Council Meeting of: February 2, 2022

Agenda Number: A-1

SUBJECT:

Workshop on a planned Caltrans project on State Route 145 (SR 145)

RECOMMENDATION:

Consider workshop presentation and provide direction

SUMMARY:

This is a follow up to the workshop that occurred at the June 2, 2021, City Council meeting.

Caltrans is working on a project on SR 145 within the City of Madera. The project limits are from Pecan Avenue and Madera Avenue (SR 145) to Yosemite Avenue and the BNSF railroad on the east side of the City of Madera. As noted at the June 2, 2021 Council meeting, Caltrans is proposing complete streets elements within this project in the Downtown Area. This follow up workshop has been scheduled as Caltrans was asked to provide additional materials for review in support of Council's consideration of the original request seeking confirmation that City accepts their proposed improvements.

DISCUSSION:

As noted, this is a follow up to the workshop that occurred at the June 2, 2021, City Council meeting.

The workshop addressed Caltrans project to rehabilitate the roadway surface of SR 145 from Pecan Avenue to Tozer Street. Staff has been working with Caltrans on their project scoping and as previous noted Caltrans has agreed to include "Complete Streets" elements on a portion of their project. The portion in which they are considering Complete Streets elements is on Yosemite Avenue between E Street and Fig Street in the Downtown Area. The configuration of the remainder of their project, which includes Madera Avenue, Gateway Drive, and the eastern portion of Yosemite Avenue, is expected to remain much as it is today with the exception of an

asphalt overlay and sidewalk being added in many areas where it does not yet exist as well as other ADA improvements.

A complete street is a transportation facility that is planned, designed, operated, and maintained to provide safe and inclusive mobility for all users, including bicyclists, pedestrians, transit vehicles, truckers, and motorists, appropriate to the function and context of the facility. Every complete street looks different, according to its context, community preferences, the types of road users, and their needs.

For this project, Caltrans is proposing a road diet that would include a reduction in the number of lanes in both directions from two to one. This allows for the addition of bike lanes, a continuous left turn lane and on-street parking. Bulb-outs are also proposed from E Street to A Street. The addition of bulb-outs will reduce the number of available on-street parking spaces along this section of Yosemite but will make pedestrians more visible as they cross the street. Additional parking will, as proposed by Caltrans, also be removed to allowed for proposed turn lane improvements.

In 2020, Council adopted the State Route 145 (Yosemite Avenue) as the Downtown Main Street Plan (Plan). Within this Plan, Yosemite Avenue was envisioned to be more pedestrian friendly. This included high visibility crosswalks and bulb-outs at intersections, a raised center median with trees, improved street lighting, and flashing beacons at uncontrolled intersections. This Plan considered two options for Yosemite Avenue. One option kept the lane configuration as it is today, with four travel lanes, two in each direction and parallel street parking. The second option provided a road diet with one lane in each direction, parking along the northern side (westbound) and a separated bikeway along the southern side (eastbound) of Yosemite Avenue. The second option was not fully supported at the time the Plan was adopted due to its significant impact to parking.

The purpose of follow up workshop is to solicit Council feedback on Caltrans proposed improvements on Yosemite Avenue in the downtown area following presentation of additional exhibits showing the proposed changes. It is also anticipated Caltrans will be able to expand on questions presented at the first meeting.

Should Council approve of Caltrans proposal, Caltrans has requested a form Resolution be prepared for their use. Should the road diet not be approved, it is not known at this time if an additional Council meeting will be required.

FINANCIAL IMPACT:

There will not be a fiscal impact to the City General Fund associated directly with this workshop nor is it anticipated the project itself will have an impact as the project is managed and funded by Caltrans.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

While not specifically addressed, this item is consistent with the Vision Madera 2025 Plan Strategy 121 – Develop a city-wide multi-modal transportation plan to ensure safe, affordable and convenient transportation modes for residents and businesses within Madera.

ALTERNATIVES:

This is a discussion item and Council may consider other alternatives for this project.

CITY OF MADERA

INTEROFFICE MEMORANDUM

DATE: January 26, 2022

TO: Mayor and Council Members

FROM: Keith Helmuth, City Engineer KH.

RE: Supporting Material for Future Council Meeting
Workshop on a planned Caltrans project on State Route 145 (SR 145)

As many members of the City Council will recall, Caltrans made a presentation as part of a workshop at the June 2, 2021, City Council. The topic of this meeting was a discussion of Caltrans Project, the Madera CAPM w/Complete Streets, Road Diet. This project begins at Pecan Avenue and Madera Avenue (SR 145) and goes beyond Tozer to the BNSF railroad crossing and includes an asphalt overlay, sidewalk in many areas where it does not yet exist and other ADA improvements. In the downtown area along Yosemite Avenue, the project includes constructing bulb-outs at the intersections, reducing the number of travel lanes from two in each direction to one, and adding a bike lane in each direction. On street parking would remain with this configuration along Yosemite Avenue.

During the June 2021 meeting, Caltrans was asked to provide additional support of their project and the proposed changes on Yosemite Avenue in advance of a follow up meeting. To that end, Caltrans has provided the attached exhibits for the entirety of the project while their presentation at the June 2 workshop primarily addressed proposed improvements of Yosemite Avenue (SR 145), primarily between E Street and Fig Street. As seen on these exhibits, the detail is fairly small to reduce the number of sheets but appears to be fairly clear in the presentation of their proposal.

In addition to the Layout plans, a before and after exhibit has been provided for the intersection of Yosemite Avenue and C Street as an example of what the street might look like if a road diet was implemented.

This follow up meeting will occur at the February 2, 2022, Council meeting. Council may also wish to review the staff report, minutes and/or video (Starts at 21:40). These can be found at:

January 26, 2022

https://www.madera.gov/home/departments/city-clerk/city-council-agendas-meetings/#tr-2021-meetings-4850010

While staff anticipates Caltrans will focus on the same limits as addressed at the June 2 workshop, Council may wish to review the overall project given the City will benefit from a number of improvements at other locations.

If you would like an electronic link of these exhibits, please let me know and I will email that to you.

If you have any questions, please do not hesitate to contact myself or Randy Bell from the Engineering Department at 661-5418.

A. ADMINISTRATIVE REPORTS:

A-1 Draft Capital Improvement Program for Fiscal Year 2021/22 to FY 2025/26

Recommendation:

1) Adopt a Minute Order Accepting the Proposed Projects in the City's Draft Capital Improvement Program (CIP) for Fiscal Year 2021/22 to FY 2025/26; and

2) Authorize the City Engineer to Submit the Draft 5-year CIP for FY 2021/22 to FY 2025/26 to the Planning Commission for Determination of Conformity with the General Plan, after which the CIP will be returned to the City Council for Final Consideration and Approval (Report by Keith Helmuth)

Kathleen Nishimoto stated she is glad to see that the flashing stop at D & South Streets is still in the plans and hopes it is a priority as they see a lot of accidents and near fatalities at that intersection.

DJ Becker asked about real estate taxes collected from the Sunset subdivision over the years, for park improvements and park establishment. City Manager Arnoldo Rodriguez stated as houses are built, the developer pays Development Impact Fees for the development of new parks, acquisition of parks and park equipment. Mr. Rodriguez believes there is $1.4 million in that account. He stated that it is expensive to acquire parks as a small park would cost over $2 million. He stated they currently use those funds to maintain current parks.

ON MOTION BY COUNCILMEMBER RODRIGUEZ AND SECONDED BY COUNCILMEMBER GALLEGOS, ITEM A-1 WAS APPROVED BY A 5/1 VOTE. NOES: MAYOR GARCIA. ABSENT: DISTRICT 5 IS CURRENTLY VACANT. ABSTAIN: NONE.

THE MOTION PASSED WITH THE FOLLOWING VOTE:

YES: 5 – COUNCILMEMBER GALLEGOS
COUNCILMEMBER RODRIGUEZ
COUNCILMEMBER MONTES
COUNCILMEMBER EVANS
MAYOR PRO TEM VILLEGAS

NO: 1 - MAYOR GARCIA

ADJOURNMENT – The meeting was adjourned at 7:58 p.m. Next regular meeting June 2, 2021.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN

Approval of the minutes is not addressed in the vision or action plans; the requested action is also not in conflict with any of the actions or goals contained in that plan.

City Manager

Council Meeting of: February 2, 2022

Agenda Number: B-2

SUBJECT:

Informational Report on Register of Audited Demands

RECOMMENDATION:

Review Register of Audited Demands Report for January 8, 2022 to January 21, 2022

SUMMARY:

The Register of Audited Demands for the City covering obligations paid during the period of January 8, 2022 to January 21, 2022 is contained in the attachment and summarized in the following tables.

Table 1: *Warrant Distribution Summary*		
Description	*Check #'s*	*Amount*
General Warrants	31678 – 31828	$1,625,245.10

Table 2: *Wire Transfer Summary*		
Description	*Vendor*	*Amount*
Payroll and Taxes	Union Bank	$580,959.73
SDI	EDD	$2,480.02
CalPERS Payment	CalPERS	$124,467.49

DISCUSSION:

Warrant requests are processed weekly based on the adopted Fiscal Year 2021/2022 budget and released for payment every Monday. Each demand has been audited and the Finance Director hereby certifies as to their accuracy and that there were sufficient funds for their payment. Per the request of City Council, we have included the departments from which each of the respective warrants were requested as well as the fund/division description from which they were paid.

FINANCIAL IMPACT:

Demands for payments are made within the constraints of the approved 2021/2022 budget.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

These expenditures were spent considering Strategy 115: Economic Resource Provision: Ensure sufficient economic resources to provide adequate City services and prepare for future growth.

ALTERNATIVES:

Informational only.

REPORT TO CITY COUNCIL

Approved by:

Wendy Silva, Director of Human Resources

Arnoldo Rodriguez, City Manager

Council Meeting of: February 2, 2022

Agenda Number: B-3

SUBJECT:

Ratification of COVID-19 Emergency Policy Revisions

RECOMMENDATION:

Adopt a Minute Order ratifying revisions to the following COVID-19 Emergency Policies issued by the City Manager in his role as Director of Emergency Services:

1. COVID-19 Emergency Policy No. 3: COVID-19 Prevention Program
2. COVID-19 Emergency Policy No. 4: COVID-19 Vaccine Incentive Pay

SUMMARY:

In his role as Director of Emergency Services, the City Manager has issued two recent policy revisions. COVID-19 Emergency Policy No. 3: COVID-19 Prevention Program was updated to the most recent CalOSHA regulations and guidance. COVID-19 Emergency Policy No. 4: COVID-19 Vaccine Incentive Pay was updated to extend the benefit through March 31, 2022. The requested action is for the City Council to ratify these emergency policy revisions.

DISCUSSION:

<u>COVID-19 Emergency Policy No. 3: COVID-19 Prevention Program (CPP)</u>

CalOSHA adopted updates to its COVID prevention regulations as found in 8 CCR §3205 that became effective January 14, 2022. Additionally, CalOSHA issued updated guidance in coordination with the California Department of Public Health related to isolation and quarantine periods, most recently updated January 12, 2022. Based on these changes, the City updated its CPP to comply with the most recent regulations and guidance. In summary, the updates include the following:

1. Updated the definitions of:
    a. COVID-19 Test
        i. PCR and antigen tests are both acceptable
        ii. Tests cannot be both self-administered and self-read for workplace purposes; “at-home” tests can be proctored
    b. Face Covering
        i. Must be 2 layers
        ii. Light cannot pass through the material
    c. Fully Vaccinated Individual
        i. expanded to include those who received vaccinations in other countries or a mix of vaccinations
2. Removed exemption of fully vaccinated employees from testing
3. Acknowledges and confirms compliance with the current indoor mask mandate
4. Updated isolation and quarantine guidance as follows.

COVID Status	Required Action	Duration
Positive Test	Anyone with a positive test must isolate	Isolate 10 days, OR May end isolation after day 5 if: ▪ Test negative on day 5 or after (antigen preferred); -AND- ▪ Wear a surgical or respirator (N95) mask through day 10 at all times
Close Contact Exposure	Must quarantine if: ▪ Not fully vaccinated ▪ Fully vaccinated, booster-eligible, but not yet received booster No quarantine if: ▪ Received booster OR fully vaccinated but not yet eligible for booster ▪ Must test negative on day 5 or wear a surgical or respirator (N95) mask through day 10 at all times if testing does not occur	Quarantine 10 days, OR May end quarantine after day 5 if: ▪ Test negative on day 5 or after; -AND- ▪ Wear a surgical or respirator (N95) mask through day 10 at all times

The revised Emergency Policy 3 is provided as Attachment 1 to this report.

COVID-19 Emergency Policy No. 4: COVID-19 Vaccine Incentive Pay

In order to support a safe and health workplace by encouraging vaccination against COVID-19, the City offers a one-time pay incentive of $200 for all full and part time employees upon submittal of proof of vaccination against COVID-19. The City's workforce vaccination rate is currently at approximately 63%, up from 55% in September 2021. The current vaccination rate for Madera County residents is 53.5% as of the writing of this report. The policy has been effective and well-received by existing employees and new hires. For this reason, the policy term was extended through March 31, 2022.

The revised Emergency Policy 4 is provided as Attachment 2 to this report.

FINANCIAL IMPACT:

Revisions to the CPP do not have any expected increased monetary exposure to the City beyond existing COVID-19 expenses and workforce impacts.

Employees who complete a full vaccine series against COVID-19 will be eligible to receive a one-time payment of $200. The total cost of this program is dependent on the number of employees who submit verification of vaccination.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

The information contained herein is not addressed by the Vision Madera 2025 plan, nor is the information in conflict with that plan.

ALTERNATIVES:

Council could direct staff to further revise the policies to expand benefits or enact requirements stricter than those provided by CalOSHA.

ATTACHMENTS:

1. Revised COVID-19 Emergency Policy No. 3: COVID-19 Prevention Program
2. Revised COVID-19 Emergency Policy No. 4: COVID-19 Vaccine Incentive Pay

CITY OF MADERA COVID-19 Emergency Policy	Policy No. 3
	Date Adopted: 1/19/2021
	Date(s) Revised: 7/23/2021, 10/22/2021, 1/19/2022
SUBJECT: COVID-19 PREVENTION PROGRAM (CPP)	

I. PURPOSE:

The purpose of the City of Madera's (City) COVID-19 Prevention Program ("CPP") is to provide employees a healthy and safe workplace as required under the California Occupational Safety and Health Act (Labor Code §§ 6300, *et seq.*) and associated regulations (8 C.C.R. § 3205). In addition, the purpose of the City's CPP is to comply with California Labor Code §6409.6 as added by AB 685, as well as California Labor Code §3212.86-3212.88 as added by SB 1159.

Nothing in this CPP precludes the City from complying with federal, state, or local laws or guidance that recommends or requires measures that are more prescriptive and/or restrictive than are provided herein. The City of Madera will check for the most current information from the California Department of Public Health (CDPH) including guidance documents, Health Orders, and Executive Orders from the Governor's Office and county and local health departments and follow the most current information. Some provisions of Cal/OSHA's COVID-19 emergency regulation may be suspended, or more stringent requirements may need to be implemented based on updated guidance and orders from the CDPH and the Governor's Office through the issuance of updated or new Executive Orders and county or local health department regulations.

II. SCOPE

Unless one of the exceptions noted in this section applies, this CPP applies to all City of Madera employees, including those who are "fully vaccinated."

The following employees are exempt from coverage under the CPP: (1) Employees who are teleworking from home or a location of the employee's choice that is not under the control of the City of Madera; (2) Employees who are working in or at a work location and do not have contact with any other individuals; and (3) Employees that because of their tasks, activities or work location have with occupational exposure as defined by the Aerosol Transmissible Diseases ("ATD") regulation (i.e., 8 C.C.R. § 5199).

Furthermore, certain City of Madera employees who perform services covered by the ATD regulation may be exempted during the actual performance of such services.

III. DEFINITIONS:

For the purposes of the CPP, the following definitions shall apply:

A. "Close contact COVID-19 exposure" means being within six (6) feet of a COVID-19 case for a cumulative total of 15 minutes or greater in any 24-hour period within or overlapping with the "high-risk exposure period" as defined here. This

definition applies regardless of the use of face coverings. Exception: Employees have not had a close contact if they wore a respirator required by the employer and used in compliance with Labor Code Section 5144, whenever they were within six feet of the COVID-19 case during the high-risk period.

B. “COVID-19” means the disease caused by severe acute respiratory syndrome coronavirus 2 (“SARS-CoV-2”).

C. “COVID-19 case” means a person who either: (1) Has a positive “COVID-19 test” as defined in this section; (2) Has a positive COVID-19 diagnosis from a licensed health care provider; or (3) Is subject to COVID-19-related order to isolate issued by a local or state health official; or (4) Has died due to COVID-19, in the determination of a local health department or per inclusion in the COVID-19 statistics of a county.

D. “COVID-19 hazard” means exposure to potentially infectious material that may contain SARS-CoV-2, the virus that causes COVID-19. Potentially infectious materials include airborne droplets, small particle aerosols, and airborne droplet nuclei, which most commonly result from a person or persons exhaling, talking or vocalizing, coughing, sneezing, or procedures performed on persons which may aerosolize saliva or respiratory tract fluids, among other things. This also includes objects or surfaces that may be contaminated with SARS-CoV-2.

E. “COVID-19 symptoms” means one of the following: (1) fever of 100.4 degrees Fahrenheit or higher or chills; (2) cough; (3) shortness of breath or difficulty breathing; (4) fatigue; (5) muscle or body aches; (6) headache; (7) new loss of taste or smell; (8) sore throat; (9) congestion or runny nose; (10) nausea or vomiting; or (11) diarrhea, unless a licensed health care professional determines the person’s symptoms were caused by a known condition other than COVID-19.

F. “COVID-19 test” means a test for SARS-CoV-2 that is: (1) Cleared, approved, or authorized, including in an Emergency Use Authorization (EUA), by the United States Food and Drug Administration (FDA) to detect current infection with the SARS-CoV-2 virus (e.g., a viral test); (2) Administered in accordance with the authorized instructions; and (3) Not both self-administered and self-read unless observed by the employer or an authorized telehealth proctor.

   Examples of tests that satisfy this requirement include tests with specimens that are processed by a laboratory (including home or on-site collected specimens which are processed either individually or as pooled specimens), proctored over-the-counter tests, point of care tests, and tests where specimen collection and processing is either done or observed by an employer.

G. “Exposed Group” means all employees at a work location, working area, or a common area at work, where an employee was present at any time during the high-risk exposure period. A common area at work includes bathrooms, walkways, hallways, aisles, break or eating areas, and waiting areas. An exposed group may include the employees of more than one employer (see Labor Code sections 6303 and 64301.1). The following exceptions apply;

a. For the purpose of determining the exposed group, a place where persons momentarily pass through while everyone is wearing face coverings, without congregating, is not a work location, working area, or a common area at work.

b. If the COVID-19 case was part of a distinct group of employees who are not present at the workplace at the same time as other employees, for instance a work crew or shift that does not overlap with another work crew or shift, only employees within that distinct group are part of the exposed group.

c. If the COVID-19 case visited a work location, working area, or a common area at work for less than 15 minutes during the high-risk exposure period, and all persons were wearing face coverings at the time the COVID-19 case was present, other people at the work location, working area, or common area are not part of the exposed group.

H. "Face covering" means a surgical mask, a medical procedure mask, a respirator worn voluntarily, or a tightly woven fabric or non-woven material of at least two layers (i.e., fabrics that do not let light pass through when held up to a light source) that completely covers the nose and mouth and is secured to the head with ties, ear loops, or elastic bands that go behind the head. If gaiters are worn, they shall have two layers of fabric or be folded to make two layers. A face covering is a solid piece of material without slits, visible holes, or punctures, and must fit snugly over the nose, mouth, and chin with no large gaps on the outside of the face. A face covering does not include a scarf, ski mask, balaclava, bandana, turtleneck, collar, or single layer of fabric. This definition includes clear face coverings or cloth face coverings with a clear plastic panel that, despite the non-cloth material allowing light to pass through, otherwise meet this definition and which may be used to facilitate communication with people who are deaf or hard-of-hearing or others who need to see a speaker's mouth or facial expressions to understand speech or sign language respectively.

I. "Fully vaccinated individual" means the City of Madera has documented:

a. A person's status two weeks after completing primary vaccination with a COVID-19 vaccine with, if applicable, at least the minimum recommended interval between doses in accordance with the approval, authorization, or listing that is:

i. Approved or authorized for emergency use by the FDA;

ii. Listed for emergency use by the World Health Organization (WHO); or

iii. Administered as part of a clinical trial at a U.S. site, if the recipient is documented to have primary vaccination with the active (*i.e.*, not placebo) COVID-19 vaccine candidate, for which vaccine efficacy has been independently confirmed

(*e.g.*, by a data and safety monitoring board) or if the clinical trial participant at U.S. sites had received a COVID-19 vaccine that is neither approved nor authorized for use by FDA but is listed for emergency use by WHO; or

b. A person's status two weeks after receiving the second dose of any combination of two doses of a COVID-19 vaccine that is approved or authorized by the FDA, or listed as a two-dose series by the WHO (*i.e.*, a heterologous primary series of such vaccines, receiving doses of different COVID-19 vaccines as part of one primary series). The second dose of the series must not be received earlier than 17 days (21 days with a 4-day grace period) after the first dose.

J. "High-risk exposure period" means the following time period: (1) For persons who develop COVID-19 symptoms: from two (2) days before they first develop symptoms until ten (10) days after symptoms first appeared, and 24 hours have passed with no fever, without the use of fever-reducing medications, and symptoms have improved; or (2) For persons who test positive who never develop COVID-19 symptoms: from two (2) days before until ten (10) days after the specimen for their first positive test for COVID-19 was collected.

K. "Respirator" means a respiratory protection device approved by the National Institute for Occupational Safety and Health (NIOSH) to protect the wearer from particulate matters, such as an N95 filtering facepiece respirator.

L. "Worksite" means, for the limited purposes of COVID-19 prevention regulations only, the building, store, facility, agricultural field, or other location where a COVID-19 case was present during the high-risk exposure period. It does not apply to buildings, floors, or other locations of the employer that a COVID-19 case did not enter, locations where the worker worked by themselves without exposure to other employees, or to a worker's personal residence or alternative work location chosen by the worker when working remotely. In a multi-worksite environment, the employer need only notify employees who were at the same worksite as the qualified individual.

IV. PROGRAM

A. SYSTEM FOR COMMUNICATING WITH CITY EMPLOYEES

1. Reporting COVID-19 Symptoms, Possible COVID-19 Close Contact Exposures, and Possible COVID-19 Hazards at City Worksites and Facilities

City policy requires that City employees immediately report to their manager or supervisor or to the Department of Human Resources any of the following: (1) the employee's presentation of COVID-19 symptoms; (2) the employee's possible COVID-19 close contact exposures; (3) possible COVID-19 hazards at City worksites or facilities.

The City will not discriminate or retaliate against any City employee who makes such a report.

2. <u>Accommodations Process for City Employees with Medical or Other Conditions that put them at Increased Risk of Severe COVID-19 Illness</u>

City policy provides for an accommodation process for employees who have a medical or other condition identified by the Centers for Disease Control and Prevention ("CDC") or the employees' health care providers as placing or potentially placing the employees at increased risk of severe COVID-19 illness.

The CDC identifies the following medical conditions and other conditions as placing or potentially placing individuals at an increased risk of severe COVID-19 illness.

The CDC guidance provides that adults with the following conditions can be more likely to get severely ill from the virus that causes COVID-19:

a. Cancer

b. Chronic kidney disease

c. Chronic liver disease

d. Chronic lung diseases, including COPD (chronic obstructive pulmonary disease), emphysema, chronic bronchitis, asthma (moderate-to-severe), bronchiectasis (thickening of the lungs airways), bronchopulmonary dysplasia (chronic lung disease affecting newborns), having damaged or scarred lung tissue such as interstitial lung disease, including idiopathic pulmonary fibrosis, cystic fibrosis (with or without lung or other solid organ transplant), pulmonary embolism (blood clot in the lungs), and pulmonary hypertension

e. Dementia or other neurological conditions

f. Diabetes (type 1 or type 2)

g. Down syndrome

h. Heart conditions, such as heart failure, coronary artery disease, cardiomyopathies, or hypertension

i. HIV infection

j. Immunocompromised state (weakened immune system)

k. Mental health conditions

l. Overweight and obesity (body mass index [BMI] of >25 kg/m2)

m. Pregnancy

n. Sickle cell disease or thalassemia

o. Smoking, current or former

p. Solid organ or blood stem cell transplant

q. Stroke or cerebrovascular disease, which affects blood flow to the brain

r. Substance use disorder

s. Tuberculosis

The City will periodically review the following web address in order to account for any additional medical conditions and other conditions that the CDC has identified as placing or potentially placing individuals at an increased risk of severe COVID-19:

https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/people-with-medical-conditions.html

City employees are encouraged to review the list of medical conditions and other conditions provided above in order to determine whether they have such a condition. To request an accommodation under the City policy, employees may make a request with their manager or supervisor or the Department of Human Resources. Such request shall be accompanied by appropriate medical documentation from their primary physician documenting the need for exploring a workplace accommodation.

3. COVID-19 Testing

The City possesses authority to require that employees who report to work at City worksites or facilities be tested for COVID-19.

Where the City requires testing, the City will ensure the confidentiality of employee medical information and comply with the Confidentiality of Medical Information Act ("CMIA"). Specifically, the City will keep confidential all personal identifying information of COVID-19 cases or persons with COVID-19 symptoms unless expressly authorized by the employee to disclose such information or as otherwise permitted or required under the law.

4. COVID-19 Hazards

The City will notify City employees and subcontracted employees of any potential COVID-19 exposure at a City worksite or facility where a COVID-19 case and City employees were present on the same day. The City will notify City employees of such potential exposures within one (1) business day of the City's knowledge of the exposure, in a way that does not reveal any personal identifying information of the COVID-19 case.

The City will also notify City employees of cleaning and disinfecting measures the City is undertaking in order to ensure the health and safety of the City worksite or facility where the potential exposure occurred.

B. IDENTIFICATION AND EVALUATION OF COVID-19 HAZARDS AT CITY WORKSITES AND FACILITIES

1. Screening City Employees for COVID-19 Symptoms

The City possesses authority to screen employees or require that employee self-screen for COVID-19 symptoms.

City policy provides that the City will screen City employees for COVID-19 symptoms prior to entering City worksites and facilities or City employees will self-screen for COVID-19 symptoms prior to reporting to any City worksite or facility. The Department Director for each applicable department will determine the specific method and documentation for their department and provide appropriate training to staff on screening requirements.

2. Responding to City Employees with COVID-19 Symptoms

Should a City employee present COVID-19 symptoms during a City administered screening or a self-screen, the City will instruct the employee to remain at or return to their home or place of residence and not report to work until such time as the employee satisfies the minimum criteria to return to work provided for in Section IV.K.

The City will advise employees of any leaves to which they may be entitled during this self-quarantine period.

Further, the City will ensure the confidentiality of employees and comply with the CMIA and will not disclose to other employees the fact that the employees presented COVID-19 symptoms unless expressly authorized by the employee to disclose such information or as otherwise permitted or required under the law.

3. City's Response to COVID-19 Cases

In the event that City employees test positive for COVID-19 or are diagnosed with COVID-19 by a health care provider, the City will instruct the employees to remain at or return to their home or place of residence and not report to work until such time as they satisfy the minimum criteria to return to work provided for in Section IV.K.

The City will advise employees of any leaves to which they may be entitled during this self-isolation period.

The City will comply with all reporting and recording obligations as required under the law, including, but not limited to, reporting the COVID-19 case to the following individuals and institutions as required based on the individual circumstances: (1) the local Public Health Department; (2)

Cal/OSHA; (3) employees who were present at a City worksite or facility when the COVID-19 case was present during the high-risk exposure period; (4) the employee organizations that represent employees at the City worksite or facility during the high-risk exposure period; (4) the employers of subcontracted employees who were present at the City worksite or facility during the high-risk exposure period; and (5) the City's workers' compensation plan administrator.

Unless the COVID-19 case is unable to participate in an administrative interview due to the nature of their medical condition, the City will interview the COVID-19 cases in order to ascertain the nature and circumstances of any contact that the employees may have had with other employees during the high-risk exposure period. If the City determines that there were any close contact COVID-19 exposures, the City will instruct those employees to remain at their home or place of residence and not report to work until such time as the employees satisfy the minimum criteria to return to work provided for in Section IV.K.

The City will ensure the confidentiality of employees and comply with the CMIA. Specifically, the City will not disclose to other employees, except for those who need to know, the fact that the employees tested positive for or were diagnosed with COVID-19. Further, the City will keep confidential all personal identifying information of COVID-19 cases or persons unless expressly authorized by the employees to disclose such information or as otherwise permitted or required under the law.

4. <u>Workplace-Specific Identification of COVID-19 Hazards</u>

The City conducted a workplace-specific assessment of all interactions, areas, activities, processes, equipment, and materials that could potentially expose employees to COVID-19 hazards.

As part of this process, the City identified places and times when employees and individuals congregate or come in contact with one another, regardless of whether employees are performing an assigned work task or not, including, for example, during meetings or trainings, in and around entrances, bathrooms, hallways, aisles, walkways, elevators, break or eating areas, cool-down areas, and waiting areas.

As part of this process, the City identified potential workplace exposure to all persons at City worksites and facilities, including employees, employees of other entities, members of the public, customers or clients, and independent contractors. The City considered how employees and other persons enter, leave, and travel through City worksites and facilities, in addition to addressing employees' fixed workspaces or workstations.

Hazard Identification Inspections follow the guidelines on **Form A: Identification of COVID-19 Hazards** found in Section V. of this policy.

5. Maximization of Outdoor Air and Air Filtration

For indoor City worksites and facilities, the City evaluated how to maximize the quantity of outdoor air and whether it is possible to increase filtration efficiency to the highest level compatible with the worksites and facilities' existing ventilation systems.

The City will review applicable orders and guidance from the State of California and the local health department related to COVID-19 hazards and prevention. These orders and guidance are both information of general application, including Interim Guidance for Ventilation, Filtration, and Air Quality in Indoor Environments by the California Department of Public Health (CDPH) and information specific to our industry, location, and operations.

6. City Compliance with Applicable State and Local Health Orders

The City monitors applicable orders and guidance from the Centers for Disease Control, the State of California, and the local Public Health Department related to COVID-19 hazards and prevention, including information of general application and information specific to the City's location and operations.

The City fully and faithfully complies with all applicable orders and guidance from the State of California and the local health department.

7. Evaluation of Existing COVID-19 Prevention Controls and Adoption of Additional Controls

Periodically, the City will evaluate existing COVID-19 prevention controls at the workplace and assess whether there is a need for different and/or additional controls.

This includes evaluation of controls related to the correction of COVID-19 hazards, physical distancing, face coverings, engineering controls, administrative controls, and personal protective equipment (PPE).

8. Periodic Inspections

The City will conduct periodic inspections of City worksites and facilities as needed to identify unhealthy conditions, work practices, and work procedures related to COVID-19 and to ensure compliance with the City's COVID-19 policies and procedures.

Periodic inspections will be documented on **Form B: COVID-19 Inspections** found in Section V. of this policy.

C. INVESTIGATING AND RESPONDING TO COVID-19 CASES IN CITY WORKSITES AND FACILITIES

1. Procedure to Investigate COVID-19 Cases

The City has a procedure for investigating COVID-19 cases in the workplace, which provides for the following: (1) requesting information from employees regarding COVID-19 cases; (2) contact tracing of employees who may have had a close contact COVID-19 exposure; (3) requesting COVID-19 test results from employees who may have had a close contact COVID-19 exposure; (4) requesting information from employees regarding the presentation of COVID-19 symptoms; and (5) identifying and recording all COVID-19 cases.

The investigation should be documented on **Form C: Investigating COVID-19 Cases** found in Section V. of this policy.

2. <u>Response to COVID-19 Cases</u>

As provided above at Section IV.B.3., in the event that City employees test positive for COVID-19 or are diagnosed with COVID-19 by a health care provider, the City will instruct the employees to remain at or return to their home or place of residence and not report to work until such time as the employees satisfy the minimum criteria to return to work provided for in Section IV.K.

a. **Contact Tracing**

If possible, the City will interview the COVID-19 cases in order to ascertain the following information: (1) the date on which the employees tested positive, if asymptomatic, or the date on which the employees first presented COVID-19 symptoms, if symptomatic; (2) the COVID-19 cases' recent work history, including the day and time they were last present at any City worksite or facility; and (3) the nature and circumstances of the COVID-19 cases' contact with other employees during the high-risk exposure period, including whether there were any close contact COVID-19 exposures.

If the City determines that there were any close contact COVID-19 exposures, the City will instruct those employees to remain at their home or place of residence and not report to work until such time as the employees satisfy the minimum criteria to return to work provided for in Section IV.K.

b. **Reporting the Potential Exposure to Other Employees**

The City will comply with all reporting and recording obligations as required under the law, including, but not limited to, reporting the COVID-19 case to the following individuals and institutions as required based on the individual circumstances. Within one (1) business day of the time the City knew or should have known of a COVID-19 case, the City will notify: (1) all employees who were present at the same City worksite or facility when the COVID-19 case was present during the high-risk exposure period; (2) subcontracted employees who were present at the same City worksite or facility during the high-risk

exposure period of a COVID-19 case; and (3) other employers at the worksite during the COVID-19 case's high risk exposure period. The City will provide notice by either personal service, email or text message.

Employees will be notified on **Form E: Workplace Exposure Notice to Employees** found in Section V. of this policy.

Exclusive representatives will be notified on **Form F: Workplace Exposure Notice to Employee Organizations/Representatives** found in Section V. of this policy.

Employers of subcontracted employees will be notified using **Form G: Workplace Exposure Notice to Employer of Subcontracted Employees.**

c. **Free COVID-19 Testing for Close Contact Exposures**

The City will provide COVID-19 testing at no cost to employees during their working hours to all employees who had potential close contact COVID-19 exposure at a City worksite or facility.

d. **Leave and Compensation Benefits for Close Contact Exposures**

The City will provide these employees with information regarding COVID-19-related benefits to which the employees may be entitled under applicable federal, state, or local laws. This includes any benefits that may be available under workers' compensation law, Labor Code sections 3212.86 through 3212.88, local governmental requirements, and the City's own leave policies.

For employees who would otherwise be able and available for work and whose close contact exposure was work-related, the City will continue to provide and will maintain these employees' earnings, seniority, and all other employee rights and benefits, including the employees' right to their former job status, as if the employees had not been removed from their jobs.

For any leave time not covered by worker's compensation benefits, the City will require that these employees use employer-provided employee sick leave benefits or other accrued leave for this purpose consistent with the employee's applicable Memorandum of Understanding and the City's Personnel Rules and Regulations, and will consider benefit payments from public sources in determining how to maintain earnings, rights and benefits, where permitted by law and when not covered by workers' compensation.

e. **Investigation to Determine Whether Workplace Conditions Contributed to COVID-19 Exposure**

The City will conduct an investigation in order to determine whether any workplace conditions could have contributed to the risk of COVID-19 exposure and what could be done to reduce exposure to COVID-19 hazards.

3. <u>Confidential Medical Information</u>

The City will protect the confidentiality of the COVID-19 cases and will not disclose to other employees the fact that the employees tested positive for or were diagnosed with COVID-19. The City will keep confidential all personal identifying information of COVID-19 cases unless expressly authorized by the employees to disclose such information or as otherwise permitted or required under the law.

D. CORRECTION OF COVID-19 HAZARDS AT CITY WORKSITES AND FACILITIES

The City will implement effective policies and/or procedures for correcting unsafe or unhealthy conditions, work practices, policies, and procedures in a timely manner based on the severity of the hazard.

This includes, but is not limited to, implementing controls and/or policies and procedures in response to the evaluations conducted related to the identification and evaluation of COVID-19 hazards and investigating and responding to COVID-19 cases in the workplace. This also includes implementing controls related to physical distancing, face coverings, engineering controls, administrative controls, and personal protective equipment (PPE).

E. TRAINING AND INSTRUCTION OF CITY EMPLOYEES

City employees received COVID-19 awareness and prevention training under the City's IIPP COVID-19 Supplement. The City's CPP requires additional training which will be provided immediately to all current employees by their department. All new employees will receive CPP compliant training at hire by their department. The training will be documented on **Form D: COVID-19 Training Record** found in Section V. of this policy. All COVID-19 related training records will be retained by the applicable department.

1. <u>COVID-19 Symptoms</u>

Training will include instruction and advisement on COVID-19 symptoms and on the importance of not coming to work and obtaining a COVID-19 test if the employees have COVID-19 symptoms.

COVID-19 symptoms include the following unless a licensed health care professional determines the person's symptoms were caused by a known condition other than COVID-19:

a. Fever or chills;

b. Cough;

c. Shortness of breath or difficulty breathing;

d. Fatigue;

e. Muscle or body aches;

f. Headache;

g. New loss of taste or smell;

h. Sore throat;

i. Congestion or runny nose;

j. Nausea or vomiting; or

k. Diarrhea.

The City monitors and adheres to guidance by the CDC concerning COVID-19 symptoms, including guidance provided at the following web address:

https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html

The City will advise employees in the event it becomes aware that the CDC makes any changes to its guidance concerning such symptoms.

2. COVID-19 Vaccinations

The City provides employees information and instruction on the fact that COVID-19 vaccines are effective at both preventing the transmission of the virus that causes COVID-19 and preventing serious illness or death, and how employees may receive paid leave for reasons related to COVID-19 vaccinations.

As discussed below, the City provides information on paid leaves to which employees may be entitled in order for them to be vaccinated and in the event that they experience any illness or adverse effects as a result of such vaccination.

3. City's COVID-19 Policies and Procedures

Training will include an overview of the CPP for all employees. Additionally, the City will provide regular updates as information becomes available to employees on the City's policies and procedures to prevent COVID-19 hazards at City worksites and facilities and to protect City employees. Specifically, employees will be informed how to participate in the identification and evaluation of COVID-19 hazards.

4. **COVID-19 Related Benefits**

Training will include information on leave benefits to which the employees may be entitled under applicable federal, state, or local laws. This includes any benefits available under workers' compensation law, Labor Code sections 3212.86 through 3212.88, and the City's own leave policies as found in applicable Memorandums of Understanding that the Personnel Rules and Regulations.

Specifically, employees will be provided information regarding how to access COVID-19 testing and vaccination, and the fact that vaccination is effective at preventing COVID-19, protecting against both transmission and serious illness or death.

5. **Spread and Transmission of the Virus that Causes COVID-19**

Training will include information that COVID-19 is an infectious disease that can be spread through the air when an infectious person talks or vocalizes, sneezes, coughs, or exhales; that COVID-19 may be transmitted when a person touches a contaminated object and then touches their eyes, nose, or mouth, although that is less common; and that an infectious person may have no symptoms.

Training will further include advisement to City employees of the fact that particles containing the virus can travel more than six (6) feet, especially indoors, so physical distancing combined with other controls, including face coverings, increased ventilation indoors, respiratory protection, and hand hygiene (hand washing) are most effective to reduce the spread of COVID-19.

6. **Methods and Importance of Face Coverings, Respirators, and Hand Hygiene**

Training will include information on the methods and importance of face coverings and respirators (for unvaccinated employees) and hand hygiene, including hand washing.

Training will include informing employees of the following:

- The policy for providing respirators, and the right of employees who are not fully vaccinated to request a respirator for voluntary use as stated in this program, without fear of retaliation and at no cost to employees. Whenever respirators are provided for voluntary use under this section or Labor Code Section 3205.1 through 3205.4, training will be provided on how to properly wear the respirator, and how to perform a seal check according to the manufacturer's instructions each time a respirator is worn, and the fact that facial hair interferes with the seal.
- Proper use of face coverings and the fact that face coverings are not respiratory protective equipment. COVID-19 is an airborne

disease. N95s and more protective respirators protect the users from airborne disease while face coverings are intended to primarily protect people around the user.

- The importance of frequent hand washing with soap and water for at least 20 seconds and using hand sanitizer when employees do not have immediate access to a sink or hand washing facility, and that hand sanitizer does not work if the hands are soiled.
- The conditions under which face coverings must be worn at the workplace and that face coverings are additionally recommended outdoors for people who are not fully vaccinated if six feet of distance cannot be maintained. Employees can request face coverings from the employer at no cost to the employee and can wear them at work, regardless of vaccination status, without fear of retaliation.

F. FACE COVERINGS

1. Face Covering Requirement

For all employees, the City will provide face coverings upon request and ensure they are worn when indoors or in vehicles and where required by orders from the CDPH or local Public Health Department. Employees may provide their own face covering, provided it meets the definition as provided in Section III of this policy. The City will ensure required face coverings are clean and undamaged, and they are worn over the nose and mouth. Supervisors will ensure all employees wear face coverings when conditions require face coverings.

City policy adheres to orders and guidance provided by the CDPH and the local Public Health Department, including as provided at the following web address:

https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/guidance-for-face-coverings.aspx

In accordance with current CDPH policy, all employees regardless of vaccination status shall wear face coverings in all indoor public settings pursuant to the current indoor mask mandate dated January 5, 2022 and available at the above website address. Should the guidance be updated by either CDPH or CalOSHA, the City will follow the most current guidance in all instances.

The City's policy allows for face shields to be used to supplement, and not supplant face coverings.

When employees are required to wear face coverings under section 3205 or 3205.1 through 3205.4, the City's policy provides for the following exceptions to the face covering requirement:

a. When an employee is alone in a private room such as an individual office. At no time should a common area such as a break room be considered a private room, even if the employee is alone.

b. While actually eating and drinking at the workplace, provided employees are at least six (6) feet apart and outside air supply to the area, if indoors, has been maximized to the extent possible.

c. Employees wearing respiratory protection in accordance with section 5144 or other title 8 safety orders (8 C.C.R. 5144 is available at the following web address: https://www.dir.ca.gov/title8/5144.html).

d. Employees who cannot wear face coverings due to a medical or mental health condition or disability, or who are hearing-impaired or communicating with a hearing-impaired person. Medical documentation is required to meet this exception and alternatives will be explored to ensure a safe workplace for all employees.

e. Specific tasks which cannot feasibly be performed with a face covering. This exception is limited to the time period in which such tasks are actually being performed.

Any employee not wearing a face covering, pursuant to the exceptions listed in items (d) and (e) above, and not wearing a non-restrictive alternative when allowed by Labor Code Section 3205 (c)(6)(E) shall be at least six feet apart from all other persons unless the unmasked employee is fully vaccinated.

When face coverings are not required by this section, Labor Code Section 3205, or Sections 3205.1 through 3205.4, we will provide face coverings to employees upon request, regardless of vaccination status.

2. Required Use of Effective Non-Restrictive Alternative for Employees Exempted from Face Covering Requirement

The City's policy requires that City employees who are exempted from wearing face coverings due to a medical condition, mental health condition, or disability wear an effective non-restrictive alternative, such as a face shield with a drape on the bottom, if their condition or disability permits it. Alternatives will be explored through an interactive process to ensure a safe workplace for all employees.

3. Physical Distancing Required If Employee Is Not Wearing Face Covering or Non-Restrictive Alternative

The City's policy requires that any employees not wearing a face covering, face shield with a drape, or other effective alternative, or respiratory protection, for any reason, shall be at least six (6) feet apart from all other persons unless the unmasked employees are tested at least twice weekly for COVID-19. However, the City does not use COVID-19 testing as an

alternative to face coverings when face coverings are otherwise required by this section.

4. **Prohibition on Preventing Employees from Wearing Face Covering**

   The City does not prevent any City employee from wearing a face covering when wearing a face covering is not required by this section, unless not wearing a face covering would create a safety hazard, such as interfering with the safe operation of equipment.

5. **Communication to Non-Employees Regarding Face Covering Requirement**

   The City posts signage to inform non-employees that the City requires the use of face coverings at City worksites and facilities when not fully vaccinated and when other exemptions per CDPH guidance do not apply.

6. **Policies to Reduce COVID-19 Hazards Originating from Persons Not Wearing Face Coverings**

   The City has developed COVID-19 policies and procedures to minimize employees' exposure to COVID-19 hazards originating from any person not wearing a face covering, including a member of the public.

   These policies include requiring that employees and non-employees wear face coverings at City worksites and facilities when not fully vaccinated, physical barriers, providing respirators when requested (to unvaccinated employees), and observing proper hand hygiene.

G. VACCINES

1. **The City will document vaccinations in the following manner:**

   Employees will provide proof of COVID vaccination (vaccine card, image of vaccine card, or health care document showing vaccination status) to Human Resources, and Human Resources will maintain the information in accordance with HIPAA requirements.

   Those employees desiring to be considered vaccinated need to submit proof to Human Resources. If an employee has lost their card, they can request a copy of their vaccine status at https://myvaccinerecord.cdph.ca.gov/.

   Any employee not verified by Human Resources as being fully vaccinated or as having received a booster or third dose will be classified as unvaccinated or un-boosted for purposes of compliance with the CPP.

H. OTHER ENGINEERING CONTROLS, ADMINISTRATIVE CONTROLS, AND PERSONAL PROTECTIVE EQUIPMENT (PPE)

1. Installation of Solid Partitions Between Workstations Where Physical Distancing is Not Possible

At fixed work locations, the employer may install cleanable solid partitions that effectively reduce aerosol transmission between the employees and other persons, when conditions warrant their use.

2. Maximization of Outdoor Air

As provided above at Section IV.B.5., for indoor City worksites and facilities, the City evaluated how to maximize the quantity of outdoor air.

Further, for City worksites and facilities with mechanical or natural ventilation, or both, the City has maximized the quantity of outside air provided to the extent feasible, except when the United States Environmental Protection Agency ("EPA") Air Quality Index is greater than 100 for any pollutant or if opening windows or letting in outdoor air by other means would cause a hazard to City employees, for instance from excessive heat or cold.

3. Cleaning and Disinfecting Procedures

Cleaning and disinfecting of the worksite is the responsibility of all City employees. Each department will ensure employees are supplied with adequate cleaning and disinfecting products to properly clean and disinfect the worksite throughout the day, as well as training on how to safely use the products and supplies provided.

The City's cleaning and disinfecting policy requires the following:

a. Identifying and regularly cleaning and disinfecting frequently touched surfaces and objects, such as doorknobs, elevator buttons, equipment, tools, handrails, handles, controls, bathroom surfaces, and steering wheels;

b. Informing employees and authorized employee representatives of cleaning and disinfection protocols, including the planned frequency and scope of regular cleaning and disinfection; and

c. Cleaning of areas, material, and equipment used by a COVID-19 case during the high-risk exposure period and disinfection if the area, material, or equipment is indoors and will be used by another employee within 24 hours of the COVID-19 case.

Further, the City requires that cleaning and disinfecting must be done in a manner that does not create a hazard to City employees or subcontracted employees.

4. **Evaluation of Handwashing Facilities**

   In order to protect City employees, the City evaluated its handwashing facilities in order to determine the need for additional facilities, encourage and allow time for employee handwashing, and provide employees with an effective hand sanitizer.

   The City encourages City employees to wash their hands with soap for at least 20 seconds each time.

   The City does not provide hand sanitizers with methyl alcohol.

5. **Testing of Symptomatic Employees**
   The City makes COVID-19 testing available at no cost to employees with COVID-19 symptoms. This testing will be made available during the employees' paid time.

6. **Personal Protective Equipment (PPE)**

   City policy provides for appropriate PPE to be issued to all employees based on an evaluation of their work site and work tasks. Employees are obligated to utilize said PPE as provided. Should PPE become damaged or unusable, or should disposable PPE stock become low, employees must immediately report the need for new/additional PPE to their supervisor or manager. At the same time, supervisors and managers will routinely check and be aware of necessary PPE stock, and procure stock as needed following City procurement processes and policies.

   Upon request, the City will provide respirators for voluntary use, in compliance with Labor Code Subsection 5144 (c)(2) to all employees who are not fully vaccinated and who are working indoors or in vehicles with more than one person. The City will encourage their use and ensure employees are provided with a respirator of the correct size. Employees should inform their supervisor should they desire a respirator, and the Department will contact Purchasing to request respirators through the normal City procurement process.

   The City evaluates the need for PPE, such as gloves, goggles, and face shields, to prevent exposure to COVID-19 hazards and provide such PPE as needed.

   In accordance with applicable law, the City evaluates the need for respiratory protection when the physical distancing requirements, as provided herein, are not feasible or are not maintained.

   In accordance with applicable law, the City will provide and ensure use of respirators when deemed necessary by Cal/OSHA through the Issuance of Order to Take Special Action.

   In accordance with applicable law, the City will provide and ensure use of eye protection and respiratory protection when City employees are

exposed to procedures that may aerosolize potentially infectious material such as saliva or respiratory tract fluids.

I. REPORTING, RECORDKEEPING AND ACCESS

1. Reporting COVID-19 Cases to the Local Health Department

In accordance with applicable law, the City will report information about COVID-19 cases at the workplace to the local Public Health Department. Further, the City will provide any related information requested by the local Public Health Department.

2. Maintenance of Records Related to the Adoption of the CPP

In accordance with applicable law, the City will maintain records of the steps taken to implement this CPP.

3. Availability of the CPP for Inspection

The City will make this written CPP available to employees and employee organizations at City worksites or facilities. Further, the City will make this written CPP available to Cal/OSHA representatives immediately upon request.

4. Records Related to COVID-19 Cases

The City will keep a record of and track all COVID-19 cases with the following information, at a minimum:

a. Employee's name;

b. Contact information;

c. Occupation;

d. Location where the employee worked;

e. Date of the last day at the workplace; and

f. Date of a positive COVID-19 test.

The City keeps employees' medical information confidential.

J. EXCLUSION OF COVID-19 CASES

1. Exclusion of COVID-19 Cases from City Worksites and Facilities

The City will ensure that COVID-19 cases are excluded from the workplace until the individual satisfies the minimum return to work criteria provided for in Section IV.K.

2. Exclusion of Employees with Close Contact COVID-19 Exposures from City Worksites

The City ensures that employees who had a close contact COVID-19 exposure are excluded from City worksites until the employee satisfies the minimum return to work criteria, as provided in Section IV.K, unless an exception exists as listed in that section..

Additionally, if an employee is not excluded in accordance with the above exceptions, City will provide such an employee with information about any applicable precautions recommended by the California Department of Public Health ("CDPH") for persons with a close contact COVID-19 exposure.

3. **Exclusion of Employees from City Worksites and Facilities After Travel**

In accordance with CDPH and CDC guidelines, City employees must follow the guidelines regarding quarantine and/or testing upon return from domestic and international travel, regardless of the reason for travel. Additionally, employees who are not working remotely must disclose travel information to their supervisor in advance, unless advance notice is not practical, to ensure a safe workplace and allow time for quarantine pre-planning.

All individuals should:

- Take a COVID-19 viral test 3-5 days after returning from travel.

Individuals who are not fully vaccinated should:

- Self-quarantine upon return for 7 full days after travel.
- If the above-noted viral test is negative, the individual may discontinue quarantine after 7 days
- If the individual does not test 3-5 days after return, then the individual must quarantine for 10 full days

If the employee tests positive, the employee should isolate and the Return to Work criteria in Section IV.K. apply.

The City will follow CDPH travel recommendations, which may modify or change the above criteria and information. The City will monitor https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/COVID-19/CA-is-Open-Travel-Guidelines.pdf for the most current information and CDPH travel recommendations will apply in the workplace.

4. **Provision of Benefits to City Employees Excluded from Work as a Result of a Positive COVID-19 Test or Diagnosis or a Close Contact COVID-19 Exposure**

a. **Employees Who Are Able to Telework During Isolation or Quarantine Period**

The City may allow employees who are able to telework, and are able and available to work, to telework during the isolation or quarantine period. The City will provide these employees their normal compensation for the work that they perform for the City during the isolation or quarantine period.

The City continues and maintains such an employee's earnings, wages, seniority, and all other employee rights and benefits, including the employee's right to their former job status, as if the employee had not been removed from their job.

b. **Employees Who Are Unable to Telework During Isolation or Quarantine Period**

The City will require that employees who are unable to telework, but are otherwise able and available to work, to use paid sick leave or other applicable accrued leave in order to receive compensation during the isolation or quarantine period, consistent with leave policies in any applicable Memorandum of Understanding or the City's Personnel Rules and Regulations. The City may provide such employees who are unable to telework, but who do not have any paid leave available, paid administrative leave in order to receive compensation during the isolation or quarantine period.

For all employees who are subject to an isolation or quarantine because of a work-related COVID-19 case or a work-related close contact COVID-19 exposure, the City will maintain the employees' seniority and all other employee rights and benefits, including the employees' right to their former job status, during the isolation or quarantine period. The City may consider benefit payments from public sources., if applicable, in determining how to maintain earnings, rights, and benefits, where permitted by law and when not covered by workers' compensation.

The provision of benefits described above does not apply to either: (1) City employees who the City can demonstrate that the close contact COVID-19 exposure was not work-related; and (2) City employees who are unable to work for reasons other than protecting employees and non-employees at City worksites and facilities from possible COVID-19 transmission. Such employees may still use paid sick leave for the purpose of receiving compensation during the isolation or quarantine period.

5. <u>Adherence with Laws, Policies, and/or Agreements Providing Excluded Employees Greater Protections</u>

The obligations set forth in this section do not limit any other applicable law, City policy, or collective bargaining agreement that provides City employees with greater protections or benefits.

6. Provision of Information Concerning Benefits to Excluded Employees

At the time of exclusion, the City will provide the excluded employees the information on benefits to which the employees may be entitled under applicable federal, state, or local laws.

This includes any benefits potentially available under workers' compensation law, Labor Code sections 3212.86 through 3212.88, the City's own leave policies, and leave guaranteed by contract.

K. RETURN TO WORK CRITERIA

1. Criteria to Return to Work for COVID-19 Cases

Table 1 below lists the return to work criteria for COVID-19 cases.

Table 1

Employees Who Test Positive for COVID-19 (Isolation)	Action
Requirements apply to all employees, regardless of vaccination status, previous infection, or lack of symptoms.	• Employees who test positive for COVID-19 must be excluded from the workplace for at least 5 days. • Isolation can end and employees may return to the workplace after day 5 if symptoms are not present or are resolving, and a diagnostic specimen* collected on day 5 or later tests negative. • If an employee is unable or chooses not to test and their symptoms are not present or are resolving, isolation can end and the employee may return to the workplace after day 10. • If an employee has a fever**, isolation must continue and the employee may not return to work until the fever resolves***. • If an employee's symptoms other than fever are not resolving, they may not return to work until their

	symptoms are resolving or until after day 10 from the positive test. • Employees must wear face coverings**** around others for a total of 10 days after the positive test, especially in indoor settings. ** Antigen test preferred.* *** A fever is a measured body temperature of 100.4 degrees Fahrenheit or higher* **** A fever resolves when 24 hours have passed with no fever, without the use of fever-reducing medications* ***** Face covering should be a respirator type (N95, KN95, KF94, etc.) or a surgical mask, with good fit.*

2. <u>COVID-19 Testing Not Required in Order to Return to Work</u>

In accordance with CDC guidance concerning symptom-based strategies for the discontinuation of isolation, the City does not require employees to submit to a COVID-19 test, or produce a negative COVID-19 test result, in order to return to work, unless the individual is seeking to return to work before the full 10 day quarantine/isolation period has passed.

3. <u>Minimum Criteria to Return to Work for Close Contacts</u>

a. Table 2 - Employees that are unvaccinated, vaccinated and booster eligible* but have not received their booster dose, and those previously infected with SARS-CoV-2 including within the last 90 days

*Booster eligibility is defined as follows:

Pfizer-BioNtech and Moderna – At least 5 months after completing your primary COVID-19 vaccination series

Johnson & Johnson's Janssen – At least 2 months after receiving your J&J/Janssen COVID-19 vaccination

Table 2

Requirements Apply to Employees Who are Exposed to Someone with COVID-19 and Are (Quarantine):	**Action**
• Unvaccinated; OR • Vaccinated and booster-eligible but have not yet received their booster dose.	• Employees must be excluded from the workplace for at least 5 days after their last close contact with a person who has COVID-19. • Exposed employees must test on day 5. • Quarantine can end and exposed employees may return to the workplace after day 5 if symptoms are not present and a diagnostic specimen collected on day 5 or later tests negative. • If an employee is unable or chooses not to test and does not have symptoms, quarantine can end and the employee may return to the workplace after day 10. • Employees must wear face coverings around others for a total of 10 days after exposure, especially in indoor settings.* • If an exposed employee tests positive for COVID-19, they must follow the isolation requirements in Table 1. • If an exposed employee develops symptoms, they must be excluded pending the results of a test. • Employees are strongly encouraged to get vaccinated or boosted. ** Face covering should be a respirator-type (N95, KN95, KF94, etc) or a surgical mask, with good fit.*

If employees covered by Table 2 above cannot be tested as required, quarantine must continue for at least 10 days as explained in the table.

b. Table 3 - Employees Who are Boosted or Vaccinated but Not Yet Booster-Eligible

Table 3

Requirements Apply to Employees Who Are Exposed to Someone with COVID-19 (No Quarantine) who are:	**Employees do not need to quarantine if they:**
• Boosted; OR • Vaccinated but not yet booster-eligible	• Test on day 5 with a negative result. • Wear face coverings* around others for 10 days after exposure, especially in indoor settings. • If employees test positive, they must follow isolation recommendations above. • If employees develop symptoms, they must be excluded pending the results of a test. ** Face covering should be a respirator type (N95, KN95, KF94, etc) or a surgical mask, with good fit.*

If employees covered by Table 3 cannot be tested on day 5, they should wear a face covering (respirator type [N95, KN95, KF94, etc.] or a surgical mask, with good fit) and maintain six feet of distance at all times, following the close contact.

4. <u>Minimum Criteria to Return to Work for Employees Directed to Self-Quarantine or Isolate by a State or Local Health Official</u>

If employees are subject to an isolation or quarantine order issued by a state or local health official, City policy requires that the employees not report to any City worksite or facility until the period of isolation or quarantine is completed or the order is lifted.

If the order did not specify a definite isolation or quarantine period, then the period shall be in accordance with the return to work periods listed in the return to work criteria above.

5. <u>Allowance by Cal/OSHA for an Employee to Return to Work</u>

If there are no violations of state or local health officer orders for isolation or quarantine, Cal/OSHA may, upon request, allow essential employees to return to work on the basis that the removal of employees would create undue risk to a community's health and safety.

Where the absence of an essential employee from the City's worksite would cause a staffing shortage that would have an adverse on a community's health and safety and pose an undue risk to the community's health and safety as a result, Cal/OSHA may grant such waiver.

In order to request a waiver under such circumstances, the City will submit the written request to rs@dir.ca.gov. In the event of an emergency, the City may request a provisional waiver by contacting the local Cal/OSHA office while the City prepares the written waiver request.

The written waiver request must provide for the following information:

1. Employer name and business or service;

2. Employer point-of-contact name, address, email and phone number;

3. Statement that there are no local or state health officer orders for isolation or quarantine of the excluded employees;

4. Statement describing the way(s) in which excluding the exposed or COVID-19 positive employees from the workplace impacts the employer's operation in a way that creates an undue risk to the community's health and safety;

5. Number of employees required to be quarantined under the Cal/OSHA regulation, and whether each was exposed to COVID-19 or tested positive for COVID-19; and

6. The employer's control measures to prevent transmission of COVID-19 in the workplace if the employee(s) return or continue to work in the workplace, including the prevention of further exposures. These measures may include, but are not limited to, preventative steps such as isolating the returned employee(s) at the workplace and requiring that other employees use respirators in the workplace.

In such cases, the City will develop, implement, and maintain effective control measures to prevent transmission in the workplace including providing isolation for the employees at the City worksite or facility and, if isolation is not possible, the use of respiratory protection in the workplace.

L. SPECIAL CONSIDERATIONS REGARDING OUTBREAKS

Either or both of the following two sections will be temporarily implemented as specified under the requirements of Labor Code Sections 3205.1 and 3205.2. These sections will continue to remain in effect until the criteria specified in the respective sections are satisfied.

1. Multiple COVID-19 Infections and COVID-19 Outbreaks

This section of the CPP applies when there are at least three (3) COVID cases in an exposed workplace within a 14-day period, or if the local Public Health Department determines that a City worksite is the location of an outbreak. This section of the CPP will stay in effect until there are no new COVID-19 cases detected at the specific worksite for a 14-day period.

a. COVID-19 Testing

- The City will make COVID-19 testing available at no cost to all employees within the exposed group, with the following exceptions:
    - Employees who were not present during the period of an outbreak identified by a local health department or the relevant 14-day period; and
    - No testing is required for COVID-19 cases for 90 days after the initial onset of COVID-19 symptoms or, for COVID-19 cases who never developed symptoms, 90 days after the first positive test.
- COVID-19 testing will be provided at no cost to employees during employees' working hours.
- COVID-19 testing consists of the following:
    - Testing shall be made available to all employees in the exposed group and then again one week later. Negative COVID-19 test results of employees with COVID-19 exposure will not impact the duration of any quarantine period required by, or orders issued by, the local health department.

After the first two COVID-19 tests, the City will continue to make COVID-19 testing available once per week at no cost to all employees in the exposed group who remain at the workplace, or more frequently if recommended by the local health department, until this section no longer applies. All employees in the exposed group shall wear face coverings when indoors or when outdoors and less than six feet from another person, unless one of the exceptions in Labor Code Subsection 3205 (c)(6) (D) applies.

Notice shall be given to employees in the exposed group of their right to request a respirator for voluntary use under subsection 3205(c)(7)(D)2., if they are not fully vaccinated.

An evaluation of the worksite will be completed to determine whether to implement physical distancing of at least six feet between persons or, where six feet of physical distancing is not feasible, the use of cleanable solid partitions of sufficient size to reduce COVID-19 transmission.

b. **COVID-19 Investigation, Review and Hazard Correction**

In addition to the investigation, the City will immediately perform a review of potentially relevant COVID-19 policies, procedures, and controls, and implement changes as needed to prevent further spread of COVID-19.

The investigation and review will be documented and include:

- Investigation of new or unabated COVID-19 hazards including:
  - Leave policies and practices and whether employees are discouraged from remaining home when sick.
  - COVID-19 testing policies.
  - Insufficient outdoor air.
  - Insufficient air filtration.
  - Lack of physical distancing.
- Updating the review:
  - Every thirty (30) days that the outbreak continues.
  - In response to new information or to new or previously unrecognized COVID-19 hazards.
  - When otherwise necessary.
- Implementing changes to reduce the transmission of COVID-19 based on the investigation and review. The City will consider:
  - Moving indoor tasks outdoors or having them performed remotely.
  - Increasing outdoor air supply when work is done indoors.
  - Improving air filtration.
  - Increasing physical distancing as much as possible.
  - Respiratory protection.
  - Modifications to employee worksite location, work shift hours, and overall work schedule to minimize employee interaction.

2. <u>Major COVID-19 Outbreaks</u>

This section of the CPP applies when there are twenty (20) or more employee COVID-19 cases in an exposed worksite within a 30-day period. This section of the CPP will stay in effect until there are fewer than three COVID-19 cases detected in the exposed group for a 14-day period.

a. **COVID-19 Testing**

The City will offer COVID-19 testing to all employees in the exposed group, regardless of vaccination status, two (2) times per week, or more frequently if recommended by the local health department, during the relevant 30-day period(s) and who remain at the workplace. COVID-19 testing will be provided at no cost to employees during the employees' normal working hours.

b. **Exclusion of COVID-19 Cases**

The City will ensure COVID-19 cases and employees with COVID-19 exposure are excluded from the workplace in accordance with the CPP Exclusion of COVID-19 Cases and Return to Work Criteria, and any relevant local health department orders.

c. **Investigation of Workplace COVID-19 Illnesses**

The City will comply with the requirements of the CPP Investigating and Responding to COVID-19 Cases.

d. **COVID-19 Hazard Correction**

In addition to the requirements of the CPP Correction of COVID-19 Hazards, the City will take the following actions:

- In buildings or structures with mechanical ventilation, the City will filter recirculated air with Minimum Efficiency Reporting Value (MERV) 13 or higher efficiency filters if compatible with the ventilation system. If MERV-13 or higher filters are not compatible with the ventilation system, the City will use filters with the highest compatible filtering efficiency. The City will also evaluate whether portable or mounted High Efficiency Particulate Air (HEPA) filtration units, or other air cleaning systems would reduce the risk of transmission and implement their use to the degree feasible.
- The City will provide a respirator for voluntary use in compliance with subsection 5144 (c)(2) to employees in the exposed groups and will determine the need for a respiratory protection program or changes to an existing respiratory protection program under section 5144 to address COVID-19 hazards.
- Any employees in the exposed group who are not wearing respirators required by this policy and used in compliance with section 5144 shall be separated from other persons by at least six feet, except where it can be demonstrated that six feet of separation is not feasible, and except momentary exposure while persons are in movement. Methods of physical distancing include: telework or other remote work arrangements; reducing the number of persons in an area at one time, including visitors; visual

cues such as signs and floor markings to indicate where employees and others should be located or their direction and path of travel; staggered arrival, departure, work, and break times; and adjusted work processes or procedures, such as reducing production speed, to allow greater distance between employees. When it is not feasible to maintain a distance of at least six feet, individuals shall be as far apart as feasible.

- At workstations where an employee in the exposed group is assigned to work for an extended period of time, such as cash registers and desks and where physical distancing requirements in this policy is not maintained at all times, the employer shall install cleanable solid partitions that effectively reduce transmission between the employee and other persons.
- The City will evaluate whether to halt some or all operations at the workplace until COVID-19 hazards have been corrected.
- Implement any other control measures deemed necessary by Cal/OSHA.

e. **Notifications to the Local Health Department**

The City will comply with the requirements of the CPP Multiple COVID-19 Infections and COVID-19 Outbreaks-Notifications to the Local Health Department.

V. FORMS

Various forms begin on the following page.

FORM A: IDENTIFICATION OF COVID-19 HAZARDS

This form shall be used to document identification of COVID-19 hazards in the workplace and suggested prevention controls to mitigate identified hazards

All persons, regardless of symptoms or negative COVID-19 test results, will be considered potentially infectious. Particular attention will be paid to areas where people may congregate or come in contact with one another, regardless of whether employees are performing an assigned work task or not. For example: meetings, entrances, bathrooms, hallways, aisles, walkways, elevators, break or eating areas, cool-down areas, and waiting areas.

Evaluation of potential workplace exposure will be to all persons at the workplace or who may enter the workplace, including coworkers, employees of other entities, members of the public, customers or clients, and independent contractors. We will consider how employees and other persons enter, leave, and travel through the workplace, in addition to addressing fixed work locations.

Table Definitions:

Potential Exposure: Describe the interaction, area, activity, work task, process, equipment and material that potentially exposes employees to COVID-19 hazards

When/How: Describe the place and time of the exposure or how the exposure may occur

Prevention Controls: List possible controls to mitigate the exposure

Employee Name	Signature

FORM E: NOTICE OF POTENTIAL WORKPLACE EXPOSURE TO VIRUS THAT CAUSES COVID-19

[DATE]

[EMPLOYEE NAME]
[EMPLOYEE JOB TITLE]
[EMPLOYEE DIVISION/DEPARTMENT]

The City of Madera (City) has determined that sometime during the period of [INSERT APPLICABLE DATES], you and an individual with COVID-19 were both present at a City worksite/facility. This notice serves to inform you that you may have been exposed to the virus that causes COVID-19 as a result of your presence at the [NAME AND ADDRESS OF WORKSITE/FACILITY] on that date.

At this time, the City is working to determine the nature and circumstances of the COVID-19 positive individual's activities at the worksite/facility, and whether the individual had any close contact interactions[1] with individuals during the high-risk exposure period. If we determine that you may have had close contact exposure, we will provide you additional instructions regarding quarantine requirements to supplement the instructions provided herein.

Direction Not to Return to Work Under Certain Circumstances

As part of the City's obligation to maintain a healthy and safe working environment under Cal-OSHA, the City is directing you to remain at your home or place of residence and not report to work if any of the following apply to you:

1. You have tested positive for COVID-19;
2. You are currently presenting one or more symptoms associated with COVID-19 as identified by the Centers for Disease Control and Prevention ("CDC") (See full list of symptoms that the CDC associates with COVID-19 here: https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html); or
3. You are aware that you have had close contact exposure to someone with a laboratory confirmed case of COVID-19.

---

[1] Close contact exposure means: (1) contact within 6 feet; (2) for a cumulative total of 15 or more minutes over a 24-hour period; (3) with someone who has a laboratory confirmed case and is in the "infectious period" of the having disease. The "infectious period" begins the two (2) days before either: (1) the individual first presented symptoms associated with COVID-19, for symptomatic individuals; or (2) the test that resulted in the positive diagnosis, for asymptomatic individuals. The "infectious period" concludes when the CDC guidance provides for the discontinuation of the isolation period (See CDC guidance on discontinuing home isolation for persons with COVID-19 not in healthcare settings here: https://www.cdc.gov/coronavirus/2019-ncov/your-health/quarantine-isolation.html)

If any of the above currently apply to you, please remain at your home or place of residence and do not report to work. Furthermore, please provide notice to the City as soon as possible if you are unable to report to work because of one of the above enumerated circumstances. If the nature of your job permits you to telework, you should discuss the possibility of doing so with your supervisor or manager.

If you are unable to report to work for one of the reasons identified above, you may be eligible and qualified to receive statutory or agency-provided leave and benefits during your time away from work. Your ability to telework may affect eligibility for such leaves and benefits. Please find attached a notice providing information about some of the leaves that may be available depending on your particular circumstance. Eligibility for the leaves and/or benefits is governed by applicable statutes for such leaves and/or benefits, as well as the City's policies regarding such leaves and/or benefits. If you would like more information on potentially applicable leaves or benefits, please contact the City's Department of Human Resources at (559) 661-5400, option 8.

The City of Madera's Plan for Cleaning and Disinfecting the Workplace

As the City continues to investigate the specific locations where the COVID-19 positive individual was present, the City will begin to implement a cleaning and disinfection plan adopted pursuant to guidance from the CDC.

As part of this plan, the City will undertake the following measures in order to ensure that the workplace is healthy and safe for City employees:

- Closing off all areas used by the COVID-19 positive individual during the high-risk exposure period;
- Waiting 24 hours before cleaning or disinfecting affected areas to protect those performing cleaning and disinfecting;
- Opening outside doors and windows where applicable to increase air circulation in the areas used by the COVID-19 positive individual;
- Cleaning and disinfecting all areas used by the COVID-19 positive individual, such as offices, bathrooms, and common areas, with disinfectants approved by the CDC and the Environmental Protection Agency ("EPA").

The City will also continue to enforce its COVID-19 screening protocols in compliance with health department orders to satisfy its duty to provide a healthy and safe work environment for employees.

Discrimination and Retaliation Protections While on Leave

The City will not discriminate or retaliate against City employees who qualify for any leaves and/or benefits, nor against any employee for disclosing the results of a positive COVID-19 test or diagnosis or any order to the employee to quarantine or isolate for reasons related to COVID-19.

COVID-19 Related Leave & Benefits that May be Available to You

Emergency Family Medical Leave Act (E-FMLA)

- **Use:** Job-protected leave is available when an eligible employee is unable to work or telework due to a need to care for a son or daughter under 18 years of age if their school or place of care has been closed or if the childcare provider is unavailable due to a public health emergency. The first 10 days may be unpaid. The City will provide 2/3s of an employee's pay starting on the eleventh day.
- **Eligibility:** Must be an employee for 30 calendar days. Must not have exhausted their FMLA leave in the last 12 months.
- **Limit:** 12 weeks
- **How to Apply:** Complete the E-FMLA request form and return to HR. Certain limits apply. See *COVID-19 Emergency Policy No. 2* for additional details.

Existing Paid Leave Options

- **Use:** Depending on the employee's applicable Memorandum of Understanding (MOU) and the Personnel Rules, regular sick leave, vacation, administrative leave, banked holiday, floating holiday, or compensatory time off (CTO) may be used in order to remain in a paid status while under quarantine and/or while COVID-19 positive.
- **Eligibility:** Must have the applicable time available in leave banks and be eligible to use per the applicable MOU or Personnel Rule.
- **How to Apply:** Follow normal timesheet procedures for requesting paid leave.

Expanded Reasons for Using Sick Leave

In addition to any reasons an employee may use sick leave as defined in the Personnel Rules and Regulations or applicable MOU, employees may use sick leave to:

- Care for children who are not necessarily sick, but who require parental supervision due to school or childcare cancellation.
- Care for an immediate family member who is sick with COVID-19. Immediate family member is as defined in existing policy.
- The employee or immediate family member is ordered to isolate or quarantine by Public Health Officials or a treating physician.
- Other terms and conditions apply, reference COVID-19 Emergency Policy No. 1 or contact HR.

Sick Leave Borrow Program

- **Use**: When an employee has COVID-19; to care for children who are not necessarily sick, but who require parental supervision due to school or child care cancellation; care for an immediate family member who is sick with COVID-19; or the employee or immediate family member is ordered to isolate or quarantine by Public Health Officials or a treating physician.
- **Eligibility**: Full time employees that have insufficient time accrued to cover their need for leave related to COVID-19.
- **Limit:** Up to 40 hours.
- **Repayment:** Employees shall repay the borrowed hours through either future accruals or unpaid furlough days spread over up to 5 months' time.
- **How to Apply**: Employee completes the Agreement for Repayment of Borrowed Sick Leave Time form and returns it to HR.
- Other terms and conditions apply, reference COVID-19 Emergency Policy No. 1 or contact HR.

COVID Administrative Leave

- **Use:** When an employee is able and available to work, but the City requests they not report to their scheduled shift. When an employee is excluded from the workplace due to a job-related exposure to COVID-19. When an employee is absent from work for vaccination or vaccine-related recovery.
- **Eligibility:** COVID Administrative Leave must be approved by the Department Director.

Emergency Vacation Leave Cash-Out

- **Eligibility**: Employees that are able to maintain 120 hours of vacation time after cash out.
- **Limit**: Employees may cash out up to 40 hours of vacation one time during the local emergency.
- **How to Apply**: Employee completes the Request for COVID-19 Emergency Leave Cash Out form and returns it to HR.
- Other terms and conditions may apply, reference COVID-19 Emergency Policy No. 1 or contact HR.
- Please note, this benefit does not keep an employee in a paid status; it is an option to assist with unexpected expenses related to COVID situations.

Workers' Compensation

- **Eligibility:** When COVID-19 is contracted in the performance of work duties (does not apply when an employee is working from home). An investigation will be conducted to determine where COVID-19 was likely contracted.
- **Limits:** Temporary Total Disability (TTD) or 4850 benefits (if eligible) are paid if the employee is actually experiencing a COVID-19 related-illness. Positive test result is required.
- **How to File:** Complete DWC-1 and return to supervisor.

All other terms and conditions of personnel policies and MOU provisions shall remain in effect.

The City of MADERA

Updated: 10/22/21

FORM F: WORKPLACE EXPOSURE NOTICE TO EMPLOYEE ORGANIZATIONS/REPRESENTATIVES

To:
From: **City of Madera (City)**
Date:
Re: **CONFIDENTIAL: NOTICE OF REPRESENTED EMPLOYEE'S POTENTIAL WORKPLACE EXPOSURE TO VIRUS THAT CAUSES COVID-19**

The City is hereby notifying you that employees represented by **[Insert Name of Employee Organization]** may have been exposed to the virus that causes COVID-19. On **[Insert Date],** employees represented by **[Insert Name of Employee Organization]** and an individual with COVID-19 were present at a City worksite/facility. This notice serves to inform you that City employees represented by your **[Union/Association]** may have been exposed to the virus that causes COVID-19 as a result of their presence at the **[name of worksite/facility]** on that date.

At this time, the City is working to determine the nature and circumstances of the COVID-19 positive individual's activities at the worksite/facility, and whether the individual had any close contact interactions[1] with individuals at the worksite/facility. If we determine that represented employees may have had "close contact" exposure, we will provide those represented employees with additional instructions to supplement the instructions provided herein.

Currently Known COVID-19 Positive Employee(s)/Individual(s)
Based on information provided to date by the COVID-19 positive employee or individual, the City is able to share the following information regarding the potential exposure:

Department/Division:
Location of Worksite Affected:
Date of first Symptom:
Date Positive Test was Administered:
Last Date at the Work Site:

As a result of the potential exposure(s) described above, the City is also providing notice to each of the represented employees who were at the same City worksite/facility as the COVID-19 positive individual(s).

---

[1]*Close contact exposure means: (1) contact within 6 feet; (2) for a cumulative total of 15 or more minutes over a 24-hour period; (3) with someone who has a laboratory confirmed case and is in the "infectious period" of the having disease. The "infectious period" begins the two (2) days before either: (1) the individual first presented symptoms associated with COVID-19, for symptomatic individuals; or (2) the test that resulted in the positive diagnosis, for asymptomatic individuals. The "infectious period" concludes when the CDC guidance provides for the discontinuation of the isolation period (See CDC guidance on discontinuing home isolation for persons with COVID-19 not in healthcare settings here: https://www.cdc.gov/coronavirus/2019-ncov/your-health/quarantine-isolation.html)*

The City became aware of the COVID-19 positive individual's status on [DATE]. The City is providing this notice as quickly as possible to comply with California Labor Code Requirements. For this reason, the investigation may not yet be complete, and the City may still be determining whether the COVID-19 positive individual(s) had "close contact," as defined by the Centers for Disease Control and Prevention ("CDC"), with represented employees or any other City employee.

The City's Plan for Cleaning and Disinfecting the Workplace

As the City continues to investigate the specific locations where the COVID-19 positive individual was present, the City will begin to implement a cleaning and disinfection plan adopted pursuant to guidance from the CDC.

As part of this plan, the City will undertake the following measures in order to ensure that the workplace is healthy and safe for City employees:

- Closing off all areas used by the COVID-19 positive individual during the high-risk exposure period;
- Waiting 24 hours before cleaning or disinfecting affected areas to protect those performing cleaning and disinfecting;
- Opening outside doors and windows where applicable to increase air circulation in the areas used by the COVID-19 positive individual;
- Cleaning and disinfecting all areas used by the COVID-19 positive individual, such as offices, bathrooms, and common areas, with disinfectants approved by the CDC and the Environmental Protection Agency ("EPA").

The City will also continue to enforce its COVID-19 screening protocols in compliance with health department orders to satisfy its duty to provide a healthy and safe work environment for employees.

Employees May Be Eligible for Leave or Related Benefits

Employees may be eligible for statutory or agency-provided leave or benefits under federal and state law should they present symptoms associated with COVID-19 or contract COVID-19. Eligibility for the aforementioned leaves and/or benefits is governed by applicable statutes for such leaves and/or benefits, as well as the City's policies regarding such leaves and/or benefits. The City has provided the attached notice providing information about some of the leaves that may be available depending on an employee's particular circumstance.

If employees represented by your Association are not qualified to receive compensation under any of the leaves or benefits described in the attached, but wish to be paid during any time that they may be required to be away from the workplace, they may need to use paid sick leave or another paid leave that they have earned or accrued and for which they possess a sufficient balance.

Discrimination and Retaliation Protections While on Leave

Federal and/or state law prohibits the City from discriminating or retaliating against City employees who qualify for any of the aforementioned leaves and/or benefits. Furthermore, the City will not retaliate against any employee for disclosing the results of a positive COVID-19 test or diagnosis, or any order to the employee to quarantine or isolate for reasons related to COVID-19.

COVID-19 Related Leave & Benefits that May be Available to You

Emergency Family Medical Leave Act (E-FMLA)

- **Use:** Job-protected leave is available when an eligible employee is unable to work or telework due to a need to care for a son or daughter under 18 years of age if their school or place of care has been closed or if the childcare provider is unavailable due to a public health emergency. The first 10 days may be unpaid. The City will provide 2/3s of an employee's pay starting on the eleventh day.
- **Eligibility:** Must be an employee for 30 calendar days. Must not have exhausted their FMLA leave in the last 12 months.
- **Limit:** 12 weeks
- **How to Apply:** Complete the E-FMLA request form and return to HR. Certain limits apply. See *COVID-19 Emergency Policy No. 2* for additional details.

Existing Paid Leave Options

- **Use:** Depending on the employee's applicable Memorandum of Understanding (MOU) and the Personnel Rules, regular sick leave, vacation, administrative leave, banked holiday, floating holiday, or compensatory time off (CTO) may be used in order to remain in a paid status while under quarantine and/or while COVID-19 positive.
- **Eligibility:** Must have the applicable time available in leave banks and be eligible to use per the applicable MOU or Personnel Rule.
- **How to Apply:** Follow normal timesheet procedures for requesting paid leave.

Expanded Reasons for Using Sick Leave

In addition to any reasons an employee may use sick leave as defined in the Personnel Rules and Regulations or applicable MOU, employees may use sick leave to:

- Care for children who are not necessarily sick, but who require parental supervision due to school or childcare cancellation.
- Care for an immediate family member who is sick with COVID-19. Immediate family member is as defined in existing policy.
- The employee or immediate family member is ordered to isolate or quarantine by Public Health Officials or a treating physician.
- Other terms and conditions apply, reference COVID-19 Emergency Policy No. 1 or contact HR.

Sick Leave Borrow Program

- **Use**: When an employee has COVID-19; to care for children who are not necessarily sick, but who require parental supervision due to school or child care cancellation; care for an immediate family member who is sick with COVID-19; or the employee or immediate family member is ordered to isolate or quarantine by Public Health Officials or a treating physician.
- **Eligibility**: Full time employees that have insufficient time accrued to cover their need for leave related to COVID-19.
- **Limit:** Up to 40 hours.
- **Repayment:** Employees shall repay the borrowed hours through either future accruals or unpaid furlough days spread over up to 5 months' time.
- **How to Apply**: Employee completes the Agreement for Repayment of Borrowed Sick Leave Time form and returns it to HR.
- Other terms and conditions apply, reference COVID-19 Emergency Policy No. 1 or contact HR.

COVID Administrative Leave

- **Use:** When an employee is able and available to work, but the City requests they not report to their scheduled shift. When an employee is excluded from the workplace due to a job-related exposure to COVID-19. When an employee is absent from work for vaccination or vaccine-related recovery.
- **Eligibility:** COVID Administrative Leave must be approved by the Department Director.

Emergency Vacation Leave Cash-Out

- **Eligibility**: Employees that are able to maintain 120 hours of vacation time after cash out.
- **Limit**: Employees may cash out up to 40 hours of vacation one time during the local emergency.
- **How to Apply**: Employee completes the Request for COVID-19 Emergency Leave Cash Out form and returns it to HR.
- Other terms and conditions may apply, reference COVID-19 Emergency Policy No. 1 or contact HR.
- Please note, this benefit does not keep an employee in a paid status; it is an option to assist with unexpected expenses related to COVID situations.

Workers' Compensation

- **Eligibility:** When COVID-19 is contracted in the performance of work duties (does not apply when an employee is working from home). An investigation will be conducted to determine where COVID-19 was likely contracted.
- **Limits:** Temporary Total Disability (TTD) or 4850 benefits (if eligible) are paid if the employee is actually experiencing a COVID-19 related-illness. Positive test result is required.
- **How to File:** Complete DWC-1 and return to supervisor.

All other terms and conditions of personnel policies and MOU provisions shall remain in effect.

The City of MADERA

Updated: 10/22/21

FORM G: WORKPLACE EXPOSURE NOTICE TO EMPLOYER OF SUBCONTRACTED EMPLOYEES

To:
From: **City of Madera (City)**
Date:
Re: **NOTICE OF EMPLOYEE'S POTENTIAL WORKPLACE EXPOSURE TO VIRUS THAT CAUSES COVID-19 - LABOR CODE SECTION 6409.6**

Under Labor Code section 6409.6, the City has an obligation to notify you that your employees may have been exposed to the virus that causes COVID-19. On **[Insert Date],** your employees and an individual with COVID-19 were present at a City worksite/facility. This notice serves to inform you that your employees may have been exposed to the virus that causes COVID-19 as a result of their presence at the **[name & address of worksite/facility]** on that date.

At this time, the City is working to determine the nature and circumstances of the COVID-19 positive individual's activities at the worksite/facility, and whether the individual had any close contact interactions[1] with individuals at the worksite/facility. If we determine that your employees may have had "close contact" exposure, the City will notify you so that you may direct your employees to self-isolate or quarantine pursuant to applicable public health guidance from the CDC, CDPH, and/or local public health orders. In support of the City's efforts, you are asked to investigate and determine if any employees were or may have been present at the identified City worksite/facility on the identified date(s) for purposes of evaluating whether any of your employees had close contact with a qualifying individual.

Direction Not to Return to Work Under Certain Circumstances

As part of the City's obligation to maintain a healthy and safe working environment under Cal-OSHA, the City is directing your employees not report to any City premises for work if any of the following are applicable:

1. They have tested positive for COVID-19;
2. They are currently presenting one or more symptoms associated with COVID-19 as identified by the Centers for Disease Control and Prevention ("CDC") (See full list of symptoms that the CDC associates with COVID-19 here: (https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html); or

[1] *"Close contact" exposure means: (1) contact within 6 feet; (2) for a cumulative total of 15 or more minutes over a 24-hour period; (3) with someone who has a laboratory confirmed case and is in the "infectious period" of the having disease. The "infectious period" begins the two (2) days before either: (1) the individual first presented symptoms associated with COVID-19, for symptomatic individuals; or (2) the test that resulted in the positive diagnosis, for asymptomatic individuals. The "infectious period" concludes when the Centers for Disease Control and Preventions ("CDC") guidance provides for the discontinuation of the isolation period (See CDC guidance on discontinuing home isolation for persons with COVID-19 not in healthcare settings here: https://www.cdc.gov/coronavirus/2019-ncov/your-health/quarantine-isolation.html)*

3. They are aware that they have had close contact exposure to someone with a laboratory confirmed case of COVID-19. (See CDC guidance on discontinuing home isolation for persons with COVID-19 not in healthcare settings here: https://www.cdc.gov/coronavirus/2019-ncov/your-health/quarantine-isolation.html)

If any of the above currently apply to your employees, please direct them to remain at their home or place of residence and not report to work. Furthermore, please provide notice to the City as soon as possible if your employees are unable to report to work because of one of the above enumerated circumstances.

The City's Plan for Cleaning and Disinfecting the Workplace

As the City continues to investigate the specific locations where the COVID-19 positive individual was present, the City will begin to implement a cleaning and disinfection plan adopted pursuant to guidance from the CDC.

As part of this plan, the City will undertake the following measures in order to ensure that the workplace is healthy and safe for City employees:

- Closing off all areas used by the COVID-19 positive individual during the high-risk exposure period;
- Waiting 24 hours before cleaning or disinfecting affected areas to protect those performing cleaning and disinfecting;
- Opening outside doors and windows where applicable to increase air circulation in the areas used by the COVID-19 positive individual;
- Cleaning and disinfecting all areas used by the COVID-19 positive individual, such as offices, bathrooms, and common areas, with disinfectants approved by the CDC and the Environmental Protection Agency ("EPA").

The City will also continue to enforce its COVID-19 screening protocols in compliance with health department orders to satisfy its duty to provide a healthy and safe work environment for employees.

CITY OF MADERA COVID-19 Emergency Policy	Policy No. 4
	Date Adopted: 2/11/2021
	Date(s) Revised: 9/10/2021; 1/13/2022
SUBJECT: COVID-19 VACCINE INCENTIVE PAY	

I. PURPOSE:

The purpose of the City of Madera's (City) COVID-19 Vaccine Incentive Pay Policy is to support a healthy and safe workplace by encouraging vaccination against COVID-19.

II. SCOPE:

This policy applies to all active full time and part time employees of the City of Madera during the applicable term of this policy.

III. TERM:

This policy will be effective upon issuance by the City Manager as of the date noted above ("Date Adopted") and will remain in effect through March 31, 2022.

IV. INCENTIVE PAY PROGRAM:

All employees who receive the recommended dosage of COVID-19 vaccine will receive a one-time payment of $200. Depending on vaccine manufacturer, this may be a two-dose vaccine or single dose vaccine; employees must complete the recommended dosage to receive the vaccine incentive pay. Such payment is subject to applicable taxes and deductions. The COVID-19 vaccine incentive pay does not meet the definition of compensation earnable and it will not be reportable as special compensation to CalPERS.

V. PROCESS FOR REQUESTING INCENTIVE PAY:

Employees must submit the Incentive Pay Request Form (Attachment A) along with proof of vaccination to the Human Resources Department in order to receive the pay incentive. Such proof of vaccination must document the date the vaccination dosages were received, the vaccine manufacturer, and the provider that administered the vaccine. Only vaccines approved by the United States Food and Drug Administration for use and administered by a source authorized to administer the vaccine by State or Federal authorities will be considered for incentive pay. After receipt of proper documentation, incentive pay will be paid in the next regular pay cycle for which time sheets have not yet been submitted. No incentive will be paid without a completed Incentive Pay Request Form, nor for failure to submit an Incentive Pay Request Form prior to the termination of the policy per Section III. Only employees following these requirements are eligible to receive Incentive Pay. Failure to follow these requirements will be considered a declination of the Incentive Pay.

REPORT TO CITY COUNCIL

Keith Helmuth, Department Director

Arnoldo Rodriguez, City Manager

Council Meeting of: February 2, 2022

Agenda Number: B-4

SUBJECT:

Bid Package 1 – Water Main Replacement at Dunham Avenue and Lewis Street, City Project No. W-40

RECOMMENDATION:

Adopt a Minute Order Approving:

1. Acceptance of Bid Package 1 – Water Main Replacement at Dunham Avenue and Lewis Street, City Project No. W-40 ("Project")
2. The Recording of Notice of Completion.
3. The release of retention 35 days after recording of the Notice of Completion

SUMMARY:

The City Council (Council), at its September 2, 2021 meeting, awarded a contract to Rolfe Construction, Inc. for the Project in the amount of $313,839.00. The Contractor has completed the project in accordance with the plans and specifications and as modified by approved change orders.

BACKGROUND:

A final project inspection was conducted by the Engineering Department. Public Works Department staff also participated in the final inspection of the project. All parties agree that the project can be recommended for acceptance by the Council and a "Notice of Completion" recorded. The Notice of Completion is provided in Attachment 1. The work in general consisted of replacement of the existing 6-inch water main with a new 8-inch water main, gate valves, fire hydrants, and trench resurfacing on the streets of Dunham Avenue and Lewis Street. A map of said improvements is provided in Attachment 2.

Three Change Orders were processed. The change orders consisted of additional work needed due to unknown existing conditions and final balancing change orders involving additives or deductive items based on the total work performed verses the total quantity included in the bid item.

The final progress payment, less the retention amount of five percent, has been processed. See Table 1 for a summary of contract costs.

Table 1: *Project Summary*		
Original Contract Amount	*Total Change Orders*	*Total Construction Contract Cost*
$313,839.00	$22,974.82	$336,813.82

The total cost of the Change Orders increased the cost of the project approximately 7.3 percent, wherein a contingency of up to 15 percent of the original contract amount was included. The construction project was completed within the adjusted contract time and available budget.

FINANCIAL IMPACT:

There is no fiscal impact to the City's General Fund. Funds for the project were programmed in the FY 2021/22 Capital Projects Budget using Water Enterprise Funds.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

Strategy 101.6: Ensure infrastructure can sustain population growth in the development of the General Plan.

ALTERNATIVES:

As an alternative, the Council may elect to reject the Notice of Completion of the Project. Rejection of the Notice of Completion will result in staff's inability to release retention funds and to close the Project.

REPORT TO CITY COUNCIL

Approved by:

Arnoldo Rodriguez, City Manager

Council Meeting of: February 2, 2022

Agenda Number: B-5

SUBJECT:

Second Reading and Adoption of an Ordinance for Organic Waste Disposal Reduction, Recycling, and Solid Waste Collection Per Senate Bill (SB) 1383

RECOMMENDATION:

Waive the full reading and adopt an Ordinance Amending Title V "Sanitation and Health" of the Madera Municipal Code by Adding New Chapter 3A Relating to Organic Waste Disposal Reduction, Recycling, and Solid Waste Collection and confirming a CEQA Categorical Exemption,

SUMMARY:

During the December 15, 2021 meeting, staff presented the draft ordinance consistent with SB 1383. SB 1383 provides a complex array of mandatory requirements for cities requiring all residential and commercial premises to comply with a rigorous organic waste recycling program. The requirements are embodied in statewide regulations. The proposed ordinance complies with the SB 1383 requirements. Additional requirements will be met with an amendment to the Mid Valley Disposal Franchise Agreement at a future meeting. Failure to comply subjects the City to penalties which will be enforced by CalRecycle.

BACKGROUND:

SB 1383, the Short-Lived Climate Pollutant Reduction Act of 2016, directs CalRecycle to develop regulations to divert 75% of organic waste from landfills and recover 20% of edible food for human consumption statewide by 2025. Although the law passed in 2016, the regulations were not approved until November 2020, giving jurisdictions only about one year to prepare for compliance with a significant and complex set of new requirements. A foundational requirement in the SB 1383 regulations is that jurisdictions must adopt an ordinance that incorporates the SB 1383 regulations by January 1, 2022.

The State regulations are set forth in Title 14, Division 7, Chapter 12 of the California Code of Regulations, entitled "Short-Lived Climate Pollutants." Because the regulations were developed

and adopted in response to California Senate Bill 1383, they are often referred to as the "SB 1383 Regulations."

A. The SB 1383 Regulations.

SB 1383 Regulations place several new requirements on cities, waste haulers, and producers of organic waste, both businesses and residents, including:

- Providing organic waste collection to all residents and businesses
- Establishing an edible food recovery program that recovers edible food from the waste stream
- Conducting outreach and education to all affected parties, including generators, haulers, facilities, edible food recovery organizations, and city/county departments.
- Capacity Planning (Evaluating our readiness to implement SB 1383)
- Producing recycled organic waste products like compost, mulch, and renewable natural gas (RNG)
- Inspecting and enforcing compliance with SB 1383
- Maintaining accurate and timely records of SB 1383 compliance

Most importantly, for the purposes of this report, the SB 1383 Regulations require cities to adopt an ordinance and/or other enforceable mechanisms to enforce the regulations. The proposed ordinance is the first step toward bringing the City into compliance with the SB 1383 Regulations.

B. The Proposed Ordinance

The City's current regulations regarding garbage are also intertwined with other Municipal Code items including those not directly related to the SB 1383 Regulations. Given this, the complexity of the proposed ordinance, and pending deadlines for SB 1383 compliance, staff felt it would be simplest to add a completely new chapter rather than attempt to blend the proposed ordinance with the current language in the Municipal Code. The proposed ordinance contains language specifying that it prevails in the event of a potential conflict between the new and existing language. Regardless, staff also anticipate a future update to the current ordinance to remove any outdated or potentially inconsistent material related to regulations of garbage and rubbish.

The proposed is primarily based on a model enforcement ordinance developed by CalRecycle but there has been significant customization. Its purpose is to incorporate SB 1383 requirements and serve as the enforcement mechanism that the law requires jurisdictions to have. The prescriptive nature of the SB 1383 Regulations leaves little flexibility in the content of the ordinance.

The proposed ordinance addresses the regulatory changes mandated by SB 1383 to reduce greenhouse gas emissions. Some of the most significant proposed by the Ordinance include:

1. The addition of several new definitions which reflect the increasingly technical and complicated nature of State law in this area.

2. Automatic enrollment of all businesses and residents in a waste collection service that provides for recycling of both non-organic recyclables (e.g., bottles, cans, plastics, and glass) and organic waste (e.g., food, green waste, wood, and paper products), unless the business or resident obtains a waiver. The only reasons the City will grant waivers will be (a) if a business does not have sufficient space on its property for an organic waste container, or (b) if a business produces no organic waste or a de minimis amount of organic waste.

3. Several new requirements for commercial edible food generators, including grocery stores, businesses that distribute food to grocery stores, wholesale food vendors, restaurants over a certain size, hotels and health facilities over a certain size that have food facilities, and certain event venues. These generators must make arrangements to recover as much edible food as possible that would otherwise be thrown away, including contracting with food recovery organizations, and keep records of such efforts.

4. A requirement for the City's franchised waste hauler to provide a solid waste collection service that will comply with the SB 1383 Regulations. This is accomplished through a 3-container system which the City already has.

5. A requirement for self-haulers (individuals and businesses that haul their own solid waste) to obtain a permit from the City, separate non-organic recyclables and organic waste from other solid waste, take their waste to a permitted waste processing facility, and (for businesses) keep records of the amount of organic waste delivered to the solid waste processing facility.

6. Requirements on businesses (including owners of multifamily dwellings) to educate their tenants and employees about the new organic waste recycling requirements and provide appropriate separate waste containers for organic waste.

7. Provisions delegating primary authority for implementation of this ordinance to the City Manager, and a recognition of the hauler's role to maintain compliance.

8. There are State-mandated penalties for violations, with residential penalties set at the minimum range. However, SB 1383 Regulations allow for the City to take an educational and non-punitive approach for the first two years (2022-2023).

C. Non-Compliance

While the City expects to gain compliance from residents and businesses, SB 1383 Regulations provide CalRecycle with the ability to engage in enforcement actions of its own against the City if the designated level of compliance is not met. These actions may include:

- Conducting more frequent inspections;

- Taking over direct enforcement on non-compliant businesses within the City;
- Establishing a schedule for City compliance and a probationary period, requiring a work plan and that the jurisdiction demonstrates it has sufficient staffing to implement the requirements of the law; and/or
- Seeking administrative penalties against the City of up to $10,000 per day.

D. Mid Valley Disposal Franchise Agreement and Increased Costs

Implementation of the proposed ordinance will require significant measures. In that regard, staff and City consultants have been working on a Proposition 218 Rate Study. However, as noted above, under the state regulations and the proposed ordinance, the City must commence implementation starting January 1. The City has had discussions with the City's solid waste hauler, Mid Valley Disposal (MVD). MVD has been preparing for SB 1383 compliance and is capable of ensuring that the City is able to meet the SB 1383 requirements as set forth in the proposed ordinance. It would be extremely difficult for the City to comply on its own. Significant monitoring and compliance are required. In order to have MVD perform the additional services required by SB 1383, MVD has advised the City of increased costs via an amendment of the City's agreement with MVD. In short, MVD has advised the City that the addition of SB 1383 services require increased rates for customers. We note that the steps Mid Valley has taken to implement the smart truck program will help reduce costs by providing much of the monitoring needed for enforcement of residential accounts.

Discussions have been held with MVD to determine their costs to provide the services required to implement the SB 1383 requirements. Mr. Kalapoff of MVD will make a brief presentation at this meeting to give the Council some background on the costs related to SB 1383 implementation.

E. Additional Actions for Implementation of SB 1383 Regulations

The City has not adopted the recycling requirements as part of the California Green Building Standards Code or water efficient landscaping requirements as required by the Model Water Efficiency Landscaping Ordinance (MWELO). The proposed ordinance only adds language regarding the green standards and MWELO as required by SB 1383. However, it is necessary for the City to adopt those ordinances as required by other state laws. A purchasing policy regarding recycled products, which is required by the SB 1383 Regulations, is also required and will be submitted to Council as soon as possible. In addition to the foregoing, the City will be required to purchase and utilize a portion of the mulch or compost created by recycling the organics materials.

ENVIRONMENTAL REVIEW

City staff has evaluated the proposed ordinance to determine whether it will have a significant effect on the environment. Staff has determined that the proposed ordinance is exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section

15061(b)(3) on grounds that it can be seen with the proposed ordinance will not have a significant, adverse effect on the environment and merely implements requirements already mandated by State Law. Further, the proposed ordinance is also subject to a Categorical Exemption per CEQA Guidelines Section 15308, as it consists of actions taken by the City as a regulatory agency, as authorized and mandated by State law, to assure the protection of the environment through enhanced requirements for the handling of solid waste. Further, none of the exceptions under CEQA guidelines Section 150300.2 are applicable to the proposed Ordinance.

FINANCIAL IMPACT

The actual fiscal impact to the City as a result of the adoption of the proposed ordinance is uncertain at this time. As noted, discussions are being held with MVD. It is envisioned that MVD will be primarily responsible for monitoring many aspects of collection, inspection, and enforcement. However, the City will likely have administrative, record keeping, compliance review, and other costs associated with implementation of the proposed ordinance.

Staff will present more certain information at the next Council meeting. The forthcoming Franchise Agreement Amendment will allow the City to better determine its cost. The Council will be advised at that time.

ALTERNATIVES:

Failure to adopt the proposed ordinance subjects the City to serious monetary penalties.

5.3A.01 Title of Ordinance.

This chapter shall be entitled "Organic Waste Disposal Reduction, Recycling and Solid Waste Collection." References herein to "ordinance" shall refer to this chapter.

5.3A.02 Purpose and Findings.

The City finds and declares:

A. State recycling law, Assembly Bill 939 of 1989, the California Integrated Waste Management Act of 1989 (California Public Resources Code Section 40000, *et seq*.,

as amended, supplemented, superseded, and replaced from time to time), requires cities and counties to reduce, reuse, and recycle (including composting) Solid Waste generated in their cities to the maximum extent feasible before any incineration or landfill disposal of waste, to conserve water, energy, and other natural resources, and to protect the environment.

B. State recycling law, Assembly Bill 341 of 2011 (approved by the Governor of the State of California on October 5, 2011, which amended Sections 41730, 41731, 41734, 41735, 41736, 41800, 42926, 44004, and 50001 of, and added Sections 40004, 41734.5, and 41780.01 and Chapter 12.8 (commencing with Section 42649) to Part 3 of Division 30 of, and added and repealed Section 41780.02 of, the Public Resources Code, as amended, supplemented, superseded and replaced from time to time), places requirements on businesses and Multi-Family property owners that generate a specified threshold amount of Solid Waste to arrange for recycling services and requires cities to implement a Mandatory Commercial Recycling program.

C. State organics recycling law, Assembly Bill 1826 of 2014 (approved by the Governor of the State of California on September 28, 2014, which added Chapter 12.9 (commencing with Section 42649.8) to Part 3 of Division 30 of the Public Resources Code, relating to Solid Waste, as amended, supplemented, superseded, and replaced from time to time), requires businesses and Multi-Family property owners that generate a specified threshold amount of Solid Waste, Recycling, and Organic Waste per week to arrange for recycling services for that waste, requires cities to implement a recycling program to divert Organic Waste from businesses subject to the law, and requires cities to implement a Mandatory Commercial Organics Recycling program.

D. SB 1383, the Short-lived Climate Pollutant Reduction Act of 2016, requires CalRecycle to develop regulations to reduce organics in landfills as a source of methane. The regulations place requirements on multiple entities including cities, residential households, Commercial Businesses and business owners, Commercial Edible Food Generators, haulers, Self-Haulers, Food Recovery Organizations, and Food Recovery Services to support achievement of Statewide Organic Waste disposal reduction targets.

E. SB 1383, the Short-lived Climate Pollutant Reduction Act of 2016, requires cities to adopt and enforce an ordinance or enforceable mechanism to implement relevant provisions of SB 1383 Regulations. This ordinance will also help reduce food insecurity by requiring Commercial Edible Food Generators to arrange to have the maximum amount of their Edible Food, that would otherwise be disposed, be recovered for human consumption.

5.3A.03 Definitions.

"Blue Container" has the same meaning as in 14 CCR Section 18982.2(a)(5) and shall be used for the purpose of storage and collection of Source Separated Recyclable Materials.

“CalRecycle” means California's Department of Resources Recycling and Recovery, which is the Department designated with responsibility for developing, implementing, and enforcing SB 1383 Regulations.

“California Code of Regulations” or “CCR” means the State of California Code of Regulations. CCR references in this ordinance are preceded with a number that refers to the relevant Title of the CCR (e.g., “14 CCR” refers to Title 14 of CCR).

“City” means the City of Madera, California, within its jurisdictional boundaries.

“City Enforcement Official” means the city manager or authorized Designee(s) who is/are partially or wholly responsible for enforcing this ordinance.

“Commercial Business” or “Commercial” means a firm, partnership, proprietorship, joint-stock company, corporation, or association, whether for-profit or nonprofit, strip mall, industrial facility, or a multifamily residential dwelling, or as otherwise defined in 14 CCR Section 18982(a)(6). A Multi-Family Residential Dwelling that consists of fewer than five (5) units is not a Commercial Business for purposes of implementing this ordinance.

“Commercial Edible Food Generator” includes a Tier One or a Tier Two Commercial Edible Food Generator as defined hereinbelow of this Section 5.3A.03 or as otherwise defined in 14 CCR Section 18982(a)(73) and (a)(74). For the purposes of this definition, Food Recovery Organizations and Food Recovery Services are not Commercial Edible Food Generators pursuant to 14 CCR Section 18982(a)(7).

“Compliance Review” means a review of records by a City to determine compliance with this ordinance.

“Community Composting” means any activity that composts green material, agricultural material, food material, and vegetative food material, alone or in combination, and the total amount of feedstock and Compost on-site at any one time does not exceed 50 cubic yards and 750 square feet, as specified in 14 CCR Section 17855(a)(4); or, as otherwise defined by 14 CCR Section 18982(a)(8). Additionally, such activity may only be undertaken in accordance with the City’s Zoning Ordinance.

“Compost” has the same meaning as in 14 CCR Section 17896.2(a)(4), which stated, as of the effective date of this ordinance, that “Compost” means the product resulting from the controlled biological decomposition of organic Solid Wastes that are Source Separated from the municipal Solid Waste stream, or which are separated at a centralized facility.

Contamination” or “Contaminated Container” means a container, regardless of color, that contains Prohibited Container Contaminants, or as otherwise defined in 14 CCR Section 18982(a)(55).

“C&D” means construction and demolition debris.

"Designee" means an entity that a City contracts with or otherwise arranges to carry out any of the City's responsibilities of this ordinance as authorized in 14 CCR Section 18981.2. A Designee may be a government entity, a hauler, a private entity, or a combination of those entities.

"Edible Food" means food intended for human consumption, or as otherwise defined in 14 CCR Section 18982(a)(18). For the purposes of this ordinance or as otherwise defined in 14 CCR Section 18982(a)(18), "Edible Food" is not Solid Waste if it is recovered and not discarded. Nothing in this ordinance or in 14 CCR, Division 7, Chapter 12 requires or authorizes the Recovery of Edible Food that does not meet the food safety requirements of the California Retail Food Code.

"Enforcement Action" means an action of the City to address non-compliance with this ordinance including, but not limited to, issuing administrative citations, fines, penalties, or using other remedies.

"Excluded Waste" means hazardous substance, hazardous waste, infectious waste, designated waste, volatile, corrosive, medical waste, infectious, regulated radioactive waste, and toxic substances or material that facility operator(s), which receive materials from the City and its generators, reasonably believe(s) would, as a result of or upon acceptance, transfer, processing, or disposal, be a violation of local, State, or Federal law, regulation, or ordinance, including, without limitation: land use restrictions or conditions, waste that cannot be disposed of in Class III landfills or accepted at the facility by permit conditions, waste that in City's or its Designee's reasonable opinion would present a significant risk to human health or the environment, cause a nuisance or otherwise create or expose City, or its Designee, to potential liability; but not including de minimis volumes or concentrations of waste of a type and amount normally found in Single-Family or Multi-Family Solid Waste after implementation of programs for the safe collection, processing, recycling, treatment, and disposal of batteries and paint in compliance with Sections 41500 and 41802 of the California Public Resources Code. Excluded Waste does not include used motor oil and filters, household batteries, universal wastes, and/or latex paint when such materials are defined as allowable materials for collection through the City's collection programs and the generator or customer has properly placed the materials for collection pursuant to instructions provided by the City or its Designee for collection services.

"Food Distributor" means a company that distributes food to entities including, but not limited to, Supermarkets and Grocery Stores, or as otherwise defined in 14 CCR Section 18982(a)(22).

"Food Facility" has the same meaning as in Section 113789 of the Health and Safety Code.

"Food Recovery" means actions to collect and distribute food for human consumption that otherwise would be disposed, or as otherwise defined in 14 CCR Section 18982(a)(24).

"Food Recovery Organization" means an entity that engages in the collection or receipt of Edible Food from Commercial Edible Food Generators and distributes that Edible Food to the public for Food Recovery either directly or through other entities or as otherwise defined in 14 CCR Section 18982(a)(25), including, but not limited to:

1. A food bank as defined in Section 113783 of the Health and Safety Code;

2. A nonprofit charitable temporary food facility as defined in Section 113842 of the Health and Safety Code.

3. A Food Recovery Organization is not a Commercial Edible Food Generator for the purposes of this ordinance and implementation of 14 CCR, Division 7, Chapter 12 pursuant to 14 CCR Section 18982(a)(7).

   If the definition in 14 CCR Section 18982(a)(25) for Food Recovery Organization differs from this definition, the definition in 14 CCR Section 18982(a)(25) shall apply to this ordinance.

"Food Recovery Service" means a person or entity that collects and transports Edible Food from a Commercial Edible Food Generator to a Food Recovery Organization or other entities for Food Recovery, or as otherwise defined in 14 CCR Section 18982(a)(26). A Food Recovery Service is not a Commercial Edible Food Generator for the purposes of this ordinance and implementation of 14 CCR, Division 7, Chapter 12 pursuant to 14 CCR Section 18982(a)(7).

"Food Scraps" means all food such as, but not limited to, fruits, vegetables, meat, poultry, seafood, shellfish, rice, beans, pasta, bread, cheese, and eggshells. Food Scraps excludes fats, oils, and grease when such materials are Source Separated from other Food Scraps.

"Food Service Provider" means an entity primarily engaged in providing food services to institutional, governmental, Commercial, or industrial locations of others based on contractual arrangements with these types of organizations, or as otherwise defined in 14 CCR Section 18982(a)(27).

"Food-Soiled Paper" is compostable paper material that has come in contact with food or liquid, such as, but not limited to, compostable paper plates, paper coffee cups, napkins, and pizza boxes.

"Food Waste" means Food Scraps, and Food-Soiled Paper.

"Gray Container" has the same meaning as in 14 CCR Section 18982(a)(28) and shall be used for the purpose of storage and collection of Gray Container Waste. Per the definition provided in 14 CCR Section 18982(a)(28), the Gray Container may be black, or the body and/or lid of the container may be black or gray.

"Gray Container Waste" means Solid Waste that is collected in a Gray Container that is part of a three-container Organic Waste collection service that prohibits the placement of Organic Waste in the Gray Container as specified in 14 CCR Sections 18984.1(a) and (b), or as otherwise defined in 14 CCR Section 17402(a)(6.5).

"Green Container" has the same meaning as in 14 CCR Section 18982.2(a)(29) and shall be used for the purpose of storage and collection of Source Separated Green Container Organic Waste.

"Grocery Store" means a store primarily engaged in the retail sale of canned food; dry goods; fresh fruits and vegetables; fresh meats, fish, and poultry; and any area that is not separately owned within the store where the food is prepared and served, including, without limitation, a

bakery, deli, and meat and seafood departments, or as otherwise defined in 14 CCR Section 18982(a)(30).

"Hauler Route" means the designated itinerary or sequence of stops for each segment of the City's collection service area, or as otherwise defined in 14 CCR Section 18982(a)(31.5).

"Inspection" means a site visit where a City reviews records, containers, and an entity's collection, handling, recycling, or landfill disposal of Organic Waste or Edible Food handling to determine if the entity is complying with requirements set forth in this ordinance, or as otherwise defined in 14 CCR Section 18982(a)(35).

"Large Event" means an event, including, but not limited to, a sporting event or a flea market, that charges an admission price, or is operated by a local agency, and serves an average of more than 2,000 individuals per day of operation of the event, at a location that includes, but is not limited to, a public, nonprofit, or privately owned park, parking lot, golf course, street system, or other open space when being used for an event. If the definition in 14 CCR Section 18982(a)(38) differs from this definition, the definition in 14 CCR Section 18982(a)(38) shall apply to this ordinance.

"Large Venue" means a permanent venue facility that annually seats or serves an average of more than 2,000 individuals within the grounds of the facility per day of operation of the venue facility. For purposes of this ordinance and implementation of 14 CCR, Division 7, Chapter 12, a venue facility includes, but is not limited to, a public, nonprofit, or privately owned or operated stadium, amphitheater, arena, hall, amusement park, conference or civic center, zoo, aquarium, airport, racetrack, horse track, performing arts center, fairground, museum, theater, or other public attraction facility. For purposes of this ordinance and implementation of 14 CCR, Division 7, Chapter 12, a site under common ownership or control that includes more than one Large Venue that is contiguous with other Large Venues in the site, is a single Large Venue. If the definition in 14 CCR Section 18982(a)(39) differs from this definition, the definition in 14 CCR Section 18982(a)(39) shall apply to this ordinance.

"Local Education Agency" means a school district, charter school, or county office of education that is not subject to the control of city or county regulations related to Solid Waste, or as otherwise defined in 14 CCR Section 18982(a)(40).

"Multi-Family Residential Dwelling" or "Multi-Family" means of, from, or pertaining to residential premises with five (5) or more dwelling units. Multi-Family premises do not include hotels, motels, or other transient occupancy facilities, which are considered Commercial Businesses.

"Non-Compostable Paper" includes but is not limited to paper that is coated in a plastic material that will not breakdown in the composting process, or as otherwise defined in 14 CCR Section 18982(a)(41).

"Non-Local Entity" means the following entities that are not subject to the City's enforcement authority, or as otherwise defined in 14 CCR Section 18982(a)(42):

1. Special district(s) located within the boundaries of the City .

2. Federal facilities, including, without limitation, military installations, located within the boundaries of the City.

3. Prison(s) located within the boundaries of the City, excepting that private prisons are considered Commercial Businesses and do not fall within this definition.

4. Facilities operated by the State park system located within the boundaries of the City.

5. Public universities (including community colleges) located within the boundaries of the City.

6. County fairgrounds located within the boundaries of the City.

7. State agencies located within the boundaries of the City.

"Non-Organic Recyclables" means non-putrescible and non-hazardous recyclable wastes including but not limited to bottles, cans, metals, plastics and glass, or as otherwise defined in 14 CCR Section 18982(a)(43).

"Notice of Violation (NOV)" means a notice that a violation has occurred that includes a compliance date to avoid an action to seek penalties, or as otherwise defined in 14 CCR Section 18982(a)(45) or further explained in 14 CCR Section 18995.4.

"Organic Waste" means Solid Wastes containing material originated from living organisms and their metabolic waste products, including but not limited to food, green material, landscape and pruning waste, lumber, wood, Paper Products, Printing and Writing Paper, manure, biosolids, digestate, and sludges or as otherwise defined in 14 CCR Section 18982(a)(46). Biosolids and digestate are as defined by 14 CCR Section 18982(a).

"Organic Waste Generator" or "Generator" means a person or entity that is responsible for the initial creation of Organic Waste, or as otherwise defined in 14 CCR Section 18982(a)(48).

"Paper Products" include, but are not limited to, paper janitorial supplies, cartons, wrapping, packaging, file folders, hanging files, corrugated boxes, tissue, and toweling, or as otherwise defined in 14 CCR Section 18982(a)(51).

"Printing and Writing Papers" include, but are not limited to, copy, xerographic, watermark, cotton fiber, offset, forms, computer printout paper, white wove envelopes, manila envelopes, book paper, note pads, writing tablets, newsprint, and other uncoated writing papers, posters, index cards, calendars, brochures, reports, magazines, and publications, or as otherwise defined in 14 CCR Section 18982(a)(54).

"Prohibited Container Contaminants" means the following: (i) discarded materials placed in the Blue Container that are not identified as acceptable Source Separated Recyclable Materials for the City's Blue Container; (ii) discarded materials placed in the Green Container that are not identified as acceptable Source Separated Green Container Organic Waste for the City's Green

Container; (iii) discarded materials placed in the Gray Container that are acceptable Source Separated Recyclable Materials and/or Source Separated Green Container Organic Wastes to be placed in City's Green Container and/or Blue Container; and, (iv) Excluded Waste placed in any container.

"Recovered Organic Waste Products" means products made from California, landfill-diverted recovered Organic Waste processed in a permitted or otherwise authorized facility, or as otherwise defined in 14 CCR Section 18982(a)(60).

"Recovery" means any activity or process described in 14 CCR Section 18983.1(b), or as otherwise defined in 14 CCR Section 18982(a)(49).

"Recycled-Content Paper" means Paper Products and Printing and Writing Paper that consists of at least 30 percent, by fiber weight, postconsumer fiber, or as otherwise defined in 14 CCR Section 18982(a)(61).

"Regional Agency" means regional agency as defined in Public Resources Code Section 40181.

"Remote Monitoring" means the implementation and use of the internet of things (IoT) and/or wireless electronic devices to visualize the contents of Blue Containers, Green Containers, and Gray Containers for purposes of identifying the quantity of materials in containers (level of fill) and/or presence of Prohibited Container Contaminants.

"Renewable Gas" means gas derived from Organic Waste that has been diverted from a California landfill and processed at an in-vessel digestion facility that is permitted or otherwise authorized by 14 CCR to recycle Organic Waste, or as otherwise defined in 14 CCR Section 18982(a)(62).

"Restaurant" means an establishment primarily engaged in the retail sale of food and drinks for on-premises or immediate consumption, or as otherwise defined in 14 CCR Section 18982(a)(64).

"Route Review" means a visual Inspection of containers along a Hauler Route for the purpose of determining Container Contamination and may include mechanical Inspection methods such as the use of cameras, or as otherwise defined in 14 CCR Section 18982(a)(65).

"SB 1383" means Senate Bill 1383 of 2016 approved by the Governor on September 19, 2016, which added Sections 39730.5, 39730.6, 39730.7, and 39730.8 to the Health and Safety Code, and added Chapter 13.1 (commencing with Section 42652) to Part 3 of Division 30 of the Public Resources Code, establishing methane emissions reduction targets in a Statewide effort to reduce emissions of short-lived climate pollutants as amended, supplemented, superseded, and replaced from time to time.

"SB 1383 Regulations" or "SB 1383 Regulatory" means or refers to, for the purposes of this ordinance, the Short-Lived Climate Pollutants: Organic Waste Reduction regulations developed by CalRecycle and adopted in 2020 that created 14 CCR, Division 7, Chapter 12 and amended portions of regulations of 14 CCR and 27 CCR.

"Self-Hauler" means a person, who hauls Solid Waste, Organic Waste or recyclable material he or she has generated to another person. Self-hauler also includes a person who back-hauls

waste, or as otherwise defined in 14 CCR Section 18982(a)(66). Back-haul means generating and transporting Organic Waste to a destination owned and operated by the Generator using the Generator's own employees and equipment, or as otherwise defined in 14 CCR Section 18982(a)(66)(A).

"Single-Family" means of, from, or pertaining to any residential premises with fewer than five (5) units.

"Solid Waste" has the same meaning as defined in State Public Resources Code Section 40191, which defines Solid Waste as all putrescible and non-putrescible solid, semisolid, and liquid wastes, including garbage, trash, refuse, paper, rubbish, ashes, industrial wastes, demolition and construction wastes, abandoned vehicles and parts thereof, discarded home and industrial appliances, dewatered, treated, or chemically fixed sewage sludge which is not hazardous waste, manure, vegetable or animal solid and semi-solid wastes, and other discarded solid and semisolid wastes, with the exception that Solid Waste does not include any of the following wastes:

1. Hazardous waste, as defined in the State Public Resources Code Section 40141.

2. Radioactive waste regulated pursuant to the State Radiation Control Law (Chapter 8 (commencing with Section 114960) of Part 9 of Division 104 of the State Health and Safety Code).

3. Medical waste regulated pursuant to the State Medical Waste Management Act (Part 14 (commencing with Section 117600) of Division 104 of the State Health and Safety Code). Untreated medical waste shall not be disposed of in a Solid Waste landfill, as defined in State Public Resources Code Section 40195.1. Medical waste that has been treated and deemed to be Solid Waste shall be regulated pursuant to Division 30 of the State Public Resources Code.

"Source Separated" means materials, including commingled recyclable materials, that have been separated or kept separate from the Solid Waste stream, at the point of generation, for the purpose of additional sorting or processing those materials for recycling or reuse in order to return them to the economic mainstream in the form of raw material for new, reused, or reconstituted products, which meet the quality standards necessary to be used in the marketplace, or as otherwise defined in 14 CCR Section 17402.5(b)(4). For the purposes of this ordinance, Source Separated shall include separation of materials by the generator, property owner, property owner's employee, property manager, or property manager's employee into different containers for the purpose of collection such that Source Separated materials are separated from Gray Container Waste or other Solid Waste/Mixed Waste for the purposes of collection and processing.

"Source Separated Green Container Organic Waste" means Source Separated Organic Waste that can be placed in a Green Container that is specifically intended for the separate collection of Organic Waste by the Generator, excluding Source Separated Blue Container Organic Waste; Non-Compostable Paper; Paper Products; Printing and Writing Paper; and any other Organic Waste that an Organics Waste Facility may reject to maintain any organics-related composting

certifications including but not limited to organic carpets and textiles, contaminated wood or lumber, manure, digestate, biosolids, and sludges.

"Source Separated Recyclable Materials" means Source Separated Non-Organic Recyclables and Source Separated Blue Container Organic Waste.

"State" means the State of California.

"Supermarket" means a full-line, self-service retail store with gross annual sales of two million dollars ($2,000,000), or more, and which sells a line of dry grocery, canned goods, or nonfood items and some perishable items, or as otherwise defined in 14 CCR Section 18982(a)(71).

"Tier One Commercial Edible Food Generator" means a Commercial Edible Food Generator that is one of the following:

1. Supermarket.

2. Grocery Store with a total facility size equal to or greater than 10,000 square feet.

3. Food Service Provider.

4. Food Distributor.

5. Wholesale Food Vendor.

If the definition in 14 CCR Section 18982(a)(73) of Tier One Commercial Edible Food Generator differs from this definition, the definition in 14 CCR Section 18982(a)(73) shall apply to this ordinance.

"Tier Two Commercial Edible Food Generator" means a Commercial Edible Food Generator that is one of the following:

1. Restaurant with 250 or more seats, or a total facility size equal to or greater than 5,000 square feet.

2. Hotel with an on-site Food Facility and 200 or more rooms.

3. Health facility with an on-site Food Facility and 100 or more beds.

4. Large Venue.

5. Large Event.

6. A State agency with a cafeteria with 250 or more seats or total cafeteria facility size equal to or greater than 5,000 square feet.

7. A Local Education Agency facility with an on-site Food Facility.

If the definition in 14 CCR Section 18982(a)(74) of Tier Two Commercial Edible Food Generator differs from this definition, the definition in 14 CCR Section 18982(a)(74) shall apply to this ordinance.

"Wholesale Food Vendor" means a business or establishment engaged in the merchant wholesale distribution of food, where food (including fruits and vegetables) is received, shipped, stored, prepared for distribution to a retailer, warehouse, distributor, or other destination, or as otherwise defined in 14 CCR Section 189852(a)(76).

5.3A.04 Requirements for single-family generators.

Organic Waste Generators shall subscribe to a three container collection service which includes a Blue Container, Green Container and Gray container, and shall comply with the following requirements:

A. Shall subscribe to City's Organic Waste collection services for all Organic Waste generated as described in Section 5.3A.04(B). City or its Designee shall have the right to review the number and size of a Generator's containers to evaluate adequacy of capacity provided for each type of collection service for proper separation of materials and containment of materials; Single-Family Generators shall adjust its service level for its collection services as requested by the City or its Designee. Nothing is this Section prohibits an Organic Waste Generator from preventing or reducing waste generation, managing Organic Waste on site, or using a Community Composting site pursuant to 14 CCR Section 18984.9(c).

B. Shall participate in the City's Organic Waste collection service(s) by placing designated materials in designated containers as described below, and shall not place Prohibited Container Contaminants in collection containers.

1. Generator shall place Source Separated Green Container Organic Waste, including Food Waste, in the Green Container; Source Separated Recyclable Materials in the Blue Container; and Gray Container Waste in the Gray Container. Generators shall not place materials designated for the Gray Container into the Green Container or Blue Container.

C. Any materials self-hauled must be hauled to facilities permitted to accept Source Separated Green Container Organic Waste (including Food Waste), Source Separated Recyclable Materials, and Gray Container Waste. Nothing in this subsection shall relieve Self-Haulers that generate waste from subscribing to a three container collection service.

5.3A.05 Requirements for commercial businesses.

Generators that are Commercial Businesses, including Multi-Family Residential Dwellings, shall:

A. Subscribe to City's three-container collection services and comply with requirements of those services as described below in Section 5.3A.05 (B). City or its Designee shall have the right to review the number and size of a generator's

containers and frequency of collection to evaluate adequacy of capacity provided for each type of collection service for proper separation of materials and containment of materials; Commercial Businesses shall adjust their service level for their collection services as requested by the City or its Designee.

B. Participants in the City's Organic Waste collection service(s) shall place designated materials in designated containers as described below.

1. Generator shall place Source Separated Green Container Organic Waste, including Food Waste, in the Green Container; Source Separated Recyclable Materials in the Blue Container; and Gray Container Waste in the Gray Container. Generator shall not place materials designated for the Gray Container into the Green Container or Blue Container.

2. Supply and allow access to adequate number, size and location of collection containers with sufficient labels or colors (conforming with Sections 3(a) and 3(b) below) for employees, contractors, tenants, and customers, consistent with City's Blue Container, Green Container, and Gray Container collection service or if self-hauling, per the Commercial Businesses' instructions to support its compliance with its self-haul program, in accordance with Section 8.12.05.

3. Excluding Multi-Family Residential Dwellings, provide containers for the collection of Source Separated Green Container Organic Waste and Source Separated Recyclable Materials in all indoor and outdoor areas where disposal containers are provided for customers, for materials generated by that business. Such containers do not need to be provided in restrooms. If a Commercial Business does not generate any of the materials that would be collected in one type of container, then the business does not have to provide that particular container in all areas where disposal containers are provided for customers. Pursuant to 14 CCR Section 18984.9(b), the containers provided by the business shall have either:

a. A body or lid that conforms with the container colors provided through the collection service provided by City, with either lids conforming to the color requirements or bodies conforming to the color requirements or both lids and bodies conforming to color requirements. A Commercial Business is not required to replace functional containers, including containers purchased prior to January 1, 2022, that do not comply with the requirements of the subsection prior to the end of the useful life of those containers, or prior to January 1, 2036, whichever comes first.

b. Container labels that include language or graphic images, or both, indicating the primary material accepted and the primary materials prohibited in that container, or containers with imprinted text or graphic images that indicate the primary materials accepted and

primary materials prohibited in the container. Pursuant 14 CCR Section 18984.8, the container labeling requirements are required

4. Multi-Family Residential Dwellings are not required to comply with container placement requirements or labeling requirement in Section 3(b) pursuant to 14 CCR Section 18984.9(b).

5. To the extent practical through education, training, inspection, and/or other measures, excluding Multi-Family Residential Dwellings, prohibit employees from placing materials in a container not designated for those materials per the City's Blue Container, Green Container, and Gray Container collection service or, if a Self-Hauler, per the Commercial Businesses' instructions to support its compliance with its self-haul program, in accordance with Section 8.12.05.

6. Excluding Multi-Family Residential Dwellings, semi-annually inspect Blue Containers, Green Containers, and Gray Containers for contamination and inform employees if containers are contaminated and of the requirements to keep contaminants out of those containers pursuant to 14 CCR Section 18984.9(b)(3).

7. Annually provide information to employees, contractors, tenants, and customers about Organic Waste Recovery requirements and about proper sorting of Source Separated Green Container Organic Waste and Source Separated Recyclable Materials.

8. Provide education information before or within fourteen (14) days of occupation of the premises to new tenants that describes requirements to keep Source Separated Green Container Organic Waste and Source Separated Recyclable Materials separate from Gray Container Waste (when applicable) and the location of containers and the rules governing their use at each property.

9. Provide or arrange access for City or its Designee to their properties during all Inspections conducted in accordance with 5.3A.14 of this ordinance to confirm compliance with the requirements of this ordinance.

10. Accommodate and cooperate with City's Remote Monitoring program for Inspection of the contents of containers for Prohibited Container Contaminants, which may be implemented by City at a later date, to evaluate generator's compliance with Section 5.3A.05(B). The Remote Monitoring program shall involve installation of Remote Monitoring equipment on or in the Blue Containers, Green Containers, and Gray Containers.

11. At Commercial Business's option and subject to any approval required from the City, implement a Remote Monitoring program for Inspection of the contents of its Blue Containers, Green Containers, and Gray Containers

for the purpose of monitoring the contents of containers to determine appropriate levels of service and to identify Prohibited Container Contaminants. Generators may install Remote Monitoring devices on or in the Blue Containers, Green Containers, and Gray Containers subject to written notification to or approval by the City.

12. If a Commercial Business wants to self-haul, meet the Self-Hauler requirements in Section 8.12.05 of the Madera Municipal Code.

13. Nothing is this Section prohibits a generator from preventing or reducing waste generation, managing Organic Waste on site, or using a Community Composting site pursuant to 14 CCR Section 18984.9(c).

14. Commercial Businesses that are Tier One or Tier Two Commercial Edible Food Generators shall comply with Food Recovery requirements, pursuant to Section 5.3A.07.

5.3A.06 Waivers for generators.

A. De Minimis Waivers - City may waive a Commercial Business' obligation (including Multi-Family Residential Dwellings) to comply with some or all of the Organic Waste requirements of this ordinance if the Commercial Business provides documentation that the business generates below a certain amount of Organic Waste material as described in Section 5.3A.06(A)(2) below. Commercial Businesses requesting a de minimis waiver shall:

1. Submit an application specifying the services that they are requesting a waiver from and provide documentation as noted in Section 5.3A.06(A)(2) below.

2. Provide documentation that either:

   a. The Commercial Business' total Solid Waste collection service is two cubic yards or more per week and Organic Waste subject to collection in a Blue Container or Green Container comprises less than 20 gallons per week per applicable container of the business' total waste; or,

   b. The Commercial Business' total Solid Waste collection service is less than two cubic yards per week and Organic Waste subject to collection in a Blue Container or Green Container comprises less than 10 gallons per week per applicable container of the business' total waste.

3. Notify City if circumstances change such that Commercial Business's Organic Waste exceeds threshold required for waiver, in which case waiver will be rescinded.

4. Provide written verification of eligibility for de minimis waiver every 5 years if City has approved de minimis waiver.

B. Physical Space Waivers – The City may waive a Commercial Business' or property owner's obligations (including Multi-Family Residential Dwellings) to comply with some or all of the recyclable materials and/or Organic Waste collection service requirements if the City has evidence from its own staff, a hauler, licensed architect, or licensed engineer demonstrating that the premises lacks adequate space for the collection containers required for compliance with the Organic Waste collection requirements of Section 5.3A.05. A Commercial Business or property owner may request a physical space waiver through the following process:

1. Submit an Exemption Request form to the City's Public Works Department specifying the type(s) of collection services for which they are requesting a compliance waiver.

2. Provide documentation that the premises lack adequate space for Blue Containers and/or Green Containers including documentation from its hauler, licensed architect, or licensed engineer.

3. Provide written verification to the Public Works Department that it is still eligible for physical space waiver every five years if City has approved application for a physical space waiver.

5.3A.07 Requirements for commercial edible food generators.

A. Tier One Commercial Edible Food Generators must comply with the requirements of this Section commencing January 1, 2022, and Tier Two Commercial Edible Food Generators must comply commencing January 1, 2024, pursuant to 14 CCR Section 18991.3.

B. Large Venue or Large Event operators not providing food services, but allowing for food to be provided by others, shall require Food Facilities operating at the Large Venue or Large Event to comply with the requirements of this Section, commencing January 1, 2024.

C. Commercial Edible Food Generators shall comply with the following requirements:

1. Arrange to recover the maximum amount of Edible Food that would otherwise be disposed.

2. Contract with or enter into a written agreement with Food Recovery Organizations or Food Recovery Services for: (i) the collection of Edible Food for Food Recovery; or, (ii) acceptance of the Edible Food that the Commercial Edible Food Generator self-hauls to the Food Recovery Organization for Food Recovery.

3. Shall not intentionally spoil Edible Food that is capable of being recovered by a Food Recovery Organization or a Food Recovery Service.

4. Allow City's designated enforcement entity or designated third party enforcement entity to access the premises and review records pursuant to 14 CCR Section 18991.4.

5. Keep records that include the following information, or as otherwise specified in 14 CCR Section 18991.4:

    a. A list of each Food Recovery Service or organization that collects or receives its Edible Food pursuant to a contract or written agreement established under 14 CCR Section 18991.3(b).

    b. A copy of all contracts or written agreements established under 14 CCR Section 18991.3(b).

    c. A record of the following information for each of those Food Recovery Services or Food Recovery Organizations:

        i. The name, address and contact information of the Food Recovery Service or Food Recovery Organization.

        ii. The types of food that will be collected by or self-hauled to the Food Recovery Service or Food Recovery Organization.

        iii. The established frequency that food will be collected or self-hauled.

        iv. The quantity of food, measured in pounds recovered per month, collected or self-hauled to a Food Recovery Service or Food Recovery Organization for Food Recovery.

6. Commencing no later than July 1, 2022 for Tier One Commercial Edible Food Generators and July 1, 2024 for Tier Two Commercial Edible Food Generators provide an annual Food Recovery report, every July 1st, to the City that includes the records listed in Section 5.3A.070(C)(5)(c).

D. Nothing in this ordinance shall be construed to limit or conflict with the protections provided by the California Good Samaritan Food Donation Act of 2017, the Federal Good Samaritan Act, or share table and school food donation guidance pursuant to Senate Bill 557 of 2017 (approved by the Governor of the State of California on September 25, 2017, which added Article 13 [commencing with Section 49580] to Chapter 9 of Part 27 of Division 4 of Title 2 of the Education Code, and to amend Section 114079 of the Health and Safety Code, relating to food safety, as amended, supplemented, superseded and replaced from time to time).

5.3A.08 Requirements for food recovery organizations and services.

A. Food Recovery Services collecting or receiving Edible Food directly from Commercial Edible Food Generators, via a contract or written agreement established under 14 CCR Section 18991.3(b), shall maintain the following records, or as otherwise specified by 14 CCR Section 18991.5(a)(1):

1. The name, address, and contact information for each Commercial Edible Food Generator from which the service collects Edible Food.

2. The quantity in pounds of Edible Food collected from each Commercial Edible Food Generator per month.

3. The quantity in pounds of Edible Food transported to each Food Recovery Organization per month.

4. The name, address, and contact information for each Food Recovery Organization that the Food Recovery Service transports Edible Food to for Food Recovery.

B. Food Recovery Organizations collecting or receiving Edible Food directly from Commercial Edible Food Generators, via a contract or written agreement established under 14 CCR Section 18991.3(b), shall maintain the following records, or as otherwise specified by 14 CCR Section 18991.5(a)(2):

1. The name, address, and contact information for each Commercial Edible Food Generator from which the organization receives Edible Food.

2. The quantity in pounds of Edible Food received from each Commercial Edible Food Generator per month.

3. The name, address, and contact information for each Food Recovery Service that the organization receives Edible Food from for Food Recovery.

C. Food Recovery Organizations and Food Recovery Services shall inform generators about California and Federal Good Samaritan Food Donation Act protection in written communications, such as in their contract or agreement established under 14 CCR Section 18991.3(b).

D. Food Recovery Organizations and Food Recovery Services that have their primary address physically located in the City and contract with or have written agreements with one or more Commercial Edible Food Generators pursuant to 14 CCR Section 18991.3(b) shall report to the City it is located in the total pounds of Edible Food recovered in the previous calendar year from the Tier One and Tier Two Commercial Edible Food Generators they have established a contract or written agreement with pursuant to 14 CCR Section 18991.3(b) no later than July 1st of each year.

E. In order to support Edible Food Recovery capacity planning assessments or other studies conducted by the County, City, special district that provides solid waste collection services, or its designated entity, Food Recovery Services and Food Recovery Organizations operating in the City shall provide information and consultation to the City, upon request, regarding existing, or proposed new or expanded, Food Recovery capacity that could be accessed by the City and its Commercial Edible Food Generators. A Food Recovery Service or Food Recovery Organization contacted by the City shall respond to such request for information within 60 days unless a shorter timeframe is otherwise specified by the City.

5.3A.09 Requirements for haulers and facility operators.

A. Exclusive franchised hauler(s) providing residential, Commercial, or industrial Organic Waste collection services to Generators within the City's boundaries shall meet the following requirements as a condition of approval of a contract, agreement, or similar contractual authorization with the City to collect Organic Waste:

1. Through written notice to the City annually on or before July 1, 2022, identify the facilities to which they will transport Organic Waste including facilities for Source Separated Recyclable Materials and Source Separated Green Container Organic Waste.

2. Transport Source Separated Recyclable Materials and Source Separated Green Container Organic Waste to a facility, operation, activity, or property that recovers Organic Waste as defined in 14 CCR, Division 7, Chapter 12, Article 2. Notwithstanding the foregoing, hauler shall not be required to transport any containers with Prohibited Container Contaminants to a facility, operation, activity, or property that recovers Organic Waste.

3. Obtain approval from the City to haul Organic Waste, unless it is transporting Source Separated Organic Waste to a Community Composting site or lawfully transporting C&D in a manner that complies with 14 CCR Section 18989.1, and Section 8.12.05 of this Code.

4. Exclusive franchised hauler(s) authorization to collect Organic Waste shall comply with any education, equipment, signage, container labeling, container color, contamination, monitoring, and reporting requirements relating to the collection of Organic Waste contained within its franchise agreement.

B. Requirements for Community Composting Operations

1. Community Composting operators, upon City request, shall provide information to the City to support Organic Waste capacity planning, including, but not limited to, an estimate of the amount of Organic Waste

anticipated to be handled at the Community Composting operation. Entities contacted by the City shall respond within 60 days.

5.3A.10 Self-Hauler Requirements.

A. Self-Haulers shall source separate all recyclable materials and Organic Waste (materials that the City otherwise requires generators to separate for collection in the City's organics and recycling collection program) generated on-site from Solid Waste in a manner consistent with 14 CCR Sections 18984.1 and 18984.2, or shall haul Organic Waste to a High Diversion Organic Waste Processing Facility as specified in 14 CCR Section 18984.3.

B. Self-Haulers shall haul their Source Separated Recyclable Materials to a facility that recovers those materials; and haul their Source Separated Green Container Organic Waste to a Solid Waste facility, operation, activity, or property that processes or recovers Source Separated Organic Waste. Alternatively, Self-Haulers may haul Organic Waste to a High Diversion Organic Waste Processing Facility.

C. Self-Haulers that are Commercial Businesses (including Multi-Family Residential Dwellings) shall keep a record of the amount of Organic Waste delivered to each Solid Waste facility, operation, activity, or property that processes or recovers Organic Waste; this record shall be subject to Inspection by the City. The records shall include the following information:

1. Delivery receipts and weight tickets from the entity accepting the waste.

2. The amount of material in cubic yards or tons transported by the Generator to each entity.

3. If the material is transported to an entity that does not have scales on-site, or employs scales incapable of weighing the Self-Hauler's vehicle in a manner that allows it to determine the weight of materials received, the Self-Hauler is not required to record the weight of material but shall keep a record of the entities that received the Organic Waste.

D. A residential Organic Waste Generator that self-hauls Organic Waste is not required to record or report information in Section 5.3A.10(C).

E. Self-Haulers that are Commercial Businesses (including Multi-Family Self-Haulers) shall provide information collected in Section 5.3A.10(C) to the City if requested and within ten (10) days of such request.

F. Nothing in this section shall relieve Self-Haulers from the requirement to subscribe and receive regular three-container services.

5.3A.11 Compliance with CALGreen Recycling Requirements.

A. Persons applying for a permit from the City for new construction and building additions and alternations shall comply with the requirements of this Section and all required components of the California Green Building Standards Code, 24 CCR, Part 11, known as CALGreen, as amended, if its project is covered by the scope of CALGreen or more stringent requirements of the City. If the requirements of CALGreen are more stringent then the requirements of this Section, the CALGreen requirements shall apply.

Project applicants shall refer to City's building and/or planning code for complete *CALGreen requirements.*

B. For projects covered by CALGreen or more stringent requirements of the City, the applicants must, as a condition of the City's permit approval, comply with the following:

1. Where five (5) or more Multi-Family dwelling units are constructed on a building site, provide readily accessible areas that serve occupants of all buildings on the site and are identified for the storage and collection of Blue Container and Green Container materials, consistent with the three container collection program offered by the City, or comply with provision of adequate space for recycling for Multi-Family and Commercial premises pursuant to Sections 4.408.1, 4.410.2, 5.408.1, and 5.410.1 of the California Green Building Standards Code, 24 CCR, Part 11 as amended provided amended requirements are more stringent than the CALGreen requirements for adequate recycling space effective January 1, 2020.

2. New Commercial construction or additions resulting in more than 30% of the floor area shall provide readily accessible areas identified for the storage and collection of Blue Container and Green Container materials, consistent with the three-container collection program offered by the City, or shall comply with provision of adequate space for recycling for Multi-Family and Commercial premises pursuant to Sections 4.408.1, 4.410.2, 5.408.1, and 5.410.1 of the California Green Building Standards Code, 24 CCR, Part 11 as amended provided amended requirements are more stringent than the CALGreen requirements for adequate recycling space effective January 1, 2020.

3. Comply with CALGreen requirements and applicable law related to management of C&D, including diversion of Organic Waste in C&D from disposal. Comply with all written and published City policies and/or administrative guidelines regarding the collection, recycling, diversion, tracking, and/or reporting of C&D.

5.3A.12 Model water efficient landscaping ordinance requirements (MWELO).

A. Property owners or their building or landscape designers, including anyone requiring a building or planning permit, plan check, or landscape design review from the City, who are constructing a new (Single-Family, Multi-Family, public, institutional, or Commercial) project with a landscape area greater than 500 square feet, or rehabilitating an existing landscape with a total landscape area greater than 2,500 square feet, shall comply with Sections 492.6(a)(3)(B), (C), (D), and (G) of the MWELO, including sections related to use of Compost and mulch as delineated in this Section.

B. The compost and mulch use requirements that are part of the MWELO are now also included as requirements of this chapter. Other requirements of the MWELO are in effect and can be found in 23 CCR, Division 2, Chapter 2.7.

C. Property owners or their building or landscape designers that meet the threshold for MWELO compliance outlined in Section 5.3A.12(A) above shall:

1. Comply with Sections 492.6 (a)(3)(B), (C), (D) and (G) of the MWELO, which requires the submittal of a landscape design plan with a soil preparation, mulch, and amendments section to include the following:

    a. For landscape installations, Compost at a rate of a minimum of four cubic yards per 1,000 square feet of permeable area shall be incorporated to a depth of six (6) inches into the soil. Soils with greater than six percent (6%) organic matter in the top six (6) inches of soil are exempt from adding Compost and tilling.

    b. For landscape installations, a minimum three- (3-) inch layer of mulch shall be applied on all exposed soil surfaces of planting areas except in turf areas, creeping or rooting groundcovers, or direct seeding applications where mulch is contraindicated. To provide habitat for beneficial insects and other wildlife up to five percent (5%) of the landscape area may be left without mulch. Designated insect habitat must be included in the landscape design plan as such.

    c. Organic mulch materials made from recycled or post-consumer materials shall take precedence over inorganic materials or virgin forest products unless the recycled post-consumer organic products are not locally available. Organic mulches are not required where prohibited by local fuel modification plan guidelines or other applicable local ordinances.

2. The MWELO compliance items listed in this Section are not an inclusive list of MWELO requirements; therefore, property owners or their building or landscape designers that meet the threshold for MWELO compliance

outlined in Section 5.3A.12(A) shall consult the full MWELO for all requirements.

D. If, after the adoption of this ordinance, the California Department of Water Resources, or its successor agency, amends 23 CCR, Division 2, Chapter 2.7, Sections 492.6(a)(3)(B), (C), (D), and (G) of the MWELO September 15, 2015 requirements in a manner that requires jurisdictions to incorporate the requirements of an updated MWELO in a local ordinance, and the amended requirements include provisions more stringent than those required in this Section, the revised requirements of 23 CCR, Division 2, Chapter 2.7 shall also apply and be enforced.

5.3A.13 Procurement requirements for city departments, direct service providers, and vendors.

A. City departments, and direct service providers to the City, as applicable, must comply with the City's Recovered Organic Waste Product procurement policy and Recycled-Content Paper procurement policy.

B. All vendors providing Paper Products and Printing and Writing Paper to the City shall:

1. If fitness and quality are equal, provide Recycled-Content Paper Products and Recycled-Content Printing and Writing Paper that consists of at least 30 percent, by fiber weight, postconsumer fiber instead of non-recycled products whenever recycled Paper Products and Printing and Writing Paper are available at the same or lesser total cost than non-recycled items.

2. Provide Paper Products and Printing and Writing Paper that meet Federal Trade Commission recyclability standard as defined in 16 Code of Federal Regulations (CFR) Section 260.12.

3. Certify in writing, under penalty of perjury, the minimum percentage of postconsumer material in the Paper Products and Printing and Writing Paper offered or sold to the City. This certification requirement may be waived if the percentage of postconsumer material in the Paper Products, Printing and Writing Paper, or both can be verified by a product label, catalog, invoice, or a manufacturer or vendor internet website.

4. Certify in writing, on invoices or receipts provided, that the Paper Products and Printing and Writing Paper offered or sold to the City is eligible to be labeled with an unqualified recyclable label as defined in 16 Code of Federal Regulations (CFR) Section 260.12 (2013).

5. Provide records to the City in accordance with the City's Recycled-Content Paper procurement policy(ies) of all Paper Products and Printing and Writing Paper purchases within thirty (30) days of the purchase (both

recycled-content and non-recycled content, if any is purchased) made by any division or department or employee of the City. Records shall include a copy (electronic or paper) of the invoice or other documentation of purchase, written certifications as required in Sections 5.3A.13(B)(3) and (B)(4) of this ordinance for recycled-content purchases, purchaser name, quantity purchased, date purchased, and recycled content (including products that contain none), and if non-recycled content Paper Products or Printing and Writing Papers are provided, include a description of why Recycled-Content Paper Products or Printing and Writing Papers were not provided.

5.3A.14 Inspections and investigations.

A. City representatives and/or its designated entity, including Designees are authorized to conduct Inspections and investigations, at random or otherwise, of any collection container, collection vehicle loads, or transfer, processing, or disposal facility for materials collected from generators, or Source Separated materials to confirm compliance with this ordinance by Organic Waste Generators, Commercial Businesses (including Multi-Family Residential Dwellings), property owners, Commercial Edible Food Generators, haulers, Self-Haulers, Food Recovery Services, and Food Recovery Organizations, subject to applicable laws. This Section does not allow City to enter the interior of a private residential property for Inspection. For the purposes of inspecting Commercial Business containers for compliance with Section 5.3A.05(B) of this ordinance, City may conduct container Inspections for Prohibited Container Contaminants using Remote Monitoring, and Commercial Businesses shall accommodate and cooperate with the Remote Monitoring pursuant to Section 5.3A.05(B)(10) of this ordinance.

B. Organic Waste Generators, Commercial Businesses (including Multi-Family Residential Dwellings), property owners, Commercial Edible Food Generators, haulers, Self-Haulers, Food Recovery Services, and Food Recovery Organizations shall provide or arrange for access during all Inspections (with the exception of residential property interiors) and shall cooperate with the City's employee or its Designee during such Inspections and investigations. Such Inspections and investigations may include confirmation of proper placement of materials in containers, Edible Food Recovery activities, records, or any other requirement of this ordinance described herein. Failure to provide or arrange for: (i) access to an entity's premises; (ii) installation and operation of Remote Monitoring equipment; or (iii) access to records for any Inspection or investigation is a violation of this ordinance and may result in penalties described.

C. Any records obtained by a City during its Inspections, Remote Monitoring, and other reviews shall be subject to the requirements and applicable disclosure exemptions of the Public Records Act as set forth in Government Code Section 6250 et seq.

D. City representatives, its designated entity, and/or Designee are authorized to conduct any Inspections, Remote Monitoring, or other investigations of Organic Waste Generators, Commercial Businesses (including Multi-Family Residential Dwellings), property owners, Commercial Edible Food Generators, haulers, Self-Haulers, Food Recovery Services, and Food Recovery Organizations as reasonably necessary to further the goals of this ordinance, subject to applicable laws.

E. City shall receive written complaints from persons regarding an entity that may be potentially non-compliant with SB 1383 Regulations, including receipt of anonymous complaints.

5.3A.15 Enforcement. [to review/revise]

A. Violation of any provision of this ordinance shall constitute grounds for issuance of a Notice of Violation and/or assessment of a fine by a City Enforcement Official or representative. Enforcement Actions under this ordinance include, but are not limited to, issuance of an administrative citation and assessment of a fine except that the administrative fine amounts in this chapter shall prevail. In addition to the procedures in this section, the City may enforce this chapter consistent with the procedures in Chapters 1.18, 1.20, and 1.32 of this Code.

B. Other remedies allowed by law may be used for enforcement, including, but not limited to, civil action or prosecution as misdemeanor or infraction. City may pursue civil actions in the California courts to seek recovery of unpaid administrative citations. City may choose to delay court action until such time as a sufficiently large number of violations, or cumulative size of violations exist such that court action is a reasonable use of City staff and resources.

C. Responsible Entity for Enforcement

1. Enforcement pursuant to this ordinance may be undertaken by the City Enforcement Official, which may be the city manager or their designated entity, legal counsel, or combination thereof.

    a. The City Enforcement Official(s) or designee will interpret ordinance; determine the applicability of waivers, if violation(s) have occurred; implement Enforcement Actions; and, determine if compliance standards are met.

    b. The City Enforcement Official(s) or designee may issue Notices of Violation(s).

D. Process for Enforcement

1. City Enforcement Official(s) or designee, will monitor compliance with this ordinance randomly and through Compliance Reviews, Route Reviews,

investigation of complaints, and an Inspection program that may include Remote Monitoring. Section 5.3A.14 establishes City's right to conduct Inspections and investigations.

2. City may issue an official notification to notify regulated entities of its obligations under this ordinance.

E. Penalty Amounts for Types of Violations. The penalty levels for City-issued Notices of Violation are as follows:

1. Commercial Business:

a. For a first violation, the amount of the base penalty shall be $100 per violation.

b. For a second violation, the amount of the base penalty shall be $200 per violation.

c. For a third or subsequent violation, the amount of the base penalty shall be $500 per violation.

2. Single-Family

a. For a first violation, the amount of the base penalty shall be $50 per violation.

b. For a second violation, the amount of the base penalty shall be $100 per violation.

c. For a third or subsequent violation, the amount of the base penalty shall be $250 per violation.

F. Compliance Deadline Extension Considerations. The City may extend the compliance deadlines set forth in a Notice of Violation issued in accordance with this Section 5.3A.15 if it finds that there are extenuating circumstances beyond the control of the respondent that make compliance within the deadlines impracticable, including the following:

1. Acts of God such as earthquakes, wildfires, flooding, and other emergencies or natural disasters;

2. Delays in obtaining discretionary permits or other government agency approvals; or,

3. Deficiencies in Organic Waste recycling infrastructure or Edible Food Recovery capacity and the City is under a corrective action plan with CalRecycle pursuant to 14 CCR Section 18996.2 due to those deficiencies.

G. Appeals Process. Persons receiving an administrative citation containing a penalty for an uncorrected violation may request a hearing to appeal the citation pursuant to the appeals procedures in Chapter 1.28 of this Code.

H. Education Period for Non-Compliance. Beginning January 1, 2022 and through December 31, 2023, City will conduct Inspections, Remote Monitoring, Route Reviews or waste evaluations, and Compliance Reviews, depending upon the type of regulated entity, to determine compliance with this ordinance, and if City determines that Organic Waste Generator, hauler, Self-Hauler, Tier One Commercial Edible Food Generator, Food Recovery Organization, Food Recovery Service, or other entity is not in compliance, it shall provide educational materials to the entity describing its obligations under this ordinance and a notice that compliance is required by January 1, 2022, and that violations may be subject to administrative civil penalties starting on January 1, 2024.

I. Civil Penalties for Non-Compliance. Beginning January 1, 2024, if the City determines that an Organic Waste Generator, hauler, Self-Hauler, Tier One or Tier Two Commercial Edible Food Generator, Food Recovery Organization, Food Recovery Service, or other entity is not in compliance with this ordinance, it shall document the noncompliance or violation, issue a Notice of Violation, and take Enforcement Action pursuant to this Section 5.3A.15, as needed. The foregoing shall not apply to violations arising from incidences where a hauler discovers Prohibited Container Contaminants found in containers.

J. Enforcement Table – Non-Exclusive List of Violations Insert City-specific code section references throughout list.

Table 1. List of Violations

REQUIREMENT	DESCRIPTION OF VIOLATION
Commercial Business and Commercial Business Owner Responsibility Requirement Sections 5.3A.05	Commercial Business fails to provide or arrange for Organic Waste collection services consistent with City requirements and as outlined in this ordinance, for employees, contractors, tenants, and customers, including supplying and allowing access to adequate numbers, size, and location of containers and sufficient signage and container color.

Arnoldo Rodriguez, City Manager

SUBJECT:

Letter of Support for Senate Bill 843, Renter's Tax Credit

RECOMMENDATION:

Approve Minute Order Approving a Letter of Support for Senate Bill 843, Renter's Tax Credit

SUMMARY:

On January 11, 2021, California State Senator Steven Glazer introduced Senate Bill 843 (SB 843) designed to increase the amount of the current state renter's credit for joint and single tax filers. The passage of this bill would represent the first renters tax credit increase since 1979.

The California State Legislature (Legislature) may act upon the bill on or after February 11, 2022, allowing the City time to express support to State Senator Anna Caballero (D-12).

DISCUSSION:

California passed its first renters tax credit in 1972 and shortly increased the amount in 1979 but has ceased to increase the amount since. The current tax credit for joint filers earning $87,066 or less is capped at $120, and $60 for single filers earning $43,533 or less. Senate Bill 843 seeks to increase the tax credit to $1,000 and $500, respectively.

Affordable housing is an issue California renters continue to grapple with and has only been exacerbated by the COVID-19 Pandemic. To help renters, the Legislature passed temporary relief through the Golden State Stimulus and the eviction moratorium; however, the affordable housing crisis for renters continues to persist. SB 843 is one of the many first steps in providing permanent relief to income eligible California renters.

FINANCIAL IMPACT:

With the successful passage or failure of Senate Bill 843, the City will not be financially impacted. It is estimated that a couple of million state residents may benefit; however, it is difficult to accurately project how many local residents may benefit. Regardless, many residents of the City rent, thus they may be eligible to receive greater tax relief in comparison to the existing criteria.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

The information contained herein is not addressed by the Vision Madera 2025 plan, nor is the information in conflict with that plan.

February 2, 2022

The Honorable Senator Anna Caballero
State Capitol, Suite 7620
Sacramento, CA 95814

RE: Senate Bill 843 (Glazer) Letter of Support

Dear Senator Caballero,

I write to you on behalf of the City of Madera to express our support of Senate Bill 843 (Glazer). This bill would provide financial relief and economic justice to 2.4 million low to middle-income Californians by expanding and reforming the renter's tax credit.

SB 843 increases the renter's tax credit to $1,000 for all those that are income eligible. This credit lowers the financial burden of renting to a more sustainable level and is the first step in telling Californian renters that they are a valued part of our community and our recovery.

The COVID-19 pandemic continues to exacerbate the pressure on California's renters. While the Legislature passed temporary relief through the Golden State Stimulus and the eviction moratorium, the affordable housing crisis for renters existed before the pandemic and will exist after if we do not take steps to provide permanent relief.

This bill would help Madera in a meaningful way by increasing the renter's tax credit to address the reality of the housing affordability crisis throughout our state and providing relief to struggling California families. For these reasons, the City of Madera supports SB 843 (Glazer).

Sincerely,

Arnoldo Rodriguez
City of Madera, City Manager

Council Meeting of: February 2, 2022

Agenda Number: B-7

SUBJECT:

Appointments to the Civil Service Commission

RECOMMENDATION:

Adopt a resolution appointing the following individuals to the Civil Service Commission:

1. Summer Gonzales
2. Celeste Voyles
3. Julius Washington
4. Nick Salinas
5. Muhammad Latif
6. Saim Mohammad

SUMMARY:

The City of Madera Municipal Code provides that the Civil Service Commission (Commission) is comprised of seven (7) members. The appointment process for members of the Commission was recently updated to bring the City's Municipal Code into compliance with the Government Code. In summary, each member of the City Council makes a nomination to be considered for appointment by the Mayor. As there are seven positions, the Mayor also makes a direct appointment. The Mayor makes appointments to the Commission, subject to approval by the City Council. At this time, the Mayor has considered nominations submitted, and desires to appoint Summer Gonzales, Celeste Voyles, Julius Washington, Nick Salinas, Muhammad Latif, and Saim Mohammad.

DISCUSSION:

The Commission is established in Chapter 2 of the City's Municipal Code. The Commission reviews recruitments and certifies the list of eligible candidates for full time employment with the City. The Commission also is the hearing body for appeals related to employment practices, including employee discipline, application of the City's Personnel Rules, and hiring practices. Pursuant to

Municipal Code Section 2-2.303, the Commission is a seven (7) member body. Nominations of individuals to serve as Commissioners may be made by all members of the City Council. The Mayor then makes appointments from those nominated. The Mayor also makes a direct appointment. The Mayor's appointments must be approved by the City Council as a whole, with the resolution of appointment approved by at least four (4) members of the Council.

The candidates being recommended for appointment to the Civil Service Commission are summarized in Table 1.

Table 1. Applicants for Civil Service Commission Appointment	
Applicant	*Nominating Councilmember*
Summer Gonzales	Direct appointment by Mayor Garcia
Celeste Voyles	Councilmember Rodriguez
Julius Washington	Mayor Pro Tem Evans
Nick Salinas	Councilwoman Gallegos
Muhammad Latif	Councilmember Villegas
Saim Mohammad	Councilmember Montes

At this time, the Mayor is seeking approval from the City Council of the six (6) appointees named above in Table 1. Per the Municipal Code, appointments will be for a term expiring in December 2024, or until a replacement is appointed. If the six (6) appointments are approved, there will be one (1) remaining vacancy on the Commission, pending a nomination from Councilwoman Mejia. Once the nomination is received, it will be forwarded to the Mayor for consideration of appointment.

FINANCIAL IMPACT:

There is no anticipated financial impact.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

The information contained herein is not addressed by the Vision Madera 2025 plan, nor is the information in conflict with that plan.

ALTERNATIVES:

Council may direct staff to draft further revisions to the Commissioner appointment process.

REPORT TO CITY COUNCIL

Approved by: _____
Alicia Gonzales, City Clerk

Council Meeting of: February 2, 2022
Agenda Number: C-1

_____
Arnoldo Rodriguez, City Manager

SUBJECT:

Redrawing of Council Member District Boundaries (Redistricting)

RECOMMENDATION:

1. Receive a report on the redistricting process, initial draft maps, and permissible criteria to be considered to redraw district boundaries; and
2. Conduct Public Hearing #3 on redistricting and receive public input; and
3. Provide feedback on preferred map or maps, and/or desired changes to draft maps

SUMMARY:

Pursuant to Election Code section 21601, cities with by-district election systems are required to redraw their district boundary maps to ensure compliance with the California and federal Voting Rights Acts. The process to complete the redistricting requires a minimum of four public hearings and dedicated public outreach to ensure minority populations and communities of interest are aware of the redistricting effort and are provided with options to participate. The City:

- Held its first public hearing on October 20, 2021
- Its second public hearing on November 10, 2021
- This is the third public hearing

The purpose of this public hearing is to review the initial draft maps prepared by the City's consultant, inform the public about the districting process, and to hear from the community on factors to be taken into consideration for district boundaries. The public is requested to provide input regarding communities of interest and other local factors that should be considered for district maps. A community of interest under the relevant Elections Code for cities (Section 21621(c) is, "a population that shares common social or economic interests that should be included within a single district for purposes of its effective and fair representation." Council is

asked to provide feedback on the preferred map or maps and/or desired changes to the draft maps which will then be presented at the fourth public hearing.

DISCUSSION:

Every 10 years, cities with by-district election systems must use new census data to review and, if needed, redraw district lines to reflect how local populations have changed. This process, called redistricting, ensures all districts have a nearly equal population. The redistricting process for the City of Madera must be completed by April 17, 2022.

The City adopted its current district boundaries in 2011. The approved boundary map was drawn based on 2010 census data as required by law. The districts must now be redrawn using the 2020 census data and in compliance with the Fair Maps Act (the "Act"), which was adopted by the California legislature as AB 849 and took effect January 1, 2020.

Requirements for Redrawing District Boundaries

Under the Act, the City Council shall draw and adopt boundaries using the following criteria in the listed order of priority (Elections Code 21621(c)):

1. Comply with the federal requirements of equal population and the Voting Rights Act.
2. Be geographically contiguous.
3. Undivided neighborhoods and "communities of interest" (socio-economic geographic areas that should be kept together).
4. Display easily identifiable boundaries.
5. Be compact (do not bypass one group of people to get to a more distant group of people).
6. Shall not favor or discriminate against a political party.

Once the prioritized criteria are met, other traditional districting principles can be considered, such as:

1. Minimize the number of voters delayed from voting in 2022 to 2024.
2. Respect voters' choices/continuity in office.
3. Future population growth.

By law, the City must hold at least four public hearings that enable community members to provide input on the drawing of district maps:

- At least one hearing must occur before the city draws draft maps.
- At least two hearings must happen after the drawing of draft maps.
- The fourth hearing can happen either before or after the drawing of draft maps.

To increase the accessibility of these hearings, the City has complied with the following steps:

- At least one hearing must occur on a Saturday, Sunday, or after 6:00 p.m. on a weekday.

- The City held a workshop on Saturday, December 4, 2021 at the John Wells Youth Center.
- A second Redistricting Workshop will be held on Sunday, February 6, 2022 at 1:30 – 3:00p.m. at the Pan Am Community Center.
- If a redistricting hearing is consolidated with another local government meeting, the redistricting hearing must begin at a pre-designated time.
- Local public redistricting hearings must be made accessible with people with disabilities.

Determining population balance is typically done by measuring the spread, or deviation, between the least populated district and the greatest populated district. Deviations of 10 percent or less are generally considered acceptable under U.S. Supreme Court rulings on equal protection. The City's population is 65,954. The ideal population of a Council district is one-sixth of that population, or 10,992.

Current District Boundaries

Analysis of the City's current district boundaries, adjusted for the 2020 Census data, shows the districts are no longer population balanced as required by law. District 6 is significantly overpopulated by 17.3 percent and District 5 is significantly under populated at -14.6 percent for a combined total deviation of 31.9 percent. For these reasons, the district boundaries must be adjusted to achieve a population balance of 10 percent or less.

Minority Voters

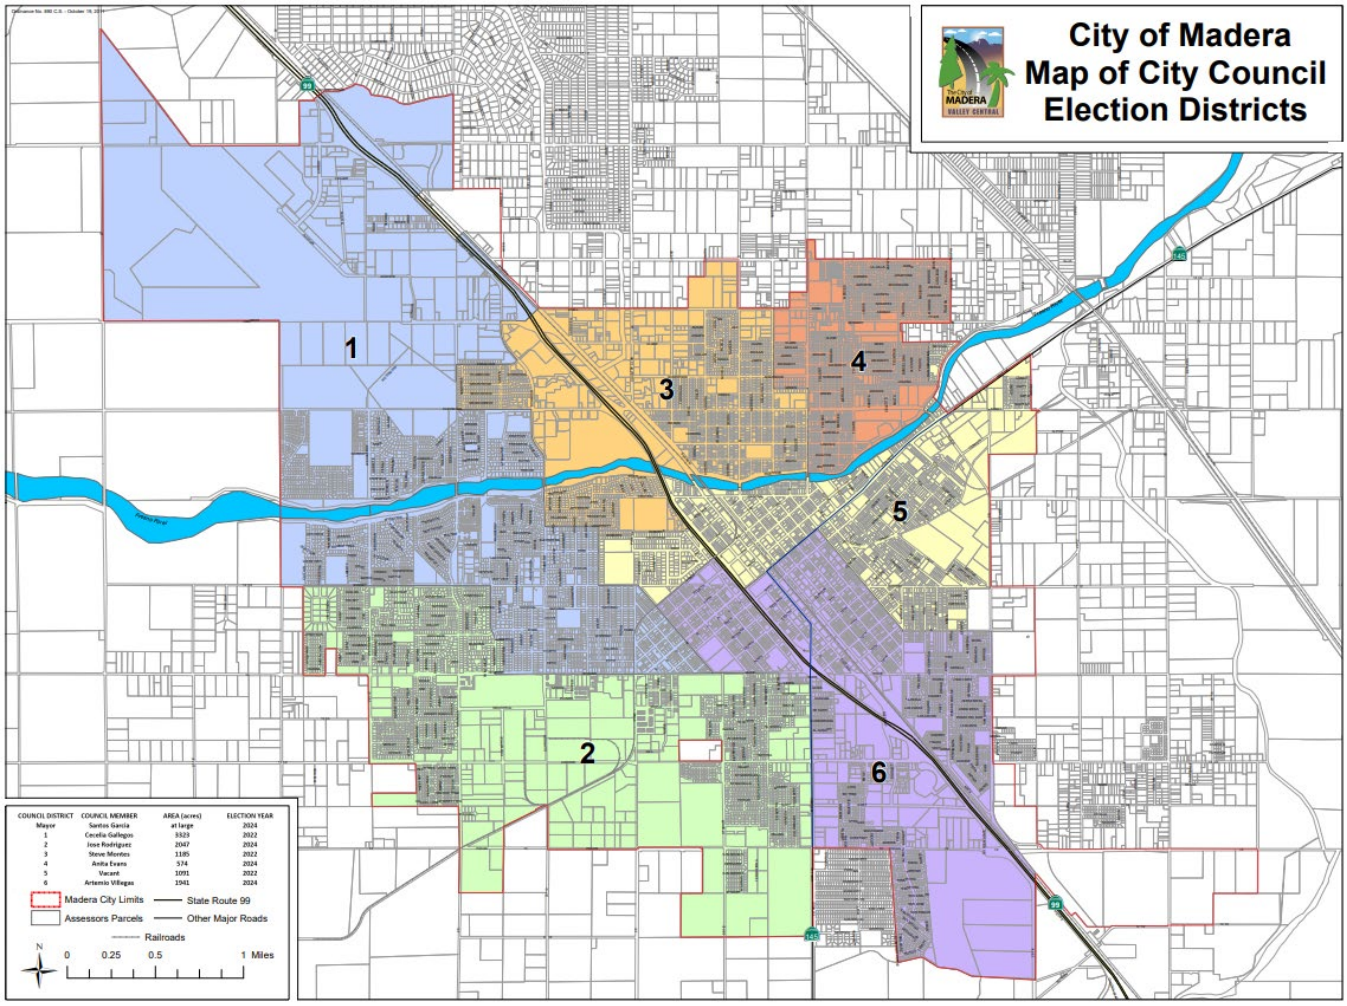
Another consideration in the drawing of district boundaries is the distribution of minority voters throughout the City and whether there is a possibility of creating a majority/minority voting district as required under the federal Voting Rights Act. It is important that the analysis of the 2020 Census Data review the ethnicity demographics, specifically voting age populations (VAP) and Citizen Voting Age Populations (CVAP).

Upon review of the City's VAP and CVAP data, all six districts are currently majority/minority Hispanic voting districts. Upon rebalancing the populations, care will be taken to preserve those demographic characteristics

The purpose of this public hearing is to review the initial draft maps prepared by the City's consultant, inform the public about the districting process, and to hear from the community on factors to be taken into consideration for district boundaries. The public is requested to provide input regarding communities of interest and other local factors that should be considered for district maps. A community of interest under the relevant Elections Code for cities (Section 21621(c) is, "a population that shares common social or economic interests that should be included within a single district for purposes of its effective and fair representation."

Maps

The map and accompanying demographic information of the City's current districts is attached to this report (Attachment 1). The current district boundary map is highlighted below:



The City's Redistricting consultant has prepared three draft map options for Council's consideration. In addition, a member of the public submitted a draft map option. Each map is summarized below and accompanying demographic information may be found attached to this report (Attachment 2). Further, an online tool for closely examining the boundaries, with zoom and search capabilities, will be available at the public hearing and posted on the City's dedicated redistricting website for continued use.

Map Option 1

- Map Option 1 attempts to balance the population while retaining the general core of the existing districts.
- There is some similarity to the existing configuration, particularly with regard to Districts 2 and 4
- The map is population balanced, exhibiting a deviation of 3.56%, down significantly from the current deviation of 31.9%
- Preserves all six districts as majority/minority Hispanic voting districts
- A complete demographic analysis is attached at Attachment 2

Map Option 2

- Option 2 is population balanced, with a deviation of 6.96%
- Is a more substantive change from the current boundary map
- District's 4 and 5 share similarities to the existing configuration
- Districts 1, 2, and 6 see changes to the core of the districts and in their shape
- Preserves all six districts as majority/minority Hispanic voting districts

Map Option 3

- Option 3 resembles the City's current configuration, particularly with regard to Districts 2 and 4.
- It is population balanced, with a deviation of 7.12%.
- Preserves all six districts as majority/minority Hispanic voting districts.

Map Option 4

- Option 4 was received from a member of the public using the online mapping tool
- Significantly changes the configuration of the current districts
- It is population balanced with a deviation of 1.27%
- The districts are compact and contiguous, in compliance with the Fair Maps Act
- All six districts represent a majority/minority Hispanic voting district

Next Steps

Following this public hearing and continued demographic review of the recently released 2020 Census data, the City's redistricting consultant will revise any maps as directed by the Council, as well as evaluate any maps submitted by the public. The City has launched an online mapping tool which allows the public to draw and submit their own district maps for consideration. Any additional maps submitted by the public by February 7, 2022, will be evaluated and included with any revised maps considered at the fourth public hearing scheduled for February 16, 2022.

If at this public hearing the Council requests additional revisions, those revisions will be presented at the fourth public hearing. The Council may, at this public hearing, narrow their focus and identify a preferred map. In that instance, staff will also include an introduction of an Ordinance approving a final map at the fourth public hearing. Should additional public hearings be necessary to identify and select a preferred map, they will be scheduled accordingly. As noted above, the deadline for the City of Madera to complete the redistricting process is April 17, 2022.

FINANCIAL IMPACT:

Costs associated with redistricting-related work includes the following:

- Contract with BB&K totaling $50,000
- Various staff time and City Attorney fees

REPORT TO CITY COUNCIL

Approved by:

Wendy Silva

Wendy Silva, Director of Human Resources

Arnoldo Rodriguez

Arnoldo Rodriguez, City Manager

Council Meeting of: February 2, 2022

Agenda Number: D-1

SUBJECT:

Claims Settlement Authority Delegated to the City Manager

RECOMMENDATION:

Waive Full Reading and Introduce an Ordinance of the City of Madera Amending Section 1-6.18 of Title I Chapter 6 of the Madera Municipal Code relating to City Manager Authority on Claims Against the City

SUMMARY:

The Municipal Code currently delegates claim settlement authority to the City Manager for amounts up to ten thousand dollars ($10,000). The proposed ordinance would increase the authority of the City Manager to all claims up to thirty-five thousand dollars ($35,000).

DISCUSSION:

During the normal course of business, the City of Madera experiences claims for damages or injuries filed:

- Under the Tort Claims Act
- Through litigation not covered by the Tort Claims Act
- Under the Workers' Compensation System

In addition, the City files claims against insurance companies or individuals for damage or injuries incurred to City property or employees caused by an outside party.

Currently, the Municipal Code delegates authority for these claims to the City Manager to:

- Determine timeliness and sufficiency of claims filed under the Tort Claims Act
- Reject claims for all claim types
- Settle any claim that is valued at $10,000 or less, in consultation with the City Attorney

In order to increase operational efficiencies, it is recommended that the settlement authority amount delegated to the City Manager be increased from ten thousand dollars ($10,000) to thirty-five thousand dollars ($35,000).

There are no statutory limitations on authority that can be granted for settlement of litigation not covered by the Tort Claims Act or worker's compensation claims, however it should be noted that Government Code §935.4 provides that delegation of authority to an employee of a General Law City shall not exceed fifty thousand dollars ($50,000). The recommended authority limit is within the Government Code requirements.

The ordinance to effectuate the proposed change is provided as Attachment 1 to this report. Changes from current language are noted below, with deletions identified through strike-out text and additions provided in brackets.

> § 1.6.18 City Manager Authority on Claims.
>
> Pursuant to Government Code Section 935.4, the City Council delegates authority to the City Manager to review all claims for sufficiency and to reject any and all claims. The City Council delegates to the City Manager authority to allow, compromise, or settle claims, including workers' compensation claims, for an amount up to ~~ten~~ [thirty-five] thousand dollars ($~~10,000.00~~ [35,000]) subject to consultation with the City Attorney. The City Council shall have sole authority to allow, compromise, or settle claims for an amount in excess of ~~ten~~ [thirty-five] thousand dollars ($~~10,000.00~~ [35,000]).

FINANCIAL IMPACT:

There is no anticipated financial impact from this modification.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

The information contained herein is not addressed by the Vision Madera 2025 plan, nor is the information in conflict with that plan.

ALTERNATIVES:

Council could direct staff to modify the settlement authority amount up or down, not to exceed the statutory limit of fifty thousand dollars ($50,000).

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MADERA AMENDING SECTION 1-6.18 OF TITLE I CHAPTER 6 OF THE MADERA MUNICIPAL CODE RELATING TO CITY MANAGER AUTHORITY ON CLAIMS AGAINST CITY

THE CITY COUNCIL OF THE CITY OF MADERA DOES ORDAIN AS FOLLOWS:

SECTION 1. Section 1-6.18 of the Madera Municipal Code is amended to read as follows:

§ 1-6.18 City Manager Authority on Claims.

Pursuant to Government Code Section 935.4, the City Council delegates authority to the City Manager to review all claims for sufficiency and to reject any and all claims. The City Council delegates to the City Manager authority to allow, compromise, or settle claims, including workers' compensation claims, for an amount up to thirty-five thousand dollars ($35,000) subject to consultation with the City Attorney. The City Council shall have sole authority to allow, compromise, or settle claims for an amount in excess of thirty-five thousand dollars ($35,000).

Any reference to "City Council" in this Chapter shall apply to claims authority of City Manager under this section.

SECTION 2. CEQA. The City Council finds this ordinance is not a project under the California Environmental Quality Act because it can be seen with certainty that it will not have a significant effect or physical change to the environment. See Title 14, California Code of Regulations, Section 15061 (b) (3).

SECTION 3. PUBLICATION. This ordinance shall be published in accordance with the provisions of Government Code Section 36933.

SECTION 4. EFFECTIVE DATE. This ordinance shall take effect thirty (30) days after its passage.

SUMMARY:

Sections 22620-22631, inclusive, of the Streets and Highway Code (Code), requires the city to undertake proceedings for each Fiscal Year during which an assessment is to be levied and collected within its existing landscape assessment district. There are 80 active zones of benefit within the City-Wide Landscape and Lighting District. A Zone Location Map is included as Attachment 4.

Each year, zones are identified that are generating less assessment revenue than is required to adequately fund the needed maintenance activities. To resolve this funding deficiency, assessments may be increased in conformance with the requirements of both the Lighting and Landscaping Act of 1972 (Streets and Highway Code Sections) and Proposition 218 (Government Code Section 53753). For the 2022/23 Fiscal

Year, staff has identified 28 zones with revenue deficiencies that need to partake in the Proposition 218 process for the purpose of asking voters for an increase in assessment.

To begin this process, Council must first approve an Engineer's Report (See Resolution 1) and then adopt a Resolution of Intention to levy and collect assessments. The Resolution of Intention also needs to include a general description of existing and proposed improvements, substantial changes, reference to the distinct designation of the assessment district, reference to the Engineer's Report on file with the City Clerk, give notice of the date, time and place of the public hearing, and state whether the assessment is proposed to increase from the previous year. The proposed date for this hearing is June 1, 2022. At that hearing the Council will hear public testimony and tabulate the Proposition 218 ballots. Where proposed increases in the assessments, a simple majority of returned ballots dictates the outcome for or against the increase.

Following the public hearing, Council may order changes in any of the matters addressed in the Engineer's Report subject to such changes not exceeding the limits of existing covenants or the results of the Proposition 218 hearings. If there is a majority vote against the levy of an annual assessment where such an assessment represents an increase from any previous year and is also outside the terms of an applicable covenant for that zone, the proposed increase in the assessment must be abandoned. The assessment amount then reverts to either the previous year assessment amount where no covenant exists or it is adjusted consistent with the covenant recorded for the property. If a majority vote in support of the assessment is received, the Council may adopt a resolution confirming the diagram and assessment. The adoption of the resolution will constitute the levy of an assessment for the 2022/23 Fiscal Year.

DISCUSSION:

On July 1, 2015, Parks staff began maintenance of the 80 landscape maintenance district zones that have been created within the City. Most zones had previously been maintained by a private company under contract with the City. This decision was made primarily to raise the quality of maintenance. It was also anticipated that this decision, together with additional direction provided by the Council (See Attachment 1), would result in less fluctuation in the cost of maintenance from year to year and a corresponding reduction in Proposition 218 elections. The assessments presented in this year's Engineer's Report reflect staff's recommendation based on Council's prior direction and several controlling factors that include:

1. The continuing residual effects of using a private landscape contractor prior to staff assuming those responsibilities,
2. Staff's continuing experience in maintaining and managing the zones within the Landscape Maintenance District, and
3. Staff's approach to maintenance and management moving forward.

Residual Effects of Using a Private Landscape Contractor

When staff took over maintenance of the landscape district zones in 2015, each zone either had full, partial or no funding. Funding being the primary controlling factor, staff was obligated to provide the highest level of service possible under the funding scenario for each zone. Even with the restrictions placed upon many of the zones, Parks department staff indicates that it rarely receives complaints relative to landscaping wherein they were common while using a private contractor.

Staff Experience

To date, full funding necessary to maintain landscaping at the proper level has not been achieved in all zones. Until full funding is achieved, Parks Department staff continues to attempt to provide a level of

service that matches the funding that parcel owners have approved. This includes all zones, even those where funding may have been at artificially low levels because of previously failed Proposition 218 elections. Therefore, a full understanding of some of these zones may not become apparent until reasonable funding is established.

Moving Forward

Staff is continually mindful that residents are critical of the costs to maintaining landscaping. As such, a request for additional revenue through a Proposition 218 election to cover increased costs is not a guarantee. This has shown to be true due to numerous rejected Proposition 218 Votes in the recent past. In fact, history suggests that voters in many zones will reject proposed increases, regardless of how small or large the increase may be or how important it is to how the landscaping looks. As such, there must always be a plan for accommodating the occasional bumps in the road as expenses increase but revenue does not while still maintaining quality to the degree possible.

This Engineer's Report and the Park's Department approach incorporates the expectation that assessments should provide value in the way landscape areas look and are perceived. This is true even where sufficient funding is not available to provide service at recommended levels. Given this expectation, a series of questions might logically be asked:

- **What is the Plan?**

  Flexibility and a five-year accounting plan. Staff utilizes a five-year plan to understand where costs and funding are heading. The five-year plan does not and will never remove the need for Proposition 218 elections. But it does aid in anticipating them, smoothing the magnitude or degree of assessment increases and the total number occurring across all zones.

- **How is maintenance affected when there are insufficient funds?**

  When a funding shortfall is evident and Council has not directed that full maintenance should continue to occur, Parks maintenance crews may adjust (lower costs) through several ways. This typically begins with measures that are least obvious to residents and expand those measures, as necessary. The first actions might be to reduce or eliminate tree trimming, reduce water and mowing or trimming in a complimentary fashion, etc. This has been referred to in a past report as demand responsive maintenance.

- **Should the plan changes be based on existing funding?**

  The overarching goal is to always work within available funding. There is always a point at which a certain percentage reduction in funding exhibits itself in a way that cannot be ignored and will eventually lead to a Proposition 218 election. But staff will always try to avoid that scenario if possible.

- **Can major increases to assessments be completely avoided?**

  Unlikely. The Code, as staff knows it, has the city boxed into a situation where over or undershooting expenses relative to funding can trigger requirements to reduce assessments. When this occurs, there is no simple tool to bring them back up when needed without a Proposition 218 election. Overcoming this shortfall can cause a slingshot effect that requires other steps to avoid it starting all over again. This is addressed in greater detail based on the factors and previous Council direction described in Attachment 1. When staff identifies methodologies that

may be beneficial to management of this program, they will coordinate with the City Attorney to determine if they conform with Code.

Staff continues to calibrate service where possible based on available funding. While dropped for the last several years, Proposition 218 elections are recommended for this year given the consequences of the two available options:

A. Perpetual reductions in service and quality, or
B. Contributions by the General Fund.

Also, noteworthy, the LMD program has been expanding rapidly in the last several years because of significant growth within the city. This expansion is placing a greater maintenance burden on a workforce that has remained fixed in personnel and equipment.

Even with these challenges, staff does feel comfortable in stating that overall maintenance quality is higher than that which existed when private contractors performed maintenance. Looking toward future years, a trend in reduced Proposition 218 elections is currently projected if many of those proposed this year are successful. This last statement should be placed in the proper context, however. Future increases to health insurance, Public Employee Retirement System, and cost of living adjustments have the potential to change the projections for the worse.

Specific Factors Affecting the Assessment Calculation

There are also several specific factors that are reflected in the proposed FY 2022/23 Engineer's Report. Examples of these factors include estimated operating and administrative expenses in each zone of benefit, along with recommended reserve amounts for cash flow and allowances for semi-regular expenses like tree trimming. Each of these factors play a part in the proposed assessment. In prior years, Council has provided direction on how these factors should be addressed. A summary discussion of the various factors is included as Attachment 1 to this report.

Parks staff has entered into an agreement with a private contractor for the purposes of providing tree trimming services city-wide, the cost of these services is expected to remain roughly the same for the upcoming fiscal year but may be less in future years and will be determined once a full inventory of trees is performed by the consultant.

LMD Zones Formed Prior to 2002

LMD zones are frequently categorized into two groups, those that were formed before August of 2002, and those that that were formed later.

While "newer" zones of benefit include provisions for regular assessment escalation, landscape zones formed generally before August of 2002 do not have any built-in allowance for escalation or adjustment. In these older zones, the original assessment established at formation continued to be applied year after year. Many of these zones included assessments that were well below the actual expenses required to maintain the zones. In 2012, the City Attorney's office determined that assessments could be adjusted to reflect current costs if a Proposition 218 protest hearing were conducted. In each of the years following this finding, most zones subject to Proposition 218 hearings rejected increases. This led Council to direct that maintenance within those zones that rejected increases be reduced to match revenue.

Assessment Calculation Summary

The below table illustrates the current and proposed assessments for each zone, these numbers are dependent on:

- No Prop 218 Column - Council approval or reduction to expenses
- With Prop 218 Column – Assumes a 100% success rate in prop 218 votes

Table 1: *Assessment Metrics*		
Metric	*No Prop 218*	*With Prop 218*
Total Revenue	$465,419	$522,492
Total Expenses	$530,104	$530,104
Budget Surplus/Deficit	-$64,685	-$7,612
Average Assessment per Parcel	$77.42	$95.29
Assessment Less Than $80	52	41
Assessment $80-100	13	14
Assessment $100-150	7	13
Assessment $150-200	5	5
Assessment $200-300	1	4
Assessment $300+	2	3

Next Steps and Schedule

1. Tonight – Approve Engineer's Report, Set Public Hearing Date and declare Council intent to levy and collect assessments for the 2022/23 fiscal year
2. March 1, 2022 – On or before this date, publish 45-day notice of Public Hearing in local newspaper accordance with code
3. March 1, 2022 – On or before this date, send individual notices and ballots to property owners within zones subject to a Proposition 218 Hearing
4. June 1, 2022 – Conduct Proposition 218 Hearing
5. Following adoption of the assessments on June 1,2022, staff will commence the process of merging zones 10A through I. Discussion with the City Attorney indicated that this process should be separated from the annual Engineer's Report.

This schedule assumes no special outreach to residents. It is possible that outreach may assist property owners in their determination of how they should vote. At present, such outreach if conducted would likely need to occur virtually due to Covid-19. It is not known with any certainty, but virtual outreach could result in unequal representation of property owners.

Resident/Parcel Owner Outreach

In lieu of in person outreach, staff will prepare a publication that includes a list of Frequently Asked Questions (FAQ).

Accounting of the Zones

Based on the current assessments allowed by existing covenants, revenue is projected to be approximately $465,419 dollars with expenses of $530,104, resulting in an overall deficit of $64,685 when totaling all zones.

When considering only zones where expenses exceed revenue, the total deficit increases to $82,155 dollars.

If all proposition 218 votes were successful, the budget deficit would reduce to $7,612, with the goal of having a budget surplus at the end of 5 years.

While these values are important in recognizing that revenue is currently out of sync with expenses, it does not provide an accurate global picture of finances within the program. Some zones are relying upon fund balances built up over one or more years while others are currently falling further behind and will continue to do so until they have had a successful Proposition 218 hearing that allows funding to catch up with expenses.

Based on the discussions above, it is evident that the General Fund must compensate for imbalances in the zones when expenses exceed revenue or reduce expenses. This process occurs on a zone-by-zone basis. As such, when accounting for individual zones where a deficit is anticipated, the General Fund will cover approximately $60,163 in expenses as alluded to above. Over time, this value can be reduced and recouped through the following efforts:

- Parks adjusts effort expended to match revenue as best as possible.
- Proposition 218 hearings continue in future years
- Continue to apply full cost of living adjustments to those zones that have covenants allowing the practice. This is a slow process but can be affective over time.

FISCAL IMPACT

The General Fund is expected to absorb at least $19,879 in LMD staff costs in the current fiscal year based on past evaluations of lost revenue. Based on Council's previous direction, the recommended assessments proposed in the Engineer's Report would not recover this amount.

Fiscal impacts are realized in a number of different ways.

Per prior Council direction, administrative costs are capped at 30 percent of the value of non-administrative cost. Given administrative costs have not historically been tracked, a determination of General Fund impact cannot be readily determined. Prior to the decision to limit administrative costs, the total costs allocated from all departments exceeded 30 percent based on previous determinations of effort associated with managing the LMDs.

If sufficient protests under Proposition 218 are made to prevent assessment increases, additional General Fund contributions could be required on a permanent basis unless the City elects to reduce service to the level that matches revenue as was done in previous fiscal years. Additionally, any other decision to reduce assessments as part of this process may result in the need for General Fund contributions to the zones affected.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN

The formation of Landscape and Lighting Districts while not specifically addressed in the vision or action plans would seem to fit well with:

Strategy 126 - Clean, attractive streets: Expand or develop programs to create clean, safe and aesthetically pleasing streets.

ALTERNATIVES:

Adjust individual or multiple zones – Each adjustment results in changes that may be carried forward in future years in varying ways

LMD Cost Assessment Factors

ATTACHMENT 1 – LMD COST ASSESSMENT FACTORS

- **Use of Fund Balance** - Beginning in Fiscal Year (FY) 2012/2013, an analysis of available fund balances in many zones indicated that assessments could be temporarily reduced or eliminated in those zones while the fund balances were brought down to appropriate levels which better approximated actual expenses. In some cases, these reductions still need to continue. In others, the fund balances have been reduced appropriately, and the assessments now need to be reset at a level where they equal expenses.

- **Tree Trimming -** As funding is available, trees in a zone are trimmed as needed. For those zones that do not approve increases to assessments when asked to vote for increase as part of a Proposition 218 hearing, tree trimming represents the first maintenance item to be removed; the assumption being trees represented less of a visual impact than un-mowed grass or un-trimmed bushes.

- **Unsuccessful Assessment Increase -** Where Proposition 218 hearings fail to increase assessments, Parks has previously attempted to reduce the level of maintenance to a point commensurate with available funding.

- **Reserve for Cash Flow -** This reserve may be held in accordance with Section 22569 of the Streets and Highways Code. The maximum amount (accrual) and defined target for the zones is equivalent to the estimated costs of maintaining the zones between July 1 and December 10. The maximum amount would be accrued over the course of as much as 5 years with the goal of reducing the magnitude of recommended assessment increases when they do occur. Prior to this reserve going below zero in any given year for those zones that do not have an escalation/cost of living (COLA) clause, a Proposition 218 Hearing would be required to increase assessments. Staff's approach to this has been expanded this year based on additional positive reviews of the Streets and Highways Code. This enhanced approach allows for deficits or surplus reserves to be carried forward for more than one year if it is part of a defined and documented expenditure plan. To that end, staff will continue to seek to achieve the maximum accrual of fund balance at 5 years but the old approach wherein a deficit needed to be zeroed out immediately will be relaxed allowing for it to be reduced over two or more years. If the reserve is larger than the maximum accrual, it will also be allowed to reduce from a larger amount to the goal over 5 years rather than applying a large reduction in assessment. For each scenario, incremental adjustments can be applied from year to year while always looking out 5 years.

- **Administrative Costs** - Administrative costs are capped at 30% of the value of non-administrative cost.

- **Cost of Living Adjustment (COLA)** - Certain zones include covenants providing for annual cost of living increases based on the change in the Engineering News Record-Construction Cost Index (CCI) for the time frame between July 1, 2020, and July 1, 2021.

- **COVID-19 CCI Fluctuations** - As a result of the COVID-19 pandemic or other factors related to the economy, the annual CCI rate is expected to be significantly higher than previous years.

RESOLUTION NO. 22-_____

A RESOLUTION OF THE COUNCIL OF THE CITY OF MADERA, CALIFORNIA, APPROVING THE ENGINEERS REPORT FOR FISCAL YEAR 2022-2023 FOR CITYWIDE LANDSCAPE AND LIGHTING DISTRICT ZONES OF BENEFIT 1, 2, 3, 4, 6-A, 6-B, 7, 8, 9, 10-A, 10-B, 10-C, 10-D, 10-E, 10-F, 10-G, 10-H,10-I, 12, 13, 14, 15, 15-B, 15-C, 16, 17-A, 17-B, 17-C, 17-D, 18, 20-A, 20-B, 20-C, 21-A, 21-B, 21-C, 21-D, 23, 24, 25-C, 25-D, 26, 26-B, 26-C,26-D, 27, 27-B, 28, 28-B, 29, 29-B, 29-C, 29-D, 29-E, 30, 31-A, 31-B, 32-A, 32-B, 33, 34, 34-B, 34-C, 35, 36-A, 36-B, 36-C, 37, 39, 40, 41, 43-A, 43-C, 43-D, 43-E, 44, 45-A, 46, 50 & 51

WHEREAS, the City Council has heretofore, provided for the formation of a City-Wide Assessment District pursuant to the Landscape and Lighting Act of 1972 (the "Act") and provided for the inclusion of Zones into said District; and

WHEREAS, pursuant to Section 22624 of the Streets and Highways Code of the State of California (the "Landscape and Lighting Act of 1972"), the Council of the City of Madera has reviewed and approved the report of the City Engineer relative to the levy and collection of assessments under the Landscaping and Lighting Act of 1972 for Benefit Zones 1, 2, 3, 4, 6-A, 6-B, 7, 8, 9, 10-A, 10-B, 10-C, 10-D, 10-E, 10-F, 10-G, 10-H, 10-I, 12, 13, 14, 15, 15-B, 15-C, 16, 17-A, 17-B, 17-C, 17-D, 18, 20-A, 20-B, 20-C, 21-A, 21-B, 21-C, 21-D, 23, 24, 25-C, 25-D, 26, 26-B, 26-C, 26-D, 27, 27-B, 28, 28-B, 29, 29-B, 29-C, 29-D, 29-E, 30, 31-A, 31-B, 32-A, 32-B, 33, 34, 34-B, 34-C, 35, 36-A, 36-B, 36-C, 37, 39, 40, 41, 43-A, 43-C, 43-D, 43-E, 44, 45-A, 46, 50 & 51 of the Landscape and Lighting Assessment District of the City of Madera for the Fiscal Year 2022/2023; and

WHEREAS, pursuant to Streets and Highway Code Section 22630, the City Council may order changes in any matters provided in the City Engineer's Report; and

WHEREAS, the City Engineer has prepared an Engineer's Report which has been filed with the office of the City Clerk for submission to the City Council, setting forth a full and detailed description of the improvements, the boundaries of the assessment district, the zones of benefit therein and the proposed assessments upon assessable lots and parcels of land within the District to which reference is hereby made for full particulars. The boundaries of the zones of benefit

within the City-Wide assessment district and the improvement therein are as generally described in the Engineer's Report.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MADERA HEREBY finds, orders, and resolves as follows:

1. The above recitals are true and correct.

2. The Engineer's Report has been prepared and has been filed with the office of the City Clerk for submission to the City Council and has been approved by the City Council.

3. The City Council hereby confirms the diagram and annual assessments as set forth in the report of the City Engineer for Zones of Benefit 1, 2, 3, 4, 6-A, 6-B, 7, 8, 9, 10-A, 10-B, 10-C, 10-D, 10-E, 10-F, 10-G, 10-H, 10-I, 12, 13, 14, 15, 15-B, 15-C, 16, 17-A, 17-B, 17-C, 17-D, 18, 20-A, 20-B, 20-C, 21-A, 21-B, 21-C, 21-D, 23, 24, 25-C, 25-D, 26, 26-B, 26-C, 26-D, 27, 27-B, 28, 28-B, 29, 29-B, 29-C, 29-D, 29-E, 30, 31-A, 31-B, 32-A, 32-B, 33, 34, 34-B, 34-C, 35, 36-A, 36-B, 36-C, 37, 39, 40, 41, 43-A, 43-C, 43-D, 43-E, 44, 45-A, 46, 50 & 51 of the Landscape and Lighting District of the City of Madera, as the same may be modified, and levies the assessments as set forth in said Report of the Engineer in those zones listed above for Fiscal Year 2022/2023.

4. The Landscape and Lighting District Zones which generally include but are not limited to park strip and median landscaping are in general conformity to those originally formed and no changes have been made or are proposed to the existing improvements as part of this action.

5. This resolution is effective immediately upon adoption.

WHEREAS, the City Council has heretofore, provided for the formation of a City-Wide Assessment District pursuant to the Landscape and Lighting Act of 1972 (the "Act") and provided for the inclusion of Zones into said District; and

WHEREAS, pursuant to Streets and Highway Code Section 22630, the City Council may order changes in any matters provided in the City Engineer's Report; and

WHEREAS, the recommended assessment for 2022/2023 reflects the cost of landscape maintenance provided by the City for said fiscal year; and

WHEREAS, the City Engineer has prepared an Engineer's Report which has been filed with the office of the City Clerk for submission to the City Council, setting forth a full and detailed description of the improvements, the boundaries of the assessment district, the zones of benefit therein and the proposed assessments upon assessable lots and parcels of land within the District to which reference is hereby made for full particulars. The boundaries of the zones of benefit within the City-wide assessment district and the improvement therein are as generally described in the Engineer's Report; and

WHEREAS, by resolution adopted this date the Council has approved the Engineer's Report; and

WHEREAS, the Council intends to hold a public hearing on June 1, 2022, to allow every interested person an opportunity to comment upon the Engineer's Report relative to the diagram or cost of the work, either orally or in writing and regarding the proposed increases in assessments for certain zone districts in accordance with Proposition 218.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MADERA HEREBY finds, orders, and resolves as follows:

1. The above recitals are true and correct.

2. The Engineer's Report has been prepared and has been filed with the office of the City Clerk for submission to the City Council and has been approved by the City Council.

3. The City Council hereby confirms the diagram and annual assessments as set forth in the report of the City Engineer for Zones of Benefit 1, 2, 3, 4, 6-A, 6-B, 7, 8, 9, 10-A, 10-B, 10-C, 10-D, 10-E, 10-F, 10-G, 10-H,10-I, 12, 13, 14, 15, 15-B, 15-C, 16, 17-A, 17-B, 17-C, 17-D, 18, 20-A, 20-B, 20-C, 21-A, 21-B, 21-C, 21-D, 23, 24, 25-C, 25-D, 26, 26-B, 26-C,26-D, 27, 27-B, 28, 28-B, 29, 29-B, 29-C, 29-D, 29-E, 30, 31-A, 31-B, 32-A, 32-B, 33, 34, 34-B, 34-C, 35, 36-A, 36-B, 36-C, 37, 39, 40, 41, 43-A, 43-C, 43-D, 43-E, 44, 45-A, 46, 50 & 51 of the Landscape and Lighting District of the City of Madera, as the same may be modified, and levies the assessments as set forth in said report of the Engineer for those zones which received a majority yes vote for Fiscal Year 2022/2023.

4. The Landscape and Lighting District Zones which generally include, but are not limited to, park strip and median landscaping are in general conformity to those originally formed and no changes have been made or are proposed to the existing improvements as part of this action.

5. A Public Hearing shall be held by the City Council at its regular meeting date of June 1, 2022, in the City Council Chambers located at 205 W. 4th Madera Street, Madera, CA.

6. Increases in assessments are proposed for the following Zone Districts: 3, 7, 8, 9, 10A, 10D, 10G, 10H, 10I, 13, 14, 15B, 15C, 16, 17A, 17C, 17D, 20B, 21A, 23, 25C, 26, 26C, 26D, 27B, 29B, 31A, 36B

7. The City Engineer is directed and authorized to issue all Notices of Public Hearing as required by law.

8. This resolution is effective immediately upon adoption.

ZONES: **1, 2, 3, 4, 6-A, 6-B, 7, 8, 9, 10-A, 10-B, 10-C, 10-D, 10-E, 10-F, 10-G, 10-H,10-I, 12, 13, 14, 15, 15-B, 15-C, 16, 17-A, 17-B, 17-C, 17-D, 18, 20-A, 20-B, 20-C, 21-A, 21-B, 21-C, 21-D, 23, 24, 25-C, 25-D, 26, 26-B, 26-C,26-D, 27, 27-B, 28, 28-B, 29, 29-B, 29-C, 29-D, 29-E, 30, 31-A, 31-B, 32-A, 32-B, 33, 34, 34-B, 34-C, 35, 36-A, 36-B, 36-C, 37, 39, 40, 41, 43-A, 43-C, 43-D, 43-E, 44, 45-A, 46, 50 & 51**

WHEREAS, on June, 1991 the City Council of the City of Madera by resolution provided for the creation of a Landscape Maintenance District to provide funds to the City for the maintenance of landscaping within street medians, street park strips, and easements included as a part of said District, the entire City shall be designated as one District composed of separate Landscape Maintenance Zones, and

NOW THEREFORE, I, Keith Brent Helmuth, Engineer of Work for the City of Madera, do hereby assess and apportion the total estimate of cost of the formation, servicing, and maintenance of the referenced Zones upon the several lots or parcels of land benefited, as more particularly set forth in the assessment rolls filed herewith, marked Exhibit "C" and incorporated herein by reference. The numbers on said assessment roll correspond with the assigned numbers upon the assessment diagrams filed herewith, marked Exhibit "D", and incorporated herein by reference. Said assessment is made upon the several lots or parcels of land within the Zones in proportion to the estimated benefits to be received by said lots of parcels of land for said maintenance. A description of the method used to estimate those benefits is presented below.

PLANS AND SPECIFICATIONS

Improvement Plans, Tract Map, and Conditions of Approval have been used to determine landscaped areas within each Zone. Such detailed plans have been prepared by the various project developers and are on file with the City of Madera.

ESTIMATE OF COSTS

The amounts to be assessed and a breakdown of these costs are provided in the Exhibit "C". These costs are based upon the best estimates available at the time of preparation of this report. Since this report will be a yearly document for the continuation of each maintenance Zone, any costs not spent by the City of Madera during the referenced fiscal year will be credited to assessments in future years. Conversely any costs underestimated during the referenced year will be recovered by assessments in future years.

The amount to be assessed maybe increased annually by the increase in the Engineering News Record Construction Cost Index (Los Angeles) plus two percent (2%) for those zones that include an escalation clause within the covenant that was executed upon formation of the zone. Zones that do not include an escalation clause may only be increased as the result of a Proposition 218 election.

ASSESSMENT DIAGRAM

The maps entitled "ASSESSMENT DIAGRAM" are incorporated herein, and sets forth the lots of parcels of land, and assigns each individual parcel a distinctive number for reference to the assessment roll. Each of the properties included within each referenced Zone is identified by an Assessment Parcel Number.

ZONES: 1, 2, 3, 4, 6-A, 6-B, 7, 8, 9, 10-A, 10-B, 10-C, 10-D, 10-E, 10-F, 10-G, 10-H,10-I, 12, 13, 14, 15, 15-B, 15-C, 16, 17-A, 17-B, 17-C, 17-D, 18, 20-A, 20-B, 20-C, 21-A, 21-B, 21-C, 21-D, 23, 24, 25-C, 25-D, 26, 26-B, 26-C,26-D, 27, 27-B, 28, 28-B, 29, 29-B, 29-C, 29-D, 29-E, 30, 31-A, 31-B, 32-A, 32-B, 33, 34, 34-B, 34-C, 35, 36-A, 36-B, 36-C, 37, 39, 40, 41, 43-A, 43-C, 43-D, 43-E, 44, 45-A, 46, 50 & 51

2022-2023 ASSESSMENT

ASSESSMENT SPREAD METHODOLOGY

PROPERTY RELATED BENEFIT

Property-related benefit must provide a specific, rather than general, benefit to each property being assessed in proportion to at least the amount of assessment.

The installation and maintenance of landscaping of park strips, median islands along major streets, median islands within developments/subdivisions, and certain out-lots, were requirements for obtaining favorable development entitlements which provide a specific benefit to the newly created properties, all as more particularly described on Exhibit "B".

GENERAL BENEFIT

General benefit is defined as any benefit that does not confer specific benefit via a property-related service or capital improvement. General benefits can be determined to benefit the property within the District/Zone and/or the public at large. The landscaping in median islands located in major streets results in an attractive transportation corridor for the community in conformance with the City's General Plan, and thereby providing some degree of general benefit as well as, a specific benefit to adjoining properties.

FY 2022-2023 ASSESSMENT

In accordance with the definitions of Proposition 218, the properties in each case are being assessed for their prorate share of costs to maintain the landscaping in park strips along major streets adjacent to the respective developments/subdivisions, in median islands located within the development/subdivision, in certain outlots. Costs include maintenance of trees, shrubs, sprinkler systems, fertilizer, weed control and general maintenance and repair or replacement when required. The assessment may be increased annually to the range of the assessment in the amount of the Engineering News Record Constructions Cost Index (Los Angeles, plus two percent).

In accordance with Proposition 218, the owners of land with a majority of the total cost of assessments did heretofore approve the assessments for landscape maintenance on June 4, 1997, June 3, 1998, July 16, 1999, July 19, 2000, April 4, 2001, June 6, 2001, June 5, 2002, August 21, 2002, July 16, 2003, September 1, 2004, August 3, 2005, August 16, 2006, August 15, 2007, August 20, 2008 and August 5, 2009, July 21, 2010, August 3, 2011, August 1, 2012, August 7, 2013, June 4, 2014, July 1, 2015, July 20, 2016, July 19, 2017, August 1, 2018, July 3, 2019, and July 15, 2020, or was required as a condition of approval of the subdivision.

ZONES: 1, 2, 3, 4, 6-A, 6-B, 7, 8, 9, 10-A, 10-B, 10-C, 10-D, 10-E, 10-F, 10-G, 10-H,10-I, 12, 13, 14, 15, 15-B, 15-C, 16, 17-A, 17-B, 17-C, 17-D, 18, 20-A, 20-B, 20-C, 21-A, 21-B, 21-C, 21-D, 23, 24, 25-C, 25-D, 26, 26-B, 26-C,26-D, 27, 27-B, 28, 28-B, 29, 29-B, 29-C, 29-D, 29-E, 30, 31-A, 31-B, 32-A, 32-B, 33, 34, 34-B, 34-C, 35, 36-A, 36-B, 36-C, 37, 39, 40, 41, 43-A, 43-C, 43-D, 43-E, 44, 45-A, 46, 50 & 51

2022-2023 ASSESSMENT

METHOD OF ASSESSMENT BY ZONE

ZONE 1 – Airport Business Park
Landscape easements along the east and west side of Airport Drive from Aviation Drive to Avenue 17 were included as part of the Airport Business Park Improvement Plans and are also required for proposed future development within the boundaries established herein. Therefore, it is incumbent upon all property owners within the boundaries to account for their fair share of the costs to maintain the landscaped areas.

There are 45 parcels within the Airport Business Park included in this Zone, all of them zoned for commercial use. Assessments for maintenance of the above improvements have been spread based upon parcel area of all properties within the Zone and frontage length of those properties fronting the landscaped areas along Airport Drive. The proportions will be such that 75 % of the total assessment will be spread on the basis of lot area and the remaining 25 % will be spread on the basis of frontage length along Airport Drive.

ZONE 2 – Pheasant Run/Northwest Estates
Landscaping along the north right of way of Cleveland Avenue and along the east right of way of Granada Drive was included as conditions of approval of plans for Pheasant Run Subdivision. Landscaped median islands along Schnoor Avenue between Cleveland Avenue and Avenue 16 were included as conditions of approval of plans for Northwest Estates Subdivision and proposed future development within the boundaries established herein. A portion of the future Cleveland Avenue median landscaping was also included as an assessable item within the Zone. The assessments include fifty percent of the costs for maintaining of the median island landscaping on Schnoor and Cleveland Avenues. Therefore, it is incumbent upon all property owners within the boundaries to account for their fair share of the costs to maintain the landscaped areas.

There are 173 (Assessment Numbers 10-182) single-family residential lots within Pheasant Run Subdivision Nos. 1, 2 and 3 and 97 single-family residential lots within Northwest Estates Subdivision Nos. 1-5 & 7 (Assessment Numbers 183-220 and 237 –278 and 281- 297). Assessments for maintenance of the above improvements have been spread based upon one unit of assessment per each residential lot, for a total of 260 unit assessments for residential property.

Assessment Numbers 279 and 280, and Parcel 1 in Book 35 of Maps at Page 27 of Madera County Records (Assessment No. 232) and Parcels A through O in Book 42 of Maps at pages 107 and 108 of Madera County Records (Assessment Nos. 221 through 226 zoned professional office) and all property east of Schnoor Avenue within Zone 2 (319-328) are currently zoned commercial. The number of units assigned to each commercial lot was determined by dividing their respective areas by 0.15 acre, which is the average area of the single-family residential lots within the Pheasant Run and Northwest Estates subdivisions.

ZONE 3 – Mansionette Estates, Phases 1, 2, 3
Landscaped medians along Schnoor Avenue between Cleveland Avenue and the Fresno River and a portion of the Cleveland Avenue median landscaping were conditions of approval of proposed future development within the boundaries of Mansionette Estates 1, 2, & 3. Therefore, it is incumbent upon all property owners within the boundaries to account for their fair share of the costs for maintenance of the median island landscaping in Schnoor Avenue. The assessments include fifty percent of the cost for maintenance of the landscaping of the MID canal right of way.

Parcel 1 and 2 in Book 49 of Maps at Page 9 of Madera County Records (Assessment Numbers 7 and 8) and Parcels 1 and 2 in Book 43 of Maps at Pages 9 and 10 of Madera County Records (Assessment Number 10 and 11) and parcel 3 and 4 in Book 43 of Maps at Pages 9 and 10 of Madera County Records (Assessment number 9) were combined per document 2006017711 to form one parcel and Parcels 1, 2 and 4 in Book 38 of Maps, at Page 87 of Madera County Records (Assessment Numbers 2, 3, and 4) and Parcel 1 and 2 in Book 39 of Maps at Page 129 of Madera County Records (Assessment Numbers 5 and 6) are currently zoned commercial. Parcel A in Book 37 of Maps, at Pages 102-104 of Madera County Records (Assessment Number 1) is currently zoned multi-family residential. The number of unit assessments assigned to each commercial lot and multi-family lot was determined by dividing their respective areas by 0.17 acre, which is the average size of the single family residential lot within Mansionette Estates, Phase 1, 2, & 3.

Parcel B in Book 37 of Maps, at Pages 102-104 of Madera County Records has been subdivided into two lots. The northerly lot has been further divided into 34 single family residential lots within Mansionette Estates Phase III Subdivision in Book 42 of Maps at Pages 143 and 144 of Madera County Records (Assessment Number 106 through 139). There are 159 single-family residential lots within Mansionette Estates Subdivision Phase I and II in Book 37 of Maps at Pages 103 and 104 of Madera county Records (Assessment Numbers 12 through 105). Assessments for maintenance of the above improvements have been spread based upon one unit of assessment per each residential lot. The southerly lot (Assessment Numbers 172 and 173) cannot be developed and will not be assessed.

There are 193 unit assessments for residential property, and 11unit assessments for commercial areas.

ZONE 4 – Westgate Northwest, Phases I & II
A condition of approval of the Westgate Northwest subdivision required landscaping of the following areas.

1. A median island in North Westberry Boulevard, between Sunset Avenue and Riverview Drive;

2. A median island in Double Tree Way between Sunset Avenue and Boulder Avenue;

3. A median island in Castle Way between Double Tree Way and Countess Lane.

4. The planter strip along the east right of way of Westberry Boulevard, contiguous to the subdivision; and,

5. The planter strip along the north right of way of Sunset Avenue contiguous to the subdivision.

The proposed landscape area between Riverview Drive and the Fresno River was also added as an assessable item within the Zone. Therefore, it is incumbent upon all property owners within the boundaries to account for their fair share of costs to maintain the landscaped areas.

There are 106 zero lot line, family residential lots and 57 standard, single-family residential lots within Westgate Northwest Phase I. There are 90 single family residential lots within Phase II of Westgate Northwest after numerous Lot Line Adjustments.

Assessments for maintenance of the above improvements have been spread based upon one unit of assessment per each zero lot line residential lot and two units of assessment per each standard residential lot, which are approximately twice the acreage of the zero lot line residential lots.

ZONE 6A – Woodlands/Basila

Landscaping of certain areas was a condition of approval for the Woodland Subdivision, the Woodlands Subdivision No. 2, and the Basila Subdivision in Madera. Landscape areas are located along Woodlands Drive, Woodlands Court, Cedar Creek Lane and Westberry Blvd, all within or adjacent to the above subdivision and streets. The median island landscaping along Westberry Blvd between Sunset Avenue and the south property line of Basila Subdivision, Phase 2 and 3 shall be included in the assessments at a rate of 50% of the costs of maintenance.

There are 108 single family residential lots within Woodland Subdivision, Woodland Subdivision No. 2, Basila Subdivision, and Basila Subdivision Phases 2 and 3. Assessment for maintenance of these improvements has been spread based upon one unit of assessment per each of the 109 residential lots.

The remaining two parcels (009-300-010-000 & 009-300-009-000) have been assessed for maintenance of these improvements and has been spread based upon one unit of assessment per each of the 109 residential lots.

ZONE 6B – Sunset Southwest, Phases 1, 2, 3, 4 & 5

Landscaping was required by conditions of approval for Sunset Southwest Subdivision, Phases I through 5 including Kimmel Avenue, the south side of Sunset Avenue, the west side of Westberry Boulevard and 50% of the median in Westberry Boulevard, all within or adjacent to the above subdivision and streets.

There are 139 residential lots within Sunset Southwest Subdivision, Phases1 through 5. Assessment for maintenance of these improvements has been spread based upon one unit of assessment per each of the 139 residential lots.

ZONE 7 – Town & Country Estates

Landscaped medians along Merlot Avenue, landscaping within the west right of way of S. Granada Drive and the north right of way of W. Almond, and maintenance of the paved emergency access easement were included as conditions of approval of the Town and Country Estates subdivision. Therefore, it is incumbent upon all property owners within these boundaries to account for their fair share of costs to maintain the landscaped areas.

There are 137 single-family residential lots within Town & Country Estates, which benefit from the landscaped frontage along Granada Drive and the landscaped median in Merlot Avenue. Assessments for maintenance of the landscape improvements have been spread based upon one unit of assessment per each of the 137 residential lots.

Assessment Numbers 138, 139 and 140 are zoned for multi-family residential units. The apartment units front Almond Avenue and a portion of Granada Drive. The apartments isolate the single-family lots from any benefit of landscaping along these roads. Therefore maintenance costs associated with this landscaping will be applied only to the multi-family residential units once established. No maintenance costs are assumed for the 30-foot wide access easement through the apartment complex since it is temporary and will be replaced by a parking lot.

The number of units assigned to each multi-family residential lot, was determined by dividing their respective areas by 0.16 acre, which is the average size of the single-family residential lot within the Town and Country Estates subdivision.

ZONE 8 – Vineyard Estates Subdivision, Phases II, III, IV & V
Conditions of approval of the plans for the Vineyards Subdivision 2, 3, 4 and 5, required maintenance of the landscaped areas noted below:

1. The park strip along the north right of way of Pecan Avenue;

2. The landscape easement along the north side of Pecan Avenue;

3. The landscape easement adjacent to the storm drainage pond; and,

4. The landscape buffer within the right of way along the north and south sides of Gary Lane.

Therefore, it is incumbent upon all property owners within these boundaries to account for their fair share of the costs to maintain the landscaped areas. Assessments for maintenance of the above improvements have been spread based upon one unit of assessment per each of the 193 single family residential lots within the Vineyards Subdivision No. 1, 2, 3, 4 and 5.

Assessment Numbers 52, 53 and 54 are currently zoned commercial. The number of units assigned to each commercial lot was determined by dividing their respective areas by 0.14 acre, which is the average size of the single family residential lot within Vineyards, Phases II, III, IV and V.

The assessments for Assessment Numbers 1-51 and 55-196 may increase if future development requires landscaping along Monterey Avenue, Gary Lane or Pecan Avenue.

ZONE 9 – Orchard Estates & Orchard Estates No. 2
Landscaping in the park strip located along the North right of way of Pecan Avenue was included as a condition of approval of plans for the Orchard Estates Subdivision. Therefore, it is incumbent upon all property owners within the boundaries of Orchard Estates Subdivision and Orchard Estates Subdivision No. 2 to account for their fair share of the costs to maintain the landscaped areas.

Assessments for maintenance of the above improvements have been spread based upon one unit of assessment per each of the 66 single family residential lots within Orchard Estates Subdivision and Orchard Estates Subdivision No. 2, and the 2 other residential lots within Zone 9, for a total of 68 units of assessment.

ZONE 10 A – Venturi Subdivision
The landscape park strip along the north side of Sunset Avenue from Shannon Avenue to 630 feet to the east line of the subdivision and the park strip along the east side of Shannon Avenue, located between 248 feet and 428 feet (180) north of Sunset Avenue, was included as a condition of approval of the plans for the Venturi Subdivision. The entry gate to the subdivision has 180 square feet of landscaping. Assessments for maintenance of the above improvements have been spread based upon one unit of assessment for each of the 13 lots within the Venturi Subdivision.

ZONE 10B – Pebble Beach, Phase I & II
A condition of approval for Pebble Beach Estates Ph II was maintenance of the west park strip along Schnoor Avenue, North and South of Riverview Drive, through the creation of Zone 10B. There are 39 single-family residential lots in Pebble Beach Estates, Phase II within Zone 10B.

Eight (8) single-family residential lots within Pebble Beach Estates, Phase I are included in Zone 10 B for the maintenance of landscaping along the north right-of-way of Sunset Avenue, just West of Shannon Avenue. It is incumbent upon the property owners within the boundaries of the subdivision to account for their fair share of the costs to maintain the landscaped areas. Assessments for maintenance for the above improvements have been spread based upon one unit of assessment per each of the 47 single-family residential lots within Pebble Beach Estates, Phase I and Phase II.

ZONE 10C – Pebble Beach, Phase III & IV
A condition of approval of Pebble Beach Estates Phases III and IV was maintenance of the West park strip along Schnoor Avenue, North and South of Riverview Drive. All parcels within the subdivision are specifically benefited by the maintenance of the landscaped park strip. Therefore it is incumbent upon the property owners within the boundaries to account for their share of the costs to maintain the landscaped areas.

There are 21 single-family residential lots within Pebble Beach Estates Phase III and 29 single-family residential lots within Pebble Beach Estates Phase IV. Assessments for maintenance of the above improvements have been spread based upon one unit of assessment per each of the 50 residential lots within Pebble Beach Estates Phases III and IV.

ZONE 10D – Pebble Beach, Phase V
Maintenance of the landscape planter strip along the west side of Schnoor Avenue between 90 feet South and 360 feet North of University Avenue was a condition of map approval of the Pebble Beach Estates Phase V subdivision. There are 27 single-family residential lots within Pebble Beach Estates Phase V. It is incumbent upon the property owners within the boundaries of the subdivision to account for their fair share of the costs to maintain the landscaped areas. Assessments for maintenance of the above improvements have been spread based on one unit of assessment per each of the 27 residential lots within Pebble Beach Estates Phase V.

ZONE 10E – Pebble Beach, Phase VI
A condition of approval of Pebble Beach Estates, Phase VI was the maintenance of landscaping of several park strips, located:

1. Along the west side of North Schnoor Avenue between a point located 250 feet south of University Avenue, to a point located 800 feet north of University; and,

2. Along the north side of Sunset Avenue from Shannon Drive to Mainberry Drive.

All parcels within the subdivision are specifically benefited by the maintenance of the landscaped median and park strip. Assessments for maintenance of the above improvements have been spread based upon one unit of assessment per each of the 22 residential lots within Pebble Beach Estates Phase VI.

ZONE 10 F – Pebble Beach, Phase VII
A condition of approval of Pebble Beach Estates, Phase VII was a requirement to maintain landscaping in park strips located on the west side of North Schnoor Avenue and along the north side of West Sunset Avenue adjacent to the Pebble Beach Phase I subdivision. All parcels within the subdivision are specifically benefited by the maintenance of the landscaped park strips. Therefore, it is incumbent upon the property owners within the boundaries to account for their fair share of the costs to maintain the landscaped areas.

Assessments for maintenance for the above improvements have been spread based upon one unit of assessment per each of the 41 residential lots within Pebble Beach Estates, Phase VII.

ZONE 10G – Pebble Beach Estates Phase VIII
A condition of approval of Pebble Beach Estates, Phase VIII was the maintenance of landscaping of two park strips:

1. Along the west side of N. Schnoor Avenue; and
2. Along the north side of W. Sunset Avenue all adjacent to Pebble Beach Phase I.

It is incumbent upon the property owners within the boundaries of the subdivision to account for their fair share of the costs to maintain the landscaped areas. Assessments for maintenance of the above improvements have been spread based on one unit of assessment per each of the 46 residential lots within Pebble Beach Estates Phase VIII.

ZONE 10 H – Pebble Beach, Phase IX
A condition of approval of Pebble Beach Estates, Phase IX was a requirement to maintain landscaping and irrigation, including trees along the park strip on the west side of North Schnoor Avenue and the landscaping and irrigation, including trees along the park strip on the north side of West Sunset Avenue all adjacent to the Pebble Beach Subdivision. All parcels within the subdivision are specifically benefited by the maintenance of the landscaped parkstrip. Therefore, it is incumbent upon the property owners within the boundaries to account for their fair share of the costs to maintain the landscaped areas.

There are fifty-three (53) single-family residential lots within Pebble Beach Estates, Phase IX within Zone 10H. Assessments for maintenance for the above improvements have been spread based upon one unit of assessment per each residential lot within Pebble Beach Estates, Phase IX.

ZONE 10 I – Pebble Beach, Phase X
A condition of approval Pebble Beach, Phase X, was the requirement for landscaping and irrigation, including trees, along the park strip on the west side of N. Schnoor Avenue, and the landscaping and irrigation, including trees along the park strip on the north side of W. Sunset Avenue all adjacent to the Pebble Beach Estates Phase X Subdivision.

There are twenty-one (21) single-family residential lots and 1 multi-family lot within Pebble Beach Estates Phase X within Zone 10I. Assessments for maintenance for the above improvements have been spread based upon one unit of assessment per each residential lot within the Pebble Beach Estates Subdivision Phase X.

ZONE 12 – French Cove Phase I & II
A condition of approval of plans for French Cove Phase I and Phase II, included the following landscaped areas:

1. The planter strip on the West side of Westberry Blvd. from 107 feet South of Double Tree Way to the South right of way line of Riverview Drive;

2. The median island in Doubletree Avenue between Summer Set Lane and Westberry Blvd;

3. The median island in Tragon Street between Tragon Way and Summer Set Lane;

4. The planter strip on the North side of Riverview Drive between Summer Set Lane and Westberry Blvd.; and,

5. One-half of the median islands on Westberry Blvd. along the entire east boundary of the subdivision.

The landscaped park strips and the local street medians, provide a zone of benefit to all parcels within the two subdivisions. Therefore, one hundred percent of the maintenance costs for areas 1, 2, 3, 4, and 5 noted above, will be equally shared by the single-family lots within French Cove Phases I and II. The landscaped median in Westberry Blvd. however, provides a zone of benefit to the City at large. Therefore, the maintenance costs for this median island will be equally shared between the City and all single-family lots within the two subdivisions. There are 33 single-family residential lots in French Cove Phase I and 46 single-family residential lots in French Cove Phase II, for a total of 79 unit assessments.

ZONE 13 – Las Palmas Estates, Phases I, II, III & IV
A condition of approval of Las Palmas Subdivision Phases I, II, III and IV, was maintenance of the park strip located on the South side of Olive Avenue along the frontage of Phase I and the median island landscaping located in Varbella Park between Varbella Way and La Perla Way. It is therefore incumbent upon the property owners within the boundaries of Las Palmas Subdivision Phases I, II, III and IV to account for their fair share of the costs to maintain the landscaped areas.

There are 22 lots in Phase I, 26 lots in Phase II, 9 lots in Phase III, and, 11 lots in Phase IV, all within Zone 13. Assessments for maintenance for the above improvements have been spread based upon one unit of assessment per each of the 68 residential lots within Las Palmas Estates Subdivision.

ZONE 14 – Capistrano, Phases I & II
Landscaping along the north side of Almond Avenue along the frontage of Capistrano Subdivision Phase I, and the east side of Stadium Road along the frontages of said Phase I and Capistrano Subdivision Phase II, was required as a condition of approval of the plans for said Phases I and II. Therefore, it is incumbent upon all property owners within the boundaries of the Capistrano Subdivisions, to account for their fair share of costs to maintain the landscaped areas.

There are 115 single-family residential lots in Zone 14. Assessment for maintenance of the above landscaped areas has been spread based upon one unit of assessment per each residential lot within the Capistrano Subdivisions.

ZONE 15 – Clinton/Elm Ranchos, Phase I
Landscaping of the planter strip along the southeast side of Clinton Avenue, for the full frontage of the Clinton-Elm Ranchos Subdivision, from Fig Avenue to Elm Avenue, was required by the conditions of approval of the plans. It is therefore incumbent upon all property owners within the boundaries of the subdivision to account for their fair share of the costs to maintain the landscaped areas.

There are 19 single-family residential lots within the Clinton/Elm Ranchos Subdivision in Zone 15. Assessments for maintenance of the above improvements have been spread based upon one unit of assessment per each residential lot within Clinton/Elm Ranchos Subdivision.

ZONE 15B – Clinton/Elm Ranchos, Phase II
Maintenance of the landscaped planter strip along the southeast side of Clinton Avenue from Fig Avenue to Elm Avenue was required by the conditions of approval of the plans for the Clinton/Elm Ranchos Subdivision Phase II. It is therefore incumbent upon all property owners within the boundaries of the subdivision to account for their fair share of the costs to maintain the landscaped areas.

There are 10 single-family residential lots within the Clinton/Elm Ranchos Subdivision Phase II, in Zone 15B. Assessments for maintenance of the above improvements have been spread based upon one unit of assessment per each residential lot within said Phase II.

ZONE 15C – Clinton/Elm Ranchos, Phase III
A condition of approval of plans for Clinton/Elm Ranchos Phase III was maintenance of the landscaped planter strip along the southeasterly side of Clinton Avenue from Fig Avenue to Elm Avenue. It is incumbent upon the property owners within the boundaries of the subdivision to account for their fair share of the costs to maintain the landscaped areas. Assessments for maintenance of the above improvements have been spread based on one unit of assessment per each of the 11 residential lots within Clinton/Elm Ranchos, Phase III.

ZONE 16 – Sugar Pine Estates
Conditions of approval of the Sugar Pine Estates subdivision required landscaping of the following areas:

1. Outlots “A” and “B” along the southwesterly side of Lilly Street between the Main Canal No. 1 and Sawmill Street;

2. Planter strip on the southwest side of Lilly Street adjacent to lots 1 through 4 inclusive, of said subdivision, a distance of approximately 214 feet; and,

3. Planter strip on the northeasterly side of Adelaide Street, adjacent to lots 5 through 8 inclusive and adjacent to lot 9, a distance of about 240 feet.

All parcels within the subdivision are specifically benefited by the maintenance of the landscaped outlots and the planter strips. Assessments for maintenance of the above improvements have been spread based on one unit of assessment per each of the 24 residential lots and Outlot "C" within Sugar Pine Estates.

ZONE 17A – Capistrano X, Phases I & II & TUSCAN VILLAGE

A condition of approval of plans for Tuscan Village, required landscaped areas and an irrigation system in the park strip located along the west side of North Westberry Boulevard north of Ren way, adjacent to the east side said subdivision, a distance of 250 lineal feet. The above landscaping completes the park strip to be included in Zone of Benefit 17A.

A condition of map approval for Capistrano X, Phases I & II, required landscaped areas at the locations noted below.

1. median island and the park strip along the west side of Westberry Boulevard between a point located approximately 123 feet south of the centerline of Ren Way to a point located approximately 247 feet north of said centerline;

2. median island and park strip along the west side of Westberry Boulevard between a point located approximately 145 feet south of the centerline of Westgate Drive to a point located approximately 247 feet north of said centerline; and,

3. "Outlot A" along the east side of Kent Drive, an area 15 feet wide and 300 feet long, more or less.

There are 40 single-family residential lots in Phase I and 33 single-family residential lots in Phase II. Assessments for maintenance of the above improvements have been spread based on one unit of assessment per each of the 73 residential lots within Capistrano X Phases I and II; and, the 25 lots in Tuscan Village derive a benefit from the landscaped median island in point located approximately 123 feet south of the centerline of Ren Way and a point located approximately 247 feet north of the centerline of Westgate Drive. Therefore, one-hundred percent of the maintenance costs for the above identified park strip and 50% of the maintenance costs of the above identified median island will be assessed against 98 lots now existing within Zone 17A.

ZONE 17B – Capistrano X Phase III

One of the conditions for approval of plans for the Capistrano X, Phase III, was maintenance of the landscaped park strip along the east side of Westberry Blvd and, the median island in Westberry Blvd., along a distance of about 530 feet. REPORT TO CITY COUNCIL

Council Meeting of: February 2, 2022

Agenda Number: D-3

Keith Helmuth, Department Director

Arnoldo Rodriguez, City Manager

SUBJECT:

Contract Award for the Sidewalk Improvements Maple Street – Santa Cruz Street – Monterey Street, CDBG Project No. B19MC060053, City Project No. R-84

RECOMMENDATION:

Adopt a Resolution Approving the Contract Award for the Sidewalk Improvements Maple Street – Santa Cruz Street – Monterey Street, CDBG Project No. B19MC060053, City Project No. R-84 ("Project"), in the Amount of $254,678 to Witbro, Inc. dba Seal Rite Paving & Grading

SUMMARY:

On December 15, 2021, the City received nine bids for the Project. Witbro, Inc. dba Seal Rite Paving & Grading (Seal Rite) submitted the lowest responsive and responsible bid that meets the contract requirements. Funds for the Project are programmed in the Capital Improvement Program (CIP) Budget Fiscal Year (FY) 2021/22.

DISCUSSION:

The Engineering Division was awarded grant funding from the Community Development Block Grant (CDBG) Program for a project to install sidewalk improvements along Maple Street, Santa Cruz Street, and Monterrey Street. A map of said improvements is provided in Attachment 2.

The "Advertisement for Bids" for the project was duly noticed in the Madera Tribune Newspaper on November 17, 2021 and November 24, 2021. The bid documents (plans and specifications) were distributed to Builders Exchanges in Fresno, Modesto, and Visalia. The bid documents were also made available to the Kern-Minority Contractors Association in Bakersfield, and posted on EBidBoard.com, an online listing service for contractors accessible from the City's website as well as to other contractors that regularly access EBidBoard's website directly.

Upon receipt, the bids were checked for accuracy against bidding requirements of the bid documents and for validity of licenses and bid security.

During the review of bids, it was found that the 1st and 3rd bidders neglected to acknowledge an addendum that had been issued. The 2nd bidder also had neglected to a submit a Nonlobbying Certification. The bid documents provide that the City may waive certain irregularities in the bid proposals.

When determining if the failure to submit the required forms is material or immaterial, the following was determined:

- Regarding the 1st and 3rd bidder – Addendum 1 was issued due to a requirement that bidders be advised of any federal wage changes occurring 10 days prior to bid. A wage change did occur affecting only the wages paid to electricians. The project has no electrical component; therefore failure to acknowledge receipt of the addendum is not material as it would not have affected any of the bid prices received and it did not change the scope of work.
- The 2nd bidder failed to submit the City Requested Nonlobbying Certification (Standard Form LLL) but did submit CDBG Exhibit F Disclosure of Lobbying Activities (Standard Form LLL). The information provided on the CDBG Exhibit F Standard Form LLL is essentially a duplication of the other Standard Form LLL.

The three lowest bidders were told to provide the missing forms within three days and given notice that failure to do so would result in their bids being found non-responsive. The three lowest bidders all provided the forms required to be considered responsive.

The bids received are listed in Table 1.

Table 1: *Bids Received*

Bidder	*Bid*
1. Witbro, Inc. dba Seal Rite Paving & Grading	$254,678.00
2. HBC Enterprises	$259,976.50
3. TBS Contractors	$280,304.70
4. Don Berry Construction	$297,770.00
5. Avison Construction, Inc	$299,750.00
6. Bush Engineering Inc	$325,409.97
7. RJ Berry Jr, Inc.	$364,315.00
8. FBD Vanguard Construction Inc	$365,110.00
9. Midcal Pipeline and Utilities	$365,564.00
Engineer's Opinion of Cost	*$283,960.00*

Seal Rite submitted the lowest responsible bid that meets the contract requirements. Furthermore, to ensure there are opportunities for participation by Disadvantages Business Enterprises (DBEs) there was a 13 percent contract goal of participation in the bidding process. As a requirement of the federal funds, the successful bidder is required to meet the goal or demonstrate that they made a good faith effort to meet that goal. Seal Rite committed to a goal of 13 percent participation by a DBE subcontractors, Madera Concrete, Central Valley Engineering & Surveying, and HS & S Harker,

The project budget and funding are outlined in Table 2.

Table 2: *Project Budget*	
Projected Costs	
Construction Contract – pending approval	$254,678
Contingencies (15% of Contract Amount)	$38,000
Construction Engineering, Inspection and Testing	$38,000
Design Cost	$18,000
Total Costs	**$348,678**
Funds Programmed in FY 21/22 CIP Budget	
CDBG (Account No: 10218020-7050)	$317,889
Local Transportation Funds (LTF) (Account No: 42005330-7050)	$54,000
Measure T Funds (Account No. 4154000-7050)	$49,000
Total Budget	**$420,889**

FINANCIAL IMPACT:

There is no fiscal impact to the City's General Fund. Funds for the project are programmed in the in the FY 2021/22 Capital Projects Budget as outlined in Table 2. Funds resulting from project cost savings will revert back to fund balance in the LTF funds and/or Measure T funds.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

Strategy 121 - Develop a city-wide multi-modal transportation plan to ensure safe, affordable and convenient transportation modes for residents and businesses within Madera.

ALTERNATIVES:

The alternative to awarding the project is to reject all bids. Rebidding the project could result in higher bids. Failure to proceed with the project is a timely manner could jeopardize future awards of CDBG funds.

Contract Award Resolution

RESOLUTION NO. 22-_____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MADERA, CALIFORNIA APPROVING THE CONTRACT AWARD FOR THE SIDEWALK IMPROVEMENTS MAPLE STREET – SANTA CRUZ STREET – MONTEREY STREET, CDBG PROJECT NO. B19MC060053, CITY PROJECT NO. R-84, IN THE AMOUNT OF $254,678 TO WITBRO, INC. DBA SEAL RITE PAVING & GRADING AND AUTHORIZING CONSTRUCTION CONTINGENCIES RELATING TO THE CONTRACT

WHEREAS, on November 17, 2021 and November 24, 2021, the City of Madera (City) Engineering Department advertised a solicitation for bids for Construction of Sidewalk Improvements Maple Street – Santa Cruz Street – Monterey Street, CDBG Project No. B19MC060053, City Project No. R-84, hereinafter referred to as "the Project";and

WHEREAS, nine sealed bids were received on December 15, 2021, and opened by the City Engineer; and

WHEREAS, funding for the Project is programmed in the Capital Improvement Projects Budget for Fiscal Year 2020/21.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MADERA HEREBY finds, orders and resolves as follows:

1. The above recitals are true and correct.

2. The City Council (Council) has reviewed and considered all of the information presented including the report to the Council from the Engineering Department.

3. The City finds that Witbro, Inc. dba Seal Rite Paving & Grading (Seal Rite) is the lowest responsive and responsible bidder.

4. The contract for the Project in the Amount of $254,678 to Seal Rite, a copy of which is attached hereto as Exhibit 1 and referred to for particulars, is approved.

5. Council authorizes Construction Contingencies of up to 15 percent as approved by the City Engineer.

6. This Resolution is effective immediately upon adoption.

For any moneys earned by the **CONTRACTOR** and withheld by the **OWNER** to ensure the performance of the Contract, the **CONTRACTOR** may, at his request and expense, substitute securities equivalent to the amount withheld in the form and manner and subject to the conditions provided in Division 2, Part 5, Section 22300 of the Public Contract Code of the State of California.

8. In the event of a dispute between the **OWNER** and the **CONTRACTOR** as to an interpretation of any of the specifications or as to the quality or sufficiency of material or workmanship, the decision of the **OWNER** shall for the time being prevail and the **CONTRACTOR**, without delaying the job, shall proceed as directed by the **OWNER** without prejudice to a final determination by negotiation, arbitration by mutual consent or litigation, and should the **CONTRACTOR** be finally determined to be either wholly or partially correct, the **OWNER** shall reimburse him for any added costs he may have incurred by reason of work done or material supplied beyond the terms of the contract as a result of complying with the **OWNER'S** directions as aforesaid. In the event the **CONTRACTOR** shall neglect to prosecute the work properly or fail to perform any provisions of the **CONTRACT**, the **OWNER**, after three days written notice to the **CONTRACTOR**, may, without prejudice to any other remedy it may have, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due to the **CONTRACTOR**, subject to final settlement between the parties as in this paragraph herein above provided.

8A. CLAIMS RESOLUTION PROCESS FOR DISPUTES.

It is the intent of this Contract that disputes regarding the Contract be resolved promptly and fairly between the Contractor and the Owner. However, it is recognized that some disputes will require detailed investigation and review by one or both parties before a determination and resolution can be reached. For the protection of the rights of both the Contractor and the Owner, the following provisions are provided for the resolution of disputes which cannot be resolved by the Owner and the Contractor within three business days after either party gives verbal notice of dispute or potential dispute to the other's attention and prior to the commencement of such work.

The following provisions are intended by Contractor and Owner to comply with Public Contract Code Sections 9204 and 20104 *et. seq*.

A. Claims:

The term "claim" refers to a separate demand by Contractor sent by registered mail or certified mail with return receipt requested, for one or more of the following:

(1) A time extension, including, without limitation, for relief from damages or penalties for delay assessed by Owner under this Contract.

(2) Payment by the Owner of money or damages arising from work done by, or on behalf of, the Contractor pursuant to the Contract and payment

for which is not otherwise expressly provided or to which the Contractor is not otherwise entitled.

(3) Payment of an amount that is disputed by the Owner.

B. *The Claim Must Be Timely and in Writing:*

For all claims the claim must be in writing and include the documents necessary to substantiate the claim. A notice of potential claim must be filed within five (5) business days of Contractor's completion of work that is a potential claim. Notice of an actual claim must be filed on or before the date of final payment.

C. *Receipt of Claim by Owner:*

Upon receipt of a claim pursuant to this section, the Owner will conduct a reasonable review of the claim and, within a period not to exceed 45 days from the date of receipt, will provide the Contractor with a written statement identifying what portion of the claim is disputed and what portion is undisputed. Upon receipt of a claim, Owner and Contractor may, by mutual agreement, extend the time period provided in this section.

The Contractor shall furnish reasonable documentation to support the claim. If additional information is thereafter required, it shall be requested and provided upon mutual agreement by the Owner and the Contractor. The District's written response to the claim, as further documented, shall be submitted to the claimant within 30 days after receipt of the further documentation, or within a period of time no greater than that taken by the Contractor in producing the additional information or requested documentation.

D. *City Council Approval:*

If the Owner needs approval from the City Council to provide the Contractor a written statement identifying the disputed portion and the undisputed portion of the claim, and the City Council does not meet within the 45 days or within the mutually agreed to extension of time following receipt of a claim sent by registered mail or certified mail, return receipt requested, the Owner shall have up to three days following the next duly publicly noticed regular meeting of the City Council after the 45-day period or extension expires to provide the Contractor a written statement identifying the disputed portion and the undisputed portion.

E. *Payment of Claim:*

Any payment due on an undisputed portion of the claim shall be processed and made within 60 days after the Owner issues its written statement. If the Owner fails to issue a written statement, paragraph F below shall apply.

F. Meet and Confer:

If the Contractor disputes the Owner's written response, or if the Owner fails to respond to a claim issued pursuant to this section within the time prescribed, the Contractor may demand in writing an informal conference to meet and confer for settlement of the issues in dispute. Upon receipt of a demand in writing sent by registered mail or certified mail, return receipt requested, the Owner shall schedule a meet and confer conference within 30 days for settlement of the dispute.

Within 10 business days following the conclusion of the meet and confer conference, if the claim or any portion of the claim remains in dispute, the Owner shall provide the Contractor a written statement identifying the portion of the claim that remains in dispute and the portion that is undisputed. Any payment due on an undisputed portion of the claim shall be processed and made within 60 days after the Owner issues its written statement. Any disputed portion of the claim, as identified by the contractor in writing, shall be submitted to nonbinding mediation, with the Owner and the Contractor sharing the associated costs equally. The Owner and Contractor shall mutually agree to a mediator within 10 business days after the disputed portion of the claim has been identified in writing. If the parties cannot agree upon a mediator, each party shall select a mediator and those mediators shall select a qualified neutral third party to mediate with regard to the disputed portion of the claim. Each party shall bear the fees and costs charged by its respective mediator in connection with the selection of the neutral mediator. If mediation is unsuccessful, the parts of the claim remaining in dispute shall be subject to applicable procedures outside this section.

Under this Contract, mediation includes any nonbinding process, including, but not limited to, neutral evaluation or a dispute review board, in which an independent third party or board assists the parties in dispute resolution through negotiation or by issuance of an evaluation. Any mediation utilized shall conform to the timeframes in this section.

Unless otherwise agreed to by the Owner and the Contractor in writing, the mediation conducted pursuant to this section shall excuse any further obligation under Public Contract Code Section 20104.4 to mediate after litigation has been commenced.

If mediation as set forth above does not resolve the parties' dispute, the parties will proceed to arbitration of disputes under private arbitration or the Public Works Contract Arbitration Program.

G. *Filing a Government Code Written Claim Notice:*

Following the meet and confer conference, if the claim or any portion remains in dispute, the Contractor may file a claim under the Torts Claims Act as provided in Chapter 1 (commencing with Section 900) and Chapter 2 commencing with Section 910) of Part 3 of Division 3.6 of Title 1 of the Government Code Section 900.

H. Owner's Failure to Respond to Claim:

Failure by the Owner to respond to a claim from Contractor within the time periods described above or to otherwise meet the time requirements set forth above shall result in the claim being deemed rejected in its entirety. A claim that is denied by reason of the Owner's failure to have responded to a claim, or its failure to otherwise meet the time requirements of this section, shall not constitute an adverse finding with regard to the merits of the claim or the responsibility or qualifications of the Contractor.

I. Interest:

Amounts not paid in a timely manner as required by this section shall bear interest at 7 percent per annum.

J. Subcontractor Claims:

If a subcontractor or a lower tier subcontractor lacks legal standing to assert a claim against Owner because privity of contract does not exist, the Contractor may present to the

Owner a claim on behalf of a subcontractor or lower tier subcontractor. For purposes of this paragraph, the term "subcontractor' means any type of subcontractor within the meaning of Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code who either is in direct contract with the Contractor or is a lower tier subcontractor. A subcontractor may request in writing, either on his or her own behalf or on behalf of a lower tier subcontractor, that the Contractor present a claim for work which was performed by the subcontractor or by a lower tier subcontractor on behalf of the subcontractor. The subcontractor requesting that the claim be presented to the Owner shall furnish reasonable documentation to support the claim. Within 45 days of receipt of this written request, the Contractor shall notify the subcontractor in writing as to whether the contractor presented the claim to the Owner and, if the original contractor did not present the claim, provide the subcontractor with a statement of the reasons for not having done so.

K. Filing of Action on Unresolved Claims:

The parties shall follow the procedures set forth in Public Contracts Code Section 20104.4 if an action is filed to resolve claims under the foregoing provisions. Any action shall be filed in Madera County.

9. Attention is directed to Section 1735 of the Labor Code, which reads as follows:

"No discrimination shall be made in the employment of persons upon public works because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical conditions, marital status, or sex of such persons except as provided in Section 12940 of the Government Code, and every contractor for public works violating this section is subject to all the penalties imposed for by violation of this chapter".

10. In accordance with the provisions of Article 5, Chapter l, Part 7, Division 2 (commencing with Section 1860) and Chapter 4, Part l, Division 4 (commencing with Section 3700) of the Labor Code of the State of California, the **CONTRACTOR** is required to secure the payment of compensation to his employees and shall for that purpose obtain and keep in effect adequate Worker's Compensation Insurance.

The undersigned **CONTRACTOR** is aware of the provisions of Section 3700 of the Labor Code which requires every employer to be insured against Liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions before commencing the performance of the **WORK** of this Agreement.

11. The **CONTRACTOR** shall comply with Part 7, Chapter l, Article 2, Section 1775 of the Labor Code of the State of California. The **CONTRACTOR** shall, as a penalty to the **OWNER**, forfeit fifty dollars ($50.00) for each calendar day, or portion thereof, for each workman paid less than the prevailing rates for such work or craft in which such workman is employed for any public work done under the Contract by him or by any **SUBCONTRACTOR** under him. The difference between such prevailing wage rates and the amount paid to each workman for each calendar day or portion thereof for which each workman was paid less than a prevailing wage rate, shall be paid to each workman by the **CONTRACTOR**.

12. The **CONTRACTOR** shall comply with Part 7, Chapter l, Article 2, Section 1776 of the Labor Code of the State of California. The **CONTRACTOR** shall keep and require that all **SUBCONTRACTORS** keep accurate payroll records showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice worker or other employee employed by him in connection with public work. Such payroll records shall be

certified and shall be available for inspection at all reasonable hours at the principal office of the **CONTRACTOR** by the **OWNER**, its officers and agents and to the representatives of the Division of Labor Law Enforcement of the State Department of Industrial Relations. In the event of non-compliance with the requirements of Section 1776, the **CONTRACTOR** shall have 10 days in which to comply subsequent to receipt of written notice specifying in what respects the **CONTRACTOR** must comply. Should non-compliance still be evident after the ten (10) day period, the **CONTRACTOR** shall, as a penalty to the **OWNER** forfeit twenty-five dollars ($25.00) for each calendar day, or portion thereof, for each worker until strict compliance is effectuated. Upon the request of the Division of Apprenticeship Standards or the Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due.

13. Attention is directed to the provisions in Sections 1777.5 and 1777.6 of the Labor Code concerning the employment of apprentices by the **CONTRACTOR** or any **SUBCONTRACTOR** under him. It is the **CONTRACTOR'S** responsibility to ensure compliance by both itself and all **SUBCONTRACTORS**.

Section 1777.5 provides, in part, as follows:

The **CONTRACTOR** or **SUBCONTRACTOR**, if he is covered by this section, upon the issuance of the approval certificate, or if he has been previously approved in the craft or trade, shall employ the number of apprentices or the ratio of apprentices to journeyman stipulated in the apprenticeship standards. Upon proper showing by the **CONTRACTOR** that he employs apprentices in the craft or trade in the State on all of his/her contracts on an annual average of not less than one hour of apprentice work for every five hours of labor performed by a journeyman, or in the land surveyor classification, one apprentice for each five journeyman, the Division of Apprenticeship Standards may grant a certification exempting the **CONTRACTOR** from the one (1) to five (5) hourly ratio as set forth in this section. This section shall not apply to contracts of general **CONTRACTORS** or to contracts of specialty contractors not bidding for work through a general or prime **CONTRACTOR**, when the contracts of general **CONTRACTORS**, or those specialty **CONTRACTORS** involve less than thirty thousand dollars ($30,000). Any work performed by a journeyman in excess of eight hours per day or forty (40) hours per week shall not be used to calculate the hourly ratio required by this section.

Apprenticeable craft or trade, as used in this section, shall mean a craft or trade determined as an apprenticeable occupation in accordance with rules and regulations prescribed by the Apprenticeship Council. The joint apprenticeship committee shall have the discretion to grant a certificate, which shall be subject to the approval of the Administrator of Apprenticeship, exempting a **CONTRACTOR** from the 1 to 5 ratio set forth in this section when it finds that any one of the following conditions is met:

(a) In the event unemployment for the previous three month period in such area exceeds an average of 15 percent, or

(b) In the event the number of apprentices in training in such area exceeds a ratio of 1 to 5, or

(c) If there is a showing that the apprenticeable craft or trade is replacing at least one-thirtieth of its journeymen annually through apprenticeship training, either (1) on a statewide basis, or (2) on a local basis, or

(d) If assignment of an apprentice to any work performed under a public works contract would create a condition which should jeopardize his life or the life, safety, or property of fellow employees, or the public at large or if the specific task to which the

apprentice is to be assigned is of a nature that training cannot be provided by a journeyman.

When such exemptions are granted to an organization which represents **CONTRACTORS** in a specific trade from the 1 to 5 ratio on a local or statewide basis the member **CONTRACTORS** will not be required to submit individual applications for approval to local joint apprenticeship committees, provided they are already covered by the local apprenticeship standards.

The **CONTRACTOR** is required to make contributions to funds established for the administration of apprenticeship programs if he employs registered apprentices or journeymen in apprenticeable trade on such contracts and if other **CONTRACTORS** on the public work site are making such contributions. The **CONTRACTOR**, and any **SUBCONTRACTOR** under him, shall comply with the requirements of Sections 1777.5 and 1777.6 of the Labor Code in the employment of apprentices. Information relative to number of apprentices, identifications, wages, hours of employment and standards of working conditions shall be obtained from the Division of Apprenticeship Standards. Consult the white pages of your telephone directory under California, State of, Industrial Relations, Apprenticeship Standards, for the telephone number and address of the nearest office. Willful failure by the **CONTRACTOR** to comply with the provisions of Sections 1777.5 will subject the **CONTRACTOR** to the penalties set forth in Section 1777.7 of the Labor Code.

14. Pursuant to California Labor Code Section 1813, eight hours in any one calendar day and forty (40) hours in any calendar week shall be the maximum hours any workman is required or permitted to work, except in cases of extraordinary emergency caused by fires, flood, or danger to life and property. The **CONTRACTOR** doing the work, or his duly authorized agent, shall file with **OWNER** a report, verified by his oath, setting forth the nature of the said emergency, which report shall contain the name of said worker and the hours worked by him on the said day, and the **CONTRACTOR** and each **SUBCONTRACTOR** shall also keep an accurate record showing the names and actual hours worked of all workers employed by him in connection with the work contemplated by this Agreement, which record shall be open at all reasonable hours to the inspection of the **OWNER**, or its officer or agents and to the Chief of all Division of Labor Statistics and Law Enforcement of the Department of Industrial Relations, his deputies or agents; and it is hereby further agreed that said **CONTRACTOR** shall forfeit as a penalty to the **OWNER** the sum of Twenty-Five Dollars ($25.00) for each laborer, workman or any **SUBCONTRACTOR** under him for each calendar day during which such laborer, workman or mechanic is required or permitted to labor more than eight (8) hours in violation of this stipulation.

Overtime and shift work may be established as a regular procedure by the **CONTRACTOR** with reasonable notice and written permission of the **OWNER.** No work other than overtime and shift work established as a regular procedure shall be performed between the hours of 6:00 P.M. and 7:00 A.M. nor on Saturdays, Sundays or holidays except such work as is necessary for the proper care and protection of the work already performed or in case of an emergency.

CONTRACTOR agrees to pay the costs of overtime inspection except those occurring as a result of overtime and shift work established as a regular procedure. Overtime inspection shall include inspection required during holidays, Saturdays, Sundays and weekdays. Costs of overtime inspection will cover engineering, inspection, general supervision and overhead expenses which are directly chargeable to the overtime work. **CONTRACTOR** agrees that **OWNER** shall deduct such charges from payments due the **CONTRACTOR.**

15. The **CONTRACTOR** shall comply with Division 2, Chapter 4, Part 1 of the Public Contract Code relating to subletting and subcontracting, specifically included but not limited to Sections 4104, 4106, and 4110, which by this reference are incorporated into this Agreement as though fully set forth herein.

16. The **CONTRACTOR** and the **OWNER** agree that changes in this Agreement or in the work to be done under this Agreement shall become effective only when written in the form of a supplemental agreement or change order and approved and signed by the **OWNER** and the **CONTRACTOR**. It is specifically agreed that the **OWNER** shall have the right to request any alterations, deviations, reductions or additions to the contract or the plans and specifications or any of them, and the amount of the cost thereof shall be added to or deducted from the amount of the contract price aforesaid by fair and reasonable valuations thereof.

This contract shall be held to be completed when the work is finished in accordance with the original plans and specifications as amended by such changes. No such change or modification shall release or exonerate any surety upon any guaranty or bond given in connection with this contract.

17. **Contractor** shall indemnify, defend with legal counsel approved by City, and hold harmless City, its officers, officials, employees, and volunteers from and against all liability, loss, damage, expense, and cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with **Contractor's** negligence, recklessness, or willful misconduct in the performance of work hereunder, or its failure to comply with any of its obligations contained in this AGREEMENT, except such loss or damage caused by the sole active negligence or willful misconduct of the City. Should conflict of interest principles preclude a single legal counsel from representing both City and **Contractor,** or should City otherwise find **Contractor's** legal counsel unacceptable, then **Contractor** shall reimburse the City its costs of defense, including without limitation, reasonable legal counsel fees, expert fees, and all other costs and fees of litigation. The **Contractor** shall promptly pay any final judgment rendered against the City (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the **Contractor**'s negligent, reckless, or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

Contractor obligations under this section apply regardless of whether or not such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by an Indemnitee. However, without affecting the rights of City under any provision of this agreement, **Contractor** shall not be required to indemnify and hold harmless City for liability attributable to the active negligence of City, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where City is shown to have been actively negligent and where City's active negligence accounts for only a percentage of the liability involved, the obligation of **Contractor** will be for that entire portion or percentage of liability not attributable to the active negligence of City.

Contractor agrees to obtain or cause to be obtained executed defense and indemnity agreements with provisions identical to those set forth in this Section from each and every Subcontractor and Subconsultant, of every Tier. In the event the **Contractor** fails to do so, **Contractor** agrees to be fully responsible to provide such defense and indemnification according to the terms of this Section.

18. Contractor must comply with the insurance requirements as described in the section "INSURANCE REQUIREMENTS FOR **CONTRACTOR**", **pages 50-52** of the Contract Documents.

19. Amendments- Any changes to this Agreement requested by either City or **Witbro Inc. dba Seal Rite Paving and Grading**. may only be effected if mutually agreed upon in writing by duly authorized representatives of the parties hereto. This Agreement shall not be modified or amended or any rights of a party to it waived except by such writing.

20. Termination.

A. This Agreement may be terminated at any time by either party upon fifteen (15) calendar days written notice. In the event the Agreement is terminated by either party, **Witbro Inc. dba Seal Rite Paving and Grading** shall be compensated for services performed to the date of termination based upon the compensation rates and subject to the maximum amounts payable agreed to together with such additional services performed after termination which are authorized in writing by the City representative to wind up the work performed to date of termination.

B. City may immediately suspend or terminate this Agreement in whole or in part by written notice where, if in the determination of City, there is:

1. An illegal use of funds by **Witbro Inc. dba Seal Rite Paving and Grading**;
2. A failure by **Witbro Inc. dba Seal Rite Paving and Grading**to comply with any material term of this Agreement;
3. A substantially incorrect or incomplete report submitted by **Witbro Inc. dba Seal Rite Paving and Grading** to City.

In no event shall any payment by City or acceptance by **Witbro Inc. dba Seal Rite Paving and Grading** constitute a waiver by such party of any breach of this Agreement or any default which may then exist on the part of either party. Neither shall such payment impair or prejudice any remedy available to either party with respect to such breach or default. City shall have the right to demand of **Witbro Inc. dba Seal Rite Paving and Grading** the repayment to City of any funds disbursed to **Witbro Inc. dba Seal Rite Paving and Grading** under this Agreement which, as determined by the appropriate court or arbitrator, were not expended in accordance with the terms of this Agreement.

Notice of termination shall be mailed to the City:

City of Madera
Engineering Department
428 E. Yosemite Avenue
Madera, CA 93638

Notice of Termination shall be mailed to the Contractor **Witbro Inc. dba Seal Rite Paving and Grading**

All notices and communications from **Witbro Inc. dba Seal Rite Paving and Grading** shall be to City's designated Project Manager or Principal-In-Charge. Verbal communications shall be confirmed in writing. All written notices shall be provided and addressed as soon as possible, but not later than thirty (30) days after termination.

21. Compliance With Laws- City shall comply with all Federal, State and local laws, ordinances, regulations and provisions applicable in the performance of City's services.

Wherever reference is made in this Agreement to standards or codes in accordance with which work is to be performed or tested, the edition or revision of the standards or codes current on the effective date of this Agreement shall apply, unless otherwise expressly stated.

22. Attorneys' Fees/Venue- In the event that any action is brought to enforce the terms of this Agreement, the party found by the court to be in default agrees to pay reasonable attorneys' fees to the successful party in an amount to be fixed by the Court. The venue for any claim being brought for breach of this Agreement shall be in Madera County or as appropriate in

the U.S. District Court for the Eastern District of California, located in the City of Madera.

23. Governing Law- The laws of the State of California shall govern the rights and obligations of the parties under the Agreement, including the interpretation of the Agreement. If any part of the Agreement is adjudged to be invalid or unenforceable, such invalidity shall not affect the full force and effect of the remainder of the Agreement.

24. City's Authority- Each individual executing or attesting to this Agreement on behalf of the City hereby covenants and represents: (i) that he or she is duly authorized to execute or attest and deliver this Agreement on behalf of such corporation in accordance with a duly adopted resolution of the corporation's articles of incorporation or charter and bylaws; (ii) that this Agreement is binding upon such corporation; and (iii) that Contractor is a duly organized and legally existing municipal corporation in good standing in the State of California.

25. Contractor's Legal Authority - Each individual executing or attesting this Agreement on behalf of **Witbro Inc. dba Seal Rite Paving and Grading** hereby covenants and represents:
(i) that he or she is duly authorized to execute or attest and deliver this Agreement on behalf of such corporation in accordance with such corporation's articles of incorporation or charter and by-laws; (ii) that this Agreement is binding upon such corporation; and (iii) that **Witbro Inc. dba Seal Rite Paving and Grading** is a duly organized and legally existing corporation in good standing in the State of California.

26. Remedies for Default. Failure by a party to perform any term, condition or covenant required of the party under this Agreement shall constitute a "default" of the offending party under this Agreement. In the event that a default remains uncured for more than ten (10) days following receipt of written notice of default from the other party, a "breach" shall be deemed to have occurred. Any failure or delay by a party in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any rights or remedies associated with a default.

27. Independent Contractor. In performance of the work, duties, and obligations assumed by the Contractor under this Agreement, it is mutually understood and agreed that the City, including any and all of City's officers, agents and employees will, at all times, be acting and performing as an independent contractor, and shall act in an independent capacity and not as an officer, agent, servant, employee, joint venturer, partner, or associate of **City.** Furthermore, **City** shall have no right to control or supervise or direct the manner or method by which City shall perform its work and functions. The City shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over the subject matter hereof.

Because of its status as an independent contractor, City shall have absolutely no right to employment rights and benefits available to **City** employees. City shall be solely liable and responsible for providing to, or on behalf of, its employees all legally required employee benefits. In addition, City shall be solely responsible and hold **City** harmless from all matters relating to payment of City's employees, including compliance with Social Security, withholding and all other regulations governing such matters. It is acknowledged that during the term of this Agreement, City may be providing services to others unrelated to **City** or to this Agreement.

28. Sole Agreement- This instrument constitutes the sole and only Agreement between City and **Witbro Inc. dba Seal Rite Paving and Grading** in connection to the Project and correctly sets forth the obligations of the City and **Witbro Inc. dba Seal Rite Paving and Grading** to each other as of its date. Any Agreements or representations in connection with the Project, not expressly set forth in this instrument are null and void.

27. Assignment-Neither the **Witbro Inc. dba Seal Rite Paving and Grading** nor City will assign itsinterest in this Agreement without the written consent of the other.

28. Caltrans is required by 23 code of Federal Regulations (CFR), part 200, Section 200.9 (b)(7) to conduct reviews of sub-recipients (Local Agencies) of federal-aid to ensure compliance with Title VI of the Civil Rights Act of 1964 and the relates statues (Title VI) through the requirements under the Federal Highway Administration (FHWA), the U.S. Department of Transportation (USDOT), and the U.S. Department of Justice (USDOJ) regulations and guidance materials related to the implementation of Title VI.

The scope of the process reviews conducted by Caltrans focuses on the Local Agency's adherence to the FHWA's Title VI Program (Race, Color and National Origin) and the related statues protecting additional classes as required under

- Federal-Aid Highway Act of 1973 (Sex)
- The Age Discrimination Act of 1975 (Age), and
- The Americans with Disabilities Act of 1990 (ADA)(Disability) and Section 504 of the Rehabilitation Act of 1973 (Disability).

29 Binding Agreement. This Agreement shall be binding upon all parties hereto and their respective heirs, executors, administrators, successors, and assigns.

IN WITNESS WHEREOF the parties hereto have executed, or caused to be executed by their duly authorized officials, this Agreement in THREE copies, each of which shall be deemed an original on the date first above written.

Note: Under Executive Order (EO) 13658, an hourly minimum wage of $10.95 for calendar year 2021 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least $10.95 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2021. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate,if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is

like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

* an existing published wage determination
* a survey underlying a wage determination
* a Wage and Hour Division letter setting forth a position on a wage determination matter
* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative

Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

SIDEWALK IMPROVEMENTS - MAPLE STREET - SANTA CRUZ STREET - MONTEREY STREET

REPORT TO CITY COUNCIL

Council Meeting of: February 2, 2022

Agenda Number: D-4

Keith Helmuth, Department Director

Arnoldo Rodriguez, City Manager

SUBJECT:

Contract Award for the Sidewalk Improvements Lilly Street – Vineyard Avenue, CDBG Project No. B19MC060053, City Project No. R-85 (Project)

RECOMMENDATION:

Adopt a Resolution Approving the Contract Award for the Sidewalk Improvements Lilly Street – Vineyard Avenue, CDBG Project No. B19MC060053, City Project No. R-85 (Project), in the Amount of $183,092 to Witbro, Inc. dba Seal Rite Paving & Grading

SUMMARY:

On January 13, 2022, the City received six bids for the Project. Witbro, Inc. dba Seal Rite Paving & Grading (Seal Rite) submitted the lowest responsive and responsible bid that meets the contract requirements. Funds for the Project are programmed in the Capital Improvement Program (CIP) Budget Fiscal Year (FY) 2021/22.

DISCUSSION:

The Engineering Division was awarded grant funding from the Community Development Block Grant (CDBG) Program for a project to install sidewalk improvements along Lilly Street and Vineyard Avenue. A map of said improvements is provided in Attachment 2.

The “Advertisement for Bids” for the project was duly noticed in the Madera Tribune Newspaper on November 17, 2021 and November 24, 2021. The bid documents (plans and specifications) were distributed to Builders Exchanges in Fresno, Modesto, and Visalia. The bid documents were also made available to the Kern-Minority Contractors Association in Bakersfield, and posted on EBidBoard.com, an online listing service for contractors accessible from the City’s website as well as to other contractors that regularly access EBidBoard’s website directly.

On January 13, 2022, the City received six responses. All bids were checked for accuracy against bidding requirements of the bid documents and for validity of licenses and bid security.

The bids received are listed in Table 1.

Table 1: *Bid Overview*	
Bidder	*Bid*
1. Witbro, Inc. dba Seal Rite Paving & Grading	$183,092.00
2. Bush Engineering, Inc.	$218,458.00
3. Harris Development Corp.	$227,499.00
4. Advance Concrete	$271,106.25
5. TBS Contractors	$267,885.55
6. FBD Vanguard Construction, Inc.	$351,479.00
Engineer's Opinion of Cost	*$253,120.00*

The project budget and funding are outlined in Table 2.

Table 2: *Project Budget*	
Projected Costs	
Construction Contract – pending approval	$183,092.00
Contingencies (15% of Contract Amount)	$27,000.00
Construction Engineering, Inspection and Testing	$27,000.00
Design Cost	$45,000.00
Total Costs	**$282,092.00**
Funds Programmed in FY 20/21 CIP Budget	
CDBG (Account No: 10218020-7030)	$185,000.00
Measure T LTP/ADA (Account No: 41540000-7050)	$43,327.41
Measure T LTP/ Supp Street Maintenance (Account No. 4153000-7050)	$95,000.00
Total Budget	**$323,327.41**

Seal Rite submitted the lowest, responsive and responsible bid that meets the contract requirements. Furthermore, to ensure there are opportunities for participation by Disadvantaged Business Enterprises (DBEs) there was a 13 percent contract goal of participation in the bidding process. As a requirement of the federal funds, the successful bidder is required to meet the goal or demonstrate that they made a good faith effort to meet that goal. Seal Rite committed to a goal of 13 percent participation by a DBE subcontractor, MS Lee Enterprises.

FINANCIAL IMPACT:

There is no fiscal impact to the City's General Fund. Funds for the project are programmed in the FY 2021/22 Capital Projects Budget as outlined in Table 2. Any Measure T Funds unused will transfer back to the fund balance for other projects expense.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

Strategy 121 - Develop a city-wide multi-modal transportation plan to ensure safe, affordable and convenient transportation modes for residents and businesses within Madera.

ALTERNATIVES:

The alternative to awarding the project is to reject all bids. Rebidding the project could result in higher bids. Failure to proceed with the project is a timely manner could jeopardize future awards of CDBG funds.

In the event the **CONTRACTOR** shall neglect to prosecute the work properly or fail to perform any provisions of the **CONTRACT**, the **OWNER**, after three days written notice to the **CONTRACTOR**, may, without prejudice to any other remedy it may have, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due to the **CONTRACTOR**, subject to final settlement between the parties as in this paragraph herein above provided.

8A. CLAIMS RESOLUTION PROCESS FOR DISPUTES.

It is the intent of this Contract that disputes regarding the Contract be resolved promptly and fairly between the Contractor and the Owner. However, it is recognized that some disputes will require detailed investigation and review by one or both parties before a determination and resolution can be reached. For the protection of the rights of both the Contractor and the Owner, the following provisions are provided for the resolution of disputes which cannot be resolved by the Owner and the Contractor within three business days after either party gives verbal notice of dispute or potential dispute to the other's attention and prior to the commencement of such work.

The following provisions are intended by Contractor and Owner to comply with Public Contract Code Sections 9204 and 20104 *et. seq*.

A. Claims:

The term "claim" refers to a separate demand by Contractor sent by registered mail or certified mail with return receipt requested, for one or more of the following:

(1) A time extension, including, without limitation, for relief from damages or penalties for delay assessed by Owner under this Contract.

(2) Payment by the Owner of money or damages arising from work done by,

or on behalf of, the Contractor pursuant to the Contract and payment for which is not otherwise expressly provided or to which the Contractor is not otherwise entitled.

(3) Payment of an amount that is disputed by the Owner.

B. *The Claim Must Be Timely and in Writing:*

For all claims the claim must be in writing and include the documents necessary to substantiate the claim. A notice of potential claim must be filed within five (5) business days of Contractor's completion of work that is a potential claim. Notice of an actual claim must be filed on or before the date of final payment.

C. *Receipt of Claim by Owner:*

Upon receipt of a claim pursuant to this section, the Owner will conduct a reasonable review of the claim and, within a period not to exceed 45 days from the date of receipt, will provide the Contractor with a written statement identifying what portion of the claim is disputed and what portion is undisputed. Upon receipt of a claim, Owner and Contractor may, by mutual agreement, extend the time period provided in this section.

The Contractor shall furnish reasonable documentation to support the claim. If additional information is thereafter required, it shall be requested and provided upon mutual agreement by the Owner and the Contractor. The District's written response to the claim, as further documented, shall be submitted to the claimant within 30 days after receipt of the further documentation, or within a period of time no greater than that taken by the Contractor in producing the additional information or requested documentation.

D. *City Council Approval:*

If the Owner needs approval from the City Council to provide the Contractor a written statement identifying the disputed portion and the undisputed portion of the claim, and the City Council does not meet within the 45 days or within the mutually agreed to extension of time following receipt of a claim sent by registered mail or certified mail, return receipt requested, the Owner shall have up to three days following the next duly publicly noticed regular meeting of the City Council after the 45-day period or extension expires to provide the Contractor a written statement identifying the disputed portion and the undisputed portion.

E. *Payment of Claim:*

Any payment due on an undisputed portion of the claim shall be processed and made within 60 days after the Owner issues its written statement. If the Owner fails to issue a written statement, paragraph F below shall apply.

F. Meet and Confer:

If the Contractor disputes the Owner's written response, or if the Owner fails to respond to a claim issued pursuant to this section within the time prescribed, the Contractor may demand in writing an informal conference to meet and confer for settlement of the issues in dispute. Upon receipt of a demand in writing sent by registered mail or certified mail, return receipt requested, the Owner shall schedule a meet and confer conference within 30 days for settlement of the dispute.

Within 10 business days following the conclusion of the meet and confer conference, if the claim or any portion of the claim remains in dispute, the Owner shall provide the Contractor a written statement identifying the portion of the claim that remains in dispute and the portion that is undisputed. Any payment due on an undisputed portion of the claim shall be processed and made within 60 days after the Owner issues its written statement. Any disputed portion of the claim, as identified by the contractor in writing, shall be submitted to nonbinding mediation, with the Owner and the Contractor sharing the associated costs equally. The Owner and Contractor shall mutually agree to a mediator within 10 business days after the disputed portion of the claim has been identified in writing. If the parties cannot agree upon a mediator, each party shall select a mediator and those mediators shall select a qualified neutral third party to mediate with regard to the disputed portion of the claim. Each party shall bear the fees and costs charged by its respective mediator in connection with the selection of the neutral mediator. If mediation is unsuccessful, the parts of the claim remaining in dispute shall be subject to applicable procedures outside this section.

Under this Contract, mediation includes any nonbinding process, including, but not limited to, neutral evaluation or a dispute review board, in which an independent third party or board assists the parties in dispute resolution through negotiation or by issuance of an evaluation. Any mediation utilized shall conform to the timeframes in this section.

Unless otherwise agreed to by the Owner and the Contractor in writing, the mediation conducted pursuant to this section shall excuse any further obligation under Public Contract Code Section 20104.4 to mediate after litigation has been commenced.

If mediation as set forth above does not resolve the parties' dispute, the parties will proceed to arbitration of disputes under private arbitration or the Public Works Contract Arbitration Program.

G. *Filing a Government Code Written Claim Notice:*

Following the meet and confer conference, if the claim or any portion remains in dispute, the Contractor may file a claim under the Torts Claims Act as provided in Chapter 1 (commencing with Section 900) and Chapter 2 commencing with Section 910) of Part 3 of Division 3.6 of Title 1 of the Government Code Section 900.

H. Owner's Failure to Respond to Claim:

Failure by the Owner to respond to a claim from Contractor within the time periods described above or to otherwise meet the time requirements set forth above shall result in the claim being deemed rejected in its entirety. A claim that is denied by reason of the Owner's failure to have responded to a claim, or its failure to otherwise meet the time requirements of this section, shall not constitute an adverse finding with regard to the merits of the claim or the responsibility or qualifications of the Contractor.

I. Interest:

Amounts not paid in a timely manner as required by this section shall bear interest at 7 percent per annum.

J. Subcontractor Claims:

If a subcontractor or a lower tier subcontractor lacks legal standing to assert a claim against Owner because privity of contract does not exist, the Contractor may present to the

Owner a claim on behalf of a subcontractor or lower tier subcontractor. For purposes of this paragraph, the term "subcontractor' means any type of subcontractor within the meaning of Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code who either is in direct contract with the Contractor or is a lower tier subcontractor. A subcontractor may request in writing, either on his or her own behalf or on behalf of a lower tier subcontractor, that the Contractor present a claim for work which was performed by the subcontractor or by a lower tier subcontractor on behalf of the subcontractor. The subcontractor requesting that the claim be presented to the Owner shall furnish reasonable documentation to support the claim. Within 45 days of receipt of this written request, the Contractor shall notify the subcontractor in writing as to whether the contractor presented the claim to the Owner and, if the original contractor did not present the claim, provide the subcontractor with a statement of the reasons for not having done so.

K. Filing of Action on Unresolved Claims:

The parties shall follow the procedures set forth in Public Contracts Code Section 20104.4 if an action is filed to resolve claims under the foregoing provisions. Any action shall be filed in Madera County.

9. Attention is directed to Section 1735 of the Labor Code, which reads as follows:

"No discrimination shall be made in the employment of persons upon public works because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical conditions, marital status, or sex of such persons except as provided in Section 12940 of the Government Code, and every contractor for public works violating this section is subject to all the penalties imposed for by violation of this chapter".

10. In accordance with the provisions of Article 5, Chapter l, Part 7, Division 2 (commencing with Section 1860) and Chapter 4, Part l, Division 4 (commencing with Section 3700) of the Labor Code of the State of California, the **CONTRACTOR** is required to secure the payment of compensation to his employees and shall for that purpose obtain and keep in effect adequate Worker's Compensation Insurance.

The undersigned **CONTRACTOR** is aware of the provisions of Section 3700 of the Labor Code which requires every employer to be insured against Liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions before commencing the performance of the **WORK** of this Agreement.

11. The **CONTRACTOR** shall comply with Part 7, Chapter l, Article 2, Section 1775 of the Labor Code of the State of California. The **CONTRACTOR** shall, as a penalty to the **OWNER**, forfeit fifty dollars ($50.00) for each calendar day, or portion thereof, for each workman paid less than the prevailing rates for such work or craft in which such workman is employed for any public work done under the Contract by him or by any **SUBCONTRACTOR** under him. The difference between such prevailing wage rates and the amount paid to each workman for each calendar day or portion thereof for which each workman was paid less than a prevailing wage rate, shall be paid to each workman by the **CONTRACTOR**.

12. The **CONTRACTOR** shall comply with Part 7, Chapter l, Article 2, Section 1776 of the Labor Code of the State of California. The **CONTRACTOR** shall keep and require that all **SUBCONTRACTORS** keep accurate payroll records showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice worker or other employee employed by him in connection with public work. Such payroll records shall be

certified and shall be available for inspection at all reasonable hours at the principal office of the **CONTRACTOR** by the **OWNER**, its officers and agents and to the representatives of the Division of Labor Law Enforcement of the State Department of Industrial Relations. In the event of non-compliance with the requirements of Section 1776, the **CONTRACTOR** shall have 10 days in which to comply subsequent to receipt of written notice specifying in what respects the **CONTRACTOR** must comply. Should non-compliance still be evident after the ten (10) day period, the **CONTRACTOR** shall, as a penalty to the **OWNER** forfeit twenty-five dollars ($25.00) for each calendar day, or portion thereof, for each worker until strict compliance is effectuated. Upon the request of the Division of Apprenticeship Standards or the Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due.

13. Attention is directed to the provisions in Sections 1777.5 and 1777.6 of the Labor Code concerning the employment of apprentices by the **CONTRACTOR** or any **SUBCONTRACTOR** under him. It is the **CONTRACTOR'S** responsibility to ensure compliance by both itself and all **SUBCONTRACTORS**.

Section 1777.5 provides, in part, as follows:

The **CONTRACTOR** or **SUBCONTRACTOR**, if he is covered by this section, upon the issuance of the approval certificate, or if he has been previously approved in the craft or trade, shall employ the number of apprentices or the ratio of apprentices to journeyman stipulated in the apprenticeship standards. Upon proper showing by the **CONTRACTOR** that he employs apprentices in the craft or trade in the State on all of his/her contracts on an annual average of not less than one hour of apprentice work for every five hours of labor performed by a journeyman, or in the land surveyor classification, one apprentice for each five journeyman, the Division of Apprenticeship Standards may grant a certification exempting the **CONTRACTOR** from the one (1) to five (5) hourly ratio as set forth in this section. This section shall not apply to contracts of general **CONTRACTORS** or to contracts of specialty contractors not bidding for work through a general or prime **CONTRACTOR**, when the contracts of general **CONTRACTORS**, or those specialty **CONTRACTORS** involve less than thirty thousand dollars ($30,000). Any work performed by a journeyman in excess of eight hours per day or forty (40) hours per week shall not be used to calculate the hourly ratio required by this section.

Apprenticeable craft or trade, as used in this section, shall mean a craft or trade determined as an apprenticeable occupation in accordance with rules and regulations prescribed by the Apprenticeship Council. The joint apprenticeship committee shall have the discretion to grant a certificate, which shall be subject to the approval of the Administrator of Apprenticeship, exempting a **CONTRACTOR** from the 1 to 5 ratio set forth in this section when it finds that any one of the following conditions is met:

(a) In the event unemployment for the previous three month period in such area exceeds an average of 15 percent, or

(b) In the event the number of apprentices in training in such area exceeds a ratio of 1 to 5, or

(c) If there is a showing that the apprenticeable craft or trade is replacing at least one-thirtieth of its journeymen annually through apprenticeship training, either (1) on a statewide basis, or (2) on a local basis, or

(d) If assignment of an apprentice to any work performed under a public works contract would create a condition which should jeopardize his life or the life, safety, or property of fellow employees, or the public at large or if the specific task to which the

apprentice is to be assigned is of a nature that training cannot be provided by a journeyman.

When such exemptions are granted to an organization which represents **CONTRACTORS** in a specific trade from the 1 to 5 ratio on a local or statewide basis the member **CONTRACTORS** will not be required to submit individual applications for approval to local joint apprenticeship committees, provided they are already covered by the local apprenticeship standards.

The **CONTRACTOR** is required to make contributions to funds established for the administration of apprenticeship programs if he employs registered apprentices or journeymen in apprenticeable trade on such contracts and if other **CONTRACTORS** on the public work site are making such contributions. The **CONTRACTOR**, and any **SUBCONTRACTOR** under him, shall comply with the requirements of Sections 1777.5 and 1777.6 of the Labor Code in the employment of apprentices. Information relative to number of apprentices, identifications, wages, hours of employment and standards of working conditions shall be obtained from the Division of Apprenticeship Standards. Consult the white pages of your telephone directory under California, State of, Industrial Relations, Apprenticeship Standards, for the telephone number and address of the nearest office. Willful failure by the **CONTRACTOR** to comply with the provisions of Sections 1777.5 will subject the **CONTRACTOR** to the penalties set forth in Section 1777.7 of the Labor Code.

14. Pursuant to California Labor Code Section 1813, eight hours in any one calendar day and forty (40) hours in any calendar week shall be the maximum hours any workman is required or permitted to work, except in cases of extraordinary emergency caused by fires, flood, or danger to life and property. The **CONTRACTOR** doing the work, or his duly authorized agent, shall file with **OWNER** a report, verified by his oath, setting forth the nature of the said emergency, which report shall contain the name of said worker and the hours worked by him on the said day, and the **CONTRACTOR** and each **SUBCONTRACTOR** shall also keep an accurate record showing the names and actual hours worked of all workers employed by him in connection with the work contemplated by this Agreement, which record shall be open at all reasonable hours to the inspection of the **OWNER**, or its officer or agents and to the Chief of all Division of Labor Statistics and Law Enforcement of the Department of Industrial Relations, his deputies or agents; and it is hereby further agreed that said **CONTRACTOR** shall forfeit as a penalty to the **OWNER** the sum of Twenty-Five Dollars ($25.00) for each laborer, workman or any **SUBCONTRACTOR** under him for each calendar day during which such laborer, workman or mechanic is required or permitted to labor more than eight (8) hours in violation of this stipulation.

Overtime and shift work may be established as a regular procedure by the **CONTRACTOR** with reasonable notice and written permission of the **OWNER.** No work other than overtime and shift work established as a regular procedure shall be performed between the hours of 6:00 P.M. and 7:00 A.M. nor on Saturdays, Sundays or holidays except such work as is necessary for the proper care and protection of the work already performed or in case of an emergency.

CONTRACTOR agrees to pay the costs of overtime inspection except those occurring as a result of overtime and shift work established as a regular procedure. Overtime inspection shall include inspection required during holidays, Saturdays, Sundays and weekdays. Costs of overtime inspection will cover engineering, inspection, general supervision and overhead expenses which are directly chargeable to the overtime work. **CONTRACTOR** agrees that **OWNER** shall deduct such charges from payments due the **CONTRACTOR.**

15. The **CONTRACTOR** shall comply with Division 2, Chapter 4, Part 1 of the Public Contract Code relating to subletting and subcontracting, specifically included but not limited to Sections 4104, 4106, and 4110, which by this reference are incorporated into this Agreement as though fully set forth herein.

16. The **CONTRACTOR** and the **OWNER** agree that changes in this Agreement or in the work to be done under this Agreement shall become effective only when written in the form of a supplemental agreement or change order and approved and signed by the **OWNER** and the **CONTRACTOR**. It is specifically agreed that the **OWNER** shall have the right to request any alterations, deviations, reductions or additions to the contract or the plans and specifications or any of them, and the amount of the cost thereof shall be added to or deducted from the amount of the contract price aforesaid by fair and reasonable valuations thereof.

This contract shall be held to be completed when the work is finished in accordance with the original plans and specifications as amended by such changes. No such change or modification shall release or exonerate any surety upon any guaranty or bond given in connection with this contract.

17. **Contractor** shall indemnify, defend with legal counsel approved by City, and hold harmless City, its officers, officials, employees, and volunteers from and against all liability, loss, damage, expense, and cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with **Contractor's** negligence, recklessness, or willful misconduct in the performance of work hereunder, or its failure to comply with any of its obligations contained in this AGREEMENT, except such loss or damage caused by the sole active negligence or willful misconduct of the City. Should conflict of interest principles preclude a single legal counsel from representing both City and **Contractor,** or should City otherwise find **Contractor's** legal counsel unacceptable, then **Contractor** shall reimburse the City its costs of defense, including without limitation, reasonable legal counsel fees, expert fees, and all other costs and fees of litigation. The **Contractor** shall promptly pay any final judgment rendered against the City (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the **Contractor**'s negligent, reckless, or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

Contractor obligations under this section apply regardless of whether or not such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by an Indemnitee. However, without affecting the rights of City under any provision of this agreement, **Contractor** shall not be required to indemnify and hold harmless City for liability attributable to the active negligence of City, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where City is shown to have been actively negligent and where City's active negligence accounts for only a percentage of the liability involved, the obligation of **Contractor** will be for that entire portion or percentage of liability not attributable to the active negligence of City.

Contractor agrees to obtain or cause to be obtained executed defense and indemnity agreements with provisions identical to those set forth in this Section from each and every Subcontractor and Subconsultant, of every Tier. In the event the **Contractor** fails to do so, **Contractor** agrees to be fully responsible to provide such defense and indemnification according to the terms of this Section.

18. Contractor must comply with the insurance requirements as described in the section "INSURANCE REQUIREMENTS FOR **CONTRACTOR**", **pages 50-52** of the Contract Documents.

19. Amendments- Any changes to this Agreement requested by either City or **Witbro Inc. dba Seal Rite Paving and Grading**. may only be effected if mutually agreed upon in writing by duly authorized representatives of the parties hereto. This Agreement shall not be modified or amended or any rights of a party to it waived except by such writing.

20. Termination.

A. This Agreement may be terminated at any time by either party upon fifteen (15) calendar days written notice. In the event the Agreement is terminated by either party, **Witbro Inc. dba Seal Rite Paving and Grading** shall be compensated for services performed to the date of termination based upon the compensation rates and subject to the maximum amounts payable agreed to together with such additional services performed after termination which are authorized in writing by the City representative to wind up the work performed to date of termination.

B. City may immediately suspend or terminate this Agreement in whole or in part by written notice where, if in the determination of City, there is:

1. An illegal use of funds by **Witbro Inc. dba Seal Rite Paving and Grading**;
2. A failure by **Witbro Inc. dba Seal Rite Paving and Grading**to comply with any material term of this Agreement;
3. A substantially incorrect or incomplete report submitted by **Witbro Inc. dba Seal Rite Paving and Grading** to City.

In no event shall any payment by City or acceptance by **Witbro Inc. dba Seal Rite Paving and Grading** constitute a waiver by such party of any breach of this Agreement or any default which may then exist on the part of either party. Neither shall such payment impair or prejudice any remedy available to either party with respect to such breach or default. City shall have the right to demand of **Witbro Inc. dba Seal Rite Paving and Grading** the repayment to City of any funds disbursed to **Witbro Inc. dba Seal Rite Paving and Grading** under this Agreement which, as determined by the appropriate court or arbitrator, were not expended in accordance with the terms of this Agreement.

Notice of termination shall be mailed to the City:

City of Madera
Engineering Department
428 E. Yosemite Avenue
Madera, CA 93638

Notice of Termination shall be mailed to the Contractor **Witbro Inc. dba Seal Rite Paving and Grading**

All notices and communications from **Witbro Inc. dba Seal Rite Paving and Grading** shall be to City's designated Project Manager or Principal-In-Charge. Verbal communications shall be confirmed in writing. All written notices shall be provided and addressed as soon as possible, but not later than thirty (30) days after termination.

21. Compliance With Laws- City shall comply with all Federal, State and local laws, ordinances, regulations and provisions applicable in the performance of City's services.

Wherever reference is made in this Agreement to standards or codes in accordance with which work is to be performed or tested, the edition or revision of the standards or codes current on the effective date of this Agreement shall apply, unless otherwise expressly stated.

22. Attorneys' Fees/Venue- In the event that any action is brought to enforce the terms of this Agreement, the party found by the court to be in default agrees to pay reasonable attorneys' fees to the successful party in an amount to be fixed by the Court. The venue for any

claim being brought for breach of this Agreement shall be in Madera County or as appropriate in the U.S. District Court for the Eastern District of California, located in the City of Madera.

23. Governing Law- The laws of the State of California shall govern the rights and obligations of the parties under the Agreement, including the interpretation of the Agreement. If any part of the Agreement is adjudged to be invalid or unenforceable, such invalidity shall not affect the full force and effect of the remainder of the Agreement.

24. City's Authority- Each individual executing or attesting to this Agreement on behalf of the City hereby covenants and represents: (i) that he or she is duly authorized to execute or attest and deliver this Agreement on behalf of such corporation in accordance with a duly adopted resolution of the corporation's articles of incorporation or charter and bylaws; (ii) that this Agreement is binding upon such corporation; and (iii) that Contractor is a duly organized and legally existing municipal corporation in good standing in the State of California.

25. Contractor's Legal Authority - Each individual executing or attesting this Agreement on behalf of **Witbro Inc. dba Seal Rite Paving and Grading** hereby covenants and represents: (i) that he or she is duly authorized to execute or attest and deliver this Agreement on behalf of such corporation in accordance with such corporation's articles of incorporation or charter and by-laws; (ii) that this Agreement is binding upon such corporation; and (iii) that **Witbro Inc. dba Seal Rite Paving and Grading** is a duly organized and legally existing corporation in good standing in the State of California.

26. Remedies for Default. Failure by a party to perform any term, condition or covenant required of the party under this Agreement shall constitute a "default" of the offending party under this Agreement. In the event that a default remains uncured for more than ten (10) days following receipt of written notice of default from the other party, a "breach" shall be deemed to have occurred. Any failure or delay by a party in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any rights or remedies associated with a default.

27. Independent Contractor. In performance of the work, duties, and obligations assumed by the Contractor under this Agreement, it is mutually understood and agreed that the City, including any and all of City's officers, agents and employees will, at all times, be acting and performing as an independent contractor, and shall act in an independent capacity and not as an officer, agent, servant, employee, joint venturer, partner, or associate of **City.** Furthermore, **City** shall have no right to control or supervise or direct the manner or method by which City shall perform its work and functions. The City shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over the subject matter hereof.

Because of its status as an independent contractor, City shall have absolutely no right to employment rights and benefits available to **City** employees. City shall be solely liable and responsible for providing to, or on behalf of, its employees all legally required employee benefits. In addition, City shall be solely responsible and hold **City** harmless from all matters relating to payment of City's employees, including compliance with Social Security, withholding and all other regulations governing such matters. It is acknowledged that during the term of this Agreement, City may be providing services to others unrelated to **City** or to this Agreement.

28. Sole Agreement- This instrument constitutes the sole and only Agreement between City and **Witbro Inc. dba Seal Rite Paving and Grading** in connection to the Project and correctly sets forth the obligations of the City and **Witbro Inc. dba Seal Rite Paving and Grading** to each other as of its date. Any Agreements or representations in connection with the Project, not expressly set forth in this instrument are null and void.

27. Assignment-Neither the **Witbro Inc. dba Seal Rite Paving and Grading** nor City will assign itsinterest in this Agreement without the written consent of the other.

28. Caltrans is required by 23 code of Federal Regulations (CFR), part 200, Section 200.9 (b)(7) to conduct reviews of sub-recipients (Local Agencies) of federal-aid to ensure compliance with Title VI of the Civil Rights Act of 1964 and the relates statues (Title VI) through the requirements under the Federal Highway Administration (FHWA), the U.S. Department of Transportation (USDOT), and the U.S. Department of Justice (USDOJ) regulations and guidance materials related to the implementation of Title VI.

The scope of the process reviews conducted by Caltrans focuses on the Local Agency's adherence to the FHWA's Title VI Program (Race, Color and National Origin) and the related statues protecting additional classes as required under

- Federal-Aid Highway Act of 1973 (Sex)
- The Age Discrimination Act of 1975 (Age), and
- The Americans with Disabilities Act of 1990 (ADA)(Disability) and Section 504 of the Rehabilitation Act of 1973 (Disability).

29 Binding Agreement. This Agreement shall be binding upon all parties hereto and their respective heirs, executors, administrators, successors, and assigns.

IN WITNESS WHEREOF the parties hereto have executed, or caused to be executed by their duly authorized officials, this Agreement in THREE copies, each of which shall be deemed an original on the date first above written.

Note: Under Executive Order (EO) 13658, an hourly minimum wage of $10.95 for calendar year 2021 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least $10.95 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2021. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate,if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

SCOPE OF WORK

Includes the installation testing, service and maintenance, of the following systems which utilize the transmission and/or transference of voice, sound, vision and digital for commercial, education, security and entertainment purposes for the following: TV monitoring and surveillance, background-foreground music, intercom and telephone interconnect, inventory control systems, microwave transmission, multi-media, multiplex, nurse call system, radio page, school intercom and sound, burglar alarms, and low voltage master clock systems.

A. SOUND AND VOICE TRANSMISSION/TRANSFERENCE SYSTEMS Background foreground music, Intercom and telephone interconnect systems, Telephone systems Nurse call systems, Radio page systems, School intercom and sound systems, Burglar alarm systems, Low voltage, master clock systems, Multi-media/multiplex systems, Sound and musical entertainment systems, RF systems, Antennas and Wave Guide,

B. FIRE ALARM SYSTEMS Installation, wire pulling and testing

C. TELEVISION AND VIDEO SYSTEMS Television monitoring and surveillance systems Video security systems, Video

entertainment systems, Video educational systems, Microwave transmission systems, CATV and CCTV

D. SECURITY SYSTEMS Perimeter security systems Vibration sensor systems Card access systems Access control systems, Sonar/infrared monitoring equipment

E. COMMUNICATIONS SYSTEMS THAT TRANSMIT OR RECEIVE INFORMATION AND/OR CONTROL SYSTEMS THAT ARE INTRINSIC TO THE ABOVE LISTED SYSTEMS SCADA (Supervisory Control and Data Acquisition) PCM (Pulse Code Modulation) Inventory Control Systems, Digital Data Systems Broadband and Baseband and Carriers Point of Sale Systems, VSAT Data Systems Data Communication Systems RF and Remote Control Systems, Fiber Optic Data Systems

WORK EXCLUDED Raceway systems are not covered (excluding Ladder-Rack for the purpose of the above listed systems). Chases and/or nipples (not to exceed 10 feet) may be installed on open wiring systems. Energy management systems. SCADA (Supervisory Control and Data Acquisition) when not intrinsic to the above listed systems (in the scope). Fire alarm systems when installed in raceways (including wire and cable pulling) shall be performed at the electrician wage rate, when either of the following two (2) conditions apply:
1. The project involves new or major remodel building trades construction.
2. The conductors for the fire alarm system are installed in conduit.

==========

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other

health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

* an existing published wage determination
* a survey underlying a wage determination
* a Wage and Hour Division letter setting forth a position on a wage determination matter
* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

REPORT TO CITY COUNCIL

Approved by:

Arnoldo Rodriguez, City Manager

Council Meeting of: February 16, 2022

Agenda Number: B-5

SUBJECT:

Administrative Hearing Officer

RECOMMENDATION:

1. Adopt a Resolution approving an Agreement for Services with David Austin to serve as the Administrative Hearing Officer
2. Approve a budget amendment not to exceed $25,000 to cover costs associated with the Agreement

SUMMARY:

Historically, the City has maintained a volunteer, non-affiliated City individual, to conduct hearings and deliver decisions as civil disputes between an individual and the City arise. Unfortunately, the City lost its volunteer Administrative Hearing Officer (Hearing Officer) and as a result is experiencing a backlog of cases. In response, staff published a Request for Proposals (RFP) and targeted firms with experience. This item is a request to enter an agreement with David Austin to serve as the City's Hearing Officer.

DISCUSSION:

Due to the legal obligation of impartiality, administrative hearings cannot be presided over by a City employee, including a contracted attorney. As a result, the City is having to enter an agreement with an outside independent party to fulfill the duties of conducting administrative cases.

Services required of the hearing officer may be summarized as follows:

- Prepare for hearings as scheduled by City staff
- Review case documentation
- Conduct hearings and hearing testimony and evidence from parties regarding the issues

- Prepare written determinations, which sets forth the legal and evidentiary basis for the decision, and adopting findings as required by the particular provisions of the Municipal Code
- Perform all other services as outlined in the agreement for services

The Hearing Officer will also be required to perform additional tasks to those listed above. Additional required tasks are notated in the agreement under Exhibit A, Scope of Services.

On November 13, 2021, the City published an RFP for Hearing Officer for services related to the conduction of various administrative hearings. City staff reserved the option to enter agreements with multiple parties; however, as of the closing date of December 17, 2021, only one proposal was received. Staff evaluated the sole proposal based on completeness, qualifications and experience, proposed scope of services and scheduling, references, and proposed fee schedule. It was determined that the proposal submitted by the applicant David Austin met the requirements outlined by the RFP.

It is worth noting that City staff is confident moving forward with the sole proposal received as the consultant's experience is highly desired. David Austin previously served as the City's Hearing Officer in a volunteer capacity over the last six years. The applicant conducted roughly 500 hearings and rendered decisions in all cases. Due to the consultant's familiarity with the Municipal Ordinance and his qualifications and additional experience, staff is recommending Council enter an agreement with David Austin in lieu of releasing an additional RFP to receive supplemental proposals.

FINANCIAL IMPACT:

Due to the current backlog of cases, the initial cost is expected to be higher than what may be required in future years. With the current number of cases staff, staff is recommending that the Council allocate $25,000.

It is noted that historically, funds have not been allocated for a hearing officer given that this service was provided on a volunteer basis.

ALTERNATIVES:

As an alternative, Council may direct staff to recirculate the RFP to gather additional proposals. Moreover, if Council chooses to approve the agreement but denies the budget amendment, the agreement cannot be executed.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MADERA, CALIFORNIA, AWARDING RFP NO. 202122-05 TO DAVID AUSTIN AND APPROVING A CONSULTANT SERVICES AGREEMENT

WHEREAS, the City of Madera (City) has a need for an independent consultant to assist in conducting administrative hearings; and

WHEREAS, on November 13, 2021, the City published a Request for Proposals (RFP) for the desired services and received one (1) qualified proposal; and

WHEREAS, the proposal received in response to the RFP was reviewed and scored by a committee of City staff; and

WHEREAS, David Austin satisfied the desired qualifications and experience necessary to provide the requested service.

NOW THEREFORE, THE COUNCIL OF THE CITY OF MADERA does hereby resolve, find and order as follows:

1. The above recitals are true and correct.
2. The Contractor Services Agreement between the City of Madera and David Austin, a copy of which is attached hereto as Exhibit A, is approved.
3. The resolution is effective immediately upon adoption.

AGREEMENT FOR SERVICES
BETWEEN
City OF MADERA
AND
DAVID AUSTIN
(For Administrative Hearing Officer Services)

This Services Agreement, (hereinafter referred to as the "Agreement"), effective _____, is entered between the City of Madera, a municipal corporation, (hereinafter referred to as "City"), and David Austin, an individual and a resident of Madera, California, (hereinafter referred to as "Provider").

RECITALS

WHEREAS, City issued a Request for Proposals for administrative hearing officer services; and

WHEREAS, Provider submitted a proposal for performing the requested Services and is engaged in the business of furnishing such services as a consultant and hereby warrants and represents that it is qualified, licensed, and professionally capable of performing the Services called for in the Request for Proposals and this Agreement; and

WHEREAS, City desires to obtain the Services from Provider, and Provider desires to provide the Services to City, on a non-exclusive basis and in full compliance with controlling federal, state and local laws, rules and regulations; and

WHEREAS, Provider provides such Services on a contract basis, as an independent contractor, possessed of and exercising the complete right to control the means of accomplishing said Services; and

WHEREAS, City desires to retain Consultant, and Consultant desires to provide City with the Services, on the terms and conditions as set forth in this Agreement.

NOW THEREFORE, in consideration of the above recitals, which recitals are contractual in nature, the mutual promises herein contained, and for other good and valuable consideration hereby acknowledged, the parties agree as follows:

TERMS AND CONDITIONS

1. **Term.** The term of this Agreement shall be one year, effective from the date first set forth above, with the option to extend for a second year.

2. **Scope of Work.** Provider shall perform the Services described in **Exhibit A** which is attached and incorporated by reference.

2.1. Provider acknowledges and agrees that any Services he provides to City shall be on a non-exclusive basis.

2.2. The parties acknowledge and agree that the Provider, in his performance of this Agreement and the authority delegations provided for in this Agreement and **Exhibit A** hereto, shall exercise his independent judgment and shall not take direction, directly or indirectly, in connection therewith from the City Manager, the Mayor, the City Council (or any member thereof), or any other person.

2.3. Provider represents and warrants that he is qualified to act as an administrative hearing officer for purposes of Cal. Vehicle Code §§ 40200 *et seq.*, meeting all experience, training, and current requirements thereunder.

3. Compensation. City shall pay Provider as follows:

3.1. Provider shall be paid an hourly rate in accordance with **Exhibit B** which is attached and incorporated by reference.

3.2. Such fee shall be payable monthly in arrears upon City's receipt and approval of Provider's certified written payment request and within thirty (30) business days thereof. Provider shall utilize the payment certification and request form supplied by the City.

3.3. Provider agrees to provide any substantiation and support for Services, fees, costs, and expenses upon the reasonable request of the City for a period of one (1) year after final payment. Records of Provider's expenses pertaining to the Services shall be kept on a generally recognized accounting basis and shall be available to City or its authorized representatives upon request during regular business hours throughout the life of this Agreement and for a period of three (3) years after final payment or, if longer, for any period required by law. In addition, all books, documents, papers, and records of Provider pertaining to the Services shall be available for the purpose of making audits, examinations, excerpts, and transcriptions for the same period of time. This paragraph shall survive expiration or termination of this Agreement.

3.4. City will make available in its City Hall a suitable room for the conduct of hearings.

4. Termination. Remedies and Force Majeure.

4.1. This Agreement shall terminate without any liability of City to Provider upon thirty days (30) business days prior written notice by City to Provider or by Provider to City.

4.2. Immediately upon any termination of this Agreement, Provider shall (i) immediately stop all work hereunder, except for completing those hearings that have commenced and where evidence has been presented prior to termination or expiration of this Agreement; (ii) immediately cause any and all of its subcontractors to cease work, except for completing those hearings that have

commenced and where evidence has been presented prior to termination or expiration of this Agreement; and (iii) return to City any and all unearned payments and all properties and materials in the possession of Provider that are owned by City. Subject to the terms of this Agreement, Provider shall be paid compensation for satisfactory rendition of services prior to the effective date of termination. Provider shall not be paid for any work or Services performed, or costs incurred, which reasonably could have been avoided. Provider shall complete those hearings that have commenced and where evidence has been presented prior to termination or expiration of this Agreement, and subject to the terms of this Agreement, Provider shall be paid compensation for satisfactory rendition of such services. The requirements of the preceding sentence shall survive expiration or termination of this Agreement.

4.3. Upon any termination or expiration of the Agreement, City may (i) exercise any right, remedy (in contract, law or equity), or privilege which may be available to it under applicable laws of the State of California or any other applicable law; (ii) proceed by appropriate court action to enforce the terms of the Agreement; and/or (iii) recover all direct, indirect, consequential, economic and incidental damages for the breach of the Agreement.

4.4. Provider shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of Provider and without its fault or negligence, such as: acts of God or the public enemy; acts of City in its contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes; unusually severe weather; and delays of common carriers. Provider shall notify City Manager in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, and shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to City Manager of the cessation of such occurrence.

5. Indemnification and Insurance.

5.1. Indemnification and Defense.Consultant shall indemnify, defend, and hold harmless the City, its officers, employees, agents and volunteers (“City indemnitees”), from and against any and all causes of action, claims, liabilities, obligations, judgments, or damages, including reasonable legal counsels’ fees and costs of litigation (“claims”), arising out of the Consultant’s performance of its obligations under this agreement or out of the operations conducted by Consultant, except for such loss or damage arising from the sole negligence or willful misconduct of the City. In the event the City indemnitees are made a party to any action, lawsuit, or other adversarial proceeding arising from Consultant’s performance of this agreement, the Consultant shall provide a defense to the City indemnitees, or at the City’s option, reimburse the City indemnitees their costs of

defense, including reasonable legal counsels' fees, incurred in defense of such claims.

5.2. Insurance. Consultant shall obtain and maintain in full force and effect during the term of this Agreement the insurance policies set forth in **Exhibit C** attached hereto and incorporated herein by this reference. All insurance policies shall be subject to City approval as to form and content. Consultant shall provide City with copies of required certificates of insurance upon request.

5.3 The provision will survive expiration or termination of this Agreement.

6. **Conflict of Interest.** Prior to City's execution of this Agreement, Provider shall complete a City of Madera Conflict of Interest Disclosure Statement. Said Statement is attached hereto as **Exhibit D** and incorporated herein by reference. During the term of this Agreement, Provider shall have the obligation and duty to immediately notify City in writing of any change to the information provided by Provider on **Exhibit D**.

6.1. Provider shall not employ or retain the services of any person while such person either is employed by City or is a member of any City commission, board, committee, or similar City body. This requirement may be waived in writing by the City's Chief Administrative Officer if no actual or potential conflict is involved.

6.2. Provider shall comply with all applicable laws, rules, regulations and professional canons/requirements governing avoidance of impermissible client conflicts, including without limitation the requirements of the California Political Reform Act (Government Codes Section 87100 *et seq.*) and the regulations of the Fair Political Practices Commission concerning disclosure and disqualification (2 California Code of Regulations Section 18700 *et seq.*).

6.3. Provider represents and warrants that as of the effective date hereof, he represents no client whose interests are adverse to the City's.

6.4. In performing the Services to be provided hereunder, Provider shall not be employed, managed or controlled by a person whose primary duties are parking enforcement, parking citation, processing, collection or issuance. Provider shall be separate and independent from the citation, collection or processing function.

6.5. This Section 6 shall survive expiration or termination of this Agreement.

7. **Nondiscrimination.** Provider shall not employ discriminatory practices in the provision of services, employment of personnel, or in any other respect on the basis of race, color, creed, religion, sex, sexual preference, national origin, ancestry, ethnicity, age, marital status, status as a disabled veteran or veteran of the Vietnam era, medical condition, or physical or mental disability. During the performance of this Agreement, Provider will comply with all laws and regulations, as applicable. Specifically, no person in the United

States shall, on the grounds of race, color, creed, religion, sex, sexual preference, national origin, ancestry, ethnicity, age, marital status, status as a disabled veteran or veteran of the Vietnam era, medical condition, or physical or mental disability be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity made possible by or resulting from this Agreement.

8. **Invalid Provisions.** The provisions of this Agreement are severable. In the event any term, covenant, condition or provision of the Agreement, or the application thereof to any person, entity, or circumstance, shall to any extent be held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, covenants, conditions or provisions of this Agreement, or the application thereof to any person, entity, or circumstance, shall remain in full force and effect and shall in no way be affected, impaired or invalidated, provided that such invalidity, voiding or unenforceability of such covenant, condition or provision does not materially prejudice either party in its respective rights and obligations contained in the then remaining valid covenants, conditions or provisions of this Agreement.

9. **Independent Contractor.** Provider is and throughout this Agreement shall be an independent contractor and not an employee, partner or agent of the City. However, City shall retain the right to verify that Provider is performing his respective obligations in accordance with the terms hereof.

9.1. Because of his status as an independent contractor, Provider shall have absolutely no right to employment rights and benefits available to City employees. Provider shall be solely liable and responsible for all payroll and tax withholding and for providing to, or on behalf of, its employees all employee benefits including, without limitation, health, welfare and retirement benefits. In addition, together with his other obligations under this Agreement, Provider shall be solely responsible for all matters relating to employment and tax withholding for and payment of Provider's employees, including, without limitation, (i) compliance with Social Security and unemployment insurance withholding, payment of workers compensation benefits, and all other laws and regulations governing matters of employee withholding, taxes and payment; and (ii) any claim of right or interest in City employment benefits, entitlements, programs and/or funds offered employees of City whether arising by reason of any common law, de facto, leased, or co- employee rights or other theory. It is acknowledged that during the term of this Agreement, Provider may be providing services to others unrelated to City or to this Agreement.

10. **Partnership/Joint Venture.** This agreement does not evidence a partnership or joint venture between Provider and City. Unless specifically provided for herein, the Provider shall have no authority to bind the City absent City's express written consent. Except to the extent otherwise provided in this Agreement, Provider shall bear his own costs/expenses in pursuit hereof.

11. **Notices.** Any notice required or intended to be given to either party under the terms of this Agreement shall be in writing and shall be deemed to be duly given if delivered personally or deposited into the United States mail, by registered or certified mail, return receipt requested with postage prepaid, addressed to the party to which notice is to be given at the party's address set forth on the signature page of this Agreement or at such other address as the parties may from time to time designate by written notice.

11.1. Personal service, as aforesaid, shall be deemed served and effective upon delivery thereof. Service by mail, as aforesaid, shall be deemed to be sufficiently served and effective as of 12:00:01 AM, on the fourth (4^{th}) calendar day following date of deposit in the United States mail of such registered or certified mail, properly addressed and postage prepaid.

12. **Non-Assignment.** This Agreement is personal to Provider and there shall be no assignment by Provider of his rights or obligations under this Agreement without the prior written approval of City.

13. **Non-Solicitation.** Provider represents and warrants that he has not paid or agreed to pay any compensation, contingent or otherwise, to solicit or procure this Agreement or any rights/benefits hereunder.

14. **Compliance with Law.** In providing the services required under this Agreement, Provider shall at all times comply with all applicable laws of the United States, the State of California and City, and with all applicable regulations promulgated by federal, state, regional, or local administrative and regulatory agencies, now in force and as they may be enacted, issued, or amended during the term of this Agreement.

15. **Governing Law and Venue.** This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California. Venue for purposes of the filing of any case, controversy or proceeding regarding the enforcement or interpretation of this Agreement and any rights and duties hereunder shall be Madera County, California.

16. **Attorney's Fees.** If either party is required to commence any proceeding or legal action to enforce any term, covenant or condition of this Agreement, the prevailing party in such proceeding or action shall be entitled to recover from the other party its reasonable attorney's fees and legal expenses in addition to any other relief to which such party may be entitled.

17. **Waiver.** The waiver by either party of a breach by the other of any provision of this Agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of either the same or a different provision of this Agreement. No provisions of this Agreement may be waived unless in writing and signed by all parties to this Agreement. Waiver of any one provision herein shall not be deemed to be a waiver of any other provision herein.

18. **Cumulative Remedies.** No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

19. **General Provisions.**

19.1. Once this Agreement is signed by all parties, it shall be binding upon, and shall inure to the benefit of, all parties, and each parties' respective heirs, successors, assigns, transferees, agents, servants, employees and representatives.

19.2. The section headings in this Agreement are for convenience and reference only and shall not be construed or held in any way to explain, modify or add to the interpretation or meaning of the provisions of this Agreement.

19.3. The parties acknowledge that this Agreement in its final form is the result of the combined efforts of the parties and that, should any provision of this Agreement be found to be ambiguous in any way, such ambiguity shall not be resolved by construing this Agreement in favor of or against either party, but rather by construing the terms in accordance with their generally accepted meaning.

19.4. In the event of any conflict between the body of this Agreement and any Exhibit or Attachment hereto, the terms and conditions of the body of this Agreement shall control and take precedence over the terms and conditions expressed within the Exhibit or Attachment. Furthermore, any terms or conditions contained within any Exhibit or Attachment hereto which purport to modify the allocation of risk between the parties, provided for within the body of this Agreement, shall be null and void.

19.5. The rights, interests, duties and obligations defined within this Agreement are intended for the specific parties hereto as identified in the preamble of this Agreement. Notwithstanding anything stated to the contrary in this Agreement, it is not intended that any rights or interests in this Agreement benefit or flow to the interest of any third parties.

20. **Final Agreement.** This Agreement and any documents, instruments and materials referenced and incorporated herein represents the entire agreement between the parties with respect to the subject matter hereof, and supersedes all prior agreements between City and Provider. This Agreement may be modified only by written instrument duly authorized and executed by both City and Provider.

Notice. Any notice required pursuant to this Agreement shall be deemed delivered if given in writing, mailed with postage prepaid, addressed and directed as follows (or at such other address as the parties may from time to time designate by written notice)

SCOPE OF SERVICES

Agreement for Administrative Hearing Officer Services between City of Madera and David Austin

Provider shall perform non-exclusive administrative hearing officer services as provided in this Agreement and in accordance with the following additional requirements and descriptions:

1. Depending on the number of appeals for which Provider is assigned, Provider shall provide the number of hours of services reasonably necessary to adequately perform the services of an Administrative Hearing Officer for the cases assigned to the Provider. The assignments to Provider will be on a case by case basis. City staff shall schedule hearings in a manner that will satisfy the Provider's minimum requirement of four (4) hours.

2. Provider's point of contact with the City shall be City Manager, Arnoldo Rodriguez, or other designee named by the City Manager.

3. Provider and City each acknowledge and agree that Provider will be a fair and impartial hearing officer; and that City, except for purposes of submitting evidence and testimony as part of the hearing proceeds, will not in any manner influence, directly or indirectly, decisions made or to be made by Provider.

4. Provider shall immediately notify the City Manager of (i) any specific matter coming before Provider for which Provider must recuse himself from hearing the matter because of a conflict of interest, and (ii) any practical reason why Provider is unable to serve. Under such circumstances, the City Manager may appoint another hearing officer to hear the respective administrative hearing(s) or have the matter assigned to another permanent hearing officer.

5. Provider shall sit as the trier of fact and shall rule on questions of law and admissibility of evidence. Provider shall demonstrate the objectivity necessary to conduct a fair and impartial review. Provider shall issue decisions based on applicable Municipal Code violation and shall ensure that all rulings are consistent with the Municipal Code.

6. Provider shall provide fair and impartial hearings for appeals of City-issued administrative citations, orders, decisions or determinations which may involve violations of the City's Municipal Code. Provider may be requested to provide fair and impartial hearings for appeals of City issued administrative citations, orders, decisions or determinations involving the following matters: business permit denials, suspensions and revocations, such as taxicab or massage business permits; violations, or denials, of City regulatory permits, and miscellaneous other matters such as dangerous animal determinations, parking citations, debarment of bidders, and certain appeals in the competitive procurement processes of City.

7. Provider shall be responsible for performance of all aspects of conducting the administrative hearings, including related correspondence with appellants and respondents, preparation and preservation of the hearing record and the rendering of a decision in each matter, all in accordance with and subject to controlling law and the time frames provided therein.

8. Provider shall conduct hearings as scheduled by City staff in the facility designated and provided by City. This shall include hearings held via video conferencing.

9. Provider shall keep an accounting of his time and submit to City Manager's Office on a monthly basis for the purpose of accounting and cost allocation to City Departments.

EXHIBIT C
INSURANCE REQUIREMENTS

Agreement for Administrative Hearing Officer Services between City of Madera and David Austin

A. Insurance Requirements.

Consultant shall maintain limits no less than:

• $2,000,000 General Liability (including operations, products and completed operations) per occurrence, $4,000,000 general aggregate, for bodily injury, personal injury, and property damage, including without limitation, blanket contractual liability. Coverage shall be at least as broad as Insurance Services Office (ISO) Commercial General Liability coverage form CG 00 01. General liability policies shall be endorsed using ISO form CG 20 10 that the City and its officers, officials, employees, and agents shall be additional insureds under such policies.

• $2,000,000 Automobile Liability combined single limit per accident for bodily injury or property damage at least as broad as ISO Form CA 00 01 for all activities of Consultant arising out of or in connection with Work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles. Automobile Liability policies shall be endorsed to provide that the City and its officers, officials, employees, and agents shall be additional insureds under such policies.

• Worker's Compensation as required by the State of California and $1,000,000 Employer's Liability per accident for bodily injury or disease. Consultant shall submit to the City, along with the certificate of insurance, a Waiver of Subrogation endorsement in favor of the City, its officers, agents, employees, and volunteers.

• $1,000,000 Professional Liability (Errors & Omissions) per claim and in the aggregate. Consultant shall maintain professional liability insurance that insures against professional errors and omission that may be made in performing the Services to be rendered in connection with this Agreement. Any policy inception date, continuity date, or retroactive date must be before the effective date of this Agreement, and Consultant agrees to maintain continuous coverage through a period no less than three years after completion of the services required by this Agreement. The cost of such insurance shall be included in Consultant's bid.

<u>Maintenance of Coverage</u>

Consultant shall procure and maintain, for the duration of the contract, insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the Work hereunder by Consultant, its agents, representatives, employees, subcontractors or subconsultants as specified in this Agreement.

Proof of Insurance

Consultant shall provide to the City certificates of insurance and endorsements, as required, as evidence of the insurance coverage required herein, along with a waiver of subrogation endorsement for workers' compensation. Insurance certificates and endorsements must be approved by the City prior to commencement of performance. Current evidence of insurance shall be kept on file with the City at all times during the term of this Agreement. Agency reserves the right to require complete, certified copies of all required insurance policies, at any time.

Acceptable Insurers

All insurance policies shall be issued by an insurance company currently authorized by the Insurance commissioner to transact business of insurance in the State of California, with an assigned policyholders' Rating of A- (or higher) and a Financial Size Category Class VII (or larger), in accordance with the latest edition of Best's Key Rating Guide.

Waiver of Subrogation

All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against the City, its elected or appointed officers, agents, officials, employees, and volunteers, or shall specifically allow Consultant, or others providing insurance evidence in compliance with these specifications, to waive their right of recovery prior to a loss. Consultant hereby waives its own right of recovery against the City and shall require similar written express waivers and insurance clauses from each of its subconsultants or subcontractors.

Enforcement of Contract Provisions (non estoppel)

Consultant acknowledges and agrees that any actual or alleged failure on the part of the Agency to inform Consultant of non-compliance with any requirement imposes no additional obligations on the City, nor does it waive any rights hereunder.

Specifications not Limiting

Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If Consultant maintains higher limits than the minimums required above, the entity shall be entitled to coverage at the higher limits maintained by Consultant.

Notice of Cancellation

Consultant agrees to oblige its insurance agent or broker and insurers to provide to the City with thirty (30) calendar days' notice of cancellation (except for nonpayment for which ten (10) calendar days' notice is required) or nonrenewal of coverage for each required coverage.

Self-insured Retentions

Any self-insured retentions must be declared to and approved by the City. The City reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible. Self-insurance will not be considered to comply with these specifications unless approved by the City's Risk Manager.

Timely Notice of Claims

Consultant shall give the City prompt and timely notice of claims made or suits instituted that arise out of or result from Consultant's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.

Additional Insurance

Consultant shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgement may be necessary for its proper protection and prosecution of the Work.

From: Bobby Kahn, Executive Director
Madera County Economic Development Commission

Subject: Madera County Economic Development Commission
2022/23 Annual Basic Service Level Budget

SUBJECT:
City contribution towards the Madera County Economic Development Commission (EDC) for Fiscal Year (FY) 2022/2023 in the amount of $179,428.99

RECOMMENDATION:
The EDC recommends the City Council (Council) adopt a minute order approving the 2022/23 Basic Service Level Budget as submitted.

SUMMARY:
The City, along with the County of Madera and the City of Chowchilla, established a Joint Powers Authority (JPA) to create an agency with the expressed purpose of attracting and establishing industry in the region. The EDC is seeking funding to continue with its core mission for the upcoming fiscal year.

DISCUSSION:

History & Board Composition

The EDC was created by the County of Madera and the cities of Madera and Chowchilla through a JPA in 1968. On an annual basis, the EDC approaches each respective agency and outlines budget needs and contribution amounts. In an effort to identify needs, EDC staff works collaboratively with its Board of Commissioners, comprised of 13 members from county chambers, industry and public utility to plan the upcoming year's strategy and efforts. Budget needs are more narrowly defined by the EDC Executive Committee, which is comprised of 5 of the 13 aforementioned Board of Commissioners.

Role of the EDC

The EDC, in partnership with the City, works tirelessly on:

1. Attracting new business, particularly job creation.
2. Assisting existing business expand, including identifying and providing loans.
3. Retention of existing business that are seeking and relocating outside of the region.
4. Serving as a liaison between the City and businesses.

As part of these efforts, the EDC:

- Attends trade shows
- Communicates with corporate site selectors to identify needs
- Identifies key personnel at public utility companies (e.g. PG&E, AT&T, Comcast)
- Generates data
- Develops and maintains on-going relationships with State and Federal elected officials

While not all efforts result in new businesses, it is worth noting that the EDC played an instrumental role in recently attracting:

Fence Company (manufacturing)	Dutch Brothers Coffee
Agricultural Chemical Co.	North Fork Mono Resort
Recreational Products Company Opened- Fall 2021	Boot Barn

California Central Valley EDC

While the EDC represents the JPA agencies, it also part of an eight county wide economic consortium, the California Central Valley Economic Development Corporation (CCVEDC). The CCVEDC is nationally recognized and assists the EDC with connecting key decision makers, generating proprietary research and data, and in organizing site tours with corporate site selectors. Being a member of the EDC grants access to CCVEDC's prospects and leads.

Regional EDC

Worth noting is that EDC also acts as the lead agency on a county-wide basis for several agencies, organizations and programs, including:

A. The Eastern Madera County Chamber Alliance
B. The Greater Madera County Industrial Association
C. Recycling Market Development Zone (Zone administrator working with CalRecyle and Madera County businesses that use recycled materials to prevent adding to the landfill)
D. The Madera County and City of Madera Revolving Loan Fund programs and others.

The EDC is also a leader in promoting Madera with ongoing press releases, social media, daily blogs and serves as the Madera County representative on the Channel 30 ABC News community advisory committee.

EDC REQUEST

The contribution amounts are proportionally based on population. For the upcoming year, EDC staff, along with the Board of Directors determined the following contribution amounts:

Table 2: Contribution Amounts

	County of Madera	City of Madera	City of Chowchilla	Total
Contribution	217,00.34	179,428.99	34,275.20	430,714.53
Population %	50.25%	41.75%	8.00%	100%

The 2022/23 Basic Service Level Budget has a $2,320.81 decrease over the 2021/22 budget. The JPA states that each jurisdiction shall pay a pro-rated share of the EDC Basic Service Level Budget based on population. EDC conducts an annual review of the State of California Department of Finance (DOF) most recent population numbers for the County of Madera, City of Madera and the City of Chowchilla. The DOF figures show that the City of Madera population represents 41.75 % of the County. This equates to $179,428.99 for the 2022/2023 fiscal year. This is a decrease of $2,320.81 over the 2021/2022 Basic Service Level budget.

LOOKING FORWARD

Similar to all organizations, the EDC takes its role seriously and is continuously looking at improving to better serve the City. Looking forward to FY 22/23, the EDC will:

- EDC will provide a quarterly update to the council on projects and activities.
- All council members will be emailed the agenda for the EDC's Board of Commissioners Quarterly meetings.
- EDC staff will invite council members for individual monthly briefing.

FISCAL IMPACT

This request will have an impact to the General fund in the amount of $179,428.99.
