Madera, CA 93637

The foregoing documents are amended in the respects as herein set forth. This addendum and the amendments herein shall become part of said documents and of any contract entered into pursuant to said documents.

Sewer Lift Stations will not be included as part of this RFP Process. All references to sewer lift stations are amended to remove them from the specification and bid documents.

### C. SPECIAL REQUIREMENTS:

1. Due to security clearance requirements needed at the Police Department facility, the same technician(s) must be assigned for a minimum of one (1) year.
2. Service visits to well sites, ~~sewer lift stations~~ and water tower locations are to be scheduled in advance with the Public Works Department designee as these sites require Service Provider personnel to be accompanied by City personnel.
3. The material to be used at well sites ~~and sewer lift stations~~ are to be greater or the equivalent to:
