A Resolution of the City Council of the City of Madera as the Successor Agency to the Former Madera Redevelopment Agency of the City of Madera Confirming the Issuance of Refunding Bonds, Approving Preliminary and Final Official Statements and Providing for Other Matters Properly Relating Thereto (Successor Agency)

Executive Director Wilson introduced Mr. Ken Dieker who presented council with information of the obligations to be refunded, the refunding plan, the estimated net cash flow savings, estimated refunding summary and the tentative financing schedule.

Mr. Dieker stated that they expect the Department of Finance approval by the end of May, have the final documents in June and we are expecting to close in July.
Council Member Rodriguez asked if these bonds do not close would the costs be recovered through the Successor Agency Recognized Obligation Payment Schedule (ROPS) process. Mr. Wilson stated any costs incurred would be recovered in the upcoming ROPS year.

Council Member Rodriguez asked what would be the reasons why the 2018 bonds not close. Mr. Dieker responded if hostilities break out and there is a general closure of the market place via a financial crisis of some sort, if the interest rates rise significantly where the economic savings are not sufficient to move forward. There could be a number of items, but the savings are so significant that we do not expect that to happen.

6A.1 A Resolution of the City Council of the City of Madera, California Approving Sale of Properties Known as 757, 783 and 784 Merced Street Acquired by Tax Increment by the Former Madera Redevelopment Agency and Making Findings Related Thereto (City)

6A.2 Resolution of City of Madera as Successor Housing Agency to the Former Madera Redevelopment Agency Madera, California Approving the Sale of Properties Located at 757, 783 and 784 Merced Street for the Construction of One (1) Single Family Dwelling Unit on Each Lot Located in the City of Madera (Successor Housing Agency)

6A.3 Resolution of the City of Madera as Successor Housing Agency to the Former Madera Redevelopment Agency Madera, California Approving Disposition and Development Agreement for the Construction of Three Single Family Residences Located at 757, 783 and 784 Merced Street and Authorizing the Mayor to Execute the Agreement on Behalf of the Successor Housing Agency of the Former Madera Redevelopment Agency (Successor Housing Agency)

Executive Director Wilson reported that the Redevelopment Agency acquired these lots in March 2011. Which is eleven months before the dissolution took place. We held a lottery to sell the thirteen lots and had five interested developers participate. Three of the builders obtained three lots each and two of the builders obtained two lots each. All of the buyers/developers are required to sign the Disposition and Development Agreement. This requires the developer build a single family unit on each lot, they have to follow all of the subdivision documents, the homes can only be sold to low to moderate income persons or families and the homebuyer must occupy the home
as their primary residence with a 20 or 45 year covenants. All of the homes have four bedrooms and they range from 1,450 to 1,515 square feet. The sales price for properties are fair market value in accordance with the Former Madera Redevelopment Agency Redevelopment Plan.

Mr. Wilson reported that Mr. Camilo Orozco, President of Meelo Corporation is in attendance tonight. He is purchasing properties 757, 783 and 784 Merced Street. The purchase price is $25,000 per lot for $75,000 total.

Council Member Oliver asked if after the home is built, are we able to require the homebuyer to be a Madera resident. Mr. Wilson stated that we are unable to require buyers to be Madera residents. Council Member Oliver stated that it would be an exciting prospect that if there is some way in creating a pathway for some of our Housing Authority tenants to home ownership. Mr. Wilson stated we will look for connections that could be made in the future. The way the lots we are selling tonight are set up, we can't do that. But maybe Lilly or Riverwalk. That is a good idea.

Council Member Foley stated that she knows of a few properties that were sold in the last lottery that has not started building. She asked if there is language in the agreement if construction has not started at a certain point it can go back into the lottery. Mr. Wilson stated that we could not put in back in the lottery but we would have to start the revesting process. He has spoken to both builders. One builder stated he will be starting in a week or two and he has pulled and paid for his building permits. We are exploring some options with the other builder. We are aware of those lots and we are looking on getting those going.

Mayor Pro Tem Rodriguez asked if we have a monitoring process to ensure that the property is owner occupied. Mr. Wilson responded the covenant that the buyer signs states that there is a yearly monitoring process. We send out notices and verify the information.

Council Member Holley asked if he purchased a home and in five years he wants to sell it. Does he have to stay in the home or can he sell it? Mr. Wilson responded he can sell the home but the new buyer has to be in the right income group and would have to sign a new covenant. If they fail to do that there is a $15,000 penalty.

Council Member Oliver asked if we carry the listing when a home is available to go on the market. Mr. Wilson responded no, the builder have their own realtors.

Council Member Oliver stated that he was contacted by an agent representing a buyer on the purchase of one of the homes and they felt that there was a lack of disclosure on the covenants and restrictions on the property listed. Mr. Wilson stated that it is the builder/developer's responsibility to disclose that information. We make ourselves available to speak to any homebuyer with any questions or concerns they may have.

Mayor Medellin opened the public hearing at 6:24 p.m.

There being no other speakers, the public hearing was closed at 6:25 p.m.
