too voluminous to repeat in this summary document.

The budget is comprised of multiple funds including:

- Local Transportations Funds
- Measure T
- Staff time charges to CIP projects in which staff has been assigned
- Landscape Maintenance District management fees
- Drainage System Operations Fund
- Private Development Impact Fees

Parks & Community Services Department

Department Summary

The Parks and Community Services (PCS) Department provides a wide range of direct services to the public and is divided into three major operational divisions:

- Administration
- Recreation & Community Services
- Parks Maintenance

The divisions work collectively to provide high-quality recreational pursuits, preservation of parks and open space areas, entertainment and leisure services to community members of all ages.

Subdivisions include sports, seniors, aquatics, landscape maintenance districts, median landscaping, and special events.

The PCS Department also hosts special community events such as Movies in the Park, the Pomegranate Festival, Walk the Trail Days, Senior Days, Free Swim Day, and Madera Eats.

Responsibility

Administration:

- Preparation of grant applications and oversight of allocated funds
- Development of departmental policies

- Annual budget creation
- Contract oversight
- Payroll and other human resource management activities

Recreation & Community Services:

- Oversight and management of recreation facilities, such as community and youth centers, senior centers, the aquatic complex, and the skate park.
- Implementation and management of recreation programming for community members of all ages including educational and leisure classes; youth, adapted, and adult sports; swimming lessons and other aquatics programming; day camps; after-school programs; fitness/wellness programs; leadership and career preparedness; and drop-in recreation programs for youth, including sports, crafts, technology, and audio-engineering.
- Oversight of nutrition, recreation, and leisure programs and services for senior citizens including those with special needs.

Parks Maintenance:

- Management, oversight, and maintenance of various-sized parks, a cross-city trail system, and other greenbelts and walkways.
- Contract oversight and management for the efficient maintenance and operation of the municipal golf course.
- Oversight of citywide tree maintenance contract.
- Oversight of median island landscape maintenance activities citywide.
- Management of the landscape maintenance activities of the City's 80 Landscape Maintenance Zones (LMZs).
- Oversight, maintenance, and protection of the City's urban forest.
- Regular cleanup in the Fresno River of litter, debris, and overgrown shrubbery to prevent hazardous conditions.

Key Accomplishments

Overview of accomplishments in FY 2022/23:

- Consultant Services Agreement of \$232,671 for After School Program services with Madera Unified School District 2023/2024 school year. The agreement will allow service at 21 school sites: Elementary schools, middle schools, and high schools.
- Successfully awarded \$215,000 in FY 2023/24 CDBG funding for Centennial Pool Complex. The funding will be utilized for capital improvements needed at the lap and dive pools.
- Successfully awarded \$148,386 in FY 2023/24 CDBG funding for capital improvements needed at the Frank Bergon Senior Center.
- Successfully awarded \$30,000 in FY 2023/24 CDBG funding towards the senior meal program.
- Successfully awarded \$100,000 by Caltrans for the Madera Block Wall Enhancement Project, which consists of installing artwork along northbound SR 99, under the Clean California State Beautification Program.
- Successfully awarded \$25,000 in DICK'S Sporting Goods Foundation as part of its Sports Matter Program, for the installation of batting cages at Lions Town & Country Park.
- Secured a two-year extension to the Agreement for Landscape Maintenance Services with EMTS, Inc., estimated at \$224,985.60 annually. This Agreement covers the maintenance of over 30 acres of the landscaped area not in landscape assessment zones, as well as the downtown district, certain City facilities, and median islands.
- Coordinated and held a Clean California Community Day March 2023, in conjunction with Caltrans's Community Spring into Action efforts, promoting working together to clean up communities and spreading the word about taking pride in keeping California clean. The event had over 65+ volunteers and targeted several areas.
- Received 145 trees, made available through Tree Fresno, funded by CAL FIRE Urban and Community Forestry Grant. Trees will be strategically planted

along five specific locations including Lions Town & Country Park, Sunrise Rotary Sports Complex Park, Rotary Park, Pan-American Park, and a section of the Vernon McCullough River Trail.

- Coordinated and held an Earth Day inspired Plant a Tree Event at Lions Town & Country Park and Rotary Park in April 2023. The event was made possible by the trees donated by Tree Fresno. The event drew over 50+ volunteers.
- Completed building demolition at the future site of India Park. The demolition will allow for future development of the park, which covers about 8.1 acres. The site needed demolishing of several vacant buildings, water wells, and septic systems.
- Entered into a cooperative agreement with Caltrans for the completion of the Madera Block Wall Enhancement Project, which entails art installation along the block wall south of the 4th Street off-ramp. The project is in partnership with the Madera County Arts Council.
- Completed construction of memorial monuments at Thaddeus Sran Playground at Centennial Park and Harlen and Sharon Rippetoe Horseshoe complex at Rotary Park.
- Entered into a Purchasing Agent Agreement with County of Madera relating to the CalFresh Healthy Living Program, not to exceed \$23,604. The partnership allows the City to organize and promote life skills of healthy eating and active living through healthy cooking and gardening classes.
- Expanded and revamped recreational services and classes after COVID-19 closure. Recreational programming included a free cheer program, basketball camp, gaming tournaments, and seasonal events.
- Welcomed Madera Special Needs Sports & Recreation back with successful soccer and basketball leagues.
- Introduced new “La 3ra” adult basketball league that occurs weekly on Friday nights at the John Wells Youth Center and open gym basketball on Thursday nights at Millview Gym.
- Increased sports programming opportunities in the Tiny Tikes lineup, including multi-sport and track & field.
- Successfully partnered up with agencies to bring youth services together. Monthly basketball games are played against other agencies such as Boys and Girls Clubs. These partnerships build relationships, as well as build comradery among the teams involved.
- Reopened recreational programming at the Pan-American Community Center in September 2023, after closure in March 2020 due to COVID-19.
- Collaborated and participated in the 2022 Pomegranate Festival, with revenue from the City of Madera Kids’ Zone bringing in over \$4,000 in revenue.
- Collaborated with Madera County and CalFresh UC Davis to provide physical activities for numerous elementary schools during Walk to School Day events. Sierra Vista Elementary, Virginia Rose Elementary, George Washington Elementary, Alpha Elementary, and James Madison Elementary Schools had the opportunity to be a part of these fantastic events.
- Held a successful 8-week Movies in the Park summer series held Friday evenings from July 1st to August 19th. The series drew an estimated 1,000 residents.
- Assisted the Police Department with the Festival of Frights Halloween event in October 2022, held at Sunrise Rotary Sports Complex. As well as assisting with the Easter Egg Hunt event held at Lions Town in Country Park in April 2023.
- Partnered with the Police Department to host the 4-day MAD Kids Camp program. Program Leaders oversaw participants and assisted with implementing daily programming.
- Special events hosted consisted of the Jolly Trolley event, Winter Wonderland event, Madera Eats events, and the Almond Park grand opening event, the City’s newest park!
- Approved Ninth Amendment to the Madera Municipal Golf Course Operations and Management

Lease Agreement with SGM Inc. The amendment includes an increased base rent and per-round golf rates, contributions to capital improvement projects, the creation of a Gold Course Committee, and utilization of golf course for five City events, among other clauses.

Projects Planned for FY 23/24

- Complete the Madera Block Wall Enhancement Project, which consists of the installation of 20 vinyl-wrapped artwork frames along State Route 99, south of the 4th Street northbound off-ramp. Project was funded by the Clean California State Beautification Program in the amount of \$100,000. This project entails collaboration with the Madera County Arts Council and Caltrans.
- Complete much-needed trail rehabilitation at Lions Town & Country Park, with funding from the Department of Parks and Recreation in the amount of \$500,000 and the Natural Resources Agency totaling \$1,100,000 for a grand total of \$1,600,000 towards improvements at the park.
- Complete installation of batting cages at Lions Town & Country Park, in part with a \$25,000 donation from DICKS Sporting Goods Foundation, and an additional \$30,000 from the General Fund to complete the project to standards.
- Complete new playground equipment installation, park amenities, and resurfacing of basketball courts at McNally Park, with CDBG funding in the amount of \$609,307.
- Complete the retiling and replaster of both the lap pool and dive pool at Centennial Pool Park, with CDBG funding in the amount of \$215,000. This funding will address the flaking, staining, and cracking that has occurred at the pools due to age, decay, and natural elements.
- Complete expenditure of \$832,350 awarded under the Clean California Local Grant Program for river litter abatement purposes, installation of playground equipment, motion-capable exercise equipment, resurfacing of Vernon McCullough River Trail,

installation of trash receptacles, and trail wayfinding signage.

- Complete restroom renovations at Lions Town & Country Park, with \$177,952 funding from the 2018 Parks Bond Act Per Capita Grant Program. The restroom to be restored sits between the park's most utilized baseball fields, facing Howard Road.
- Complete installation of playground equipment at Sunrise Rotary Sports Complex, specifically a toddler lot on the southwest side of the park. Funding for this project was made available through \$15,059 from Chukchansi Grant and \$50,000 from General Fund.
- Complete pigeon abatement efforts totaling \$15,000 at the John Wells Yodamagerter to address nuisance, as well as prevent damages caused by the large flocks of pigeons, as the hazard this causes on the building. Funding abatement efforts from General Fund.

Goals & Performance Measures

- Request CDBG FY 24/25 funding for roof repairs at the Millview Community Center- Head Start site.
- Request CDBG FY 24/25 funding for Pan-American Center improvements that include parking lot rehabilitation, sound system improvements, as well as upgrading front doors for ADA accessibility.
- Request CDBG FY 24/25 funding for demolition of the Zero Gravity Skatepark vacant building, as well as the Casa Building located at the Corp Yard, where Parks Maintenance staff primarily works out of. Parks Maintenance staff will be transitioning to the Public Works office.
- Secure funding for protective wall padding installation for the John Wells Youth Center gymnasium.
- Analyze participation in all programming to increase participation levels throughout.
- Revamp the community garden located at 621 E. 4th Street to maximize educational opportunities, create civic pride, and promote a healthy and active lifestyle.

- Revamp the aquatics programming by resuming group lessons, creating a junior lifeguard position, increasing the number of lessons offered, opening lap swim to the public, and serving a greater audience by creating a toddler and infant class.
- Revamp sports programming by adding open gym nights for adult soccer and volleyball, creating a Futsal (indoor soccer) youth league, resuming adult flag football, and increasing sports official capacity.
- Promote and advertise rental opportunities at the Pan-American Community Center, Frank Bergon Senior Center, and Rotary Hut, as well as park facilities, pool facilities, and the various amenities each offer.
- Continue to seek out new revenue sources to support departmental activities, vision, and goals.
- Develop a Memorandum of Understanding specific to user groups, such as the sports leagues, and seek City Council approval.

- Administration
- Aging Services
- Aquatics
- Community & Recreation Centers
- Golf Course
- Landscape Maintenance District (LMD)
- Median Landscaping
- Parks Maintenance
- Recreation
- Special Events
- Sports

Department Fund Summary

The current budget reflects the following assumptions regarding programming:

- The 2023/24 Aquatics season requires additional staffing to ensure risk management practices, safety concerns, and accident prevention is a priority.
- Sports revenues and their corresponding expenditures are expected to continue returning to pre-COVID levels in FY 2023/2024, with FY 2022/2023 being the first full year sports programming was offered after the pandemic.
- Efforts to promote the rental of park facilities and centers as a revenue-generating source will help offset General Fund expenditures.
- Increased duties, responsibilities, capital improvement projects, and maintenance areas lead to requesting additional staffing support both in full-time and part-time coverage.

Department Staffing & Structure

The Department is responsible for 11 individual budgets, which include:

Administration

The Administration Division is devoted to managing and overseeing the entire PCS Department. Specific functions include management of the department’s purchasing, safety, policy, grant-writing, grant management, procedures, and marketing, as well as all fiscal and contractual functions.

Aging Services

The Senior Services Budget funds the operations of two senior centers and associated programming for senior citizens. This budget includes senior recreation programs, enrichment classes, and day trips.

Aquatics

The Aquatics Program Budget provides maintenance, operations, and staffing of the swimming pool complex and programming services. Revenue is received from concession stands, swimming lessons, and pool rentals.

Community & Recreation Centers

The Centers Budget provides personnel, maintenance, and operations for the department’s community centers. Centers included are the John W. Wells Youth Center, Pan-American Community Center, Bergon Senior Center, Youth Hut, Mexican American Center, Millview Center, Zero Gravity Skate Park, and LTC Amphitheater.

Golf Course

The PCS Department oversees the Golf Course Budget which supports a contract with a private vendor who manages the operations and maintenance of the City's municipal golf course.

Landscape Maintenance District

The Landscape Maintenance District Budget supports staff efforts to maintain landscaping in the City's 80 distinct zones. Revenues are made up solely of assessments paid by individual parcel owners with their biannual property tax payments.

Median Landscaping

The Median Island Budget provides for landscaping maintenance and upkeep of median islands throughout the city. Gas tax is the sole source of revenue for the activities reflected within this cost center for the 2023/24 fiscal year. This work is contracted to an outside vendor.

Parks Maintenance

The Parks Maintenance Budget funds full and part-time personnel engaged in the maintenance of all the City parks, trails, and public green spaces. Day-to-day operations include maintenance of turf, trees, landscape, trails, public restrooms, picnic areas, and pavilions, addressing repairs, vandalism, and capital improvement projects.

Recreation

The Recreation Budget reflects revenues and expenses necessary to support maintenance and operations, materials, and staffing for delivering recreation programs and activities. Revenue is received through concession stands, and partnership agreements.

Special Events

The Special Events Budget details revenues and expenditures for community events including golf tournaments, Movies in the Park, Pomegranate Festival, Madera Eats, etc.

Sports

The Sports Budget reflects revenues and expenditures related to youth and adult sports programming. The Department provides organized, fee-based sports leagues and tournaments for Madera residents of all ages. Basketball,

softball, T-Ball, flag football, and soccer are among the department's many sports offerings.

(10206000)

Enterprise Funds Operating Budget Overview

Enterprise funds are municipal services that are funded through fees charged to partly or wholly cover the costs of the services provided. Enterprise activities are roughly analogous to a private sector business.

Water Fund

The Water Fund is funded by user fee revenue which pays for the operations and maintenance of the municipal water system including 20 wells, a one million gallon above ground storage tank, miles of distribution mains, and approximately 13,000 water meters and services. The fund supports the city's efforts to provide clean water to the community, conserve water resources, and to plan for future growth.

Sewer Fund

The Sewer Fund is funded by user fee revenue which pays for the maintenance and operation of the sewage collection system and the Wastewater Treatment Plant (WWTP).

Solid Waste Fund

The Solid Waste Fund is funded by user fee revenue which pays for solid waste collection and street sweeping. When the solid waste rates were in 2022, revenues were expected to exceed billing by 25 percent for residential customers and 20 percent for commercial customers. The additional funds help pay for utility billing staff, mailings, postage, etc. In addition, some funds are allocated to the Streets Division for pothole repair, graffiti abatement, tree trimming over public streets, and code enforcement.

Drainage Fund

The Drainage Fund is funded by user fee revenue which pays for drainage. Drainage user fees are expected to remain level in FY 2023/24.

Airport Fund

The Airport Fund is funded by user fees and rental and lease income. Some of the major capital expenses are eligible for grant assistance from the state and or federal government.

Currently, the airport leases nearby land for agricultural purposes for approximately \$170,000 annually. However, with continual state mandates for water reduction, this revenue source may be eliminated if farming within the city limits is identified as a method for major water use reduction. It also receives \$64,803 in rent from the Golf Course Fund, as the golf course sits on Airport property. Additional revenues are being saved for future improvements.

Golf Course Fund

The golf course is operated by a third-party vendor. With the adoption of a new contract between the City and the golf course operator, the annual subsidy from the General Fund is expected to be eliminated in future fiscal years. However, there is still a small subsidy in the FY 23/24 budget to help offset the final debt service payment from the Golf Course Fund.

Local Transit Fund

The Local Transit Fund consists of both the Madera Metro fixed route system and Dial-A-Ride (DAR). Revenues are generated through federal and state grants as well as local transportation funds and fare collections. Much of the capital outlay is funded by Special Revenue Funds.

Special Revenue Funds Budget Overview

Special Revenue Funds are established to track and report monies that must be expended for specified purposes. The following is a summary of the various accounts that collectively make up the Special Revenue Funds:

Special Gas Tax

This fund goes toward public works and transportation for street maintenance. Gas tax revenues for streets and roads are received from multiple sources monthly from the State Controller's Office. Funds are transferred to the Streets Department through the annual budget process to support the streets operations and projects.

Regional Surface Transportation Program (RSTP) Exchange

This fund provides flexible funding for projects to preserve and improve Federal-Aid highway, bridge, and tunnel projects on public roads, pedestrian and bicycle infrastructure, and intercity passenger projects. Funds are received as reimbursement for costs incurred.

State Transportation Improvement Program (STIP)

A multi-year capital improvement program of transportation projects on and off the State Highway System. Funds are programmed within the Madera County region to prioritize regional projects. There are currently no projects scheduled to receive STIP funds.

Proposition 1B LPP

State Program created by the Road Repair and Accountability Act of 2017 (Senate Bill (SB) 1) to provide funding to local and regional transportation agencies that have sought and received voter approved taxes (i.e. Measure T) and enacted fees for Road Maintenance and Rehabilitation (RMRA) projects. Projects require a 50 percent local match. Funds are received as reimbursement for costs incurred.

Road Maintenance & Rehabilitation Account (RMRA)

Utilized to address road maintenance, rehabilitation, and critical safety projects, this fund was created by the Road Repair and Accountability Act of 2017, SB 1. These funds are received monthly from the state.

Measure A

A ½ cent sales tax for local transportation projects collected from 1990 to 2005. The remaining fund balance has been designated for a specific project.

Measure T

Current ½ cent sales tax for local transportation projects and programs. It is a 20-year program that sunsets in 2027 that funds highway and road capital projects designed to improve traffic safety; relieve congestion; enhanced street maintenance; environmental enhancement through transportation projects; transit improvements; and leverage other state and federal funds. Funds are received quarterly from Madera County.

San Joaquin Valley Air Pollution Control District (SJVAPCD) REMOVE II Grant

This grant provides funding for projects consistent with the goals of the SJVAPCD.

Transportation

Prop 1B Public Transportation Modernization, Improvement and Service Enhancement Account (PTMISEA)

This program is aimed at transit modernization and improvement and service enhancement. This program is currently being used to fund a portion of the transit facility. Funds are received as reimbursement for costs incurred.

Low Carbon Transit Operations Program (LCTOP)

This program provides funding to be used by transit operators to reduce greenhouse emissions. The City has utilized these funds to improve transit stop amenities.

Local Transportation Fund (LTF)

This program is to fund Public Transportation including planning and program activities, pedestrian and bicycle facilities, community transit services, and bus and rail projects. Additionally, LTF may be used for construction and maintenance of local streets and roads. It is a component of the Transportation Development Act (TDA).

Sustainable Communities Grant

Grant program created to maintain and integrate multi-modal transportation, also from the Road Repair and Accountability Act of 2017, SB 1.

Parks

Parks Grants Fund

The Parks Grants Fund is used to track grant funding for the creation and renovation of parks and community recreation facilities. Among the grants tracked in the Parks Grant Fund are:

- ***CalTrans Grant***
Funding from this grant will be used to install art on the Highway 99 soundproofing wall between Yosemite Avenue and 4th Street.
- ***Statewide Park Development Program (SPP)***
This grant is awarded through the State of California Parks and Recreation Department. The goal of the grant program is to create new parks and recreation opportunities in underserved communities across California. This grant is funding four projects in the FY 23/24 Proposed Budget.
- ***Clean California Local Grant***
This grant is provided by the State of California to improve existing parks and/or fund the creation of new park space. The monies can be spent on either improving open park land or on structures that exist on current park land. The grant is funding one project in the FY 23/24 Proposed Budget
- ***MUSD Afterschool Program***
The Madera Unified School District is partnering with the City to provide afterschool programming to Madera's youth. The funds will be used to pay the salary and benefits of several Part-Time Parks employees, as well as supplies for the program. -
- ***Special Legislative Grant***
This City received a \$1.6 million allocation in the most recently approved State budget for improvements at a local park. This money is funding one project in the FY 23/24 Proposed Budget. .

Dick's Sporting Goods

Dick's Sporting Goods has provided a \$25,000 grant to fund one project in the current CIP.

Development Impact Fees (DIF)

There is a Local Fee imposed on new development to fund the city's capital facilities. Revenues depend on development activity. Funds are collected during the permitting process and deposited into multiple assigned accounts, each having a specific purpose.

Special Districts

Parking District Operations

Established by the city, this fund supports the acquisition, construction, installation or maintenance of parking facilities, street lighting, refuse receptacles, benches, parks, or fountains in the downtown area. The city serves as the fiscal agent and participants are billed quarterly. Currently, funds are used to pay for a part-time parking enforcement officer, refuse collection, gardening services, and a portion of the crow abatement program.

Business Improvement District

Established by the city, this program supports activities, and promotes events and tourism within the Business Improvement District. The city serves as the fiscal agent and participants are billed quarterly. The city remits the funds to the Madera Downtown Association quarterly, less expenses it incurs.

Community Facilities Districts (CFD)

CFD 2005-1 Special Tax for city services and CFD 2006-1 Special Tax for debt service on infrastructure improvements. CFD 2006-01 applies to a single subdivision.

Landscape Maintenance Districts (LMD)

Funding for landscaping in 80 defined zones within the city. Special assessments are prepared in accordance with the Streets and Highway Code.

Federal Aid

Community Development Block Grant (CDBG)

CDBG funds are distributed by the Federal Department of Housing and Urban Development. The goal of the funding is to support community development activities to build stronger and more resilient communities. CDBG monies are distributed on an entitlement method based on poverty levels within census tracts. The City, which receives approximately \$1 million/year of CDBG entitlement funds, spends its CDBG entitlement allocation on a variety of initiatives, including supporting local non-profits and enhancing park facilities.

Active Transportation Program (ATP)

State program that consolidates existing Federal and State transportation programs, including Transportation Alternatives Program (TAP), Bicycle Transportation Account (BTA), and State Safe Routes to School (SR2S) into a single program. Currently, there are no new projects funded through this program. Previously, ATP funds were utilized for one CIP project (PK-00008). Funds are received as reimbursement for costs incurred.

Bridge Preventive Maintenance Program (BPMP)

Intended to maintain existing inventory of bridges and is currently funding one CIP project (B-000004). Funds are received as reimbursement for costs incurred.

Congestion Mitigation & Air Quality Program (CMAQ)

Intended to fund transportation projects that will contribute to attainment of national air quality standards. Currently funding many CIP projects. Funds are received as reimbursement for costs incurred.

Highway Safety Improvement Program (HSIP)

Federal aid program available to states for achieving a significant reduction in fatalities and serious injuries on public roads. This program currently funds two CIP projects (R-000031 and R-000066). Funds are received as reimbursement for costs incur.

American Rescue Plan Act (ARPA)

Federal grant program enacted into law in March 2021. The City received a one-time allocation of \$23.1 million of ARPA funds. ARPA funds have a specific set of eligible items on which the funds can be spent. From that set, the City has chosen to spend its entire allocation on Water and Sewer

infrastructure projects. ARPA funds must be fully encumbered by 12/31/2024, and fully spent by 12/31/2026.

Housing

Home/CalHome Down Payment Assistance and Program Income

Grant money to assist first-time home buyers with down payment assistance. Funds recaptured from loan payments are deposited into Program Income to be used for further down payment assistance.

CalHome Manufactured Housing Rehabilitation and Program Income

Grant money to assist with the rehabilitation of manufactured housing. Funds recaptured from loan payments are placed into Program Income to be used for further rehab assistance.

Affordable Housing and Sustainable Communities Program (AHSC)

Administered by the Strategic Growth Council and implemented by the Department of Housing and Community Development (HCD), the AHSC Program funds land-use, housing, transportation, and land preservation projects to support infill and compact development that reduce greenhouse gas ("GHG") emissions.

Funding for the AHSC Program is provided from the Greenhouse Gas Reduction Fund (GGRF), an account established to receive Cap-and-Trade auction proceeds.

Law Enforcement Grants

Supplemental Law Enforcement Services Fund (SLESF)

Funds allocated to provide front-line law enforcement services. These monies are being used for supplies and equipment purchases in the FY 23/24 Proposed Budget.

Police Grants Fund

The Police Grants Fund is used to track grant funding for the hiring and equipping of law enforcement personnel. Among the grants tracked in the Police Grant Fund are:

- ***Justice Assistance Grant (JAG)***
Funds allocated for the purpose of enforcing State and local laws improving the criminal justice system, with an emphasis on preventing violent crime. Grants may provide for personnel, equipment, training, technical assistance, and criminal justice information systems for the more widespread apprehension, prosecution, adjudication, detention, and rehabilitation of persons who violate criminal laws.
- ***Tobacco Law Enforcement Grant***
Department of Justice Grant funds to be used for police activities relating to the reduction of illegal sales and marketing of tobacco products to minors.
- ***Citizens' Option for Public Safety (COPS) Hiring***
The COPS Hiring Grant is administered by the Federal Department of Justice on a competitive basis. The goal of the grant is to provide funding to law enforcement agencies to hire and/or rehire additional career law enforcement officers in an effort to increase community policing capacity and crime prevention. COPS is budgeted to cover the salaries of new officers.
- ***Proposition 64 Health and Public Safety***
Proposition 64 was an initiative that approved recreational cannabis use in California. As part of that initiative, a grant program was established from taxes collected by the State of California to fund law enforcement efforts for preventing the misuse of cannabis beyond that which was permitted by Proposition 64. The Proposition 64 grant will pay for the salary and benefits of a new officer to the City's Police Department.
- ***Health and Wellness***
A grant provided by the State of California to fund initiatives that improve the physical and mental wellbeing of law enforcement officers.

THIS PAGE IS INTENTIONALLY LEFT BLANK

Grants Department

Department Summary

The mission of the Grants Department is to provide exceptional grant administration, resources and development to advance the City's vision and mission.

The Department manages a portfolio of grants and pursues ongoing grant resources from federal, state and local government agencies for various City departments, oversees the City's Public Transit Madera Metro System, including Dial-a-Ride, manages the Community Development Block Grant Program (CDBG) and Housing Program by offering Owner-Occupied Rehabilitation (OOR), and Down-Payment Assistance (DAP) loans to qualifying residents.

Department Functions

- Grants development consists of researching grant opportunities to determine whether the City is eligible and well-positioned to pursue a grant, identifying prospective partnering agencies, and developing grant applications.

- Grants administration includes management of awarded grants, including reporting, budgeting, compliance monitoring, project implementation and grant close-out.
- Project implementation includes ensuring that the obligations under the grants are fulfilled, including project completion.
- The Transit Division has operated three fixed routes within the city limits but will add a fourth route in the 2023/24 fiscal year. The City's Dial-A-Ride system provides a curb-to-curb service that extends into specific county areas.
- The Community Development Block Grant (CDBG) program received its annual allocation from the U.S. Department of Housing and Urban Development (HUD) in the amount of \$981,730. Funds are then distributed to local entities to carry out projects and services benefiting City residents, which must be consistent with HUD national goals and objectives.

- The housing programs (Down Payment Assistance and Owner-Occupied Rehabilitation) provide interest-free, 30-year deferred-payment loans to qualifying owner-occupied households for first-time homebuyer down-payment assistance or owner-occupied home rehabilitation projects.

Responsibility

The Grants Department:

- Coordinates activities with outside agencies, other City departments, boards and commissions, and local officials to support the City’s grant-funding goals and to implement grant-funded activities.
- Ensures that the Transit Division's funding and activities align with demand for service, incorporate input provided by the Transit Advisory Board, Council, and priorities identified through the Unmet Transit Needs assessment. Manage entitlement grant program operations ensuring compliance and effective use of program funds.
- Coordinates and facilitates the Block Grant Commission, Transit Advisory Board and Loan Review Committee meetings.
- Releases relevant program information to the public through press releases, media advisories, and/or through television or radio programs.

Key Accomplishments

Overview of accomplishments in FY 2022/23:

- Secured a grant award of \$103K through the State of Good Repairs (SB1) Program for the procurement of fixed route amenities for all transit facilities.
- Secured a grant award of \$165K through the Low Carbon Transit Operations Program (LCTOP) for procuring a Madera Metro Paratransit vehicle.
- Finalized expenditures for the remaining Public Transportation Modernization, Improvement, and Service Enhancement Account Program (PTMISEA) exceeding \$600K. Projects included Preventative Maintenance (Fleet Division), Vehicle Procurement, Fixed Route Amenities, Facility Improvements for the Madera Transit Center and the Intermodal Center.

- Purchased two vans to support the Madera Metro ADA/Paratransit System.
- Secured RRM Design Group to begin the renovation of the Intermodal Center.
- Transit provided bus transportation services to 59,259 individuals on fixed routes and Dial-A-Ride services.
- Finalized the Madera Transit Plan (MTP) and Design Guidelines that guide future transit operations. Nearly completed implementing Phase II of the MTP Plan
- Successfully submitted the National Transit Database NTD annual report.
- Secured a \$27K Justice Assistance Grant (JAG) for the Police Department for in-car body cameras.
- Received a 5-year Permanent and Local Housing Allocation (PLHA) grant of \$1.8M.

Goals & Performance Measures

Grants

- Filled two Program Manager vacancies. The Grants Division experienced significant staff turnover during the 2022-2023 program year. Developing a new department is critical for the department’s continued success.
- Aggressively research new grant opportunities and prepare applications to expand the grants portfolio by diversifying the type of grants that are submitted, to support the development of competitive applications for other City departments; such as Planning, Parks, Engineering, and the Public Works Departments.
- Prepare and submit ongoing applications to support the transit system, CDBG, and aggressively develop the Grant Department’s housing programs.
- Carry out the 2020/24 Consolidated Plan, Analysis of Impediments to Fair Housing Choice and 2022/23 Action Plan and ensure their approval by HUD.
- Develop strategies in collaboration with CDBG-funded entities to maintain the timeliness of project completion and Federal Guidance compliance.

Housing

- Resume review of waitlist applicants and begin processing new loan applications. Utilize HOME and CalHOME program funds and program income to complete down-payment and rehabilitation assistance projects.
- Collaborate with local realtors to develop a marketing plan to enlist new homebuyer and home rehabilitation prospects as funding for projects allows.

Transit

- Implement the routes developed through the Madera Transit Plan.
- Continue to monitor and secure federal and state allocation grants and competitive grants for revenue sources to sustain and advance transit services.
- Provide contract oversight to ensure the provision of high-quality, cost-effective, and customer-focused transit services.
- Improve outreach and communication with the public regarding transit services availability, and opportunities for engagement.

Department Fund Summary

The Grants Department manages multiple division and program budgets as follows:

General Grants Oversight

This budget will provide the general administration of the City's current grant awards and programs. It will also fund the City's efforts to pursue additional resources and develop new programs.

Transportation Dial-A-Ride

The Dial-A-Ride budget supports a curb-to-curb transportation system that provides service to riders.

Transportation Fixed Route

The fixed route system provides regular transportation within the City from bus stops along predefined routes. The City will operate four fixed routes.

Madera Metro Capital Outlay

The Madera Metro Capital Outlay budget provides for the acquisition of long-term assets such as new buses, the development of a transit center, bus stop amenities, etc.

CDBG Administration

The Community Development Block Grant provides administration and efforts to promote affordable housing, reduce homelessness, and address impediments to fair housing.

CDBG Capital and Public Improvement

The Community Development Block Grant Program provides allocations to City departments or agencies to carry out capital projects identified in the CDBG Annual Action Plan.

CDBG Public Service

The Community Development Block Grant Program provides allocations to City departments or agencies to carry out service projects identified in the CDBG Annual Action Plan.

CalHOME and HOME

This includes grants from the California Department of Housing and Community Development to carry out housing activities; such as, providing loans for first-time homebuyers down payment assistance or owner-occupied rehabilitation projects.

Parking District Operations

This budget supports the activities carried out by the Parking Enforcement Officer. This non-sworn officer patrols a designated area downtown and issues citations to motorists who violate our vehicle ordinances.

Department Staffing & Structure

The Grants Department is staffed by a Grants Administrator, two Program Managers and an Administrative Assistant (vacant), an Intermodal Custodian (PT), and a Maintenance Worker III (PT).

In addition, the department's budgets cover costs for other full-time and part-time personnel to carry out activities associated with the Grants Department's projects, which include two Mechanic III, a Fleet Operations Manager, and an Accountant II.

CFD Special Tax Refunding Bond

The City issued special tax and assessment bonds on behalf of property owners, pursuant to the Improvement Bond Act of 1915 and the Mello-Roos Community Facilities Act of 1982, to finance the acquisition and construction of certain infrastructure improvements within the assessment districts and community facilities districts.

The City acts solely as an agent for those paying special tax and assessments and remits the amounts collected to the bondholders. The City is acting as an agent and is in no way liable for the special assessment debt and, accordingly, the debt is not recorded in the financial statements.

Internal Service Funds Budget Overview

Internal Service Funds are used in governmental accounting to track services provided internally to the organization. The City currently operates three Internal Service Funds:

- Facilities
- Fleet
- Computer Acquisition and Maintenance

Each department in the organization is charged for the services the internal service fund provides through interfund transfers.

The following is a summary of each:

Facilities:

The Facilities Division provides routine maintenance to the City's buildings, equipment, and facilities. Each internal department is charged a facility fee for the services. Allocations are based on the square footage of the area occupied by the department and a time study of facility personnel.

Fleet Management:

The City maintains a plethora of vehicles. Each department is charged a fee based on the number and type of vehicles assigned to the department. Replacement of vehicles is also included based on the number and type of vehicles and useful life estimates for replacement, whereas motor pool charges are based on the prior year's usage.

Worth noting is that fire engines are covered under the City's Fire Engine Replacement program implemented in FY 2019/20. Funds for this program are allocated from Measure K and the City recently purchased its first fire engine under this program. After delays by the manufacturing, the City expects to receive its engine in FY 2023/24.

Information Services:

Computer services provided by the City's Information Services Department are charged based on computer users per department considering all peripherals, servers, and licenses required to maintain and upgrade the current technology.

Budgets for Internal Service Funds are designed to balance.

The exceptions are both the Fleet and Computer Replacement funds, where money is set aside by the department so that when vehicles and computers have reached the end of their

useful life, funds are available for replacements. Some years will experience greater revenues than expenses and vice versa, which largely depends on the number of vehicles and computers slated to be replaced in that period. Each fund tracks the balances available by the department and determines when equipment should be replaced.

Fleet

Department Summary

The Fleet Services Division (Fleet) is responsible for acquiring, maintaining, and disposing of the City's mobile equipment. This includes on-road sedans, pickups, heavy-duty vehicles, and Transit buses. Fleet also services off-road and mobile equipment consisting of tractors, graders, backhoes, portable air compressors, and generators, to name a few.

Fleet funds labor, parts, and services necessary to maintain the City's fleet of vehicles. This program funds asset replacement and vehicle outfitting. Fleet assets enable client departments to achieve their operational mission safely and efficiently.

The City's fleet consists of more than 280 vehicles and equipment, with a replacement value of over \$8 million, necessary to complete the city's mission of delivering quality and efficient services. Fleet funds labor, parts, services, fuel,

and oil necessary to maintain the city's fleet of vehicles and equipment. Fleet is funded through vehicle type and utilization charges.

Fleet has three programs to accomplish its mission. This consists of Equipment Maintenance Program, which funds the annual cost of maintenance and repairs, the Replacement Program used for purchasing new vehicles and equipment, and the Motor Pool Program.

The Fleet Vehicle Replacement program is funded through a replacement charge for each vehicle or equipment in service, determined by actual costs of vehicle procurement divided by the expected life of the vehicle. This program funds asset replacement and vehicle outfitting. Cost-effective vehicle procurement is achieved through cooperative purchasing

agreements and bidding processes. Revenue is collected from the sale of retired city fleet assets at auction.

Fleet works tirelessly on improving equipment and efficiencies as technology improves and changes. Air quality has regulations that require annual reporting as well as clean air goals that must be met. New regulations are being introduced as well as existing ones being updated. Fleet must continuously update and adapt our policies and equipment to ensure these are being met.

Responsibility

Fleet is responsible for providing the vehicles and equipment the City needs to perform its essential tasks and duties. Safety is a high priority in maintaining the equipment to high standards and maximum up-time to ensure departments can work efficiently.

Equipment purchases are made with the end task in mind to obtain the proper and best fit for the application. The replacement fund charges a pro-rated amount over the life of the equipment to ensure funds are available when the equipment has reached its life expectancy and a replacement is purchased. As funds are collected through Fleet, the department sees a consistent charge annually and the purchases are made with Fleet funds.

Disposal of equipment is done when it has reached its useful life. This is done through a public online auction site.

Key Accomplishments

Overview of accomplishments in FY 2022/23:

- Completed 1,466 work orders for the fiscal year
- Removed old unused paint booth

- Updated various shop tools for Transit with PTMISEA grant funding
- Updated portion of the shop floor with new epoxy coating
- Procured, upfitted, and put into service three new transit vans for ADA service

Goals & Performance Measures

- Setup and enter preventative maintenance schedules in MUNIS
- Continue to clean up the shop by removing old/unused equipment and supplies
- Continue to update Fleet equipment to maintain efficiency and better meet our current needs
- Setup custom categories in MUNIS for fleet permits, oil, and filter types
- Auction remaining surplus vehicles and equipment
- Stay updated and current on existing and new air quality regulations and regulatory policies

Department Staffing & Structure

Fleet has six budgeted positions: the Manager and five mechanics. One mechanic position is currently vacant.

The mechanics are divided by service area. These consist of one light-duty mechanic, one heavy-duty mechanic, one Police services mechanic, and two Transit services mechanic

Information Services Department

Department Summary

The Information Services (IS) Department operates under the direct leadership of the City Manager. The department centrally manages the City's Information and Technology assets, planning, support, and alignment of the City's technology infrastructure with departmental business needs and requirements.

The mission of the department is to connect employees within the city government and residents to their government. The department strives to promote the effectiveness and efficiency of government and build stronger connections through reliable and secure infrastructure and applications, responsive service delivery, and greater transparency of information.

Responsibility

The department provides the organizational support necessary to:

- Maintain, sustain, and update the computer, network, and phone systems.
- Build a strong, secure internal network and asset infrastructure.
- Provide proactive, relevant and up-to-date infrastructure planning, replacement, and upgrading.
- Provide high-level technical problem-solving and troubleshooting.
- Provide digital resource management and security of those resources.
- Ensure everyone has the technical resources they need to do their job effectively.
- Provide clear and concise information to the community via public applications and customer portals.

Hardware maintained by IS:

- 13 Server Rooms
- 85 Servers/Virtual Servers
- 35 Managed Network Switches
- 14 Phone Switches
- 27 Battery Backups
- 5 Firewalls
- 240+ Mobile Devices
- 94+ Notebooks
- 140+ Desktops
- 2 Large Data Storage Clusters

- 350+ Cloud Based Desk VoIP Phones
- 30 Wireless Access Points City Wide
- 80 Security Cameras City Wide

Software maintained by IS Department:

- Tyler Enterprise ERP (formerly Munis)
- Microsoft user accounts
- Office 365
- Adobe enterprise
- Zoom communication for video and phone
- GIS mapping
- AutoCAD and Engineering design
- System backups
- Virus protection
- Public safety software support
- Network monitoring software
- Multiple department-specific applications

Key Accomplishments

Overview of accomplishments in FY 2022/23:

- Acquired, tested and implemented “Zoom Room” hardware and software in addition to the cloud-based VoIP Phone System structure for the city. This includes an auto-receptionist, call queues, required voice prompts and logic for each menu.
- Researched, acquired, tested, and implemented PDQ to install software on city asset computers, automating deployment of operating systems to end users so all computers are imaged the same.
- Initiated a comprehensive request for proposal process for new body cameras and server. Orchestrated the seamless acquisition of necessary hardware, overseeing the entire process from receipt to rack installation to deployment. Created and

deployed the critical infrastructure for the new system.

- Orchestrated the seamless transition from the outdated Evidence Library 4 to the cutting-edge Evidence Library 5, ensuring uninterrupted access to necessary information and evidence.
- Detected a large-scale cyberattack on the E-Mail Exchange Server and leveraged the IS teams’ invaluable expertise to fortify the city’s systems. By promptly detecting the infiltration of a remote command terminal with administrative privileges, averted any compromise of sensitive E-mail data.
- Elevated the scalability and security of the File Server by implementing an advanced upgrade that bolstered its performance and fortified its defenses.
- Pioneered the development of a comprehensive security audit system initially tailored for the entire city, with a primary focus on the Police Department. This innovative solution ensured complete oversight and protection of User Sign in.
- One Network Administrator acquired drone training to serve as a certified instructor, equipping Police Officers and detectives with state-of-the-art skills in advanced drone operations for law enforcement purposes.
- Overhauled the Print Group Policy deployment system, meticulously reconstructing the array after a disruptive Windows update caused system failure, restoring seamless functionality.
- Upgraded the Police Department dispatch call system, transitioning from Zetron to Vesta, an advanced platform with cutting-edge features such as text-to-911 functionality.
- Enhanced the surveillance capabilities of all four City Police interview rooms by implementing a comprehensive camera upgrade.
- Developed a sophisticated monitoring program that instantly alerts IS staff to server failures, overheating environments, and disrupted phone lines within the dispatch network, ensuring optimal operational efficiency and swift problem resolution.
- Facilitated the acquisition of a state-of-the-art smart board exclusively designed for police detectives,

overseeing the entire process from initial proposals and cost estimation to installation and comprehensive training.

- Rapidly and efficiently completed a City-wide cellphone upgrade within one week, streamlining communication channels and bolstering mobile capabilities without relying on external assistance.
- Upgraded PD vehicles with advanced hardware for seamless synchronization between body and in-car cameras, ensuring seamless integration and optimal recording capabilities.
- Implemented an advanced HID fob access control system for wristbands, enhancing authorized personnel access throughout the Police Department.
- Upgraded the Department of Justice (DOJ) communication systems, improving connectivity, reliability, and efficiency in information exchange across critical channels.
- Redesigned police dispatcher's interface for phone, radio, and CAD systems by implementing a multi-point keyboard and multiple mouse setup. This innovative approach facilitated seamless switching between disparate systems that were unable to operate on the same network, enhancing dispatcher productivity and responsiveness through efficiency.
- Acquired, configured, and installed camera servers at the Airport, Transit Center, Engineering, and Public Works
- Acquired, configured, and installed four new Veeam backup servers for City Hall and Police Department.

Goals & Performance Measures

The following department strategic projects are the main goals for this year (FY 2023/24). They either enable better service delivery citywide, mitigate a potentially critical issue, or create the potential for significant citywide savings.

- Enhance the efficiency and functionality of laptops and Cradlepoint systems within police vehicles, ensuring optimized mobile computing capabilities and seamless connectivity to support operational needs.
- Replace computer Kiosks at the following locations:

- *Pan Am Community Center*
- *John Wells Youth Center Recreation Room*
- *Public Works*
- Utilize “Deep Freeze” software to lockdown public computer labs.
- Develop and implement a centralized city-wide access control system encompassing all departments and buildings, promoting streamlined access management, heightened security, and standardized protocols across the organization.
- Engage in the strategic deployment of a high-availability clustered Hypervisor to be specifically designed for the city’s mission-critical systems, enabling optimal resource allocation, ensuring uninterrupted service delivery, and fortifying the organization's overall IS infrastructure.
- Devise and execute a robust and scalable long-term data storage strategy while considering all cloud-based solutions carefully, ensuring adherence to regulatory requirements and data governance policies.
- Replace aging IS infrastructure and build a life-cycle management plan for future upgrades to critical system components.
- Continue participation in the ResoluteGuard program to ensure the City’s systems and practices are in line with current cyber security best practices.
- Continue end user cyber security awareness training.
- Ensure all department staff are knowledgeable in the City’s cyber incident protocols required by cyber liability insurance.
- Continue to support City departments with all aspects of their technological needs in a timely and effective manner.

Department Fund Summary

The Information Services Department is responsible for two distinct budgets:

Computer Operations and Maintenance

The Computer Operations and Maintenance budget provides for servicing and maintaining all the city's technological equipment. City departments are supported by minimizing costs, maximizing uptime, regularly refreshing equipment, updating software, and using support tools.

Computer and Equipment Replacement

The Information Systems Computer and Equipment Replacement budget is a fully funded internal service fund. All current IS equipment has been inventoried and assigned a replacement value and a replacement lifecycle. This will ensure that costs are allocated to departments correctly and that all IS assets will be funded and regularly replaced. A replacement fund is maintained to ensure funds are available when needed. The departments make pro-rated annual contributions to this fund based on capital cost and the expected life of the equipment.

Department Staffing & Structure

The IS Department is staffed with four positions. The Information Services Manager reports to the City Manager and has overall responsibility for the department. The department is also staffed with two Network Administrators and two Computer Technicians.

City | Debt

Debt Service

The City Council established a Debt Management Policy on October 18, 2017 by adopting Resolution 17-163. The Debt Policy provides guidance in the issuance and management of debt and compliance with Government Code (GC) 8855(i). Consistent with the requirements of GC 8855(i), the policy includes the purpose of the debt, type of debt that may be issued, relation of the debt to the capital improvement plan (if applicable), policy goals and internal control procedures to ensure that the proceeds of the debt issuance will be directed to the intended use.

The policy provides guidance for maintaining sound financial position while designing the debt issuance. The goals of the policy include ensuring flexibility in response to future service demands, changing revenue streams, fluctuations in operating expenses and meeting capital improvement objectives. Long-

term debt may be issued to finance or refinance the construction, acquisition, and rehabilitation of capital improvements, equipment, and land. All debt must be approved by the City Council. Short-term debt may be issued for operational cash flow or short-lived assets. The issuance of debt must not constitute an unreasonable burden to taxpayers, ratepayers or constituents.

A summary of the City's debt service obligations due during the Fiscal Year 2024 and included in this budget is presented Schedule A below. A detailed discussion of each of the related debt obligations are presented in the City's audited Annual Comprehensive Financial Report. A copy can be viewed online at the city website. A hard copy is available at the City Clerk's office in City Hall.

Summary of City Debt Service for Fiscal Year 2023/24 (Schedule A)				
Fund	Issuance	Principal	Interest	Total
General Fund	2019 Solar Energy Lease	\$833,000	\$482,465	\$1,315,465
General Fund	2018 Police Facility Loan	\$117,400	\$7,470	\$124,870
General Fund	2019 LRBs (Fire Station)	\$150,000	\$155,400	\$305,400
Total General Fund		\$1,100,400	\$645,285	\$1,745,685
Water Enterprise	2015 Water/Wastewater Refunding Revenue Bonds	\$ 90,000	\$54,760	\$144,760
Water Enterprise	2019 Water Refunding Revenue Bonds	\$447,120	\$191,864	\$638,984
Total Water Fund		\$537,120	\$246,624	\$783,744
Sewer Enterprise	2021 BBVA Loan	\$387,000	\$132,213	\$520,213
Sewer Enterprise	2015 Water/Wastewater Refunding Revenue Bonds	\$1,250,000	\$756,835	\$2,006,835
Total Sewer Fund		\$1,637,000	\$890,048	\$2,527,048
Golf Course Fund	2018 Commercial Loan	\$164,800	\$2,581	\$164,381
CFD 2006 Fund	2018 KB Home Bond	\$99,299	\$77,334	\$175,633
Successor Agency	2018 Tax Allocation Bonds	\$1,515,000	\$1,339,545	\$2,845,545
Total Miscellaneous Funds		\$1,775,099	\$1,419,460	\$3,194,558
Total Debt Service		\$5,049,619	\$3,201,417	\$8,251,036
