#### **4. PROJECTS AND REPORTS**

##### **4A. Adoption of a Resolution Amending Bylaws of the Successor Agency to the former Madera Redevelopment Agency (Successor Agency)**

***Item 4A portion of the meeting minutes is in verbatim form.***

Business Manager Bob Wilson: This item was placed on the agenda by Steve Frazier. It is an amendment to the bylaws naming the City Administrator as the Executive Director of the Successor Agency, change the address to 205 West 4<sup>th</sup> Street and change the meeting date to the third Wednesday at the same time as the second City Council meeting.

Mayor Medellin: Thank you very much for that Bob. This is certainly going to be open for discussion by all. Are there any questions of Bob before we move forward?

Council Member Foley Gallegos: I don't know if it is a question, Mayor Medellin but can 4A and 4B be linked together because they're one of two?

Mayor Medellin: They certainly go hand in hand.

City Attorney Richardson: They are agendized separately, in order to take action you will have to take them one at a time. I understand that they are related but because they are agendized separately we really need to take them separately.

Mayor Medellin: They certainly are going to go hand in hand and I think our discussion will bring in both in to play but as we talk about moving forward they will have to be one at a time.

Business Manager Wilson: It is important to note if Item 4A does pass we will not take action on Item 4B.

Mayor Medellin: Any other questions or comments for Bob at this time?

Council Member Holley: I would like to save my comments until after the public have what they are going to have.

Mayor Pro-Tem Rodriguez: I guess the question would be to, I don't know if it is Bob or whomever. As far as the action of the bylaws before us tonight, how would that affect, if any, the current way we do business on the RDA. Would that have any negative affect by allowing an Executive Director to overlook that. I just want to make sure it doesn't affect it in any way. Obviously this RDA is supposed to dissolve at some point. But having these bylaws adopted and having someone else overlook it, would that affect the way this entity operates?

Business Manager Wilson: Moving the Successor Agency over to City Hall will not provide me access to my files. That is one complication. I am the one who is going to do all the work so it would be a sticking point having to drive back and forth to access my files.

Mayor Pro Tem Rodriguez: The absence of the Executive Director, have you taken different roles?

Business Manager Wilson: Yes. There is a lot of selling of the properties, the lottery system and coming up with the different ideas when it comes to disposing the properties. In the Long Range Property Maintenance Plan, we have over sixty parcels out there and there is a lot of negotiation that has to take place now. Mr. Taubert and I used to do a lot of that together. So I will be taking over that completely.

Mayor Pro Tem Rodriguez: This is mainly for bylaws. I am not sure if I can ask the question as far as how soon we can see the dissolution of this entity, how far are we from that? Brent, if you see that I might be overstepping my boundaries when I ask that question. I know this is adopting a resolution for bylaws but getting there because it is the RDA. Again, my biggest concern is having this action taken would that affect in the way we operate the RDA, would it interrupt any of it's...

Business Manager Wilson: I anticipate that a lot of the activity will remain the same. I anticipate roughly a year and a half to two years to wrap up the dissolution process and come in with our last and final ROPS and get it to the Department of Finance.

Mayor Pro Tem Rodriguez: How would that affect the ROPS?

Business Manager Wilson: We have already submitted our ROPS for the next fiscal 18-19 year. We are pretty much good through that. As long as the projects we have been approved on the ROPS, which is the Adelaide Subdivision which we are anticipating about \$1.8 million. We moved \$2 million to infrastructure. I submitted that ROPS to the Department of Finance and I did receive a few questions on the \$2 million and I believe they are satisfied with my answer on that one. They also had a few questions on ending balances and the carry forward from prior period adjustments. The activity is the activity and if I am doing it, then I am doing it. It would be more convenient in my current setting. I have room to meet with builders. We hold lottery meetings with some times ten or twelve builders at a time. It would be convenient to be in the same building to have access to the files. You would have to pretty much daily to grab a file.

Mayor Pro Tem Rodriguez: You have answered that. Thank you Bob.

Council Member Robinson: I would like to say, if it is not broke why try and fix it. We have been going this route since I was a Councilman and I don't see how and why it is not improving it. Bob has been doing this job for years even when Taubert was out sick. He was the main man, the go to man. I believe that he should be running this at the same place he is doing the job. And I don't see why. Even the Interim Manager said that when I brought it up that Bob should be compensated for all that work he is doing and he said that he is not doing any extra work. So I think he should handle it right where he is at. He is doing a good job and I agree that for the next two years it should be up to him. I sit on the board for the League for the Community Housing and Economics up in Sacramento and they are bringing another program similar to redevelopment. So I think he should stay put where he is at and don't touch anything. Thank you.

Mayor Medellin: Thank you for your comments.

Council Member Foley Gallegos: Bob, I had a quick question, if this were to go through, the bylaws we are changing, what financial impact is it going to have?

Business Manager Wilson: There are several colors of money. We have two different types of bond funds. We have received RPTTF for debt service, we have \$250,000 admin allowance and another \$252,000 in bond administration. That is what the funds are intended to be used for. Is there other things that can be done with it, possibly so. But is it the right way to do it, I don't know. There are different things that can be done, and there is a right way and a wrong way to do it.

Mayor Medellin: The \$250,000 is for admin only, right?

Business Manager Wilson: Correct.

Mayor Medellin: It can only be used for admin purposes that we have defined over the years to make sure that is exactly what it is used for.

Business Manager Wilson: Yes.

Mayor Medellin: Any other questions for Mr. Wilson?

Council Member Holley: What I am looking at here is that we do not want to give too much power to one agency. This has been working for years and years and to put all this under one roof is going to cause conflicts down the road. I know they tell us Council is supposed to be over everything but it doesn't look like that has been happening in the last few months. I wouldn't want to see these bonded. I think RDA has a good staff and good working abilities over there. I am seeing changes that I am hearing through the grapevine that this happened within the last couple of months that people are being moved out of places. It doesn't sound good, and doesn't look good to me. I think we need to have two entities here. We are going to have City Administrator, let's have a City Administrator. We are going to have an RDA Director, let's have an RDA Director. I don't think they need to bond together. I have talked with some other cities and got my homework done. That puts too much problems on one person to run this City and I don't think it should be like that.

Council Member Oliver: I think no doubt as we go through dissolution, which is an inevitability, it's going to be with Bob Wilson as part of that team. And I think that his knowledge is certainly invaluable. I think my question Bob, perhaps for frame of reference looking at other communities. I know that we are kind of an anomaly in that we have two separate entities from those still dealing with dissolution. How many are out there that have two separate entities with an Executive Director as a stand-alone position. Are there any examples that you can share?

Business Manager Wilson: Yes, Member Oliver. The Madera Redevelopment Agency was set up different than most redevelopment agencies having its own board the way we did. But there were a few other redevelopment agencies that were set up like this up and down the state. That is one of the reasons why the Governor came in and cut redevelopment agencies and went through the dissolution process is because the way they were set up abuse was much more rampant. There was a lot things done with Redevelopment Agency's money that it wasn't intended for. And that is why you can look around town and you can see what has happened around here. The funding was spent exactly what it was for. We got the new courthouse downtown, Rancho San Miguel,

out lots all over that have been landscaped, a community garden on Lake Street, we tore down depilated structures over in Riverwalk and we a really nice subdivision going up there, we bought the subdivision on Riverside we put in a new storm drain system and houses are being built over there, we have done all sorts of affordable housing and I can go on and on and drive this town and try and doubt if this agency has been set up correctly or not.

Council Member Oliver: I absolutely agree and I think that this is one of the foremost agencies that was doing it right. There is a lot of great examples there. Obviously when you read through the bylaws you know that the City of Madera Administration is embedded in that. Can you share what coordination you have with city hall staff today in your day to day.

Business Manager Wilson: I am running here all the time. I bring things over to Don all the time to enter into the finance system. At the end of the year I will write up journal entries and hand them to the Finance Department to be entered. I watch the budget throughout the year to make sure everything ends up according to how the ROPS, our budget, was approved by the Department of Finance. I working inside Engineering all the time on several projects. They're invaluable. I work very closely with Engineering. I have been discussing projects with the Planning Department right now with the housing subdivisions that we have going on. Member Oliver, there is a great deal of communication.

Council Member Oliver: Going back awhile, probably since the onset of the formation of this entity.

Business Manager Wilson: We work well together.

Council Member Oliver: I think for me, and I would be interested in Mr. Frazier's staff report and presentation as well. I would like to see more than anything, is for both for our City Hall staff and our RDA Successor Agency staff singing to the same tune. I know Bob has had good relationships working with all of our City Hall staff. For me I think that is the most important thing as we move towards dissolution. As we know there are things we can spend the money on, things we can build and there are legal covenants with those items. We can't just take whatever amount that has been discussed and put it here and towards any one particular pet project. There is a lot of scrutiny. There is a lot of legal that his involved with that. And obviously Mr. Wilson brings that level of expertise. So any ideas or suggestions on how we can expand on and better that working relationship between City Hall, the City Manager's office and your department. I think that it doesn't take a mild observation to know that maybe we did not have that much coordination in the past between those two offices.

Business Manager Wilson: Yes, I definitely agree that working together is going to be very important. As I mentioned before the \$2 million is really addressing that issue. It is putting it out there to where we can all talk about some of the housing projects that money was budgeted for weren't moving and we did not see it moving forward. Moving that funding out there is a big step towards everybody working together.

Council Member Oliver: Absolutely. I think we have to be flexible there. That it is priority. At the end of the day we are the decision making body. It is not one individual person that is going to be making those decisions. It is going to be collective. I'd like to see is looking at the organization. What are the structural changes that need to happen? Maybe have more efficient operations there. I think part of that discussion is logistics. Does it make sense to have someone making three or four trips a day if that is vital to your day to day. That is important information for me to

have too. I am definitely keeping an open mind. It is interesting to have two separate items. I don't want to see competing interests. I think we all have to be able to discuss the best game plan working together moving forward. I will defer my comments or questions shortly here.

Mayor Pro Tem Rodriguez: Bob, I know you spoke earlier about a certain admin fee that towards your department. Would that affect anything if this change happen? I know that you report to the Council directly but you also have a board. How does that affect the relationship that exists right now with the ROPS or the Successor Agency? The reason why I say that is because by absorbing and bringing you back to the City, would that then create a problem whereas maybe we are not going to get those \$250,000 to cover the admin but then the City would incur that costs. Could that happen at all? I am looking out for the best interests of the City at the same time for the Successor Agency.

Business Manager Wilson: As long as the activity as the Successor Agency continues we keeping pushing the projects forward the \$200,000 and the \$250,000 will be available. We will have to put it in the ROPS and get it approved by the Oversight Board and then up through the Department of Finance. Is everybody going to take a different look at it right now? It is always a possibility. It is available, the rules won't change. But the way people look at it might be different.

Council Member Foley Gallegos: Just to make sure I am clear. We are looking to change the bylaws. The Successor Agency, if we left it, would stay in charge of Code Enforcement and Neighborhood Revitalization, correct?

Business Manager Wilson: If you pass this no.

Council Member Foley Gallegos: Strictly just RDA. Okay.

Business Manager Wilson: If this passes, PD is moving in the RDA building and they are going to be over Code Enforcement. The Executive Director is in charge of Code Enforcement. The Successor Agency is in charge of the building and that is not the plan if this item passes.

Council Member Foley Gallegos: That changes a little bit what I am thinking. Originally I thought we were just talking RDA. I am a true believer. Sometimes Code Enforcement in other cities, when I have done research, goes under Planning and there's Code Enforcement also goes under police. For me it is a separate issue than the RDA successor. When Council Member Robinson is saying that why change something that works, I am looking at that's true. And then Council Member Oliver is saying that we all need to sing to the same tune, which is also true. No disrespect to Steve Frazier who is our interim. If it works Mr. Frazier is only here for only a little while, why aren't we waiting until we have a City Manager so that we are singing to the same tune and we are one. Have that City Manager make that decision if he feels that we should be one or should be separate. We have a lot of change going on in the City. I just don't see more change happening to an entity that promised the citizens and our residents that the RDA money will be used just for RDA. That money could have gone to the school district, the county and spread all over Madera but they gave it to the City of Madera to redevelop areas in our city to make it a better place. To me a promise that we made on Council for Measure K. The money was not set in stone to go for police and fire. We as a council put our hands up and said we promise that this money is going to those two entities. It was a verbal agreement. And so I feel by looking at the history, RDA was promised to the residents that money would be used for that and only that. I wasn't around it was a while back, so I look at it as if we are going to make changes which it sounds like we probably do need to make them in the City but I think it needs to

be made by our new City Administrator who we put in place at that time and to look at the overview and study it and decide where to go. But when it comes to Code Enforcement, I do see that it needs to maybe go under another umbrella so that we can really get on the same page for that. Granted I get that. That's why I am not sure how to do that Brent.

City Attorney Richardson: I want to clarify something because it may help you through the chair. Code Enforcement has always been a City department. It really is not tied to the RDA. In the past it was overseen, the Executive Director did have a management role in it, but it is technically a City department. I just want to clarify that. It is under the City umbrella. You are correct, a lot of cities handle them in different departments. I just wanted to clarify.

Council Member Foley Gallegos: That is some of the history that I got about RDA and how the men and women who were up here at the dais at the time had promised that was what the RDA money was going for and that is when we received it. Again, it could have gone to different agencies, we wouldn't be sitting here but it didn't. We fought for it. We got it and people sat up here and made promises that that's where the money was going to go. So I am just hoping that we are going to make the right decisions that money is going to stay and be used for those areas.

Council Member Oliver: You make excellent points. One of the questions was just for clarification on the bylaws. It does not make mention that Code Enforcement. I agree with Council Member Foley Gallegos on separating those discussions. And I think my other question for Bob would be, in the bylaws we have a position for Executive Director as well as Business Manager. Let's say in the event you would be tasked to that position, is a recommendation to backfill the Business Manager position. Do you have the resources to move forward with dissolution with the fewer projects that are still on the books or would you make recommendation for additional staffing and would the budget cover that?

Business Manager Wilson: No I do not see the need for any additional staffing. I have no problem with carrying out the activities to complete dissolution.

Council Member Oliver: Brent you have to reign me in here, get ready. I don't know if there is a way, looking at the bylaws, to amend it so that it reflects current times. RDA is not up in running and going like it used to be. But maybe establishing someone like Bob as a Director but as a direct report to this body, if that makes sense, and still working with the City Manager office. So if we have staff reports, having it signed off by both the department Director as well as the City Manager. But knowing that you would be a direct report when we are talking about compensation and employment, things of that nature such as Brent or Sonia. I do not want to throw a wrench in there but I really want to see these gentlemen work together more often. I think that would make sense for our organization and our Council, at least in my eyes. Is that even a possibility Brent?

City Attorney Richardson: Just for clarification, the bylaws currently set the agency up with the Director as a direct report. You guys been directly overseeing the Executive Director for years. It does not actually speak to the staff report process that could be something you provide direction on. I don't remember if there is anything else there you left out. But as far as the direct report for the Executive Director, that is the way it is currently set up.

Council Member Oliver: If we were to amend the... I will let Steve give his presentation.

Council Member Foley Gallegos: Bob, just real fast, you were telling Council Member Oliver that you feel that you can do those positions but you would also have Claudia who is also RDA. Correct?

Business Manager Wilson: Correct.

Mayor Medellin: Current staff, not necessarily additional staff.

Mayor Pro Tem Rodriguez: I just want to go back and reiterate what Council Member Foley Gallegos mentioned, with that being said and separating those two away. Could there be a possibility of coexisting where you have RDA and PD in the same building and leaving it status quo where it would not really affect your position but yet you have PD next to the RDA building. Would that be a possibility coexisting there? Being that we confirmed that Code Enforcement is part of the City and that is being overlooked by PD. Would that be a problem to have these two entities to coexist together there?

Business Manager Wilson: I have no problem with that at all. I don't know what are Steve's plan.

Mayor Medellin: I will recognize Mr. Frazier.

Interim City Administrator Frazier: I would certainly like to address the Council because there are some misconceptions that are being discussed. First and foremost, we are all in agreement that Bob is done a fabulous job. And we do not see that fabulous job ending if you change the bylaws. We have gone from a Successor Agency of four to a Successor Agency of two. Right now they are without an Executive Director. This is not about Steve, this is about that position that belongs under the City Administrator, whether you do it now or later. I think we are probably the only city left in California that does not have such a structure. Our Finance Director sent out a poll to several agencies and we got twenty five responses. Twenty five cities from the size of Chowchilla to the size of Pasadena all work under the City Administrator as the Executive Director. So you need to know that I know very little about the Redevelopment Agency. This is not my opportunity to say that I want to add to that, but Bob is going to need help. And he can have the full resources of the City of Madera to help him in his job of delivering the good work of the Redevelopment Agency. Nothing will change. There will be no money that will be coming to the City other than what is being spent already. I realize that is a concern. There has been no discussion on that, that's not something we even thought about. We just want to provide appropriate oversight. You have asked me to manage the City. As the City Manager that is exactly what I want to do. Manage the City. I look at Redevelopment as another extension of the City, providing the work that the City does. And I can give Bob the resources he needs. We discussed moving him here because he will be working more with the City. And it is easier to move one person here than to have five on a moment's notice drive over to Redevelopment and have an impromptu meeting in regards to the potential of a purchase or meeting with folks that are interested in a lottery on a property or anything else. The resources of the City are here. That is also why moved to have it on a City Council night because more City involvement will be engaged there. And on that second Council meeting with City staff here and both can report on that. Whether it is Bob reporting or Dave Merchen reporting, they can address the concerns and make sure we are moving forward with Redevelopment. Bob as the sole individual assigned with carrying that out. God forbid but if something happens to him, who will we go to next? There isn't anybody. It is a bad business model to have one individual with all of the knowledge and all of the ability to carry something out. We found as a City entity in the past where we have had responsibilities resting on one individual and for whatever reason they left employment and with

them went the institutional knowledge. And we had to backtrack, slow down process and had to learn the process all over again because that individual with the knowledge was gone. Bob is the one that now possesses that. With Jim's retirement, he is it. That is not a good business model for the City to be in. I don't see any change. This is not a money grab. I discussed this with Mike earlier. That is not what this is about. This is to ensure that we continue to do the good business of Redevelopment. That's it. Your promise to the citizens to provide that service will not change. The mission won't change. But there does need to be appropriate oversight. That is one the Council but two you gotta have someone that provides checks and balances, whether that is a peer or an Executive Director. An entity of one is not a good model we should be following. I would be happy to answer any questions.

Council Member Robinson: I would like to say that we have an Oversight Board for the Successor Agency. And so they are overseeing it. I think Bob should be moved over to Director, he knows the job inside out. So I am for that.

Mayor Medellin: Thank you. Council Member Holley.

Council Member Holley: I was listening to what you said Steve. To me, I don't see where it's going to make a great deal of a difference if he is over there or over here. They have been doing it in the past. One person always has a lot of knowledge than somebody else. I can't see where it is going to make a change by changing the outreach of what is going on already. By you say to bring him over here, I don't see that making a difference. If he is over there, he told me and we discussed it. Five people have to go over there and just one to come over here. It has been working in the past and I can't see it is going to change in the future. You know the way I look at it and I don't want nobody to feel bad but so many things have happened to where this Council really don't know what is going on. It bothers me and I told you guys this in the past. When I get phone calls from the residents about something that has happened and we don't know nothing about it, it hurts. We sit here and try to make sure that we got the right information, doing the right job for the City. And yet there are things happening that we know nothing about. There has been changes been made since Tooley has been gone that we find out through the newspaper. It bothers me. Now how it had to come from somebody that heard it or we don't get to hear it. I said to myself and I have been praying about this, I am not going to continue to let this happen and being accountable for it. I don't think the changes right now need to be made. These bylaws, to me I will vote them down and they can stay like they were. Until we find someone that is going to do this as a permanent position for our City. That is my comment.

Council Member Robinson: Public Works is south of the City. Are we going to move them up here too? That is why got telephone calls. You can call somebody up when you need something and set a date. That's it.

Mayor Medellin: Bob, if you wouldn't mind I would like to go back a couple of steps. Because some things were brought up and I want to make sure we clear the air on some of these issues. Mr. Frazier said money grab. It was mentioned before about the scrutiny. A quick overview as to how this money can and cannot be used. More specifically, there is so many strings attached to this money through the Department of Finance and the State of California. So some of the projects we have in the works, by your own admission, you said that we have not been moving forward like we should be. And so that is going to be my follow-up question. Once we define these dollars, what is our plan to use these dollars as they were intended? We are in a unique situation in that most cities lost their funding, have no funding and they dissolved years ago. But because of leadership and proper management of those dollars we are now in a unique position

that we can spend this money as Council Member Gallegos said as it was intended to. It is a small elephant, but yet it is an elephant in the room. We are talking about who is going to do what. What is our map? What is our horizon? How can these dollars be used and how we can enhance Madera with these RDA dollars as it was intended to do so.

Business Manager Wilson: Thank you Mayor Medellin. You are correct, we are lucky we have funding. We bonded right before dissolution in 2008. And so anybody who waited and didn't bond when dissolution hit you couldn't go out and secure debt after dissolution. One of the reasons it slowed everything down is when dissolution hit in 2012 every project we had in the works, no matter what stage it was in, had to be stopped. So every project was cancelled in 2012 when dissolution occurred. It took over a year and a half to get through the dissolution process before we received our Finding of Completion. We did due diligence reports, we did housing asset transfer reports, we had the State Controller's Office sit in our building for eight weeks and audit us. There were several requirements. The Long Range Property Maintenance Plan had to be approved. So it took over a year and a half so that took us to almost to the end of 2013 before we were able to start cranking out projects again. To answer, that is one of the reasons why the dissolution is taking us so long. It is also the reason why we are lucky to still have funds to get some projects done. As far as the color of money, and what we can use it for the bond funds. We have a small portion designated for housing. We are using that for getting the final maps done and precise plans. This is all good proper use for that funding. Pretty much anything you do with low income affordable housing, improving the housing market and improving neighborhoods. There is a small amount of housing bond funding of that money left. We have non housing is where a majority of our bond funds left. That can be used for a variety of projects for infrastructure. Once you say infrastructure almost anything can fall into that category. But it has to be in the Redevelopment Project Area, has to benefit the project area, has to remove economic and physical blight. So the other pots of money we have is the RPTTF for debt service. We apply for exactly our debt payments are going to be throughout the year and we receive that every year. We receive the extra \$250,000 for administrative allowance. That goes toward salary, and keeping the building open, electricity and keeping the copier going. We also set aside each year as part of the bond money \$250,000 of bond money is available for the administration salaries can be charged for administering the projects. If you have to go out for a contract or get appraisals on properties and sort of thing. It covers the administration of the bond projects.

Mayor Medellin: Thank you very much for that Bob. It is very complexed and there is a lot of different angles we have here. But I would like to do and I think I would really like to look at. As past meetings of the City Council when we look at management salaries, we look at enterprise funds. We looking to be the most efficient and responsible Council available. And I look at this no different. What can we do to be the most efficient, not only legislative body but in our staff. To where we don't hinder, we get things done, we offer the resources so we can move forward. That is what I would like to look at. Affordable housing and building stuff in Madera is something that we have not done in a long time that we need to do. And it starts with infrastructure. So I would like to see that horizon, I would like to see some sort of map. We can start backwards with the date of dissolution and work our way this way or we can start with what next steps are. But I want to be our most efficient. Get our best bang for our buck, start to put dirt in the air and do what as Council Member Gallegos said what we promised. I just want to do what is best and efficient for everybody, so we can move forward with what we are supposed to do.

Business Manager Wilson: I agree.

Mayor Pro Tem Rodriguez: Bob, first of all may I ask, will you be here? You won't be leaving anytime soon will you? My concern is also no different than what Steve had is in regards to what happens if you are not there then the information that you do know could be vital for the City of Madera. And before we approve any bylaws and what have you, I think it is important like the Mayor said is to start off by really defining what is in the horizon for this agency. What do we see is as far as dissolution and what date do we have. And once we have that date set in stone, then we can start attacking on what we are going to do with those funds because the needs of yesterday they change over time. Just like Council Member Gallegos said about Measure K, ten years down the road, it might be a new Council and they might designate those funds for something else. So my concern is do we have a date, are we downplaying this, how soon can we start looking at a timeline to say that these are the projects that are needed and this is when we can get done with these projects. That is what I am looking at before we even consider these bylaws or amendments to bylaws. I'd like to see if this Council has a set strategy on how we are going to go about dissolving the RDA.

Business Manager Wilson: I believe we are on a timeframe of a year and a half to two years to get the projects out the door. The \$2 million we just put on for infrastructure, the Redevelopment Agency has been involved with Adell out there and trying to punch Adell through from Lake Street to Country Club. That is a project we can look at and I have already spoke to City Engineering about that project. That definitely a possibility. Water, sewer and street widening, but \$2 million is not enough to carry that whole project. That is one of the reasons why we dropped out of the project because there wasn't enough funding to complete the project. But there is still a lot of interest in that neighborhood and a lot would happen if we just could get water and sewer in there. So it would start the change on that project. That one has had a lot of design done on that one already and it is a lot closer to being shovel ready. If you are talking about brand new projects it will take a lot longer to design and get off the table. A year and a half to two years is a good time frame. If I make the Executive Director I definitely plan on seeing this through dissolution.

Mayor Pro Tem Rodriguez: You said a year and half to two years. I mean is it sooner than that?

Business Manager Wilson: It would probably be difficult to get the \$4 million roughly in non-capital housing bonds spent before a year and a half.

Mayor Pro Tem Rodriguez: I can look at the City and point out a lot of need within the RDA section, so I don't see how we are not able to try to attack those projects a lot sooner.

Business Manager Wilson: I can give you an example. The signal out at Elm & 145. That project was finished, designed and ready to go. It sat at Caltrans trying to get an encroachment permit for over a year. So that's the hurdles. So you just think that how could this possibly take this long. Its mind boggling when you come up against an organization like that.

Mayor Pro Tem Rodriguez: Maybe looking into strategies to go, I am not trying to say to get around Caltrans, but maybe areas that are in need are desperate that a rehab or what have you or something we can do in the RDA district/zone. I am sure if not this signal, there are plenty others out there. I am not saying to spend down the money unwisely, but I am sure there are a lot of projects out there that working with the City and working with this Council that we can try and attack and try to make this dissolve in an orderly fashion. Maybe sooner than later.

Business Manager Wilson: That is why I went to the City Engineer last week to and talked with him about that \$2 million. That is the one project he brought up but definitely we can discuss anything else. He would be a great resource of what is needed.

Mayor Pro Tem Rodriguez: A good point was brought up by our Interim City Manager in regards to how is it are we discussing as far as the operations of the RDA. The only reason why I ask is because in any event if something does occur and you are not available and we have just one person that knows all of the information and we are stuck here. How would you address that Bob?

Business Manager Wilson: Whether I am doing the work at our building or City Hall, I am still going to be doing the work. If you want me to try to teach somebody, even if I am talking to Keith about getting projects, even if I am going to Finance. Over here it is not like someone is going to be sitting down next to me and I am going to be teaching them how to do the ROPS. Nobody has time. If somebody wants to sit down while I am doing it, I will teach somebody.

Mayor Pro Tem Rodriguez: That's kind of the question is that there's that openness that we can do that.

Business Manager Wilson: I see your concern. It would be great if everybody had someone double trained behind them to do it. If you look throughout the City... A year and a half, I will be fine.

Mayor Pro Tem Rodriguez: I am sure just I guess we are both aware of this same concern. That is why I asked how you would address that. I don't know if in the past if the Successor Agency and the City would see eye to eye. And now that we have a new interim and you sitting in absence of the Executive Director. Could we work together to be able to get that done accomplished and someone at least look over the operation in any case an incident like that might happen and you are not available

Business Manager Wilson: Absolutely, I definitely planning on working together. That is the whole thing, I don't see a reason to amend the bylaws. All we got to do is finish this up. There is really no reason to amend the bylaws as far as I am concerned. It has been the Successor Agency this way for the last five and half, six years. I don't see a reason to amend the bylaws now. What you really need is an Executive Director, that is who has to sign all the documents, to get all the projects through, to create agendas and bring it to you, take the agendas to the Oversight Board, I got to set up a Countywide Oversight Board between Chowchilla and Madera. I don't think amending the bylaws is needed to get that job done.

Council Member Foley Gallegos: I just wanted to piggyback on Mayor Pro Tem Rodriguez's comment. I know you are concerned that Bob is the one with all the knowledge. When I got on Council, the Council had just approved thousands of dollars for a new computer system. And our IT guy left to another position and he was the only one who knew that computer system. He was the one who purchased it, he going to execute it and he was going to train those below him to train those out there in our City. But again one person knew all that knowledge and left us. We are just fine, moving along and chugging away with our new computer system. So if that happens I think we have people out there that have knowledge and expertise that we can bring in if something was to happen like we have done in the past. I think this Council is pretty levelheaded and innovative in ways that we need to do things and get things done in our City. I think we will be okay.

Mayor Pro Tem Rodriguez: Thank you Council Member Gallegos. But I would add that I was without a City email for about six seven months.

Council Member Foley Gallegos: You hadn't got sworn in when that all happened so that was part of the reason.

Council Member Oliver: This question is for Brent. If we were to move Bob in to the Executive Director position, will we have to amend the bylaws to eliminate the Business Manager position?

City Attorney Richardson: No. You just don't fill it. It is your desire. There is no requirement to fill the position.

Council Member Oliver: We separated the discussions, but moving forward I'd be amenable to not making those changes as presented today. And I do think though with respect to Code Enforcement which it was discussed, I think it is prudent to see that fall under our Police Department. We are a community oriented policing agency that works closely with that staff. With Neighborhood Revitalization through Neighborhood Watch, curb stripe as well as National Night Out. So I would like to see that happen. I would like to see that transition plan so to speak as well. Alternatively, I would like to see a succession plan for the Successor Agency. That would come from you Bob in the event that for whatever reason you are not in that chair to have a template as to what those next steps are. I think that would be prudent. It is something I do in my organization and my staff. I think it would be prudent for our agency if we were to move in that direction.

Mayor Medellin: That is a good plan suggestion.

Interim City Administrator Frazier: Part of the issue with providing oversight to Code Enforcement is the space needs that are associated with that. The overall picture was describing moving Redevelopment in order to free up space for PD to move personnel in to Redevelopment and then provide adequate supervision. If we do not have the availability to do that, we don't have the space to supervise Code Enforcement.

Council Member Oliver: I think that is a good point. I'd be amenable to that. I would like to see that plan as to what that is going to look like. I'd like to see some considerations from Bob as well if we were going to move you here. I think by being in this building we are actually going to have more collaboration so to speak. Whether you are going to be Executive Director or Business Manager. So I'd be amenable to that, unless you are going to be driving there ten trips a day. I doubt that is going to be reasonable. You are going to have access to the records. I think that would be prudent next step. I think it would be a good use of that facility. I think those two departments make sense to unify.

Council Member Foley Gallegos: Steve, how much room are we talking? Because there is four offices some other cubicles and upstairs available at RDA.

Interim City Administrator Frazier: Upstairs is storage. So it is not available to be occupied by personnel.

Council Member Foley Gallegos: So you have three offices and some cubicles.

Interim City Administrator Frazier: You would be looking at the Detective Unit, a Lieutenant, six to eight individuals moving in and you have three offices.

Council Member Foley Gallegos: With using the one in front, there is two, four, five, six. That would work.

Mayor Medellin: Maybe Steve back up a little bit. Measure K dollars have allowed us to hire about twelve new personnel recently. But the building did not expand. Just a little history of what it is like on South C Street and what the intention was to not only have oversight but the space problem that we have at Madera PD.

Interim City Administrator Frazier: So it effectively kills two birds with one stone. We quite frankly outgrew the building prior to hiring the Measure K bodies. With the Measure K bodies there is just not enough room to put everybody. Realizing that our office or the cars in most cases, but there is just not enough room for us to conduct business. We are looking at property contiguous to the PD and we are in some discussions there. I don't see this as a long term solution but it is one that meets the needs of PD and quite frankly Code Enforcement at this point for space needs.

Mayor Medellin: Briefly we touched on it earlier about that relationship between PD and Code Enforcement. Right now they are kind of working hand in glove. I think PD is really supporting our understaffed Code Enforcement efforts. I think even before Mr. Tooley left we talked about that succession plan on how that may work. Again, just briefly touch upon how they're working together now and so having them in the same building is good oversight.

Interim City Administrator Frazier: They are. Quite frankly, it has been a plan long before I occupied this position. Then the City Administrator David Tooley tasked several of us with writing up a plan on what it would look like if we were to exercise authority or work with Code Enforcement so we gave him those options. PD has a lot of good ideas for getting Code Enforcement out and working and doing things and being progressive. I am not sure what else you want to see. I think a lot of good would come of that relationship.

Mayor Medellin: I just want to circle back to the efficiencies and working together and getting the best bang for our buck so to speak.

Council Member Robinson: I was wondering if you could move Code Enforcement to the Police Department.

Interim City Administrator Frazier: There is no room.

Council Member Holley: Thank you. Thank you. Thank you. I have been sitting here burning. This is what I see. We knew they did not have no room when they first starting hiring the officers. Moving two people out of RDA, is not going to change what we are talking about. I don't see that making that much change. By bringing two people out of there it is not going to change the fact that we are in need for room for our officers. What I see is, something that we don't want to see happen is going to happen anyway. I don't care how you word it. How you reconfigure it. It's trying to get it done anyway. And that is not what we are looking to see. We keep going around in circles but what I am seeing we are not trying to change the bylaws back to where they were. We are going to keep them like they are and move Police Department over there. And that what it's going to turn out to be, a Police Department. I don't care how you look at it. You move one, then you move two, and then you move three and that's what it is going to be. So, let's not let

this happen because if it does we are going to right back here with the next City Administrator trying to get them back out of there.

Council Member Foley Gallegos: Like Donald said, we are going back and forth. We are supposed to talking about the Successor Agency of RDA. Is it possible to have a workshop that would come back and tell us the layout of program of moving officers and detectives into RDA? Because I am just roughly counting out right now and I am coming up with seven offices available if we left things the way they are. With all these detectives be working with Code Enforcement, we don't have a plan. So, I am saying that is something we would all need educated on and how it is going to work and maybe we can bring that back and then talk about the bylaws and get it done. I know we have people in the audience that would like to say something too.

Council Member Robinson: You know you change everything around and then it will get confusing. People are going to want to quit. You already had one person quit. The Secretary, she quit. I think that this space we have for Redevelopment, they redeveloped that building and it looks good. It improved downtown. And I think just like Council Member Holley said we are just going around and round in circles. You want to do all these reports and classes just you know. Like I said who we want as a Director and keep him in that position and move his assistant up and let's get finished with it.

Mayor Pro Tem Rodriguez: Bob, currently how is that building, who pays that building and how are we making payments to that building? Who owns that building?

Business Manager Wilson: The City owns the building and the operations are split between Code Enforcement and Redevelopment Agency.

Mayor Pro Tem Rodriguez: So when you say Code Enforcement, you mean the City?

Business Manager Wilson: Yes.

Mayor Pro Tem Rodriguez: So the City pays for half and RDA pays. I will go back to what Council Member Gallegos and Council Member Holley said. Obviously it is a discussion we can have later on. Today I guess we are talking about the bylaws. But certainly I would like to see something because I don't see why that couldn't happen where PD could coexist there. Maybe we can request for PD to bring back. Why the need? Obviously we did go out with Measure K dollars and hired eleven new or more of these officers and possibly more in the future. And where are going to house these and if the dissolution does happen we do have an empty building there. The City is trying to utilize it in the best way possible so those are discussions we can have in the future. Today I think we are here to talk about the bylaws. But certainly I would suggest that this Council will hopefully bring that back. Maybe have PD bring a presentation to us so that we can see how that would be best utilized.

Business Manager Wilson: That is a good idea.

Council Member Robinson: Yes, I want to say also that you will need more funds to turn the Redevelopment building into a prison. And then you just can't go in there. You will have to call in, just like the Probation office.

Mayor Pro Tem Rodriguez: I think it's more administrative. That's why it's good for us to have...

Mayor Medellin: Yes. Yes.

Council Member Robinson: Probation is administrative too.

Mayor Medellin: That's a lot of great dialogue and I can certainly bring it back to the Council. But I certainly want to give some time to the public. I am sure there are some people in the public that would like to come forward. And I apologize it is taking so long. But again just to let the Council know we certainly can bring it back for questions or dialogue. If there is anybody from the audience that would like to come forward and make a comment. As a reminder if you could give us your name and address.

Stell Manfredi, Chair of the Madera Oversight Committee and Chowchilla Oversight Committee. Thank you very Mr. Mayor. First thank you for the opportunity to address you. I have been Chair for the Madera Oversight Committee and Chair Chowchilla Oversight Committee. I have been involved, as a little background, since all of your inceptions of RDA. I have worked with every Executive Director, even before Jim. And so I have had a little bit of background on it. I want to stress to you though I am here tonight not representing the Oversight Committee because this has not been brought up with them, nor that I know it should be. I am only representing myself and no other voices in the community, I just want to stress that. Accordance to your attorney, you can't discuss 4B and D discuss 4A and etcetera, etcetera. So I am going to stay within his direction and I am just going to cut to the chase in the aspect of my presentation. I will try to make it as brief as possible. I would suggest that you to reject 4A, if you do vote on it. Either you approve 4B on your agenda or if it's within your current bylaws, which I believe it is, appoint Mr. Wilson as the Interim Executive Director for the Successor Agency for the remaining life of the agency based on the following reasons: One, no disrespect to the current Interim City Administrator, but his plate is full. Not to mention the steep learning curve he is experiencing with his current duties. Two, Mr. Wilson has the background as I personally witnessed. And, I don't know if any of you other than Mr. Robinson has been on the Oversight Committee but I personally witnessed him and studying your current Successor Agency. He has the background and knowledge to wind down the Successor Agency as soon as possible and I believe a year and a half or less is within his ability. You should, in my opinion. It's been four or five years since Governor Brown has axed this wonderful agency as far as Madera is concerned. It has done a lot of good as you all know. But you need to push your staff whoever it is, to get it done. We have been here for five years and we're still spending the public's money five years after a decision was made. No disrespect to Bob or Mr. Taubert or anybody. Another reason is to have Mr. Wilson go through an overseer, and that's basically what it is. The current City Interim Administrator is not going to learn that job, nor should he, but it will be an overseer. Who is currently inundated with other City pressures and projects that will only slow what you want to do, wind down the agency and get the current contracted enforceable obligations done. Four, I am sure you know in July 2018, in accordance with State RDA law, the current two Oversight Committees, Chowchilla and Madera will be dissolved eliminated. A new Oversight Board will be presented or created to finish the dissolution process. Your Madera Oversight Board has been informed by your staff, Mr. Wilson that the County is currently requesting that the Madera Successor Agency current staff provide the new Oversight Board with staff support. Who better can that be as an Executive Director than Mr. Wilson? And I am not carrying Mr. Wilson's water. I want what all of you want, what's best. And I don't disagree with your Interim City Manager, maybe it should have been under a City Manager twenty or twenty five years ago, I don't know. There is pros and cons. But you are at the end of this trail, you have a year or year and a half more. And by the time you get a new City Manager on board, may it be four, five or six months, hopefully not much longer than that, you will have basically a year. In conclusion, it is suggested

that your Successor Agency either adopt 4B or if it is within your current bylaws appoint somebody that knows what they are doing. Specifically appointing Mr. Wilson as your Interim Executive Director. This is not a long term process, it should not be for Mr. Wilson or anyone else. For the remainder of the wind down process, this will eliminate a new learning curve for whoever is considered. You don't step into these jobs whoever it is and learn it in a month or a day or six months. Two, eliminate the need to recruit an Executive Director. But more important for a City Manager with these qualities for a position that will be eliminated in a year or so by the time you get your City Manager on board. Why look for somebody that has that qualities too, when you really want is a City Manager to do your work and run this city how you want it ran. You're the bosses, not the City Manager. And to expedite the process on the remaining wind down period. I realize there is some other issues but I want to make a comment or two. The Administrative Budget is not \$250,000, it is \$500,000 based on the two sources Mr. Wilson indicated. If the Successor Agency's Administrative Budget is altered or changed, I would request, as required by law, that any fiscal changes or expenditures be reviewed and approved by the Madera Oversight Board. We've had an excellent relationship. The Oversight Board you don't even hear about because it does not have anything to do because you are doing the right thing. In many cities, the Oversight is futile enemies with the City Council and for those who may or may not know, and this is for the audience, the City Council is not over the Oversight Board. The Oversight Board is over the City Council when it comes to this. But it's been so well done with previous administrations, Bob and others that the meetings are so well coordinated with each other, there is no argument. You have never heard from me, you have never heard from most people. We have the attorney there, Mr. Richardson, maybe one other person and we get through in fifteen or twenty minutes. Hopefully the new Oversight Board which will be one City Council member selected by the City Selection Committee, one Board Member, one community college person, one Superintendent of School, because there is only one Superintendent of School, one member at large whoever that is, me or somebody else or whatever the case may be. I realize there are some other issues, and those are serious issues. And those issues are the RDA building and Code Enforcement and where should that go. Those are important decisions. I have an opinion on them, if you ask me I will tell you and if you don't that is okay too. But that's what you should do as the directors, the bosses, the elected representatives, is to utilize space in the best decision. If you want to change your meeting dates, you want to do all that type of stuff. That is up to you. Do it so you can be the most effective to your time and the public. I don't see at this point, any reason to put another layer of supervision on somebody that is trying to get the job done. And no disrespect to your interim, he is an excellent Police Chief and hopefully he will do you a good job as your interim. It has nothing to do with that. He is right, it is not about him or Bob or whatever. But it will be one more step to get approval to get on his agenda to get on his plate and get something done. I say keep it like it is, elevate this man and I am going to say this in public, not to the compensation it was by far. Period. It is not the job it used to be. And I am not carrying anybody's water here tonight, except for Stell's. Do that, let it go, push him to get it done and hold his feet to the fire. Because it doesn't matter if he is here or not, he is not going to train somebody unless somebody sits by him. The Chief is not going to... excuse me, the Interim City Manager is going to take it over if he goes. He's the guy, you don't have a bench. And you won't need any more than your two people. Who you put in that building is your decision and what you do I have my own opinions about Code Enforcement and that type of stuff. And with that I have taken more time, I appreciate the time. If you have any questions, I will be happy to answer them.

Mayor Medellin: Thank you Stell. You certainly have a lot of history and insight. I appreciate you coming down here and sharing that with us.

Stell Manfredi: Thank you. My wife is mad at each one of you because I was supposed to be home with a Valentines dinner.

Mayor Medellin: Anybody else with the public wishing to speak on this particular item.

Mike Pistorresi, 2001 Howard Road: I just had some comments and concerns that I have heard voice regarding the reuse of the RDA building, which is a gorgeous building by the way. One of the concerns is, and I think our Interim City Manager can probably answer this, I heard if the PD were moved into that building that the public would no longer be allowed to use the conference room. The building would basically be locked down and that conference room has been a great asset for realtors and other people to meet in. We would hope that would not be the case that the building would be locked down and we would have no use of the conference room. And I do have a suggestion, if you are able to get enough money to add on to the PD, which I hope you do because it does not make any sense to put some of the PD officers down at the RDA building and some at PD. But you have an Engineering Department back here that has been working out of a trailer. The roof leaks and the floor is buckling in and that would be a great building to your Engineering and Planning Department into downtown if you have no other use for it. That is if you can get enough money for Steve to build a new PD building next to the existing one. Basically Stell said everything I wanted to say, so those are the only two comments that I had that he didn't cover. Thank you very much.

Mayor Medellin: Thank you. Anyone else wishing to speak on this item. I will bring it back to the Council for any further discussion or questions.

Council Member Rigby: I just need some clarification, real quick. If we are not looking to change bylaws, Brent, how do are we able to talk about Code Enforcement and where they fall under the spectrum, if we are not changing bylaws. Is that separate?

City Attorney Richardson: It is a separate issue. Actually, Code Enforcement really does not have anything to do with the bylaws. That would be something staff can certainly bring back to one of the coming meetings for your discussion on that. But it really has nothing to do with the bylaws because they are not part of the Successor Agency.

Council Member Rigby: Mr. Wilson the word efficiency gets getting thrown around, delivery of service. Being at City Hall you are saying is not sufficient for the RDA as it stands?

Business Manager Wilson: Yes. The only drawback is the files. I can move over to City Hall, if that is what you wish. And then I would have to drive back and forth. We do need to keep my files, or the Successor Agency's files in a secure location. There is a lot of documents there that are critical for the operation and you need to actually have to maintain them for life a lot of them. There is a different option there. We have storage, I can move them all upstairs. Whoever comes in needs the storage downstairs. So, I mean, it would be doable. And I am going to agree to come back and discuss whatever options, bring new options or discuss whatever you have in mind.

Mayor Medellin: I just want to circle back to what I had said before. Obviously the discussion is about Item 4A. But I really can't help but go back to efficiency. And Stell opened the door for me to say these things because, again, by your suggestions Mr. Manfredi... six years, six years of kind of kicking the can. So regardless of who is in the seat, that is a huge disservice. We talk about dissolution and year, year and a half, two years. Can we put a sunset on this thing? Can

we come back in twelve months and say are we half way there, if not, why not versus a bunch of excuses.

Business Manager Wilson: Absolutely.

Mayor Medellin: And so again it goes back to efficiency. If we go back to the Police Department being built on South C Street at the time, this goes back years. I don't know if we knew how fast and how much we were going to grow. And I think it is a great thing that our department is growing but here we are faced with some outside of the box thinking. I support that. It's a beautiful building. We have had other people offer to come in at the building at RDA. It is about efficiency and what is best for our community. And then there is some of the feel good stuff that I think we would love to do but it just may not pan out. Circling back to what you said before about resources and kind of fighting things on your own, I understand. Caltrans is Caltrans like PG&E. Good luck. But as Mr. Frazier has mentioned, with the support of our existing staff, we might be able to work cohesively and hopefully get there quicker. It is an assumption, but rather than a team of one, we can be a team of many to help you get there. So, I understand completely we are trying to share in those resources, give you all the resources necessary to get us where we want to be. Where we want to be is to spend this money on infrastructure and get things built in the City of Madera. So you can give me all the assurances you want, but I have to hold your feet to the fire, just as the community is going to hold our feet to the fire on where are we on this. So again, these are some of the things that were brought up. It's going to take you a year and a half to train somebody to be where you are. It doesn't make sense to have somebody to sit side by side in a training exercise. The more that learn, of course the better. But I don't think that it is going to be your direction as we look at a sunset to spend all this time and time in training exercise. It's about getting the job done. We need to get this job done. We need a plan. We need that succession plan. Council Member Oliver brought it up. We mentioned it earlier. If we don't have a plan, we have nothing. For me it is hard for me to believe that we are going to get this done in year and a half or so. Immediately on forefront we need to find out what direction we are going in.

Business Manager Wilson: I can do that. And Engineering is involved in really all of the projects. Every project we end up with a construction management. So they have been involved in all of projects and will continue to be involved.

Mayor Medellin: And I think we share that sentiment. Mr. Frazier had said it about giving you the resources. Council Member Oliver said it about singing the same song. There are resources here to be had so that again you are not a Director of one, if you will, that we can get this done in tandem. I have a few other comments but I will defer to Council Member Rigby.

Council Member Rigby: I also think the Mayor is raising some really good points. Mr. Wilson, I think one of the other things I would add to that, maybe he was going to before I interrupted him but, I need these bonds to get looked at. I need to know exactly why we have yet to even go to look at the possibility of saving the City millions of dollars over the next course of the years of several of these bonds. I need to know why we are still not refinancing. I want to know why they are kind of sitting there. I think that is something I would like to see also along with some of the items that the Mayor referenced. I think being that our City Finance Department also serves as our Treasury. That is something that is pretty easy.

Business Manager Wilson: Right. Yes. We will look at that. Our bond counsel had previously advised not refinancing and that is why it has not taken place in the past. But we are looking at that again now.

Council Member Rigby: I just want to know why. I just got a lot of why notes.

Business Manager Wilson: I think it's time.

Mayor Medellin: If I may, our Finance Director is in the back. Mr. Przybyla can you maybe add to that. I do not want to go off topic, but it is very, very important. I see you looking at me Mr. Richardson, I am going to look away. On where we are with some of our refi on our bonds that Council Member Rigby brought up.

Finance Director Przybyla: Absolutely. And thank you for asking my opinion on this. And as the RDA Treasurer, I may have some comments to make as well. Actually, had this item passed tonight, we have ready for the Council the Successor Agency to approve a team that would refinance the existing bonds, the RDA bonds which would save close to \$13 million over the life of the bonds. It would bring in \$151,000 more to the City because it would be that much less that is being paid out by the Successor Agency. So we are moving forward with that. I already have the agenda item ready to go at the next meeting should this item have been passed but we can certainly work with Bob to put it on the Successor Agency agenda. And we found a different bond counsel that had a different ideas as I was working with the other refinancing opportunities. Jones Hull came up with some creative ideas that will help us to refinance save \$13 million for the community. That savings would be going to the schools, the City and the other agencies within the City. So it's a great opportunity. We can certainly work with Bob to get that done. So, one other point I heard Mr. Manfredi say that if we put Bob in that place it shouldn't be at the level that Jim was paid. I hoping that's the case. Jim Taubert's pay never made it to the front page of the newspaper, but it is one of the highest paid positions in the City. And another point that may be brought up, when the RDA terminates we are still going to have to pay the CalPERS retirement for those people for Jim and for Bob for the years until they pass away. And that is not going to come out of the RDA because the RDA will be wrapped up. Like Bob said, once we get these projects finished in eighteen months to two years really there will be no more RDA that needs to be taken care of. It'll be a simple submitting the annual ROPS. It used to be semiannual, I have submitted ROPS myself, it would just be recurring ROPS and the \$250,000 will go away. I think Bob mentioned that they have a good system set up where you've got the \$250,000 for administration plus the \$225,000 right... \$252,000 in the bonds. So that's over \$500,000. The Interim City Administrator mentioned that I had sent out a survey. I did not send it out to twenty five cities, I sent it out to every city in the state of California, twenty five cities responded. None of them knew of any agency that still had an Executive Director. All of them said that the money goes to pay for the staff, such as the City Administrator, Finance Director and other that help to administer it. There is not a separate agency. This is a very unique situation where we have two agencies that are reporting directly, different directors reporting directly to the City Council or the Successor Agency Board. But, we can certainly work with Bob, if that is what Council directs us to do. We are here at your discretion to do whatever you like. But did that answer the question regarding refinancing.

Mayor Medellin: And then some. But I do want to circle back to pay, which we will not discuss tonight but possibly in the future as his position stands right now we are not obligated to pay for that lifetime. But put into this Directors position, we then would be. Is that what you're saying?

Finance Director Przybyla: He is being paid out of the RDA now.

Mayor Medellin: We already are.

Finance Director Przybyla: Yes. When Bob retires. Yes. I am just saying that if you put him up the level that...

Mayor Medellin: If the increase. You are saying...

Finance Director Przybyla: The huge increase we are going to be paying that for the rest of Bob's life.

Mayor Medellin: The remainder. Okay.

Business Manager Wilson: If I might chime in, I don't know if there is anyway if we created a separate Pers account for Redevelopment Agency, then we could collect that. But, right now the RDA employees are lumped in the City Pers plan. And so I have called up Pers and asked them if there is any way to separate for individual employees to see if I can get something from them to send in with our ROPS to support it. But they can't break it out. So I have no idea because I never worked with Pers. I don't know if it is possible to pull out and start it new. But I am just saying, if we had our own Pers like the City of Fresno actually has their own Pers, it would cover it for life.

Finance Director Przybyla: That would be great. You have discussed that with me in the past and I think that horse has probably already left the gate. But certainly, it was a good thought. Creative and it would, couldn't hurt to look into further if we can get it done.

Mayor Medellin: Thank you. I am going to ask Mayor Pro Tem. He's been waiting just for a little bit, Stell. And then I will have you come up, just make sure you come to the microphone.

Mayor Pro Tem Rodriguez: I just wasn't sure if we were done, if we had more discussion. I know Tim brought up a good point regarding the refinance. But then we when you say \$13 million that is assuming we are still keeping this for a lifetime. The whole purpose of this thing is to dissolve this entity as soon as possible and exhaust those funds. So I don't know how those \$13 million would actually benefit us. Would this be within a period of a year or...

Finance Director Przybyla: That's over the life of the bonds that have already been issued. We would refinance those bonds at a lower interest rate. The \$13 million would be \$13 million less that the Successor Agency would have to pay with the RPTTF dollars that come in. Which would leave more money that gets passed through to the other agencies.

Mayor Pro Tem Rodriguez: What is the life of that bond? Maybe that is a different discussion.

City Attorney Richardson: We are starting to go way too far off topic. So I say we need to bring it back.

Mayor Medellin: My apologies.

Business Manager Wilson: 2038.

Council Member Rodriguez: Okay.

Stell Manfredi: Real quick. You know I've heard some great ideas. Refinancing, etcetera and so and so. But everybody is acting like you can't do that under your system. The culture I came from, is that person, that person and that person all work for you guys. If there is a good idea and your Finance Director had one, I don't know if your bonds can be refinanced or what, or whatever the case may be. But if there is a good idea to make the ball move quicker, no disrespect because I know most of you very good and I respect you, tell them to get the job done, they don't get to tell you what they will do or not do. Cooperate or get out. That is the culture I came from forty years. Thank you and I will sit down.

Mayor Medellin: Thank you Mr. Manfredi. You are absolutely right. And what you said is what my City Attorney's eyes were telling me the same thing. We have a task at hand here, we have an agenda item stay on that. But this doesn't mean that we cannot have this discussion or put this as his task. I get it completely.

Finance Director Przybyla: In response let me just say, I wasn't saying that if this doesn't happen we wouldn't do it, I said we can certainly work with Bob to do it.

Council Member Oliver: See that is what we needed.

Mayor Medellin: Yes, the cohesiveness. Is there anybody else from the audience wishing to speak, please come forward.

No other were comments given.

Mayor Medellin: I will bring it back to the Council for any other further discussion or questions. There has been a lot that has been thrown out here. And, my fault as Mayor for letting this kind of go sideways. I do think that everything that was brought up whether it was agendized or not I think are very valid points, things to discuss as we move forward. I appreciate the dialogue and everybody's input. But we are here with a task at hand and I think we need to step forward and show exactly what we are here to do. That is to make decisions and to be accountable for what we are doing. And hold those who work for us, us being the City of Madera accountable as well.

*On motion by Council Member Rodriguez, seconded by Council Member Holley, Resolution Amending Bylaws of the Successor Agency to the former Madera Redevelopment Agency was rejected unanimously as presented by the following 7/0 vote: Ayes: Council Members Medellin, Rodriguez, Robinson, Foley Gallegos, Rigby, Oliver and Holley; Noes: None; Abstain: None; Absent: None.*

#### **4B. Discussion and Appointment of Successor Agency/Successor Housing Agency Executive Director and Appointment of Ad Hoc Committee to Negotiate Terms and Conditions of Agreement (Successor Agency/Successor Housing Agency)**

***Item 4B portion of the meeting minutes is in verbatim form.***

Council Member Oliver: Quickly Mr. Mayor, does that have to come in two separate motions or resolutions?

Mayor Medellin: Are you talking about the appointment and then an ad hoc?

City Attorney Richardson: The ad hoc would be just kind of a separate action that can be done as a motion or however you want it. But I see two separate actions.

Council Member Oliver: With that Mr. Mayor I would go ahead and make the motion to appoint Bob Wilson as Interim Executive Director. I would also like to add as part of that motion the discussion that we saw here this evening between our Treasurer/Finance Director and Mr. Wilson as something that we should all encourage moving forward. That is something I would like to stress and see.

*On motion by Council Member Oliver, seconded by Council Member Holley to Appoint Bob Wilson as the Interim Executive Director of the Successor Agency/Successor Housing Agency was approved unanimously as presented by the following 7/0 vote: Ayes: Council Members Medellin, Rodriguez, Robinson, Foley Gallegos, Rigby, Oliver and Holley; Noes: None; Abstain: None; Absent: None.*

Business Manager Wilson: Thank you. And definitely that is what we are going with this, all working together.

Mayor Medellin: Now moving forward with an ad hoc committee. What I would like to do as Mayor is appoint myself and Council Member Foley Gallegos as the ad hoc committee to discuss that, unless there is any other input or discussion.

Mayor Pro Tem Rodriguez: Is that a motion that we can make on this Mr. Mayor?

Mayor Medellin: I am not sure if we just need an appointment Mr. Richardson?

City Attorney Richardson: If you are making the appointment that is fine. If anybody has any objections to it then we wouldn't want to do it by motion. But otherwise, if nobody has any objections to your appointment, I don't see any issues.

Mayor Medellin: If there is no objections and an acceptance by Council Member Gallegos.

Council Member Foley Gallegos: Yes.

Mayor Medellin: I would like to move forward for that. Thank you for that.

# CITY OF MADERA REDEVELOPMENT AGENCY REPORT TO SUCCESSOR AGENCY BOARD

SUCCESSOR AGENCY MEETING OF MARCH 14, 2018

SUCCESSOR AGENDA ITEM NUMBER 3C / 3D

APPROVED BY

  
FINANCE DEPARTMENT

  
SUCCESSOR AGENCY EXECUTIVE DIRECTOR

**Subject:** Monthly Financial Reports

**Background:** Each month the Finance Department will be including in the agenda packet a set of reports that present the operating results for the Successor Agency during the prior month. Reports for the Code Enforcement program are also included in this presentation.

**Recommendation:** This report is for Successor Board Member review and no formal action is being requested.

**Discussion:** Due to the timing of the Successor Agency meetings, it will not be possible to reflect the results from each month based on information that is reconciled to the bank statement, since the statements are not available from the bank in time to do so. However, the information shown in the actual column is cumulative, so later months will reflect any changes made to an earlier month based on the reconciliation of accounting data to the bank and trustee statements.

## CONSISTENCY WITH THE VISION MADERA 2025 PLAN

Approval of the monthly financial reports is not addressed in the vision or action plans; there is no formal action being requested, therefore, no conflict exists with any of the actions or goals contained in that plan.

Should the Successor Agency Board wish to have additional information, the Finance Department will make every effort to meet those requests.

**Subject: Consideration of a Resolution Approving the List of Authorized Signers for the Account of the City of Madera as Successor Agency to the former Madera Redevelopment Agency (Agency) and Directing that No Less than Two Authorized Signers Shall Approve Payments from the Agency's Bank Account**

---

**Summary: The Successor Agency will consider a resolution approving the list of authorized signers for the Agency's bank account.**

---

**HISTORY/BACKGROUND**

There has been an unwritten requirement calling for the signature of two authorized signers before monies can be paid from the Agency's bank account. Requiring two signatures from the list of authorized signers to withdraw funds safeguards the Agency's assets.

**SITUATION**

Successor Agency Resolution SA 18-02 currently lists as authorized signers:

Robert Wilson, Business Manager  
Steve Frasier, City Administrator  
Tim L. Przybyla, Agency Treasurer

The appointment of Robert Wilson as Executive Director necessitates the Successor Agency to update its list of authorized officers to sign for the Agency's bank account. Staff is recommending that the authorized signers for the Agency's bank accounts be:

Robert Wilson, Executive Director  
Steve Frasier, City Administrator  
Tim L. Przybyla, Agency Treasurer

**RECOMMENDATION**

Staff recommends the Successor Agency adopt the resolution approving the revised list of authorized signers for the Agency's account.

**APPROVED BY:**

**Executive Director**

**Subject: Consideration of Resolutions Authorizing the Mayor or Executive Director to Accept the Conveyance of Real Property on Behalf of the Successor Agency and Successor Housing Agency**

**Summary: The Successor Agency and Successor Housing Agency will consider approving resolutions authorizing the Mayor or Executive Director to accept Grant Deeds and Deeds of Easements on behalf of the Successor Agency and Successor Housing Agency.**

**HISTORY**

State law requires that before a deed, which conveys property to a governmental agency may be recorded, a certificate of acceptance executed by an officer of the Agency must be attached. Currently the Agency provides this authorization on a conveyance-by-conveyance basis. The attached resolutions, if adopted, will authorize either the Mayor or City Administrator to accept property on behalf of the Successor Agency or Successor Housing Agency to aid in the continued sale and disbursement of Agency-owned commercial and housing properties as called for in ABx1 26.

**RECOMMENDATION**

Staff recommends the following actions:

1. The Successor Agency adopt the resolution authorizing either the Mayor or Executive Director to accept grant deeds and deeds of easements on behalf of the City of Madera as Successor Agency of the former Madera Redevelopment Agency.
2. The Successor Housing Agency adopt the resolution authorizing either the Mayor or Executive Director to accept grant deeds and deeds of easements on behalf of the City of Madera as Successor Housing Agency of the former Madera Redevelopment Agency

Collectively, the ("Prior Bonds")

- (1) Financed Redevelopment Activities, Funded a Reserve Fund, Paid Costs of Issuance
- (2) Financed Redevelopment Activities, Refunded 1993 Tax Allocation Refunding and Redevelopment Project Bonds, Funded a Reserve Fund Surety, Paid Costs of Issuance
- (3) Financed Redevelopment Activities, Funded a Reserve Fund, Paid Costs of Issuance
- (4) Financed Certain Low and Moderate Housing Activities, Funded a Reserve Fund, Paid Costs of Issuance

The Prior Bonds are secured by tax increment revenue received from the Agency's project area.

**DISCUSSION**

Based on current interest rates, substantial savings may be realized if the Prior Bonds are refunded, benefiting not only the City's General Fund but the other taxing entities. For that reason, staff is recommending the Successor Agency Board authorizes the sale of 2018 Tax Allocation Refunding Bonds, Series 2018A and Tax Allocation Refunding Bonds, 2018B (Federally Taxable) together the ("2018 Refunding Bonds") and approve all related documents.

**Benefits of the Refunding**

The Prior Bonds are currently outstanding in the amount of \$44,345,000, have a final maturity of September 1, 2038 with existing interest rates ranging from 4.375% to 5.375%. Based on interest rates as of March 5, 2018, assuming an underlying investment grade rating, securing bond insurance and securing a surety policy for the reserve fund, the Prior Bonds can be refunded to the same term at approximate yields ranging from 1.87-4.11%.

## **Options for Consideration**

Staff is seeking direction tonight on two different structuring options. These two options will also be presented to the Oversight Board for their consideration along with the recommendation made by the Successor Agency Board tonight. The two options are:

### **Level Savings**

Refinancing the Prior Bonds on a level savings basis is estimated to produce total savings of approximately \$8,637,954 over the life of the bonds and produce average annual savings of approximately \$432,353 per year from year 2020 to 2038. In today's dollars, the net present value savings are estimated at \$6,307,908 or equal to 14.22%<sup>(\*)</sup> of the Prior Bonds principal amount.

### **Accelerated Savings**

Refinancing the Prior Bonds on an accelerated savings basis is estimated to produce total savings of approximately \$6,675,698 and produce average annual savings of approximately \$1,098,206 per year from 2020 to 2025. In today's dollars, the net present value savings are estimated at \$5,979,429 or equal to 13.48%<sup>(\*)</sup> of the Prior Bonds principal amount.

#### **Notes**

(\*) Generally net present value savings more than 3.00% are considered significant. The Government Finance Officers Association, in their best practices white paper titled "Analyzing and Issuing Refunding Bonds" from February 2011, reports that "one test often used by issuers to assess the appropriateness of a refunding is the requirement specifying the achievement of a minimum net present value (NPV) savings. A common threshold is that the savings (net of all issuance costs and any cash contribution to the refunding), as a percentage of the refunded bonds exceeds 3-5%."

The debt service on the Successor Agency bonds is not an obligation of the City's General Fund. The debt service is payable solely from tax increment revenues received from the City's project area and any funds held under the legal documents.

Most of the financing team will work on a contingent basis and all fees are payable solely upon the successful sale and closing of the 2018 Refunding Bonds with two exceptions. First, the fees and expenses of Fraser & Associates as Fiscal Consultant cannot be contingent because they prepare projections and other pertinent information relied upon by investors. Second, Standard & Poor's will be asked to provide a rating on the transaction and again, because this rating is relied upon by investors, their fee cannot be contingent. Should the 2018 Refunding Bonds not close, these two costs can be recovered through the Successor Agency ROPs process. All other fees and expenses of the transaction are paid from the costs of issuance of the transaction and are accounted for in all savings calculations.

## **Financing Team**

To facilitate the issuance of the 2018 Refunding Bonds, the Successor Agency previously engaged the services of: Brandis Tallman LLC as Underwriter, Jones Hall, A Professional Law Corporation, as Bond Counsel and as Disclosure Counsel, Fraser & Associates as Fiscal Consultant and Del Rio Advisors, LLC as Municipal Advisor.

- Underwriter

The Underwriter is an investment banking firm that assists in structuring the bonds, assists the team with the bond rating and credit enhancement process and markets / sells the bonds to potential investors. The underwriter is also prepared to underwrite any unsold balances on the date of sale.

- Bond Counsel

Bond Counsel drafts the bond documents and ensures that all legal requirements critical to the validity of the bonds are satisfied, and issues the required opinions, including as to the tax exemption of the tax-exempt bonds.

- Disclosure Counsel

Disclosure Counsel prepares the official statement and sets up the continuing disclosure undertaking. The official statement is the primary marketing document used by the Underwriter to market the bonds to potential investors.

- Fiscal Consultant

The Fiscal Consultant prepares a Fiscal Consultant's Report used as an exhibit to the official statement and prepares the tables contained in the body of the document. The report and tables describe all information and data related to the project area including a projection of future tax increment expected to be received by the Agency for the remaining term of the bonds.

- Municipal Advisor

The Municipal Advisor assists the Agency in the solicitation of fee proposals and makes recommendations on the selection of Underwriter, Bond and Disclosure Counsel and Fiscal Consultant. The Municipal Advisor will make recommendations as to the structure, timing and terms of the bonds, reviews all fees and expenses, coordinates the financing team, assists

in verifying coupons and yields on the date of sale and reviews and comments on all documents.

### **Documents for Review and Approval**

To facilitate the issuance of the 2018 Refunding Bonds, the Successor Agency will be approving certain documents required to consummate the transaction:

- Refunding Plan and Savings Analysis

The dissolution law requires a Municipal Advisor to review the refunding, make a representation to both the Successor Agency Board and the Oversight Board and ultimately to the State of California Department of Finance regarding the viability of the refunding. The Refunding Plan and Savings Analysis is the document prepared by the Municipal Advisor to meet this requirement.

- Indenture of Trust

A document between the Successor Agency and the Bank of New York Mellon Trust Company, N.A. as Trustee. This document governs all terms and conditions of the 2018 Refunding Bonds including payment terms, management of all funds and accounts, redemption provisions, security provisions, events of default and related remedies and roles and duties of the Trustee.

- Irrevocable Refunding Instructions

A document between the Successor Agency and the Bank of New York Mellon Trust Company, N.A. as Prior Trustee. This document governs all terms and conditions for redeeming the Prior Bonds by creating an irrevocable escrow account such that the Prior Bonds are redeemed in full and off the books of the Successor Agency.

## **Tentative Schedule**

If the Agency Board approves moving forward this evening, the remaining steps for formal approval are as follows:

- Oversight Board reviews the documentation and approves the refunding, moving the documentation to:
  - Madera County Administrative Officer
  - Madera County Auditor-Controller
  - State of California Department of Finance (“DoF”)
- DoF has five (5) days to reply that they will review the refunding and sixty (60) days to reply with formal approval / denial
- Disclosure Counsel prepares the official statement
- Agency Board reviews and approves the official statement

6. Oversight Board Approval of the Issuance of the Bonds. The Successor Agency hereby requests that the Oversight Board, as authorized by Section 34177.5(f) and Section 34180 of the Dissolution Act, approve and direct the issuance of the Refunding Bonds pursuant to Section 34177.5(a)(1) and this Resolution and the Indenture.

7. Determinations by the Oversight Board. The Successor Agency requests that the Oversight Board make the following determinations upon which the Successor Agency will rely in undertaking the refunding proceedings and the issuance of the Refunding Bonds:

(a) The Successor Agency is authorized, as provided in Section 34177.5(f), to recover its costs related to the issuance of the Refunding Bonds from the proceeds of the Refunding Bonds, including the cost of reimbursing the City for administrative staff time spent with respect to the authorization, issuance, sale and delivery of the Refunding Bonds;

The Underwriter's discount (not including original issue discount) may not exceed .0021% of the principal amount of the Refunding Bonds.

10. Issuance of Refunding Bonds in Whole or in Part. It is the intent of the Successor Agency to sell and deliver the Refunding Bonds in whole, provided that there is compliance with the Savings Parameters. However, the Successor Agency will initially authorize the sale and delivery of the Refunding Bonds in whole or, if such Savings Parameters cannot be met with respect to the whole, then in part; provided that the Refunding Bonds so sold and delivered in part are in compliance with the Savings Parameters. The sale and delivery of the Refunding Bonds in part will in each instance provide sufficient funds only for the refunding of that portion of the Outstanding Bonds that meet the Savings Parameters. In the event the Refunding Bonds are initially sold in part, the Successor Agency intends to sell and deliver additional parts of the Refunding Bonds without the further approval of the Successor Agency or the Oversight Board, provided that in each such instance the Refunding Bonds so sold and delivered in part are in compliance with the Savings Parameters.

11. Municipal Bond Insurance and Reserve Fund Insurance Policy. The Authorized Officers, each acting alone, are hereby authorized and directed to take all actions necessary to obtain a municipal bond insurance policy for the Refunding Bonds and a debt service reserve fund insurance policy for the Refunding Bonds from a municipal bond insurance company if it is determined, upon consultation with the Municipal Advisor and the Underwriter, that such municipal bond insurance policy and/or debt service reserve fund insurance policy will reduce the true interest costs with respect to the Refunding Bonds.

12. Approval of Official Statement. Following approval by the Oversight Board of the issuance of the Refunding Bonds by the Successor Agency and upon submission of the Oversight Board Resolution to the California Department of Finance, the Successor Agency will, with the assistance its Disclosure Counsel and the Municipal Advisor, cause to be prepared a form of Official Statement describing the Refunding Bonds and containing material information

relating to the Successor Agency and the Refunding Bonds, the preliminary form of which will be submitted to the Successor Agency for approval for distribution by the underwriter of the Refunding Bonds to persons and institutions interested in purchasing the Refunding Bonds.

Additionally, the selection of The Bank of New York Mellon Trust Company, N.A., as trustee for the Refunding Bonds, is hereby confirmed.

14. Official Actions. The Authorized Officers and any and all other officers of the Successor Agency and the Commission are hereby authorized and directed, for and in the name and on behalf of the Successor Agency, to do any and all things and take any and all actions, which they, or any of them, may deem necessary or advisable in obtaining the requested approval by the California Department of Finance, and in the issuance, sale and delivery of the Refunding Bonds. Whenever in this Resolution any officer of the Successor Agency is directed to execute or countersign any document or take any action, such execution, countersigning or action may be taken on behalf of such officer by any person designated by such officer to act on his or her behalf in the case such officer is absent or unavailable.

The par amount of any Term Bonds so purchased by the Successor Agency in any twelve-month period ending on July 15 in any year shall be credited towards and shall reduce the par amount of the Term Bonds required to be redeemed pursuant to subsection (d) on September 1 in each year; provided that evidence satisfactory to the Trustee of such purchase has been delivered to the Trustee by said July 15. The 2018 Bonds shall be executed on behalf of the Successor Agency by the signature of the Executive Director, as the chief administrative officer of the Successor Agency, or the of of Director of Financial Services of the City, as the Finance Director/Treasurer of the Successor Agency, who is in office on the date of execution and delivery of this Indenture or at any time thereafter. Such signature may be made manually or may be affixed by facsimile thereof. The 2018 Bonds shall be attested by the manual or facsimile of the Secretary of the Governing Board of the Successor Agency. If any officer whose signature appears on any 2018 Bond ceases to be such officer before delivery of the 2018 Bonds to the purchaser, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the 2018 Bonds to the purchaser. Any 2018 Bond may be signed and attested on behalf of the Successor Agency by such persons as at the actual date of the execution of such 2018 Bond shall be the proper officers of the Successor Agency although on the date of such 2018 Bond any such person shall not have been such officer of the Successor Agency.

Only such of the 2018 Bonds as shall bear thereon a Certificate of Authentication in the form hereinbefore set forth, manually executed and dated by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such Certificate shall be conclusive evidence that such 2018 Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture. In the event temporary 2018 Bonds are issued pursuant to Section 2.09 hereof, the temporary 2018 Bonds may bear thereon a Certificate of Authentication executed and dated by the Trustee, shall be initially registered by the Trustee, and, until so exchanged as provided under Section 2.09 hereof, the temporary 2018 Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive 2018 Bonds authenticated and delivered hereunder.

Section 2.06. Transfer of Bonds. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by a duly authorized attorney of such person, upon surrender of such Bond to the Trustee at its Principal Corporate Trust Office for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. Whenever any Bond or Bonds shall be surrendered for registration of transfer, the Successor Agency shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds, of like series, interest rate, maturity and principal amount of authorized denomination. The Trustee shall collect from the Owner any tax or other governmental charge on the transfer of any Bonds pursuant to this Section 2.06. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer shall be paid by the Successor Agency.

The Trustee may refuse to transfer, under the provisions of this Section 2.06, either (a) any Bonds during the period fifteen (15) days prior to the date established by the Trustee for the selection of Bonds for redemption, or (b) any Bonds selected by the Trustee for redemption.

Section 2.07. Exchange of Bonds. Bonds may be exchanged at the Principal Corporate Trust Office of the Trustee for a like aggregate principal amount of Bonds of other authorized denominations of the same series, interest rate and maturity. The Trustee shall collect any tax or other governmental charge on the exchange of any Bonds pursuant to this Section 2.07. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange shall be paid by the Successor Agency.

The Trustee may refuse to transfer, under the provisions of this Section 2.07, either (a) any Bonds during the period fifteen (15) days prior to the date established by the Trustee for the selection of Bonds for redemption, or (b) any Bonds selected by the Trustee for redemption.

Section 2.08. Registration of Bonds. The Trustee will keep or cause to be kept, at its Principal Corporate Trust Office, sufficient records for the registration and registration of transfer of the Bonds, which shall at all times during normal business hours be open to inspection by the Successor Agency, upon reasonable prior notice to the Trustee; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on the Registration Books Bonds as hereinbefore provided.

Section 2.09. Temporary Bonds. The Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by

the Successor Agency, and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the Successor Agency upon the same conditions and in substantially the same manner as the definitive Bonds. If the Successor Agency issues temporary Bonds, it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds shall be surrendered, for cancellation, in exchange therefor at the Trust Office of the Trustee, and the Trustee shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations, interest rates and like maturities. Until so exchanged, the temporary Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive Bonds authenticated and delivered hereunder.

Section 2.10. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Successor Agency, at the expense of the Owner of such Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Successor Agency and the Trustee and, if such evidence be satisfactory to both and indemnity satisfactory to them shall be given, the Successor Agency, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and amount in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond has matured or has been called for redemption, instead of issuing a substitute Bond, the Trustee may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Trustee and the Successor Agency). The Successor Agency may require payment by the Owner of a sum not exceeding the actual cost of preparing each new Bond issued under this Section 2.10 and of the expenses which may be incurred by the Successor Agency and the Trustee in the premises. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Successor Agency whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds issued pursuant to this Indenture.

Section 2.11. Book-Entry System.

(a) Original Delivery. The Bonds shall be initially delivered in the form of a separate single fully registered Bond without coupons (which may be typewritten) for each maturity of the Bonds. Upon initial delivery, the ownership of each such Bond shall be registered on the Registration Books in the name of the Nominee. Except as provided in subsection (c), the ownership of all of the Outstanding Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to Bonds the ownership of which shall be registered in the name of the Nominee, neither the Successor Agency nor the Trustee shall have any responsibility or obligation to any Depository System Participant or to any person on behalf of which the Depository System Participant holds an interest in the Bonds. Without limiting the generality of the immediately preceding sentence, neither the Successor Agency nor the Trustee shall have any responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any notice with respect to the Bonds,

including any notice of redemption, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed in the event the Successor Agency elects to redeem the Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest on the Bonds or (v) any consent given or other action taken by the Depository as Owner of the Bonds. The Successor Agency and the Trustee may treat and consider the person in whose name each Bond is registered as the absolute owner of such Bond for the purpose of payment of principal, premium and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers of ownership of such Bond, and for all other purposes whatsoever. The Trustee shall pay the principal of and interest and premium, if any, on the Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal of and interest and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than a Bond Owner shall receive a Bond evidencing the obligation of the Successor Agency to make payments of principal, interest and premium, if any, pursuant to this Indenture. Upon delivery by the Depository to the Nominee of written notice to the effect that the Depository has determined to substitute a new nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the Successor Agency shall promptly deliver a copy of the same to the Trustee.

(b) Representation Letter. In order to qualify the Bonds for the Depository's book-entry system, the Successor Agency and the Trustee shall execute and deliver to such Depository a letter representing such matters as shall be necessary to so qualify the Bonds. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the Successor Agency or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Bond Owners. The Trustee agrees to comply with all provisions in such letter with respect to the giving of notices thereunder by the Trustee. In addition to the execution and delivery of such letter, upon written request of the Depository or the Trustee, the Successor Agency may take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

(c) Transfers Outside Book-Entry System. In the event that either (i) the Depository determines not to continue to act as Depository for the Bonds, or (ii) the Successor Agency determines to terminate the Depository as such, then the Successor Agency shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the Successor Agency and the Trustee in the issuance of replacement Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the Bonds, and by surrendering the Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement Bonds are to be issued. The Depository, by accepting delivery of the Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the Successor Agency fails to identify another Securities Depository to replace the Depository, then the Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Article II. Prior to its termination, the Depository shall furnish the Trustee with the names and addresses of the Depository System Participants and respective ownership interests thereof.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal of and interest and premium (if any) on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

Section 3.02. Application of Proceeds of Sale and Certain Other Amounts. The Trustee shall apply the proceeds described in the previous sentence as follows:

(a) The Trustee shall deposit the amount of \$\_\_\_\_\_ in the Bond Proceeds Fund and shall immediately transfer such amount to the Costs of Issuance Account.

(b) The Trustee shall deposit the amount of \$\_\_\_\_\_ in the Bond Proceeds Fund and shall immediately transfer such amount to the Refunded Bonds Refunding Fund.

The moneys in the Costs of Issuance Account shall be used and withdrawn by the Trustee from time to time to pay the Costs of Issuance upon submission of a Written Request of the Successor Agency stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. On the date which is four (4) months following the Closing Date, or upon the earlier Written Request of the Successor Agency, all amounts (if any) remaining in the Costs of Issuance Account shall be withdrawn therefrom by the Trustee and transferred to the Interest Account of the Debt Service Fund, and the Trustee shall close the Costs of Issuance Account.

Section 3.04. Refunded Bonds Refunding Fund. There is hereby created the Refunded Bonds Refunding Fund held by the Trustee in trust for the benefit of the Successor Agency. The Trustee shall transfer all moneys on deposit in the Refunded Bonds Refunding Fund to

## ARTICLE IV

### SECURITY OF BONDS; FLOW OF FUNDS

Section 4.01. Security of Bonds; Equal Security. Except as provided in Section 6.06, the 2018 Bonds and any Parity Debt shall be equally secured by a pledge of, security interest in and lien on all of the Tax Revenues, including all of the Tax Revenues in the Redevelopment Obligation Retirement Fund and a first and exclusive pledge of, security interest in and lien upon all of the moneys in the Debt Service Fund, the Interest Account, the Principal Account, the Sinking Account and the Redemption Account, without preference or priority for series, issue, number, dated date, sale date, date of execution or date of delivery.

The 2018 Bonds shall be additionally secured by a first and exclusive pledge of, security interest in and lien upon all of the moneys and assets in the Reserve Account established by Section 4.03(d).

The 2018 Bonds and any Parity Debt shall be also equally secured by the pledge and lien created with respect to the Bonds by Section 34177.5(g) of the Law on the Tax Revenues deposited from time to time in the Redevelopment Property Tax Trust Fund. Except for the Tax Revenues and such moneys, no funds or properties of the Successor Agency shall be pledged to, or otherwise liable for, the payment of principal of or interest on the Bonds.

In consideration of the acceptance of the Bonds by those who shall hold the same from time to time, this Indenture shall be deemed to be and shall constitute a contract between the Successor Agency and the Owners from time to time of the Bonds, and the covenants and agreements herein set forth to be performed on behalf of the Successor Agency shall be for the equal and proportionate benefit, security and protection of all Owners of the Bonds without preference, priority or distinction as to security or otherwise of any of the Bonds over any of the others by reason of the number or date thereof or the time of sale, execution and delivery thereof, or otherwise for any cause whatsoever, except as expressly provided therein or herein.

The City hereby transfers, places a charge upon, assigns and sets over to the 2018 Insurer that portion of the Tax Revenues that is necessary in any Fiscal Year to pay the 2018 Insurer any amounts owed to the 2018 Insurer under the 2018 Policy and 2018 [Reserve Policy Agreement]. The pledge described in the preceding sentence shall constitute a charge and lien on the Tax Revenues subject only to the lien granted to the Trustee, for the benefit of the Owners of the Bonds issued hereunder, and the lien granted to the owners of any other Parity Debt.

Section 4.02. Redevelopment Obligation Retirement Fund; Deposit of Tax Revenues. The Successor Agency has heretofore established the Redevelopment Obligation Retirement Fund pursuant to Section 34170.5(a) of the Law which the Successor Agency shall continue to hold and maintain so long as any of the Bonds are Outstanding.

In accordance with Section 5.08 hereof, the Successor Agency shall deposit all Tax Revenues into the Redevelopment Obligation Retirement Fund promptly upon receipt thereof. All Tax Revenues received by the Successor Agency in excess of amounts required herein or as additionally required pursuant to a Supplemental Indenture or Parity Debt Instrument, shall be released from the pledge and lien hereunder and shall be applied in accordance with the Law, including but not limited to the payment of debt service on any Subordinate Debt. Prior to the payment in full of the principal of and interest and redemption premium (if any) on the Bonds and the payment in full of all other amounts payable hereunder and under any Supplemental Indentures, the Successor Agency shall not have any beneficial right or interest in the moneys on deposit in the Redevelopment Obligation Retirement Fund, except as may be provided in this Indenture and in any Supplemental Indenture.

Section 4.03. Deposit of Amounts by Trustee. There is hereby established a trust fund to be known as the Debt Service Fund, which shall be held by the Trustee hereunder in trust. Concurrently with transfers with respect to Parity Debt pursuant to Parity Debt Instruments, moneys in the Redevelopment Obligation Retirement Fund shall be transferred by the Successor Agency to the Trustee in the following amounts, at the following times, and deposited by the Trustee in the following respective special accounts, which are hereby established in the Debt Service Fund, and in the following order of priority:

(a) Interest Account. On or before the fifth (5th) Business Day preceding each Interest Payment Date, the Successor Agency shall withdraw from the Redevelopment Obligation Retirement Fund and transfer to the Trustee, for deposit in the Interest Account an amount which, when added to the amount contained in the Interest Account on that date, will be equal to the aggregate amount of the interest becoming due and payable on the Outstanding Bonds on such Interest Payment Date. No such deposit need be made to the Interest Account if the amount contained therein is at least equal to the interest to become due on the next succeeding Interest Payment Date upon all of the Outstanding Bonds. All moneys in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it shall become due and payable.

(b) Principal Account. On or before the fifth (5th) Business Day preceding each September 1 on which the principal of the Bonds becomes due and payable, and at maturity, the Successor Agency shall withdraw from the Redevelopment Obligation Retirement Fund and transfer to the Trustee for deposit in the Principal Account an amount which, when added to the amount then on deposit in the Principal Account, will be equal to the amount of principal coming due and payable on such date on the Bonds. No such deposit need be made to the Principal Account if the amount contained therein is at least equal to the principal to become due on the next September 1 on all of the Outstanding Bonds and any Parity Debt. All moneys in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of the Bonds and any Parity Debt as it shall become due and payable.

(c) Sinking Account. No later than the fifth (5th) Business Day preceding each September 1 on which any Term Bond becomes subject to mandatory sinking account redemption, the Successor Agency shall withdraw from the Redevelopment Obligation Retirement Fund and transfer to the Trustee for deposit in the Sinking Account an amount which, when added to the amount then contained in the Sinking Account, will be equal to the aggregate principal amount of the Term Bonds required to be redeemed on such September 1. No such deposit need be made to the Sinking Account if the amount

contained therein is at least equal to the Sinking Account payments to become due on the next September 1 on all of the Outstanding Bonds. All moneys on deposit in the Sinking Account shall be used and withdrawn by the Trustee for the sole purpose of paying the principal of the Term Bonds as it shall become due and payable upon redemption or purchase pursuant to Section 2.03(b).

(d) Reserve Account. There is hereby established in the Debt Service Fund a separate account known as the "Reserve Account" solely as security for payments payable by the Successor Agency with respect to the 2018 Bonds pursuant to this Section 4.03, which shall be held by the Trustee in trust for the benefit of the Owners of the 2018 Bonds. The Reserve Requirement for each series of the 2018 Bonds will be satisfied by the delivery of the 2018 Reserve Policy by the 2018 Insurer on the Closing Date, which policy shall be proportionately allocated to each series. The provisions governing the administration of the 2018 Reserve Policy are set forth in the 2018 [Reserve Policy Agreement]. The Successor Agency will have no obligation to replace the 2018 Reserve Policy or to fund the Reserve Account with cash if, at any time that the 2018 Bonds are Outstanding, amounts are not available under the 2018 Reserve Policy.

From time to time, the Successor Agency shall withdraw from the Redevelopment Obligation Retirement Fund and transfer to the Trustee for deposit in the Reserve Account the amount required to pay the 2018 Insurer any amounts owed by the Successor Agency to the 2018 Insurer under the 2018 [Reserve Policy Agreement].

All money in the Reserve Account shall be used and withdrawn by the Trustee solely for the purpose of making transfers to the Interest Account and the Principal Account, in the event of any deficiency at any time in any of such accounts or for the retirement of all the 2018 Bonds then Outstanding.

The Trustee shall comply with the terms of the 2018 Reserve Policy and the 2018 [Reserve Policy Agreement] as shall be required to receive payments thereunder in the event and to the extent required under this subsection (d).

Section 4.04 details the procedures for making claims under the 2018 Reserve Policy.

(e) Redemption Account. On or before the Business Day preceding any date on which Bonds are to be redeemed pursuant to Section 2.03(a), other than mandatory Sinking Account redemption of Term Bonds, the Trustee shall withdraw from the Debt Service Fund any amount transferred by the Successor Agency pursuant to Section 2.03(a) for deposit in the Redemption Account, such amount being the amount required to pay the principal of and premium, if any, on the Bonds to be redeemed on such date pursuant to Section 2.03(a). All moneys in the Redemption Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of and premium, if any, on the Bonds to be redeemed pursuant to Section 2.03(a) on the date set for such redemption, other than mandatory Sinking Account redemption of Term Bonds. Interest due on Bonds to be redeemed on the date set for redemption shall, if applicable, be paid from funds available therefor in the Interest Account.

### OTHER COVENANTS OF THE SUCCESSOR AGENCY

Section 5.01. Punctual Payment. The Successor Agency shall punctually pay or cause to be paid the principal and interest to become due in respect of all the Bonds together with the premium thereon, if any, in strict conformity with the terms of the Bonds and of this Indenture. The Successor Agency shall faithfully observe and perform all of the conditions, covenants and requirements of this Indenture and all Supplemental Indentures and the Bonds. Nothing herein contained shall prevent the Successor Agency from making advances of its own moneys howsoever derived to any of the uses or purposes referred to herein.

Section 5.02. Limitation on Additional Indebtedness; Against Encumbrances. The Successor Agency covenants that it will not issue any bonds, notes, or other obligations that are payable from or secured by a lien on Tax Revenues that is superior to the lien under this Indenture. The Successor Agency may issue Parity Debt to refund all or a portion of the Outstanding Bonds provided that with respect to any such refunding (i) annual debt service on such Parity Debt, as applicable, is lower than annual debt service on the obligations being refunded during every year the obligations would otherwise be outstanding (ii) the final maturity of any such Parity Debt does not exceed the final maturity of the obligations being refunded, (iii) the interest rate on the Parity Debt shall be fixed on the date of issuance of the Parity Debt, (iv) principal payments shall be on September 1 and interest payments on March 1 and September 1, and (v) prior to the issuance of any Parity Debt, the Successor Agency shall use commercially reasonable efforts, to the extent permitted by law, to subordinate all amounts, if any, payable to a taxing entity pursuant to Section 33607.5 and 33607.7 to the payment of debt service on such Parity Debt. Nothing herein shall prevent the Successor Agency from issuing Subordinate Debt.

Section 5.03. Extension of Payment. The Successor Agency will not, directly or indirectly, extend or consent to the extension of the time for the payment of any Bond or claim for interest on any of the Bonds and will not, directly or indirectly, be a party to or approve any such arrangement by purchasing or funding the Bonds or claims for interest in any other manner. In case the maturity of any such Bond or claim for interest shall be extended or funded, whether or not with the consent of the Successor Agency, such Bond or claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have been so extended or funded.

Section 5.04. Payment of Claims. The Successor Agency shall promptly pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the properties owned by the Successor Agency or upon the Tax Revenues or other amounts pledged to the payment of the Bonds, or any part thereof, or upon any funds in the hands of the Trustee, or which might impair the security of the Bonds. Nothing herein contained shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of said claims.

Section 5.05. Books and Accounts; Financial Statements. The Successor Agency shall at all times keep, or cause to be kept, proper and current books and accounts in which accurate entries are made of the financial transactions and records of the Successor Agency. Within one

hundred eighty (180) days after the close of each Fiscal Year an Independent Certified Public Accountant shall prepare an audit of the financial transactions and records of the Successor Agency for such Fiscal Year. To the extent permitted by law, such audit may be included within the annual audited financial statements of the City. The Successor Agency shall furnish a copy of such financial statements to any Owner upon reasonable request of such Owner and at the expense of such Owner. The Trustee shall have no duty to review such audits.

Section 5.06. Protection of Security and Rights of Owners. The Successor Agency will preserve and protect the security of the Bonds and the rights of the Owners. From and after the Closing Date with respect to the 2018 Bonds, the 2018 Bonds shall be incontestable by the Successor Agency.

Section 5.07. Payments of Taxes and Other Charges. Except as otherwise provided herein, the Successor Agency will pay and discharge, or cause to be paid and discharged, all taxes, service charges, assessments and other governmental charges which may hereafter be lawfully imposed upon the Successor Agency or the properties then owned by the Successor Agency in the Project Area, or upon the revenues therefrom when the same shall become due. Nothing herein contained shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of said taxes, assessments or charges. The Successor Agency will duly observe and conform with all valid requirements of any governmental authority relative to the Project Area or any part thereof.

Section 5.08. Compliance with the Law; Recognized Obligation Payment Schedules.

(a) The Successor Agency shall comply with all of the requirements of the Law.

(b) Pursuant to Section 34177 of the Law, not later than each date a Recognized Obligation Payment Schedule is due, the Successor Agency shall submit to the Oversight Board and the State Department of Finance, a Recognized Obligation Payment Schedule. The Successor Agency shall take all actions required under the Law to include in the Recognized Obligation Payment Schedule for each Bond Year (i) debt service on the Bonds and (ii) all amounts due and owing to the 2018 Insurer hereunder, so as to enable the Madera County Auditor-Controller to distribute from the Redevelopment Property Tax Trust Fund for deposit in the Redevelopment Obligation Retirement Fund on each January 2 and June 1, as applicable, amounts required to enable the Successor Agency to pay timely principal of, and interest on, the Bonds on a timely basis, as such amounts of debt service are set forth in the Recognized Obligation Payment Schedule attached hereto as Exhibit B and hereby made a part hereof, or as such Schedule may be hereafter amended, as well as all amounts due and owing to the 2018 Insurer hereunder.

(c) In order to ensure that amounts are available for the Trustee to pay debt service on all Outstanding Bonds and all amounts due and owing to the 2018 Insurer hereunder on a timely basis, the Successor Agency shall, for so long as any Bonds are outstanding, the Successor Agency shall submit an Recognized Obligation Payment Schedule meeting the requirements of the Dissolution Act to the State Department of Finance and to the Madera County Auditor-Controller that shall include annual distribution to the Successor Agency of an amount sufficient to pay all of the debt service coming due during the period applicable to the respective annual distributions, and an amount sufficient to all amounts due and owing to the 2018 Insurer hereunder.

In addition to the amounts described above, if the amount of Tax Revenues distributed to the Successor Agency is less than the sum of the amounts specified above or required to be paid pursuant to the 2018 Bonds or this Indenture, the Successor Agency shall submit an Oversight Board-approved Recognized Obligation Payment Schedule or amendment thereto to the State Department of Finance and to the Madera County Auditor-Controller that shall include the balance due to the Successor Agency or balance of the amount needed to pay the amounts specified above or required to be paid pursuant to the 2018 Bonds or this Indenture, which amount shall be requested to be distributed in full to the Successor Agency at the next opportunity allowed by the Dissolution Act.

(d) In the event the provisions set forth in the Dissolution Act as of the Closing Date of the 2018 Bonds that relate to the filing of Recognized Obligation Payment Schedules are amended or modified in any manner, the Successor Agency agrees to take all such actions as are necessary to comply with such amended or modified provisions so as to ensure the timely payment of debt service on the Bonds and, if the timing of distributions of the Redevelopment Property Tax Trust Fund is changed, the receipt of (i) not less than the debt service due on September 1 on all Outstanding Bonds prior to September 1 of such Bond Year, and (ii) all of the debt service due on March 1 on all Outstanding Bonds prior to the next succeeding March 1.

Section 5.09. Dissolution Act Invalid; Maintenance of Tax Revenues. In the event that the applicable property tax revenues provisions of the Dissolution Act are determined by a court in a final judicial decision to be invalid and, in place of the invalid provisions, provisions of the Law or the equivalent become applicable to the Bonds, the Successor Agency shall comply with all requirements of the Law or the equivalent to ensure the allocation and payment to it of the Tax Revenues, including without limitation the timely filing of any necessary statements of indebtedness with appropriate officials of the County and, in the case of amounts payable by the State, appropriate officials of the State.

Section 5.10. No Arbitrage. The Successor Agency shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the 2018A Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the 2018A Bonds would have caused the 2018A Bonds to be "arbitrage bonds" within the meaning of section 148 of the Code.

Section 5.11. Private Activity Bond Limitation. The Successor Agency shall assure that the proceeds of the 2018A Bonds are not so used as to cause the 2018A Bonds to satisfy the private business tests of section 141(b) of the Code or the private loan financing test of section 141(c) of the Code.

Section 5.12. Federal Guarantee Prohibition. The Successor Agency shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the 2018A Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code.

Section 5.13. Rebate Requirement. The Successor Agency shall take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the 2018A Bonds.

Section 5.14. Maintenance of Tax-Exemption. The Successor Agency shall take all actions necessary to assure the exclusion of interest on the 2018A Bonds from the gross

income of the Owners of the 2018A Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the 2018A Bonds.

Section 5.15. Continuing Disclosure. The Successor Agency hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Indenture, failure of the Successor Agency to comply with the Continuing Disclosure Certificate shall not be an Event of Default hereunder. However, any Participating Underwriter or any holder or beneficial owner of the 2018 Bonds may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Successor Agency to comply with its obligations under this Section 5.15.

Section 5.16. Further Assurances. The Successor Agency will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture, and for the better assuring and confirming unto the Owners of the Bonds the rights and benefits provided in this Indenture.

### THE TRUSTEE

#### Section 6.01. Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to the occurrence of an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants, duties or obligations shall be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) The Successor Agency may remove the Trustee with thirty (30) days' notice, unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee (i) if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (ii) if at any time the Successor Agency has knowledge that the Trustee shall cease to be eligible in accordance with subsection (e) of this Section, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. In each case such removal shall be accomplished by the giving of at least 30 days' written notice of such removal by the Successor Agency to the Trustee, whereupon the Successor Agency shall appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign by giving written notice of such resignation to the Successor Agency and by giving the Owners notice of such resignation by first class mail, postage prepaid, at their respective addresses shown on the Registration Books. Upon receiving such notice of resignation, the Successor Agency shall promptly appoint a successor Trustee by an instrument in writing.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within forty-five (45) days of giving notice of removal or notice of resignation as aforesaid, the retiring Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction at the expense of the Successor Agency for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing, acknowledging and delivering to the Successor Agency and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of the Successor Agency or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly

vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Successor Agency shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the Successor Agency shall mail a notice of the succession of such Trustee to the trusts hereunder to the Owners at their respective addresses shown on the Registration Books. If the Successor Agency fails to mail such notice within fifteen (15) days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Successor Agency.

(e) Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a financial institution having a corporate trust office in the State, having (or in the case of a corporation, national banking association or trust company included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least \$75,000,000, and subject to supervision or examination by federal or state authority. If such financial institution publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such financial institution shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (e), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

The Successor Agency will maintain a Trustee which is qualified under the provisions of the foregoing provisions of this subsection (e), so long as any Bonds are Outstanding.

Section 6.02. Merger or Consolidation. Any bank, national banking association or trust company into which the Trustee may be merged or converted or with which may be consolidated or any bank, national banking association or trust company resulting from any merger, conversion or consolidation to which it shall be a party or any bank, national banking association or trust company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank, national banking association or trust company shall be eligible under subsection (e) of Section 6.01, shall be the successor to such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

#### Section 6.03. Liability of Trustee.

(a) The recitals of facts herein and in the Bonds contained shall be taken as statements of the Successor Agency, and the Trustee shall not assume responsibility for the correctness of the same, nor make any representations as to the validity or sufficiency of this Indenture or of the security for the Bonds or the tax status of interest thereon nor shall incur any responsibility in respect thereof, other than as expressly stated herein. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or intentional misconduct. The Trustee shall not be liable for the acts of any agents of the Trustee selected by it with due care. The Trustee and its officers and

employees may become the Owner of any Bonds with the same rights it would have if they were not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

(b) The Trustee shall not be liable for any error of judgment made by a responsible employee or officer, unless the Trustee shall have been negligent in ascertaining the pertinent facts.

(c) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the 2018 Insurer or the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(d) The Trustee shall not be liable for any action taken by it and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, except for actions arising from the negligence or intentional misconduct of the Trustee. The permissive right of the Trustee to do things enumerated hereunder shall not be construed as a mandatory duty.

(e) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until a responsible officer shall have actual knowledge thereof, or shall have received written notice thereof from the Successor Agency at its Principal Corporate Trust Office. In the absence of such actual knowledge or notice, the Trustee may conclusively assume that no Event of Default has occurred and is continuing under this Indenture. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance by any other party of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default thereunder. The Trustee shall not be responsible for the validity or effectiveness of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee may rely conclusively on the Successor Agency's certificates to establish the Successor Agency's compliance with its financial covenants hereunder, including, without limitation, its covenants regarding the deposit of Tax Revenues into the Redevelopment Obligation Retirement Fund and the investment and application of moneys on deposit in the Redevelopment Obligation Retirement Fund (other than its covenants to transfer such moneys to the Trustee when due hereunder).

The Trustee shall have no liability or obligation to the Bondowners with respect to the payment of debt service on the Bonds by the Successor Agency or with respect to the observance or performance by the Successor Agency of the other conditions, covenants and terms contained in this Indenture, or with respect to the investment of any moneys in any fund or account established, held or maintained by the Successor Agency pursuant to this Indenture or otherwise.

No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers. The Trustee shall be entitled to interest on all amounts advanced by it at the maximum rate permitted by law.

The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys or receivers and the Trustee shall not be responsible for any intentional misconduct or negligence on the part of any agent, attorney or receiver appointed with due care by it hereunder.

The Trustee shall have no responsibility, opinion, or liability with respect to any information, statements or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of these Bonds.

Before taking any action under Article VIII or this Article at the request of the Owners, the Trustee may require that a satisfactory indemnity bond be furnished by the Owners for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken.

The Trustee will not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay ("unavoidable delay") in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to any project refinanced with the proceeds of the Bonds, malicious mischief, condemnation, and unusually severe weather and/or occurrences beyond the control of the Trustee.

The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture and delivered using Electronic Means ("Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the Successor Agency shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Successor Agency whenever a person is to be added or deleted from the listing. If the Successor Agency elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. The Successor Agency understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that the directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Successor Agency shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Successor Agency and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Successor Agency. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Successor Agency agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without

limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Successor Agency; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

The Trustee shall not be responsible for or accountable to anyone for the subsequent use or application of the proceeds of the Bonds or any moneys which shall be released or withdrawn in accordance with the provisions hereof.

Section 6.04. Right to Rely on Documents and Opinions. The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion or other paper or document believed by it to be genuine and to have been signed or prescribed by the proper party or parties, and shall not be required to make any investigation into the facts or matters contained thereon. The Trustee may consult with counsel, including, without limitation, counsel of or to the Successor Agency, with regard to legal questions, and, in the absence of negligence or intentional misconduct by the Trustee, the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee hereunder in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto is established to the satisfaction of the Trustee.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the Successor Agency, which shall be full warrant to the Trustee for any action taken or suffered under the provisions of this Indenture in reliance upon such Written Certificate, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable. The Trustee may conclusively rely on any certificate or report of any Independent Accountant or Independent Redevelopment Consultant appointed by the Successor Agency.

Section 6.05. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times upon reasonable notice to the inspection of the Successor Agency and any Owner, and their agents and representatives duly authorized in writing, during regular business hours and under reasonable conditions.

Section 6.06. Compensation and Indemnification. The Successor Agency shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture in accordance with the letter proposal from the Trustee approved by the Successor Agency and also all reasonable expenses, charges, legal and consulting fees and other disbursements and those of its attorneys (including the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel), agents and employees, incurred in and about the performance of its powers and

duties under this Indenture. The Trustee shall have a first lien on the Tax Revenues and all funds and accounts held by the Trustee hereunder to secure the payment to the Trustee of all fees, costs and expenses, including reasonable compensation to its experts, attorneys and counsel (including the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel). When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

The Successor Agency further covenants and agrees to indemnify, defend and save the Trustee and its officers, directors, agents and employees, harmless from and against any loss, expense, suit, claim, judgment, damages and liabilities, including legal fees and expenses, which it may incur arising out of or in connection with the exercise and performance of its powers and duties hereunder, including the costs and expenses of defending against any claim of liability, but excluding any and all losses, expenses and liabilities which are due to the negligence or intentional misconduct of the Trustee, its officers, directors, agents or employees. The obligations of the Successor Agency and the rights of the Trustee under this Section 6.06 shall survive resignation or removal of the Trustee under this Indenture and payment of the Bonds and discharge of this Indenture.

Section 6.07. Deposit and Investment of Moneys in Funds. Moneys in the Debt Service Fund, the Interest Account, the Principal Account, the Sinking Account, the Reserve Account and the Costs of Issuance Account shall be invested by the Trustee in Permitted Investments as directed by the Successor Agency in the Written Request of the Successor Agency filed with the Trustee at least two (2) Business Days in advance of the making of such investments. In the absence of any such Written Request of the Successor Agency, the Trustee shall hold such moneys uninvested. The Trustee shall be entitled to rely conclusively upon the written instructions of the Successor Agency directing investments in Permitted Investments as to the fact that each such investment is permitted by the laws of the State, and shall not be required to make further investigation with respect thereto. Moneys in the Redevelopment Obligation Retirement Fund may be invested by the Successor Agency in any obligations in which the Successor Agency is legally authorized to invest its funds. Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account. All interest or gain derived from the investment of amounts in any of the funds or accounts held by the Trustee hereunder shall be deposited in the Interest Account. The Trustee may act as principal or agent in the acquisition or disposition of any investment and may impose its customary charges therefor. The Trustee shall incur no liability for losses arising from any investments made at the direction of the Successor Agency or otherwise made pursuant to this Section.

The Successor Agency acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Successor Agency the right to receive brokerage confirmations of security transactions as they occur, at no additional cost, the Successor Agency specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Successor Agency periodic cash transaction statements which shall include detail for all investment transactions made by the Trustee hereunder.

All moneys held by the Trustee shall be held in trust, but need not be segregated from other funds unless specifically required by this Indenture. Except as specifically provided in this Indenture, the Trustee shall not be liable to pay interest on any moneys received by it, but shall

be liable only to account to the Successor Agency for earnings derived from funds that have been invested.

The Successor Agency covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of the Bonds (within the meaning of section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value. The Trustee has no duty in connection with the determination of Fair Market Value other than to follow the investment directions of the Successor Agency in any Written Certificate or Written Request of the Successor Agency. Trustee shall be deemed to have complied with such valuation through use of its pricing service as reflected on its trust accounting statements.

Section 6.08. Accounting Records and Financial Statements. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with corporate trust industry standards, in which accurate entries shall be made of all transactions of the Trustee relating to the proceeds of the Bonds made by it and all funds and accounts held by the Trustee established pursuant to this Indenture. Such books of record and account shall be available for inspection by the Successor Agency upon reasonable prior notice, at reasonable hours and under reasonable circumstances. The Trustee shall furnish to the Successor Agency, at least monthly, an accounting of all transactions in the form of its customary statements relating to the proceeds of the Bonds and all funds and accounts held by the Trustee pursuant to this Indenture.

Section 6.09. Appointment of Co-Trustee or Agent. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in the case of litigation under this Indenture, and in particular in case of the enforcement of the rights of the Trustee on default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional individual or institution as a separate co-trustee. The following provisions of this Section 6.09 are adopted to these ends.

In the event that the Trustee shall appoint an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee but only to the extent necessary to enable such separate or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them; provided, however, in no event shall the Trustee be responsible or liable for the acts or omissions of any co-trustee.

Should any instrument in writing from the Successor Agency be required by the separate trustee or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Successor Agency. In case any separate trustee or co-trustee, or a successor to either, shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers,

trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

Section 6.10. Other Transactions with Successor Agency. The Trustee, either as principal or agent, may engaged in or be interested in any financial or other transaction with the Successor Agency.

## ARTICLE VII

### MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 7.01. Amendment With And Without Consent of Owners. This Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding upon adoption and without the consent of any Owners, to the extent permitted by law and only for any one or more of the following purposes-

(a) to add to the covenants and agreements of the Successor Agency in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any rights or powers herein reserved to or conferred upon the Successor Agency; or

(b) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in any other respect whatsoever as the Successor Agency may deem necessary or desirable, provided under any circumstances that such modifications or amendments shall not, in the reasonable determination of the Successor Agency, materially adversely affect the interests of the Owners; or

(c) to amend any provision hereof relating to the requirements of or compliance with the Code, to any extent whatsoever but only if and to the extent such amendment will not adversely affect the exemption from federal income taxation of interest on any of the Bonds, in the opinion of Bond Counsel; or

(d) to amend the Recognized Obligation Debt Service Payment Schedule set forth in Exhibit B to reflect the issuance of Parity Debt or to take into account the redemption of any Bond prior to its maturity; or

(e) to provide for the issuance of Parity Debt pursuant to a Supplemental Indenture, as such issuance is authorized by Section 5.02.

Except as set forth in the preceding paragraph, this Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding with the consent of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding are filed with the Trustee. No such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest or redemption premium, (if any) at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of the Owner of such Bond, or (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification. In no event shall any Supplemental Indenture modify any of the rights or obligations of the Trustee without its prior written consent. In addition, the Trustee shall be entitled to an opinion of counsel concerning the Supplemental Indenture's lack of any material adverse effect on the Owners.

Section 7.02. Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article VII, this Indenture shall be

deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 7.03. Endorsement or Replacement of Bonds After Amendment. After the effective date of any amendment or modification hereof pursuant to this Article VII, the Successor Agency may determine that any or all of the Bonds shall bear a notation, by endorsement in form approved by the Successor Agency, as to such amendment or modification and in that case upon demand of the Successor Agency the Owners of such Bonds shall present such Bonds for that purpose at the Principal Corporate Trust Office of the Trustee, and thereupon a suitable notation as to such action shall be made on such Bonds. In lieu of such notation, the Successor Agency may determine that new Bonds shall be prepared at the expense of the Successor Agency and executed in exchange for any or all of the Bonds, and in that case, upon demand of the Successor Agency, the Owners of the Bonds shall present such Bonds for exchange at the Trust Office of the Trustee, without cost to such Owners.

Section 7.04. Amendment by Mutual Consent. The provisions of this Article VII shall not prevent any Owner from accepting any amendment as to the particular Bond held by such Owner, provided that due notation thereof is made on such Bond.

Section 7.05. Trustee's Reliance. The Trustee may conclusively rely, and is protected in relying, upon a Written Certificate of the Successor Agency and an opinion of Bond Counsel stating that all requirements of this Indenture relating to the amendment or modification hereof have been satisfied and that such amendments or modifications do not materially adversely affect the interests of the Bond Owners.

## ARTICLE VIII

### EVENTS OF DEFAULT AND REMEDIES OF OWNERS

Section 8.01. Events of Default and Acceleration of Maturities. The following events shall constitute Events of Default hereunder:

(a) if default shall be made by the Successor Agency in the due and punctual payment of the principal of or interest on any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) if default shall be made by the Successor Agency in the observance of any of the covenants, agreements or conditions on its part in this Indenture or in the Bonds or any Parity Debt Instrument contained, other than a default described in the preceding clause (a), and such default shall have continued for a period of sixty (60) days following receipt by the Successor Agency of written notice from the Trustee or any Owner of the occurrence of such default, provided that if in the reasonable opinion of the Successor Agency the failure stated in the notice can be corrected, but not within such 60 day period, such failure will not constitute an event of default if corrective action is instituted by the Successor Agency within such 60 day period and the Successor Agency thereafter diligently and in good faith cures such failure in a reasonable period of time, which period shall last no longer than one hundred eighty (180) days after the delivery of the written notice of default to the Successor Agency; or

(c) If the Successor Agency files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction will approve a petition seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will approve a petition, seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will assume custody or control of the Successor Agency or of the whole or any substantial part of its property.

If an Event of Default has occurred and is continuing, the Trustee may, or, if requested in writing by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding the Trustee shall, (a) with respect to Events of Default pursuant to 8.01(a) or (c), declare the principal of the Bonds, together with the accrued interest thereon, to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable, anything in this Indenture or in the Bonds to the contrary notwithstanding, and (b) the Trustee shall, subject to the provisions of Section 8.06, exercise any other remedies available to the Trustee and the Bond Owners in law or at equity.

Immediately upon receiving notice or actual knowledge of the occurrence of an Event of Default, the Trustee shall give notice of such Event of Default to the Successor Agency by telephone promptly confirmed in writing. Such notice shall also state whether the principal of the Bonds shall have been declared to be or have immediately become due and payable. With respect to any Event of Default described in clauses (a) or (c) above the Trustee shall also give such notice to the Owners by mail, which shall include the statement that interest on the Bonds shall cease to accrue from and after the date, if any, on which the Trustee shall have declared

the Bonds to become due and payable pursuant to the preceding paragraph (but only to the extent that principal and any accrued, but unpaid, interest on the Bonds is actually paid on such date).

This provision, however, is subject to the condition that if, at any time after the principal of the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the Successor Agency shall deposit with the Trustee a sum sufficient to pay all principal on the Bonds matured prior to such declaration and all matured installments of interest (if any) upon all the Bonds, with interest on such overdue installments of principal and interest (to the extent permitted by law), and the reasonable fees and expenses of the Trustee, (including the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel) and any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then, and in every such case, the Trustee shall promptly give written notice of the foregoing to the Owners of all Bonds then Outstanding, and the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, by written notice to the Successor Agency and to the Trustee, may, on behalf of the Owners of all of the Bonds, rescind and annul such declaration and its consequences. However, no such rescission and annulment shall extend to or shall affect any subsequent default, or shall impair or exhaust any right or power consequent thereon.

Section 8.02. Application of Funds Upon Acceleration or Event of Default. All of the Tax Revenues and all sums in the funds and accounts established and held by the Trustee hereunder upon the date of the declaration of acceleration as provided in Section 8.01, or upon the occurrence, and during the continuance, of an Event of Default hereunder, and all sums thereafter received by the Trustee hereunder, shall be applied by the Trustee in the following order upon presentation of the several Bonds, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in exercising the rights and remedies set forth in this Article VIII, including reasonable compensation to its agents, attorneys (including the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel) and counsel and any outstanding fees, expenses of the Trustee; and

Second, to the payment of the whole amount then owing and unpaid upon the Bonds for principal and interest, with interest on the overdue principal and installments of interest at the net effective rate then borne by the Outstanding Bonds (to the extent that such interest on overdue installments of principal and interest shall have been collected), and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid upon the Bonds, then to the payment of such principal and interest without preference or priority of principal over interest, or interest over principal, or of any installment of interest over any other installment of interest, ratably to the aggregate of such principal and interest; and

Third, to the payment of all amounts due and owing to the 2018 Insurer hereunder.

Section 8.03. Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in principal amount of the Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; *provided, however,* that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in principal amount of the Outstanding Bonds hereunder opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation.

Nothing herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Owner any plan of reorganization, arrangement, adjustment, or composition affecting the Bonds or the rights of any Owner thereof, or to authorize the Trustee to vote in respect of the claim of any Owner in any such proceeding without the approval of the Owners so affected.

Section 8.04. Limitation on Owner's Right to Sue. No Owner of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy hereunder; it being understood and intended that no one or more Owners shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

The right of any Owner of any Bond to receive payment of the principal of and interest on such Bond as herein provided, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.05. Non-Waiver. Nothing in this Article VIII or in any other provision of this Indenture or in the Bonds, shall affect or impair the obligation of the Successor Agency, which is absolute and unconditional, to pay from the Tax Revenues and other amounts pledged hereunder, the principal of and interest on the Bonds to the respective Owners on the respective Interest Payment Dates, as herein provided, or affect or impair the right of action, which is also absolute and unconditional, of the Owners or the Trustee to institute suit to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Owner or the Trustee shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Owners and the Trustee by the Law or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners and the Trustee.

If a suit, action or proceeding to enforce any right or exercise any remedy shall be abandoned or determined adversely to the Owners or the Trustee, the Successor Agency, the Trustee and the Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

Section 8.06. Actions by Trustee as Attorney-in-Fact. Any suit, action or proceeding which any Owner shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners similarly situated and the Trustee is hereby appointed (and the successive respective Owners by taking and holding the Bonds shall be conclusively deemed so to have appointed it) the true and lawful attorney-in-fact of the respective Owners for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact, *provided, however*, the Trustee shall have no duty or obligation to exercise any such right or remedy unless it has been indemnified to its satisfaction from any loss, liability or expense (including fees and expenses of its outside counsel and the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel).

Section 8.07. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Law or any other law.

ARTICLE IX  
MISCELLANEOUS

Section 9.01. Benefits Limited to Parties. Nothing in this Indenture, expressed or implied, is intended to give to any person other than the Successor Agency, the Trustee, the 2018 Insurer and the Owners, any right, remedy or claim under or by reason of this Indenture. Any covenants, stipulations, promises or agreements in this Indenture contained by and on behalf of the Successor Agency shall be for the sole and exclusive benefit of the Trustee, the 2018 Insurer and the Owners.

Section 9.02. Successor is Deemed Included in All References to Predecessor. Whenever in this Indenture or any Supplemental Indenture either the Successor Agency or the Trustee is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Indenture contained by or on behalf of the Successor Agency or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 9.03. Defeasance of Bonds. If the Successor Agency shall pay and discharge the entire indebtedness on all Bonds or any portion thereof in any one or more of the following ways:

(i) by well and truly paying or causing to be paid the principal of and interest on all or the applicable portion of Outstanding Bonds, as and when the same become due and payable; or

(ii) by irrevocably depositing with the Trustee or an escrow holder, in trust, at or before maturity, money which, together with the available amounts then on deposit in the funds and accounts established pursuant to this Indenture, is fully sufficient to pay all or a portion of Outstanding Bonds, including all principal and interest, or;

(iii) by irrevocably depositing with the Trustee or an escrow holder, in trust, Defeasance Obligations in such amount as an Independent Accountant shall determine in a writing delivered to the Trustee will, together with the interest to accrue thereon and available moneys then on deposit in the funds and accounts established pursuant to this Indenture, be fully sufficient to pay and discharge the indebtedness on all Bonds or a portion thereof (including all principal and interest) at or before maturity; or

(iv) by purchasing such Bonds prior to maturity and tendering such Bonds to the Trustee for cancellation;

then, at the election of the Successor Agency, and notwithstanding that any Bonds shall not have been surrendered for payment, the pledge of the Tax Revenues and other funds provided for in this Indenture and all other obligations of the Trustee and the Successor Agency under this Indenture shall cease and terminate with respect to all Outstanding Bonds or, if applicable, with respect to that portion of the Bonds which has been paid and discharged, except only (a) the covenants of the Successor Agency hereunder with respect to the Code, (b) the obligation of the Trustee to transfer and exchange Bonds hereunder, (c) the obligations of the Successor Agency under Section 6.06 hereof, and (d) the obligation of the Successor Agency to pay or cause to be paid to the Owners, from the amounts so deposited with the Trustee, all sums due thereon and to pay the Trustee all fees, expenses and costs of the Trustee. In the event the

Successor Agency shall, pursuant to the foregoing provision, pay and discharge any portion or all of the Bonds then Outstanding, the Trustee shall be authorized to take such actions and execute and deliver to the Successor Agency all such instruments as may be necessary or desirable to evidence such discharge, including, without limitation, selection by lot of Bonds of any maturity of the Bonds that the Successor Agency has determined to pay and discharge in part.

In the case of a defeasance or payment of all of the Bonds Outstanding, any funds thereafter held by the Trustee which are not required for said purpose or for payment of amounts due the Trustee pursuant to Section 6.06 shall be paid over to the Successor Agency for deposit in the Redevelopment Obligation Retirement Fund.

Section 9.04. Execution of Documents and Proof of Ownership by Owners. Any request, consent, declaration or other instrument which this Indenture may require or permit to be executed by any Owner may be in one or more instruments of similar tenor, and shall be executed by such Owner in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

The ownership of Bonds and the amount, maturity, number and date of ownership thereof shall be proved by the Registration Books.

Any demand, request, direction, consent, declaration or other instrument or writing of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the Successor Agency or the Trustee and in accordance therewith, provided, however, that the Trustee shall not be deemed to have knowledge that any Bond is owned by or for the account of the Successor Agency unless the Successor Agency is the registered Owner or the Trustee has received written notice that any other registered Owner is such an affiliate.

Section 9.05. Disqualified Bonds. In determining whether the Owners of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned or held by or for the account of the Successor Agency or the City (but excluding Bonds held in any employees' retirement fund) shall be disregarded and deemed not to be Outstanding for the purpose of any such determination; except that in determining whether the Trustee shall be protected in relying upon any such demand, request, direction, consent or waiver of an Owner, only Bonds which the Trustee actually knows to be so owned or held shall be disregarded unless all Bonds are so owned or held, in which case such Bonds shall be considered outstanding for the purpose of such determination. Upon request of the Trustee, the Successor Agency and the City shall specify in a certificate to the Trustee those Bonds disqualified pursuant to this Section and the Trustee may conclusively rely on such certificate.

Section 9.06. Waiver of Personal Liability. No member, officer, agent or employee of the Successor Agency shall be individually or personally liable for the payment of the principal of or

interest on the Bonds; but nothing herein contained shall relieve any such member, officer, agent or employee from the performance of any official duty provided by law.

Section 9.07. Destruction of Cancelled Bonds. Whenever in this Indenture provision is made for the surrender to the Trustee of any Bonds which have been paid or cancelled pursuant to the provisions of this Indenture, the Trustee shall destroy such bonds and upon request of the Successor Agency provide the Successor Agency a certificate of destruction. The Successor Agency shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Bonds therein referred to.

Section 9.09. Partial Invalidity. If any Section, paragraph, sentence, clause or phrase of this Indenture shall for any reason be held illegal, invalid or unenforceable, such holding shall not affect the validity of the remaining portions of this Indenture. The Successor Agency hereby declares that it would have adopted this Indenture and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Indenture may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the Trustee is rendered unable to perform its duties hereunder, all such duties and all of the rights and powers of the Trustee hereunder shall, pending appointment of a successor Trustee in accordance with the provisions of Section 6.01 hereof, be assumed by and vest in the Treasurer of the County of Madera, on behalf of the Successor Agency, in trust for the benefit of the Owners. The SUCCESSOR AGENCY TO THE FORMER MADERA REDEVELOPMENT AGENCY, a public entity, duly created and existing under and by virtue of the laws of the State of California (the "Successor Agency"), for value received hereby promises to pay to the Registered Owner stated above, or registered assigns (the "Registered Owner"), on the Maturity Date stated above (subject to any right of prior redemption hereinafter provided for), the Principal Sum stated above, in lawful money of the United States of America, and to pay interest thereon in like lawful money from the Interest Payment Date (as hereinafter defined) next preceding the date of authentication of this Bond, unless (i) this Bond is authenticated on or before an Interest Payment Date and after the close of business on the fifteenth (15th) day of the month immediately preceding an Interest Payment Date (the "Record Date"), in which event it shall bear interest from such Interest Payment Date, or (ii) this Bond is authenticated on or before \_\_\_\_\_, in which event it shall bear interest from the Dated Date above; provided however, that if at the time of authentication of this Bond, interest is in default on this Bond, this Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment on this Bond, until payment of such Principal Sum in full, at the Interest Rate per annum stated above, payable semiannually on September 1 and March 1 in each year, commencing \_\_\_\_\_ (each an "Interest Payment Date"), calculated on the basis of 360-day year comprised of twelve 30-day months. Principal hereof and premium, if any, upon early redemption hereof are payable upon surrender of this Bond at the designated corporate trust office of The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"), or at such other place as designated by the Trustee (the "Corporate Trust Office"). Interest hereon (including the final interest payment upon maturity or earlier redemption hereof) is payable by check of the Trustee mailed by first class mail, postage prepaid, on the Interest Payment Date to the Registered Owner hereof at the Registered Owner's address as it appears on the registration books maintained by the Trustee as of the Record Date for which such Interest Payment Date occurs; provided however, that payment of interest may be by wire transfer to an account in the United States of America to any registered owner of Bonds in the

aggregate principal amount of \$1,000,000 or more upon written instructions of any such registered owner filed with the Trustee for that purpose prior to the Record Date preceding the applicable Interest Payment Date.

This Bond is one of a duly authorized issue of bonds of the Successor Agency designated as "Successor Agency to the Former Madera Redevelopment Agency 2018 Tax Allocation Refunding Bonds" (the "Bonds"), in an aggregate principal amount of \_\_\_\_\_ Million \_\_\_\_\_ Hundred \_\_\_\_\_ Thousand Dollars (\$\_\_\_\_\_), all of like tenor and date (except for such variation, if any, as may be required to designate varying series, numbers, maturities, interest rates, redemption and other provisions) and all issued pursuant to the provisions of Section 34177.5 of the Health and Safety Code of the State of California and Article 11 (commencing with Section 53580) of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code of the State of California (the "Refunding Law") and pursuant to an Indenture of Trust, dated as of \_\_\_\_\_, 2018, entered into by and between the Successor Agency and the Trustee (the "Indenture"), authorizing the issuance of the Bonds. Additional bonds or other obligations may also be issued on a parity with the Bonds, but only subject to the terms of the Indenture. Reference is hereby made to the Indenture (copies of which are on file at the office of the Successor Agency) and all indentures supplemental thereto and to the Law (as defined in the Indenture) and the Refunding Law for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Tax Revenues (as that term is defined in the Indenture), and the rights thereunder of the registered owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of the Successor Agency thereunder, to all of the provisions of which Indenture the Registered Owner of this Bond, by acceptance hereof, assents and agrees.

The Bonds have been issued by the Successor Agency for the purpose of providing funds to refund its Refunded Bonds (as defined in the Indenture) and to pay certain expenses of the Successor Agency in issuing the Bonds.

There has been created under the Law the Redevelopment Obligation Retirement Fund (as defined in the Indenture) into which Tax Revenues shall be deposited and from which the Successor Agency shall transfer amounts to the Trustee for payment, when due, of the principal of and the interest and redemption premium, if any, on the Bonds. As and to the extent set forth in the Indenture, all such Tax Revenues are exclusively and irrevocably pledged to and constitute a trust fund, in accordance with the terms hereof and the provisions of the Indenture and the Law, for the security and payment or redemption of, including any premium upon early redemption, and for the security and payment of interest on, the Bonds. In addition, the Bonds shall be additionally secured at all times by a first and exclusive pledge of, security interest in and lien upon all of the moneys in the Redevelopment Obligation Retirement Fund, the Debt Service Fund, the Interest Account, the Principal Account, the Reserve Account and the Redemption Account (as such terms are defined in the Indenture). Except for the Tax Revenues and such moneys, no funds or properties of the Successor Agency shall be pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium, if any, on the Bonds.

[[The 2018A Bonds maturing on or before September 1, \_\_\_\_\_ are not subject to optional redemption prior to maturity. The 2018 Bonds maturing on and after September 1, \_\_\_\_\_, are subject to redemption, at the option of the Successor Agency on any date on or after September 1, \_\_\_\_\_, as a whole or in part, by such maturities as shall be determined by the Successor Agency, and by lot within a maturity, from any available source of funds, at a redemption price equal to the principal amount of the 2018 Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, without premium.]]

[[The 2018B Bonds are not subject to optional redemption prior to maturity.]]

[The 2018A Bonds that are Term Bonds shall be subject to mandatory redemption in whole, or in part by lot, on September 1 and March 1, as set forth below, from sinking fund payments made by the Successor Agency to the Principal Account pursuant to Section 4.03(b), at a redemption price equal to the principal amount thereof to be redeemed, without premium; provided however, that (i) in lieu of redemption thereof such Term Bonds may be purchased by the Successor Agency pursuant to Section 2.03(g) hereof, and (ii) if some but not all of such Term Bonds have been redeemed pursuant to subsection (a) above, the total amount of all future sinking fund payments shall be reduced by the aggregate principal amount of such Term Bonds so redeemed, to be allocated among such sinking fund payments in integral multiples of \$5,000 as determined by the Successor Agency (notice of which determination shall be given by the Successor Agency to the Trustee) and shall include a revised sinking fund schedule.]

Sinking Fund Payment

As provided in the Indenture, notice of redemption shall be given by first class mail no less than twenty (20) nor more than sixty (60) days prior to the redemption date to the respective registered owners of any Bonds designated for redemption at their addresses appearing on the Bond registration books maintained by the Trustee, but neither failure to receive such notice nor any defect in the notice so mailed shall affect the sufficiency of the proceedings for redemption.

The Successor Agency has the right to rescind any notice of the optional redemption of Bonds by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default. The Successor Agency and the Trustee have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under the Indenture.

If this Bond is called for redemption and payment is duly provided therefor as specified in the Indenture, interest shall cease to accrue hereon from and after the date fixed for redemption.

If an Event of Default, as defined in the Indenture, shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture, but such declaration and its consequences may be rescinded and annulled as further provided in the Indenture.

The Bonds are issuable as fully registered Bonds without coupons in denominations of \$5,000 and any integral multiple thereof. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Indenture, Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations and of the same maturity.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the Corporate Trust Office of the Trustee, but only in the manner and subject to the limitations provided in the Indenture, and upon surrender and cancellation of this Bond. Upon registration of such transfer a new fully registered Bond or Bonds, of any authorized denomination or denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor. The Trustee may refuse to transfer or exchange (a) any Bond during the fifteen (15) days prior to the date established for the selection of Bonds for redemption, or (b) any Bond selected for redemption.

The Successor Agency and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Successor Agency and the Trustee shall not be affected by any notice to the contrary.

The rights and obligations of the Successor Agency and the registered owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest or redemption premium (if any) at the time and place and at the rate and in the currency provided herein of any Bond without the express written consent of the registered owner of such Bond, (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification or (c) without its written consent thereto, modify any of the rights or obligations of the Trustee.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the Successor Agency or the Trustee for registration of transfer, exchange, or payment, and any bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

This Bond is not a debt of the County of Madera, the State of California, or any of its political subdivisions, and neither said County, said State, nor any of its political subdivisions is liable hereon, nor in any event shall this Bond be payable out of any funds or properties other than those of the Successor Agency. The Bonds do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

It is hereby certified that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time and manner as required by the Law, the Refunding Law and the laws of the State of California, and that the amount of this Bond, together with all other indebtedness of the Successor Agency, does not exceed any limit prescribed by the Law, the Refunding Law or any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the Trustee's Certificate of Authentication hereon shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the Successor Agency to the former Madera Redevelopment Agency has caused this Bond to be executed in its name and on its behalf with the facsimile signature of its chief administrative officer and attested by the Secretary of the Governing Board, as of the Dated Date set forth above.
