

Response to Questions - #1

1. Is there prior pricing and square footage available for the bid?

Standard monthly bill was \$510.00. I do not have footage information.

2. Does the RFP call out rates for additional services?

No. You will be expected to quote the person requesting the additional services and they can approve or decline the additional services.

3. How will vendor get access to well sites.

You will be given contact information so that you can contact and make arrangements for treatments at the well sites. All well sites are fenced and locked and you will need to be inside to properly provide services.

4. What about access to Sewer Lift Stations?

The Sewer lift stations will no be part this bid. The City will be publishing an addendum today removing them from the bid process.
