

“HELPING PEOPLE. CHANGING LIVES”

With extreme drought persisting throughout the state, today the California Department of Community Services and Development (CSD) announced the Drought Water Assistance Program (DWAP) to assist drought impacted, low-income households with their residential water utility bill to prevent disruption in vital water services and to promote water conservation.

The Drought Water Assistance Program (DWAP) will provide low-income households with a one-time payment towards their water utility bill and are now able to help eligible households with assistance on bundled services (water, sewer, and trash). Program estimated to start in June. Applications will be available and can be picked up from CAPMC or you can download an application packet at www.maderacap.org.

To apply you will need to mail/bring PHOTOCOPIES of the following:

- **Completed** and **Signed** Application Packet
- **Water Utility Bill**; must provide a copy of the water bill for the current month **and/or** shut off notice if you are requesting assistance with past due balances.
- **Your social security card**; and
- **Proof of income for everyone in the home received in the past six (6) weeks** (including check stubs, unemployment check stubs, award letters for SSI/SSP/SSA/SSDI, general relief letters, pensions, child support, and/or an Issuance History/Passport to Services if anyone in the household receives TANF).
- **If you do not have proof of income as listed above** you will need a written statement of earnings completed for everyone over the age of 18 years of age.
- **5/10 Notices and Shut Offs will be seen by appointment only.**

Please note: You may be asked to bring additional documents. Call (559) 673-9173 or [contact us online](#) for more information. Assistance is subject to eligibility and availability of funds.
