City of Madera
Beautification Committee Survey

1. What areas within the City limits need attention? (Be specific: i.e. intersection, address, etc.)

2. How would you like to see this area improved?

3. What skills or knowledge do you have that could help in Madera beautification projects?

4. How would you like to help?

5. What days/hours are you available?

6. How can we reach you? Phone (559) __________________________

Name __________________________________________________________

Address __________________________________________________________________________
