REPORT TO CITY COUNCIL

MEETING DATE: September 20, 2017

AGENDA ITEM NUMBER: B-3

Approved By:

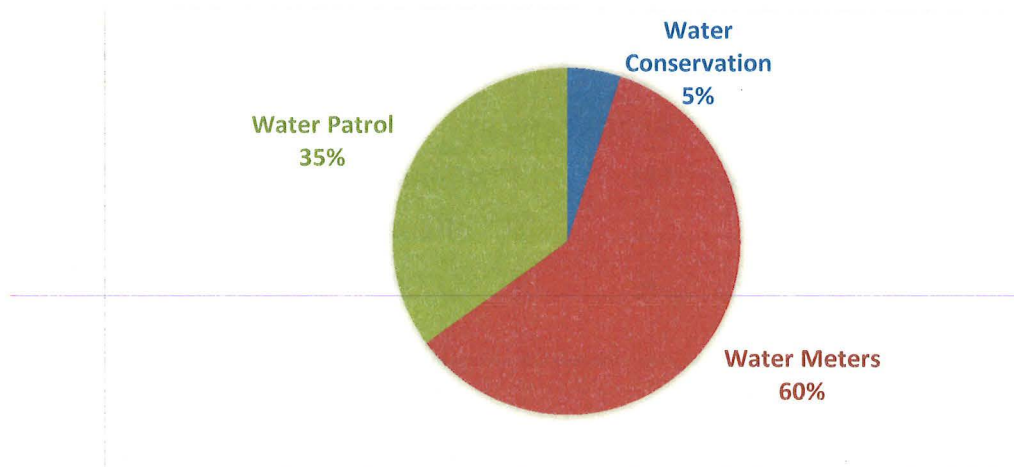

PUBLIC WORKS DIRECTOR

CITY ADMINISTRATOR

SUBJECT: Bi-Weekly Water Conservation Report for August 28th through September 10th.

RECOMMENDATION: Staff recommends that the Council review the attached bi-weekly report of water conservation activities and progress in reducing residential water consumption.

BACKGROUND: The Water Conservation Unit is split between three different areas of focus: Water Conservation, Water Patrol and Water Meters. This varies throughout the year depending on weather and seasonal tasks. Below is the approximate distribution of efforts in the Unit during the bi-weekly reporting period.

WATER CONSERVATION: As illustrated below, the City's water conservation rate maintained at 23% from last bi-weekly report to this reporting period. The monthly conservation rate for August is down from 24% in 2016 to 21% in 2017. Below is the most current water conservation data.

CONSERVATION OUTREACH: As part of our local outreach and education, the Water Conservation Unit participated with an information booth at the Madera District Fair September 7 through 10th.

Conservation Outreach

Madera District Fair Booth (Approx. 500 contacts)

WATER PATROL: The water patrol staff made a total of 138 individual public contacts. Below is the most current enforcement data.

ENFORCEMENT			
Individual Contacts	138	1 st offenses (\$75)	54
Verbal Warnings	6	2 nd offenses (\$200)	6
Correction Notices	35	3 rd or more offense (\$500)	0

WATER METERS: During this bi-weekly period the water meter staff investigated numerous meters that were not reading or that were reporting zero flow which resulted in repairs of meters at 16 locations. Staff also programed several new meters to the automatic read system.

There continued to be an increase in the number of customer concerns to be addressed, partially due to the increase in water rates. The number of customer concerns totaled 13 this two week period. These investigations resulted in discovery of leaks at 6 properties and notifications of large usage due to irrigation issues at 4 properties. There has also been several inquiries and applications for rebate opportunities this reporting period as a response to the article in the billing insert newsletter.

SYSTEM CAPACITY: Attached is a table and chart which shows the daily quantity of water pumped and performance of the City's system of water wells and its ability to provide fire flow. The system has continued to produce adequate flows to meet our peak demand and maintain reserve fire flow capacity.

FINANCIAL IMPACT: The expenses for implementing and administering these water conservation activities occur within the Water Fund and do not impact the General Fund.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN: The report is consistent with the Madera Vision Plan, specifically Strategy 434: Water Quality and Usage: ensure continued water supplies to meet the demands of all Maderans through innovative reclamation, conservation and education on water use.

Consideration of a Minute Order Rejecting a Claim filed by Juana Montes De Oca

RECOMMENDATION

It is recommended Council reject the claim filed by Juana Montes De Oca. The City will send a rejection notice to Ms. De Oca.

HISTORY

A claim was filed on August 9, 2017 by Ms. De Oca's Attorney, David Mamann. The claimant is alleging damages as a result of injuries sustained by falling at the Pan American Community Center while attending a private event.

SITUATION

The claimant alleges that on June 10, 2017 she slipped and fell at the Pan American Community Center on a grease/oil substance on the kitchen floor in the area between the refrigerator and the center island counter. The claimant alleges the premises were not maintained in a clean safe manner. The claimant sustained mid and low back pain, left rib cage pain and rib contusion. The claimant's damages includes a \$1,409.72 hospital bill, MRI costs in the amount of \$4,400.00 for two, Chiropractic care of \$5,000.00 and \$1,600.00 for pain management.

Suzanne Johnson, AIMS, investigated the claim. She was provided with a copy of the Permit Contract between the City of Madera Parks and Community Services and the renter, Jose Garcia for use of the Center on June 10, 2017. The permit includes the following disclaimer: "Persons or organizations whom such permits are issued shall be liable for loss, damage or injury to person or property resulting from the use of the public facilities under such permits." Ms. Johnson also reviewed an Accident Report completed by City Staff on the date of the incident. Ms. Johnson spoke with David Huff, Recreation/Community Program

Supervisor for the City. Mr. Huff stated staff arrived early in the morning to complete their facility rental inspection during which time if any hazardous items were discovered they would have been removed and/or called in for immediate repair. Upon notification of the incident in question City employee De'Ante Purcell, Program Leader I who was assigned to work the day of the incident, was informed that a woman had fainted and he contacted EMS. Mr. Purcell spoke with the renter of the event, Mr. Garcia, to find out what occurred and get the contact information of the claimant but was told by the renter he didn't feel comfortable giving out her information. Mr. Garcia made a statement to Mr. Purcell that the claimant just fainted as reflected in Mr. Purcell's City of Madera Accident Report.

Based on Ms. Johnson's investigation of the alleged accident it appeared accidental in nature. Ms. Johnson found no evidence to support negligence and/or liability on the part of the City. Also, whatever substance the claimant allegedly slipped on was more than likely not due to any action taken by the City. Ms. Johnson is therefore recommending the City consider the claim for rejection. Staff concurs with her recommendation.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN

Rejection of claims filed under Government Code §910 is not addressed in the vision or action plan; the requested action is also not in conflict with any of the actions or goals contained in that plan.

REPORT TO THE CITY COUNCIL

COUNCIL MEETING OF September 20, 2017

AGENDA ITEM NUMBER B-5

APPROVED BY

GRANTS ADMINISTRATOR

COMMUNITY DEVELOPMENT DIRECTOR

SUBJECT: Consideration of Resolutions Adopting 2017/2018 Community Development Block Grant Agreements for Services as follows:

- A. The Community Action Partnership of Madera County to Coordinate with the Fresno/Madera Continuum of Care
- B. The Madera County Workforce Investment Corporation for the Vocational Training/Certification Program
- C. The Madera Coalition for Community Justice to Coordinate the Zocalo Madera Program
- D. The City of Madera Parks and Community Services Department to Provide Nutrition, Fitness, Recreation, and Education Services to Seniors
- E. The Housing Authority of the City of Madera for the Pomona Ranch Housing for the Homeless Project
- F. The City of Madera Engineering Department for the East Yosemite Avenue and Elm Street Traffic Signal Project
- G. The City of Madera Engineering Department for the George Washington Elementary School Sidewalk Project

RECOMMENDATION:

Staff recommends Council adopt the Resolutions approving agreements with the Community Action Partnership of Madera County, the Madera County Workforce Investment Corporation, the Madera Coalition for Community Justice, the City of Madera Housing Authority and two City departments. Each agency and city department received CDBG allocations for FY 2017/2018.

DISCUSSION:

Council previously allocated Community Development Block Grant (CDBG) funding to the various agencies and City departments at its May 17, 2017 meeting. The Department of Housing & Urban Development (HUD) requires the City to enter into separate agreements prior to supporting CDBG-funded activities. The Council's approval to enter into the necessary agreements will satisfy HUD's requirements for these program activities during FY 2017/2018. Table 1 provides a description of each program and its CDBG allocation.

FINANCIAL IMPACT:

Approval of the attached agreements will not impact the General Fund because all of the activities will receive their funding from the CDBG program.

VISION MADERA 2025 CONSISTENCY:

Authorization of the attached agreements will support the Vision Madera 2025 Strategies and 2015/2019 Consolidated Plan as follows:

Strategy 113.3: Establish budgets to ensure all City facilities that provide services to the public are ADA compliant.

Strategy 121.10: Add facilities and amenities for the public.

Strategy 126.6: Establish budgets to redevelop existing streets to install sidewalks, curb cuts, streetlights, and landscaping strips.

Strategy 132.2: Update arterials and collector streets to accommodate bicycles, pedestrians and transit vehicles.

Strategy 136: Transitional Housing: Promote transitional housing to ensure the homeless have safe shelter.

Strategy 215: Educational and Occupational Opportunities: Ensure educational and occupational opportunities are available for all Maderans.

Strategy 314.2: Continue and expand facilities for at-risk youth.

Strategy 321: Accessible, Affordable Education: Develop a focus on accessible and affordable higher education for community members.

Strategy 321.1: Create a coalition with the goal of raising Maderans' access to and use of higher education.

Strategy 332: Youth Services: Expand comprehensive services for Madera's youth, including employment opportunities, community activities, sports programs, performing arts, and after-school programs.

Strategy 337: Develop programs for Maderans of all ages with an emphasis on youth and senior activities.

Strategy 407: Promote and expand existing services, supportive services, case management, and self-sufficiency for Madera residents to maintain independent lifestyles.

Strategy 411: Enhance and expand recreational activities available to Maderans.

CDBG 2015/2019 CONSOLIDATED PLAN CONSISTENCY:

The use of CDBG funds requires the city to meet goals established by HUD. Some of these activities provide services to low- to moderate-income persons within areas of our community. These areas have percentages of low- to moderate-income persons equal to or greater than 51 percent. The remaining activities provide services by conducting income testing, or by servicing certain groups presumed by HUD to meet the lower income criteria. HUD has defined these groups as abused children, battered spouses, and elderly persons, persons with disabilities, homeless persons, illiterate persons, and migrant workers.

Table 1

Attachment	Program	Description	Allocation
A	Community Action Partnership of Madera County Fresno/Madera Continuum of Care	To assist homeless persons to obtain affordable housing and assist persons at risk of becoming homeless. To prepare future proposals to HUD to finance programs to assist homeless persons and families within Madera, and to fund a portion of a Point-in-Time survey. Staff assigned to conduct outreach to homeless persons will be on-site with Code Enforcement during homeless camp abatement activities.	\$16,950

ATTACHMENT A

COMMUNITY ACTION PARTNERSHIP OF MADERA COUNTY FRESNO/
MADERA CONTINUUM OF CARE
AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

This Agreement is entered into, effective on the date of July 1, 2017.

PARTIES:

The City of Madera, hereafter referred to as "CITY", and the Community Action Partnership of Madera County, Inc. hereafter referred to as the "CONTRACTOR."

RECITALS:

WHEREAS, the CITY has been designated as the sponsoring agency to administer and implement the program for the Community Development Block Grant (CDBG) activities of the CITY, and in accordance with the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and the laws of the State of California; and

WHEREAS, the Madera City Council has determined a program to assist homeless persons to obtain affordable housing and assist persons at risk of becoming homeless is eligible for funding under 24 CFR Part 570.201(c); and

WHEREAS, the CONTRACTOR is dedicated to establishing a partnership with the community to be progressive in nurturing a sense of community and contributing to community wellness; and

WHEREAS, the CONTRACTOR has submitted a project plan and budget to prepare future HUD proposals to finance programs to assist homeless persons and families within Madera, and to fund a portion of a Point-in-Time survey consistent with the intent and purpose of the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and which has been approved by the CITY Council.

NOW THEREFORE, the parties hereto agree as follows:

1. Services

The CONTRACTOR shall provide all services and responsibilities as set forth in the project design, which is attached to this Agreement, marked as Exhibit "A," and incorporated herein by reference.

2. Funding and Method of Payment

a. Compensation

Payments shall be made after receipt and verification of actual expenditures incurred by the CONTRACTOR in the performance of this Agreement and shall be documented to the CITY by the fifteenth (15th) day of the month following the end of the quarter. Allowable expenditures under this Agreement are specifically established and attached hereto marked Exhibit "B" and incorporated herein by reference. The total obligation of the CITY under this Agreement shall not exceed \$16,950 in fiscal year 2017-2018. Any compensation not consumed by expenditures of the CONTRACTOR by the expiration of this Agreement shall automatically revert to the CITY.

b. Public Information

The CONTRACTOR shall disclose in all public information its funding source.

c. Lobbying Activity

The CONTRACTOR shall not directly or indirectly use any of the funds provided under this Agreement for publicity, lobbying, or propaganda purposes designed to support or defeat legislation pending before the Congress of the United States or the Legislature of the State of California.

d. Political Activity

The CONTRACTOR shall not directly or indirectly use any of the funds under this Agreement for any political activity or to further the election or defeat of any candidate for public office.

3. Fiscal Compliance

The CONTRACTOR shall be subject to the same fiscal regulations imposed on CITY by the U. S. Department of Housing and Urban Development for the use of Community Development Block Grant funds.

Program Income

CONTRACTOR shall report quarterly all program income as required under 24 CFR 570.503(b)(3) generated by activities carried out with CDBG funds made available under this contract. The use of program income by the CONTRACTOR shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the CONTRACTOR may use such income during the contract period for activities permitted under this contract and shall reduce requests for additional funds by the amount of any such program income balance on hand. All unexpended program income shall be returned to CITY at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to CITY.

4. Compliance With Laws

If the CONTRACTOR receives CDBG funding under this Agreement, CONTRACTOR shall comply with all rules and regulations established pursuant to the Housing and Community Development Act of 1974 and its amendments and Uniform Administrative Requirements under 24 CFR 570.503(b)(4). The CONTRACTOR and any subcontractors shall comply with all applicable local, State and Federal regulations, including but not limited to those requirements listed in Exhibit "C" attached hereto and incorporated herein by reference.

Administrative Requirements/Financial Management/Accounting Standards

CONTRACTOR agrees to comply with 24 CFR 84.21-28 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

Costs Principles

CONTRACTOR shall administer its program in conformance with OMB Circulars A-122, "Cost Principles for Non-Profit Organizations," or A-21, "Cost Principles for Educational Institutions," as applicable. These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.

5. Contract Administrator

CITY shall retain the right to administer this Agreement to verify that CONTRACTOR is performing its obligations in accordance with the terms and conditions thereof. CONTRACTOR and CITY shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over matters the subject thereof.

6. Period of Performance

The CONTRACTOR shall commence performance under this contract July 1, 2017 and shall end its performance June 30, 2018, unless terminated sooner as provided for elsewhere in this Agreement. Agreement may be extended upon written approval of the CITY.

7. Records

a. Record Establishment and Maintenance

CONTRACTOR shall establish and maintain records in accordance with those requirements prescribed by CITY, with respect to all matters covered by this Agreement. CONTRACTOR shall retain all fiscal books, account records, and client files for services performed under this Agreement for at least three (3) years from the date of the final payment under this Agreement or until all State and Federal audits are completed for that fiscal year, whichever is later. Pursuant to State and Federal law, it is the intent of the parties to this Agreement that the CONTRACTOR shall be reimbursed for actual costs incurred in the performance of this Agreement but that no profit is to accrue to the CONTRACTOR on account of such performance.

CONTRACTOR shall maintain all records required by the Federal regulations specified in 24 CFR 570.506 that are pertinent to the activities to be funded under this Agreement. Such records shall include but not be limited to:

1. Records providing a full description of each activity undertaken;
2. Records demonstrating that each activity undertaken meets one of the National Objectives of the CDBG program;
3. Records required to determine the eligibility of activities;
4. Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with CDBG assistance;
5. Records documenting compliance with the fair housing and equal opportunity components of the CDBG program;
6. Financial records as required by 24 CFR 570.502, and 24 CFR 84.21-28; and
7. Other records necessary to document compliance with 24 CFR 570.503(b)(5).

b. Reports/Required Notifications

The CONTRACTOR shall submit reimbursement claims with substantiating invoices and time cards signed by both the employee and applicable Department Head/Authorizing Official. Reports shall consist of the Quarterly Reporting Form. This form is contained in Exhibit "A-1" attached hereto and incorporated herein by reference.

The CONTRACTOR shall also furnish to the CITY such statements, records, reports, data, and information as the CITY may request pertaining to matters covered by this Agreement. In the event that the CONTRACTOR fails to provide such reports, it shall be deemed sufficient cause for the CITY to withhold payments until there is compliance. In addition, the CONTRACTOR shall provide written notification and explanation to the CITY within five (5) days of any funds received from another source to conduct the same services covered by this Agreement.

CITY shall notify CONTRACTOR in writing within thirty (30) days of any potential State or Federal exception discovered during an examination. Where findings indicate that program requirements are not being met and State and Federal participation in this program may be imperiled in the event that corrections are not accomplished by CONTRACTOR within thirty (30) days, written notification shall constitute CITY's intent to terminate this Agreement.

CONTRACTOR shall report to CITY promptly and in written detail, each notice of claim of copyright infringement received by CONTRACTOR with respect to all subject data delivered under this Agreement. CONTRACTOR shall not affix any restrictive markings upon any data. If markings are affixed, CITY shall have the right at any time to modify, remove, obliterate, or ignore such markings.

c. CDBG Reporting Requirements

The CITY will inform CONTRACTOR in writing if CDBG funds are provided under this Agreement, which require CONTRACTOR to submit an application or to complete a record as an integral part of receiving these funds.

CONTRACTOR shall submit with each quarterly invoice copies of paid invoices/receipts, copies of cash receipts or checks used to pay each invoice submitted, copies of time cards and related pay stubs for reimbursement.

8. Assignment

CITY and CONTRACTOR may not assign, or transfer their obligation of this Agreement or any rights hereunder without the prior written consent of the other party.

9. Subcontracts

If the CONTRACTOR should propose to subcontract with one or more third parties to carry out a portion of those services described in Exhibit "A" insofar as it deems proper or efficient, any such subcontract shall be in writing and approved as to form and content by the CITY prior to execution and implementation. Any such subcontract, together with all other activities performed, or caused by the CONTRACTOR, shall not allow compensation greater than the total project budget contained in Exhibit "B." An executed copy of any such subcontract shall be received by the CITY before any implementation and shall be retained by the CITY.

The CONTRACTOR shall be responsible to the CITY for the proper performance of any subcontract. Any subcontractor shall be subject to all of the same terms and conditions that the CONTRACTOR is subject to under this Agreement. No officer or director of the CONTRACTOR shall have any direct monetary interest in any subcontract made by the CONTRACTOR. A direct monetary interest contrary to this paragraph shall be deemed to exist, if an officer or director of the CONTRACTOR is also an owner, officer, or director of a corporation, association, or partnership subcontracting with the CONTRACTOR.

In addition, if the CONTRACTOR receives CDBG funds under this Agreement, the subcontractor shall be subject to CDBG federal regulations, including those listed in Exhibit "C."

10. Conflict of Interest

No officer, employee, or agent of the CITY who exercises any function or responsibility for planning and carrying out of the services provided under this Agreement shall have any direct or indirect personal financial interest in this Agreement. The CONTRACTOR shall comply with all Federal, State and local conflict of interest laws, statutes, and regulations, which shall be applicable to all parties and beneficiaries under this Agreement and any officer, employee, or agent of the CITY.

11. Discrimination

a. Eligibility for Services

The CONTRACTOR shall prepare and make available to the CITY and to the public all eligibility requirements to participate in the program plan set forth in Exhibit "A." No person shall, on the grounds of race, color, national origin, sex, religion, age, or disability status, be excluded from participation in, and denied the benefits of, or be subjected to discrimination with respect to the services funded under this Agreement.

The CONTRACTOR's services shall be accessible to the physically disabled, and the services of a translator, signer or assistive listening device shall be made available. CONTRACTOR, in its marketing materials, shall specify assistance to access its services is available for deaf and hard-of-hearing persons by calling 711 or 1-800-735-2929 and, for voice users, 1-866-735-2922 for TTY Relay Services. CONTRACTOR shall comply with requirements set forth in Exhibit D, Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds – Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act.

b. Employment Opportunity

The CONTRACTOR shall comply with the CITY policy, the Community Development Block Grant regulations, and the Equal Employment Commission guidelines, which forbids discrimination against any person on the grounds of race, color, national origin, sex, religion, age, familial status or disability status in employment practices. Such practices include retirement, recruitment advertising, hiring, layoff, termination, upgrading, demotion, transfer, rates of pay or other forms of compensation, use of facilities, and other terms and conditions of employment.

c. Suspension of Compensation

If an allegation of discrimination occurs, the CITY shall withhold all further funds until the CONTRACTOR can show by clear and convincing evidence to the satisfaction of the CITY that funds provided under this Agreement were not used in connection with the alleged discrimination.

d. Nepotism

Except by written consent of the CITY, no person shall be employed by the CONTRACTOR who is related by blood or marriage or who is a member of the Board of Directors or an officer of the CONTRACTOR. In the event HUD determines a CDBG-funded CONTRACTOR'S organization/agency operations violate federal rules and regulations with regard to nepotism and/or conducts business and a conflict of interest issue arises, then CONTRACTOR shall accept all responsibility to return any CDBG funds received from CITY.

12. Termination

a. This Agreement may be immediately terminated by CITY for cause where in the determination of CITY, any of the following conditions exist: (1) an illegal or improper use of funds, (2) failure to comply with any terms of this Agreement, (3) a materially incorrect or incomplete report, (4) an improper performance of services.

b. Any one of or combination of the above conditions will constitute grounds for suspension or termination of the Agreement. In no event shall any payment by the CITY hereunder constitute a waiver by the CITY of any breach of this Agreement or any default which may then exist on the part of the CONTRACTOR, nor shall such payment impair or prejudice any remedy available to the CITY with respect to the breach of default. When there is a breach of this Agreement, as defined by this section, the CITY may, in its sole discretion, immediately suspend or terminate this Agreement.

c. CITY shall have the option to terminate this Agreement without obligation of CITY to reimburse CONTRACTOR from the date the Federal or State Government withholds or fails to disburse funds to CITY, in the event such government withholds or fails to disburse funds, CITY shall give CONTRACTOR notice of such funding limitation or termination within a reasonable time after CITY receives notices of same.

d. Upon thirty (30) days written notice to the other party, either party may terminate this Agreement without cause. Notice shall be deemed served upon mailing.

13. Amendments

Adjustment of any line item within the total approved budget contained in Exhibit "B" or changes in the nature or scope of the program plan set forth in Exhibit "A" may be approved in writing by the City Administrator, or his designee.

14. Administration

The City of Madera Grants Administration Department shall administer this Agreement.

15. Evaluation

The CITY shall monitor and evaluate the performance of the CONTRACTOR under this Agreement to determine to the best possible degree the success or failure of the services provided under this Agreement and the adequacy of the program plan contained in Exhibit "A." The CONTRACTOR shall participate in evaluation of the program.

CONTRACTOR shall cooperate fully with CITY, State and Federal agencies, which shall have the right to monitor and audit all work performed under this Agreement.

CONTRACTOR shall also agree to on-site monitoring and personal interviews of participants, CONTRACTOR's staff, and employees by appropriate CITY staff on at least a quarterly basis.

16. Governing Law

Any controversy or claim arising out of or relating to this Agreement which cannot be amicably settled without court action shall be litigated only in Madera, California. The rights and obligations of the parties and all interpretations and performance of this Agreement shall be governed in all respects by the laws of the State of California.

17. Reversion of Assets

The CONTRACTOR must obtain prior written approval from the CITY whenever there is any modification or change in the use of any property acquired or improved, in whole or in part, using CDBG funds. If any real or personal property acquired or improved with CDBG funds is sold and/or is utilized by the CONTRACTOR for a use which does not qualify under the CDBG program, the CONTRACTOR shall reimburse the CITY in an amount equal to the current fair market value of the property, less any portion thereof attributable to expenditures of non-CDBG funds. These requirements shall continue in effect for the life of the property. In the event the CDBG program is closed-out, the requirements of this Section shall remain in effect for activities or property funded with CDBG funds, unless action is taken by the Federal government to relieve the CITY of these obligations.

18. Breach of Agreement

In the event the CONTRACTOR fails to comply with any of the terms of this Agreement, the CITY may, at its option, deem the CONTRACTOR's failure as a material breach of this Agreement and utilize any of the remedies set forth in 24 CFR 85.43 or that it deems appropriate. Should the CITY deem a breach of this Agreement material, the CITY shall immediately be relieved of its obligations to make further payment as provided herein. In addition to the Agreement being terminated by the CITY in accord with a material breach of this Agreement by the CONTRACTOR, this Agreement may also be terminated for convenience by the CITY in accord with 24 CFR 85.44.

19. No Third Party Beneficiaries

This Agreement is not intended to create and does not create any rights in or benefits to any third party, nor will it be deemed to confer rights or remedies upon any person or legal entity not a party to this Agreement.

20. Indemnification

IN THE EVENT HUD DETERMINES A CDBG-FUNDED CONTRACTOR HAS VIOLATED FEDERAL RULES AND REGULATIONS AND HUD REQUIRES REPAYMENT OF CDBG FUNDS, THEN CONTRACTOR SHALL REPAY ANY CDBG FUNDS WITHIN 90 DAYS OF A WRITTEN REQUEST FROM CITY.

Contractor shall indemnify, defend, and hold harmless the City, and its officers, employees, and agents ("City indemnitees"), from and against any and all causes of action, claims, liabilities, obligations, judgments, or damages, including reasonable legal counsels' fees and costs of litigation ("claims"), arising out of the Contractor's performance of its obligations under this agreement or out of the operations conducted by Contractor, including the City's active or passive negligence, except for such loss or damage arising from the sole negligence or willful misconduct of the City. In the event the City indemnitees are made a party to any action, lawsuit, or other adversarial proceeding arising from Contractor's performance of this agreement, the Contractor shall provide a defense to the City indemnitees, or at the City's option, reimburse the City indemnitees their costs of defense, including reasonable legal counsels' fees, incurred in defense of such claims.

21. Entire Agreement

This Agreement constitutes the entire agreement between CONTRACTOR and CITY with respect to the subject matter hereof and supersedes all previous negotiations, proposals, commitments, writings, advertisements, publications and understandings of any nature whatsoever unless expressly included in this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective officers thereunto duly authorized on the date first written above.

The change in homelessness from 2010 to 2016 has declined by 265 or 50.4 %. The ongoing CDBG support that has been provided by the City of Madera has helped make this happen.

If this funding request is awarded, CAPMC will assist the City of Madera in achieving the SP-45 Goal regarding Homeless Prevention as listed on page 147 of the City of Madera 2015 – 2019 Consolidated Plan.

The funding request also lines up with SP-60 Homeless Strategy as outlined on page 152 of the City of Madera 2015 – 2019 Consolidate Plan. This strategy outlines actions the City will take to address homelessness and includes a statement that the City will work with and support CAPMC. The Plan also shares that the City intends to continue supporting the Fresno Madera Continuum of Care and the Madera County Homeless Coalition.

EXISTING SERVICES: List other agencies currently addressing the need or problem described above. (Attach sheets if necessary.)

Information about agencies currently addressing the need is included in the table on the following page. The table shows the progress that has been made in building capacity to serve the homelessness since 2010.

In addition, CAPMC is a member of the Fresno-Madera Continuum of Care (FMCoC); the Community Services Program Manager serves both on the Board of Directors and the Executive Committee. The Resident Manager of the Shunammite Place serves as the alternate board member. The FMCoC is comprised of homeless service providers who meet monthly to collaborate, develop and improve on a community-wide systematic approach to addressing the needs of the homeless population. Per the Housing and Urban Development (HUD) regulations, it is required that agencies receiving homeless funding be members of a HUD recognized Continuum of Care, and the Shunammite Place is funded predominately by HUD.

Notes For The Above Table

- Three new programs opened in 2016: CAPMC Domestic Violence, Transitional Housing Program, Retrain the Village, and CAPMC Los Amigos Men's Housing Project.
- The DV Transitional Program is set up to house 4 families and as of March 15, 2017, there are 12 people in the program.
- Retrain the Village has been approved to serve 8 veterans.
- The Department of Social Services has two programs that assist with housing: The Housing Support Program and the Homeless Assistance Program. For the 2015/2016 year the Homeless Assistance Program served 39 families. As of June of 2015 there were 8 families in the Housing Support Program.
- The net increase from the prior year in the number of homeless people that can be served is 39 or a 13.5% increase in housing capacity. Part of the increase is because data for the number of families served by DSS in the past was not available.

In addition to the above, CAPMC representatives have joined a newly formed Homeless Task Force that is led by the Linda Shaw, Executive Director of the Madera Housing Authority in conjunction with Madera City Councilman Will Oliver and Councilman Charles Rigby. The group is working with representatives from several local entities to help bring more homeless services to Madera. CAPMC representatives will communicate the outcomes of the group to the Madera Homeless Coalition and the FMCoC.

Explain how your program supplements or complements existing services without duplicating them. (Attach sheets if necessary.)

The Fresno-Madera Continuum of Care (FMCoC) invites nonprofit service providers, government entities, business, and individuals to join in the efforts to end homelessness in the community by becoming a member of the FMCoC. FMCoC does not duplicate or provide direct services, but enhances and compliments all other homeless services within the FMCoC region through the ability to standardize services, provide the mandated Federal organization of service providers and the community members, and enables the region to apply for or receive \$9,190,594 annually in HUD homeless funds. Without the FMCoC, a Madera County entity would not be eligible to apply for HUD funds which provide operational and supportive services for the Shunammite Place permanent supportive housing and Serenity Village in Oakhurst.

The FMCoC is a federally mandated homeless organization that serves as the Continuum of Care for the cities of Fresno, Madera, Clovis and all municipalities within Fresno and Madera Counties. As such, FMCoC is dedicated to increasing the awareness of the problems of people who are homeless and to the development and carrying out of local strategies to create permanent solutions to homelessness in our community. In the coming fiscal year, the FMCoC will carry out its mission by promoting and implementing these strategies to end homelessness.

This grant will pay for the personnel that will assist the FMCoC with awareness activities related to homeless issues within the City of Madera.

Some of the activities that the CAPMC staff will be responsible for are:

- a. Ensure that the goals and objectives of the 10-year Plan to End Homelessness are being met and reported to the City of Madera and the Madera Homeless Coalition.
- b. Coordinate the Madera Homeless Coalition meetings.
- c. Organize and participate in activities to bring community awareness to the homeless populations and their issues.
- d. Provide outreach, education and information to the community on resources available for homeless people or those at-risk of becoming homeless; including the Annual Homeless

Awareness Day event.

- e. Seek new funding sources to serve the homeless population.
- f. Plan and coordinate the HUD mandated 2018 Homeless Point-In-Time Count

The funding of the CDBG grant is vital to the on-going support for the homeless of Madera County. Because of the funding of the CDBG grant, CAPMC has remained an active participant on the FMCoC Executive Board, by attending monthly meetings, and serving on the FMCoC service committees. CAPMC has essentially become the voice of Madera on the Continuum. The CAPMC staff then share news from the Continuum with members of the Madera County Homeless Coalition. Without participation from an entity in Madera, Madera County would not be eligible to apply for HUD funding to expand housing services to the homeless in Madera. This funding is vital part of the success of Madera County's 10 Year Plan to End Homelessness.

CLIENT POPULATION

Indicate the total number of potential clients in the community who require your services.

The results of the 2016 Homeless Point-In-Time Count indicated there are 166 unsheltered homeless living in Madera County. One hundred twenty-nine were funding living on the streets within the city limits of Madera and 37 were found living in Madera County. Of those counted, 123 or 74% were men and 43 or 26% were women. In addition, five households were identified that had at least one child. Three of these were sheltered and two were not.

State the total number of unduplicated clients you intend to serve during the term of this proposed program/service (12 months)

CAPMC does not intend to provide direct services to clients with this funding source.

If this program was funded last year, has there been a change in the composition of the target population to be served and/or shift in the geographic target area?

_____ Yes X No

If yes, explain:

Provide the following demographic information for the total number of unduplicated clients as indicated above:

AGE	0 - 5	6 - 12	13 - 17	18 - 34	35 - 54	55 - 59	60 - 64	65 +

EFFECTIVENESS AND EFFICIENCY

Describe the method used to measure the effectiveness (outcomes) of services. Identify measurable goals and objectives. Attach a copy of the program's evaluation documentation.

What National Objective does your program meet?

Although this grant application does not directly relate to the three designated National Objectives, the scope of work of a Continuum of Care Coordinator or similar position is eligible under the CDBG program as administrative cost. Please fund this application out of the administrative cost. As a reference, please see HUD Information Bulletin CPD-01-020.

Describe what measureable objectives your program meets?

1. Support activities of Madera County Homeless Coalition by coordinating and participating in Homeless Coalition meetings. The measurable performance indicator will be tracking participating in meetings.

Goal: Advocacy for Homeless				
Specific Objective	Source of Funds	Year	Performance Indicator	Expected Number
Support activities of Madera Homeless Coalition by facilitating the Madera County Homeless Coalition meetings	CDBG and other funds as available	2017/2018	Participate in meetings	4

2. CAPMC will have active membership on the Fresno-Madera Continuum of Care. Membership on the Continuum is vital because often the only representatives present at Continuum meetings from Madera are those from CAPMC. The CAPMC staff then communicates information from the Continuum to the Madera Homeless Coalition. The measureable performance indicator will be participation in meetings.

Goal: Advocacy for Homeless				
Specific Objective	Source of Funds	Year	Performance Indicator	Expected Number
CAPMC will have active membership on the Fresno-Madera Continuum of Care.	CDBG and other funds as available	2017/2018	Participate meetings	24

3. CAPMC will work with Madera Homeless Coalition to plan and facilitate a Homeless Awareness Day for Homeless people in the city of Madera.

Goal: Advocacy for Homeless				
Specific Objective	Source of Funds	Year	Performance Indicator	Expected Number

Plan and facilitate a Homeless Awareness Day for Homeless people in the city of Madera.	CDBG and other funds as available	2017/2018	Event	1

4. CAPMC will plan and coordinate the 2017 Homeless Point-In-Time Count.

Goal: Advocacy for Homeless				
Specific Objective	Source of Funds	Year	Performance Indicator	Expected Number
Plan and facilitate a Homeless Point-In-Time Count	CDBG and other funds as available	2017/2018	Event	1

How will your program meet its goals in one year?

The program will monitor and report on performance indicators on a quarterly basis to the City of Madera. CAPMC will know that it has met its goals in one year if the performance indicators listed above reach the expected numbers.

SERVICE FUNDING

What financial resources, other than City are available for this program? Have applications for other funds been submitted? Explain. If funds other than CDBG are proposed, please provide supporting documentation/letters of commitment.

The CAPMC Staff who serve on the FMCoC Board are funded out of multiple sources. The CDBG funding allows us to maximize resources to provide more comprehensive services to the homeless.

Describe in detail all proposed plans for fund raising for this program. What is the projected net income from fund raising? If net fund raising is not increasing, please explain (be specific).

Each year, CAPMC solicits in-kind donations from several sources to provide much needed assistance for homeless awareness day and the homeless point-in-time count. A dollar value has

not been assigned from the donations, but the events would not be successful without the additional support. This past year CAPMC received enough donations to prepare over 200 hygiene kits. There were also meals were donated for the homeless count. We do not have specific commitments for the 2017-2018 year, but Madera businesses are more than willing to support these types of community events.

What was done to receive public input/participation? Please provide details. What did the public input/participation identify? Include documentation of support for the proposal such as meeting minutes, letters and petitions.

CAPMC has the support of the Madera County Homeless Coalition members and the Fresno-Madera Continuum of Care members to continue facilitating and coordinating the homeless activities of the Coalition. Below is the contact information for agencies that expressed support of the CDBG application.

If service is offered outside the Madera city limits, include the list of funding sources and supporting documentation/letters of commitment that support these program services.

CAPMC does not intend to provide direct services to clients outside of the Madera City limits with this funding source.

When there is an overflow of clients, how is it determined whom to serve?

The Centralized/Standardized intake process that is utilized by the Homeless Management Information System (HMIS) and the FMCoC addresses the issue through the standardized referral and replacement of homeless into appropriate and available programs. This is one of the mandated services and homeless project implementations that HUD has required implementation by all CoC's. Further, within our FMCoC and the Madera Homeless Coalition ongoing dialogue and interagency cooperation assist in ensuring that all clients' needs are met.

Is income criteria used to establish eligibility for services?

CAPMC does not intend to provide direct services to clients with this funding source.

Notice CPD- 00-10

Issued: December 26, 2000
Expires: December 26, 2001

Subject: Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds -- Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act

I. Purpose

The purpose of this Notice is to remind recipients of Federal funds under the Community Development Block Grant (CDBG) Program of their obligation to comply with Section 504 of the Rehabilitation Act of 1973, HUD's implementing regulations (24 CFR Part 8), the Americans with Disabilities Act, (ADA) and its implementing regulations, (28 CFR Parts 35, 36), and the Architectural Barriers Act (ABA) and its implementing regulations (24 CFR Parts 40, 41) in connection with recipients' non-housing programs. This Notice describes key compliance elements for non-housing programs and facilities assisted under the CDBG programs. However, recipients should review the specific provisions of the ADA, Section 504, the ABA, and their implementing regulations in order to assure that their programs are administered in full compliance.

Applicability

This Notice applies to all non-housing programs and facilities assisted with Community Development Block Grant Funds (e.g. public facilities and public improvements, commercial buildings, office buildings, and other non-residential buildings) and facilities in which CDBG activities are undertaken (e.g., public services). A separate Notice is being issued concerning Federal accessibility requirements for housing programs assisted by recipients of CDBG and HOME program funds.

II. Section 504 of the Rehabilitation Act of 1973

Section 504 of the Rehabilitation Act of 1973, as amended, provides "No otherwise qualified individual with a disability in the United States ... shall, solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance...". HUD's regulations implementing the Section 504 requirements can be found at 24 CFR Part 8.

Distribution: W-3-1

Part 8 requires that recipients ensure that their programs are accessible to and usable by persons with disabilities. Part 8 also prohibits recipients from employment discrimination based upon disability.

The Section 504 regulations define "recipient" as any State or its political subdivision, any instrumentality of a State or its political subdivision, any public or private agency, institution organization, or other entity or any person to which Federal financial assistance is extended for any program or activity directly or through another recipient, including any successor, assignee, or transferee of a recipient, but excluding the ultimate beneficiary of the assistance. (24 CFR §8.3) For the purposes of Part 8, recipients include States and localities that are grantees and subgrantees under the CDBG program, their subrecipients, community-based development organizations, businesses, and any other entity that receives CDBG assistance, but not low and moderate income beneficiaries of the program. CDBG grantees are responsible for establishing policies and practices that they will use to monitor compliance of all covered programs, activities, or work performed by their subrecipients, contractors, subcontractors, management agents, etc.

Non-housing Programs

New Construction -- Part 8 requires that new non-housing facilities constructed by recipients of Federal financial assistance shall be designed and constructed to be readily accessible to and usable by persons with disabilities. (24 CFR §8.21(a))

Alterations to facilities -- Part 8 requires to the maximum extent feasible, that recipients make alterations to existing non-housing facilities to ensure that such facilities are readily accessible to and usable by individuals with disabilities. An element of an existing non-housing facility need not be made accessible, if doing so, would impose undue financial and administrative burdens on the operation of the recipients program or activity. (24 CFR §8.21 (b))

Existing non-housing facilities - A recipient is obligated to operate each non-housing program or activity so that, when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. (24 CFR §8.21 (c))

Recipients are not necessarily required to make each of their existing non-housing facilities accessible to and usable by persons with disabilities if when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. 24 CFR §8.21(c)(1) Recipients are also not required to take any action that they can demonstrate would result in a fundamental alteration in the nature of its program or activity or cause an undue administrative and financial burden. However, recipients are still required to take other actions that would not result in such alterations, but would nevertheless ensure that persons with disabilities receive the benefits and services of the program. (24 CFR §8.21(c)(iii))

Historic Preservation - Recipients are not required to take any actions that would result in a substantial impairment of significant historic features of an historic property, However, in such cases where a physical alteration is not required, the recipient is still obligated to use alternative means to achieve program accessibility, including using audio-visual materials and devices to depict those portions of

an historic property that cannot be made accessible, assigning persons to guide persons with disabilities into or through portions of historic properties that cannot be made accessible, or otherwise adopting other innovative methods so that individuals with disabilities can still benefit from the program. (24CFR §8.21(c)(2)(ii))

Accessibility Standards

Design, construction, or alteration of facilities in conformance with the Uniform Federal Accessibility Standards (UFAS) is deemed to comply with the accessibility requirements for nonhousing facilities. Recipients may depart from particular technical and scoping requirements of UFAS where substantially equivalent or greater accessibility and usability is provided. (24 CFR §8.32) For copies of UFAS, contact the HUD Distribution Center at 1-800-767-7468; deaf, hard of hearing, or speech-impaired persons may access this number via TTY by calling the Federal Information Relay Service at 1-800-877-8339.

Where a property is subject to more than one law or accessibility standard, it is necessary to comply with all applicable requirements. In some cases, it may be possible to do this by complying with the stricter requirement, however, it is also important to ensure that meeting the stricter requirement also meets both the scoping and technical requirements of overlapping laws or standards.

Employment

Section 504 also prohibits discrimination based upon disability in employment. See 24 CFR Part 8, Subpart B.

Section 504 Self Evaluations

The Section 504 regulations required recipients of Federal financial assistance to conduct a self-evaluation of their policies and practices to determine if they were consistent with the law's requirements. This self evaluation was to have been completed no later than July 11, 1989. Title II of the ADA imposed this requirement on all covered public entities. The ADA regulations required that ADA self evaluations be completed by January 26, 1993, although those public entities that had already performed a Section 504 self evaluation were only required to perform a self-evaluation on those policies and practices that had not been included in the Section 504 review.

The regulatory deadlines are long past. However, self-evaluation continues to be an excellent management tool for ensuring that a recipient's current policies and procedures comply with the requirements of Section 504 and the ADA.

Involving persons with disabilities in the self-evaluation process is very beneficial. This will assure the most meaningful result for both the recipient and for persons with disabilities who participate in the recipient's programs and activities. It is important to involve persons and/or organizations representing persons with disabilities, and agencies or other experts who work regularly with accessibility standards.

Important steps in conducting a self-evaluation and implementing its results include the following:

- Evaluate current policies and practices and analyze them to determine if they adversely affect the full participation of individuals with disabilities in its programs, activities and services. Be mindful of the fact that a policy or practice may appear neutral on its face, but may have a discriminatory effect on individuals with disabilities.
- Modify any policies and practices that are not or may not be in compliance with Section 504 or Title II and Title III of the ADA regulations. (See 24 CFR Part 8 and 28 CFR Parts 35, 36.)
- Take appropriate corrective steps to remedy those policies and practices which either are discriminatory or have a discriminatory effect. Develop policies and procedures by which persons with disabilities may request a modification of a physical barrier or a rule or practice that has the effect of limiting or excluding a person with a disability from the benefits of the program.
- Document the self-evaluation process and activities. The Department recommends that all recipients keep the self-evaluation on file for at least three years, including records of the individuals and organizations consulted, areas examined and problems identified, and document modifications and remedial steps, as an aid to meeting the requirement at 24 CFR Part 8.55.

The Department also recommends that recipients periodically update the self-evaluation, particularly, for example, if there have been changes in the programs and services of the agency. In addition, public entities covered by Title II of the ADA should review any policies and practices that were not included in their Section 504 self-evaluation and should modify discriminatory policies and practices accordingly.

III. The Americans With Disabilities Act of 1990

The Americans With Disabilities Act of 1990 (ADA) guarantees equal opportunities for persons with disabilities in employment, public accommodations, transportation, State and local government services, and telecommunications. Unlike Section 504 which applies only to programs and activities receiving Federal financial assistance, the ADA applies even if no Federal financial assistance is given.

The U.S. Department of Justice enforces Titles I, II, and III of the ADA, although the Equal Employment Opportunity Commission investigates administrative complaints involving Title I.

Title I prohibits discrimination in employment based upon disability. The regulations implementing Title I are found at 29 CFR Part 1630. The Equal Employment Opportunity Commission (EEOC) offers technical assistance on the ADA provisions applying to employment.

These can be obtained at the EEOC web site www.eeoc.gov, or by calling 800-669-3362 (voice) and 800-800-3302 (TTY).

Title II prohibits discrimination based on disability by State and local governments. Title II essentially extended the Section 504 requirements to services, programs, and activities provided by States, local governments and other entities that do not receive Federal financial assistance from HUD or another Federal agency. CDBG grantees are covered by both Title II and Section 504. The Department of Justice Title II regulations are found at 28 CFR Part 35.

Title II also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. (28 CFR §35.151 (a) & (b)) Facilities constructed or altered in conformance with either UFAS or the ADA Accessibility Guidelines for Buildings and Facilities (ADAAG) (Appendix A to 28 CFR Part 36) shall be deemed to comply with the Title II Accessibility requirements, except that the elevator exemption contained at section 4.1.3(5) and section 4.1.6(1)(j) of ADAAG shall not apply. (28CFR §35.151(c))

Title II specifically requires that all newly constructed or altered streets, roads, and highways and pedestrian walkways must contain curb ramps or other sloped areas at any intersection having curbs or other barriers to entry from a street level or pedestrian walkway and that all newly constructed or altered street level pedestrian walkways must have curb ramps at intersections. Newly constructed or altered street level pedestrian walkways must contain curb ramps or other sloped areas at intersections to streets, roads, or highways. (28CFR §35.151(e))

The Title II regulations required that by January 26, 1993, public entities (State or local governments) conduct a self-evaluation to review their current policies and practices to identify and correct any requirements that were not consistent with the regulation. Public entities that employed more than 50 persons were required to maintain their self-evaluations on file and make it available for three years. If a public entity had already completed a self-evaluation under Section 504 of the Rehabilitation Act, then the ADA only required it to do a self-evaluation of those policies and practices that were not included in the previous self-evaluation. (28 CFR §35.105)

The Department of Justice offers technical assistance on Title II through its web page at www.usdoj.gov/crt/ada/taprog.htm, and through its ADA Information Line, at **202 514-0301 (voice and 202-514-0383 (TTY))**. The Department of Justice's technical assistance materials include among others, the Title II Technical Assistance Manual with Yearly Supplements, the ADA guide for Small Towns, and an ADA Guide entitled The ADA and City Governments: Common Problems.

Title III prohibits discrimination based upon disability in places of public accommodation (businesses and non-profit agencies that serve the public) and “commercial” facilities (other businesses). It applies regardless of whether the public accommodation or commercial facility is operated by a private or public entity, or by a for profit or not for profit business. The Department of Justice Title III regulations are found at 28 CFR Part 36. The Department of Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

IV. The Architectural Barriers Act of 1968

The Architectural Barriers Act of 1968 (ABA) (42 U.S.C. 4151-4157) requires that certain buildings financed with Federal funds must be designed, constructed, or altered in accordance with standards that ensure accessibility for persons with physical disabilities. The ABA covers any building or facility financed in whole or in part with Federal funds, except privately-owned residential structures. Covered buildings and facilities designed, constructed, or altered with CDBG funds are subject to the ABA and must comply with the Uniform Federal Accessibility Standards (UFAS). (24 CFR 570.614) In practice, buildings built to meet the requirements of Section 504 and the ADA, will conform to the requirements of the ABA.

V. HUD Resources Available Concerning Section 504

Further information concerning compliance with Section 504 may be obtained through the HUD web page (<http://www.hud.gov/fhe/504/sect504.html>). Additional assistance and information may be obtained by contacting the local Department of Housing and Urban Development Office of Fair Housing and Equal Opportunity field office. MADERA COUNTY WORKFORCE INVESTMENT CORPORATION
SCHOLARSHIPS FOR ADULT LEARNING AND TRAINING
AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

This Agreement is entered into, effective on the date of July 1, 2017.

PARTIES:

The City of Madera, hereafter referred to as "CITY", and Madera County Workforce Investment Corporation, hereafter referred to as the "CONTRACTOR."

RECITALS:

WHEREAS, the CITY has been designated as the sponsoring agency to administer and implement the program for the Community Development Block Grant (CDBG) activities of the CITY, and in accordance with the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and the laws of the State of California; and

WHEREAS, the Madera City Council has determined that a Public Service activity to provide unemployed persons with access to Vocational Training/Certification Programs and to provide educational tools and resources to develop skills and thereby increase the ability to successfully locate, obtain and retain employment is eligible for funding under 24 CFR Part 570.201(c); and

WHEREAS, the CONTRACTOR is dedicated to establishing a partnership with the community to be progressive in nurturing a sense of community and contributing to community wellness; and

WHEREAS, the CONTRACTOR has submitted a project plan and budget to promote economic development, anti-poverty and self-sufficiency consistent with the intent and purpose of the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and which has been approved by the CITY Council.

NOW THEREFORE, the parties hereto agree as follows:

1. Services

The CONTRACTOR shall provide all services and responsibilities as set forth in the project design, which is attached to this Agreement, marked as Exhibit "A," and incorporated herein by reference.

2. Funding and Method of Payment

a. Compensation

Payments shall be made after receipt and verification of actual expenditures incurred by the CONTRACTOR in the performance of this Agreement and shall be documented to the CITY by the fifteenth (15th) day of the month following the end of the quarter. Allowable expenditures under this Agreement are specifically established and attached hereto marked Exhibit "B," and incorporated herein by reference. The total obligation of the CITY under this Agreement shall not exceed \$7,945.00 in fiscal year 2017-2018. Any compensation not consumed by expenditures of the CONTRACTOR by the expiration of this Agreement shall automatically revert to the CITY.

b. Public Information

The CONTRACTOR shall disclose in all public information its funding source.

c. Lobbying Activity

The CONTRACTOR shall not directly or indirectly use any of the funds provided under this Agreement for publicity, lobbying, or propaganda purposes designed to support or defeat legislation pending before the Congress of the United States or the Legislature of the State of California.

d. Political Activity

The CONTRACTOR shall not directly or indirectly use any of the funds under this Agreement for any political activity or to further the election or defeat of any candidate for public office.

3. Fiscal Compliance

The CONTRACTOR shall be subject to the same fiscal regulations imposed on CITY by the U.S. Department of Housing and Urban Development for the use of Community Development Block Grant funds.

Program Income

CONTRACTOR shall report quarterly all program income as required under 24 CFR 570.503(b)(3) generated by activities carried out with CDBG funds made available under this contract. The use of program income by the CONTRACTOR shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the CONTRACTOR may use such income during the contract period for activities permitted under this contract and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unexpended program income shall be returned to CITY at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to CITY.

4. Compliance With Laws

If the CONTRACTOR receives CDBG funding under this Agreement, CONTRACTOR shall comply with all rules and regulations established pursuant to the Housing and Community Development Act of 1974 and its amendments and Uniform Administrative Requirements under 24 CFR 570.503(b)(4). The CONTRACTOR and any subcontractors shall comply with all applicable local, State and Federal regulations, including but not limited to those requirements listed in Exhibit "C" attached hereto and incorporated herein by reference.

Administrative Requirements/Financial Management/Accounting Standards

CONTRACTOR agrees to comply with 24 CFR 84.21-28 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

Costs Principles

CONTRACTOR shall administer its program in conformance with OMB Circulars A-122, "Cost Principles for Non-Profit Organizations," or A-21, "Cost Principles for Educational Institutions," as applicable. These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.

5. Contract Administrator

CITY shall retain the right to administer this Agreement so as to verify that CONTRACTOR is performing its obligations in accordance with the terms and conditions thereof. CONTRACTOR and CITY shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over matters the subject thereof.

6. Period of Performance

The CONTRACTOR shall commence performance under this contract July 1, 2017, and shall end its performance June 30, 2018, unless terminated sooner as provided for elsewhere in this Agreement. Agreement may be extended upon written approval of the CITY.

7. Records

a. Record Establishment and Maintenance

CONTRACTOR shall establish and maintain records in accordance with those requirements prescribed by CITY, with respect to all matters covered by this Agreement. CONTRACTOR shall retain all fiscal books, account records, and client files for services performed under this Agreement for at least three (3) years from the date of the final payment under this Agreement or until all State and Federal audits are completed for that fiscal year, whichever is later. Pursuant to State and Federal law, it is the intent of the parties to this Agreement that the CONTRACTOR shall be reimbursed for actual costs incurred in the performance of this Agreement but that no profit is to accrue to the CONTRACTOR on account of such performance.

CONTRACTOR shall maintain all records required by the Federal regulations specified in 24 CFR 570.506, that are pertinent to the activities to be funded under this Agreement. Such records shall include but not be limited to:

1. Records providing a full description of each activity undertaken;
2. Records demonstrating that each activity undertaken meets one of the National Objectives of the CDBG program;
3. Records required to determine the eligibility of activities;
4. Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with CDBG assistance;
5. Records documenting compliance with the fair housing and equal opportunity components of the CDBG program;
6. Financial records as required by 24 CFR 570.502, and 24 CFR 84.21-28; and
7. Other records necessary to document compliance with 24 CFR 570.503(b)(5).

b. Reports/Required Notifications

The CONTRACTOR shall submit reimbursement claims with substantiating invoices and time cards signed by both the employee and applicable Department Head/Authorizing Official. Reports shall consist of the Quarterly Reporting Form. This form is contained in Exhibit "A-1" attached hereto and incorporated herein by reference.

The CONTRACTOR shall also furnish to the CITY such statements, records, reports, data, and information as the CITY may request pertaining to matters covered by this Agreement. In the event that the CONTRACTOR fails to provide such reports, it shall be deemed sufficient cause for the CITY to withhold payments until there is compliance. In addition, the CONTRACTOR shall provide written notification and explanation to the CITY within five (5) days of any funds received from another source to conduct the same services covered by this Agreement.

CITY shall notify CONTRACTOR in writing within thirty (30) days of any potential State or Federal exception discovered during an examination. Where findings indicate that program requirements are not being met and State and Federal participation in this program may be imperiled in the event that corrections are not accomplished by CONTRACTOR within thirty (30) days, written notification shall constitute CITY's intent to terminate this Agreement.

CONTRACTOR shall report to CITY promptly and in written detail, each notice of claim of copyright infringement received by CONTRACTOR with respect to all subject data delivered under this Agreement. CONTRACTOR shall not affix any restrictive markings upon any data. If markings are affixed, CITY shall have the right at any time to modify, remove, obliterate, or ignore such markings.

c. CDBG Reporting Requirements

The CITY will inform CONTRACTOR in writing if CDBG funds are provided under this Agreement, which require CONTRACTOR to submit an application or to complete a record as an integral part of receiving these funds.

CONTRACTOR shall submit with each quarterly invoice copies of paid invoices/receipts, copies of cash receipts or checks used to pay each invoice submitted, copies of time cards and related pay stubs for reimbursement.

8. Assignment

CITY and CONTRACTOR may not assign, or transfer their obligation of this Agreement or any rights hereunder without the prior written consent of the other party.

9. Subcontracts

If the CONTRACTOR should propose to subcontract with one or more third parties to carry out a portion of those services described in Exhibit "A" insofar as it deems proper or efficient, any such subcontract shall be in writing and approved as to form and content by the CITY prior to execution and implementation. Any such subcontract, together with all other activities performed, or caused by the

CONTRACTOR, shall not allow compensation greater than the total project budget contained in Exhibit "B." An executed copy of any such subcontract shall be received by the CITY before any implementation and shall be retained by the CITY.

The CONTRACTOR shall be responsible to the CITY for the proper performance of any subcontract. Any subcontractor shall be subject to all of the same terms and conditions that the CONTRACTOR is subject to under this Agreement. No officer or director of the CONTRACTOR shall have any direct monetary interest in any subcontract made by the CONTRACTOR. A direct monetary interest contrary to this paragraph shall be deemed to exist, if an officer or director of the CONTRACTOR is also an owner, officer, or director of a corporation, association, or partnership subcontracting with the CONTRACTOR.

In addition, if the CONTRACTOR receives CDBG funds under this Agreement, the subcontractor shall be subject to CDBG federal regulations, including those listed in Exhibit "C."

10. Conflict of Interest

No officer, employee, or agent of the CITY who exercises any function or responsibility for planning and carrying out of the services provided under this Agreement shall have any direct or indirect personal financial interest in this Agreement. The CONTRACTOR shall comply with all Federal, State and local conflict of interest laws, statutes, and regulations, which shall be applicable to all parties and beneficiaries under this Agreement and any officer, employee, or agent of the CITY.

11. Discrimination

a. Eligibility for Services

The CONTRACTOR shall prepare and make available to the CITY and to the public all eligibility requirements to participate in the program plan set forth in Exhibit "A." No person shall, on the grounds of race, color, national origin, sex, religion, age, or disability status, be excluded from participation in, and denied the benefits of, or be subjected to discrimination with respect to the services funded under this Agreement.

The CONTRACTOR's services shall be accessible to the physically disabled, and the services of a translator, signer or assistive listening device shall be made available. CONTRACTOR, in its marketing materials, shall specify assistance to access its services is available for deaf and hard-of-hearing persons by calling 711 or 1-800-735-2929 and, for voice users, 1-866-735-2922 for TTY Relay Services. CONTRACTOR shall comply with requirements set forth in Exhibit D, Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds – Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act.

b. Employment Opportunity

The CONTRACTOR shall comply with the CITY policy, the Community Development Block Grant regulations, and the Equal Employment Commission guidelines, which forbids discrimination against any person on the grounds of race, color, national origin, sex, religion, age, familial status or disability status in employment practices. Such practices include retirement, recruitment advertising, hiring, layoff, termination,

upgrading, demotion, transfer, rates of pay or other forms of compensation, use of facilities, and other terms and conditions of employment.

c. Suspension of Compensation

If an allegation of discrimination occurs, the CITY shall withhold all further funds until the CONTRACTOR can show by clear and convincing evidence to the satisfaction of the CITY that funds provided under this Agreement were not used in connection with the alleged discrimination.

d. Nepotism

Except by written consent of the CITY, no person shall be employed by the CONTRACTOR who is related by blood or marriage or who is a member of the Board of Directors or an officer of the CONTRACTOR. In the event HUD determines a CDBG-funded CONTRACTOR'S organization/agency operations violate federal rules and regulations with regard to nepotism and/or conducts business and a conflict of interest issue arises, then CONTRACTOR shall accept all responsibility to return any CDBG funds received from CITY.

12. Termination

a. This Agreement may be immediately terminated by CITY for cause where in the determination of CITY, any of the following conditions exist: (1) an illegal or improper use of funds, (2) failure to comply with any terms of this Agreement, (3) a materially incorrect or incomplete report, (4) an improper performance of services.

b. Any one of or combination of the above conditions will constitute grounds for suspension or termination of the Agreement. In no event shall any payment by the CITY hereunder constitute a waiver by the CITY of any breach of this Agreement or any default which may then exist on the part of the CONTRACTOR, nor shall such payment impair or prejudice any remedy available to the CITY with respect to the breach of default. When there is a breach of this Agreement, as defined by this section, the CITY may, in its sole discretion, immediately suspend or terminate this Agreement.

c. CITY shall have the option to terminate this Agreement without obligation of CITY to reimburse CONTRACTOR from the date the Federal or State Government withholds or fails to disburse funds to CITY, in the event such government withholds or fails to disburse funds, CITY shall give CONTRACTOR notice of such funding limitation or termination within a reasonable time after CITY receives notices of same.

d. Upon thirty (30) days written notice to the other party, either party may terminate this Agreement without cause. Notice shall be deemed served upon mailing.

13. Amendments

Adjustment of any line item within the total approved budget contained in Exhibit "B" or changes in the nature or scope of the program plan set forth in Exhibit "A" may be approved in writing by the City Administrator, or his designee.

14. Administration

The City of Madera Grants Administration Department shall administer this Agreement.

15. Evaluation

The CITY shall monitor and evaluate the performance of the CONTRACTOR under this Agreement to determine to the best possible degree the success or failure of the services provided under this Agreement and the adequacy of the program plan contained in Exhibit "A." The CONTRACTOR shall participate in evaluation of the program.

CONTRACTOR shall cooperate fully with CITY, State and Federal agencies, which shall have the right to monitor and audit all work performed under this Agreement.

CONTRACTOR shall also agree to on-site monitoring and personal interviews of participants, CONTRACTOR's staff, and employees by appropriate CITY staff on at least a quarterly basis.

16. Governing Law

Any controversy or claim arising out of or relating to this Agreement which cannot be amicably settled without court action shall be litigated only in Madera, California. The rights and obligations of the parties and all interpretations and performance of this Agreement shall be governed in all respects by the laws of the State of California.

17. Reversion of Assets

The CONTRACTOR must obtain prior written approval from the CITY whenever there is any modification or change in the use of any property acquired or improved, in whole or in part, using CDBG funds. If any real or personal property acquired or improved with CDBG funds is sold and/or is utilized by the CONTRACTOR for a use which does not qualify under the CDBG program, the CONTRACTOR shall reimburse the CITY in an amount equal to the current fair market value of the property, less any portion thereof attributable to expenditures of non-CDBG funds. These requirements shall continue in effect for the life of the property. In the event the CDBG program is closed-out, the requirements of this Section shall remain in effect for activities or property funded with CDBG funds, unless action is taken by the Federal government to relieve the CITY of these obligations.

18. Breach of Agreement

In the event the CONTRACTOR fails to comply with any of the terms of this Agreement, the CITY may, at its option, deem the CONTRACTOR's failure as a material breach of this Agreement and utilize any of the remedies set forth in 24 CFR 85.43 or that it deems appropriate. Should the CITY deem a breach of this Agreement material, the CITY shall immediately be relieved of its obligations to make further payment as provided herein. In addition to the Agreement being terminated by the CITY in accord with a material breach of this Agreement by the CONTRACTOR, this Agreement may also be terminated for convenience by the CITY in accord with 24 CFR 85.44.

19. No Third Party Beneficiaries

This Agreement is not intended to create and does not create any rights in or benefits to any third party, nor will it be deemed to confer rights or remedies upon any person or legal entity not a party to this Agreement.

20. Indemnification

In the event HUD determines a CDBG-funded CONTRACTOR has violated federal rules and regulations and HUD requires repayment of CDBG funds, then CONTRACTOR shall repay any CDBG funds within 90 days of a written request from CITY.

Contractor shall indemnify, defend, and hold harmless the City, and its officers, employees, and agents ("City indemnitees"), from and against any and all causes of action, claims, liabilities, obligations, judgments, or damages, including reasonable legal counsels' fees and costs of litigation ("claims"), arising out of the Contractor's performance of its obligations under this agreement or out of the operations conducted by Contractor, including the City's active or passive negligence, except for such loss or damage arising from the sole negligence or willful misconduct of the City. In the event the City indemnitees are made a party to any action, lawsuit, or other adversarial proceeding arising from Contractor's performance of this agreement, the Contractor shall provide a defense to the City indemnitees, or at the City's option, reimburse the City indemnitees their costs of defense, including reasonable legal counsels' fees, incurred in defense of such claims.

21. Entire Agreement

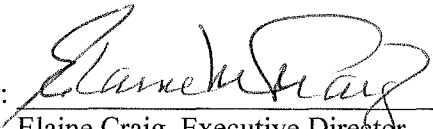

This Agreement constitutes the entire agreement between CONTRACTOR and CITY with respect to the subject matter hereof and supersedes all previous negotiations, proposals, commitments, writings, advertisements, publications and understandings of any nature whatsoever unless expressly included in this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective officers thereunto duly authorized on the date first written above.

SUMMARY OF COMMUNITY NEED OR PROBLEM TO BE ADDRESSED: (Describe the community need or problem to be addressed by the proposed program. State how and by whom the need was identified. All research documentation must be acknowledged.)

U.S. Census data from 2014 indicates that 27.6% of the population of the City of Madera live in households below the poverty level. In addition, the unemployment rate for the City of Madera, as published by the State of California Employment Development Department for the month of January 2017 was 8.6%, compared to the County of Madera at 10.0%, the State at 5.1% and the Nation at 4.8%. The unemployment rate for the City of Madera, however, does not reflect the statistic of "Not in Labor Force" which is 50.3% of those 16 years and over. Approximately one half of the unemployed individuals who reside in Madera County live within the City of Madera. More than half of the population is Hispanic or Latino with 69% speaking a language other than English at home. Compounding these issues of poverty and unemployment is the fact that 41.8% of those 25 and older have less than a High School diploma or equivalent, while less than 6.7% hold a Bachelor's degree and 6.9% have an Associate's Degree. The high percentage of individuals who are limited English proficient (LEP) along with the low attainment of a high school diploma/equivalent create barriers to employment that prevent these individuals from advancing in the workforce system. Many often cycle through low wage, dead end jobs and lack the education, skills, and financial support needed to move into self-sustaining wages.

To assist in addressing this need, the Madera County Workforce Investment Corporation is proposing a program offering scholarships or sponsorships for educational services including

S:\MCWIC Grants and Contracts\CDBG\CDBG 2017-2018\2017 2018 CDBG Application Final.doc

GED/HISET and High School Diploma Credit Recovery and Adult Basic Education skills. We will also explore a contextualized Vocational English as a Second Language (VESL) component focused on customer service and/or workplace skills either within the HiSET or as a stand-alone class. The VESL courses would make the pathway from basic skills to academic or certificate programs more efficient. This class would create a bridge for ESL students to enter any field and ensure that they are prepared for the workplace. In addition, eligible participants will receive intensive career counseling and coaching for career pathway choices and options with training that allows maximum opportunity for stackable and portable certificates and credentials.

EXISTING SERVICES: List other agencies currently addressing the need or problem described above. (Attach sheets if necessary.)

The Madera Adult School offers courses and programs in the areas of High School Equivalency (HSE) (including GED and HiSET), English as a Second Language (ESL), Adult Basic Education (ABE), High School Diploma, and Community Education. However, with limited to no financial aid assistance, these courses and programs may not be accessible to low income or underemployed students who do not have the funds and support available to participate in these programs and pass the exams.

Explain how your program supplements or complements existing services without duplicating them. (Attach sheets if necessary.)

As noted above, many individuals who are seeking employment are in need of a high school diploma or equivalent, post-secondary education or technical occupational skills training, licensing, or certification. However, due to state laws and regulations such as SB734, workforce areas are unable to utilize formula funds to spend on non-training related services such as the educational services mentioned above. Currently, we offer the flexibility of an open entry open exit HiSET program that is offered during both afternoons and evenings to allow individuals to enter the class and attend when their schedules permit. We have provided an instructor and clerical support to customize the delivery model for this class to ensure that these customers receive additional support and assistance. This proposed funding will continue to support GED/HiSET and High School Diploma Credit Recovery, as well as Adult Basic Education, and exploration of additional ESL or VESL components to be offered within these services or as a stand-alone. Funds will also be used for supportive services, such as mileage, books, testing fees, etc. that increase successful completion of class for eligible individuals and will complement other resources and services available through other community agencies, without duplication of those services. Up skilling participant's ability to successfully access workforce training opportunities will allow them to locate, obtain, and retain employment in positions that will move them along the path to economic self-sufficiency.

CLIENT POPULATION

Indicate the total number of potential clients in the community who require your services.

Approximately 14,000.

State the total number of unduplicated clients you intend to serve during the term of this proposed program/service (12 months)

50

If this program was funded last year, has there been a change in the composition of the target population to be served and/or shift in the geographic target area?

☒ Yes

☐ No

If yes, explain:

Although there has not been a change in the composition of the target population or in the geographic target area, there has been a shift in the service model. Last year, funding provided assistance for educational services, vocational training and certification programs, and work-based learning opportunities such as paid internships, work experience, job shadowing, and related supportive services for low-income adult residents. This year, funding targets low-income and underemployed adult residents to provide scholarships for non-training related educational services; specific to GED/HiSET and High School Diploma Credit Recovery, Adult Basic Education skills and ESL. There is a bigger need for these fundamental skills, which are necessary to successfully gain access to Workforce services that will lead to training and career pathway choices for stackable and portable certificates and credentials.

Provide the following demographic information for the total number of unduplicated clients as indicated above:

EFFECTIVENESS AND EFFICIENCY

Describe the method used to measure the effectiveness (outcomes) of services. Identify measurable goals and objectives. Attach a copy of the program's evaluation documentation.

The program services will be evaluated using the same outcome metrics as other Workforce Innovation and Opportunity Act (WIOA) funded programs. Performance measurements will include the total number of individuals served, the number of individuals receiving a certificate/credential, and the number who enter employment, or post-secondary education/training following completion of their program.

What National Objective does your program meet?

#1 – Activities Benefiting Lower Income Persons/Households

Describe what measureable objectives your program meets?

Increasing certificate, credential, and employment outcomes for the target population.

How will your program meet its goals in one year?

Courses offered will be open entry/open exit and will be provided in the afternoons and evenings. Funding will also be utilized to purchase work-study materials and assist with exam fees and retakes, which will be completed within the 12 month operating period.

SERVICE FUNDING

What financial resources, other than City are available for this program? Have applications for other funds been submitted? Explain. If funds other than CDBG are proposed, please provide supporting documentation/letters of commitment.

Local Workforce Innovation and Opportunity Act (WIOA) funding (both allocated and grants), as well as CalWORKS and Department of Rehabilitation funds may be accessed/leveraged, based on the eligibility of the individuals served. Staff time and operating costs associated with providing services under this grant will be provided by funds other than CDBG.

Describe in detail all proposed plans for fund raising for this program. What is the projected net income from fund raising? If net fund raising is not increasing, please explain (be specific).

No fundraising is planned or anticipated.

What was done to receive public input/participation? Please provide details. What did the public input/participation identify? Include documentation of support for the proposal such as meeting minutes, letters and petitions.

The Annual Local Strategic Plan has a public comment period and is available for review and comment. The public has an opportunity to provide feedback and input at any time during their participation with our program. In addition, monthly meetings of the Workforce Development Board and their Executive Committee include public comment opportunities.

If service is offered outside the Madera city limits, include the list of funding sources and supporting documentation/letters of commitment that support these program services.

Services will be provided to residents of the incorporated City of Madera.

When there is an overflow of clients, how is it determined whom to serve?

Priority of services shall be given to recipients of public assistance and other low income individuals and Veterans who reside within the City of Madera. Individuals who reside outside the City limits, but within Madera County will only be served after the priority individuals listed above. Overflow customers will be offered the opportunity to access other training opportunities should funding be available. Basic Career Services is available to all customers who access the Job Center, such as: Resource Room, Resume, Job Search, Use of Computers, Fax and Phone, Registration in CalJobs and other job boards.

Is income criteria used to establish eligibility for services?

☒ Yes ☐ No (If yes, attach a copy of the criteria.)

Is a fee schedule used?

☐ Yes ☒ No (If yes, attach a copy of fee schedule.)

Notice CPD- 00-10

Issued: December 26, 2000

Expires: December 26, 2001

Subject: Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds -- Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act

I. Purpose

The purpose of this Notice is to remind recipients of Federal funds under the Community Development Block Grant (CDBG) Program of their obligation to comply with Section 504 of the Rehabilitation Act of 1973, HUD's implementing regulations (24 CFR Part 8), the Americans with Disabilities Act, (ADA) and its implementing regulations, (28 CFR Parts 35, 36), and the Architectural Barriers Act (ABA) and its implementing regulations (24 CFR Parts 40, 41) in connection with recipients' non-housing programs. This Notice describes key compliance elements for non-housing programs and facilities assisted under the CDBG programs. However, recipients should review the specific provisions of the ADA, Section 504, the ABA, and their implementing regulations in order to assure that their programs are administered in full compliance.

Applicability

This Notice applies to all non-housing programs and facilities assisted with Community Development Block Grant Funds (e.g. public facilities and public improvements, commercial buildings, office buildings, and other non-residential buildings) and facilities in which CDBG activities are undertaken (e.g., public services). A separate Notice is being issued concerning Federal accessibility requirements for housing programs assisted by recipients of CDBG and HOME program funds.

II. Section 504 of the Rehabilitation Act of 1973

Section 504 of the Rehabilitation Act of 1973, as amended, provides "No otherwise qualified individual with a disability in the United States ... shall, solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance...". HUD's regulations implementing the Section 504 requirements can be found at 24 CFR Part 8.

Distribution: W-3-1

Part 8 requires that recipients ensure that their programs are accessible to and usable by persons with disabilities. Part 8 also prohibits recipients from employment discrimination based upon disability.

The Section 504 regulations define "recipient" as any State or its political subdivision, any instrumentality of a State or its political subdivision, any public or private agency, institution organization, or other entity or any person to which Federal financial assistance is extended for any program or activity directly or through another recipient, including any successor, assignee, or transferee of a recipient, but excluding the ultimate beneficiary of the assistance. (24 CFR §8.3) For the purposes of Part 8, recipients include States and localities that are grantees and subgrantees under the CDBG program, their subrecipients, community-based development organizations, businesses, and any other entity that receives CDBG assistance, but not low and moderate income beneficiaries of the program. CDBG grantees are responsible for establishing policies and practices that they will use to monitor compliance of all covered programs, activities, or work performed by their subrecipients, contractors, subcontractors, management agents, etc.

Non-housing Programs

New Construction -- Part 8 requires that new non-housing facilities constructed by recipients of Federal financial assistance shall be designed and constructed to be readily accessible to and usable by persons with disabilities. (24 CFR §8.21(a))

Alterations to facilities -- Part 8 requires to the maximum extent feasible, that recipients make alterations to existing non-housing facilities to ensure that such facilities are readily accessible to and usable by individuals with disabilities. An element of an existing non-housing facility need not be made accessible, if doing so, would impose undue financial and administrative burdens on the operation of the recipients program or activity. (24 CFR §8.21 (b))

Existing non-housing facilities - A recipient is obligated to operate each non-housing program or activity so that, when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. (24 CFR §8.21 (c))

Recipients are not necessarily required to make each of their existing non-housing facilities accessible to and usable by persons with disabilities if when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. 24 CFR §8.21(c)(1) Recipients are also not required to take any action that they can demonstrate would result in a fundamental alteration in the nature of its program or activity or cause an undue administrative and financial burden. However, recipients are still required to take other actions that would not result in such alterations, but would nevertheless ensure that persons with disabilities receive the benefits and services of the program. (24 CFR §8.21(c)(iii))

Historic Preservation - Recipients are not required to take any actions that would result in a substantial impairment of significant historic features of an historic property, However, in such cases where a physical alteration is not required, the recipient is still obligated to use alternative means to achieve program accessibility, including using audio-visual materials and devices to depict those portions of

an historic property that cannot be made accessible, assigning persons to guide persons with disabilities into or through portions of historic properties that cannot be made accessible, or otherwise adopting other innovative methods so that individuals with disabilities can still benefit from the program. (24CFR §8.21(c)(2)(ii))

Accessibility Standards

Design, construction, or alteration of facilities in conformance with the Uniform Federal Accessibility Standards (UFAS) is deemed to comply with the accessibility requirements for nonhousing facilities.

Recipients may depart from particular technical and scoping requirements of UFAS where substantially equivalent or greater accessibility and usability is provided. (24 CFR §8.32) For copies of UFAS, contact the HUD Distribution Center at 1-800-767-7468; deaf, hard of hearing, or speech-impaired persons may access this number via TTY by calling the Federal Information Relay Service at 1-800-877-8339.

Where a property is subject to more than one law or accessibility standard, it is necessary to comply with all applicable requirements. In some cases, it may be possible to do this by complying with the stricter requirement, however, it is also important to ensure that meeting the stricter requirement also meets both the scoping and technical requirements of overlapping laws or standards.

Employment

Section 504 also prohibits discrimination based upon disability in employment. See 24 CFR Part 8, Subpart B.

Section 504 Self Evaluations

The Section 504 regulations required recipients of Federal financial assistance to conduct a self-evaluation of their policies and practices to determine if they were consistent with the law's requirements. This self evaluation was to have been completed no later than July 11, 1989. Title II of the ADA imposed this requirement on all covered public entities. The ADA regulations required that ADA self evaluations be completed by January 26, 1993, although those public entities that had already performed a Section 504 self evaluation were only required to perform a self-evaluation on those policies and practices that had not been included in the Section 504 review.

The regulatory deadlines are long past. However, self-evaluation continues to be an excellent management tool for ensuring that a recipient's current policies and procedures comply with the requirements of Section 504 and the ADA.

Involving persons with disabilities in the self-evaluation process is very beneficial. This will assure the most meaningful result for both the recipient and for persons with disabilities who participate in the recipient's programs and activities. It is important to involve persons and/or organizations representing persons with disabilities, and agencies or other experts who work regularly with accessibility standards.

Important steps in conducting a self-evaluation and implementing its results include the following:

- Evaluate current policies and practices and analyze them to determine if they adversely affect the full participation of individuals with disabilities in its programs, activities and services. Be mindful of the fact that a policy or practice may appear neutral on its face, but may have a discriminatory effect on individuals with disabilities.
- Modify any policies and practices that are not or may not be in compliance with Section 504 or Title II and Title III of the ADA regulations. (See 24 CFR Part 8 and 28 CFR Parts 35, 36.)
- Take appropriate corrective steps to remedy those policies and practices which either are discriminatory or have a discriminatory effect. Develop policies and procedures by which persons with disabilities may request a modification of a physical barrier or a rule or practice that has the effect of limiting or excluding a person with a disability from the benefits of the program.
- Document the self-evaluation process and activities. The Department recommends that all recipients keep the self-evaluation on file for at least three years, including records of the individuals and organizations consulted, areas examined and problems identified, and document modifications and remedial steps, as an aid to meeting the requirement at 24 CFR Part 8.55.

The Department also recommends that recipients periodically update the self-evaluation, particularly, for example, if there have been changes in the programs and services of the agency. In addition, public entities covered by Title II of the ADA should review any policies and practices that were not included in their Section 504 self-evaluation and should modify discriminatory policies and practices accordingly.

III. The Americans With Disabilities Act of 1990

The Americans With Disabilities Act of 1990 (ADA) guarantees equal opportunities for persons with disabilities in employment, public accommodations, transportation, State and local government services, and telecommunications. Unlike Section 504 which applies only to programs and activities receiving Federal financial assistance, the ADA applies even if no Federal financial assistance is given.

The U.S. Department of Justice enforces Titles I, II, and III of the ADA, although the Equal Employment Opportunity Commission investigates administrative complaints involving Title I.

Title I prohibits discrimination in employment based upon disability. The regulations implementing Title I are found at 29 CFR Part 1630. The Equal Employment Opportunity Commission (EEOC) offers technical assistance on the ADA provisions applying to employment.

These can be obtained at the EEOC web site www.eeoc.gov, or by calling 800-669-3362 (voice) and 800-800-3302 (TTY).

Title II prohibits discrimination based on disability by State and local governments. Title II essentially extended the Section 504 requirements to services, programs, and activities provided by States, local governments and other entities that do not receive Federal financial assistance from HUD or another Federal agency. CDBG grantees are covered by both Title II and Section 504. The Department of Justice Title II regulations are found at 28 CFR Part 35.

Title II also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. (28 CFR §35.151 (a) & (b)) Facilities constructed or altered in conformance with either UFAS or the ADA Accessibility Guidelines for Buildings and Facilities (ADAAG) (Appendix A to 28 CFR Part 36) shall be deemed to comply with the Title II Accessibility requirements, except that the elevator exemption contained at section 4.1.3(5) and section 4.1.6(1)(j) of ADAAG shall not apply. (28CFR §35.151(c))

Title II specifically requires that all newly constructed or altered streets, roads, and highways and pedestrian walkways must contain curb ramps or other sloped areas at any intersection having curbs or other barriers to entry from a street level or pedestrian walkway and that all newly constructed or altered street level pedestrian walkways must have curb ramps at intersections. Newly constructed or altered street level pedestrian walkways must contain curb ramps or other sloped areas at intersections to streets, roads, or highways. (28CFR §35.151(e))

The Title II regulations required that by January 26, 1993, public entities (State or local governments) conduct a self-evaluation to review their current policies and practices to identify and correct any requirements that were not consistent with the regulation. Public entities that employed more than 50 persons were required to maintain their self-evaluations on file and make it available for three years. If a public entity had already completed a self-evaluation under Section 504 of the Rehabilitation Act, then the ADA only required it to do a self-evaluation of those policies and practices that were not included in the previous self-evaluation. (28 CFR §35.105)

The Department of Justice offers technical assistance on Title II through its web page at www.usdoj.gov/crt/ada/taprogram.htm, and through its ADA Information Line, at 202 514-0301 (voice and 202-514-0383 (TTY)). The Department of Justice's technical assistance materials include among others, the Title II Technical Assistance Manual with Yearly Supplements, the ADA guide for Small Towns, and an ADA Guide entitled The ADA and City Governments: Common Problems.

Title III prohibits discrimination based upon disability in places of public accommodation (businesses and non-profit agencies that serve the public) and "commercial" facilities (other businesses). It applies regardless of whether the public accommodation or commercial facility is operated by a private or public entity, or by a for profit or not for profit business. The Department of Justice Title III regulations are found at 28 CFR Part 36. The Department of Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

IV. The Architectural Barriers Act of 1968

The Architectural Barriers Act of 1968 (ABA) (42 U.S.C. 4151-4157) requires that certain buildings financed with Federal funds must be designed, constructed, or altered in accordance with standards that ensure accessibility for persons with physical disabilities. The ABA covers any building or facility financed in whole or in part with Federal funds, except privately-owned residential structures. Covered buildings and facilities designed, constructed, or altered with CDBG funds are subject to the ABA and must comply with the Uniform Federal Accessibility Standards (UFAS). (24 CFR 570.614) In practice, buildings built to meet the requirements of Section 504 and the ADA, will conform to the requirements of the ABA.

V. HUD Resources Available Concerning Section 504

Further information concerning compliance with Section 504 may be obtained through the HUD web page (<http://www.hud.gov/fhe/504/sect504.html>). Additional assistance and information may be obtained by contacting the local Department of Housing and Urban Development Office of Fair Housing and Equal Opportunity field office. **MADERA COALITION FOR COMMUNITY JUSTICE ZOCALO PROGRAM
AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA**

AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

This Agreement is entered into, effective on the date of July 1, 2017.

PARTIES:

The City of Madera, hereafter referred to as "CITY", and Madera Coalition for Community Justice, hereafter referred to as the "CONTRACTOR."

RECITALS:

WHEREAS, the CITY has been designated as the sponsoring agency to administer and implement the program for the Community Development Block Grant (CDBG) activities of the CITY, and in accordance with the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and the laws of the State of California; and

WHEREAS, the Madera City Council has determined a program to provide youth with college-readiness and preparatory assistance and activities, and to provide leadership development and create opportunities for whole families to engage in the academic success of their students and to involve students in community service is eligible for funding under 24 CFR Part 570.201(c); and

WHEREAS, the CONTRACTOR is dedicated to establishing a partnership with the community to be progressive in nurturing a sense of community and contributing to community wellness; and

WHEREAS, the CONTRACTOR has submitted a project plan and budget to promote youth college-readiness and to engage parents in leadership consistent with the intent and purpose of the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and which has been approved by the CITY Council.

NOW THEREFORE, the parties hereto agree as follows:

1. Services

The CONTRACTOR shall provide all services and responsibilities as set forth in the project design, which is attached to this Agreement, marked as Exhibit "A," and incorporated herein by reference.

2. Funding and Method of Payment

a. Compensation

Payments shall be made after receipt and verification of actual expenditures incurred by the CONTRACTOR in the performance of this Agreement and shall be documented to the CITY by the fifteenth (15th) day of the month following the end of the quarter. Allowable expenditures under this Agreement are specifically established and attached hereto marked Exhibit "B," and incorporated herein by reference. The total obligation of the CITY under this Agreement shall not exceed \$7,945.00 in fiscal year 2017-2018. Any compensation not consumed by expenditures of the CONTRACTOR by the expiration of this Agreement shall automatically revert to the CITY.

b. Public Information

The CONTRACTOR shall disclose in all public information its funding source.

c. Lobbying Activity

The CONTRACTOR shall not directly or indirectly use any of the funds provided under this Agreement for publicity, lobbying, or propaganda purposes designed to support or defeat legislation pending before the Congress of the United States or the Legislature of the State of California.

d. Political Activity

The CONTRACTOR shall not directly or indirectly use any of the funds under this Agreement for any political activity or to further the election or defeat of any candidate for public office.

3. Fiscal Compliance

The CONTRACTOR shall be subject to the same fiscal regulations imposed on CITY by the U. S. Department of Housing and Urban Development for the use of Community Development Block Grant funds.

Program Income

CONTRACTOR shall report quarterly all program income as required under 24 CFR 570.503(b)(3) generated by activities carried out with CDBG funds made available under this contract. The use of program income by the CONTRACTOR shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the CONTRACTOR may use such income during the contract period for activities permitted under this contract and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unexpended program income shall be returned to CITY at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to CITY.

4. Compliance With Laws

If the CONTRACTOR receives CDBG funding under this Agreement, CONTRACTOR shall comply with all rules and regulations established pursuant to the Housing and Community Development Act of 1974 and its amendments and Uniform Administrative Requirements under 24 CFR 570.503(b)(4). The CONTRACTOR and any subcontractors shall comply with all applicable local, State and Federal regulations, including but not limited to those requirements listed in Exhibit "C" attached hereto and incorporated herein by reference.

Administrative Requirements/Financial Management/Accounting Standards

CONTRACTOR agrees to comply with 24 CFR 84.21-28 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

Costs Principles

CONTRACTOR shall administer its program in conformance with OMB Circulars A-122, "Cost Principles for Non-Profit Organizations," or A-21, "Cost Principles for Educational Institutions," as applicable. These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.

5. Contract Administrator

CITY shall retain the right to administer this Agreement so as to verify that CONTRACTOR is performing its obligations in accordance with the terms and conditions thereof. CONTRACTOR and CITY shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over matters the subject thereof.

6. Period of Performance

The CONTRACTOR shall commence performance under this contract July 1, 2017 and shall end its performance June 30, 2018, unless terminated sooner as provided for elsewhere in this Agreement. Agreement may be extended upon written approval of the CITY.

7. Records

a. Record Establishment and Maintenance

CONTRACTOR shall establish and maintain records in accordance with those requirements prescribed by CITY, with respect to all matters covered by this Agreement. CONTRACTOR shall retain all fiscal books, account records, and client files for services performed under this Agreement for at least three (3) years from the date of the final payment under this Agreement or until all State and Federal audits are completed for that fiscal year, whichever is later. Pursuant to State and Federal law, it is the intent of the parties to this Agreement that the CONTRACTOR shall be reimbursed for actual costs incurred in the performance of this Agreement but that no profit is to accrue to the CONTRACTOR on account of such performance.

CONTRACTOR shall maintain all records required by the Federal regulations specified in 24 CFR 570.506, that are pertinent to the activities to be funded under this Agreement. Such records shall include but not be limited to:

1. Records providing a full description of each activity undertaken;
2. Records demonstrating that each activity undertaken meets one of the National Objectives of the CDBG program;
3. Records required to determine the eligibility of activities;
4. Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with CDBG assistance;
5. Records documenting compliance with the fair housing and equal opportunity components of the CDBG program;
6. Financial records as required by 24 CFR 570.502, and 24 CFR 84.21-28; and
7. Other records necessary to document compliance with 24 CFR 570.503(b)(5).

b. Reports/Required Notifications

The CONTRACTOR shall submit reimbursement claims with substantiating invoices and time cards signed by both the employee and applicable Department Head/Authorizing Official. Reports shall consist of the Quarterly Reporting Form. This form is contained in Exhibit "A-1" attached hereto and incorporated herein by reference.

The CONTRACTOR shall also furnish to the CITY such statements, records, reports, data, and information as the CITY may request pertaining to matters covered by this Agreement. In the event that the CONTRACTOR fails to provide such reports, it shall be deemed sufficient cause for the CITY to withhold payments until there is compliance. In addition, the CONTRACTOR shall provide written notification and explanation to the CITY within five (5) days of any funds received from another source to conduct the same services covered by this Agreement.

CITY shall notify CONTRACTOR in writing within thirty (30) days of any potential State or Federal exception discovered during an examination. Where findings indicate that program requirements are not being met and State and Federal participation in this program may be imperiled in the event that corrections are not accomplished by CONTRACTOR within thirty (30) days, written notification shall constitute CITY's intent to terminate this Agreement.

CONTRACTOR shall report to CITY promptly and in written detail, each notice of claim of copyright infringement received by CONTRACTOR with respect to all subject data delivered under this Agreement. CONTRACTOR shall not affix any restrictive markings upon any data. If markings are affixed, CITY shall have the right at any time to modify, remove, obliterate, or ignore such markings.

c. CDBG Reporting Requirements

The CITY will inform CONTRACTOR in writing if CDBG funds are provided under this Agreement, which require CONTRACTOR to submit an application or to complete a record as an integral part of receiving these funds.

CONTRACTOR shall submit with each quarterly invoice copies of paid invoices/receipts, copies of cash receipts or checks used to pay each invoice submitted, copies of time cards and related pay stubs for reimbursement.

8. Assignment

CITY and CONTRACTOR may not assign, or transfer their obligation of this Agreement or any rights hereunder without the prior written consent of the other party.

9. Subcontracts

If the CONTRACTOR should propose to subcontract with one or more third parties to carry out a portion of those services described in Exhibit "A" insofar as it deems proper or efficient, any such subcontract shall be in writing and approved as to form and content by the CITY prior to execution and implementation. Any such subcontract, together with all other activities performed, or caused by the CONTRACTOR, shall not allow compensation greater than the total project budget contained in Exhibit "B." An executed copy of any such subcontract shall be received by the CITY before any implementation and shall be retained by the

CITY.

The CONTRACTOR shall be responsible to the CITY for the proper performance of any subcontract. Any subcontractor shall be subject to all of the same terms and conditions that the CONTRACTOR is subject to under this Agreement. No officer or director of the CONTRACTOR shall have any direct monetary interest in any subcontract made by the CONTRACTOR. A direct monetary interest contrary to this paragraph shall be deemed to exist, if an officer or director of the CONTRACTOR is also an owner, officer, or director of a corporation, association, or partnership subcontracting with the CONTRACTOR.

In addition, if the CONTRACTOR receives CDBG funds under this Agreement, the subcontractor shall be subject to CDBG federal regulations, including those listed in Exhibit "C."

10. Conflict of Interest

No officer, employee, or agent of the CITY who exercises any function or responsibility for planning and carrying out of the services provided under this Agreement shall have any direct or indirect personal financial interest in this Agreement. The CONTRACTOR shall comply with all Federal, State and local conflict of interest laws, statutes, and regulations, which shall be applicable to all parties and beneficiaries under this Agreement and any officer, employee, or agent of the CITY.

11. Discrimination

a. Eligibility for Services

The CONTRACTOR shall prepare and make available to the CITY and to the public all eligibility requirements to participate in the program plan set forth in Exhibit "A." No person shall, on the grounds of race, color, national origin, sex, religion, age, or disability status, be excluded from participation in, and denied the benefits of, or be subjected to discrimination with respect to the services funded under this Agreement.

The CONTRACTOR's services shall be accessible to the physically disabled, and the services of a translator, signer or assistive listening device shall be made available. CONTRACTOR, in its marketing materials, shall specify assistance to access its services is available for deaf and hard-of-hearing persons by calling 711 or 1-800-735-2929 and, for voice users, 1-866-735-2922 for TTY Relay Services. CONTRACTOR shall comply with requirements set forth in Exhibit D, Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds – Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act.

b. Employment Opportunity

The CONTRACTOR shall comply with the CITY policy, the Community Development Block Grant regulations, and the Equal Employment Commission guidelines, which forbids discrimination against any person on the grounds of race, color, national origin, sex, religion, age, familial status or disability status in employment practices. Such practices include retirement, recruitment advertising, hiring, layoff, termination, upgrading, demotion, transfer, rates of pay or other forms of compensation, use of facilities, and other terms and conditions of employment.

c. Suspension of Compensation

If an allegation of discrimination occurs, the CITY shall withhold all further funds until the CONTRACTOR can show by clear and convincing evidence to the satisfaction of the CITY that funds provided under this Agreement were not used in connection with the alleged discrimination.

d. Nepotism

Except by written consent of the CITY, no person shall be employed by the CONTRACTOR who is related by blood or marriage or who is a member of the Board of Directors or an officer of the CONTRACTOR. In the event HUD determines a CDBG-funded CONTRACTOR'S organization/agency operations violate federal rules and regulations with regard to nepotism and/or conducts business and a conflict of interest issue arises, then CONTRACTOR shall accept all responsibility to return any CDBG funds received from CITY.

12. Termination

a. This Agreement may be immediately terminated by CITY for cause where in the determination of CITY, any of the following conditions exist: (1) an illegal or improper use of funds, (2) failure to comply with any terms of this Agreement, (3) a materially incorrect or incomplete report, (4) an improper performance of services.

b. Any one of or combination of the above conditions will constitute grounds for suspension or termination of the Agreement. In no event shall any payment by the CITY hereunder constitute a waiver by the CITY of any breach of this Agreement or any default which may then exist on the part of the CONTRACTOR, nor shall such payment impair or prejudice any remedy available to the CITY with respect to the breach of default. When there is a breach of this Agreement, as defined by this section, the CITY may, in its sole discretion, immediately suspend or terminate this Agreement.

c. CITY shall have the option to terminate this Agreement without obligation of CITY to reimburse CONTRACTOR from the date the Federal or State Government withholds or fails to disburse funds to CITY, in the event such government withholds or fails to disburse funds, CITY shall give CONTRACTOR notice of such funding limitation or termination within a reasonable time after CITY receives notices of same.

d. Upon thirty (30) days written notice to the other party, either party may terminate this Agreement without cause. Notice shall be deemed served upon mailing.

13. Amendments

Adjustment of any line item within the total approved budget contained in Exhibit "B" or changes in the nature or scope of the program plan set forth in Exhibit "A" may be approved in writing by the City Administrator, or his designee.

14. Administration

The City of Madera Grants Administration Department shall administer this Agreement.

15. Evaluation

The CITY shall monitor and evaluate the performance of the CONTRACTOR under this Agreement to determine to the best possible degree the success or failure of the services provided under this Agreement and the adequacy of the program plan contained in Exhibit "A." The CONTRACTOR shall participate in evaluation of the program.

CONTRACTOR shall cooperate fully with CITY, State and Federal agencies, which shall have the right to monitor and audit all work performed under this Agreement.

CONTRACTOR shall also agree to on-site monitoring and personal interviews of participants, CONTRACTOR's staff, and employees by appropriate CITY staff on at least a quarterly basis.

16. Governing Law

Any controversy or claim arising out of or relating to this Agreement which cannot be amicably settled without court action shall be litigated only in Madera, California. The rights and obligations of the parties and all interpretations and performance of this Agreement shall be governed in all respects by the laws of the State of California.

17. Reversion of Assets

The CONTRACTOR must obtain prior written approval from the CITY whenever there is any modification or change in the use of any property acquired or improved, in whole or in part, using CDBG funds. If any real or personal property acquired or improved with CDBG funds is sold and/or is utilized by the CONTRACTOR for a use which does not qualify under the CDBG program, the CONTRACTOR shall reimburse the CITY in an amount equal to the current fair market value of the property, less any portion thereof attributable to expenditures of non-CDBG funds. These requirements shall continue in effect for the life of the property. In the event the CDBG program is closed-out, the requirements of this Section shall remain in effect for activities or property funded with CDBG funds, unless action is taken by the Federal government to relieve the CITY of these obligations.

18. Breach of Agreement

In the event the CONTRACTOR fails to comply with any of the terms of this Agreement, the CITY may, at its option, deem the CONTRACTOR's failure as a material breach of this Agreement and utilize any of the remedies set forth in 24 CFR 85.43 or that it deems appropriate. Should the CITY deem a breach of this Agreement material, the CITY shall immediately be relieved of its obligations to make further payment as provided herein. In addition to the Agreement being terminated by the CITY in accord with a material breach of this Agreement by the CONTRACTOR, this Agreement may also be terminated for convenience by the CITY in accord with 24 CFR 85.44.

19. No Third Party Beneficiaries

This Agreement is not intended to create and does not create any rights in or benefits to any third party, nor will it be deemed to confer rights or remedies upon any person or legal entity not a party to this Agreement.

20. Indemnification

IN THE EVENT HUD DETERMINES A CDBG-FUNDED CONTRACTOR HAS VIOLATED FEDERAL RULES AND REGULATIONS AND HUD REQUIRES REPAYMENT OF CDBG FUNDS, THEN CONTRACTOR SHALL REPAY ANY CDBG FUNDS WITHIN 90 DAYS OF A WRITTEN REQUEST FROM CITY.

Contractor shall indemnify, defend, and hold harmless the City, and its officers, employees, and agents (“City indemnitees”), from and against any and all causes of action, claims, liabilities, obligations, judgments, or damages, including reasonable legal counsels’ fees and costs of litigation (“claims”), arising out of the Contractor’s performance of its obligations under this agreement or out of the operations conducted by Contractor, including the City’s active or passive negligence, except for such loss or damage arising from the sole negligence or willful misconduct of the City. In the event the City indemnitees are made a party to any action, lawsuit, or other adversarial proceeding arising from Contractor’s performance of this agreement, the Contractor shall provide a defense to the City indemnitees, or at the City’s option, reimburse the City indemnitees their costs of defense, including reasonable legal counsels’ fees, incurred in defense of such claims.

21. Entire Agreement

This Agreement constitutes the entire agreement between CONTRACTOR and CITY with respect to the subject matter hereof and supersedes all previous negotiations, proposals, commitments, writings, advertisements, publications and understandings of any nature whatsoever unless expressly included in this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective officers thereunto duly authorized on the date first written above.

Zocalo de Madera

MCCJ projects go beyond doing the critical work in the community to bring about economic equity, social and environmental justice -- it seeks to actively engage its constituents to become a catalyst and to actively engage them in fashioning the solution. The proposed project offers a multi-faceted framework that uses the community as the forum for catalyzing new thinking, social interaction, co-operative and collaborative activities, real-life learning, and problem-solving. In that connection, it provides a context for addressing barriers in the local socio-political, environmental and educational system that circumscribe their quality of life, developmental needs and social activism.

Youth is an underutilized and overlooked resource. Too often, the adult world seeks to do things for them or to do things to them when they misstep. MCCJ's vision is to combine education and activism as the cornerstone of a sustainable community, in which youth live their lives consciously choosing actions that ensure a healthy quality of life. Its mission is to harness the collective vision, energy, and talent of youth and to parlay those expressions in ways that are collaborative and constructive to better the community by providing them with leadership development, educational tools and access to a network of resources.

The Madera downtown has been in steady decline since the 80s. The older generation often harkens back to the "good old days" and stay away from the downtown referring to it derogatorily as "Little Tijuana." Despite the best efforts of the city's redevelopment agency, most of the downtown remains blighted. While most Maderans stay away due to the fear of crime, it is still frequented by new immigrants and farmworkers. Public art has the transformative power to build pride in the neighborhoods while expressing the world-view of community members, where they come from, what they do and how they connect to each other. More specifically, street art has the effect of bridging community values between the young and old. Moreover, it facilitates youth engagement especially in terms of supporting them in becoming more positively involved with public space and art. In Madera, many teens are isolated - there is little in terms of program activities. A public art space would provide for a youth voice that integrates them into public life while providing a positive, supportive and active engagement in the community. It keeps them grounded and gives them a sense of place. (Zocalo Madera can provide a new forum for all sorts of visual and cultural art and music and other performance art where students can freely and openly learn and participate in.) At the same time, it invigorates the larger community and provides a healthy injection of creative energy that is sorely needed. From the City's perspective, the project begins to build a healthy community that revitalizes the economy of the downtown making it accessible, attractive and exciting, promotes healthy living, lowers crime and increases civic participation and political engagement.

Zocalo Madera is creative place making at its best connecting the community through art in a way that highlights neighborhood culture and bringing youth together to learn about each other and explore the larger world around them. Street art amplifies the power of young people to transform the

place they live in and allows youth to exercise transformative agency by reclaiming public space as a forum to take action for positive change. The proposed project brings arts and culture to improve the place where they live. It places youth, front and center, as “stewards” of the place and space where they live and learn. By extension, it provides links to multiple sectors of the community. The project activities will be designed by youth, planned by youth, and implemented by youth, with the support, guidance, mentoring and training provided by MCCJ staff, California Rural Legal Assistance, as well as other professionals and experts.

The project seeks to establish a public art space in downtown Madera that will be spearhead by a cadre of youth guided by Madera Coalition for Community Justice. Zocalo Madera will be a sanctioned space in downtown Madera that will feature a displays of graffiti art on wood panels that invites local youth street artists to contribute their artwork, show and tell, and provide a platform for other youth to learn and compete. Ideally, this “public square” will be a part of the City’s revitalization of its downtown and connect with a fledgling “Art Hop” across the street that offers art classes and activities. While a major thrust of the project is to provide a hub, a gathering place, for youth from the Eastside of town, the overarching purpose is to provide a creative space to engage different groups and to be recognized by a wider public audience as a place that hosts educational and cultural events and a welcoming place that promotes public discourse and the exchange of ideas. In that connection, future directions call for networking with the Madera County Arts Council along with Madera Unified School District.

Project Implementation

The program will be composed of two core components. The first component (months 1-3) will be the planning process and plan preparation, and the second component (months 4-12) will be the plan implementation. Fifteen to twenty-four youth will be recruited from the local high schools for this year-long project. (It is anticipated that each event will involve and additional 50 youth from the Eastside Madera.) They will meet biweekly or as frequently as possible. The youth group will be guided by MCCJ staff coordinator to navigate the technical, political, legal and administrative considerations attending to this project. The project will begin with the hiring of a coordinator and student recruitment in the first month. These youth will be educated on a broad range of issues in order to develop a comprehensive plan that is essential to implement the project ranging from training in facilitation/presentation skills, gathering and analysis of data, participatory action research and mapping assessment. They will also engage in maintenance activities: leadership development, team-building and relationship-building opportunities with adult allies. An advisory committee may be established consisting of local stakeholders. In the second part of the program, the youth will begin by mapping community assets and resources, convene forums where they learn and listen to the community regarding goals, perception, problems and possibilities of public art, write letters to editors and collaborate on news story published in local and school newspapers, prepare a report of findings and recommendations, bring key stakeholders together to develop a shared vision, visit six street art sites around the state, conduct research, network with other street art communities, and consult with local and regional street art experts (including Erik Gonzalez) for technical assistance on best practices of successful public art spaces. Throughout the project life, there will be opportunities for the youth to reflect and regroup. There will be time scheduled to allow them to reflect on what they’ve learned and impact of their experience. Program activities will be planned and coordinated in a manner that provides a continuous loop of feedback that allows staff to monitor results, effectiveness and impact.

The youth will develop an action plan with goals linked to specific actions. Each goal will be broken into specific steps assigned to specific individuals. They will establish the time frame for the planning process and an implementation schedule that links budget and task responsibilities. Further, they will conduct face-to-face workshops with stakeholders to review research material and analyze data, flesh out problems, issues and concerns, consider budget and resource availability, develop vision for a plan, develop plan goals and objectives, generate and evaluate plan options and implement the best plan. During the course of these activities, they will collectively determine common thread issues including: site selection, exhibition display format (permanent or portable, wall murals, large scale pieces, gallery-style, commissioned artwork, etc.), motifs, themes and/or cultural symbols, images and/or styled writing, governance, rules of operation, and criteria for artist selection. They will also participate in developing effective communications, outreach and education tools. The youth will be involved in the day-to-day responsibility of implementing and running the project.

Project Evaluation

Evaluation will measure program outcomes and process. Program effectiveness will be determined by comparing accomplishments to the stated objectives and activities that will be set forth in an action plan. Important criteria include completion of tasks, attainment of recruitment goals and compliance with budget outlay. There are important indicators that will measure successes or failures: retention rate of over 80% of participants; increased knowledge, confidence and skill in conducting research, planning, advocacy and evaluation; clear understanding and commitment to project mission; 75% of members participate in project activities, events and training; 50% of members participate in college outreach; establish stronger relationship with each other and with adult mentors; development of a core group of members who assume leadership roles in assigned activities; increased knowledge of current events and local issues in the City, increased understanding, skills, and knowledge of schools, local government, public hearing process, and budgets; enhanced confidence and skills in public speaking; understanding of leadership development; deeper appreciation of cooperation and collaboration; and attendance of at least one public hearing. Separately, there will be periodic evaluations by participants and partners on the program and/or activities. These important "lessons learned" will be shared with participants, community partners, the organization and board. Process will be evaluated through quarterly activity and budget reports. Review and updates will be provided by MCCJ director to the board monthly.

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make a final determination of your foundation status.

If we publish a notice in the Internal Revenue Bulletin stating that we

Letter 1045 (DO/CG)

MADERA COALITION FOR COMMUNITY

will no longer treat you as a publicly supported organization, grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization, then that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social security taxes under the Federal Insurance Contributions Act on amounts of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to, or other participation in, fundraising activities for charity.

You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally \$25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If you are required to file a return you must file it by the 15th day of the fifth month after the end of your annual accounting period. We charge a penalty of \$10 a day when a return is filed late, unless there is reasonable

Letter 1045 (DO/CG)

MADERA COALITION FOR COMMUNITY

cause for the delay. However, the maximum penalty we charge cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. We may also charge this penalty if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are spent only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), you must have evidence that the funds will remain dedicated to the required purposes and that the recipient will use the funds for those purposes.

If you distribute funds to individuals, you should keep case histories showing the recipients' names, addresses, purposes of awards, manner of selection, and relationship (if any) to members, officers, trustees or donors of funds to you, so that you can substantiate upon request by the Internal Revenue Service any and all distributions you made to individuals. (Revenue Ruling 56-304, C.B. 1956-2, page 306.)

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help us resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

Notice CPD- 00-10

Issued: December 26, 2000
Expires: December 26, 2001

Subject: Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds -- Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act

I. Purpose

The purpose of this Notice is to remind recipients of Federal funds under the Community Development Block Grant (CDBG) Program of their obligation to comply with Section 504 of the Rehabilitation Act of 1973, HUD's implementing regulations (24 CFR Part 8), the Americans with Disabilities Act, (ADA) and its implementing regulations, (28 CFR Parts 35, 36), and the Architectural Barriers Act (ABA) and its implementing regulations (24 CFR Parts 40, 41) in connection with recipients' non-housing programs. This Notice describes key compliance elements for non-housing programs and facilities assisted under the CDBG programs. However, recipients should review the specific provisions of the ADA, Section 504, the ABA, and their implementing regulations in order to assure that their programs are administered in full compliance.

Applicability

This Notice applies to all non-housing programs and facilities assisted with Community Development Block Grant Funds (e.g. public facilities and public improvements, commercial buildings, office buildings, and other non-residential buildings) and facilities in which CDBG activities are undertaken (e.g., public services). A separate Notice is being issued concerning Federal accessibility requirements for housing programs assisted by recipients of CDBG and HOME program funds.

II. Section 504 of the Rehabilitation Act of 1973

Section 504 of the Rehabilitation Act of 1973, as amended, provides "No otherwise qualified individual with a disability in the United States ... shall, solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance...". HUD's regulations implementing the Section 504 requirements can be found at 24 CFR Part 8.

Distribution: W-3-1

Part 8 requires that recipients ensure that their programs are accessible to and usable by persons with disabilities. Part 8 also prohibits recipients from employment discrimination based upon disability.

The Section 504 regulations define "recipient" as any State or its political subdivision, any instrumentality of a State or its political subdivision, any public or private agency, institution organization, or other entity or any person to which Federal financial assistance is extended for any program or activity directly or through another recipient, including any successor, assignee, or transferee of a recipient, but excluding the ultimate beneficiary of the assistance. (24 CFR §8.3) For the purposes of Part 8, recipients include States and localities that are grantees and subgrantees under the CDBG program, their subrecipients, community-based development organizations, businesses, and any other entity that receives CDBG assistance, but not low and moderate income beneficiaries of the program. CDBG grantees are responsible for establishing policies and practices that they will use to monitor compliance of all covered programs, activities, or work performed by their subrecipients, contractors, subcontractors, management agents, etc.

Non-housing Programs

New Construction -- Part 8 requires that new non-housing facilities constructed by recipients of Federal financial assistance shall be designed and constructed to be readily accessible to and usable by persons with disabilities. (24 CFR §8.21(a))

Alterations to facilities -- Part 8 requires to the maximum extent feasible, that recipients make alterations to existing non-housing facilities to ensure that such facilities are readily accessible to and usable by individuals with disabilities. An element of an existing non-housing facility need not be made accessible, if doing so, would impose undue financial and administrative burdens on the operation of the recipients program or activity. (24 CFR §8.21 (b))

Existing non-housing facilities - A recipient is obligated to operate each non-housing program or activity so that, when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. (24 CFR §8.21 (c))

Recipients are not necessarily required to make each of their existing non-housing facilities accessible to and usable by persons with disabilities if when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. 24 CFR §8.21(c)(1) Recipients are also not required to take any action that they can demonstrate would result in a fundamental alteration in the nature of its program or activity or cause an undue administrative and financial burden. However, recipients are still required to take other actions that would not result in such alterations, but would nevertheless ensure that persons with disabilities receive the benefits and services of the program. (24 CFR §8.21(c)(iii))

Historic Preservation - Recipients are not required to take any actions that would result in a substantial impairment of significant historic features of an historic property, However, in such cases where a physical alteration is not required, the recipient is still obligated to use alternative means to achieve program accessibility, including using audio-visual materials and devices to depict those portions of

an historic property that cannot be made accessible, assigning persons to guide persons with disabilities into or through portions of historic properties that cannot be made accessible, or otherwise adopting other innovative methods so that individuals with disabilities can still benefit from the program. (24CFR §8.21(c)(2)(ii))

Accessibility Standards

Design, construction, or alteration of facilities in conformance with the Uniform Federal Accessibility Standards (UFAS) is deemed to comply with the accessibility requirements for nonhousing facilities.

Recipients may depart from particular technical and scoping requirements of UFAS where substantially equivalent or greater accessibility and usability is provided. (24 CFR §8.32) For copies of UFAS, contact the HUD Distribution Center at 1-800-767-7468; deaf, hard of hearing, or speech-impaired persons may access this number via TTY by calling the Federal Information Relay Service at 1-800-877-8339.

Where a property is subject to more than one law or accessibility standard, it is necessary to comply with all applicable requirements. In some cases, it may be possible to do this by complying with the stricter requirement, however, it is also important to ensure that meeting the stricter requirement also meets both the scoping and technical requirements of overlapping laws or standards.

Employment

Section 504 also prohibits discrimination based upon disability in employment. See 24 CFR Part 8, Subpart B.

Section 504 Self Evaluations

The Section 504 regulations required recipients of Federal financial assistance to conduct a self-evaluation of their policies and practices to determine if they were consistent with the law's requirements. This self evaluation was to have been completed no later than July 11, 1989. Title II of the ADA imposed this requirement on all covered public entities. The ADA regulations required that ADA self evaluations be completed by January 26, 1993, although those public entities that had already performed a Section 504 self evaluation were only required to perform a self-evaluation on those policies and practices that had not been included in the Section 504 review.

The regulatory deadlines are long past. However, self-evaluation continues to be an excellent management tool for ensuring that a recipient's current policies and procedures comply with the requirements of Section 504 and the ADA.

Involving persons with disabilities in the self-evaluation process is very beneficial. This will assure the most meaningful result for both the recipient and for persons with disabilities who participate in the recipient's programs and activities. It is important to involve persons and/or organizations representing persons with disabilities, and agencies or other experts who work regularly with accessibility standards.

Important steps in conducting a self-evaluation and implementing its results include the following:

- Evaluate current policies and practices and analyze them to determine if they adversely affect the full participation of individuals with disabilities in its programs, activities and services. Be mindful of the fact that a policy or practice may appear neutral on its face, but may have a discriminatory effect on individuals with disabilities.
- Modify any policies and practices that are not or may not be in compliance with Section 504 or Title II and Title III of the ADA regulations. (See 24 CFR Part 8 and 28 CFR Parts 35, 36.)
- Take appropriate corrective steps to remedy those policies and practices which either are discriminatory or have a discriminatory effect. Develop policies and procedures by which persons with disabilities may request a modification of a physical barrier or a rule or practice that has the effect of limiting or excluding a person with a disability from the benefits of the program.
- Document the self-evaluation process and activities. The Department recommends that all recipients keep the self-evaluation on file for at least three years, including records of the individuals and organizations consulted, areas examined and problems identified, and document modifications and remedial steps, as an aid to meeting the requirement at 24 CFR Part 8.55.

The Department also recommends that recipients periodically update the self-evaluation, particularly, for example, if there have been changes in the programs and services of the agency. In addition, public entities covered by Title II of the ADA should review any policies and practices that were not included in their Section 504 self-evaluation and should modify discriminatory policies and practices accordingly.

III. The Americans With Disabilities Act of 1990

The Americans With Disabilities Act of 1990 (ADA) guarantees equal opportunities for persons with disabilities in employment, public accommodations, transportation, State and local government services, and telecommunications. Unlike Section 504 which applies only to programs and activities receiving Federal financial assistance, the ADA applies even if no Federal financial assistance is given.

The U.S. Department of Justice enforces Titles I, II, and III of the ADA, although the Equal Employment Opportunity Commission investigates administrative complaints involving Title I.

Title I prohibits discrimination in employment based upon disability. The regulations implementing Title I are found at 29 CFR Part 1630. The Equal Employment Opportunity Commission (EEOC) offers technical assistance on the ADA provisions applying to employment.

These can be obtained at the EEOC web site www.eeoc.gov, or by calling 800-669-3362 (voice) and 800-800-3302 (TTY).

Title II prohibits discrimination based on disability by State and local governments. Title II essentially extended the Section 504 requirements to services, programs, and activities provided by States, local governments and other entities that do not receive Federal financial assistance from HUD or another Federal agency. CDBG grantees are covered by both Title II and Section 504. The Department of Justice Title II regulations are found at 28 CFR Part 35.

Title II also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. (28 CFR §35.151 (a) & (b)) Facilities constructed or altered in conformance with either UFAS or the ADA Accessibility Guidelines for Buildings and Facilities (ADAAG) (Appendix A to 28 CFR Part 36) shall be deemed to comply with the Title II Accessibility requirements, except that the elevator exemption contained at section 4.1.3(5) and section 4.1.6(1)(j) of ADAAG shall not apply. (28CFR §35.151(c))

Title II specifically requires that all newly constructed or altered streets, roads, and highways and pedestrian walkways must contain curb ramps or other sloped areas at any intersection having curbs or other barriers to entry from a street level or pedestrian walkway and that all newly constructed or altered street level pedestrian walkways must have curb ramps at intersections. Newly constructed or altered street level pedestrian walkways must contain curb ramps or other sloped areas at intersections to streets, roads, or highways. (28CFR §35.151(e))

The Title II regulations required that by January 26, 1993, public entities (State or local governments) conduct a self-evaluation to review their current policies and practices to identify and correct any requirements that were not consistent with the regulation. Public entities that employed more than 50 persons were required to maintain their self-evaluations on file and make it available for three years. If a public entity had already completed a self-evaluation under Section 504 of the Rehabilitation Act, then the ADA only required it to do a self-evaluation of those policies and practices that were not included in the previous self-evaluation. (28 CFR §35.105)

The Department of Justice offers technical assistance on Title II through its web page at www.usdoj.gov/crt/ada/taprogram.htm, and through its ADA Information Line, at 202 514-0301 (voice and 202-514-0383 (TTY)). The Department of Justice's technical assistance materials include among others, the Title II Technical Assistance Manual with Yearly Supplements, the ADA guide for Small Towns, and an ADA Guide entitled The ADA and City Governments: Common Problems.

Title III prohibits discrimination based upon disability in places of public accommodation (businesses and non-profit agencies that serve the public) and "commercial" facilities (other businesses). It applies regardless of whether the public accommodation or commercial facility is operated by a private or public entity, or by a for profit or not for profit business. The Department of Justice Title III regulations are found at 28 CFR Part 36. The Department of Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

IV. The Architectural Barriers Act of 1968

The Architectural Barriers Act of 1968 (ABA) (42 U.S.C. 4151-4157) requires that certain buildings financed with Federal funds must be designed, constructed, or altered in accordance with standards that ensure accessibility for persons with physical disabilities. The ABA covers any building or facility financed in whole or in part with Federal funds, except privately-owned residential structures. Covered buildings and facilities designed, constructed, or altered with CDBG funds are subject to the ABA and must comply with the Uniform Federal Accessibility Standards (UFAS). (24 CFR 570.614) In practice, buildings built to meet the requirements of Section 504 and the ADA, will conform to the requirements of the ABA.

V. HUD Resources Available Concerning Section 504

Further information concerning compliance with Section 504 may be obtained through the HUD web page (<http://www.hud.gov/fhe/504/sect504.html>). Additional assistance and information may be obtained by contacting the local Department of Housing and Urban Development Office of Fair Housing and Equal Opportunity field office. ATTACHMENT D

CITY OF MADERA PARKS AND COMMUNITY SERVICES DEPARTMENT

SENIOR SERVICES

AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

This Agreement is entered into, effective on the date of July 1, 2017.

PARTIES:

The City of Madera, hereafter referred to as "CITY", and the City of Madera Parks and Community Services Department, hereafter referred to as the "CONTRACTOR."

RECITALS:

WHEREAS, the CITY has been designated as the sponsoring agency to administer and implement the program for the Community Development Block Grant (CDBG) activities of the CITY, and in accordance with the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and the laws of the State of California; and

WHEREAS, the Madera City Council has determined a Public Service activity to provide seniors with a nutritious, balanced meal year round, excluding holidays; fitness and wellness, recreation and educational activities and programs to enhance interaction and provide opportunities to socialize and explore educational and cultural activities; and services designed for seniors impacted by their health is eligible for funding under 24 CFR Part 570.201(c); and

WHEREAS, the CONTRACTOR is dedicated to establishing a partnership with the community to be progressive in nurturing a sense of community and contributing to community wellness; and

WHEREAS, the CONTRACTOR has submitted a project plan and budget to promote public health and safety and to promote livability and foster a sense of community consistent with the intent and purpose of the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and which has been approved by the CITY Council.

NOW THEREFORE, the parties hereto agree as follows:

1. Services

The CONTRACTOR shall provide all services and responsibilities as set forth in the project design, which is attached to this Agreement, marked as Exhibit "A," and incorporated herein by reference.

2. Funding and Method of Payment

a. Compensation

Payments shall be made after receipt and verification of actual expenditures incurred by the CONTRACTOR in the performance of this Agreement and shall be documented to the CITY by the fifteenth (15th) day of the month following the end of the quarter. Allowable expenditures under this Agreement are specifically established and attached hereto marked Exhibit "B," and incorporated herein by reference. The total obligation of the CITY under this Agreement shall not exceed \$103,503 in fiscal year 2017-2018. Any compensation not consumed by expenditures of the CONTRACTOR by the expiration of this Agreement shall automatically revert to the CITY.

b. Public Information

The CONTRACTOR shall disclose in all public information its funding source.

c. Lobbying Activity

The CONTRACTOR shall not directly or indirectly use any of the funds provided under this Agreement for publicity, lobbying, or propaganda purposes designed to support or defeat legislation pending before the Congress of the United States or the Legislature of the State of California.

d. Political Activity

The CONTRACTOR shall not directly or indirectly use any of the funds under this Agreement for any political activity or to further the election or defeat of any candidate for public office.

3. Fiscal Compliance

The CONTRACTOR shall be subject to the same fiscal regulations imposed on CITY by the U.S. Department of Housing and Urban Development for the use of Community Development Block Grant funds.

Program Income

CONTRACTOR shall report quarterly all program income as required under 24 CFR 570.503(b)(3) generated by activities carried out with CDBG funds made available under this contract. The use of program income by the CONTRACTOR shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the CONTRACTOR may use such income during the contract period for activities permitted under this contract and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unexpended program income shall be returned to CITY at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to CITY.

4. Compliance With Laws

If the CONTRACTOR receives CDBG funding under this Agreement, CONTRACTOR shall comply with all rules and regulations established pursuant to the Housing and Community Development Act of 1974 and its amendments and Uniform Administrative Requirements under 24 CFR 570.503(b)(4). The CONTRACTOR and any subcontractors shall comply with all applicable local, State and Federal regulations, including but not limited to those requirements listed in Exhibit "C" attached hereto and incorporated herein by reference.

Administrative Requirements/Financial Management/Accounting Standards

CONTRACTOR agrees to comply with 24 CFR 84.21-28 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

Costs Principles

CONTRACTOR shall administer its program in conformance with OMB Circulars A-122, "Cost Principles for Non-Profit Organizations," or A-21, "Cost Principles for Educational Institutions," as applicable. These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.

5. Contract Administrator

CITY shall retain the right to administer this Agreement so as to verify that CONTRACTOR is performing its obligations in accordance with the terms and conditions thereof. CONTRACTOR and CITY shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over matters the subject thereof.

6. Period of Performance

The CONTRACTOR shall commence performance under this contract July 1, 2017, and shall end its performance June 30, 2018, unless terminated sooner as provided for elsewhere in this Agreement. Agreement may be extended upon written approval of the CITY.

7. Records

a. Record Establishment and Maintenance

CONTRACTOR shall establish and maintain records in accordance with those requirements prescribed by CITY, with respect to all matters covered by this Agreement. CONTRACTOR shall retain all fiscal books, account records, and client files for services performed under this Agreement for at least three (3) years from the date of the final payment under this Agreement or until all State and Federal audits are completed for that fiscal year, whichever is later. Pursuant to State and Federal law, it is the intent of the parties to this Agreement that the CONTRACTOR shall be reimbursed for actual costs incurred in the performance of this Agreement but that no profit is to accrue to the CONTRACTOR on account of such performance.

CONTRACTOR shall maintain all records required by the Federal regulations specified in 24 CFR 570.506, that are pertinent to the activities to be funded under this Agreement. Such records shall include but not be limited to:

1. Records providing a full description of each activity undertaken;
2. Records demonstrating that each activity undertaken meets one of the National Objectives of the CDBG program;
3. Records required to determine the eligibility of activities;
4. Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with CDBG assistance;
5. Records documenting compliance with the fair housing and equal opportunity components of the CDBG program;
6. Financial records as required by 24 CFR 570.502, and 24 CFR 84.21-28; and
7. Other records necessary to document compliance with 24 CFR 570.503(b)(5).

b. Reports/Required Notifications

The CONTRACTOR shall submit reimbursement claims with substantiating invoices and time cards signed by both the employee and applicable Department Head/Authorizing Official. Reports shall consist of the Quarterly Reporting Form. This form is contained in Exhibit "A-1" attached hereto and incorporated herein by reference.

The CONTRACTOR shall also furnish to the CITY such statements, records, reports, data, and information as the CITY may request pertaining to matters covered by this Agreement. In the event that the CONTRACTOR fails to provide such reports, it shall be deemed sufficient cause for the CITY to withhold payments until there is compliance. In addition, the CONTRACTOR shall provide written notification and explanation to the CITY within five (5) days of any funds received from another source to conduct the same services covered by this Agreement.

CITY shall notify CONTRACTOR in writing within thirty (30) days of any potential State or Federal exception discovered during an examination. Where findings indicate that program requirements are not being met and State and Federal participation in this program may be imperiled in the event that corrections are not accomplished by CONTRACTOR within thirty (30) days, written notification shall constitute CITY's intent to terminate this Agreement.

CONTRACTOR shall report to CITY promptly and in written detail, each notice of claim of copyright infringement received by CONTRACTOR with respect to all subject data delivered under this Agreement. CONTRACTOR shall not affix any restrictive markings upon any data. If markings are affixed, CITY shall have the right at any time to modify, remove, obliterate, or ignore such markings.

c. CDBG Reporting Requirements

The CITY will inform CONTRACTOR in writing if CDBG funds are provided under this Agreement, which require CONTRACTOR to submit an application or to complete a record as an integral part of receiving these funds.

CONTRACTOR shall submit with each quarterly invoice copies of paid invoices/receipts, copies of cash receipts or checks used to pay each invoice submitted, copies of time cards and related pay stubs for reimbursement.

8. Assignment

CITY and CONTRACTOR may not assign, or transfer their obligation of this Agreement or any rights hereunder without the prior written consent of the other party.

9. Subcontracts

If the CONTRACTOR should propose to subcontract with one or more third parties to carry out a portion of those services described in Exhibit "A" insofar as it deems proper or efficient, any such subcontract shall be in writing and approved as to form and content by the CITY prior to execution and implementation. Any such subcontract, together with all other activities performed, or caused by the

CONTRACTOR, shall not allow compensation greater than the total project budget contained in Exhibit "B." An executed copy of any such subcontract shall be received by the CITY before any implementation and shall be retained by the CITY.

The CONTRACTOR shall be responsible to the CITY for the proper performance of any subcontract. Any subcontractor shall be subject to all of the same terms and conditions that the CONTRACTOR is subject to under this Agreement. No officer or director of the CONTRACTOR shall have any direct monetary interest in any subcontract made by the CONTRACTOR. A direct monetary interest contrary to this paragraph shall be deemed to exist, if an officer or director of the CONTRACTOR is also an owner, officer, or director of a corporation, association, or partnership subcontracting with the CONTRACTOR.

In addition, if the CONTRACTOR receives CDBG funds under this Agreement, the subcontractor shall be subject to CDBG federal regulations, including those listed in Exhibit "C."

10. Conflict of Interest

No officer, employee, or agent of the CITY who exercises any function or responsibility for planning and carrying out of the services provided under this Agreement shall have any direct or indirect personal financial interest in this Agreement. The CONTRACTOR shall comply with all Federal, State and local conflict of interest laws, statutes, and regulations, which shall be applicable to all parties and beneficiaries under this Agreement and any officer, employee, or agent of the CITY.

11. Discrimination

a. Eligibility for Services

The CONTRACTOR shall prepare and make available to the CITY and to the public all eligibility requirements to participate in the program plan set forth in Exhibit "A." No person shall, on the grounds of race, color, national origin, sex, religion, age, or disability status, be excluded from participation in, and denied the benefits of, or be subjected to discrimination with respect to the services funded under this Agreement.

The CONTRACTOR's services shall be accessible to the physically disabled, and the services of a translator, signer or assistive listening device shall be made available. CONTRACTOR, in its marketing materials, shall specify assistance to access its services is available for deaf and hard-of-hearing persons by calling 711 or 1-800-735-2929 and, for voice users, 1-866-735-2922 for TTY Relay Services. CONTRACTOR shall comply with requirements set forth in Exhibit D, Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds – Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act.

b. Employment Opportunity

The CONTRACTOR shall comply with the CITY policy, the Community Development Block Grant regulations, and the Equal Employment Commission guidelines, which forbids discrimination against any person on the grounds of race, color, national origin, sex, religion, age, familial status or disability status in employment practices. Such practices include retirement, recruitment advertising, hiring, layoff,

termination, upgrading, demotion, transfer, rates of pay or other forms of compensation, use of facilities, and other terms and conditions of employment.

c. Suspension of Compensation

If an allegation of discrimination occurs, the CITY shall withhold all further funds until the CONTRACTOR can show by clear and convincing evidence to the satisfaction of the CITY that funds provided under this Agreement were not used in connection with the alleged discrimination.

d. Nepotism

Except by written consent of the CITY, no person shall be employed by the CONTRACTOR who is related by blood or marriage or who is a member of the Board of Directors or an officer of the CONTRACTOR. In the event HUD determines a CDBG-funded CONTRACTOR'S organization/agency operations violate federal rules and regulations with regard to nepotism and/or conducts business and a conflict of interest issue arises, then CONTRACTOR shall accept all responsibility to return any CDBG funds received from CITY.

12. Termination

a. This Agreement may be immediately terminated by CITY for cause where in the determination of CITY, any of the following conditions exist: (1) an illegal or improper use of funds, (2) failure to comply with any terms of this Agreement, (3) a materially incorrect or incomplete report, (4) an improper performance of services.

b. Any one of or combination of the above conditions will constitute grounds for suspension or termination of the Agreement. In no event shall any payment by the CITY hereunder constitute a waiver by the CITY of any breach of this Agreement or any default which may then exist on the part of the CONTRACTOR, nor shall such payment impair or prejudice any remedy available to the CITY with respect to the breach of default. When there is a breach of this Agreement, as defined by this section, the CITY may, in its sole discretion, immediately suspend or terminate this Agreement.

c. CITY shall have the option to terminate this Agreement without obligation of CITY to reimburse CONTRACTOR from the date the Federal or State Government withholds or fails to disburse funds to CITY, in the event such government withholds or fails to disburse funds, CITY shall give CONTRACTOR notice of such funding limitation or termination within a reasonable time after CITY receives notices of same.

d. Upon thirty (30) days written notice to the other party, either party may terminate this Agreement without cause. Notice shall be deemed served upon mailing.

13. Amendments

Adjustment of any line item within the total approved budget contained in Exhibit "B" or changes in the nature or scope of the program plan set forth in Exhibit "A" may be approved in writing by the City Administrator, or his designee.

14. Administration

The City of Madera Grants Administration Department shall administer this Agreement.

15. Evaluation

The CITY shall monitor and evaluate the performance of the CONTRACTOR under this Agreement to determine to the best possible degree the success or failure of the services provided under this Agreement and the adequacy of the program plan contained in Exhibit "A." The CONTRACTOR shall participate in evaluation of the program.

CONTRACTOR shall cooperate fully with CITY, State and Federal agencies, which shall have the right to monitor and audit all work performed under this Agreement.

CONTRACTOR shall also agree to on-site monitoring and personal interviews of participants, CONTRACTOR's staff, and employees by appropriate CITY staff on at least a quarterly basis.

16. Governing Law

Any controversy or claim arising out of or relating to this Agreement which cannot be amicably settled without court action shall be litigated only in Madera, California. The rights and obligations of the parties and all interpretations and performance of this Agreement shall be governed in all respects by the laws of the State of California.

17. Reversion of Assets

The CONTRACTOR must obtain prior written approval from the CITY whenever there is any modification or change in the use of any property acquired or improved, in whole or in part, using CDBG funds. If any real or personal property acquired or improved with CDBG funds is sold and/or is utilized by the CONTRACTOR for a use which does not qualify under the CDBG program, the CONTRACTOR shall reimburse the CITY in an amount equal to the current fair market value of the property, less any portion thereof attributable to expenditures of non-CDBG funds. These requirements shall continue in effect for the life of the property. In the event the CDBG program is closed-out, the requirements of this Section shall remain in effect for activities or property funded with CDBG funds, unless action is taken by the Federal government to relieve the CITY of these obligations.

18. Breach of Agreement

In the event the CONTRACTOR fails to comply with any of the terms of this Agreement, the CITY may, at its option, deem the CONTRACTOR's failure as a material breach of this Agreement and utilize any of the remedies set forth in 24 CFR 85.43 or that it deems appropriate. Should the CITY deem a breach of this Agreement material, the CITY shall immediately be relieved of its obligations to make further payment as provided herein. In addition to the Agreement being terminated by the CITY in accord with a material breach of this Agreement by the CONTRACTOR, this Agreement may also be terminated for convenience by the CITY in accord with 24 CFR 85.44.

19. No Third Party Beneficiaries

This Agreement is not intended to create and does not create any rights in or benefits to any third party, nor will it be deemed to confer rights or remedies upon any person or legal entity not a party to this Agreement.

20. Indemnification

IN THE EVENT HUD DETERMINES A CDBG-FUNDED CONTRACTOR HAS VIOLATED FEDERAL RULES AND REGULATIONS AND HUD REQUIRES REPAYMENT OF CDBG FUNDS, THEN CONTRACTOR SHALL REPAY ANY CDBG FUNDS WITHIN 90 DAYS OF A WRITTEN REQUEST FROM CITY.

Contractor shall indemnify, defend, and hold harmless the City, and its officers, employees, and agents ("City indemnitees"), from and against any and all causes of action, claims, liabilities, obligations, judgments, or damages, including reasonable legal counsels' fees and costs of litigation ("claims"), arising out of the Contractor's performance of its obligations under this agreement or out of the operations conducted by Contractor, including the City's active or passive negligence, except for such loss or damage arising from the sole negligence or willful misconduct of the City. In the event the City indemnitees are made a party to any action, lawsuit, or other adversarial proceeding arising from Contractor's performance of this agreement, the Contractor shall provide a defense to the City indemnitees, or at the City's option, reimburse the City indemnitees their costs of defense, including reasonable legal counsels' fees, incurred in defense of such claims.

21. Entire Agreement

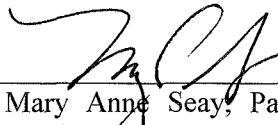

This Agreement constitutes the entire agreement between CONTRACTOR and CITY with respect to the subject matter hereof and supersedes all previous negotiations, proposals, commitments, writings, advertisements, publications and understandings of any nature whatsoever unless expressly included in this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective officers thereunto duly authorized on the date first written above.

CITY OF MADERA
COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)
PUBLIC SERVICE PROPOSAL APPLICATION
2017/2018

AGENCY/PROGRAM INFORMATION

DATE SUBMITTED: March 16, 2017

Legal Name of Agency: City of Madera - Parks & Community Services Department

Program Name: Senior Services

Agency Address: 701 East 5th Street

City/Zip: Madera / 93638 Telephone: (559) 661-5495

Program Director: Mary Anne Seay FAX: (559) 675-3827

SUMMARY OF COMMUNITY NEED OR PROBLEM TO BE ADDRESSED: (Describe the community need or problem to be addressed by the proposed program. State how and by whom the need was identified. All research documentation must be acknowledged.)

The City of Madera's Parks and Community Services (PCS) Department offers programs and services for the senior citizens of Madera. Seniors are defined as individuals 60 years of age and older. In recent years, staff has charted increased attendance in each of our program areas as a result of aggressive CDBG goals, an improved marketing strategy and an increasing senior population. While the interest and demand for senior services continue to grow in Madera, revenues have continued to decline in each of the last several years. Without additional sources of funding, the City of Madera would have no recourse but to reduce existing service-levels to Madera's seniors.

PCS employees manage senior services and programs at three congregate sites in addition to providing home-bound meal deliveries (Meals on Wheels) throughout the City. Staff is seeking Community Development Block Grant (CDBG) resources in the amount of \$100,000 to support staffing, supplies and associated programming costs for our suite of senior activities which include: 1. the Meals on Wheels program; 2. Recreation and enrichment at our three congregate sites; and 3. nutrition/meal programs at each of the three congregate senior service locations. The congregate locations are located throughout Madera's disadvantaged neighborhoods at: the Frank Bergon Senior Center, the Pan-Am Community Center, and the Adult Day Care (ADC) Facility.

As introduced more generally above, requested CDBG funding would enable the City to continue to host and enhance the following programs and services for seniors:

- a) **Meal Program** - The City of Madera provides a nutritious and balanced meal five days per week throughout the year, excluding holidays. The Meals on Wheels portion of the program delivers a minimum of five nutritious meals per week to qualified home-bound seniors. When resources are available from the funding source (Fresno Madera Agency on Aging (FMAAA)), additional meals (breakfast, snacks and/or shelf stable meal packages) are also provided.

- b) **Wellness and Nutrition Programs** - Fitness and wellness programming takes place at all three locations. Programs offered throughout the week include: Tai-Chi, Zumba, aerobics, walking, chair exercise, water aerobics, yoga, dance instruction, and others.
- c) **Recreation and Educational Activities** - The City augments its daily service for seniors with a variety of recreation and educational programming that includes safety discussions led by local law enforcement, technology related programs, genealogy classes, arts & crafts programs, ceramics classes, educational speakers, games, inter-generational programming, cooking classes, social dances, a wide variety of local and regional excursions, and other programs.
- d) **Adult Day Care** - Meal and recreation programs for seniors with special needs are offered at the City of Madera's Adult Day Care (ADC) Center; programming at this facility is designed exclusively for seniors who have dementia (including Alzheimer's), Parkinson's disease or other related health issues. The program provides needed respite for family members and caregivers.

The three senior sites offer programming and services that are located throughout the City benefitting many of Madera's seniors and their families. The Meals on Wheels Program is also offered throughout the City limits. Without the City's senior programs, many program participants would live in isolation without the guarantee of consuming at least one nutritious meal each day. In addition, the recreation and fitness components provide an opportunity for social interaction, engagement, improved vitality and overall increased wellness. Our participants frequently describe our senior programming as their home away from home. In many cases, our services are the only nutritional, social and continued education services received by our participants. The attached letters illustrate some of these points.

EXISTING SERVICES: List other agencies currently addressing the need or problem described above. (Attach sheets if necessary.)

No other Madera-based agency offers the home delivered and congregate meal services and the variety and accessibility of programs within the City limits that are offered by the City's Parks and Community Services Department.

Explain how your program supplements or complements existing services without duplicating them. (Attach sheets if necessary.)

CLIENT POPULATION

Indicate the total number of potential clients in the community who require your services.

The senior population of The City of Madera is estimated to be 6,129 which is 8.8% of the total population of the City according to the most recent census data.

State the total number of unduplicated clients you intend to serve during the term of this proposed program/service (12 months)

None of the 6,129 seniors are exempt from our programs and services, but our program is limited by room-size as well as staffing and other capacity issues. We estimate that we could serve up to 770 unduplicated seniors annually in the various programs and special events provided for area seniors.

If this program was funded last year, has there been a change in the composition of the target population to be served and/or shift in the geographic target area?

_____ Yes

_____ X No

If yes, explain: N/A

Provide the following demographic information for the total number of unduplicated clients as indicated above:

EFFECTIVENESS AND EFFICIENCY

Describe the method used to measure the effectiveness (outcomes) of services. Identify measurable goals and objectives. Attach a copy of the program's evaluation documentation.

Goal #1: The City will implement new local and regional recreational and educational programs for seniors. Participants will self-report a greater understanding of their community and a healthier life style.

Objective #1: The City will provide regional excursions that expose seniors to art galleries, special cultural events, garden exhibits, farmer's markets, and marketplace experiences that promote lifelong learning of the arts and exposure to various cultures.

Objective #2: The excursions will provide the senior with opportunities to socialize, exercise through walking, shop for healthy fruits and vegetables and promote a better quality of life.

Goal #2: The city will implement new wellness and recreation programs for seniors. Participants will self-report greater life satisfaction and wellness as a result of participating in City provided programming.

Objective #1: The City will provide wellness presentations and programs for seniors to socialize and meet new friends thus providing a wellness experience that promotes healthier self-esteem.

Objective #2: The City will provide a monthly social dance program for seniors to interact and socialize. The art of dancing is a great exercise activity that provides greater range of motion movement, better balance and a sense of wellbeing.

The City of Madera's Senior Service Programs have a system of checks and balances to ensure efficiencies, goal achievement and quality service. In addition to regular site visits, staff observation, employee evaluations, and program audits, we distribute and collect regular customer satisfaction surveys. The data collected from these surveys is compiled, analyzed and used as a means to grow and improve service. (See attached employee evaluation, visitation check-list, and customer satisfaction service survey.)

What National Objective does your program meet?

The City of Madera Senior Service Program meets the national objective of benefiting low and moderate income persons. Most program participants in the City of Madera meet the low income criteria. In the rare circumstance where this is not the case, all program participants are seniors and therefore meet the qualifications as defined by CDBG.

Describe what measureable objectives your program meets?

Objective #1: The program areas listed above will each achieve at least a 10% increase in unduplicated clients over the grant period.

Objective #2: The program areas listed above will each achieve at least a 10% increase in duplicated services provided over the grant period.

Objective #3: The average score on self-reporting surveys for life satisfaction will rise 10% over the grant period.

Objective #4: The average score on self-reporting surveys for wellness will rise 10% over the grant period.

How will your program meet its goals in one year?

The City of Madera Senior Services Program will meet its goals by monitoring monthly meal consumption and quarterly reports that demonstrate goals and objectives are being met to ensure low and moderate income persons are receiving meals, social interaction and recreation programming detailed in this grant application.

How does your proposal support the Vision Plan Madera 2025 Action Plan?

The City of Madera's Senior Services Program supports the Vision 2025 Action Plan in the specific target areas of strategies #337 and #342 by providing intergenerational activities and vocational opportunities for seniors. Strategy #337 is to develop programs for Maderans of all ages with an

emphasis on youth and senior activities. Strategy #342 is to ensure there are paid and volunteer opportunities for Madera's seniors.

SERVICE FUNDING

What financial resources, other than City are available for this program? Have applications for other funds been submitted? Explain. If funds other than CDBG are proposed, please provide supporting documentation/letters of commitment.

- a) The Fresno Madera Area Agency on Aging (FMAAA) offers grant funding to help offset costs of senior services programs.
- b) Some seniors make anonymous voluntary donations to the program. The suggested donation is \$1.75/ meal. Seniors are NOT denied a meal and City staff does not track who donates resources and who does not.
- c) The City of Madera's General Fund.
- d) Other fund raising efforts occur periodically throughout the year; modest support of senior programs is achieved through fund-raising.

Describe in detail all proposed plans for fund raising for this program. What is the projected net income from fund raising? If net fund raising is not increasing, please explain (be specific).

As mentioned earlier, this request is to cover increasing costs of doing business for an increased number of participants in the City of Madera. The overall budget for the three senior sites and homebound meal program is estimated to be about \$433,094 for the upcoming 2017-18 Fiscal Year. FMAAA grants are anticipated to offset this figure by \$71,563. Funding support from the FMAAA is likely to remain relatively consistent in the upcoming fiscal year, but specific funding amounts are not communicated to staff until well after the CDBG selection process and the City of Madera's Budget building process have been completed.

Voluntary donations for the current fiscal year are projected to be shy of \$19,000. These voluntary contributions have declined significantly over the last several years and have not recovered in step with the economic recovery. City staff project \$19,000 in donations for the upcoming fiscal year. The City's General Fund available to the Parks and Community Services Department has also decreased in step with the economic down-turn and final budget numbers are not yet available for next Fiscal Year. This reduction has impacted the service delivery plan for senior programs, while CDBG and FMAAA grant awards make continued programming possible.

What was done to receive public input/participation? Please provide details. What did the public input/participation identify? Include documentation of support for the proposal such as meeting minutes, letters and petitions.

The City of Madera surveys senior program participants annually and receives feedback from the Park and Recreation Advisory Board and the City of Madera Vision 2025 subcommittee.

**THIS PAGE
LEFT BLANK**

These groups meet regularly to discuss various topics and to give valuable input on programs and services, including those for seniors. Survey results and community feedback data are analyzed and program planning is implemented to meet the needs of participants as a direct result of feedback data.

The City of Madera has also hosted community meetings to seek feedback from seniors on the allocation of resources. Staff continues the practice of including participant feedback in program development. This occurs through formal evaluations and surveys as well as more casual conversation between staff and program participants. Valuable input from seniors continues to influence the provision of services. Seniors identified various areas of interest; the top three areas of requested change in the last survey are:

1. Increasing hours of operation at senior centers.
2. Increasing senior programming during added hours of operation.
3. Increasing healthy food choices in the meal program.

If service is offered outside the Madera city limits, include the list of funding sources and supporting documentation/letters of commitment that support these program services.

The City of Madera does not offer service outside of the Madera City limits.

When there is an overflow of clients, how is it determined whom to serve?

The City of Madera has not had an issue with an overflow of clients for the congregate meal program. The Home delivered meal program has a waiting list system in effect to serve the overflow of clients, additional resources helps to reduce the waiting list. We have increased the number of recreation and fitness programs to accommodate the increased interest, including additional and more regular field trips. Trips are offered on a first come/first served basis and they have filled up from time to time. When possible, a second bus is ordered.

Is income criteria used to establish eligibility for services?

_____ Yes X No (If yes, attach a copy of the criteria.)

Is a fee schedule used?

_____ Yes X No (If yes, attach a copy of fee schedule.)

SPONSORING AGENCY MANAGEMENT

CORPORATION DIRECTORS:

How often does the Board meet?

The Madera City Council meets twice per month; once on the first Wednesday and once on the third Wednesday of each month. In the event a regularly scheduled meeting lands on a holiday, the Council meets the following business day.

What was the average number of Board members attending meetings last year?

The average number of members at meetings last calendar year was six (6). It should be noted that in November of 2012, the City of Madera moved from five (5) at large elected Council Members with a rotating annual Mayor to having six (6) Council Members elected by district and one (1) four year Mayor.

To whom it may concern;

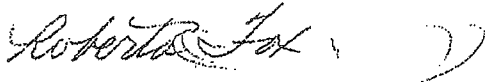

I'm writing you to inform you how much the Pan Am Senior Program is a very important part of our lives as seniors living in this community.

It's not only a place to socialize but much more. For us older citizens socialization is crucial for depression, loneliness, mental cognitive function. It is a safe place to congregate with others for nutrition, arts and crafts, karaoke, dancing, exercise, and other positive activities that would not exist for us if not for this program.

I personally look forward to a long term of these services. It has become a part of my life that I'm not prepared to lose. I am very impressed with the work of Susan Gonzales, whom is a fine person, but as a friend to all of seniors here.

Thank you again for this opportunity to express my appreciation of this community service program.

Sincerely,

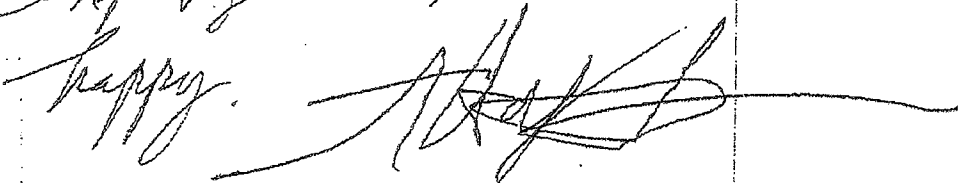

Roberta Fox

I have been coming to Lusk Senior Center for the past three years and has had a great impact on my life.

I have enjoyed meeting and greeting people here. I have been also eating the lunches here. The staff have been of great help for information that I was given. Such as bus information, health and things to do in Madison.

I also like playing pool here with the gentlemen that play pool. I've made a few friends male and female alike. I greatly appreciate what the center has done for me.

Sincerely

I, Krystle Kidwell, am writing this short letter from the bottom of my heart to thank everyone involved in funding & staffing this program at Modern Adult Day Care Center.

Both my husband and I have observed tremendous improvements of my Mom's mood & behavior since she was first accepted to the Center this April.

All the exercises, activities and the loving care from the Staff ^{has} played an important role in her well-being. The knowledge from the Coordinator has provided the family members significant support to cope with the stress from this unfortunate illness.

I can't find adequate words to express my appreciation of this wonderful program, but keep all involved in our thoughts & prayers!

INSTRUCTIONS for the RACE and ETHNIC DATA REPORTING FORM

A. General Instructions

This form is to be completed by individuals wishing to be served (applicants) in programs assisted by the Department of Housing and Urban Development.

1. The two ethnic categories you should choose from are defined below. You should check one of the two categories.
 1. **Hispanic or Latino.** A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. The term "Spanish origin" can be used in addition to "Hispanic" or "Latino."
 2. **Not Hispanic or Latino.** A person not of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.
2. The five racial categories to choose from are defined below. You should check as many as apply to the individual.
 1. **American Indian or Alaska Native.** A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.
 2. **Asian.** A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand and Vietnam.
 3. **Black or African American.** A person having origins in any of the black racial groups of Africa. Terms such as "Haitian" or "Negro" can be used in addition to "Black" or "African American."
 4. **Native Hawaiian or Other Pacific Islander.** A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.
 5. **White.** A person having origins in any of the original peoples of Europe, the Middle East or North Africa.

Expires: December 26, 2001

Subject: Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds -- Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act

I. Purpose

The purpose of this Notice is to remind recipients of Federal funds under the Community Development Block Grant (CDBG) Program of their obligation to comply with Section 504 of the Rehabilitation Act of 1973, HUD's implementing regulations (24 CFR Part 8), the Americans with Disabilities Act, (ADA) and its implementing regulations, (28 CFR Parts 35, 36), and the Architectural Barriers Act (ABA) and its implementing regulations (24 CFR Parts 40, 41) in connection with recipients' non-housing programs. This Notice describes key compliance elements for non-housing programs and facilities assisted under the CDBG programs. However, recipients should review the specific provisions of the ADA, Section 504, the ABA, and their implementing regulations in order to assure that their programs are administered in full compliance.

Applicability

This Notice applies to all non-housing programs and facilities assisted with Community Development Block Grant Funds (e.g. public facilities and public improvements, commercial buildings, office buildings, and other non-residential buildings) and facilities in which CDBG activities are undertaken (e.g., public services). A separate Notice is being issued concerning Federal accessibility requirements for housing programs assisted by recipients of CDBG and HOME program funds.

II. Section 504 of the Rehabilitation Act of 1973

Section 504 of the Rehabilitation Act of 1973, as amended, provides "No otherwise qualified individual with a disability in the United States ... shall, solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance...". HUD's regulations implementing the Section 504 requirements can be found at 24 CFR Part 8.

Distribution: W-3-1

Part 8 requires that recipients ensure that their programs are accessible to and usable by persons with disabilities. Part 8 also prohibits recipients from employment discrimination based upon disability.

The Section 504 regulations define "recipient" as any State or its political subdivision, any instrumentality of a State or its political subdivision, any public or private agency, institution organization, or other entity or any person to which Federal financial assistance is extended for any program or activity directly or through another recipient, including any successor, assignee, or transferee of a recipient, but excluding the ultimate beneficiary of the assistance. (24 CFR §8.3) For the purposes of Part 8, recipients include States and localities that are grantees and subgrantees under the CDBG program, their subrecipients, community-based development organizations, businesses, and any other entity that receives CDBG assistance, but not low and moderate income beneficiaries of the program. CDBG grantees are responsible for establishing policies and practices that they will use to monitor compliance of all covered programs, activities, or work performed by their subrecipients, contractors, subcontractors, management agents, etc.

Non-housing Programs

New Construction -- Part 8 requires that new non-housing facilities constructed by recipients of Federal financial assistance shall be designed and constructed to be readily accessible to and usable by persons with disabilities. (24 CFR §8.21(a))

Alterations to facilities -- Part 8 requires to the maximum extent feasible, that recipients make alterations to existing non-housing facilities to ensure that such facilities are readily accessible to and usable by individuals with disabilities. An element of an existing non-housing facility need not be made accessible, if doing so, would impose undue financial and administrative burdens on the operation of the recipients program or activity. (24 CFR §8.21 (b))

Existing non-housing facilities - A recipient is obligated to operate each non-housing program or activity so that, when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. (24 CFR §8.21 (c))

Recipients are not necessarily required to make each of their existing non-housing facilities accessible to and usable by persons with disabilities if when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. 24 CFR §8.21(c)(1) Recipients are also not required to take any action that they can demonstrate would result in a fundamental alteration in the nature of its program or activity or cause an undue administrative and financial burden. However, recipients are still required to take other actions that would not result in such alterations, but would nevertheless ensure that persons with disabilities receive the benefits and services of the program. (24 CFR §8.21(c)(iii))

Historic Preservation - Recipients are not required to take any actions that would result in a substantial impairment of significant historic features of an historic property. However, in such cases where a physical alteration is not required, the recipient is still obligated to use alternative means to achieve program accessibility, including using audio-visual materials and devices to depict those portions of

an historic property that cannot be made accessible, assigning persons to guide persons with disabilities into or through portions of historic properties that cannot be made accessible, or otherwise adopting other innovative methods so that individuals with disabilities can still benefit from the program. (24CFR §8.21(c)(2)(ii))

Accessibility Standards

Design, construction, or alteration of facilities in conformance with the Uniform Federal Accessibility Standards (UFAS) is deemed to comply with the accessibility requirements for nonhousing facilities.

Recipients may depart from particular technical and scoping requirements of UFAS where substantially equivalent or greater accessibility and usability is provided. (24 CFR §8.32) For copies of UFAS, contact the HUD Distribution Center at 1-800-767-7468; deaf, hard of hearing, or speech-impaired persons may access this number via TTY by calling the Federal Information Relay Service at 1-800-877-8339.

Where a property is subject to more than one law or accessibility standard, it is necessary to comply with all applicable requirements. In some cases, it may be possible to do this by complying with the stricter requirement, however, it is also important to ensure that meeting the stricter requirement also meets both the scoping and technical requirements of overlapping laws or standards.

Employment

Section 504 also prohibits discrimination based upon disability in employment. See 24 CFR Part 8, Subpart B.

Section 504 Self Evaluations

The Section 504 regulations required recipients of Federal financial assistance to conduct a self-evaluation of their policies and practices to determine if they were consistent with the law's requirements. This self evaluation was to have been completed no later than July 11, 1989. Title II of the ADA imposed this requirement on all covered public entities. The ADA regulations required that ADA self evaluations be completed by January 26, 1993, although those public entities that had already performed a Section 504 self evaluation were only required to perform a self-evaluation on those policies and practices that had not been included in the Section 504 review.

The regulatory deadlines are long past. However, self-evaluation continues to be an excellent management tool for ensuring that a recipient's current policies and procedures comply with the requirements of Section 504 and the ADA.

Involving persons with disabilities in the self-evaluation process is very beneficial. This will assure the most meaningful result for both the recipient and for persons with disabilities who participate in the recipient's programs and activities. It is important to involve persons and/or organizations representing persons with disabilities, and agencies or other experts who work regularly with accessibility standards.

Important steps in conducting a self-evaluation and implementing its results include the following:

- Evaluate current policies and practices and analyze them to determine if they adversely affect the full participation of individuals with disabilities in its programs, activities and services. Be mindful of the fact that a policy or practice may appear neutral on its face, but may have a discriminatory effect on individuals with disabilities.
- Modify any policies and practices that are not or may not be in compliance with Section 504 or Title II and Title III of the ADA regulations. (See 24 CFR Part 8 and 28 CFR Parts 35, 36.)
- Take appropriate corrective steps to remedy those policies and practices which either are discriminatory or have a discriminatory effect. Develop policies and procedures by which persons with disabilities may request a modification of a physical barrier or a rule or practice that has the effect of limiting or excluding a person with a disability from the benefits of the program.
- Document the self-evaluation process and activities. The Department recommends that all recipients keep the self-evaluation on file for at least three years, including records of the individuals and organizations consulted, areas examined and problems identified, and document modifications and remedial steps, as an aid to meeting the requirement at 24 CFR Part 8.55.

The Department also recommends that recipients periodically update the self-evaluation, particularly, for example, if there have been changes in the programs and services of the agency. In addition, public entities covered by Title II of the ADA should review any policies and practices that were not included in their Section 504 self-evaluation and should modify discriminatory policies and practices accordingly.

III. The Americans With Disabilities Act of 1990

The Americans With Disabilities Act of 1990 (ADA) guarantees equal opportunities for persons with disabilities in employment, public accommodations, transportation, State and local government services, and telecommunications. Unlike Section 504 which applies only to programs and activities receiving Federal financial assistance, the ADA applies even if no Federal financial assistance is given.

The U.S. Department of Justice enforces Titles I, II, and III of the ADA, although the Equal Employment Opportunity Commission investigates administrative complaints involving Title I.

Title I prohibits discrimination in employment based upon disability. The regulations implementing Title I are found at 29 CFR Part 1630. The Equal Employment Opportunity Commission (EEOC) offers technical assistance on the ADA provisions applying to employment.

These can be obtained at the EEOC web site www.eeoc.gov, or by calling 800-669-3362 (voice) and 800-800-3302 (TTY).

Title II prohibits discrimination based on disability by State and local governments. Title II essentially extended the Section 504 requirements to services, programs, and activities provided by States, local governments and other entities that do not receive Federal financial assistance from HUD or another Federal agency. CDBG grantees are covered by both Title II and Section 504. The Department of Justice Title II regulations are found at 28 CFR Part 35.

Title II also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. (28 CFR §35.151 (a) & (b)) Facilities constructed or altered in conformance with either UFAS or the ADA Accessibility Guidelines for Buildings and Facilities (ADAAG) (Appendix A to 28 CFR Part 36) shall be deemed to comply with the Title II Accessibility requirements, except that the elevator exemption contained at section 4.1.3(5) and section 4.1.6(1)(j) of ADAAG shall not apply. (28CFR §35.151(c))

Title II specifically requires that all newly constructed or altered streets, roads, and highways and pedestrian walkways must contain curb ramps or other sloped areas at any intersection having curbs or other barriers to entry from a street level or pedestrian walkway and that all newly constructed or altered street level pedestrian walkways must have curb ramps at intersections. Newly constructed or altered street level pedestrian walkways must contain curb ramps or other sloped areas at intersections to streets, roads, or highways. (28CFR §35.151(e))

The Title II regulations required that by January 26, 1993, public entities (State or local governments) conduct a self-evaluation to review their current policies and practices to identify and correct any requirements that were not consistent with the regulation. Public entities that employed more than 50 persons were required to maintain their self-evaluations on file and make it available for three years. If a public entity had already completed a self-evaluation under Section 504 of the Rehabilitation Act, then the ADA only required it to do a self-evaluation of those policies and practices that were not included in the previous self-evaluation. (28 CFR §35.105)

The Department of Justice offers technical assistance on Title II through its web page at www.usdoj.gov/crt/ada/taprog.htm, and through its ADA Information Line, at **202 514-0301 (voice and 202-514-0383 (TTY))**. The Department of Justice's technical assistance materials include among others, the Title II Technical Assistance Manual with Yearly Supplements, the ADA guide for Small Towns, and an ADA Guide entitled The ADA and City Governments: Common Problems.

Title III prohibits discrimination based upon disability in places of public accommodation (businesses and non-profit agencies that serve the public) and "commercial" facilities (other businesses). It applies regardless of whether the public accommodation or commercial facility is operated by a private or public entity, or by a for profit or not for profit business. The Department of Justice Title III regulations are found at 28 CFR Part 36. The Department of Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

IV. The Architectural Barriers Act of 1968

The Architectural Barriers Act of 1968 (ABA) (42 U.S.C. 4151-4157) requires that certain buildings financed with Federal funds must be designed, constructed, or altered in accordance with standards that ensure accessibility for persons with physical disabilities. The ABA covers any building or facility financed in whole or in part with Federal funds, except privately-owned residential structures. Covered buildings and facilities designed, constructed, or altered with CDBG funds are subject to the ABA and must comply with the Uniform Federal Accessibility Standards (UFAS). (24 CFR 570.614) In practice, buildings built to meet the requirements of Section 504 and the ADA, will conform to the requirements of the ABA.

V. HUD Resources Available Concerning Section 504

Further information concerning compliance with Section 504 may be obtained through the HUD web page (<http://www.hud.gov/fhe/504/sect504.html>). Additional assistance and information may be obtained by contacting the local Department of Housing and Urban Development Office of Fair Housing and Equal Opportunity field office. THE HOUSING AUTHORITY OF THE CITY OF MADERA
AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

This Agreement is entered into, effective on the date of July 1, 2017.

PARTIES:

The City of Madera, hereafter referred to as "CITY", and The Housing Authority of the City of Madera, hereafter referred to as the "CONTRACTOR."

RECITALS:

WHEREAS, the CITY has been designated as the sponsoring agency to administer and implement the program for the Community Development Block Grant (CDBG) activities of the CITY, and in accordance with the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and the laws of the State of California; and

WHEREAS, the Madera City Council has determined a project to upgrade the Pomona Ranch Housing Center's 50 units with air conditioning and heating to provide temporary residences and a continuum of care for homeless families with children during off-season during the colder winter months is eligible for funding under 24 CFR Part 570.201(c); and

WHEREAS, the CONTRACTOR is dedicated to ensuring the safety and protection of Madera and its community members through adequate first response to emergencies and to maintaining sufficient resources for expanding protection as the community grows; and

WHEREAS, the CONTRACTOR submitted a project plan and budget to purchase and install air conditioning and heating consistent with the intent and purpose of the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and which has been approved by the City Council.

NOW THEREFORE, the parties hereto agree as follows:

1. Services

The CONTRACTOR shall provide all services and responsibilities as set forth in the project design, which is attached to this Agreement, marked as Exhibit "A," and incorporated herein by reference.

2. Funding and Method of Payment

a. Compensation

Payments shall be made after receipt and verification of actual expenditures incurred by the CONTRACTOR in the performance of this Agreement and shall be documented to the CITY by the fifteenth (15th) day of the month following the end of the quarter. Allowable expenditures under

this Agreement are specifically established and attached hereto marked Exhibit "B" and incorporated herein by reference. The total CDBG obligation of the CITY under this Agreement shall not exceed \$157,536 in fiscal year 2017-2018. Any compensation not consumed by expenditures of the CONTRACTOR by the expiration of this Agreement shall automatically revert to the CITY.

b. Public Information

The CONTRACTOR shall disclose in all public information its funding source.

c. Lobbying Activity

The CONTRACTOR shall not directly or indirectly use any of the funds provided under this Agreement for publicity, lobbying, or propaganda purposes designed to support or defeat legislation pending before the Congress of the United States or the Legislature of the State of California.

d. Political Activity

The CONTRACTOR shall not directly or indirectly use any of the funds under this Agreement for any political activity or to further the election or defeat of any candidate for public office.

3. Fiscal Compliance

The CONTRACTOR shall be subject to the same fiscal regulations imposed on CITY by the U. S. Department of Housing and Urban Development for the use of Community Development Block Grant funds.

Program Income

CONTRACTOR shall report quarterly all program income as required under 24 CFR 570.503(b) (3) generated by activities carried out with CDBG funds made available under this contract. The use of program income by the CONTRACTOR shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the CONTRACTOR may use such income during the contract period for activities permitted under this contract and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unexpended program income shall be returned to CITY at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to CITY.

4. Compliance With Laws

If the CONTRACTOR receives CDBG funding under this Agreement, CONTRACTOR shall comply with all rules and regulations established pursuant to the Housing and Community Development Act of 1974 and its amendments and Uniform Administrative Requirements under 24

CFR 570.503(b)(4). The CONTRACTOR and any subcontractors shall comply with all applicable local, State and Federal regulations, including but not limited to those requirements listed in Exhibit "C" attached hereto and incorporated herein by reference.

Administrative Requirements/Financial Management/Accounting Standards

CONTRACTOR agrees to comply with 24 CFR 84.21-28 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

Costs Principles

CONTRACTOR shall administer its program in conformance with OMB Circulars A-122, "Cost Principles for Non-Profit Organizations," or A-21, "Cost Principles for Educational Institutions," as applicable. These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.

5. Contract Administrator

CITY shall retain the right to administer this Agreement so as to verify that CONTRACTOR are performing their obligations in accordance with the terms and conditions thereof. CONTRACTOR and CITY shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over matters the subject thereof.

6. Period of Performance

The CONTRACTOR shall commence performance under this contract July 1, 2017 and shall end its performance June 30, 2018, unless terminated sooner as provided for elsewhere in this Agreement. Agreement may be extended upon written approval of the CITY.

7. Records

a. Record Establishment and Maintenance

CONTRACTOR shall establish and maintain records in accordance with those requirements prescribed by CITY, with respect to all matters covered by this Agreement. CONTRACTOR shall retain all fiscal books, account records, and client files for services performed under this Agreement for at least three (3) years from the date of the final payment under this Agreement or until all State and Federal audits are completed for that fiscal year, whichever is later. Pursuant to State and Federal law, it is the intent of the parties to this Agreement that the CONTRACTOR shall be reimbursed for actual costs incurred in the performance of this Agreement but that no profit is to accrue to the CONTRACTOR on account of such performance.

CONTRACTOR shall maintain all records required by the Federal regulations specified in 24 CFR 570.506, that are pertinent to the activities to be funded under this Agreement. Such records

shall include but not be limited to:

1. Records providing a full description of each activity undertaken;
2. Records demonstrating that each activity undertaken meets one of the National Objectives of the CDBG program;
3. Records required to determine the eligibility of activities;
4. Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with CDBG assistance;
5. Records documenting compliance with the fair housing and equal opportunity components of the CDBG program;
6. Financial records as required by 24 CFR 570.502, and 24 CFR 84.21-28; and
7. Other records necessary to document compliance with 24 CFR 570.503(b) (5).

b. Reports/Required Notifications

The CONTRACTOR shall submit reimbursement claims with substantiating invoices and time cards signed by both the employee and applicable Department Head/Authorizing Official. Reports shall consist of the Quarterly Reporting Form. This form is contained in Exhibit "A-1" attached hereto and incorporated herein by reference.

The CONTRACTOR shall also furnish to the CITY such statements, records, reports, data, and information as the CITY may request pertaining to matters covered by this Agreement. In the event that the CONTRACTOR fails to provide such reports, it shall be deemed sufficient cause for the CITY to withhold payments until there is compliance. In addition, the CONTRACTOR shall provide written notification and explanation to the CITY within five (5) days of any funds received from another source to conduct the same services covered by this Agreement.

CITY shall notify CONTRACTOR in writing within thirty (30) days of any potential State or Federal exception discovered during an examination. Where findings indicate that program requirements are not being met and State and Federal participation in this program may be imperiled in the event that corrections are not accomplished by CONTRACTOR within thirty (30) days, written notification shall constitute CITY's intent to terminate this Agreement.

CONTRACTOR shall report to CITY promptly and in written detail, each notice of claim of copyright infringement received by CONTRACTOR with respect to all subject data delivered under this Agreement. CONTRACTOR shall not affix any restrictive markings upon any data. If markings are affixed, CITY shall have the right at any time to modify, remove, obliterate, or ignore such markings.

c. CDBG Reporting Requirements

The CITY will inform CONTRACTOR in writing if CDBG funds are provided under this Agreement, which require CONTRACTOR to submit an application or to complete a record as an integral part of receiving these funds.

CONTRACTOR shall submit with each quarterly invoice copies of paid invoices/receipts, copies of cash receipts or checks used to pay each invoice submitted, copies of time cards and related pay stubs for reimbursement.

8. Assignment

CITY and CONTRACTOR may not assign, or transfer their obligation of this Agreement or any rights hereunder without the prior written consent of the other party.

9. Subcontracts

If the CONTRACTOR should propose to subcontract with one or more third parties to carry out a portion of those services described in Exhibit "A" insofar as it deems proper or efficient, any such subcontract shall be in writing and approved as to form and content by the CITY prior to execution and implementation. Any such subcontract, together with all other activities performed, or caused by the CONTRACTOR, shall not allow compensation greater than the total project budget contained in Exhibit

B. An executed copy of any such subcontract shall be received by the CITY before any implementation and shall be retained by the CITY.

The CONTRACTOR shall be responsible to the CITY for the proper performance of any subcontract. Any subcontractor shall be subject to all of the same terms and conditions that the CONTRACTOR is subject to under this Agreement. No officer or director of the CONTRACTOR shall have any direct monetary interest in any subcontract made by the CONTRACTOR. A direct monetary interest contrary to this paragraph shall be deemed to exist, if an officer or director of the CONTRACTOR is also an owner, officer, or director of a corporation, association, or partnership subcontracting with the CONTRACTOR.

In addition, if the CONTRACTOR receives CDBG funds under this Agreement, the subcontractor shall be subject to CDBG federal regulations, including those listed in Exhibit "C."

10. Conflict of Interest

No officer, employee, or agent of the CITY who exercises any function or responsibility for planning and carrying out of the services provided under this Agreement shall have any direct or indirect personal financial interest in this Agreement. The CONTRACTOR shall comply with all Federal, State and local conflict of interest laws, statutes, and regulations, which shall be applicable to all parties and beneficiaries under this Agreement and any officer, employee, or agent of the CITY.

11. Discrimination

Eligibility for Services

The CONTRACTOR shall prepare and make available to the CITY and to the public all eligibility requirements to participate in the program plan set forth in Exhibit "A." No person shall, on the grounds of race, color, national origin, sex, religion, age, or disability status, be excluded from participation in, and denied the benefits of, or be subjected to discrimination with respect to the services funded under this Agreement.

The CONTRACTOR'S services shall be accessible to the physically disabled, and the services of a translator, signer or assistive listening device shall be made available. CONTRACTOR, in its marketing materials, shall specify assistance to access its services is available for deaf and hard-of-hearing persons by calling 711 or 1-800-735-2929 and, for voice users, 1-866-735-2922 for TTY Relay Services. CONTRACTOR shall comply with requirements set forth in Exhibit D, Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds – Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act.

b. Employment Opportunity

The CONTRACTOR shall comply with the CITY policy, the Community Development Block Grant regulations, and the Equal Employment Commission guidelines, which forbids discrimination against any person on the grounds of race, color, national origin, sex, religion, age, familial status or disability status in employment practices. Such practices include retirement, recruitment advertising, hiring, layoff, termination, upgrading, demotion, transfer, rates of pay or other forms of compensation, use of facilities, and other terms and conditions of employment.

c. Suspension of Compensation

If an allegation of discrimination occurs, the CITY shall withhold all further funds until the CONTRACTOR can show by clear and convincing evidence to the satisfaction of the CITY that funds provided under this Agreement were not used in connection with the alleged discrimination.

d. Nepotism

Except by written consent of the CITY, no person shall be employed by the CONTRACTOR who is related by blood or marriage or who is a member of the Board of Directors or an officer of the CONTRACTOR. In the event HUD determines a CDBG-funded CONTRACTOR'S organization/agency operations violate federal rules and regulations with regard to nepotism and/or conducts business and a conflict of interest issue arises, then CONTRACTOR shall accept all responsibility to return any CDBG funds received from CITY.

12. Termination

a. This Agreement may be immediately terminated by CITY for cause where in the determination of CITY, any of the following conditions exist: (1) an illegal or improper use of funds, (2) failure to comply with any terms of this Agreement, (3) a materially incorrect or incomplete report, (4) an improper performance of services.

b. Any one of or combination of the above conditions will constitute grounds for suspension or termination of the Agreement. In no event shall any payment by the CITY hereunder constitute a waiver by the CITY of any breach of this Agreement or any default which may then exist on the part of the CONTRACTOR, nor shall such payment impair or prejudice any remedy available to the CITY with respect to the breach of default. When there is a breach of this Agreement, as defined by this section, the CITY may, in its sole discretion, immediately suspend or terminate this Agreement.

c. CITY shall have the option to terminate this Agreement without obligation of CITY to reimburse CONTRACTOR from the date the Federal or State Government withholds or fails to disburse funds to CITY, in the event such government withholds or fails to disburse funds, CITY shall give CONTRACTOR notice of such funding limitation or termination within a reasonable time after CITY receives notices of same.

d. Upon thirty (30) days written notice to the other party, either party may terminate this Agreement without cause. Notice shall be deemed served upon mailing.

13. Amendments

Adjustment of any line item within the total approved budget contained in Exhibit "B" or changes in the nature or scope of the program plan set forth in Exhibit "A" may be approved in writing by the City Administrator, or his designee.

14. Administration

The City of Madera Grants Administration Department shall administer this Agreement.

15. Evaluation

The CITY shall monitor and evaluate the performance of the CONTRACTOR under this Agreement to determine to the best possible degree the success or failure of the services provided under this Agreement and the adequacy of the program plan contained in Exhibit "A." The CONTRACTOR shall participate in evaluation of the program.

CONTRACTOR shall cooperate fully with CITY, State and Federal agencies, which shall have the right to monitor and audit all work performed under this Agreement.

CONTRACTOR shall also agree to on-site monitoring and personal interviews of participants, CONTRACTOR'S staff, and employees by appropriate CITY staff on at least a quarterly basis.

16. Governing Law

Any controversy or claim arising out of or relating to this Agreement which cannot be amicably settled without court action shall be litigated only in Madera, California. The rights and obligations of the parties and all interpretations and performance of this Agreement shall be governed in all respects by the laws of the State of California.

17. Reversion of Assets

The CONTRACTOR must obtain prior written approval from the CITY whenever there is any modification or change in the use of any property acquired or improved, in whole or in part, using CDBG funds. If any real or personal property acquired or improved with CDBG funds is sold and/or is utilized by the CONTRACTOR for a use which does not qualify under the CDBG program, the CONTRACTOR shall reimburse the CITY in an amount equal to the current fair market value of the property, less any portion thereof attributable to expenditures of non-CDBG funds. These requirements shall continue in effect for the life of the property. In the event the CDBG program is closed-out, the requirements of this Section shall remain in effect for activities or property funded with CDBG funds, unless action is taken by the Federal government to relieve the CITY of these obligations.

18. Breach of Agreement

In the event the CONTRACTOR fails to comply with any of the terms of this Agreement, the CITY may, at its option, deem the CONTRACTOR'S failure as a material breach of this Agreement and utilize any of the remedies set forth in 24 CFR 85.43 or that it deems appropriate. Should the CITY deem a breach of this Agreement material, the CITY shall immediately be relieved of its obligations to make further payment as provided herein. In addition to the Agreement being terminated by the CITY in accord with a material breach of this Agreement by the CONTRACTOR, this Agreement may also be terminated for convenience by the CITY in accord with 24 CFR 85.44.

19. No Third Party Beneficiaries

This Agreement is not intended to create and does not create any rights in or benefits to any third party, nor will it be deemed to confer rights or remedies upon any person or legal entity not a party to this Agreement.

20. Indemnification

IN THE EVENT HUD DETERMINES A CDBG-FUNDED CONTRACTOR HAS VIOLATED FEDERAL RULES AND REGULATIONS AND HUD REQUIRES REPAYMENT OF CDBG FUNDS, THEN THE CONTRACTOR SHALL REPAY ANY CDBG FUNDS WITHIN 90 DAYS OF A WRITTEN REQUEST FROM CITY.

Contractor shall indemnify, defend with legal counsel approved by City, and hold harmless City, its officers, officials, employees, and volunteers from and against all liability, loss, damage, expense, and cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with Contractor's negligence, recklessness, or willful misconduct in the performance of work hereunder, or its failure to comply with any of its obligations contained in this AGREEMENT, except such loss or damage caused by the sole active negligence or willful misconduct of the City. Should conflict of interest principles preclude a single legal counsel from representing both City and Contractor, or should City otherwise find Contractor's legal counsel unacceptable, then Contractor shall reimburse the City its costs of defense, including without limitation, reasonable legal counsel fees, expert fees, and all other costs and fees of litigation. The Contractor shall promptly pay any final judgment rendered against the City (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the Contractor's negligent, reckless, or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

Contractor obligations under this section apply regardless of whether or not such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by an Indemnitee. However, without affecting the rights of City under any provision of this agreement, Contractor shall not be required to indemnify and hold harmless City for liability attributable to the active negligence of City, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where City is shown to have been actively negligent and where City's active negligence accounts for only a percentage of the liability involved, the obligation of Contractor will be for that entire portion or percentage of liability not attributable to the active negligence of City.

Contractor agrees to obtain or cause to be obtained executed defense and indemnity agreements with provisions identical to those set forth in this Section from each and every Subcontractor and Subconsultant, of every Tier. In the event the Contractor fails to do so, Contractor agrees to be fully responsible to provide such defense and indemnification according to the terms of this Section.

21. Entire Agreement

This Agreement constitutes the entire agreement between the CONTRACTOR and CITY with respect to the subject matter hereof and supersedes all previous negotiations, proposals, commitments, writings, advertisements, publications and understandings of any nature whatsoever unless expressly included in this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective officers thereunto duly authorized on the date first written above.

Community Development Block Grant Application 2017-2018

Submitted by Linda Marie Shaw, Executive Director

HACM is dedicated to serving our community by providing quality housing, resources, capital improvements and other sustaining services that will improve the lives of families.

**CITY OF MADERA
COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)
PUBLIC SERVICE PROPOSAL APPLICATION
2017/2018**

JR

AGENCY/PROGRAM INFORMATION **DATE SUBMITTED: March 16, 2017**

Legal Name of Agency: Housing Authority of the City of Madera (HACM)

Program Name: Temporary Housing for Homeless Families at Pomona Ranch Housing Center

Agency Address: 205 N. G Street

City/Zip: Madera, CA 93637 Telephone: 559-674-5695

Program Director: Linda Shaw FAX: 559-674-5701

SUMMARY OF COMMUNITY NEED:

The 2015 Fresno Madera Continuum of Care Point-in-Time Count yielded a count of 264 homeless individuals in Madera. The majority of this population, 196 individuals, was listed as “unsheltered.” In 2016, the Madera Rescue Mission self-reported that they provided emergency/overnight shelter to 47 families – defined as an adult with at least one child under age 18.

The Pomona Ranch Housing Center is a 50-unit subsidized residential complex for migrant farm workers, which sits empty between November and March of each year at taxpayer expense. HACM aims to upgrade these residential units with air conditioning and heating units in order to provide temporary residences and a continuum of care for homeless families with children. Once the Pomona Ranch facilities have been upgraded for the colder winter months, each of the 50 residences will be made available to homeless families at no cost. The opportunity to re-purpose Pomona Ranch during its ‘off-season’ was proposed by Linda Shaw at HACM and supported by 2016 data provided the Madera Rescue Mission.

Currently, The Pomona Ranch Housing Center is a gated 50-unit complex, with 10 two-bedroom, 30 three-bedroom, and 10 four-bedroom units. All units have 1 bathroom. In the spring/summer/fall months, rent is paid by migrant workers on a daily basis and all utilities are included. Each unit has a stove, refrigerator, 1 folding table, 6 folding chairs, and 2 beds per bedroom. The center has a playground, soccer field, volleyball court, and 2 basketball courts. This center has an on-site laundry facility with coin operated machines and a daycare facility run and operated by the Madera County Community Action Partnership.

EXISTING SERVICES: *List other agencies currently addressing the need or problem described above.*

Madera Rescue Mission (overnight-only homeless shelter)

Explain how your program supplements or complements existing services without duplicating them.

The Madera Rescue Mission is an overnight-only shelter with separate facilities for men and women, which means that some children have to be housed separately from their mother and/or father, depending on their gender and age. The facilities are overnight-only, which means families don't have a place to stay or keep their belongings during the day.

The proposed housing program at Pomona Ranch will provide homeless families with up to approximately 5 months of secure temporary housing from November to March. This will create a sense of stability and security while also giving adults a safe space from which to seek out job opportunities and/or additional services. The HACM will work to provide families at Pomona Ranch with a continuum of care that involves collaborations and referrals to multiple community organizations that provide services to homeless families.

HACM has formed an ad hoc committee comprised of representatives from local agencies and organizations that have pledged to provide a continuum of care for homeless families at Pomona Ranch. This agency is comprised of: Linda M. Shaw, Executive Director, Housing Authority City of Madera; Jim Taubert, Executive Director, Successor Agency; Charles Rigby, Chairperson, HACM Board of Commissioners; William Oliver, Vice-Chairperson, HACM Board of Commissioners; Elizabeth Wisener, Community Svc. Program Mgr. – Community Action Partnership of Madera County (CAPMC); Mattie Mendez, Executive Director, CAPMC; Dennis Koch, Executive Director, Madera County Behavioral Health; Miguel Gonzalez, Program Mgr., Dept. Social Services; Van Do-Reynoso, Public Health Director, Madera County Public Health; Mike Unger, Madera Rescue Mission; and G. Chiramonte, Madera Police Department.

CLIENT POPULATION

Indicate the total number of potential clients in the community who require your services.

128 - 200

State the total number of unduplicated clients you intend to serve during the term of this proposed program/service (12 months)

128

If this program was funded last year, has there been a change in the composition of the target population to be served and/or shift in the geographic target area?

_____ Yes X No

If yes, explain: N/A

Provide the following demographic information for the total number of unduplicated clients as indicated above:

AGE	0 - 5	6 - 12	13 - 17	18 - 34	35 - 54	55 - 59	60 - 64	65 +
	51	34	13	20	29	1	0	0
GENDER	Female	83						
	Male	45						
FEMALE HEAD	46							

Race/Ethnicity:

Madera Rescue Mission did not provide ethnicity data for homeless families.

EFFECTIVENESS AND EFFICIENCY

Describe the method used to measure the effectiveness (outcomes) of services. Identify measurable goals and objectives.

HACM will measure the effectiveness of its program by the number of families with children that choose to reside at Pomona Ranch between the months of November and March.

What National Objective does your program meet?

This program meets the following CDBG National Objective: L/M Income Limited Clientele

Describe what measureable objectives your program meets

The program will “exclusively benefit a clientele who are generally presumed by HUD to be principally L/M income persons,” a definition that includes homeless persons.

How will your program meet its goals in one year?

HACM will assist homeless families needing shelter after the appropriate measures have been taken to ensure that Pomona Ranch residential units are safe and comfortable for families with children.

SERVICE FUNDING

What financial resources, other than City are available for this program? Have applications for other funds been submitted? Explain.

No additional funds have been committed for this project at this time. No other grant proposals for this project have been submitted at this time.

Describe in detail all proposed plans for fund raising for this program. What is the projected net income from fund raising? If net fund raising is not increasing, please explain (be specific).

HACM aims to support this project with CDBG grant funding.

What was done to receive public input/participation? Please provide details. What did the public input/participation identify? Include documentation of support for the proposal such as meeting minutes, letters and petitions.

See **Attachment A**, which highlights relevant sections from multiple public meetings.

If service is offered outside the Madera city limits, include the list of funding sources and supporting documentation/letters of commitment that support these program services.

See **Attachment B** for letters of support from Office of Migrant Services and CA Dept. Of Housing and Community Development.

When there is an overflow of clients, how is it determined whom to serve?

HACM has waiting lists for all programs. Families will be served on a first-come first-served basis.

Is income criteria used to establish eligibility for services?

4. Install pre-manufacture metal roof curb and seal replace shingles as needed.
5. Install new gas line for heater.
6. All new ducting per size per room and vents.
7. Install return duct.
8. Drop in 2-ton unit 14-seer and connect.

There are ten units at 632.5 sf. And thirty units at 713 sf. It takes 200 sf. per ton so these units are under 800 sf. and do not qualify for HVAC roof units.

The balance of units that are under 800 sf. we could use 1 1/2-ton mini split system were condenser is outside and A/C-Heating are inside cost for unit \$1,900.00 plus installation \$3,000.00 Total of \$4,900.00 per unit.

10 – 2-ton units installation \$95,000.00

10 – 1 1/2-ton mini split system A/C-Heating \$49,000.00

Grand total \$144,000.00

Thank you,

C. HEARINGS, PETITIONS, BIDS, RESOLUTIONS AND AGREEMENTS**C-1 Consideration of a Resolution Approving the Agreement with Lowe's for Low Flow Toilets and Authorizing the Chairperson to Execute the Agreement**

Executive Director Linda Shaw asked Nora Rivera, Migrant Center Supervisor to explain how the project was funded. Ms. Rivera stated that the Office of Migrant Services contacted our agency indicating that they wanted to proceed with low flow, water conservative toilets, shower heads, and aerators. The project was initially going to be funded by a grant that we did not receive, details were not provided. She stated that currently there is a healthy amount of money in the Operating Reserves which we were approved to use and move forward with the project. Ms. Rivera stated that she requested quotes from local vendors and Lowe's provided the lowest bid.

Chairperson Rigby stated that it was good to hear that the agency shopped local

Commissioner Holley, seconded by Commissioner Gallegos moved to approve. Motion carried unanimously.

C-2 Consideration of a Resolution Approving the Submission of the CDBG Application to request Funding to Retrofit Pomona Ranch Units and Authorizing the Executive Director to Sign the Agreement

Executive Director Linda Shaw stated that what we primarily need to do as part of Housing the Homeless at Pomona Ranch is to provide heating. Ms. Shaw stated that the heater units would cost around \$570 per unit, as well as other Capital Improvement Projects. She is requesting approval from the board to submit the application for CDBG funds.

Commissioner Medellin asked for a recap of the homeless project at Pomona Ranch.

Executive Director Linda Shaw stated that there have been several meetings with a larger Ad Hoc Committee led by Commissioner Oliver and Rigby. Other partners have also joined, such as Jim Taubert, CAPMC, and others from the community who are able to provide land and funding so we may go above and beyond Pomona Ranch at some point and time. She added that we are talking about putting up an edifice that might be a year around opportunity for people to be housed and provide supplemental services to go along with that, such as work experience. She stated that there is a lot to do around this project which continues to grow. The original focus was Pomona Ranch. Just recently she received affirmation from OMS, although they are struggling with getting guidelines to everyone across the state. Ms. Shaw stated that she believes we are in good shape. She added that our Housing Authority has never applied for CDBG funds before and sees this as a great opportunity to get our foot in that door and have money to begin working on the project.

Commissioner Oliver stated that the Ad Hoc committee is working with many different agencies and partners including CAPMC, Department of Social Services, and Fresno Continuum Care. One thing that we are also looking at leveraging for both our facilities and maybe potential grant funding in the future, is to look at potential match dollars for emergency services or emergency solutions grant money, which could also aid in these efforts. He added that as Ms. Shaw had mentioned, we decided it would be best to focus our efforts on existing infrastructure, and what better way than to put to use a building that sits vacant six months out of the year. Commissioner Oliver stated that all of our partners seem to be excited about the project. We are also looking into a tour with some of our partners at Fresno Continuum. This project is off to a good start so far and we appreciate Ms. Shaw's leadership.

Chairperson Rigby added that we have brought several other agencies to the table including the Police and Sheriff Department, several community health groups, Behavioral Health, as well as Neighborhood Revitalization. We are currently seeing a collective community effort trying to work towards a common goal. This pilot program will be something we hope to hang our hat on.

Commissioner Medellin thanked everyone involved for their efforts so far.

Commissioner Medellin, seconded by Commissioner Oliver moved to approve. Motion carried unanimously.

E. ADMINISTRATIVE REPORTS

E-1 Presentation of Audit (Informational Only) – Price Paige & Company – David Dybas

Financial Services Manager Sally Bompreszi introduced Dave Dybas, Audit Manager-Price Paige & Company, Clovis, CA; who presented a brief overview of the agency's audit. He stated the Housing Authority experiences a level of scrutiny as far as internal controls of compliance because of the large amounts of federal funding it receives. Mr. Dybas stated that since it was Government Auditing Standards and because of the single audit and the Government Funding that is received, we have two reports. The first report is the Independent Audit Report and the Governments Auditing Standards report as well as the single audit. In regards to compliance, the Government Auditing Standards as well as the Uniform Guidance, we did have one finding. He stated that it was the calculation of the tenants income, that amount decides how much the Housing Authority's portion is going to be paid, opposed to the amount the tenant is going to pay. There were four instances out of sixty, which was a large improvement. He stated that last year, Linda was just coming aboard and there was new staff in training. He added that since then they have done a great job. Mr. Dybas stated that although there was a finding, but it is not to the severity that it was last year. He stated that staff went above and beyond to make sure that the files were starting to come together and that staff was receiving training.

Chairperson Rigby stated to Ms. Shaw that in regards to the finding on the Government Auditing Standards, he asked if this would be something that could be under control next year. He asked if it was due to the agency not documenting the amount of income being taken in by tenants.

Ms. Shaw stated that when she came aboard, the files were not complete giving the reason a few more staff were hired and separated that out so that program would report directly to her. She added that over the past year they have worked on cleaning up as many files as they possibly could before the audit, but there were still a couple of files that were not in order. Ms. Shaw stated the just as Mr. Dybas indicated it improved a great deal and she believes by next year the agency will be clear.

F. EXECUTIVE DIRECTOR REPORT

F-1 CPS HR Consulting Compensation Study and Request that an Ad Hoc Committee be appointed to work with Executive Director

Executive Director Linda Shaw stated that she previously sent to all Commissioners a copy of the Compensation Study. She stated that she along with the Finance Department found a few issues with the study. Due to the complexity of the study she requested an Ad Hoc Committee to

work through the study and make decisions on what part of the study will be validated and if so, how do we get that money into the hands of our employees.

Chairperson Rigby asked if any of the Commissioner would be interested in assisting Ms. Shaw in this process.

Commissioner Gallegos stated that she would like to be a part of the Ad Hoc Committee.

Commissioner Rodriguez stated that he would like to also be a part of the Ad Hoc Committee.

Chairperson Rigby appointed Commissioner Rodriguez and Commissioner Foley Gallegos to the Compensation Study Ad Hoc Committee.

F-2 Out-of-State Travel for Chairperson, Charles Rigby to attend the 2017 NAHRO Washington Conference in Arlington, VA – March 25 – March 28, 2017

Executive Director Linda Shaw stated that she is requesting approval for Chairman Rigby to attend a legislative conference in Washington, D.C. at the end of this month. She stated that for several reasons she is unable to attend, and Chairperson would be the best person to attend. We are in the process of setting up meetings with people of Congress. Meetings have already been set up with Senator Feinstein's office, Representative Costa, and meetings are pending with Linda Sanchez and Kamala Harris. In addition to those meetings the entire conference will be around talking to Legislatures directly about Affordable Housing, Immigration Issues, and others that are related.

Commissioner Oliver stated that it sounds like money well spent, and in addition to the Housing Authority he would imagine that there would be complimenting discussions for the City of Madera so he suggests reaching out to our consultant in Washington, D.C. and possibly assist with scheduling other meetings.

Chairperson Rigby asked Legal Counsel if this was an action item.

Legal Counsel, Brent Richardson stated the by-laws require approval formal approval for the Executive Director. He added that if Ms. Shaw is looking for a motion that Chairperson Rigby would need to abstain from it.

Commissioner Holley, seconded by Commissioner Gallegos moved to approve. Motion carried unanimously.

G. COMMISSIONER REPORT

Commissioner Robinson stated that he attended the Adult Probation Graduation Dinner on March 7, 2017. He added that it was nice to see eight individuals graduated and to see them take their first steps to improving their lives.

Commissioner Andrew Medellin passed the gavel to the Housing Authority Chairperson Derek O. Robinson, Sr. to conduct the Housing Authority portion of the meeting.

REORGANIZATION OF BOARD OF COMMISSIONERS

1. Selection of Chairperson

Chairperson Robinson asked Brent Richardson, Legal Counsel to address the reorganization of Chairperson and Vice Chairperson.

Mr. Richardson stated that some time ago by a resolution of the board which amended the by-laws, it provides an order of how the Chairperson and Vice Chairperson are selected, typically it is the person who has served the longest without being Chair and the Vice Chairperson usually

moves up to Chairperson which is Commissioner Rigby, provided he does not decline the position. He added that the appropriate vote for Vice Chairperson would be Commissioner Oliver.

Commissioner Rigby asked to abstain from voting.

Commissioner Jose Rodriguez nominated Commissioner Rigby as Chairperson of the Housing Authority of the City of Madera, seconded by Commissioner Holley. Motion carried with one abstention from Commissioner Rigby.

Commissioner Jose Rodriguez asked for future reference when someone is nominated can he vote for himself.

Mr. Richardson, Legal Counsel stated that yes that is allowed.

2. Selection of Vice Chairperson

The meeting was turned over to Chairperson Charles Rigby to continue with the meeting.

Chairperson Rigby stated that he was now opening up the session for nominations for Vice Chairperson.

Commissioner Gallegos nominated Commissioner Oliver as Vice Chairperson, seconded by Commissioner Robinson moved to approve. Motion carried unanimously.

Chairperson Rigby asked Recording Secretary, Alicia Gonzales to read the announcement.

Alicia Gonzales, Recording Secretary read the announcement which stated; Per government code 54957.5 members of the public are advised that less than 72 hours prior to this evenings meeting Items B-1 and B-2 were provided to the Board of Commissioners and staff. If you wish to obtain a copy of these items they are located on the podium. She also stated that it is also being requested at this time to pull agenda item B-8 from the Consent Calendar.

General Legal Counsel, Brent Richardson made clarification that Item B-8 was pulled from the agenda.

C. HEARINGS, PETITIONS, BIDS, RESOLUTIONS AND AGREEMENTS

- C-1 Consideration of a Resolution Approving Schedule of Accounts Chargeable to Collection Losses for the Farm Labor Program Quarter Ending December 2016

Executive Director Linda Shaw asked Martha Ramirez, Housing Services Manager to speak about Items C-1 and C-2

Housing Services Manager, Martha Ramirez stated that the write offs for Public Housing and Farm Labor Programs are amounts owing from the families that left the program with a balance due. She stated that after all efforts of collecting are exhausted, we then send the files to Medvetta Collection Agency. If Medvetta is unable to collect the balances, the balances are then brought to the Board as write-offs. Ms. Ramirez stated that as shown, the balances are low because we do try our best to collect.

Chairperson Rigby asked what the process of collection is.

Housing Services Manager, Martha Ramirez stated that when the family moves out they are provided with a balance due notice. She stated that if we see that there is no effort from the family to pay the balance, she contacts, visits, and attempts to collect. This process takes up to thirty days. If unable to collect, the file is sent to Medvetta Collection Agency. She also stated that if the collection agency is unable to collect, that is when the amounts are brought to the Board as a write off.

Commissioner Medellin stated that if the balance is not collected is the family then, for lack of better word; black listed.

Ms. Ramirez stated that if it is a Public Housing family they are placed on a HUD website, which is the debts owed website. She added that if they try to sign up anywhere in the United States their Social Security number and name is tagged. If they want to receive assistance they must pay their balance off in Madera first. Also, the tenant is sanctioned for seven years, they will not be able to receive Housing Authority assistance. The same rule applies to Rural Development, their system is not as sophisticated, however internally the information is kept. But most tenants usually do pay off the balance.

Commissioner Oliver, seconded by Commissioner Robinson moved to approve. Motion carried unanimously.

- C-2 Consideration of a Resolution Approving Schedule of Accounts Chargeable to Collection Losses for the Public Housing Program Quarter Ending December 2016

Commissioner Medellin, seconded by Commissioner Robinson moved to approve. Motion carried unanimously.

- C-3 Consideration of a Resolution Approving an Amendment to the Employment Agreement with Linda Shaw as the Executive Director and Authorizing the Chairperson to Execute the Amendment

General Legal Counsel, Brent Richardson stated that the Ad Hoc Committee met with Ms. Shaw and came up with recommendations and amendments to her contract regarding salary. He added that he prepared the amendment and is now before you for consideration.

Chairperson Charles Rigby stated that he was on the Ad Hoc committee when Ms. Shaw was hired, she was on a probationary period and the Ad Hoc that was made up of himself, Chairperson Medellin, and Chairperson Holley decided that it was fair to remove Ms. Shaw from her time of probation. He added that they all agreed that she has done a significant job to indicate that she is deserving of that time to be pulled off of probation, and we are glad to have her here and we hope to have her here for many years to come.

Commissioner Robinson, seconded by Commissioner Holley moved to approve. Motion carried unanimously.

F. EXECUTIVE DIRECTOR REPORT

F-1 Sexual Harassment Training

Executive Director, Linda Shaw stated that as the Board is aware there was an investigation. She stated that she took action with regard to the results of the investigation. She also stated that for future reference the Housing Authority staff will receive sexual harassment training, Maintenance especially. The training will take place in February.

F-2 1431 Riverview

Executive Director Linda Shaw stated that we have had a few conversations about the application to HUD for the purchase of the property at 1431 Riverview. She added that Mr. Meyer's has also contacted the Mayor to ask about the status of the application. Ms. Shaw stated that the Housing Authority is resubmitting the application to HUD. She added that she was concerned about the environmental that was done by Mr. Meyer's representative that it does not meet what HUD is requiring. She stated that she is moving forward and sending it to HUD and will allow HUD to make the rejection.

Chairperson Rigby asked if Ms. Shaw's concern was voiced to the applicant

Executive Director, Linda Shaw stated, yes.

F-3 Grant Writer Contract

Executive Director Linda Shaw stated that she was encouraged to look at the home funds, and in doing so there are some challenges with regard to the home fund. She stated that there are other funds available. She asked if she could step to Item F-5.

Chairperson Rigby stated yes, it is within your report.

Ms. Shaw stated that she would like to request the appointment of an Ad Hoc Committee to work with her on these issues because they are becoming a little more complicated and she does not want to free fall on her own. She stated that she would appreciate the appointment of an Ad Hoc Committee to work with her on the homeless/housing issues. She added that if for some reason the agency receives a lot of money, she has some really creative ideas about how to use the money, but she does not want to do that by herself.

Chairperson Rigby stated that for the record just for those who might not be in communication with you about the project, please inform the Commissioners and the public of some of the things that you are hoping to do with some of the finances that could be allocated through the searches of these grants and opportunities.

Ms. Shaw stated that the Pomona Ranch property is empty for five months during the year. It seemed appropriate to get a waiver from OMS to house homeless families or individuals in that property during the time it sits empty. She added that she has a call out to the OMS Director because she is getting mixed signals right now about whether or not they can go ahead and retro fit the units for heating. She stated that she is being told it is not allowed, then being told it will only require a separate agreement with OMS. Ms. Shaw stated that the other project that she is very excited about is building a homeless shelter on the Storey Road property. She added that if the agency receives enough money to do that, she would like to build a 25-40 bed unit. She also added that the homeless shelter would be open year around. They would work with the homeless shelter in place and with other agencies such as Behavioral Health and Community Action Partnership. Ms. Shaw stated that the Ad Hoc Committee could help her work through those issues.

F-4 Board Orientation

Executive Director Linda Shaw stated that she would like to set up an orientation for the newer members such as Commissioner Gallegos, Commissioner Rodriguez, and new incoming Chair and Vice Chair. She stated she added it to the agenda to ask if anyone else would like to participate.

Chairperson Charles Rigby stated that he would love to sit on the Ad Hoc committee, and if it is okay, along with Vice Chairperson Oliver. He added that he and Vice Chairperson Oliver have been working alongside Ms. Shaw and several other groups within the County and City limits with this issue of homelessness and the housing issues. He added that he is watching very carefully a program that is being started by a Madera County team that have four gentlemen that are living in apartments that have become available through some funding, which is a six month program. He also stated that Commissioner Oliver has made a suggestion of possibly connecting with some of the things we have seen come out of Fresno. Chairperson Rigby stated that he would like to appoint Vice Chairperson Oliver to the Ad Hoc Committee.

Commissioner Oliver stated that he would also like to be appointed to the Ad Hoc Committee.

Commissioner Rodriguez asked if it was a two or three member committee.

Chairperson Rigby stated that there can be up to three members without interfering with the Brown Act.

Commissioner Rodriguez stated that he would like to serve as an alternate if a member were to be absent.

Chairperson Rigby stated that under the advisory of the council he would like to maintain that the three names be associated with the Ad Hoc are, Chairperson Rigby, Vice Chairperson Oliver, and Commissioner Robinson.

G. COMMISSIONER REPORT

Commissioner Oliver shared a reminder that on January 26, 2017 there will be a Community Brainstorming Workshop between the City of Madera, Madera County Board of Supervisors, Madera Unified School District, and the Madera Arts Council regarding a feasibility study to create a Civic Center and Performing Arts Center in Madera. He added that this will be the first of several different community workshops. It will be held at 6:30pm – 8:30pm at the Madera South High School Multipurpose Room. He added that it would be a great opportunity for the Housing Authority to show some leadership with this project.

Commissioner Medellin congratulated Chairperson Rigby and Vice Chairperson Oliver, and a great thank you to the past Chairman Derek Robinson for doing a fantastic job this last year and for your service.

Commissioner Robinson stated that he enjoyed working with Linda Shaw and he praised her effort in bringing the Housing Authority up to the stratosphere.

Commissioner Holley stated that this Sunday at Martin Luther King Middle School, there will be a Martin Luther King program beginning at 2:30pm. He stated that if you can, come out to see what the young kids of our community have wrote about Martin Luther King.

Chairperson Rigby stated that he would like to thank his fellow Chair people for the nomination and he looks forward to serving as the Chair and working alongside Ms. Shaw and her incredible staff.

PUBLIC COMMENT:

Designated period of fifteen (15) minutes for members of the public to address the Housing Authority Board of Commissioners on matters of public interest.

Commissioner Robert L. Poythress passed the gavel to the Housing Authority Chairperson Derek O. Robinson, Sr. to conduct the Housing Authority portion of the meeting.

Late agenda item announcement was made by Recording Secretary, Alicia Gonzales. Per Government Code Section 54957.5, members of the public were advised, that less than 72 hours prior to this evening's meeting, copies of the attachment that were handed out were in-advertently left out of the agenda packets for the presentation item. The Investment Plan was distributed to members of the Board of Commissioners and staff.

PRESENTATION

Sally Bomprezzi stated that the presentation was related to agenda item C-1, Investment Policy. Lyle Defenbaugh, Client Relations Director for CalTRUST explained the connection between CalTRUST and Wells Fargo Asset Management. He stated that one of the requirements of the California Government Code and the Joint Powers Law that authorizes local agencies to create a JPA for purposes

of offering an investment program is that the JPA is required to retain an outside investment manager that meets certain criteria. They must have at least five years of experience managing the types of securities that local agencies can invest in and has a minimum of five hundred million dollars in assets under management. Mr. Defenbaugh described in his presentation the definition of CalTrust, Investment Options, and Wells Fargo Asset Management for Institutional Investors.

Vice Chairperson Rigby stated that the most recent activity with the Wells Fargo may or may not have an affect with the agencies decision to move forward with this company. He added that he is aware of several cities that have withdrawn their activity from using Wells Fargo Asset Management. The City of Chicago and several California cities have suspended the underwriting of municipal bonds and issues under Wells Fargo. He asked Mr. Defenbaugh for his comment on the current Wells Fargo situation.

Mr. Defenbaugh stated that what went on is indefensible, and what went on was on the retail banking side. Wells Fargo has three principal organizational units within the bank which include Retail Banking, Wholesale Banking, and Wealth and Investment Management. Wells Fargo Asset Management is under the Wealth and Investment Management category. He stated that the City of Chicago and the State of California does not include Wells Fargo Asset Management. Essentially the agencies that have suspended relations with Wells Fargo for one year falls under three different areas, the first is they will not consider Wells Fargo Investment Banking for the underwriting for any debt issues that they are undertaking for the next year, the second area is that they will not buy any Wells Fargo stocks or bonds into their portfolios, and third they are not going to buy any financial instruments from Wells Fargo Brokers that they may do business with. He stated that he has not seen any action taken by any agency that directly affects business with Wells Fargo Asset Management.

Vice Chairperson Rigby asked if the relationships have been stressed.

Mr. Defenbaugh stated that on his part he has reached out to as many investors in the CalTrust program to answer any questions and talk to them about their approach.

Executive Director Linda Shaw stated that she wanted to clarify that by no means are we agreeing to a contract with Wells Fargo tonight. Over the next couple of months what we hope to do is bring a couple more investment companies for the Board to review and think about to go along with the policy that Sally Bompreszi will speak about this evening.

Sally Bompreszi, Financial Services Manager stated that she was unaware of CalTrust until she spoke with the local Wells Fargo representative Donna Gonzalez. At that time we were looking into investing the LAIF funds and she then introduced Mr. Defenbaugh. Sally added, that is when it was realized the agency did not have an Investment Policy. She added that tonight's presentation was informational only.

C. HEARINGS, PETITIONS, BIDS, RESOLUTIONS AND AGREEMENTS

C-1 Consideration of a Resolution Approving Adoption of an Investment Policy for the Housing Authority of the City of Madera

Linda Shaw stated that the Housing Authority did not have a current Investment Policy and by law we need a policy on file.

Financial Services Manager, Sally Bompreszi stated that the last document related to an Investment Policy is a resolution dated July 5, 1988. The document states it is a resolution authorizing the investment of the Housing Authority of the City of Madera monies in local agency fund. She added that the resolution has not been revisited. The LAIF fund currently holds \$3.1 million dollars which is accruing .64%, and the money is currently not being used. We recently added \$350,000 to the LAIF fund, which was surplus money from Section 8. Sally added that she was recently advised in a training that, the Investment Policies and Cash Management Policies must be reviewed annually and the Board of Commissioners need to be updated on the Investments. She added that she recommends that adoption of the new Investment Policy with the Cash Management guidelines.

Vice Chairperson Rigby stated that he agrees to adopt the policy, but he would like to suggest creating an Ad Hoc Committee be formed that might accompany this policy. He added that he would like to volunteer Mayor Poythress to the Ad Hoc Committee.

General Legal Counsel, Brent Richardson stated that there is no Ad Hoc consideration as part of this item he suggests the requests for an Ad Hoc be brought back at the next meeting.

Vice-Chairperson Rigby, seconded by Commissioner Oliver, moved to approve. Motion carried unanimously.

F. EXECUTIVE DIRECTOR REPORT
F-1 Request Performance Evaluation

Executive Director Linda Shaw stated that she handed out to all Board Members information regarding her Performance Evaluation. She added that she would like to request a date to be set for a Closed Session hearing regarding the Performance Evaluation and an Ad Hoc Committee be set.

All Board Members agreed to the Closed Session item be presented at the next City Council Meeting on Wednesday, November 2, 2016.

F-2 Pomona Ranch – Homeless

Executive Director, Linda Shaw stated that she met with a couple of the Commissioners and staff about responding to the letter from OMS. Since the meeting with the Commissioners and Staff, an updated letter was received from OMS and forwarded to the Board of Commissioners. The letter stayed the same with the exception of a 30 day time limit for tenants to stay in housing. The most important decision made at the meeting was that we could not begin housing for the

homeless by this winter, and we would look at doing it over a period of 3 years. It was also decided to do 10 units per year over a period of 5 years. The good news is that the County has home funds available that we will seek to receive.

Commissioner Oliver stated that this may be introduced as a pilot project. We should also take the next several months as an opportunity to take in as many community partners.

Vice Chairperson Rigby stated that he wanted to reiterate that this is a pilot program and we want to be as slow to move with this as possible, only because we want to do it the correct way. We see this as a valuable opportunity to utilize resources that have been made available to us and to serve a community which needs it greatly. He added that he is looking forward to implementing a few ideas that he took in at League of Cities Conference and turn it into something that would be a great asset to our City.

Executive Director Linda Shaw stated that she is requesting permission to sign the OMS agreement and permission to apply for the Grant Funds. She stated that she believes that money would cover year one and year two's expenses.

General Legal Counsel Brent Richardson stated that an approval and agreement was not contemplated for this item. He added that if the item is time sensitive, it could be presented at the Special Meeting on November 2. He added that the only other option in certain cases, is to execute the contract then add it to the next board agenda as a ratification.

The Board agreed to add the OMS agreement to the November 2 Special Meeting of the Housing Authority.

F-3 Sale of Chowchilla Properties

Executive Director Linda Shaw stated that the MORES Board which is a nonprofit subsidiary company of the Housing Authority has given instruction to sell the properties at the end of the next six months. The reason they would like to sell the property is because it is hard to maintain without an onsite manager. Also, over the years the units have had a high vacancy rate and the units are not fully maintained. The MORES Board has approved a budget for the maintenance issues to be completed. She added that the occupancy rates have increased. She also added that the Victim Services Agency has shown interest in renting out any vacancies that we may have. Ms. Shaw stated that due to the nonprofit being attached to the Housing Authority that the Board should know that the MORES Board wants to sell the properties. She also stated that when the properties were appraised in 2013 the appraisal on the properties were higher than what they are being appraised at now. Currently the MORES Board owes \$804,000 to the bank and owes \$496,000 to the Housing Authority. At the MORES meeting in October we are going to ask them to begin paying back what they owe. Ms. Shaw added that two companies have recently shown interest in being property managers for the Chowchilla sites. It was recommended to the MORES Board to hold on to the properties as long as they can be kept full and maintained. The MORES Board agreed to keep them vacant and maintained for the next six months, but at the end of the six months they would like them sold.

Commissioner Oliver requested a MORES workshop to talk discuss MORES and its relationship to the Housing Authority. At that workshop it would be interesting to discuss and get more information about the history, formation, and Board of Directors. He added that he would like to see the workshop come together that way the Board of Commissioners is more aware of that entity and have a frame of greater reference.

Sally Bompreszi stated that in regard to MORES, Inc. it was supposed to be separate from the Housing Authority. She added that technically MORES should hire an employee that does the accounting for the nonprofit. She also stated that she encourages the workshop sooner rather than later. We are currently using our personnel to do the accounting, and it is supposed to be clearly separate.

Brent Richardson, Legal Counsel stated that he does not function as legal counsel to the MORES Board. He stated that he was only part of the formation of the nonprofit.

Commissioner Medellin stated that he agreed with Commissioner Oliver's assessment, we need to understand what our relationship is with the MORES Board. He added that we are responsible for the tenants and for the two properties, which is about 50 units. He stated that it is important to understand what our relationship is since we are responsible for the tenants. Mr. Medellin stated that he does remember in 2013 when the property was purchased, the units were filled quickly. He added that soon after, maintenance became an issue as well as vacancies. Now within a short time as Ms. Shaw has become director and changing the way our practices are done especially with maintenance, he has a question as to why the MORES Board is now interested in selling. Commissioner Medellin asked if there are bids for property managers.

Linda Shaw replied, stating that there are currently two bids for property managers.

Commissioner Poythress stated that two of the MORES Board members include Gary Svanda as well as a new Board Member Bill Glover who is a MAI Appraiser, he has a lot of knowledge with commercial appraisals. Mr. Glover took a look at the appraisals that were done for these properties and immediately found a lot of short falls in the appraisals that were done. It seems that from the beginning we paid more for the properties than we should have. Mr. Poythress added that the properties are a bit beat up, the idea was that money needs to be put into these properties before they could be marketed. But because of the distance between Chowchilla and Madera, the area where these properties are located, and the ongoing maintenance that the properties require, the Board has decided that it would be best to pursue a sale. Currently, there are no bids on the properties because they will not be for sale until spring 2017. He also added that once the units are filled, a period of time is needed to be able to show that they have been fully occupied for some time. Commissioner Poythress stated that this was a decision of efficiency and how effective could we really be, managing the properties from a distance.

Commissioner Medellin asked if the properties were sold would the option be to continue at low income housing or could it be sold to anyone.

Commissioner Poythress stated the sale would be open market.

Linda Shaw, Executive Director stated that she has asked Officer Villegas to briefly update the board on the status of his position at the Housing Authority.

Officer Juan Villegas stated that in the time he has been Officer for the Housing Authority a lot of changes have occurred. He stated that the residents are communicating their concerns, and building trust towards him. He added that he is making his rounds to all residents, introducing himself, handing out business cards and just letting residents know he is available to them. Officer Villegas stated that this has been a positive experience for him and the Housing Authority residents. He added that he will continue to work with the residents to bring trust back to the department and the Housing Authority.

G. COMMISSIONER REPORT

Vice Chairperson Rigby stated that on September 14, 2016 at approximately 4:30p.m. he received an email in regards to hearing from OMS on whether or not Pomona Ranch will be made available to housing the homeless of the City of Madera. He stated that OMS seems to be in favor of this idea, but there are some requirements that need to be met. He added that he is willing to make himself available to work on this project to meet the requirements OMS is asking, as well as represent the project to the Commission. He asked Ms. Shaw to state her opinion of the OMS letter she prepared.

Executive Director Linda Shaw stated that at this time she is recommending that she be allowed to caucus with her staff to go through each requirement given by OMS and prepare a recommendation to present to the board. She also added that she would like to recommend appointing an ADHOC Committee to include Commissioner Oliver and Vice Chairperson Rigby, to go through the list of requirements and make some preliminary conclusions and be prepared to present a plan in the upcoming October meeting.

Brent Richardson, Legal Counsel stated that the request for an ADHOC Committee was not on the agenda.

Ms. Shaw asked if she could conduct a meeting and invite those board members who would like to be involved, as long as it is not a quorum, then make a formal presentation at the board meeting in October.

Vice Chairperson Rigby stated the weather will begin to get cold and this is a timely matter. He added that he wants to make sure that the Housing Authority has enough time to prepare Pomona Ranch if this is the direction of the commission.

Chairperson Derek Robinson stated that he visited the Building Industry Luncheon at Pardini's Restaurant in Fresno, CA. He stated that he also attended the Executive League in the City of Tulare where he was notified that he will receive an award for Leadership at the next meeting.

RE: Pomona Ranch and the Homeless

Dear Mr. Rojas:

I represent the Madera Opportunity Resident Enrichment Services (MORES, Inc.) Board. This letter is being written in support of the application submitted to you by the Housing Authority of the City of Madera. Since 1968 the Housing Authority has provided affordable housing services to low and moderate income families, now they want to help resolve the issues of homelessness with our local community.

At this time, there are approximately 200 individuals and families on the street, without shelter, especially during winter months. The Housing Authority has a facility already in place that remains empty for a good part of the year. With some retrofitting and staffing this could be open to bring in families who are in need of shelter.

This is an important project for the City and for the people we serve. Homeless issues are at the forefront of a much larger national agenda and solutions will be a catalyst for future growth. I would hope that this application will be given serious attention and approval from decision makers. Thank you for your time and interest in our project.

Sincerely,

Herman Perez, Chairman

RE: Pomona Ranch and the Homeless

Dear Mr. Rojas:

We are aware of the funding request submitted by the Housing Authority of the City of Madera, asking your consideration of an application to house homeless families at Pomona Ranch. We fully support this project, and ask that you give the Housing Authority an opportunity to address the serious homeless problem facing our community.

As residents, we know what it's like to need affordable and safe housing; the Housing Authority has been in the business of providing shelter to those who need it and is in a position to provide continuous shelter in an effort to solve this problem.

Please give this application your fullest consideration and help the Housing Authority reach its goal of serving homeless families this winter.

Sincerely,

Notice CPD- 00-10

Issued: December 26, 2000

Expires: December 26, 2001

Subject: Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds -- Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act

I. Purpose

The purpose of this Notice is to remind recipients of Federal funds under the Community Development Block Grant (CDBG) Program of their obligation to comply with Section 504 of the Rehabilitation Act of 1973, HUD's implementing regulations (24 CFR Part 8), the Americans with Disabilities Act, (ADA) and its implementing regulations, (28 CFR Parts 35, 36), and the Architectural Barriers Act (ABA) and its implementing regulations (24 CFR Parts 40, 41) in connection with recipients' non-housing programs. This Notice describes key compliance elements for non-housing programs and facilities assisted under the CDBG programs. However, recipients should review the specific provisions of the ADA, Section 504, the ABA, and their implementing regulations in order to assure that their programs are administered in full compliance.

Applicability

This Notice applies to all non-housing programs and facilities assisted with Community Development Block Grant Funds (e.g. public facilities and public improvements, commercial buildings, office buildings, and other non-residential buildings) and facilities in which CDBG activities are undertaken (e.g., public services). A separate Notice is being issued concerning Federal accessibility requirements for housing programs assisted by recipients of CDBG and HOME program funds.

II. Section 504 of the Rehabilitation Act of 1973

Section 504 of the Rehabilitation Act of 1973, as amended, provides "No otherwise qualified individual with a disability in the United States ... shall, solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance...". HUD's regulations implementing the Section 504 requirements can be found at 24 CFR Part 8.

Distribution: W-3-1

Part 8 requires that recipients ensure that their programs are accessible to and usable by persons with disabilities. Part 8 also prohibits recipients from employment discrimination based upon disability.

The Section 504 regulations define "recipient" as any State or its political subdivision, any instrumentality of a State or its political subdivision, any public or private agency, institution organization, or other entity or any person to which Federal financial assistance is extended for any program or activity directly or through another recipient, including any successor, assignee, or transferee of a recipient, but excluding the ultimate beneficiary of the assistance. (24 CFR §8.3) For the purposes of Part 8, recipients include States and localities that are grantees and subgrantees under the CDBG program, their subrecipients, community-based development organizations, businesses, and any other entity that receives CDBG assistance, but not low and moderate income beneficiaries of the program. CDBG grantees are responsible for establishing policies and practices that they will use to monitor compliance of all covered programs, activities, or work performed by their subrecipients, contractors, subcontractors, management agents, etc.

Non-housing Programs

New Construction -- Part 8 requires that new non-housing facilities constructed by recipients of Federal financial assistance shall be designed and constructed to be readily accessible to and usable by persons with disabilities. (24 CFR §8.21(a))

Alterations to facilities -- Part 8 requires to the maximum extent feasible, that recipients make alterations to existing non-housing facilities to ensure that such facilities are readily accessible to and usable by individuals with disabilities. An element of an existing non-housing facility need not be made accessible, if doing so, would impose undue financial and administrative burdens on the operation of the recipients program or activity. (24 CFR §8.21 (b))

Existing non-housing facilities - A recipient is obligated to operate each non-housing program or activity so that, when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. (24 CFR §8.21 (c))

Recipients are not necessarily required to make each of their existing non-housing facilities accessible to and usable by persons with disabilities if when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. 24 CFR §8.21(c)(1) Recipients are also not required to take any action that they can demonstrate would result in a fundamental alteration in the nature of its program or activity or cause an undue administrative and financial burden. However, recipients are still required to take other actions that would not result in such alterations, but would nevertheless ensure that persons with disabilities receive the benefits and services of the program. (24 CFR §8.21(c)(iii))

Historic Preservation - Recipients are not required to take any actions that would result in a substantial impairment of significant historic features of an historic property, However, in such cases where a physical alteration is not required, the recipient is still obligated to use alternative means to achieve program accessibility, including using audio-visual materials and devices to depict those portions of

an historic property that cannot be made accessible, assigning persons to guide persons with disabilities into or through portions of historic properties that cannot be made accessible, or otherwise adopting other innovative methods so that individuals with disabilities can still benefit from the program. (24CFR §8.21(c)(2)(ii))

Accessibility Standards

Design, construction, or alteration of facilities in conformance with the Uniform Federal Accessibility Standards (UFAS) is deemed to comply with the accessibility requirements for nonhousing facilities.

Recipients may depart from particular technical and scoping requirements of UFAS where substantially equivalent or greater accessibility and usability is provided. (24 CFR §8.32) For copies of UFAS, contact the HUD Distribution Center at 1-800-767-7468; deaf, hard of hearing, or speech-impaired persons may access this number via TTY by calling the Federal Information Relay Service at 1-800-877-8339.

Where a property is subject to more than one law or accessibility standard, it is necessary to comply with all applicable requirements. In some cases, it may be possible to do this by complying with the stricter requirement, however, it is also important to ensure that meeting the stricter requirement also meets both the scoping and technical requirements of overlapping laws or standards.

Employment

Section 504 also prohibits discrimination based upon disability in employment. See 24 CFR Part 8, Subpart B.

Section 504 Self Evaluations

The Section 504 regulations required recipients of Federal financial assistance to conduct a self-evaluation of their policies and practices to determine if they were consistent with the law's requirements. This self evaluation was to have been completed no later than July 11, 1989. Title II of the ADA imposed this requirement on all covered public entities. The ADA regulations required that ADA self evaluations be completed by January 26, 1993, although those public entities that had already performed a Section 504 self evaluation were only required to perform a self-evaluation on those policies and practices that had not been included in the Section 504 review.

The regulatory deadlines are long past. However, self-evaluation continues to be an excellent management tool for ensuring that a recipient's current policies and procedures comply with the requirements of Section 504 and the ADA.

Involving persons with disabilities in the self-evaluation process is very beneficial. This will assure the most meaningful result for both the recipient and for persons with disabilities who participate in the recipient's programs and activities. It is important to involve persons and/or organizations representing persons with disabilities, and agencies or other experts who work regularly with accessibility standards.

Important steps in conducting a self-evaluation and implementing its results include the following:

- Evaluate current policies and practices and analyze them to determine if they adversely affect the full participation of individuals with disabilities in its programs, activities and services. Be mindful of the fact that a policy or practice may appear neutral on its face, but may have a discriminatory effect on individuals with disabilities.
- Modify any policies and practices that are not or may not be in compliance with Section 504 or Title II and Title III of the ADA regulations. (See 24 CFR Part 8 and 28 CFR Parts 35, 36.)
- Take appropriate corrective steps to remedy those policies and practices which either are discriminatory or have a discriminatory effect. Develop policies and procedures by which persons with disabilities may request a modification of a physical barrier or a rule or practice that has the effect of limiting or excluding a person with a disability from the benefits of the program.
- Document the self-evaluation process and activities. The Department recommends that all recipients keep the self-evaluation on file for at least three years, including records of the individuals and organizations consulted, areas examined and problems identified, and document modifications and remedial steps, as an aid to meeting the requirement at 24 CFR Part 8.55.

The Department also recommends that recipients periodically update the self-evaluation, particularly, for example, if there have been changes in the programs and services of the agency. In addition, public entities covered by Title II of the ADA should review any policies and practices that were not included in their Section 504 self-evaluation and should modify discriminatory policies and practices accordingly.

III. The Americans With Disabilities Act of 1990

The Americans With Disabilities Act of 1990 (ADA) guarantees equal opportunities for persons with disabilities in employment, public accommodations, transportation, State and local government services, and telecommunications. Unlike Section 504 which applies only to programs and activities receiving Federal financial assistance, the ADA applies even if no Federal financial assistance is given.

The U.S. Department of Justice enforces Titles I, II, and III of the ADA, although the Equal Employment Opportunity Commission investigates administrative complaints involving Title I.

Title I prohibits discrimination in employment based upon disability. The regulations implementing Title I are found at 29 CFR Part 1630. The Equal Employment Opportunity Commission (EEOC) offers technical assistance on the ADA provisions applying to employment.

These can be obtained at the EEOC web site www.eeoc.gov, or by calling 800-669-3362 (voice) and 800-800-3302 (TTY).

Title II prohibits discrimination based on disability by State and local governments. Title II essentially extended the Section 504 requirements to services, programs, and activities provided by States, local governments and other entities that do not receive Federal financial assistance from HUD or another Federal agency. CDBG grantees are covered by both Title II and Section 504. The Department of Justice Title II regulations are found at 28 CFR Part 35.

Title II also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. (28 CFR §35.151 (a) & (b)) Facilities constructed or altered in conformance with either UFAS or the ADA Accessibility Guidelines for Buildings and Facilities (ADAAG) (Appendix A to 28 CFR Part 36) shall be deemed to comply with the Title II Accessibility requirements, except that the elevator exemption contained at section 4.1.3(5) and section 4.1.6(1)(j) of ADAAG shall not apply. (28CFR §35.151(c))

Title II specifically requires that all newly constructed or altered streets, roads, and highways and pedestrian walkways must contain curb ramps or other sloped areas at any intersection having curbs or other barriers to entry from a street level or pedestrian walkway and that all newly constructed or altered street level pedestrian walkways must have curb ramps at intersections. Newly constructed or altered street level pedestrian walkways must contain curb ramps or other sloped areas at intersections to streets, roads, or highways. (28CFR §35.151(e))

The Title II regulations required that by January 26, 1993, public entities (State or local governments) conduct a self-evaluation to review their current policies and practices to identify and correct any requirements that were not consistent with the regulation. Public entities that employed more than 50 persons were required to maintain their self-evaluations on file and make it available for three years. If a public entity had already completed a self-evaluation under Section 504 of the Rehabilitation Act, then the ADA only required it to do a self-evaluation of those policies and practices that were not included in the previous self-evaluation. (28 CFR §35.105)

The Department of Justice offers technical assistance on Title II through its web page at www.usdoj.gov/crt/ada/taprogram.htm, and through its ADA Information Line, at **202 514-0301 (voice and 202-514-0383 (TTY))**. The Department of Justice's technical assistance materials include among others, the Title II Technical Assistance Manual with Yearly Supplements, the ADA guide for Small Towns, and an ADA Guide entitled The ADA and City Governments: Common Problems.

Title III prohibits discrimination based upon disability in places of public accommodation (businesses and non-profit agencies that serve the public) and "commercial" facilities (other businesses). It applies regardless of whether the public accommodation or commercial facility is operated by a private or public entity, or by a for profit or not for profit business. The Department of Justice Title III regulations are found at 28 CFR Part 36. The Department of Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

IV. The Architectural Barriers Act of 1968

The Architectural Barriers Act of 1968 (ABA) (42 U.S.C. 4151-4157) requires that certain buildings financed with Federal funds must be designed, constructed, or altered in accordance with standards that ensure accessibility for persons with physical disabilities. The ABA covers any building or facility financed in whole or in part with Federal funds, except privately-owned residential structures. Covered buildings and facilities designed, constructed, or altered with CDBG funds are subject to the ABA and must comply with the Uniform Federal Accessibility Standards (UFAS). (24 CFR 570.614) In practice, buildings built to meet the requirements of Section 504 and the ADA, will conform to the requirements of the ABA.

V. HUD Resources Available Concerning Section 504

Further information concerning compliance with Section 504 may be obtained through the HUD web page (<http://www.hud.gov/fhe/504/sect504.html>). Additional assistance and information may be obtained by contacting the local Department of Housing and Urban Development Office of Fair Housing and Equal Opportunity field office. CITY OF MADERA ENGINEERING DEPARTMENT
EAST YOSEMITE AVENUE AND ELM STREET TRAFFIC SIGNAL
AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

This Agreement is entered into, effective on the date of July 1, 2017.

PARTIES:

The City of Madera, hereafter referred to as "CITY", and the City of Madera Engineering Department, hereafter referred to as the "CONTRACTOR."

RECITALS:

WHEREAS, the CITY has been designated as the sponsoring agency to administer and implement the program for the Community Development Block Grant (CDBG) activities of the CITY, and in accordance with the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and the laws of the State of California; and

WHEREAS, the Madera City Council has determined a project to construct and install a new traffic signal with an audible push button activation and countdown pedestrian signal head to allow for ADA compliance, construction of ADA compliant ramps on both sides of Yosemite Avenue and incorporate a pedestrian crosswalk thereby improving safety, accessibility and traffic circulation at the Yosemite and Elm intersection eligible under 24 CFR Part 570.201(c); and

WHEREAS, the CONTRACTOR is dedicated to ensuring the safety and protection of Madera and its community members through adequate first response to emergencies and to maintaining sufficient resources for expanding protection as the community grows; and

WHEREAS, the CONTRACTOR submitted a project plan and budget to purchase and install air conditioning and heating consistent with the intent and purpose of the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and which has been approved by the City Council.

NOW THEREFORE, the parties hereto agree as follows:

1. Services

The CONTRACTOR shall provide all services and responsibilities as set forth in the project design, which is attached to this Agreement, marked as Exhibit "A," and incorporated herein by reference.

2. Funding and Method of Payment

a. Compensation

Payments shall be made after receipt and verification of actual expenditures incurred by the CONTRACTOR in the performance of this Agreement and shall be documented to the CITY by

the fifteenth (15th) day of the month following the end of the quarter. Allowable expenditures under this Agreement are specifically established and attached hereto marked Exhibit "B" and incorporated herein by reference. The total CDBG obligation of the CITY under this Agreement shall not exceed \$262,559 in fiscal year 2017-2018. Any compensation not consumed by expenditures of the CONTRACTOR by the expiration of this Agreement shall automatically revert to the CITY.

b. Public Information

The CONTRACTOR shall disclose in all public information its funding source.

c. Lobbying Activity

The CONTRACTOR shall not directly or indirectly use any of the funds provided under this Agreement for publicity, lobbying, or propaganda purposes designed to support or defeat legislation pending before the Congress of the United States or the Legislature of the State of California.

d. Political Activity

The CONTRACTOR shall not directly or indirectly use any of the funds under this Agreement for any political activity or to further the election or defeat of any candidate for public office.

3. Fiscal Compliance

The CONTRACTOR shall be subject to the same fiscal regulations imposed on CITY by the U. S. Department of Housing and Urban Development for the use of Community Development Block Grant funds.

Program Income

CONTRACTOR shall report quarterly all program income as required under 24 CFR 570.503(b) (3) generated by activities carried out with CDBG funds made available under this contract. The use of program income by the CONTRACTOR shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the CONTRACTOR may use such income during the contract period for activities permitted under this contract and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unexpended program income shall be returned to CITY at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to CITY.

4. Compliance With Laws

If the CONTRACTOR receives CDBG funding under this Agreement, CONTRACTOR shall comply with all rules and regulations established pursuant to the Housing and Community Development Act of 1974 and its amendments and Uniform Administrative Requirements under 24 CFR 570.503(b)(4). The CONTRACTOR and any subcontractors shall comply with all applicable local, State and Federal regulations, including but not limited to those requirements listed in Exhibit "C" attached hereto and incorporated herein by reference.

Administrative Requirements/Financial Management/Accounting Standards

CONTRACTOR agrees to comply with 24 CFR 84.21-28 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

Costs Principles

CONTRACTOR shall administer its program in conformance with OMB Circulars A-122, "Cost Principles for Non-Profit Organizations," or A-21, "Cost Principles for Educational Institutions," as applicable. These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.

5. Contract Administrator

CITY shall retain the right to administer this Agreement so as to verify that CONTRACTOR are performing their obligations in accordance with the terms and conditions thereof. CONTRACTOR and CITY shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over matters the subject thereof.

6. Period of Performance

The CONTRACTOR shall commence performance under this contract July 1, 2017 and shall end its performance June 30, 2018, unless terminated sooner as provided for elsewhere in this Agreement. Agreement may be extended upon written approval of the CITY.

7. Records

a. Record Establishment and Maintenance

CONTRACTOR shall establish and maintain records in accordance with those requirements prescribed by CITY, with respect to all matters covered by this Agreement. CONTRACTOR shall retain all fiscal books, account records, and client files for services performed under this Agreement for at least three (3) years from the date of the final payment under this Agreement or until all State and Federal audits are completed for that fiscal year, whichever is later. Pursuant to State and Federal law, it is the intent of the parties to this Agreement that the CONTRACTOR shall be

reimbursed for actual costs incurred in the performance of this Agreement but that no profit is to accrue to the CONTRACTOR on account of such performance.

CONTRACTOR shall maintain all records required by the Federal regulations specified in 24 CFR 570.506, that are pertinent to the activities to be funded under this Agreement. Such records shall include but not be limited to:

1. Records providing a full description of each activity undertaken;
2. Records demonstrating that each activity undertaken meets one of the National Objectives of the CDBG program;
3. Records required to determine the eligibility of activities;
4. Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with CDBG assistance;
5. Records documenting compliance with the fair housing and equal opportunity components of the CDBG program;
6. Financial records as required by 24 CFR 570.502, and 24 CFR 84.21-28; and
7. Other records necessary to document compliance with 24 CFR 570.503(b) (5).

b. Reports/Required Notifications

The CONTRACTOR shall submit reimbursement claims with substantiating invoices and time cards signed by both the employee and applicable Department Head/Authorizing Official. Reports shall consist of the Quarterly Reporting Form. This form is contained in Exhibit "A-1" attached hereto and incorporated herein by reference.

The CONTRACTOR shall also furnish to the CITY such statements, records, reports, data, and information as the CITY may request pertaining to matters covered by this Agreement. In the event that the CONTRACTOR fails to provide such reports, it shall be deemed sufficient cause for the CITY to withhold payments until there is compliance. In addition, the CONTRACTOR shall provide written notification and explanation to the CITY within five (5) days of any funds received from another source to conduct the same services covered by this Agreement.

CITY shall notify CONTRACTOR in writing within thirty (30) days of any potential State or Federal exception discovered during an examination. Where findings indicate that program requirements are not being met and State and Federal participation in this program may be imperiled in the event that corrections are not accomplished by CONTRACTOR within thirty (30) days, written notification shall constitute CITY's intent to terminate this Agreement.

CONTRACTOR shall report to CITY promptly and in written detail, each notice of claim of copyright infringement received by CONTRACTOR with respect to all subject data delivered under this Agreement. CONTRACTOR shall not affix any restrictive markings upon any data. If markings are affixed, CITY shall have the right at any time to modify, remove, obliterate, or ignore such markings.

c. CDBG Reporting Requirements

The CITY will inform CONTRACTOR in writing if CDBG funds are provided under this Agreement, which require CONTRACTOR to submit an application or to complete a record as an integral part of receiving these funds.

CONTRACTOR shall submit with each quarterly invoice copies of paid invoices/receipts, copies of cash receipts or checks used to pay each invoice submitted, copies of time cards and related pay stubs for reimbursement.

8. Assignment

CITY and CONTRACTOR may not assign, or transfer their obligation of this Agreement or any rights hereunder without the prior written consent of the other party.

9. Subcontracts

If the CONTRACTOR should propose to subcontract with one or more third parties to carry out a portion of those services described in Exhibit "A" insofar as it deems proper or efficient, any such subcontract shall be in writing and approved as to form and content by the CITY prior to execution and implementation. Any such subcontract, together with all other activities performed, or caused by the CONTRACTOR, shall not allow compensation greater than the total project budget contained in Exhibit

B. An executed copy of any such subcontract shall be received by the CITY before any implementation and shall be retained by the CITY.

The CONTRACTOR shall be responsible to the CITY for the proper performance of any subcontract. Any subcontractor shall be subject to all of the same terms and conditions that the CONTRACTOR is subject to under this Agreement. No officer or director of the CONTRACTOR shall have any direct monetary interest in any subcontract made by the CONTRACTOR. A direct monetary interest contrary to this paragraph shall be deemed to exist, if an officer or director of the CONTRACTOR is also an owner, officer, or director of a corporation, association, or partnership subcontracting with the CONTRACTOR.

In addition, if the CONTRACTOR receives CDBG funds under this Agreement, the subcontractor shall be subject to CDBG federal regulations, including those listed in Exhibit "C."

10. Conflict of Interest

No officer, employee, or agent of the CITY who exercises any function or responsibility for planning and carrying out of the services provided under this Agreement shall have any direct or indirect personal financial interest in this Agreement. The CONTRACTOR shall comply with all Federal, State and local conflict of interest laws, statutes, and regulations, which shall be applicable to all parties and beneficiaries under this Agreement and any officer, employee, or agent of the CITY.

11. Discrimination

Eligibility for Services

The CONTRACTOR shall prepare and make available to the CITY and to the public all eligibility requirements to participate in the program plan set forth in Exhibit "A." No person shall, on the grounds of race, color, national origin, sex, religion, age, or disability status, be excluded from participation in, and denied the benefits of, or be subjected to discrimination with respect to the services funded under this Agreement.

The CONTRACTOR'S services shall be accessible to the physically disabled, and the services of a translator, signer or assistive listening device shall be made available. CONTRACTOR, in its marketing materials, shall specify assistance to access its services is available for deaf and hard-of-hearing persons by calling 711 or 1-800-735-2929 and, for voice users, 1-866-735-2922 for TTY Relay Services. CONTRACTOR shall comply with requirements set forth in Exhibit D, Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds – Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act.

b. Employment Opportunity

The CONTRACTOR shall comply with the CITY policy, the Community Development Block Grant regulations, and the Equal Employment Commission guidelines, which forbids discrimination against any person on the grounds of race, color, national origin, sex, religion, age, familial status or disability status in employment practices. Such practices include retirement, recruitment advertising, hiring, layoff, termination, upgrading, demotion, transfer, rates of pay or other forms of compensation, use of facilities, and other terms and conditions of employment.

c. Suspension of Compensation

If an allegation of discrimination occurs, the CITY shall withhold all further funds until the CONTRACTOR can show by clear and convincing evidence to the satisfaction of the CITY that funds provided under this Agreement were not used in connection with the alleged discrimination.

d. Nepotism

Except by written consent of the CITY, no person shall be employed by the CONTRACTOR who is related by blood or marriage or who is a member of the Board of Directors or an officer of the CONTRACTOR. In the event HUD determines a CDBG-funded CONTRACTOR'S organization/agency operations violate federal rules and regulations with regard to nepotism and/or conducts business and a conflict of interest issue arises, then CONTRACTOR shall accept all responsibility to return any CDBG funds received from CITY.

12. Termination

a. This Agreement may be immediately terminated by CITY for cause where in the determination of CITY, any of the following conditions exist: (1) an illegal or improper use of funds, (2) failure to comply with any terms of this Agreement, (3) a materially incorrect or incomplete report, (4) an improper performance of services.

b. Any one of or combination of the above conditions will constitute grounds for suspension or termination of the Agreement. In no event shall any payment by the CITY hereunder constitute a waiver by the CITY of any breach of this Agreement or any default which may then exist on the part of the CONTRACTOR, nor shall such payment impair or prejudice any remedy available to the CITY with respect to the breach of default. When there is a breach of this Agreement, as defined by this section, the CITY may, in its sole discretion, immediately suspend or terminate this Agreement.

c. CITY shall have the option to terminate this Agreement without obligation of CITY to reimburse CONTRACTOR from the date the Federal or State Government withholds or fails to disburse funds to CITY, in the event such government withholds or fails to disburse funds, CITY shall give CONTRACTOR notice of such funding limitation or termination within a reasonable time after CITY receives notices of same.

d. Upon thirty (30) days written notice to the other party, either party may terminate this Agreement without cause. Notice shall be deemed served upon mailing.

13. Amendments

Adjustment of any line item within the total approved budget contained in Exhibit "B" or changes in the nature or scope of the program plan set forth in Exhibit "A" may be approved in writing by the City Administrator, or his designee.

14. Administration

The City of Madera Grants Administration Department shall administer this Agreement.

15. Evaluation

The CITY shall monitor and evaluate the performance of the CONTRACTOR under this Agreement to determine to the best possible degree the success or failure of the services provided under this Agreement and the adequacy of the program plan contained in Exhibit "A." The CONTRACTOR shall participate in evaluation of the program.

CONTRACTOR shall cooperate fully with CITY, State and Federal agencies, which shall have the right to monitor and audit all work performed under this Agreement.

CONTRACTOR shall also agree to on-site monitoring and personal interviews of participants, CONTRACTOR'S staff, and employees by appropriate CITY staff on at least a quarterly basis.

16. Governing Law

Any controversy or claim arising out of or relating to this Agreement which cannot be amicably settled without court action shall be litigated only in Madera, California. The rights and obligations of the parties and all interpretations and performance of this Agreement shall be governed in all respects by the laws of the State of California.

17. Reversion of Assets

The CONTRACTOR must obtain prior written approval from the CITY whenever there is any modification or change in the use of any property acquired or improved, in whole or in part, using CDBG funds. If any real or personal property acquired or improved with CDBG funds is sold and/or is utilized by the CONTRACTOR for a use which does not qualify under the CDBG program, the CONTRACTOR shall reimburse the CITY in an amount equal to the current fair market value of the property, less any portion thereof attributable to expenditures of non-CDBG funds. These requirements shall continue in effect for the life of the property. In the event the CDBG program is closed-out, the requirements of this Section shall remain in effect for activities or property funded with CDBG funds, unless action is taken by the Federal government to relieve the CITY of these obligations.

18. Breach of Agreement

In the event the CONTRACTOR fails to comply with any of the terms of this Agreement, the CITY may, at its option, deem the CONTRACTOR'S failure as a material breach of this Agreement and utilize any of the remedies set forth in 24 CFR 85.43 or that it deems appropriate. Should the CITY deem a breach of this Agreement material, the CITY shall immediately be relieved of its obligations to make further payment as provided herein. In addition to the Agreement

being terminated by the CITY in accord with a material breach of this Agreement by the CONTRACTOR, this Agreement may also be terminated for convenience by the CITY in accord with 24 CFR 85.44.

19. No Third Party Beneficiaries

This Agreement is not intended to create and does not create any rights in or benefits to any third party, nor will it be deemed to confer rights or remedies upon any person or legal entity not a party to this Agreement.

20. Indemnification

IN THE EVENT HUD DETERMINES A CDBG-FUNDED CONTRACTOR HAS VIOLATED FEDERAL RULES AND REGULATIONS AND HUD REQUIRES REPAYMENT OF CDBG FUNDS, THEN THE CONTRACTOR SHALL REPAY ANY CDBG FUNDS WITHIN 90 DAYS OF A WRITTEN REQUEST FROM CITY.

Contractor shall indemnify, defend with legal counsel approved by City, and hold harmless City, its officers, officials, employees, and volunteers from and against all liability, loss, damage, expense, and cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with Contractor's negligence, recklessness, or willful misconduct in the performance of work hereunder, or its failure to comply with any of its obligations contained in this AGREEMENT, except such loss or damage caused by the sole active negligence or willful misconduct of the City. Should conflict of interest principles preclude a single legal counsel from representing both City and Contractor, or should City otherwise find Contractor's legal counsel unacceptable, then Contractor shall reimburse the City its costs of defense, including without limitation, reasonable legal counsel fees, expert fees, and all other costs and fees of litigation. The Contractor shall promptly pay any final judgment rendered against the City (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the Contractor's negligent, reckless, or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

Contractor obligations under this section apply regardless of whether or not such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by an Indemnitee. However, without affecting the rights of City under any provision of this agreement, Contractor shall not be required to indemnify and hold harmless City for liability attributable to the active negligence of City, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where City is shown to have been actively negligent and where City's active negligence accounts for only a percentage of the liability involved, the

obligation of Contractor will be for that entire portion or percentage of liability not attributable to the active negligence of City.

Contractor agrees to obtain or cause to be obtained executed defense and indemnity agreements with provisions identical to those set forth in this Section from each and every Subcontractor and Subconsultant, of every Tier. In the event the Contractor fails to do so, Contractor agrees to be fully responsible to provide such defense and indemnification according to the terms of this Section.

21. Entire Agreement

This Agreement constitutes the entire agreement between the CONTRACTOR and CITY with respect to the subject matter hereof and supersedes all previous negotiations, proposals, commitments, writings, advertisements, publications and understandings of any nature whatsoever unless expressly included in this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective officers thereunto duly authorized on the date first written above.

CITY OF MADERA
COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)
PEDESTRIAN SAFETY AND TRAFFIC SIGNAL
AT YOSEMITE AVENUE AND ELM STREET INTERSECITON
PROPOSAL FORM
2017/2018

DATE SUBMITTED: March 16, 2017

A. GENERAL INFORMATION

1. Name of Department/Organization: City of Madera, Engineering Department

Address: 205 W. Fourth Street Madera, Ca. 93637

Contact Person: Rosalva Ramirez Phone: (559) 661-5418

Concurrence: 
Keith B. Helmuth, City Engineer

B. ACTIVITY DESCRIPTION

1. Summary (Description of proposed project and anticipated accomplishment. If appropriate, include diagram of the area.):

The proposed project will make safety, accessibility and traffic improvements to the Yosemite and Elm intersection in the City of Madera. This will include the construction and installation of a new traffic signal with an audible push button activation and countdown pedestrian signal head to allow for ADA compliance, construction of ADA compliant ramps on both sides of Yosemite Avenue and incorporate a pedestrian crosswalk. These improvements will help mitigate the current and future traffic congestion and provide additional pedestrian safety measures to facilitate access to the various commercial services located adjacent to the intersection, for area residents.

2. Need (Explain why project is needed.):

The existing intersection has Elm Street meeting Yosemite Avenue at a 'T' with only right turns allowed from Elm Street onto Yosemite Avenue. In 2006 a traffic analysis was conducted as part of the requirements for the Sugar Pine Village Development, now the Crossroads Shopping Center. The results of this analysis showed that with the projected traffic volumes, the existing intersection would not function adequately. The study recommended the installation of a traffic signal to address the congestion and safety issues. The new signal would allow for right and left turns onto Yosemite Avenue from Elm Street as well as provide time for pedestrians to cross Elm Street and Yosemite Avenue.

The proposed pedestrian improvements would provide a much-needed path for residents to access the commercial establishments located adjacent to the project. The area surrounding the project has a high low-income population that regularly use the local grocery store, Rancho San Miguel, the Pharmacy and other services in the shopping center at this location. Currently the nearest crosswalks (both signalized) are about 900 feet to the east and 3,400 feet to the west. This project would respond to the highly prioritized community need presented in the five-year consolidated plan; specifically, under: Item #1 making street improvements, Item #3 making sidewalk improvements as well as Item #11 improving ADA accessibility to public facilities.

This project was previously advertised and set to begin construction in 2013; however, due to the dissolution of the Redevelopment Agency (RDA), the project was postponed. Since 2013, the residential and commercial development in the area has continued to grow given area residents' increased demand for services. The traffic volumes and the number of projected pedestrians to use the intersection continues to increase which create not only congestions issues but increase the risk of traffic and pedestrian accidents.

Given the time that has elapsed since the project was originally planned in 2006 until now and additional requirements established by Caltrans, the cost of this signal is substantially more than that which was originally planned. The City has not been able to cover the cost of these improvements since then. Thus, without a meaningful source of funding; such as CDBG, the City must continue to delay or cancel this much-needed project. The City has diligently worked on preparing this project for construction, anticipating applying and obtaining CDBG funding and working to secure additional City funds.

These improvements would not only provide a safe and adequate intersection for drivers and pedestrians, but also would promote and support local businesses; thereby continue to reduce blithe in the neighborhood and support the service needs of community residents, including many seniors and disabled folks that utilize walkers and wheelchairs. Residents would have greater and safer access to the multiple services in the adjacent commercial developments as well as access to the bus stop found near the intersection.

3. Estimated cost of project and source of estimate (if available): \$ 650,000.00

The engineer's estimate including the bread down of costs for construction management and inspection is attached.

Please identify other sources of funds to implement this project. If funds other than CDBG are proposed, please provide supporting documentation/letters of commitment.

The pedestrian facilities as part of the traffic signal project will be funded by the available development impact funds. These funds are limited and are used for reimbursements of development projects. The fund would provide \$250,000 for the project with a need of \$400,000 from the CDBG grant.

4. Timetable (assuming final approval next July 1). Will your proposal meet these goals in one year? Give starting date for activity.

The City anticipates receiving final approval from Caltrans shortly in April or May. With this approval, the project is ready for advertisement and construction as soon as the CDBG funds are approved. Please see the attached project schedule for construction.

5. What measureable goals will your program deliver?

The project will create an intersection with the capacity to effectively and safely support the current and projected traffic volumes for the residents in close proximity to the intersection.

6. What are the project's expected outcomes? How are the outcomes assessed?

There are two outcomes. First, a protected pedestrian crossing on a State Highway will be provided where none previously existed. Pedestrian crossings at traffic signals represent the highest level of protection and safety as borne out in innumerable traffic engineering publications. Second, increase the capacity of the intersection. This is assessed by determining the level of service of the intersection. With the installation of this traffic signal the intersection will operate at an acceptable level of service.

7. What National Objective does your program meet?

The pedestrian and intersection improvements meet the following national objectives:

- 1. The project is in a low-income area**
- 2. The project is adding improvements that encourage future development on vacant lots in the area and eliminate the blight.**

8. How does your proposal support the Vision Plan Madera 2025 Action Plan?

The traffic signal is a much-needed public improvement. The project not only includes the improvements to the street and intersection but will also enhance the current pedestrian facilities as well as improve ADA accessibility.

C. ENVIRONMENTAL IMPACTS:

1. Historical:

There are no historical sites in the project area that would be affected.

- a. How old is the affected structure? **NA**
- b. Will this project affect an historically significant (or potentially historic) structure? **NA**

2. Archeological:
 - a. Will this project involve any ground disturbance?

The project will cause minimal ground disturbance as required to install the signal pole bases and electrical conduit.

- b. If so, how deep will excavation be and what is the volume of earth to be moved?
NA

3. Water:
 - a. Does this project involve a sewer or water system?
No existing sewer or water systems will be disturbed due to this project.

D. PROGRAM ELIGIBILITY:

To be eligible for funding, a project must either benefit low and moderate-income persons or prevent/eliminate slums or blight. Indicate how the proposed project meets this requirement. Projects that primarily benefit handicapped or senior citizens meet the criteria for benefiting low and moderate-income persons.

1. Primarily benefits low and moderate-income persons.

- a. Number of persons served annually:
The project is in the CDBG qualifying census tract 9. Referencing to the 2015 census the project will positively benefit approximately 9,359 low to moderate income residents in the surrounding neighborhoods.

- b. Service Area:

Number of City residents served annually:

Approximately 9,359 residents in the surrounding area would benefit from the proposed improvements and pedestrian facilities at Yosemite Avenue and Elm Street.

Number of persons with disabilities or seniors served:

The traffic signal would provide a controlled intersection for the numerous seniors, disabled, and access to the transit systems that service the senior and disabled in the community. This project would provide safe access to the adjacent businesses and community centers. A few of the businesses in the immediate area include a community church, grocery stores, pharmacy and restaurants. Yosemite Avenue is also a main access street to the schools and community center located south of Yosemite Avenue at Tozer Street.

2. How will the proposed project prevent or eliminate slums or blight?

The proposed project is in a low-income area with vacant lots on the north and west side of the intersection that are creating blight in the area. With the increase in traffic volumes brought on by the adjacent shopping center the existing intersection is functioning at a low capacity. Construction of the crosswalk improvements would aid in creating a more attractive setting for future development and the associated traffic demands within this census tract.

E. CITIZEN PARTICIPATION:

Project proposals should include evidence of citizen support for activity.

1. What was done to receive public input/participation? Please provide details. What were the outcomes? Include documentation of support for the proposal such as meeting minutes, letters and petitions.

The improvements are essential to current efforts underway to revitalize the City's downtown area. The shopping center at this location was a project brought forth by the RDA to improve the low-income area and bring much needed facilities to the neighbors. Please see that the attached letter of support from the RDA.

2. Note complaints that have been received, etc.

The RDA gauged the need for the original project through community interactions in 2008. The pedestrian and intersection improvements were always a part of that original plan presented to the residents.

3. Evidence of collaboration with other agencies within the community.

The City of Madera is working closely with Caltrans in the design of this project. Caltrans is supportive of the pedestrian and ADA improvements on Yosemite Avenue as a State Highway. Members of the Madera County Transportation Commission (MCTC) have voiced their concerns regarding the safety and traffic conditions of this intersections at various MCTC meetings. The Madera Fire Department is also in favor the of the safety improvements that this project will provide. Please see that the attached letter of supports from the Madera Fire Department and the Madera County Supervisor attached.

Please see the eligible CDBG Census Tract map below.

Subject: Construction of a new Traffic Signal at Yosemite Avenue and Elm Street

Mr. Helmuth,

The neighborhood surrounding Yosemite Avenue and Elm Street is currently using an inadequate intersection.

The Madera Redevelopment Agency prior to its dissolution had invested a great deal of time and resources to the betterment and development of East Yosemite Avenue/HWY 145 corridor. Dilapidated, blighted structures have been purchased and abated. Underground storage tanks have been removed and extensive mitigation performed. The Crossroads shopping center was developed. Today the Successor Redevelopment Agency remains involved in this area as it serves an important sector of the City/County. The intersection at Yosemite and Elm in its current state has significant limitations. Negative Traffic patterns are emerging. One example is where the left turn onto Yosemite is not possible a right turn and immediate U turn is now taking place.

The signal at this intersection was always a goal of the Agency. As an Agency deeply invested in that area we would stress that our citizens, local businesses and their customers would benefit greatly from the construction of a functional intersection.

At this time the Successor Agency to the Former Madera Redevelopment Agency would like to support the proposed "Construction of a new Traffic Signal at Yosemite and Elm Avenue."

Sincerely,

Bob Wilson

To whom it may concern,

The neighborhood surrounding Yosemite Avenue and Elm Street is currently using an inadequate intersection. The Madera City Fire Department responds to all types of emergencies throughout the city of Madera. As an emergency responding agency for the area, our citizens as well as our staff would benefit from the construction of a functional intersection. Safety for the responders and safety for the citizens.

CALFIRE/Madera City Fire Department would like to support the proposed "Construction of a new Traffic Signal at Yosemite Avenue and Elm Street."

RE: CONSTRUCTION OF A NEW TRAFFIC SIGNAL AT YOSEMITE AVENUE AND ELM STREET

To Whom It May Concern:

I am pleased to offer my support for the proposed construction of a new traffic signal at Yosemite Avenue and Elm Street. As a lifelong resident of the City of Madera and supervisor representing district four, I share numerous concerns about the welfare of our pedestrians, motorists, and cyclists at this unsafe intersection. Traffic signals offer the maximum degree of control at intersections. They are a valuable device for improving safety and efficiency of both pedestrian and vehicular traffic. Constructing a traffic signal would provide a permanent solution to what is currently an inadequate crossing and would likely prevent serious injuries or loss of life.

For these reasons, I strongly support the placement of a new traffic signal at the Yosemite Avenue and Elm Street intersection and hope you will consider the incalculable impacts it would have on our city. If you have any questions regarding this recommendation, please do not hesitate to contact me at 559-662-6040 or maxr@madera-county.com. Thank you for your consideration.

Respectfully,

Max Rodriguez,
Supervisor District 4

Notice CPD- 00-10

Issued: December 26, 2000

Expires: December 26, 2001

Subject: Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds -- Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act

I. Purpose

The purpose of this Notice is to remind recipients of Federal funds under the Community Development Block Grant (CDBG) Program of their obligation to comply with Section 504 of the Rehabilitation Act of 1973, HUD's implementing regulations (24 CFR Part 8), the Americans with Disabilities Act, (ADA) and its implementing regulations, (28 CFR Parts 35, 36), and the Architectural Barriers Act (ABA) and its implementing regulations (24 CFR Parts 40, 41) in connection with recipients' non-housing programs. This Notice describes key compliance elements for non-housing programs and facilities assisted under the CDBG programs. However, recipients should review the specific provisions of the ADA, Section 504, the ABA, and their implementing regulations in order to assure that their programs are administered in full compliance.

Applicability

This Notice applies to all non-housing programs and facilities assisted with Community Development Block Grant Funds (e.g. public facilities and public improvements, commercial buildings, office buildings, and other non-residential buildings) and facilities in which CDBG activities are undertaken (e.g., public services). A separate Notice is being issued concerning Federal accessibility requirements for housing programs assisted by recipients of CDBG and HOME program funds.

II. Section 504 of the Rehabilitation Act of 1973

Section 504 of the Rehabilitation Act of 1973, as amended, provides "No otherwise qualified individual with a disability in the United States ... shall, solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance...". HUD's regulations implementing the Section 504 requirements can be found at 24 CFR Part 8.

Distribution: W-3-1

Part 8 requires that recipients ensure that their programs are accessible to and usable by persons with disabilities. Part 8 also prohibits recipients from employment discrimination based upon disability.

The Section 504 regulations define "recipient" as any State or its political subdivision, any instrumentality of a State or its political subdivision, any public or private agency, institution organization, or other entity or any person to which Federal financial assistance is extended for any program or activity directly or through another recipient, including any successor, assignee, or transferee of a recipient, but excluding the ultimate beneficiary of the assistance. (24 CFR §8.3) For the purposes of Part 8, recipients include States and localities that are grantees and subgrantees under the CDBG program, their subrecipients, community-based development organizations, businesses, and any other entity that receives CDBG assistance, but not low and moderate income beneficiaries of the program. CDBG grantees are responsible for establishing policies and practices that they will use to monitor compliance of all covered programs, activities, or work performed by their subrecipients, contractors, subcontractors, management agents, etc.

Non-housing Programs

New Construction -- Part 8 requires that new non-housing facilities constructed by recipients of Federal financial assistance shall be designed and constructed to be readily accessible to and usable by persons with disabilities. (24 CFR §8.21(a))

Alterations to facilities -- Part 8 requires to the maximum extent feasible, that recipients make alterations to existing non-housing facilities to ensure that such facilities are readily accessible to and usable by individuals with disabilities. An element of an existing non-housing facility need not be made accessible, if doing so, would impose undue financial and administrative burdens on the operation of the recipients program or activity. (24 CFR §8.21 (b))

Existing non-housing facilities - A recipient is obligated to operate each non-housing program or activity so that, when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. (24 CFR §8.21 (c))

Recipients are not necessarily required to make each of their existing non-housing facilities accessible to and usable by persons with disabilities if when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. 24 CFR §8.21(c)(1) Recipients are also not required to take any action that they can demonstrate would result in a fundamental alteration in the nature of its program or activity or cause an undue administrative and financial burden. However, recipients are still required to take other actions that would not result in such alterations, but would nevertheless ensure that persons with disabilities receive the benefits and services of the program. (24 CFR §8.21(c)(iii))

Historic Preservation - Recipients are not required to take any actions that would result in a substantial impairment of significant historic features of an historic property, However, in such cases where a physical alteration is not required, the recipient is still obligated to use alternative means to achieve program accessibility, including using audio-visual materials and devices to depict those portions of

an historic property that cannot be made accessible, assigning persons to guide persons with disabilities into or through portions of historic properties that cannot be made accessible, or otherwise adopting other innovative methods so that individuals with disabilities can still benefit from the program. (24CFR §8.21(c)(2)(ii))

Accessibility Standards

Design, construction, or alteration of facilities in conformance with the Uniform Federal Accessibility Standards (UFAS) is deemed to comply with the accessibility requirements for nonhousing facilities.

Recipients may depart from particular technical and scoping requirements of UFAS where substantially equivalent or greater accessibility and usability is provided. (24 CFR §8.32) For copies of UFAS, contact the HUD Distribution Center at 1-800-767-7468; deaf, hard of hearing, or speech-impaired persons may access this number via TTY by calling the Federal Information Relay Service at 1-800-877-8339.

Where a property is subject to more than one law or accessibility standard, it is necessary to comply with all applicable requirements. In some cases, it may be possible to do this by complying with the stricter requirement, however, it is also important to ensure that meeting the stricter requirement also meets both the scoping and technical requirements of overlapping laws or standards.

Employment

Section 504 also prohibits discrimination based upon disability in employment. See 24 CFR Part 8, Subpart B.

Section 504 Self Evaluations

The Section 504 regulations required recipients of Federal financial assistance to conduct a self-evaluation of their policies and practices to determine if they were consistent with the law's requirements. This self evaluation was to have been completed no later than July 11, 1989. Title II of the ADA imposed this requirement on all covered public entities. The ADA regulations required that ADA self evaluations be completed by January 26, 1993, although those public entities that had already performed a Section 504 self evaluation were only required to perform a self-evaluation on those policies and practices that had not been included in the Section 504 review.

The regulatory deadlines are long past. However, self-evaluation continues to be an excellent management tool for ensuring that a recipient's current policies and procedures comply with the requirements of Section 504 and the ADA.

Involving persons with disabilities in the self-evaluation process is very beneficial. This will assure the most meaningful result for both the recipient and for persons with disabilities who participate in the recipient's programs and activities. It is important to involve persons and/or organizations representing persons with disabilities, and agencies or other experts who work regularly with accessibility standards.

Important steps in conducting a self-evaluation and implementing its results include the following:

- Evaluate current policies and practices and analyze them to determine if they adversely affect the full participation of individuals with disabilities in its programs, activities and services. Be mindful of the fact that a policy or practice may appear neutral on its face, but may have a discriminatory effect on individuals with disabilities.
- Modify any policies and practices that are not or may not be in compliance with Section 504 or Title II and Title III of the ADA regulations. (See 24 CFR Part 8 and 28 CFR Parts 35, 36.)
- Take appropriate corrective steps to remedy those policies and practices which either are discriminatory or have a discriminatory effect. Develop policies and procedures by which persons with disabilities may request a modification of a physical barrier or a rule or practice that has the effect of limiting or excluding a person with a disability from the benefits of the program.
- Document the self-evaluation process and activities. The Department recommends that all recipients keep the self-evaluation on file for at least three years, including records of the individuals and organizations consulted, areas examined and problems identified, and document modifications and remedial steps, as an aid to meeting the requirement at 24 CFR Part 8.55.

The Department also recommends that recipients periodically update the self-evaluation, particularly, for example, if there have been changes in the programs and services of the agency. In addition, public entities covered by Title II of the ADA should review any policies and practices that were not included in their Section 504 self-evaluation and should modify discriminatory policies and practices accordingly.

III. The Americans With Disabilities Act of 1990

The Americans With Disabilities Act of 1990 (ADA) guarantees equal opportunities for persons with disabilities in employment, public accommodations, transportation, State and local government services, and telecommunications. Unlike Section 504 which applies only to programs and activities receiving Federal financial assistance, the ADA applies even if no Federal financial assistance is given.

The U.S. Department of Justice enforces Titles I, II, and III of the ADA, although the Equal Employment Opportunity Commission investigates administrative complaints involving Title I.

Title I prohibits discrimination in employment based upon disability. The regulations implementing Title I are found at 29 CFR Part 1630. The Equal Employment Opportunity Commission (EEOC) offers technical assistance on the ADA provisions applying to employment.

These can be obtained at the EEOC web site www.eeoc.gov, or by calling 800-669-3362 (voice) and 800-800-3302 (TTY).

Title II prohibits discrimination based on disability by State and local governments. Title II essentially extended the Section 504 requirements to services, programs, and activities provided by States, local governments and other entities that do not receive Federal financial assistance from HUD or another Federal agency. CDBG grantees are covered by both Title II and Section 504. The Department of Justice Title II regulations are found at 28 CFR Part 35.

Title II also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. (28 CFR §35.151 (a) & (b)) Facilities constructed or altered in conformance with either UFAS or the ADA Accessibility Guidelines for Buildings and Facilities (ADAAG) (Appendix A to 28 CFR Part 36) shall be deemed to comply with the Title II Accessibility requirements, except that the elevator exemption contained at section 4.1.3(5) and section 4.1.6(1)(j) of ADAAG shall not apply. (28CFR §35.151(c))

Title II specifically requires that all newly constructed or altered streets, roads, and highways and pedestrian walkways must contain curb ramps or other sloped areas at any intersection having curbs or other barriers to entry from a street level or pedestrian walkway and that all newly constructed or altered street level pedestrian walkways must have curb ramps at intersections. Newly constructed or altered street level pedestrian walkways must contain curb ramps or other sloped areas at intersections to streets, roads, or highways. (28CFR §35.151(e))

The Title II regulations required that by January 26, 1993, public entities (State or local governments) conduct a self-evaluation to review their current policies and practices to identify and correct any requirements that were not consistent with the regulation. Public entities that employed more than 50 persons were required to maintain their self-evaluations on file and make it available for three years. If a public entity had already completed a self-evaluation under Section 504 of the Rehabilitation Act, then the ADA only required it to do a self-evaluation of those policies and practices that were not included in the previous self-evaluation. (28 CFR §35.105)

The Department of Justice offers technical assistance on Title II through its web page at www.usdoj.gov/crt/ada/taprog.htm, and through its ADA Information Line, at **202 514-0301 (voice and 202-514-0383 (TTY))**. The Department of Justice's technical assistance materials include among others, the Title II Technical Assistance Manual with Yearly Supplements, the ADA guide for Small Towns, and an ADA Guide entitled The ADA and City Governments: Common Problems.

Title III prohibits discrimination based upon disability in places of public accommodation (businesses and non-profit agencies that serve the public) and “commercial” facilities (other businesses). It applies regardless of whether the public accommodation or commercial facility is operated by a private or public entity, or by a for profit or not for profit business. The Department of Justice Title III regulations are found at 28 CFR Part 36. The Department of Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

IV. The Architectural Barriers Act of 1968

The Architectural Barriers Act of 1968 (ABA) (42 U.S.C. 4151-4157) requires that certain buildings financed with Federal funds must be designed, constructed, or altered in accordance with standards that ensure accessibility for persons with physical disabilities. The ABA covers any building or facility financed in whole or in part with Federal funds, except privately-owned residential structures. Covered buildings and facilities designed, constructed, or altered with CDBG funds are subject to the ABA and must comply with the Uniform Federal Accessibility Standards (UFAS). (24 CFR 570.614) In practice, buildings built to meet the requirements of Section 504 and the ADA, will conform to the requirements of the ABA.

V. HUD Resources Available Concerning Section 504

Further information concerning compliance with Section 504 may be obtained through the HUD web page (<http://www.hud.gov/fhe/504/sect504.html>). Additional assistance and information may be obtained by contacting the local Department of Housing and Urban Development Office of Fair Housing and Equal Opportunity field office. ATTACHMENT F

CITY OF MADERA ENGINEERING DEPARTMENT
EAST YOSEMITE AVENUE AND ELM STREET TRAFFIC SIGNAL
AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

This Agreement is entered into, effective on the date of July 1, 2017.

PARTIES:

The City of Madera, hereafter referred to as "CITY", and the City of Madera Engineering Department, hereafter referred to as the "CONTRACTOR."

RECITALS:

WHEREAS, the CITY has been designated as the sponsoring agency to administer and implement the program for the Community Development Block Grant (CDBG) activities of the CITY, and in accordance with the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and the laws of the State of California; and

WHEREAS, the Madera City Council has determined a project to construct and install a new traffic signal with an audible push button activation and countdown pedestrian signal head to allow for ADA compliance, construction of ADA compliant ramps on both sides of Yosemite Avenue and incorporate a pedestrian crosswalk thereby improving safety, accessibility and traffic circulation at the Yosemite and Elm intersection eligible under 24 CFR Part 570.201(c); and

WHEREAS, the CONTRACTOR is dedicated to ensuring the safety and protection of Madera and its community members through adequate first response to emergencies and to maintaining sufficient resources for expanding protection as the community grows; and

WHEREAS, the CONTRACTOR submitted a project plan and budget to purchase and install air conditioning and heating consistent with the intent and purpose of the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and which has been approved by the City Council.

NOW THEREFORE, the parties hereto agree as follows:

1. Services

The CONTRACTOR shall provide all services and responsibilities as set forth in the project design, which is attached to this Agreement, marked as Exhibit "A," and incorporated herein by reference.

2. Funding and Method of Payment

a. Compensation

Payments shall be made after receipt and verification of actual expenditures incurred by the CONTRACTOR in the performance of this Agreement and shall be documented to the CITY by

the fifteenth (15th) day of the month following the end of the quarter. Allowable expenditures under this Agreement are specifically established and attached hereto marked Exhibit "B" and incorporated herein by reference. The total CDBG obligation of the CITY under this Agreement shall not exceed \$262,559 in fiscal year 2017-2018. Any compensation not consumed by expenditures of the CONTRACTOR by the expiration of this Agreement shall automatically revert to the CITY.

b. Public Information

The CONTRACTOR shall disclose in all public information its funding source.

c. Lobbying Activity

The CONTRACTOR shall not directly or indirectly use any of the funds provided under this Agreement for publicity, lobbying, or propaganda purposes designed to support or defeat legislation pending before the Congress of the United States or the Legislature of the State of California.

d. Political Activity

The CONTRACTOR shall not directly or indirectly use any of the funds under this Agreement for any political activity or to further the election or defeat of any candidate for public office.

3. Fiscal Compliance

The CONTRACTOR shall be subject to the same fiscal regulations imposed on CITY by the U. S. Department of Housing and Urban Development for the use of Community Development Block Grant funds.

Program Income

CONTRACTOR shall report quarterly all program income as required under 24 CFR 570.503(b) (3) generated by activities carried out with CDBG funds made available under this contract. The use of program income by the CONTRACTOR shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the CONTRACTOR may use such income during the contract period for activities permitted under this contract and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unexpended program income shall be returned to CITY at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to CITY.

4. Compliance With Laws

If the CONTRACTOR receives CDBG funding under this Agreement, CONTRACTOR shall comply with all rules and regulations established pursuant to the Housing and Community Development Act of 1974 and its amendments and Uniform Administrative Requirements under 24 CFR 570.503(b)(4). The CONTRACTOR and any subcontractors shall comply with all applicable local, State and Federal regulations, including but not limited to those requirements listed in Exhibit "C" attached hereto and incorporated herein by reference.

Administrative Requirements/Financial Management/Accounting Standards

CONTRACTOR agrees to comply with 24 CFR 84.21-28 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

Costs Principles

CONTRACTOR shall administer its program in conformance with OMB Circulars A-122, "Cost Principles for Non-Profit Organizations," or A-21, "Cost Principles for Educational Institutions," as applicable. These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.

5. Contract Administrator

CITY shall retain the right to administer this Agreement so as to verify that CONTRACTOR are performing their obligations in accordance with the terms and conditions thereof. CONTRACTOR and CITY shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over matters the subject thereof.

6. Period of Performance

The CONTRACTOR shall commence performance under this contract July 1, 2017 and shall end its performance June 30, 2018, unless terminated sooner as provided for elsewhere in this Agreement. Agreement may be extended upon written approval of the CITY.

7. Records

a. Record Establishment and Maintenance

CONTRACTOR shall establish and maintain records in accordance with those requirements prescribed by CITY, with respect to all matters covered by this Agreement. CONTRACTOR shall retain all fiscal books, account records, and client files for services performed under this Agreement for at least three (3) years from the date of the final payment under this Agreement or until all State and Federal audits are completed for that fiscal year, whichever is later. Pursuant to State and Federal law, it is the intent of the parties to this Agreement that the CONTRACTOR shall be

reimbursed for actual costs incurred in the performance of this Agreement but that no profit is to accrue to the CONTRACTOR on account of such performance.

CONTRACTOR shall maintain all records required by the Federal regulations specified in 24 CFR 570.506, that are pertinent to the activities to be funded under this Agreement. Such records shall include but not be limited to:

1. Records providing a full description of each activity undertaken;
2. Records demonstrating that each activity undertaken meets one of the National Objectives of the CDBG program;
3. Records required to determine the eligibility of activities;
4. Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with CDBG assistance;
5. Records documenting compliance with the fair housing and equal opportunity components of the CDBG program;
6. Financial records as required by 24 CFR 570.502, and 24 CFR 84.21-28; and
7. Other records necessary to document compliance with 24 CFR 570.503(b) (5).

b. Reports/Required Notifications

The CONTRACTOR shall submit reimbursement claims with substantiating invoices and time cards signed by both the employee and applicable Department Head/Authorizing Official. Reports shall consist of the Quarterly Reporting Form. This form is contained in Exhibit "A-1" attached hereto and incorporated herein by reference.

The CONTRACTOR shall also furnish to the CITY such statements, records, reports, data, and information as the CITY may request pertaining to matters covered by this Agreement. In the event that the CONTRACTOR fails to provide such reports, it shall be deemed sufficient cause for the CITY to withhold payments until there is compliance. In addition, the CONTRACTOR shall provide written notification and explanation to the CITY within five (5) days of any funds received from another source to conduct the same services covered by this Agreement.

CITY shall notify CONTRACTOR in writing within thirty (30) days of any potential State or Federal exception discovered during an examination. Where findings indicate that program requirements are not being met and State and Federal participation in this program may be imperiled in the event that corrections are not accomplished by CONTRACTOR within thirty (30) days, written notification shall constitute CITY's intent to terminate this Agreement.

CONTRACTOR shall report to CITY promptly and in written detail, each notice of claim of copyright infringement received by CONTRACTOR with respect to all subject data delivered under this Agreement. CONTRACTOR shall not affix any restrictive markings upon any data. If markings are affixed, CITY shall have the right at any time to modify, remove, obliterate, or ignore such markings.

c. CDBG Reporting Requirements

The CITY will inform CONTRACTOR in writing if CDBG funds are provided under this Agreement, which require CONTRACTOR to submit an application or to complete a record as an integral part of receiving these funds.

CONTRACTOR shall submit with each quarterly invoice copies of paid invoices/receipts, copies of cash receipts or checks used to pay each invoice submitted, copies of time cards and related pay stubs for reimbursement.

8. Assignment

CITY and CONTRACTOR may not assign, or transfer their obligation of this Agreement or any rights hereunder without the prior written consent of the other party.

9. Subcontracts

If the CONTRACTOR should propose to subcontract with one or more third parties to carry out a portion of those services described in Exhibit "A" insofar as it deems proper or efficient, any such subcontract shall be in writing and approved as to form and content by the CITY prior to execution and implementation. Any such subcontract, together with all other activities performed, or caused by the CONTRACTOR, shall not allow compensation greater than the total project budget contained in Exhibit

B. An executed copy of any such subcontract shall be received by the CITY before any implementation and shall be retained by the CITY.

The CONTRACTOR shall be responsible to the CITY for the proper performance of any subcontract. Any subcontractor shall be subject to all of the same terms and conditions that the CONTRACTOR is subject to under this Agreement. No officer or director of the CONTRACTOR shall have any direct monetary interest in any subcontract made by the CONTRACTOR. A direct monetary interest contrary to this paragraph shall be deemed to exist, if an officer or director of the CONTRACTOR is also an owner, officer, or director of a corporation, association, or partnership subcontracting with the CONTRACTOR.

In addition, if the CONTRACTOR receives CDBG funds under this Agreement, the subcontractor shall be subject to CDBG federal regulations, including those listed in Exhibit "C."

10. Conflict of Interest

No officer, employee, or agent of the CITY who exercises any function or responsibility for planning and carrying out of the services provided under this Agreement shall have any direct or indirect personal financial interest in this Agreement. The CONTRACTOR shall comply with all Federal, State and local conflict of interest laws, statutes, and regulations, which shall be applicable to all parties and beneficiaries under this Agreement and any officer, employee, or agent of the CITY.

11. Discrimination

Eligibility for Services

The CONTRACTOR shall prepare and make available to the CITY and to the public all eligibility requirements to participate in the program plan set forth in Exhibit "A." No person shall, on the grounds of race, color, national origin, sex, religion, age, or disability status, be excluded from participation in, and denied the benefits of, or be subjected to discrimination with respect to the services funded under this Agreement.

The CONTRACTOR'S services shall be accessible to the physically disabled, and the services of a translator, signer or assistive listening device shall be made available. CONTRACTOR, in its marketing materials, shall specify assistance to access its services is available for deaf and hard-of-hearing persons by calling 711 or 1-800-735-2929 and, for voice users, 1-866-735-2922 for TTY Relay Services. CONTRACTOR shall comply with requirements set forth in Exhibit D, Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds – Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act.

b. Employment Opportunity

The CONTRACTOR shall comply with the CITY policy, the Community Development Block Grant regulations, and the Equal Employment Commission guidelines, which forbids discrimination against any person on the grounds of race, color, national origin, sex, religion, age, familial status or disability status in employment practices. Such practices include retirement, recruitment advertising, hiring, layoff, termination, upgrading, demotion, transfer, rates of pay or other forms of compensation, use of facilities, and other terms and conditions of employment.

c. Suspension of Compensation

If an allegation of discrimination occurs, the CITY shall withhold all further funds until the CONTRACTOR can show by clear and convincing evidence to the satisfaction of the CITY that funds provided under this Agreement were not used in connection with the alleged discrimination.

d. Nepotism

Except by written consent of the CITY, no person shall be employed by the CONTRACTOR who is related by blood or marriage or who is a member of the Board of Directors or an officer of the CONTRACTOR. In the event HUD determines a CDBG-funded CONTRACTOR'S organization/agency operations violate federal rules and regulations with regard to nepotism and/or conducts business and a conflict of interest issue arises, then CONTRACTOR shall accept all responsibility to return any CDBG funds received from CITY.

12. Termination

a. This Agreement may be immediately terminated by CITY for cause where in the determination of CITY, any of the following conditions exist: (1) an illegal or improper use of funds, (2) failure to comply with any terms of this Agreement, (3) a materially incorrect or incomplete report, (4) an improper performance of services.

b. Any one of or combination of the above conditions will constitute grounds for suspension or termination of the Agreement. In no event shall any payment by the CITY hereunder constitute a waiver by the CITY of any breach of this Agreement or any default which may then exist on the part of the CONTRACTOR, nor shall such payment impair or prejudice any remedy available to the CITY with respect to the breach of default. When there is a breach of this Agreement, as defined by this section, the CITY may, in its sole discretion, immediately suspend or terminate this Agreement.

c. CITY shall have the option to terminate this Agreement without obligation of CITY to reimburse CONTRACTOR from the date the Federal or State Government withholds or fails to disburse funds to CITY, in the event such government withholds or fails to disburse funds, CITY shall give CONTRACTOR notice of such funding limitation or termination within a reasonable time after CITY receives notices of same.

d. Upon thirty (30) days written notice to the other party, either party may terminate this Agreement without cause. Notice shall be deemed served upon mailing.

13. Amendments

Adjustment of any line item within the total approved budget contained in Exhibit "B" or changes in the nature or scope of the program plan set forth in Exhibit "A" may be approved in writing by the City Administrator, or his designee.

14. Administration

The City of Madera Grants Administration Department shall administer this Agreement.

15. Evaluation

The CITY shall monitor and evaluate the performance of the CONTRACTOR under this Agreement to determine to the best possible degree the success or failure of the services provided under this Agreement and the adequacy of the program plan contained in Exhibit "A." The CONTRACTOR shall participate in evaluation of the program.

CONTRACTOR shall cooperate fully with CITY, State and Federal agencies, which shall have the right to monitor and audit all work performed under this Agreement.

CONTRACTOR shall also agree to on-site monitoring and personal interviews of participants, CONTRACTOR'S staff, and employees by appropriate CITY staff on at least a quarterly basis.

16. Governing Law

Any controversy or claim arising out of or relating to this Agreement which cannot be amicably settled without court action shall be litigated only in Madera, California. The rights and obligations of the parties and all interpretations and performance of this Agreement shall be governed in all respects by the laws of the State of California.

17. Reversion of Assets

The CONTRACTOR must obtain prior written approval from the CITY whenever there is any modification or change in the use of any property acquired or improved, in whole or in part, using CDBG funds. If any real or personal property acquired or improved with CDBG funds is sold and/or is utilized by the CONTRACTOR for a use which does not qualify under the CDBG program, the CONTRACTOR shall reimburse the CITY in an amount equal to the current fair market value of the property, less any portion thereof attributable to expenditures of non-CDBG funds. These requirements shall continue in effect for the life of the property. In the event the CDBG program is closed-out, the requirements of this Section shall remain in effect for activities or property funded with CDBG funds, unless action is taken by the Federal government to relieve the CITY of these obligations.

18. Breach of Agreement

In the event the CONTRACTOR fails to comply with any of the terms of this Agreement, the CITY may, at its option, deem the CONTRACTOR'S failure as a material breach of this Agreement and utilize any of the remedies set forth in 24 CFR 85.43 or that it deems appropriate. Should the CITY deem a breach of this Agreement material, the CITY shall immediately be relieved of its obligations to make further payment as provided herein. In addition to the Agreement

being terminated by the CITY in accord with a material breach of this Agreement by the CONTRACTOR, this Agreement may also be terminated for convenience by the CITY in accord with 24 CFR 85.44.

19. No Third Party Beneficiaries

This Agreement is not intended to create and does not create any rights in or benefits to any third party, nor will it be deemed to confer rights or remedies upon any person or legal entity not a party to this Agreement.

20. Indemnification

IN THE EVENT HUD DETERMINES A CDBG-FUNDED CONTRACTOR HAS VIOLATED FEDERAL RULES AND REGULATIONS AND HUD REQUIRES REPAYMENT OF CDBG FUNDS, THEN THE CONTRACTOR SHALL REPAY ANY CDBG FUNDS WITHIN 90 DAYS OF A WRITTEN REQUEST FROM CITY.

Contractor shall indemnify, defend with legal counsel approved by City, and hold harmless City, its officers, officials, employees, and volunteers from and against all liability, loss, damage, expense, and cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with Contractor's negligence, recklessness, or willful misconduct in the performance of work hereunder, or its failure to comply with any of its obligations contained in this AGREEMENT, except such loss or damage caused by the sole active negligence or willful misconduct of the City. Should conflict of interest principles preclude a single legal counsel from representing both City and Contractor, or should City otherwise find Contractor's legal counsel unacceptable, then Contractor shall reimburse the City its costs of defense, including without limitation, reasonable legal counsel fees, expert fees, and all other costs and fees of litigation. The Contractor shall promptly pay any final judgment rendered against the City (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the Contractor's negligent, reckless, or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

Contractor obligations under this section apply regardless of whether or not such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by an Indemnitee. However, without affecting the rights of City under any provision of this agreement, Contractor shall not be required to indemnify and hold harmless City for liability attributable to the active negligence of City, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where City is shown to have been actively negligent and where City's active negligence accounts for only a percentage of the liability involved, the

obligation of Contractor will be for that entire portion or percentage of liability not attributable to the active negligence of City.

Contractor agrees to obtain or cause to be obtained executed defense and indemnity agreements with provisions identical to those set forth in this Section from each and every Subcontractor and Subconsultant, of every Tier. In the event the Contractor fails to do so, Contractor agrees to be fully responsible to provide such defense and indemnification according to the terms of this Section.

21. Entire Agreement

This Agreement constitutes the entire agreement between the CONTRACTOR and CITY with respect to the subject matter hereof and supersedes all previous negotiations, proposals, commitments, writings, advertisements, publications and understandings of any nature whatsoever unless expressly included in this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective officers thereunto duly authorized on the date first written above.

CITY OF MADERA
COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)
PEDESTRIAN SAFETY AND TRAFFIC SIGNAL
AT YOSEMITE AVENUE AND ELM STREET INTERSECITON
PROPOSAL FORM
2017/2018

DATE SUBMITTED: March 16, 2017

A. GENERAL INFORMATION

1. Name of Department/Organization: City of Madera, Engineering Department

Address: 205 W. Fourth Street Madera, Ca. 93637

Contact Person: Rosalva Ramirez Phone: (559) 661-5418

Concurrence: _____

Keith B. Helmuth, City Engineer

B. ACTIVITY DESCRIPTION

1. Summary (Description of proposed project and anticipated accomplishment. If appropriate, include diagram of the area.):

The proposed project will make safety, accessibility and traffic improvements to the Yosemite and Elm intersection in the City of Madera. This will include the construction and installation of a new traffic signal with an audible push button activation and countdown pedestrian signal head to allow for ADA compliance, construction of ADA compliant ramps on both sides of Yosemite Avenue and incorporate a pedestrian crosswalk. These improvements will help mitigate the current and future traffic congestion and provide additional pedestrian safety measures to facilitate access to the various commercial services located adjacent to the intersection, for area residents.

2. Need (Explain why project is needed.):

The existing intersection has Elm Street meeting Yosemite Avenue at a 'T' with only right turns allowed from Elm Street onto Yosemite Avenue. In 2006 a traffic analysis was conducted as part of the requirements for the Sugar Pine Village Development, now the Crossroads Shopping Center. The results of this analysis showed that with the projected traffic volumes, the existing intersection would not function adequately. The study recommended the installation of a traffic signal to address the congestion and safety issues. The new signal would allow for right and left turns onto Yosemite Avenue from Elm Street as well as provide time for pedestrians to cross Elm Street and Yosemite Avenue.

The proposed pedestrian improvements would provide a much-needed path for residents to access the commercial establishments located adjacent to the project. The area surrounding the project has a high low-income population that regularly use the local grocery store, Rancho San Miguel, the Pharmacy and other services in the shopping center at this location. Currently the nearest crosswalks (both signalized) are about 900 feet to the east and 3,400 feet to the west. This project would respond to the highly prioritized community need presented in the five-year consolidated plan; specifically, under: Item #1 making street improvements, Item #3 making sidewalk improvements as well as Item #11 improving ADA accessibility to public facilities.

This project was previously advertised and set to begin construction in 2013; however, due to the dissolution of the Redevelopment Agency (RDA), the project was postponed. Since 2013, the residential and commercial development in the area has continued to grow given area residents' increased demand for services. The traffic volumes and the number of projected pedestrians to use the intersection continues to increase which create not only congestions issues but increase the risk of traffic and pedestrian accidents.

Given the time that has elapsed since the project was originally planned in 2006 until now and additional requirements established by Caltrans, the cost of this signal is substantially more than that which was originally planned. The City has not been able to cover the cost of these improvements since then. Thus, without a meaningful source of funding; such as CDBG, the City must continue to delay or cancel this much-needed project. The City has diligently worked on preparing this project for construction, anticipating applying and obtaining CDBG funding and working to secure additional City funds.

These improvements would not only provide a safe and adequate intersection for drivers and pedestrians, but also would promote and support local businesses; thereby continue to reduce blithe in the neighborhood and support the service needs of community residents, including many seniors and disabled folks that utilize walkers and wheelchairs. Residents would have greater and safer access to the multiple services in the adjacent commercial developments as well as access to the bus stop found near the intersection.

3. Estimated cost of project and source of estimate (if available): \$ 650,000.00

The engineer's estimate including the bread down of costs for construction management and inspection is attached.

Please identify other sources of funds to implement this project. If funds other than CDBG are proposed, please provide supporting documentation/letters of commitment.

The pedestrian facilities as part of the traffic signal project will be funded by the available development impact funds. These funds are limited and are used for reimbursements of development projects. The fund would provide \$250,000 for the project with a need of \$400,000 from the CDBG grant.

4. Timetable (assuming final approval next July 1). Will your proposal meet these goals in one year? Give starting date for activity.

The City anticipates receiving final approval from Caltrans shortly in April or May. With this approval, the project is ready for advertisement and construction as soon as the CDBG funds are approved. Please see the attached project schedule for construction.

5. What measureable goals will your program deliver?

The project will create an intersection with the capacity to effectively and safely support the current and projected traffic volumes for the residents in close proximity to the intersection.

6. What are the project's expected outcomes? How are the outcomes assessed?

There are two outcomes. First, a protected pedestrian crossing on a State Highway will be provided where none previously existed. Pedestrian crossings at traffic signals represent the highest level of protection and safety as borne out in innumerable traffic engineering publications. Second, increase the capacity of the intersection. This is assessed by determining the level of service of the intersection. With the installation of this traffic signal the intersection will operate at an acceptable level of service.

7. What National Objective does your program meet?

The pedestrian and intersection improvements meet the following national objectives:

- 1. The project is in a low-income area**
- 2. The project is adding improvements that encourage future development on vacant lots in the area and eliminate the blight.**

8. How does your proposal support the Vision Plan Madera 2025 Action Plan?

The traffic signal is a much-needed public improvement. The project not only includes the improvements to the street and intersection but will also enhance the current pedestrian facilities as well as improve ADA accessibility.

C. ENVIRONMENTAL IMPACTS:

1. Historical:

There are no historical sites in the project area that would be affected.

- a. How old is the affected structure? **NA**
- b. Will this project affect an historically significant (or potentially historic) structure? **NA**

2. Archeological:
 - a. Will this project involve any ground disturbance?

The project will cause minimal ground disturbance as required to install the signal pole bases and electrical conduit.

- b. If so, how deep will excavation be and what is the volume of earth to be moved?
NA

3. Water:
 - a. Does this project involve a sewer or water system?
No existing sewer or water systems will be disturbed due to this project.

D. PROGRAM ELIGIBILITY:

To be eligible for funding, a project must either benefit low and moderate-income persons or prevent/eliminate slums or blight. Indicate how the proposed project meets this requirement. Projects that primarily benefit handicapped or senior citizens meet the criteria for benefiting low and moderate-income persons.

1. Primarily benefits low and moderate-income persons.

- a. Number of persons served annually:
The project is in the CDBG qualifying census tract 9. Referencing to the 2015 census the project will positively benefit approximately 9,359 low to moderate income residents in the surrounding neighborhoods.

- b. Service Area:

Number of City residents served annually:

Approximately 9,359 residents in the surrounding area would benefit from the proposed improvements and pedestrian facilities at Yosemite Avenue and Elm Street.

Number of persons with disabilities or seniors served:

The traffic signal would provide a controlled intersection for the numerous seniors, disabled, and access to the transit systems that service the senior and disabled in the community. This project would provide safe access to the adjacent businesses and community centers. A few of the businesses in the immediate area include a community church, grocery stores, pharmacy and restaurants. Yosemite Avenue is also a main access street to the schools and community center located south of Yosemite Avenue at Tozer Street.

2. How will the proposed project prevent or eliminate slums or blight?

The proposed project is in a low-income area with vacant lots on the north and west side of the intersection that are creating blight in the area. With the increase in traffic volumes brought on by the adjacent shopping center the existing intersection is functioning at a low capacity. Construction of the crosswalk improvements would aid in creating a more attractive setting for future development and the associated traffic demands within this census tract.

E. CITIZEN PARTICIPATION:

Project proposals should include evidence of citizen support for activity.

1. What was done to receive public input/participation? Please provide details. What were the outcomes? Include documentation of support for the proposal such as meeting minutes, letters and petitions.

The improvements are essential to current efforts underway to revitalize the City's downtown area. The shopping center at this location was a project brought forth by the RDA to improve the low-income area and bring much needed facilities to the neighbors. Please see that the attached letter of support from the RDA.

2. Note complaints that have been received, etc.

The RDA gauged the need for the original project through community interactions in 2008. The pedestrian and intersection improvements were always a part of that original plan presented to the residents.

3. Evidence of collaboration with other agencies within the community.

The City of Madera is working closely with Caltrans in the design of this project. Caltrans is supportive of the pedestrian and ADA improvements on Yosemite Avenue as a State Highway. Members of the Madera County Transportation Commission (MCTC) have voiced their concerns regarding the safety and traffic conditions of this intersections at various MCTC meetings. The Madera Fire Department is also in favor the of the safety improvements that this project will provide. Please see that the attached letter of supports from the Madera Fire Department and the Madera County Supervisor attached.

Please see the eligible CDBG Census Tract map below.

Subject: Construction of a new Traffic Signal at Yosemite Avenue and Elm Street

Mr. Helmuth,

The neighborhood surrounding Yosemite Avenue and Elm Street is currently using an inadequate intersection.

The Madera Redevelopment Agency prior to its dissolution had invested a great deal of time and resources to the betterment and development of East Yosemite Avenue/HWY 145 corridor. Dilapidated, blighted structures have been purchased and abated. Underground storage tanks have been removed and extensive mitigation performed. The Crossroads shopping center was developed. Today the Successor Redevelopment Agency remains involved in this area as it serves an important sector of the City/County. The intersection at Yosemite and Elm in its current state has significant limitations. Negative Traffic patterns are emerging. One example is where the left turn onto Yosemite is not possible a right turn and immediate U turn is now taking place.

The signal at this intersection was always a goal of the Agency. As an Agency deeply invested in that area we would stress that our citizens, local businesses and their customers would benefit greatly from the construction of a functional intersection.

At this time the Successor Agency to the Former Madera Redevelopment Agency would like to support the proposed "Construction of a new Traffic Signal at Yosemite and Elm Avenue."

Sincerely,

Bob Wilson

To whom it may concern,

The neighborhood surrounding Yosemite Avenue and Elm Street is currently using an inadequate intersection. The Madera City Fire Department responds to all types of emergencies throughout the city of Madera. As an emergency responding agency for the area, our citizens as well as our staff would benefit from the construction of a functional intersection. Safety for the responders and safety for the citizens.

CALFIRE/Madera City Fire Department would like to support the proposed "Construction of a new Traffic Signal at Yosemite Avenue and Elm Street."

RE: CONSTRUCTION OF A NEW TRAFFIC SIGNAL AT YOSEMITE AVENUE AND ELM STREET

To Whom It May Concern:

I am pleased to offer my support for the proposed construction of a new traffic signal at Yosemite Avenue and Elm Street. As a lifelong resident of the City of Madera and supervisor representing district four, I share numerous concerns about the welfare of our pedestrians, motorists, and cyclists at this unsafe intersection. Traffic signals offer the maximum degree of control at intersections. They are a valuable device for improving safety and efficiency of both pedestrian and vehicular traffic. Constructing a traffic signal would provide a permanent solution to what is currently an inadequate crossing and would likely prevent serious injuries or loss of life.

For these reasons, I strongly support the placement of a new traffic signal at the Yosemite Avenue and Elm Street intersection and hope you will consider the incalculable impacts it would have on our city. If you have any questions regarding this recommendation, please do not hesitate to contact me at 559-662-6040 or maxr@madera-county.com. Thank you for your consideration.

Respectfully,

Max Rodriguez,
Supervisor District 4

Notice CPD- 00-10

Issued: December 26, 2000

Expires: December 26, 2001

Subject: Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds -- Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act

I. Purpose

The purpose of this Notice is to remind recipients of Federal funds under the Community Development Block Grant (CDBG) Program of their obligation to comply with Section 504 of the Rehabilitation Act of 1973, HUD's implementing regulations (24 CFR Part 8), the Americans with Disabilities Act, (ADA) and its implementing regulations, (28 CFR Parts 35, 36), and the Architectural Barriers Act (ABA) and its implementing regulations (24 CFR Parts 40, 41) in connection with recipients' non-housing programs. This Notice describes key compliance elements for non-housing programs and facilities assisted under the CDBG programs. However, recipients should review the specific provisions of the ADA, Section 504, the ABA, and their implementing regulations in order to assure that their programs are administered in full compliance.

Applicability

This Notice applies to all non-housing programs and facilities assisted with Community Development Block Grant Funds (e.g. public facilities and public improvements, commercial buildings, office buildings, and other non-residential buildings) and facilities in which CDBG activities are undertaken (e.g., public services). A separate Notice is being issued concerning Federal accessibility requirements for housing programs assisted by recipients of CDBG and HOME program funds.

II. Section 504 of the Rehabilitation Act of 1973

Section 504 of the Rehabilitation Act of 1973, as amended, provides "No otherwise qualified individual with a disability in the United States ... shall, solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance...". HUD's regulations implementing the Section 504 requirements can be found at 24 CFR Part 8.

Distribution: W-3-1

Part 8 requires that recipients ensure that their programs are accessible to and usable by persons with disabilities. Part 8 also prohibits recipients from employment discrimination based upon disability.

The Section 504 regulations define "recipient" as any State or its political subdivision, any instrumentality of a State or its political subdivision, any public or private agency, institution organization, or other entity or any person to which Federal financial assistance is extended for any program or activity directly or through another recipient, including any successor, assignee, or transferee of a recipient, but excluding the ultimate beneficiary of the assistance. (24 CFR §8.3) For the purposes of Part 8, recipients include States and localities that are grantees and subgrantees under the CDBG program, their subrecipients, community-based development organizations, businesses, and any other entity that receives CDBG assistance, but not low and moderate income beneficiaries of the program. CDBG grantees are responsible for establishing policies and practices that they will use to monitor compliance of all covered programs, activities, or work performed by their subrecipients, contractors, subcontractors, management agents, etc.

Non-housing Programs

New Construction -- Part 8 requires that new non-housing facilities constructed by recipients of Federal financial assistance shall be designed and constructed to be readily accessible to and usable by persons with disabilities. (24 CFR §8.21(a))

Alterations to facilities -- Part 8 requires to the maximum extent feasible, that recipients make alterations to existing non-housing facilities to ensure that such facilities are readily accessible to and usable by individuals with disabilities. An element of an existing non-housing facility need not be made accessible, if doing so, would impose undue financial and administrative burdens on the operation of the recipients program or activity. (24 CFR §8.21 (b))

Existing non-housing facilities - A recipient is obligated to operate each non-housing program or activity so that, when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. (24 CFR §8.21 (c))

Recipients are not necessarily required to make each of their existing non-housing facilities accessible to and usable by persons with disabilities if when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. 24 CFR §8.21(c)(1) Recipients are also not required to take any action that they can demonstrate would result in a fundamental alteration in the nature of its program or activity or cause an undue administrative and financial burden. However, recipients are still required to take other actions that would not result in such alterations, but would nevertheless ensure that persons with disabilities receive the benefits and services of the program. (24 CFR §8.21(c)(iii))

Historic Preservation - Recipients are not required to take any actions that would result in a substantial impairment of significant historic features of an historic property, However, in such cases where a physical alteration is not required, the recipient is still obligated to use alternative means to achieve program accessibility, including using audio-visual materials and devices to depict those portions of

an historic property that cannot be made accessible, assigning persons to guide persons with disabilities into or through portions of historic properties that cannot be made accessible, or otherwise adopting other innovative methods so that individuals with disabilities can still benefit from the program. (24CFR §8.21(c)(2)(ii))

Accessibility Standards

Design, construction, or alteration of facilities in conformance with the Uniform Federal Accessibility Standards (UFAS) is deemed to comply with the accessibility requirements for nonhousing facilities.

Recipients may depart from particular technical and scoping requirements of UFAS where substantially equivalent or greater accessibility and usability is provided. (24 CFR §8.32) For copies of UFAS, contact the HUD Distribution Center at 1-800-767-7468; deaf, hard of hearing, or speech-impaired persons may access this number via TTY by calling the Federal Information Relay Service at 1-800-877-8339.

Where a property is subject to more than one law or accessibility standard, it is necessary to comply with all applicable requirements. In some cases, it may be possible to do this by complying with the stricter requirement, however, it is also important to ensure that meeting the stricter requirement also meets both the scoping and technical requirements of overlapping laws or standards.

Employment

Section 504 also prohibits discrimination based upon disability in employment. See 24 CFR Part 8, Subpart B.

Section 504 Self Evaluations

The Section 504 regulations required recipients of Federal financial assistance to conduct a self-evaluation of their policies and practices to determine if they were consistent with the law's requirements. This self evaluation was to have been completed no later than July 11, 1989. Title II of the ADA imposed this requirement on all covered public entities. The ADA regulations required that ADA self evaluations be completed by January 26, 1993, although those public entities that had already performed a Section 504 self evaluation were only required to perform a self-evaluation on those policies and practices that had not been included in the Section 504 review.

The regulatory deadlines are long past. However, self-evaluation continues to be an excellent management tool for ensuring that a recipient's current policies and procedures comply with the requirements of Section 504 and the ADA.

Involving persons with disabilities in the self-evaluation process is very beneficial. This will assure the most meaningful result for both the recipient and for persons with disabilities who participate in the recipient's programs and activities. It is important to involve persons and/or organizations representing persons with disabilities, and agencies or other experts who work regularly with accessibility standards.

Important steps in conducting a self-evaluation and implementing its results include the following:

- Evaluate current policies and practices and analyze them to determine if they adversely affect the full participation of individuals with disabilities in its programs, activities and services. Be mindful of the fact that a policy or practice may appear neutral on its face, but may have a discriminatory effect on individuals with disabilities.
- Modify any policies and practices that are not or may not be in compliance with Section 504 or Title II and Title III of the ADA regulations. (See 24 CFR Part 8 and 28 CFR Parts 35, 36.)
- Take appropriate corrective steps to remedy those policies and practices which either are discriminatory or have a discriminatory effect. Develop policies and procedures by which persons with disabilities may request a modification of a physical barrier or a rule or practice that has the effect of limiting or excluding a person with a disability from the benefits of the program.
- Document the self-evaluation process and activities. The Department recommends that all recipients keep the self-evaluation on file for at least three years, including records of the individuals and organizations consulted, areas examined and problems identified, and document modifications and remedial steps, as an aid to meeting the requirement at 24 CFR Part 8.55.

The Department also recommends that recipients periodically update the self-evaluation, particularly, for example, if there have been changes in the programs and services of the agency. In addition, public entities covered by Title II of the ADA should review any policies and practices that were not included in their Section 504 self-evaluation and should modify discriminatory policies and practices accordingly.

III. The Americans With Disabilities Act of 1990

The Americans With Disabilities Act of 1990 (ADA) guarantees equal opportunities for persons with disabilities in employment, public accommodations, transportation, State and local government services, and telecommunications. Unlike Section 504 which applies only to programs and activities receiving Federal financial assistance, the ADA applies even if no Federal financial assistance is given.

The U.S. Department of Justice enforces Titles I, II, and III of the ADA, although the Equal Employment Opportunity Commission investigates administrative complaints involving Title I.

Title I prohibits discrimination in employment based upon disability. The regulations implementing Title I are found at 29 CFR Part 1630. The Equal Employment Opportunity Commission (EEOC) offers technical assistance on the ADA provisions applying to employment.

These can be obtained at the EEOC web site www.eeoc.gov, or by calling 800-669-3362 (voice) and 800-800-3302 (TTY).

Title II prohibits discrimination based on disability by State and local governments. Title II essentially extended the Section 504 requirements to services, programs, and activities provided by States, local governments and other entities that do not receive Federal financial assistance from HUD or another Federal agency. CDBG grantees are covered by both Title II and Section 504. The Department of Justice Title II regulations are found at 28 CFR Part 35.

Title II also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. (28 CFR §35.151 (a) & (b)) Facilities constructed or altered in conformance with either UFAS or the ADA Accessibility Guidelines for Buildings and Facilities (ADAAG) (Appendix A to 28 CFR Part 36) shall be deemed to comply with the Title II Accessibility requirements, except that the elevator exemption contained at section 4.1.3(5) and section 4.1.6(1)(j) of ADAAG shall not apply. (28CFR §35.151(c))

Title II specifically requires that all newly constructed or altered streets, roads, and highways and pedestrian walkways must contain curb ramps or other sloped areas at any intersection having curbs or other barriers to entry from a street level or pedestrian walkway and that all newly constructed or altered street level pedestrian walkways must have curb ramps at intersections. Newly constructed or altered street level pedestrian walkways must contain curb ramps or other sloped areas at intersections to streets, roads, or highways. (28CFR §35.151(e))

The Title II regulations required that by January 26, 1993, public entities (State or local governments) conduct a self-evaluation to review their current policies and practices to identify and correct any requirements that were not consistent with the regulation. Public entities that employed more than 50 persons were required to maintain their self-evaluations on file and make it available for three years. If a public entity had already completed a self-evaluation under Section 504 of the Rehabilitation Act, then the ADA only required it to do a self-evaluation of those policies and practices that were not included in the previous self-evaluation. (28 CFR §35.105)

The Department of Justice offers technical assistance on Title II through its web page at www.usdoj.gov/crt/ada/taprogram.htm, and through its ADA Information Line, at **202 514-0301 (voice and 202-514-0383 (TTY))**. The Department of Justice's technical assistance materials include among others, the Title II Technical Assistance Manual with Yearly Supplements, the ADA guide for Small Towns, and an ADA Guide entitled The ADA and City Governments: Common Problems.

Title III prohibits discrimination based upon disability in places of public accommodation (businesses and non-profit agencies that serve the public) and "commercial" facilities (other businesses). It applies regardless of whether the public accommodation or commercial facility is operated by a private or public entity, or by a for profit or not for profit business. The Department of Justice Title III regulations are found at 28 CFR Part 36. The Department of Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

IV. The Architectural Barriers Act of 1968

The Architectural Barriers Act of 1968 (ABA) (42 U.S.C. 4151-4157) requires that certain buildings financed with Federal funds must be designed, constructed, or altered in accordance with standards that ensure accessibility for persons with physical disabilities. The ABA covers any building or facility financed in whole or in part with Federal funds, except privately-owned residential structures. Covered buildings and facilities designed, constructed, or altered with CDBG funds are subject to the ABA and must comply with the Uniform Federal Accessibility Standards (UFAS). (24 CFR 570.614) In practice, buildings built to meet the requirements of Section 504 and the ADA, will conform to the requirements of the ABA.

V. HUD Resources Available Concerning Section 504

Further information concerning compliance with Section 504 may be obtained through the HUD web page (<http://www.hud.gov/fhe/504/sect504.html>). Additional assistance and information may be obtained by contacting the local Department of Housing and Urban Development Office of Fair Housing and Equal Opportunity field office. ATTACHMENT G

CITY OF MADERA ENGINEERING DEPARTMENT
WASHINGTON ELEMENTARY SCHOOL SIDEWALK PROJECT
AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

AGREEMENT FOR SERVICES FUNDED BY CITY OF MADERA

This Agreement is entered into, effective on the date of July 1, 2017.

PARTIES:

The City of Madera, hereafter referred to as "CITY", and the City of Madera Engineering Department, hereafter referred to as the "CONTRACTOR."

RECITALS:

WHEREAS, the CITY has been designated as the sponsoring agency to administer and implement the program for the Community Development Block Grant (CDBG) activities of the CITY, and in accordance with the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and the laws of the State of California; and

WHEREAS, the Madera City Council has determined a project to construct new, 5-foot-wide sidewalks with ADA compliant corner ramps and approaches on Lincoln Avenue, South Street and Austin Street adjacent to George Washington Elementary School are eligible under 24 CFR Part 570.201(c); and

WHEREAS, the CONTRACTOR is dedicated to ensuring the safety and protection of Madera and its community members through adequate first response to emergencies and to maintaining sufficient resources for expanding protection as the community grows; and

WHEREAS, the CONTRACTOR submitted a project plan and budget to purchase and install air conditioning and heating consistent with the intent and purpose of the provisions of Title I of the Housing and Community Development Act of 1974, as amended, and which has been approved by the City Council.

NOW THEREFORE, the parties hereto agree as follows:

1. Services

The CONTRACTOR shall provide all services and responsibilities as set forth in the project design, which is attached to this Agreement, marked as Exhibit "A," and incorporated herein by reference.

2. Funding and Method of Payment

a. Compensation

Payments shall be made after receipt and verification of actual expenditures incurred by the CONTRACTOR in the performance of this Agreement and shall be documented to the CITY by the fifteenth (15th) day of the month following the end of the quarter. Allowable expenditures under

this Agreement are specifically established and attached hereto marked Exhibit "B" and incorporated herein by reference. The total CDBG obligation of the CITY under this Agreement shall not exceed \$185,836 in fiscal year 2017-2018. Any compensation not consumed by expenditures of the CONTRACTOR by the expiration of this Agreement shall automatically revert to the CITY.

b. Public Information

The CONTRACTOR shall disclose in all public information its funding source.

c. Lobbying Activity

The CONTRACTOR shall not directly or indirectly use any of the funds provided under this Agreement for publicity, lobbying, or propaganda purposes designed to support or defeat legislation pending before the Congress of the United States or the Legislature of the State of California.

d. Political Activity

The CONTRACTOR shall not directly or indirectly use any of the funds under this Agreement for any political activity or to further the election or defeat of any candidate for public office.

3. Fiscal Compliance

The CONTRACTOR shall be subject to the same fiscal regulations imposed on CITY by the U. S. Department of Housing and Urban Development for the use of Community Development Block Grant funds.

Program Income

CONTRACTOR shall report quarterly all program income as required under 24 CFR 570.503(b) (3) generated by activities carried out with CDBG funds made available under this contract. The use of program income by the CONTRACTOR shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the CONTRACTOR may use such income during the contract period for activities permitted under this contract and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unexpended program income shall be returned to CITY at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to CITY.

4. Compliance With Laws

If the CONTRACTOR receives CDBG funding under this Agreement, CONTRACTOR shall comply with all rules and regulations established pursuant to the Housing and Community Development Act of 1974 and its amendments and Uniform Administrative Requirements under 24

CFR 570.503(b)(4). The CONTRACTOR and any subcontractors shall comply with all applicable local, State and Federal regulations, including but not limited to those requirements listed in Exhibit "C" attached hereto and incorporated herein by reference.

Administrative Requirements/Financial Management/Accounting Standards

CONTRACTOR agrees to comply with 24 CFR 84.21-28 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

Costs Principles

CONTRACTOR shall administer its program in conformance with OMB Circulars A-122, "Cost Principles for Non-Profit Organizations," or A-21, "Cost Principles for Educational Institutions," as applicable. These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.

5. Contract Administrator

CITY shall retain the right to administer this Agreement so as to verify that CONTRACTOR are performing their obligations in accordance with the terms and conditions thereof. CONTRACTOR and CITY shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over matters the subject thereof.

6. Period of Performance

The CONTRACTOR shall commence performance under this contract July 1, 2017 and shall end its performance June 30, 2018, unless terminated sooner as provided for elsewhere in this Agreement. Agreement may be extended upon written approval of the CITY.

7. Records

a. Record Establishment and Maintenance

CONTRACTOR shall establish and maintain records in accordance with those requirements prescribed by CITY, with respect to all matters covered by this Agreement. CONTRACTOR shall retain all fiscal books, account records, and client files for services performed under this Agreement for at least three (3) years from the date of the final payment under this Agreement or until all State and Federal audits are completed for that fiscal year, whichever is later. Pursuant to State and Federal law, it is the intent of the parties to this Agreement that the CONTRACTOR shall be reimbursed for actual costs incurred in the performance of this Agreement but that no profit is to accrue to the CONTRACTOR on account of such performance.

CONTRACTOR shall maintain all records required by the Federal regulations specified in 24 CFR 570.506, that are pertinent to the activities to be funded under this Agreement. Such records

shall include but not be limited to:

1. Records providing a full description of each activity undertaken;
2. Records demonstrating that each activity undertaken meets one of the National Objectives of the CDBG program;
3. Records required to determine the eligibility of activities;
4. Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with CDBG assistance;
5. Records documenting compliance with the fair housing and equal opportunity components of the CDBG program;
6. Financial records as required by 24 CFR 570.502, and 24 CFR 84.21-28; and
7. Other records necessary to document compliance with 24 CFR 570.503(b) (5).

b. Reports/Required Notifications

The CONTRACTOR shall submit reimbursement claims with substantiating invoices and time cards signed by both the employee and applicable Department Head/Authorizing Official. Reports shall consist of the Quarterly Reporting Form. This form is contained in Exhibit "A-1" attached hereto and incorporated herein by reference.

The CONTRACTOR shall also furnish to the CITY such statements, records, reports, data, and information as the CITY may request pertaining to matters covered by this Agreement. In the event that the CONTRACTOR fails to provide such reports, it shall be deemed sufficient cause for the CITY to withhold payments until there is compliance. In addition, the CONTRACTOR shall provide written notification and explanation to the CITY within five (5) days of any funds received from another source to conduct the same services covered by this Agreement.

CITY shall notify CONTRACTOR in writing within thirty (30) days of any potential State or Federal exception discovered during an examination. Where findings indicate that program requirements are not being met and State and Federal participation in this program may be imperiled in the event that corrections are not accomplished by CONTRACTOR within thirty (30) days, written notification shall constitute CITY's intent to terminate this Agreement.

CONTRACTOR shall report to CITY promptly and in written detail, each notice of claim of copyright infringement received by CONTRACTOR with respect to all subject data delivered under this Agreement. CONTRACTOR shall not affix any restrictive markings upon any data. If markings are affixed, CITY shall have the right at any time to modify, remove, obliterate, or ignore such markings.

c. CDBG Reporting Requirements

The CITY will inform CONTRACTOR in writing if CDBG funds are provided under this Agreement, which require CONTRACTOR to submit an application or to complete a record as an integral part of receiving these funds.

CONTRACTOR shall submit with each quarterly invoice copies of paid invoices/receipts, copies of cash receipts or checks used to pay each invoice submitted, copies of time cards and related pay stubs for reimbursement.

8. Assignment

CITY and CONTRACTOR may not assign, or transfer their obligation of this Agreement or any rights hereunder without the prior written consent of the other party.

9. Subcontracts

If the CONTRACTOR should propose to subcontract with one or more third parties to carry out a portion of those services described in Exhibit "A" insofar as it deems proper or efficient, any such subcontract shall be in writing and approved as to form and content by the CITY prior to execution and implementation. Any such subcontract, together with all other activities performed, or caused by the CONTRACTOR, shall not allow compensation greater than the total project budget contained in Exhibit

B. An executed copy of any such subcontract shall be received by the CITY before any implementation and shall be retained by the CITY.

The CONTRACTOR shall be responsible to the CITY for the proper performance of any subcontract. Any subcontractor shall be subject to all of the same terms and conditions that the CONTRACTOR is subject to under this Agreement. No officer or director of the CONTRACTOR shall have any direct monetary interest in any subcontract made by the CONTRACTOR. A direct monetary interest contrary to this paragraph shall be deemed to exist, if an officer or director of the CONTRACTOR is also an owner, officer, or director of a corporation, association, or partnership subcontracting with the CONTRACTOR.

In addition, if the CONTRACTOR receives CDBG funds under this Agreement, the subcontractor shall be subject to CDBG federal regulations, including those listed in Exhibit "C."

10. Conflict of Interest

No officer, employee, or agent of the CITY who exercises any function or responsibility for planning and carrying out of the services provided under this Agreement shall have any direct or indirect personal financial interest in this Agreement. The CONTRACTOR shall comply with all Federal, State and local conflict of interest laws, statutes, and regulations, which shall be applicable to all parties and beneficiaries under this Agreement and any officer, employee, or agent of the CITY.

11. Discrimination

Eligibility for Services

The CONTRACTOR shall prepare and make available to the CITY and to the public all eligibility requirements to participate in the program plan set forth in Exhibit "A." No person shall, on the grounds of race, color, national origin, sex, religion, age, or disability status, be excluded from participation in, and denied the benefits of, or be subjected to discrimination with respect to the services funded under this Agreement.

The CONTRACTOR'S services shall be accessible to the physically disabled, and the services of a translator, signer or assistive listening device shall be made available. CONTRACTOR, in its marketing materials, shall specify assistance to access its services is available for deaf and hard-of-hearing persons by calling 711 or 1-800-735-2929 and, for voice users, 1-866-735-2922 for TTY Relay Services. CONTRACTOR shall comply with requirements set forth in Exhibit D, Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds – Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act.

b. Employment Opportunity

The CONTRACTOR shall comply with the CITY policy, the Community Development Block Grant regulations, and the Equal Employment Commission guidelines, which forbids discrimination against any person on the grounds of race, color, national origin, sex, religion, age, familial status or disability status in employment practices. Such practices include retirement, recruitment advertising, hiring, layoff, termination, upgrading, demotion, transfer, rates of pay or other forms of compensation, use of facilities, and other terms and conditions of employment.

c. Suspension of Compensation

If an allegation of discrimination occurs, the CITY shall withhold all further funds until the CONTRACTOR can show by clear and convincing evidence to the satisfaction of the CITY that funds provided under this Agreement were not used in connection with the alleged discrimination.

d. Nepotism

Except by written consent of the CITY, no person shall be employed by the CONTRACTOR who is related by blood or marriage or who is a member of the Board of Directors or an officer of the CONTRACTOR. In the event HUD determines a CDBG-funded CONTRACTOR'S organization/agency operations violate federal rules and regulations with regard to nepotism and/or conducts business and a conflict of interest issue arises, then CONTRACTOR shall accept all responsibility to return any CDBG funds received from CITY.

12. Termination

a. This Agreement may be immediately terminated by CITY for cause where in the determination of CITY, any of the following conditions exist: (1) an illegal or improper use of funds, (2) failure to comply with any terms of this Agreement, (3) a materially incorrect or incomplete report, (4) an improper performance of services.

b. Any one of or combination of the above conditions will constitute grounds for suspension or termination of the Agreement. In no event shall any payment by the CITY hereunder constitute a waiver by the CITY of any breach of this Agreement or any default which may then exist on the part of the CONTRACTOR, nor shall such payment impair or prejudice any remedy available to the CITY with respect to the breach of default. When there is a breach of this Agreement, as defined by this section, the CITY may, in its sole discretion, immediately suspend or terminate this Agreement.

c. CITY shall have the option to terminate this Agreement without obligation of CITY to reimburse CONTRACTOR from the date the Federal or State Government withholds or fails to disburse funds to CITY, in the event such government withholds or fails to disburse funds, CITY shall give CONTRACTOR notice of such funding limitation or termination within a reasonable time after CITY receives notices of same.

d. Upon thirty (30) days written notice to the other party, either party may terminate this Agreement without cause. Notice shall be deemed served upon mailing.

13. Amendments

Adjustment of any line item within the total approved budget contained in Exhibit "B" or changes in the nature or scope of the program plan set forth in Exhibit "A" may be approved in writing by the City Administrator, or his designee.

14. Administration

The City of Madera Grants Administration Department shall administer this Agreement.

15. Evaluation

The CITY shall monitor and evaluate the performance of the CONTRACTOR under this Agreement to determine to the best possible degree the success or failure of the services provided under this Agreement and the adequacy of the program plan contained in Exhibit "A." The CONTRACTOR shall participate in evaluation of the program.

CONTRACTOR shall cooperate fully with CITY, State and Federal agencies, which shall have the right to monitor and audit all work performed under this Agreement.

CONTRACTOR shall also agree to on-site monitoring and personal interviews of participants, CONTRACTOR'S staff, and employees by appropriate CITY staff on at least a quarterly basis.

16. Governing Law

Any controversy or claim arising out of or relating to this Agreement which cannot be amicably settled without court action shall be litigated only in Madera, California. The rights and obligations of the parties and all interpretations and performance of this Agreement shall be governed in all respects by the laws of the State of California.

17. Reversion of Assets

The CONTRACTOR must obtain prior written approval from the CITY whenever there is any modification or change in the use of any property acquired or improved, in whole or in part, using CDBG funds. If any real or personal property acquired or improved with CDBG funds is sold and/or is utilized by the CONTRACTOR for a use which does not qualify under the CDBG program, the CONTRACTOR shall reimburse the CITY in an amount equal to the current fair market value of the property, less any portion thereof attributable to expenditures of non-CDBG funds. These requirements shall continue in effect for the life of the property. In the event the CDBG program is closed-out, the requirements of this Section shall remain in effect for activities or property funded with CDBG funds, unless action is taken by the Federal government to relieve the CITY of these obligations.

18. Breach of Agreement

In the event the CONTRACTOR fails to comply with any of the terms of this Agreement, the CITY may, at its option, deem the CONTRACTOR'S failure as a material breach of this Agreement and utilize any of the remedies set forth in 24 CFR 85.43 or that it deems appropriate. Should the CITY deem a breach of this Agreement material, the CITY shall immediately be relieved of its obligations to make further payment as provided herein. In addition to the Agreement being terminated by the CITY in accord with a material breach of this Agreement by the CONTRACTOR, this Agreement may also be terminated for convenience by the CITY in accord with 24 CFR 85.44.

19. No Third Party Beneficiaries

This Agreement is not intended to create and does not create any rights in or benefits to any third party, nor will it be deemed to confer rights or remedies upon any person or legal entity not a party to this Agreement.

20. Indemnification

IN THE EVENT HUD DETERMINES A CDBG-FUNDED CONTRACTOR HAS VIOLATED FEDERAL RULES AND REGULATIONS AND HUD REQUIRES REPAYMENT OF CDBG FUNDS, THEN THE CONTRACTOR SHALL REPAY ANY CDBG FUNDS WITHIN 90 DAYS OF A WRITTEN REQUEST FROM CITY.

Contractor shall indemnify, defend with legal counsel approved by City, and hold harmless City, its officers, officials, employees, and volunteers from and against all liability, loss, damage, expense, and cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with Contractor's negligence, recklessness, or willful misconduct in the performance of work hereunder, or its failure to comply with any of its obligations contained in this AGREEMENT, except such loss or damage caused by the sole active negligence or willful misconduct of the City. Should conflict of interest principles preclude a single legal counsel from representing both City and Contractor, or should City otherwise find Contractor's legal counsel unacceptable, then Contractor shall reimburse the City its costs of defense, including without limitation, reasonable legal counsel fees, expert fees, and all other costs and fees of litigation. The Contractor shall promptly pay any final judgment rendered against the City (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the Contractor's negligent, reckless, or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

Contractor obligations under this section apply regardless of whether or not such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by an Indemnitee. However, without affecting the rights of City under any provision of this agreement, Contractor shall not be required to indemnify and hold harmless City for liability attributable to the active negligence of City, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where City is shown to have been actively negligent and where City's active negligence accounts for only a percentage of the liability involved, the obligation of Contractor will be for that entire portion or percentage of liability not attributable to the active negligence of City.

Contractor agrees to obtain or cause to be obtained executed defense and indemnity agreements with provisions identical to those set forth in this Section from each and every Subcontractor and Subconsultant, of every Tier. In the event the Contractor fails to do so, Contractor agrees to be fully responsible to provide such defense and indemnification according to the terms of this Section.

21. Entire Agreement

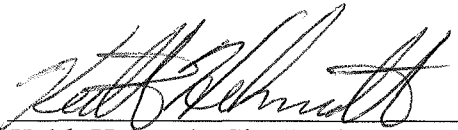

This Agreement constitutes the entire agreement between the CONTRACTOR and CITY with respect to the subject matter hereof and supersedes all previous negotiations, proposals, commitments, writings, advertisements, publications and understandings of any nature whatsoever unless expressly included in this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective officers thereunto duly authorized on the date first written above.

CITY OF MADERA

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)

NEW SIDEWALKS FOR A SAFE PATH OF TRAVEL

PROPOSAL FORM

2017/2018

DATE SUBMITTED: March 16, 2017

A. GENERAL INFORMATION

1. Name of Department/Organization: City of Madera, Engineering Department

Address: 205 W. Fourth Street Madera, Ca. 93637

Contact Person: Rosalva Ramirez Phone: (559) 661-5418

Concurrence: 
Keith B. Helmuth, City Engineer

B. ACTIVITY DESCRIPTION

1. Summary (Description of proposed project and anticipated accomplishment. If appropriate, include diagram of the area.):

The proposed project involves the construction of new 5-foot-wide sidewalks with ADA compliant corner ramps and approaches. The project is located on Lincoln Avenue, South Street, and Austin Street, adjacent to George Washington Elementary School. See location map attached.

2. Need (Explain why project is needed.):

Various locations throughout the City of Madera lack adequate sidewalks and pedestrian facilities. To more effectively address issues of installing sidewalk, the Engineering Department has previously submitted to the City Council for approval, a methodology for determining the location of new sidewalks projects. This methodology will prioritize locations as follows:

- 1. Construction of sidewalks and wheel chair ramps shall to the greatest degree possible be installed along high pedestrian routes.**
- 2. Priority shall be given to school walking routes on collector and arterial streets; elementary through high school in that order.**
- 3. Commercial or retail areas along collector or arterial roads.**
- 4. Residential neighborhoods where verifiable pedestrian safety concerns has been found.**
- 5. Priorities may be adjusted as may be deemed necessary for competitiveness in grant applications.**

The area surrounding George Washington Elementary school consists of a patchwork of incomplete sidewalks and is considered a high priority location. The lack of sidewalks and ramps represents an unsafe path of travel for the many school children that attend the school. This project will begin to fill in the missing sidewalks along direct routes to the school while also providing ADA compliant corner ramps and adjust existing approaches as required.

3. Estimated cost of project and source of estimate (if available): \$231,946

The engineer's estimate including the bread down of costs for construction management and inspection is attached.

Please identify other sources of funds to implement this project. If funds other than CDBG are proposed, please provide supporting documentation/letters of commitment.

The sidewalks project will have additional funds provided by local transportation funds (LTF). These funds are limited and are used sparingly for various projects. The fund would provide \$55,000 for the project with a need of \$176,946 from the CDBG grant.

4. Timetable (assuming final approval next July 1). Will your proposal meet these goals in one year? Give starting date for activity.

Upon approval of the CDBG funds, the City will immediately begin design on this project followed by construction. Please see the attached project schedule for design and construction.

5. What measureable goals will your program deliver?

The project will help in furthering our goal of creating safe and complete paths of travel for pedestrians and students. This goal is also included in a City document called the Vision 2025 Plan.

6. What are the project's expected outcomes? How are the outcomes assessed?
The outcomes include decreasing the probability of pedestrian accidents along these routes. By making sidewalks available, pedestrians will no longer feel the need to walk in the streets and interact with traffic which in turn reduces the risk of pedestrian accidents.
7. What National Objective does your program meet?
The pedestrian and intersection improvements meet the following national objectives:
1. **The project is in a low-income area that utilizes the local school.**
 2. **The project would eliminate blight in the area by constructing sidewalk where dirt and weeds are present.**
 3. **The project has a direct need to provide sidewalks for the residents. Pedestrian safety is a priority not just locally but also on a state and national level. The lack of sidewalks puts pedestrians in unsafe situations by forcing them to walk on the roads.**
8. How does your proposal support the Vision Plan Madera 2025 Action Plan?
The project not only includes the improvements to the street; they enhance the current pedestrian facilities and improve the ADA accessibility.

C. ENVIRONMENTAL IMPACTS:

1. Historical: **There are no historical sites in the project area that would be affected.**
- a. How old is the affected structure? **NA**
 - b. Will this project affect an historically significant (or potentially historic) structure? **NA**
2. Archeological:
- a. Will this project involve any ground disturbance?
The project will cause minimal ground disturbance as required to construct 4" thick concrete sidewalks.
 - b. If so, how deep will excavation be and what is the volume of earth to be moved? **NA**
3. Water:
- a. Does this project involve a sewer or water system?
No existing sewer or water systems will be disturbed due to this project.

D. PROGRAM ELIGIBILITY:

To be eligible for funding, a project must either benefit low and moderate-income persons or prevent/eliminate slums or blight. Indicate how the proposed project meets this requirement. Projects

that primarily benefit handicapped or senior citizens meet the criteria for benefiting low and moderate-income persons.

1. Primarily benefits low and moderate-income persons.

a. Number of persons served annually:

The project is in the CDBG qualifying census tract 6.02. Referring to the 2015 census the project will positively benefit approximately 5,058 low to moderate income residents in the surrounding area.

b. Service Area:

Number of City residents served annually:

Approximately 5,058 residents in the surrounding area would benefit from construction of sidewalks and ADA facilities.

Number of persons with disabilities or seniors served:

The project would provide sidewalk for numerous seniors, disabled, and transit systems that service the senior and disabled in the community. This project would contribute to providing safe access to the school, local churches and the transit stop in the area.

2. How will the proposed project prevent or eliminate slums or blight?

The proposed project is in a low-income area with a high minority population. The area currently has minimal sidewalks on the local roads leading to the school. Where sidewalks are missing, dirt and dried weeds are present. This project eliminates the current blight by adding concrete sidewalk improvements.

E. CITIZEN PARTICIPATION:

Project proposals should include evidence of citizen support for activity.

1. What was done to receive public input/participation? Please provide details. What were the outcomes? Include documentation of support for the proposal such as meeting minutes, letters and petitions.

Ove the past few years the City worked with the Madera Unified School District (MUSD) in addressing the lack of pedestrian facilities near schools. This lack of sidewalks near schools and through the City is what led to a need of a priority list for sidewalks project. We remain in contact with the MUSD and try to incorporate new sidewalk projects near schools as much as possible.

2. Note complaints that have been received, etc.

The MUSD receives concerns from parents and staff regarding the concerns of missing

sidewalks. The MUSD in turn contacts the City to discuss any potential projects that could help address these concerns.

3. Evidence of collaboration with other agencies within the community.
See the attached letter of support from the MUSD.

Please see the eligible CDBG Census Tract map below.

Subject: Installation of new sidewalk near George Washington Elementary School

To whom it may concern,

Madera Unified School District supports the City of Madera's grant application to install new sidewalk near George Washington Elementary School. There are sections on Austin Street and South Street where there is no sidewalk. Adding sidewalk in those sections would allow for a safe walking path for a majority of our students who walk to and from Washington Elementary School every day.

We hope you will give this application your full consideration.

Sincerely,

Notice CPD- 00-10

Issued: December 26, 2000
Expires: December 26, 2001

Subject: Accessibility for Persons with Disabilities to Non-Housing Programs funded by Community Development Block Grant Funds -- Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act, and the Architectural Barriers Act

I. Purpose

The purpose of this Notice is to remind recipients of Federal funds under the Community Development Block Grant (CDBG) Program of their obligation to comply with Section 504 of the Rehabilitation Act of 1973, HUD's implementing regulations (24 CFR Part 8), the Americans with Disabilities Act, (ADA) and its implementing regulations, (28 CFR Parts 35, 36), and the Architectural Barriers Act (ABA) and its implementing regulations (24 CFR Parts 40, 41) in connection with recipients' non-housing programs. This Notice describes key compliance elements for non-housing programs and facilities assisted under the CDBG programs. However, recipients should review the specific provisions of the ADA, Section 504, the ABA, and their implementing regulations in order to assure that their programs are administered in full compliance.

Applicability

This Notice applies to all non-housing programs and facilities assisted with Community Development Block Grant Funds (e.g. public facilities and public improvements, commercial buildings, office buildings, and other non-residential buildings) and facilities in which CDBG activities are undertaken (e.g., public services). A separate Notice is being issued concerning Federal accessibility requirements for housing programs assisted by recipients of CDBG and HOME program funds.

II. Section 504 of the Rehabilitation Act of 1973

Section 504 of the Rehabilitation Act of 1973, as amended, provides "No otherwise qualified individual with a disability in the United States ... shall, solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance...". HUD's regulations implementing the Section 504 requirements can be found at 24 CFR Part 8.

Distribution: W-3-1

Part 8 requires that recipients ensure that their programs are accessible to and usable by persons with disabilities. Part 8 also prohibits recipients from employment discrimination based upon disability.

The Section 504 regulations define "recipient" as any State or its political subdivision, any instrumentality of a State or its political subdivision, any public or private agency, institution organization, or other entity or any person to which Federal financial assistance is extended for any program or activity directly or through another recipient, including any successor, assignee, or transferee of a recipient, but excluding the ultimate beneficiary of the assistance. (24 CFR §8.3) For the purposes of Part 8, recipients include

States and localities that are grantees and subgrantees under the CDBG program, their subrecipients, community-based development organizations, businesses, and any other entity that receives CDBG assistance, but not low and moderate income beneficiaries of the program. CDBG grantees are responsible for establishing policies and practices that they will use to monitor compliance of all covered programs, activities, or work performed by their subrecipients, contractors, subcontractors, management agents, etc.

Non-housing Programs

New Construction -- Part 8 requires that new non-housing facilities constructed by recipients of Federal financial assistance shall be designed and constructed to be readily accessible to and usable by persons with disabilities. (24 CFR §8.21(a))

Alterations to facilities -- Part 8 requires to the maximum extent feasible, that recipients make alterations to existing non-housing facilities to ensure that such facilities are readily accessible to and usable by individuals with disabilities. An element of an existing non-housing facility need not be made accessible, if doing so, would impose undue financial and administrative burdens on the operation of the recipients program or activity. (24 CFR §8.21 (b))

Existing non-housing facilities - A recipient is obligated to operate each non-housing program or activity so that, when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. (24 CFR §8.21 (c))

Recipients are not necessarily required to make each of their existing non-housing facilities accessible to and usable by persons with disabilities if when viewed in its entirety, the program or activity is readily accessible to and usable by persons with disabilities. 24 CFR §8.21(c)(1) Recipients are also not required to take any action that they can demonstrate would result in a fundamental alteration in the nature of its program or activity or cause an undue administrative and financial burden. However, recipients are still required to take other actions that would not result in such alterations, but would nevertheless ensure that persons with disabilities receive the benefits and services of the program. (24 CFR §8.21(c)(iii))

Historic Preservation - Recipients are not required to take any actions that would result in a substantial impairment of significant historic features of an historic property, However, in such cases where a physical alteration is not required, the recipient is still obligated to use alternative means to achieve program accessibility, including using audio-visual materials and devices to depict those portions of

an historic property that cannot be made accessible, assigning persons to guide persons with disabilities into or through portions of historic properties that cannot be made accessible, or otherwise adopting other innovative methods so that individuals with disabilities can still benefit from the program. (24CFR §8.21(c)(2)(ii))

Accessibility Standards

Design, construction, or alteration of facilities in conformance with the Uniform Federal Accessibility Standards (UFAS) is deemed to comply with the accessibility requirements for nonhousing facilities.

Recipients may depart from particular technical and scoping requirements of UFAS where substantially equivalent or greater accessibility and usability is provided. (24 CFR §8.32) For copies of UFAS, contact the HUD Distribution Center at 1-800-767-7468; deaf, hard of hearing, or speech-impaired persons may access this number via TTY by calling the Federal Information Relay Service at 1-800-877-8339.

Where a property is subject to more than one law or accessibility standard, it is necessary to comply with all applicable requirements. In some cases, it may be possible to do this by complying with the stricter requirement, however, it is also important to ensure that meeting the stricter requirement also meets both the scoping and technical requirements of overlapping laws or standards.

Employment

Section 504 also prohibits discrimination based upon disability in employment. See 24 CFR Part 8, Subpart B.

Section 504 Self Evaluations

The Section 504 regulations required recipients of Federal financial assistance to conduct a self-evaluation of their policies and practices to determine if they were consistent with the law's requirements. This self evaluation was to have been completed no later than July 11, 1989. Title II of the ADA imposed this requirement on all covered public entities. The ADA regulations required that ADA self evaluations be completed by January 26, 1993, although those public entities that had already performed a Section 504 self evaluation were only required to perform a self-evaluation on those policies and practices that had not been included in the Section 504 review.

The regulatory deadlines are long past. However, self-evaluation continues to be an excellent management tool for ensuring that a recipient's current policies and procedures comply with the requirements of Section 504 and the ADA.

Involving persons with disabilities in the self-evaluation process is very beneficial. This will assure the most meaningful result for both the recipient and for persons with disabilities who participate in the recipient's programs and activities. It is important to involve persons and/or organizations representing persons with disabilities, and agencies or other experts who work regularly with accessibility standards.

Important steps in conducting a self-evaluation and implementing its results include the following:

- Evaluate current policies and practices and analyze them to determine if they adversely affect the full participation of individuals with disabilities in its programs, activities and services. Be mindful of the fact that a policy or practice may appear neutral on its face, but may have a discriminatory effect on individuals with disabilities.
- Modify any policies and practices that are not or may not be in compliance with Section 504 or Title II and Title III of the ADA regulations. (See 24 CFR Part 8 and 28 CFR Parts 35, 36.)
- Take appropriate corrective steps to remedy those policies and practices which either are discriminatory or have a discriminatory effect. Develop policies and procedures by which persons with disabilities may request a modification of a physical barrier or a rule or practice that has the effect of limiting or excluding a person with a disability from the benefits of the program.
- Document the self-evaluation process and activities. The Department recommends that all recipients keep the self-evaluation on file for at least three years, including records of the individuals and organizations consulted, areas examined and problems identified, and document modifications and remedial steps, as an aid to meeting the requirement at 24 CFR Part 8.55.

The Department also recommends that recipients periodically update the self-evaluation, particularly, for example, if there have been changes in the programs and services of the agency. In addition, public entities covered by Title II of the ADA should review any policies and practices that were not included in their Section 504 self-evaluation and should modify discriminatory policies and practices accordingly.

III. The Americans With Disabilities Act of 1990

The Americans With Disabilities Act of 1990 (ADA) guarantees equal opportunities for persons with disabilities in employment, public accommodations, transportation, State and local government services, and telecommunications. Unlike Section 504 which applies only to programs and activities receiving Federal financial assistance, the ADA applies even if no Federal financial assistance is given.

The U.S. Department of Justice enforces Titles I, II, and III of the ADA, although the Equal Employment Opportunity Commission investigates administrative complaints involving Title I.

Title I prohibits discrimination in employment based upon disability. The regulations implementing Title I are found at 29 CFR Part 1630. The Equal Employment Opportunity Commission (EEOC) offers technical assistance on the ADA provisions applying to employment.

These can be obtained at the EEOC web site www.eeoc.gov, or by calling 800-669-3362 (voice) and 800-800-3302 (TTY).

Title II prohibits discrimination based on disability by State and local governments. Title II essentially extended the Section 504 requirements to services, programs, and activities provided by States, local governments and other entities that do not receive Federal financial assistance from HUD or another Federal agency. CDBG grantees are covered by both Title II and Section 504. The Department of Justice Title II regulations are found at 28 CFR Part 35.

Title II also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. (28 CFR §35.151 (a) & (b)) Facilities constructed or altered in conformance with either UFAS or the ADA Accessibility Guidelines for Buildings and Facilities (ADAAG) (Appendix A to 28 CFR Part 36) shall be deemed to comply with the Title II Accessibility requirements, except that the elevator exemption contained at section 4.1.3(5) and section 4.1.6(1)(j) of ADAAG shall not apply. (28CFR §35.151(c))

Title II specifically requires that all newly constructed or altered streets, roads, and highways and pedestrian walkways must contain curb ramps or other sloped areas at any intersection having curbs or other barriers to entry from a street level or pedestrian walkway and that all newly constructed or altered street level pedestrian walkways must have curb ramps at intersections. Newly constructed or altered street level pedestrian walkways must contain curb ramps or other sloped areas at intersections to streets, roads, or highways. (28CFR §35.151(e))

The Title II regulations required that by January 26, 1993, public entities (State or local governments) conduct a self-evaluation to review their current policies and practices to identify and correct any requirements that were not consistent with the regulation. Public entities that employed more than 50 persons were required to maintain their self-evaluations on file and make it available for three years. If a public entity had already completed a self-evaluation under Section 504 of the Rehabilitation Act, then the ADA only required it to do a self-evaluation of those policies and practices that were not included in the previous self-evaluation. (28 CFR §35.105)

The Department of Justice offers technical assistance on Title II through its web page at www.usdoj.gov/crt/ada/taprog.htm, and through its ADA Information Line, at **202 514-0301 (voice and 202-514-0383 (TTY))**. The Department of Justice's technical assistance materials include among others, the Title II Technical Assistance Manual with Yearly Supplements, the ADA guide for Small Towns, and an ADA Guide entitled The ADA and City Governments: Common Problems.

Title III prohibits discrimination based upon disability in places of public accommodation (businesses and non-profit agencies that serve the public) and "commercial" facilities (other businesses). It applies regardless of whether the public accommodation or commercial facility is operated by a private or public entity, or by a for profit or not for profit business. The Department of Justice Title III regulations are found at 28 CFR Part 36. The Department of Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

Justice also offers technical assistance concerning Title III through the web page cited above and the ADA Hotline cited above.

IV. The Architectural Barriers Act of 1968

The Architectural Barriers Act of 1968 (ABA) (42 U.S.C. 4151-4157) requires that certain buildings financed with Federal funds must be designed, constructed, or altered in accordance with standards that ensure accessibility for persons with physical disabilities. The ABA covers any building or facility financed in whole or in part with Federal funds, except privately-owned residential structures. Covered buildings and facilities designed, constructed, or altered with CDBG funds are subject to the ABA and must comply with the Uniform Federal Accessibility Standards (UFAS). (24 CFR 570.614) In practice, buildings built to meet the requirements of Section 504 and the ADA, will conform to the requirements of the ABA.

V. HUD Resources Available Concerning Section 504

Further information concerning compliance with Section 504 may be obtained through the HUD web page (<http://www.hud.gov/fhe/504/sect504.html>). REPORT TO CITY COUNCIL

Approved By:

Department Director

City Administrator

Council Meeting of September 20, 2017

Agenda Item Number B-6

SUBJECT: Consideration of a Resolution Authorizing Participation in the State Interagency Intercept Collections Program and Authorizing the Mayor to Execute the Intent to Participate and Any and All Documents Necessary to Facilitate Participation in the Program

RECOMMENDATION: That Council approve a resolution authorizing the City's participation in the State Interagency Intercept Collections Program and authorizing the Mayor to execute the Intent to Participate and all documents necessary to facilitate participation in the program.

SUMMARY: The City has certain debts which are owed to it arising out of things such as unpaid fines for code violations and other delinquent accounts. Some of these debts may qualify for a state program which secures payment of these debts by attaching certain state issued payments such as tax refunds and lottery winnings. Staff believes participation in this program may improve the City's percentage of debt which is collected.

DISCUSSION:

The City issues citations to individuals for violations of the Madera Municipal Code, which citations impose a fine of varying amounts dependent on the violation. Often, these fines remain unpaid by the individuals. In some instances, the City may place a lien against the individual's real property and may even place the amount on the County tax roll for collection with the property owner's property tax. There are situations where such a property lien is not possible due to the nature of the citation.

The City has been participating in a program administered by the State of California through the Franchise Tax Board wherein certain qualifying debts of municipal governments can be collected by attaching all or a portion of State income tax refunds or lottery winnings. This program has proven to be a superior means of collecting unpaid fines and other debts owed to the City.

In order to participate, the City must submit an annual Intent to Participate form. Once granted permission to participate, there is a certain process the City must go through in order to place debtors into the program. This includes providing 30 days written notice to them of the potential attachment of their tax refund. This helps ensure due process is provided.

Submission of Debtor information to the State for the intercept program is done once a year, so the City would need to compile a list annually. The list will be submitted to the State and the State will advise the City as to which debtors will be put on the intercept list for that year.

The State charges for participation in the program only for those accounts they collect on. The charge is determined based on the number of total intercepts for the year. Currently the estimate is approximately \$2.00 per account.

FISCAL IMPACT: The actual impact to the City will be some increased revenues as a result of collecting some debts which may have been uncollectible short of the intercept program. The actual amount of this impact will depend on the number of debts which qualify for submission into the program and which are accepted by the State. An additional factor is whether the particular individuals are supposed to receive certain payments from the State of California such as income tax refunds or State lottery winnings which can be attached through the intercept program. The intercept program has been in place for approximately three years. To date, the city has realized approximately \$17,271.82 in what would otherwise be uncollectible debt.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN

The activity described in this report is not specifically incorporated in the strategies contained in the action plans of the Vision Madera 2025 and is not in conflict with any of the action or goals contained in the plan.

RESOLUTION NO.

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MADERA AUTHORIZING PARTICIPATION IN THE STATE INTERAGENCY INTERCEPT COLLECTIONS PROGRAM AND AUTHORIZING THE MAYOR TO EXECUTE THE INTENT TO PARTICIPATE AND ANY AND ALL DOCUMENTS NECESSARY TO FACILITATE PARTICIPATION IN THE PROGRAM

WHEREAS, the City has the need to collect unpaid debts including unpaid code enforcement fines; and

WHEREAS, the State of California has a program, the State Interagency Intercept Collections Program (SIICP), which collects such unpaid debts from sources including tax returns and lottery winnings; and

WHEREAS, the City desires to continue participation in the SIICP; and

WHEREAS, it is necessary to submit an executed Intent to Participate in order to continue participation in the SIICP.

NOW, THEREFORE THE CITY COUNCIL OF THE CITY OF MADERA, hereby finds, determines, resolves and orders as follows:

1. The recitals listed above are true and correct.
2. The City's participation in the SIICP is hereby approved.
3. The Mayor, or his designee, is authorized to execute the Intent to Participate and all other documents necessary to effectuate the participation in the SIICP on behalf of the City of Madera.
4. This resolution is effective immediately upon adoption.

REPORT TO CITY COUNCIL

Approved By:

Department Director

City Administrator

Council Meeting of September 20, 2017

Agenda Item Number B-7

SUBJECT: APPROVAL - RESOLUTION APPROVING AMENDMENT NO. 4 TO THE AGREEMENT WITH LARS ANDERSEN & ASSOCIATES, INC. FOR ENGINEERING SERVICES RELATING TO THE CONSTRUCTION OF THE FRESNO RIVER TRAIL UNDERCROSSINGS AT GATEWAY DRIVE AND UNION PACIFIC RAILROAD

RECOMMENDATION:

That the City Council approves Resolution No. 17 - _____ Approving Amendment No. 4 to the Agreement with Lars Andersen & Associates, Inc. for Engineering Services for the Fresno River Trail Undercrossings at Gateway Drive and Union Pacific Railroad (UPRR) Project.

SUMMARY:

Lars Andersen & Associates, Inc. has submitted an amendment to their contract for additional engineering services recommended by Staff for completion of the Fresno River Trail Undercrossings at Gateway Drive and UPRR Project. Funds are available for the additional costs in the established budgets.

DISCUSSION:

The City of Madera entered into an agreement with Lars Andersen & Associates, Inc. in May 2008 to perform engineering services for the Fresno River Trail Undercrossing at Gateway Drive and UPRR Project, hereinafter called "Project". Subsequent amendments included 1) Preparation of legal descriptions and an exhibit for portions of the project within UPRR right-of-way, 2) Additional environmental engineering services

www.cityofmadera.ca.gov

including a Biological Reconnaissance Survey and Report, and 3) Design Modifications and additions as required by UPRR and the California Public Utilities Commission.

Lars Andersen & Associates, Inc. has submitted a proposed amendment to their contract for additional engineering services required to complete the plans and specifications for the Project outside of their original scope as follows:

- A) Funding is provided to this project from the Active Transportation Program (ATP). The project as funded through the ATP also includes a piece of sidewalk to be added across the UPRR tracks on the north side of Central Avenue. This amendment adds additional engineering services associated with incorporating that piece to the project documents
- B) Preparation of Legal Description and Exhibit Map for portions of the project on County property
- C) Preparation of additional technical studies needed to satisfy Caltrans for completion of the NEPA clearance

The proposal and fee for services is acceptable and within funds currently programmed for these projects.

FISCAL IMPACT:

The cost for the requested additional engineering services is \$11,300 and will be funded from funds in the Capital Project Account for PK-000008.

There will be no impact to the City's General Fund by approving this amendment.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

Strategy 121 – Multi-modal transportation: Develop a city-wide multi-modal transportation plan to ensure safe, affordable and convenient transportation modes for residents and businesses with Madera.

Strategy 132 – Neighborhood Connectivity: Connect Madera's neighborhoods through streets, trails and walkways that promote community interaction.

Strategy 401 – Walkable Community: Develop and promote Madera as a walkable community with an emphasis on improving the quality of the natural resources.

RESOLUTION NO. 17 - _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MADERA, CALIFORNIA, APPROVING AMENDMENT NO. 4 TO THE AGREEMENT WITH LARS ANDERSEN & ASSOCIATES, INC. FOR ENGINEERING SERVICES RELATING TO THE CONSTRUCTION OF THE FRESNO RIVER TRAIL UNDERCROSSINGS AT GATEWAY DRIVE AND UNION PACIFIC RAILROAD

WHEREAS, the City of Madera entered into an agreement with Lars Andersen & Associates, Inc. (Lars Andersen) on May 7, 2008 for professional engineering services related to the preparation of contract documents for construction of the Fresno River Trail Undercrossings at Gateway Drive and Union Pacific Railroad; and

WHEREAS, Lars Andersen has submitted Amendment No. 4 in response to the City's request to adjust the scope of the project as described therein; and

WHEREAS, adequate funds are available in the project budget for these additional costs.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF MADERA hereby resolves, finds, determines and orders as follows:

1. The above recitals are true and correct.
2. Amendment No. 4 to the Agreement for Engineering Services relating to the Construction of the Fresno River Trail Undercrossing at Gateway Drive and Union Pacific Railroad, a copy of which is on file in the office of the City Clerk and referred to for particulars, is hereby approved in an amount not to exceed \$11,300.00.
3. The Mayor is authorized to execute the Amendment as approved.
4. This resolution is effective immediately upon adoption.

This Amendment No. 4 to the Agreement for Engineering Services for the Fresno River Trail Undercrossings at Gateway Drive and Union Pacific Railroad (UPRR) Project(hereinafter called "Agreement"), between the City of Madera (hereinafter called "CITY") and Lars Andersen & Associates, Inc. (hereinafter called "ENGINEER") is entered into this 20th day of September, 2017.

W I T N E S S E T H

WHEREAS, CITY has included a project to construct the Fresno River Trail Undercrossings at Gateway Drive and UPRR, hereinafter called "Project"; and

WHEREAS, CITY and ENGINEER entered into an Agreement dated May 7, 2008 for professional engineering services to design such street improvements; and

WHEREAS, CITY has requested changes to the scope of work for the design of the Project; and

WHEREAS, Amendment No. 4 to Agreement is necessary to revise the Scope of Work and Compensation for the additional engineering services.

NOW THEREFORE:

The parties hereto mutually agree as follows:

A G R E E M E N T

In consideration of the recitals listed above and the mutual obligations of the parties herein, CITY and ENGINEER agree that the Agreement for Professional Engineering Services for the Fresno River Trail Undercrossings at Gateway Drive and Union Pacific Railroad dated May 7, 2008 between CITY and ENGINEER shall be amended as follows:

Item No. 1: Section II of the Agreement shall be amended to read:

II. STATEMENT OF WORK:

ENGINEER shall provide the professional services set forth in EXHIBIT A including Civil Addendum No. 1 and Amendment Nos. 2, 3, and 4, attached hereto and incorporated herein by reference. ENGINEER accepts full responsibility for the scope of services provided by subconsultants necessary for delivery of the project. ENGINEER shall comply with all City of Madera design standards and requirements.

Item No. 2: Section III of the Agreement shall be amended by adding the following:

III. TERM

The term of the AGREEMENT is hereby extended until June 30, 2018 unless extended in writing by mutual agreement.

Item No. 3: Section VI of the Agreement shall be amended by adding the following:

VI. CONTRACT COSTS AND REIMBURSEMENTS

The basic fee based on the Scope of Work and Cost, EXHIBIT A, attached hereto and incorporated herein by reference, for the scope of work itemized in the Project Work Plan is \$11,300 Dollars and no cents. It is understood and agreed by both parties that all expenses incidental to ENGINEER'S performance of services, including travel expenses, are included in the basic fee.

Item No. 4. All other provisions shall remain in full force and effect.

In witness hereof, CITY and ENGINEER have executed this Amendment No. 4 to the Agreement on the date first written above.

REPORT TO CITY COUNCIL

Approved By:

Department Director

Council Meeting of September 20, 2017

Agenda Item Number B-8

City Administrator

SUBJECT: CONSIDERATION OF A RESOLUTION APPROVING FUNDING AMENDMENTS TO THE CITY OF MADERA FISCAL YEAR 2017/18 CAPITAL PROJECTS BUDGET FOR THE INSTALLATION OF WATER MAINS AT VARIOUS LOCATIONS, CITY PROJECT NO. W 16-03

RECOMMENDATION:

That the City Council approves Resolution No. 17-____ authorizing a funding amendment to Fiscal Year 2017/18 Capital Projects Budget appropriating additional funds for the Installation of Water Mains at Various Locations Project, City Project No. W 16-03.

SUMMARY:

The Installation of Water Mains at Various Locations Project, W 16-03, is comprised of seven (7) smaller capital projects in the 2017/18 Budget that are scheduled for construction this fiscal year. The construction plans and contract documents are complete and the project is ready for advertising for construction. Based on the final engineer's estimate of probable costs, additional funding is needed to comfortably proceed with the project as currently designed to construction.

DISCUSSION:

This project is a conglomeration of seven City CIP projects that are being combined into a single project for enhanced economies of scale and to form a project size more conducive to lower construction bids. On February 17, 2017, City Council awarded a contract to Provost & Pritchard Consulting Group for design engineering services for this project. The plans and specifications are now complete and the project is ready for advertising.

The general scope of work for the project consists of the installation of approximately 1,750 feet of 8-inch water main and 2,520 feet of 12-inch water main. The CIP water main projects included with this project are as follows:

Engineering

205 W. Fourth Street • Madera, CA 93637 • TEL (559) 661-5418 • FAX (559) 675-6605

www.cityofmadera.ca.gov

1. W-FF-4: Olive Avenue, extending from Grove Street to Cypress Street. Install approximately 770 feet of new 12-inch water main. The 2014 Water System Master Plan recommended this installation for improvement of fire flow.
2. W-FF-1: Maple Street, extending from Pine Street to Noble Street. Install approximately 890 feet of 8-inch water main in parallel with an existing water line. The 2014 Water System Master Plan recommended this installation for improvement of fire flow.
3. W-FF-2: Rotan Avenue, extending from Howard Road to Oak Street. Install approximately 450 feet of 8-inch water main in parallel with an existing 6-inch water line. The 2014 Water System Master Plan recommended this installation for improvement of fire flow.
4. W-PSW-50: Pecan Avenue, extending from Monterey Street to approximately 680 feet west from Monterey Street. Install approximately 680 feet of new 12-inch water main. The 2014 Water System Master Plan recommended this installation to close a gap between existing lines in order to improve efficiency of the City's water system.
5. W-PSE-3: Pecan Avenue, extending from Madera Avenue to approximately 750 feet east from Madera Avenue. Install approximately 750 feet of new 12-inch water main. The 2014 Water System Master Plan recommended this installation to close a gap between existing lines in order to improve efficiency of the City's water system.
6. W-28: Sycamore Street, extending from the existing fire hydrant on Sycamore Street to Lake Street. Install approximately 410 feet of new 8-inch water main. Public Works reported regular maintenance and repair issues with this existing 2" galvanized water line. This line will be replaced to reduce regular maintenance on the line and increase water system redundancy and efficiency.
7. W-PNW-30: Intersection of Aviation Drive and Falcon Drive. Install approximately 320 feet of new 12-inch water main between Aviation Drive and Falcon Drive. The 2014 Water System Master Plan recommended this installation to close a gap between existing lines in order to improve efficiency of the City's water system.

The project received a CEQA (California Environmental Quality Act) categorical exemption.

SITUATION:

The original combined project budget for the construction phase prior to initiating design was \$646,400. As the design progressed, more information was available on existing conditions following site investigations and surveys. Critical items were identified to be added to the project such as replacing substandard fire hydrants and replacing five (5) substandard water service laterals along Sycamore Street. Those additions along with increasing construction costs have caused an increase in the overall projected construction costs. The recommended budget for construction including contract management and inspection is \$736,000.

FINANCIAL IMPACT:

Funding for project construction was carried over from the City's FY 2016/17 Budget in the various line items to FY 17/18 with \$572,700 coming from Water Utility Fund and \$73,700 from Water Pipe Impact Fee for the proportionate share of the Pecan Water Mains. Staff has prepared an Exhibit AA reflecting the recommended budget increases and is proposing to transfer an additional \$80,000 from the unprogrammed fund balance within the Water Utility Fund and an additional \$10,000 within the Water Pipes Impact Fee to fund project design.

The construction of the project will not have a financial impact on the City's General Fund.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

Action 101.6 – This entire effort supports this strategy to ensure infrastructure can sustain population growth in the development of the General Plan.

Report to City Council

Council Meeting of September 20, 2017
Agenda Item Number B-9

Approved by:

Department Director

City Administrator

Consideration of a Resolution Approving the Compensation Range for Part Time Public Works Maintenance Aids

RECOMMENDED ACTION

It is recommended Council adopt the attached resolution fixing the assigned salary range for part time Public Works Maintenance Aids of the City of Madera on Salary Schedule 'P.'

SITUATION

The City routinely utilizes part time employees in its service delivery program. Individuals employed in part time positions are compensated based on an approved salary schedule. The Public Works Department has historically employed part time employees as needed and paid the hourly equivalent of the full time Public Works Maintenance Worker base pay rate. This is currently \$14.57/hour for part time Public Works Maintenance Worker I positions. After a review of department needs, it was determined that while hiring at the part time Public Works Maintenance Worker pay rate is sometimes appropriate based on assigned duties, there are other positions whose assigned tasks would more appropriately be paid at the California Minimum Wage. Most recently this was noted as the department is seeking part time personnel to assist with solid waste can repairs such as wheel replacement or lid replacement. At this time, staff is recommending assigning the Public Works Maintenance Aid position to Range 7 on Schedule P (\$10.50/hour - \$12.50/hour).

There is no intent to reduce the pay rate of any existing part time employee. As additional part time staff are hired, an internal analysis will be completed to see if the anticipated duties are in line with the Public Works Maintenance Worker classification or Public Works Maintenance Aid.

FISCAL IMPACT

Individual department budgets for part time salaries and benefits are included in the annual budget submitted for consideration and adoption by the City Council. The requested action will not add or delete any part time positions in the adopted budget,

but will allow the department to appropriately compensate employees based on assigned duties.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN

Adoption or amendment of a part time salary resolution is not contained in the vision or action plan; the requested action is also not in conflict with the plan.

SUMMARY AND DISCUSSION:

In June of 1991, the City formed the City Wide Landscape and Lighting District, for the purposes of levying assessments against new development for the maintenance of landscaped areas, including median islands, certain park strips, frontage road islands and certain landscaped out-lots. Historically, the number of zones has increase with each successive development within the City. In recent years, the City has made efforts to annex new developments into existing zones where such annexation was logical. The annexation presented herein is logical in that this development is within close proximity to Zone 1 as seen in the attached Assessment Diagram and would benefit from the existing landscape therein. Zone 1 is responsible for maintenance of previously established landscape areas along Airport Drive between Aviation Drive and Avenue 17.

The development, California Custom Processing Plant was approved by the Planning Commission through Site Plan Review 2016-22, ZAP 2016-02 on May 10th, 2016. A requirement of the project's development was annexation of the parcel into the existing City's Landscape Maintenance District Zone of Benefit 1 for perpetual maintenance of already existing landscaping.

The covenant for Zone of Benefit 1 consents to an annual change in the range of the assessment in the amount of the Engineering News-Record Construction Cost (ENRCC) Index plus a two percent charge.

FINANCIAL IMPACT:

California Custom Processing will be responsible for participating in the cost of maintaining existing Zone 1 landscaping. There are no financial impacts to the General Fund.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

The inclusion of the industrial parcel (California Custom Processing) into Landscape Maintenance District Zone of Benefit 1 is consistent with:

Strategy 126 - Clean, attractive streets: Expand or develop programs to create clean, safe and aesthetically pleasing streets.

Action 134.1 - Consider establishment of design/landscape standards for neighborhoods and business construction - Current landscape design standards have been enforced which aid in the establishment of Well-Planned Neighborhoods and Housing.

RESOLUTION NO. 17-_____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MADERA, CALIFORNIA APPROVING ANNEXATION OF ADJUSTED PARCEL C OF LOT LINE ADJUSTMENT NO. 2016-01 INTO ZONE OF BENEFIT 1; CONFIRMING THE DIAGRAM AND ASSESSMENT FOR ADJUSTED PARCEL C OF LOT LINE ADJUSTMENT NO. 2016-01 FOR CITY WIDE LANDSCAPE AND LIGHTING ASSESSMENT DISTRICT ZONE OF BENEFIT 1 FOR FISCAL YEAR 2017/2018; AND AUTHORIZING THE CITY CLERK TO FILE THE DIAGRAM AND ASSESSMENT WITH THE MADERA COUNTY AUDITOR

WHEREAS, the City of Madera Landscape Maintenance District (District) was formed by Resolution No. 91-67, approved June 17, 1991, pursuant to Part 2 of Division 15 of the Streets and Highways Code (Landscape and Lighting Act of 1972), herein the "Act"; and

WHEREAS, the recommended assessments for 2017/2018 reflect the cost of landscape maintenance provided by the City for said fiscal year; and

WHEREAS, all of the owners of property proposed to be annexed to the Zone of Benefit 1 of said District consisting of CMSS Properties LLC, A California Limited Liability Company, as described in Exhibit "A" attached hereto and incorporated herein by reference, have consented to said annexation and such annexation may be ordered without notice and hearing or filing of engineer's report, or both;

WHEREAS, the property owner has agreed that the annual assessment is proportional to, and no greater than, the special benefit conferred on the property by being annexed into the Landscape Maintenance District; and

WHEREAS, the property owner has consented to an annual change in the range of the assessment in the amount of the Engineering News Record

Construction Cost (ENRCC) Index (Los Angeles), plus two percent (2%). The property owner agreed that if such change in the range of the assessment is implemented less frequently than an annual basis, the change may be based upon the ENRCC Index since the most recent change in the assessment plus two percent per year;

WHEREAS, the property owner further agrees that temporary decreases in assessment do not represent a waiver of other provisions of this covenant and that the assessment may later be reset to an amount consistent with the assessment prior to the reduction plus the total change in the ENRCC Index plus two percent per year but only to the degree necessary to cover actual and reasonable costs, provided such assessment is consistent with the terms of this covenant.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MADERA

HEREBY, finds, orders and resolves as follows:

1. The above recitals are true and correct.
2. That the public interest and convenience require that certain property described in Exhibit "A" attached hereto and by reference incorporated herein be annexed to City Landscape Maintenance District as Zone of Benefit 1 for the maintenance and servicing of landscaping facilities.
3. The City Council hereby confirms the diagram and annual assessments as set forth in the agreement "COVENANT

LANDSCAPE MAINTENANCE DISTRICT ZONE OF BENEFIT 1" for the certain property described in Exhibit "A" attached hereto and by reference incorporated herein, as the same may be modified, and levies the assessments for fiscal year 2017/2018.

4. Pursuant to Section 22641 of the Streets and Highways Code, the City Clerk is authorized and directed to forthwith file the diagram and assessments with Auditor of Madera County.
5. This resolution is effective immediately upon adoption.

WHEREAS, CMSS Properties LLC, A California Limited Liability Company, hereinafter referred to as "Covenantor", is the owner of the real property situated in the City of Madera, County of Madera, State of California, hereinafter referred to as "Subject Property" and more particularly described in attached Exhibit "A"; and

WHEREAS, the Covenantor hereby warrants that any and all parties having record title interest in the Subject Property which may ripen into a fee have subordinated to this instrument; and

WHEREAS, all such instruments of Subordination, if any, are attached hereto and made a part of this instrument; and

WHEREAS, Covenantor is required by the City as a condition of SPR 2016-22, ZAP 2016-02 approval to annex to the City's Landscape Maintenance District; and

WHEREAS, the Planning Commission of the City of Madera conditionally approved the Site Plan Review for said industrial parcel; and

WHEREAS, said resolution requires that maintenance of the landscaping

associated with the Subject Property shall be the responsibility of the City's Landscape Maintenance District.

NOW, THEREFORE, it is agreed:

1. In consideration of the foregoing and the approval of the site plan review for the industrial parcel, by the City of Madera, the undersigned hereby covenants, promises and agrees with the City of Madera for the benefit of said City.

2. The Covenantor consents to annexation of said Subject Property to the City's Landscape Maintenance District, has petitioned the City to annex said Subject Property to said district pursuant to Streets and Highways Code Section 22605, and pursuant to California Constitution Article, XIII D, section 5(b), waives any right to protest or object to such annexation.

3. The Covenantor agrees that the Subject Property receives a special benefit, as the term is defined in California Constitution Article, XIII D, section 2(i), from being annexed to Landscape Maintenance District, and that special benefit includes, but is not limited to, the right and ability to develop the Subject Property.

4. The Covenantor consents to an annual assessment on the Subject Property in an initial amount of:

Parcel 1 (APN 013-200-014) \$189.23

The Covenantor agrees that this assessment is proportional to, and no greater than, the special benefit conferred on the Subject Property by being annexed into the Landscape Maintenance District. The Covenantor also consents to an annual change in the range of the assessment in the amount of the Engineering News

Record Construction Cost Index (ENRCC), plus two percent (2%). The Covenantor agrees that if such change in the range of the assessment is implemented less frequently than an annual basis, the change may be based upon the total change in the ENRCC Index since the most recent change in the assessment plus two percent per year. The Covenantor further agrees that temporary decreases in assessment do not represent a waiver of other provisions of this covenant and that the assessment may later be reset to an amount consistent with the assessment prior to the reduction plus the total change in the ENRCC Index plus two percent per year but only to the degree necessary to cover actual and reasonable costs.

5. The Covenantor agrees that he/she has received the written notice required by California Constitution Article, XIII D, Section 4(c).

6. The Covenantor agrees that this shall constitute a ballot in support of the proposed assessment pursuant to California Constitution Article, XIII D, Section 4(d).

7. Furthermore, should City hold a hearing notwithstanding such waiver, Covenantor waives the requirement of 45 days notice of such hearing in favor of a five-day notice of such hearing.

8. The Covenantor shall fully disclose this covenant to every potential purchaser of the Subject Property.

9. It is the intention hereof that this document shall constitute a covenant in favor of the City of Madera and shall run with the land and be binding upon the undersigned, its grantees, heirs, successors and assigns.

10. The Covenant shall be released and be of no further effect upon written determination by the undersigned and the City Engineer of the City of Madera that it's continued existence and enforcement are no longer necessary.

11. The provisions of this Covenant shall be deemed independent and severable and the validity or partial invalidity or unenforceability of any other provision or portion thereof shall not affect the validity or enforceability of any one provision thereof. Whenever the context of the Covenant so requires, in interpreting this Covenant, any gender includes the other genders, the singular includes the plural, and the plural includes the singular.

REPORT TO THE CITY COUNCIL

COUNCIL MEETING OF September 20, 2017

AGENDA ITEM NUMBER B-11

APPROVED BY

DEPARTMENT DIRECTOR

CITY ADMINISTRATOR

SUBJECT: CONSIDERATION OF A RESOLUTION RATIFYING AND APPROVING A MEMORANDUM OF AGREEMENT BETWEEN MARIPOSA COUNTY SHERIFF'S OFFICE AND THE MADERA POLICE DEPARTMENT PERTAINING TO ASSISTANCE UNDER THE LAW ENFORCEMENT MUTUAL AID AND AUTHORIZING THE CITY ADMINISTRATOR TO SIGN ON BEHALF OF THE CITY

RECOMMENDATION

Staff recommends that Council adopt the attached resolution ratifying and approving a Memorandum of Agreement between Mariposa County Sheriff's Office and the Madera Police Department for mutual aid rendered on July 21, 2017

SUMMARY

On July 18, 2017 the town of Mariposa was ordered to be evacuated in response to the Raging Detwiler fire threatening its border. Mariposa County Sheriff put out a call for mutual aid. This request was placed in order to have enough law enforcement personnel to patrol Mariposa in order to keep the now vacant streets and buildings safe from looters. The Madera Police Department received this request on July 18th and agreed to send six officers to work five 14 hour shifts for a total of 285 hours at time and one half. The Madera Police Department was one of several agencies that provided assistance with the fire. In order for the City of Madera to receive reimbursement for the aid that was provided we are required to enter into a Memorandum of Agreement, attached, with the requesting agency, Mariposa County Sheriff. Based upon limited time constraints we were required to bring the security agreement before the City Attorney and City Administrator in order to facilitate the acceptance of the MOA. The City Administrator signed the agreement and we are now bringing the agreement back to Council for your ratification.

FISCAL IMPACT

No fiscal impact is anticipated as full reimbursement of personnel time is expected. 285 hours translates to a expense of, to be reimbursed, \$13,062

VISION PLAN

Strategy 111	Local Agencies share vision: Promote greater alignment of local government agencies under a shared community vision.
Strategy 115	Economic Resource Provision: Ensure sufficient economic resources to provide adequate City services and prepare for future growth.
Strategy 421	First Response Emergency Services: Ensure the safety and protection of Madera and its community members through adequate first response to emergencies. Maintain sufficient resources to expand protection as the community grows.

RESOLUTION NO.

A RESOLUTION RATIFYING AND APPROVING A MEMORANDUM OF AGREEMENT BETWEEN MARIPOSA COUNTY SHERIFF'S OFFICE AND THE MADERA POLICE DEPARTMENT PERTAINING TO ASSISTANCE UNDER THE LAW ENFORCEMENT MUTUAL AID AND AUTHORIZING THE CITY ADMINISTRATOR TO SIGN ON BEHALF OF THE CITY

WHEREAS, the Madera Police Department received a request for Mutual Aid from Mariposa County Sheriff; and,

WHEREAS, the Madera Police Department responded to said request with six officers to work five 14 hour shifts for a total of 285 hours policing the streets of Mariposa; and,

WHEREAS, the Mariposa County Sheriff requires a Memorandum of Agreement with the Madera Police Department in order for reimbursement of services to occur; and.

WHEREAS, time constraints prohibited the timely submission of the agreement for Council approval requiring the City Administrator to sign the agreement.

NOW THEREFORE, THE COUNCIL OF THE CITY OF MADERA does hereby find, resolve, and order:

1. The above recitals are true and correct.
2. The Memorandum of Agreement, a copy of which is on file in the office of the City Clerk and referred to for particulars, is hereby ratified and approved.
3. The City Administrator is hereby authorized to sign the Agreement on behalf of the City.
4. This resolution shall be effective immediately upon adoption.

Council Meeting of: September 20, 2017

Agenda Number: B-12

SUBJECT: Consideration of a Minute Order Approving and Accepting the City of Madera Investment Report for the Quarter Ending June 30, 2017

RECOMMENDATION: Staff recommends the Council approve and accept the City of Madera Investment Report for the quarter ending June 30, 2017 as presented by minute order.

DISCUSSION: The City of Madera Investment Policy calls for a quarterly report to be presented to the City Council, giving detailed information on the portfolio and bank positions with summary information to permit an informed outside reader to evaluate the performance of the investment program. The Finance Director hereby submits the report for the quarter ending June 30, 2017.

The market values for the items being reported were obtained from Union Bank, who acts as the custodian for our investments and who we considered to be an independent source for such information. After reviewing the information included in the attached Investment Report, the Finance Director/Treasurer certifies that to the best of his knowledge: 1) all investment actions taken during this quarter have been made in full compliance with the City of Madera June 2016 Investment Policy and, 2) the City will meet its expenditure obligations for the next six months.

As can be seen in the summary information of the Council Investment Report, the City's investment program out-performed the benchmarks, with a 1.51% yield as compared to 0.98% for the Local Agency Investment Fund [LAIF] and 1.38% for the 2-Year Treasury. Total Market Value of the City's investments equaled \$52.0 million as of June 30, 2017, with Federal Agency Securities, Local Agency Investment Fund [LAIF], Medium Term Notes and Negotiable Certificates of Deposit Securities making up 83.5% of that total. The decrease in market value is due, in large part, to the drop in Federal Agency Securities as the bond market fell slightly in the 2nd quarter.

One change made to the investment report this quarter is interest bearing accounts, which included the General Fund checking account and other bank accounts like it, were removed as they were artificially reducing the total/average yield to maturity calculation. Also, one FDIC insured certificate of deposit for \$249,000 was inadvertently left out of the calculations. The March 2017 numbers were updated to reflect these changes.

The Portfolio Holdings Distribution by Maturity Range report is on the second page of the Council Investment Report and reflects the percentages of holdings for each maturity range as of June 30, 2017. All holdings are in line with the June 2016 investment policy.

FINANCIAL IMPACT: There is no fiscal impact of the Council's acceptance of this Investment Report.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN: Approval of this item is consistent with Strategy 115 of the Vision Plan - Economic Resource Provision: Ensure sufficient economic resources to provide adequate City services and prepare for future growth.

REPORT TO THE CITY COUNCIL

COUNCIL MEETING OF:
September 20, 2017

AGENDA ITEM NUMBER:
B-13

Approved By:

COMMUNITY DEVELOPMENT DIRECTOR

CITY ADMINISTRATOR

Subject: Consideration of a Resolution Approving a Professional Services Agreement with RRM Design Group for Professional Engineering Design Services for the Construction of a Fire Station and Authorizing the Mayor to Execute the Agreement on Behalf of the City.

RECOMMENDATION:

It is recommended that the Council adopt a resolution approving a professional services agreement with RRM Design Group for professional engineering design services related to the construction of the new northwest Madera fire station.

SUMMARY:

With the voter's approval of Measure K in November of 2016, funding became available for the construction and staffing of a new fire station. The process of selecting an architectural firm to design the project commenced during spring of this year. After eleven firms responded to the City's request for qualifications, RRM Design Group was identified by the City's selection team as its preferred architectural firm. A scope of work and fee were subsequently negotiated to the satisfaction of both the selection team and RRM Design. The total compensation for the agreement includes \$403,008 in basic services, \$12,000 in estimated reimbursable expenses, and \$40,000 for additional services which may be requested by the City.

DISCUSSION:

The City is working towards a goal of completing construction of a new fire station in the northwest part of the City by the end of 2018, or as soon thereafter as possible. The selection of a firm to design the new facility and prepare construction plans is an integral first step towards commencing construction. A request for qualification (RFQ) was released in May, generating a total of 11 responses from firms interested in working on the project. All responses were evaluated and ranked by a team that included Mayor Pro Tem Gallegos, the City Administrator, the Community Development Director, the Cal Fire Division Chief, and the Cal Fire Battalion Chief. RRM Design was selected by the team based on their approach to the work, the understanding of the City's project, and their experience in designing similar facilities.

The recommended scope of works calls for RRM Design to assist the City with schematic design and project layout before moving into detailed building design and the preparation of construction documents. The firm will also assist the City with bidding process, and will perform construction administration functions whereby they act as an extension of the City's development team throughout the construction process. The firm will be compensated on a time and materials basis, not-to-exceed the total amount of \$403,008. Reimbursable expenses estimated at \$12,000 are also allowed. Finally, an additional \$40,000 is included in the agreement for additional work requested by the City but not specifically included in the basic scope of services.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

The 2025 Action Plan includes Strategy #421: Ensure the safety and protection of Madera and its community members through adequate first response to emergencies. Maintain sufficient resources to expand protection as the community grows.

FINANCIAL IMPACT:

Funding for the design contract for the fire station has been appropriated from the portion of Measure K revenue allocated to the Fire Services, Fund 10252500.

RESOLUTION NO. _____

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MADERA, CALIFORNIA,
APPROVING A PROFESSIONAL SERVICES AGREEMENT WITH RRM DESIGN GROUP
FOR PROFESSIONAL ENGINEERING DESIGN SERVICES FOR THE CONSTRUCTION OF A
FIRE STATION AND AUTHORIZING THE MAYOR TO EXECUTE THE AGREEMENT ON
BEHALF OF THE CITY

WHEREAS, the City of Madera desires the construction of a new fire station to serve the northwest part of the City ("the Fire Station Project"); and

WHEREAS, the selection of a qualified architectural design firm is required in order to design the site and building and perform related services for the Fire Station Project; and

WHEREAS, the City underwent a competitive process to select a firm to perform engineering design services for the Fire Station Project before selecting RRM Design Group as its preferred architectural firm; and

WHEREAS, the City and RRM Design Group have agreed upon a scope of work and fee for services related to the Fire Station Project.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF MADERA HEREBY finds, orders and resolves as follows:

1. The above recitals are true and correct.
2. City Council approves the Professional Services Agreement with RRM Design Group for Professional Engineering Design Services for the Construction of a Fire Station, a copy of which is on file with the City Clerk and referred to for particulars.
3. The Mayor is authorized to execute the agreement on behalf of the City.
4. This resolution is effective immediately.

AGREEMENT WITH RRM DESIGN GROUP FOR PROFESSIONAL ENGINEERING DESIGN SERVICES FOR CONSTRUCTION OF FIRE STATION

This Agreement made and entered into this _____ day of _____, 2017 between the City of Madera, a municipal corporation of the State of California, hereinafter called "CITY", and RRM Design Group, located in San Luis Obispo, CA, hereinafter called "CONSULTANT".

WITNESSETH

WHEREAS, CITY plans to construct a fire station in the City of Madera, California, hereinafter called "Project"; and

WHEREAS, CITY needs professional project development and engineering design services for the Project; and

WHEREAS, CONSULTANT is qualified and certified to provide the required professional project development and design services and is knowledgeable of Federal, State, and City standard policies and regulatory requirements; and

WHEREAS, CITY desires to hire CONSULTANT for such professional project development and design services.

NOW, THEREFORE, the parties hereto mutually agree as follows:

1. SERVICES OF CONSULTANT:

CITY hereby hires CONSULTANT to provide professional project development and design services as set forth herein in connection with the Project. Said work to be performed pursuant to this agreement is more particularly described in the Scope of Work.

2. SCOPE OF WORK:

CONSULTANT shall provide the professional services as set forth in the Scope of Work, attached hereto as Exhibit A and incorporated herein by reference.

CONSULTANT accepts full responsibility for the scope of services provided by sub-consultants necessary for delivery of the project. CONSULTANT shall comply with

applicable City of Madera design standards and requirements as directed by the CITY and applicable State and Federal requirements.

3. PROGRESS MEETINGS:

CONSULTANT shall communicate and meet with CITY staff at project progress meetings at intervals mutually agreed to between CITY and CONSULTANT to verify, refine and complete the project requirements and review the progress of the project. CONSULTANT shall prepare brief minutes of such meetings and submit them to CITY for review and approval.

4. CITY'S OBLIGATIONS:

The CITY shall provide the consultant with the following:

- a. A Project Manager to work with CONSULTANT;
- b. Timely review of all submittals; and
- c. Payment of all fees for permits.

5. COMPENSATION:

Consultant shall be compensated on a time and materials basis for satisfactory performance of professional engineering services described in this contract. The total amount of the basic fee shall not exceed four hundred three thousand and eight dollars (\$403,008) based on the itemized estimate of tasks listed in Exhibit B - Budget.

Consultant shall be compensated for the amount of the expense, including all sub-consultant costs.

Hourly rates shall be consistent with the rates listed in Exhibit C – “Bill Rate Ranges”. Consultant may adjust hourly rates on July 1st of each year for the life of this contract including all amendments, subject to the City’s written consent, which shall not be unreasonably withheld. Adjustments to the hourly rates shall not affect the not-to-exceed amount specified above.

6. REIMBURSABLE EXPENSES

Consultant shall be reimbursed the actual expenses for Reimbursable Expenses incurred in performing services under this Agreement. All reimbursement claims must be supported by adequate documentation and show appropriate share breakdown. Reimbursable expenses do not include expenses that are usually and customarily included as part of Consultant's overhead. The total amount reimbursable expenses shall not exceed twelve thousand dollars (\$12,000) without prior written approval by the CITY.

7. PAYMENT:

Payments for all undisputed portions of each invoice as provided for hereunder shall be made within 30 days of receipt and approval of CONSULTANT'S monthly invoices for the work performed specified herein. CONSULTANT'S invoice shall specify the billed hours and hourly rates for each employee classification. The sub-consultants work shall be included on CONSULTANT 'S invoice with a copy of the sub-consultant's invoice attached. A report on summary of costs to date for each component of the work shall accompany the invoice. This summary shall also estimate the percentage of the work completed for each component and the balance remaining in each component.

8. EXTRA SERVICES:

CITY agrees to pay CONSULTANT for extra services not contemplated hereunder as set forth in the Scope of Services or for such services as may be specifically requested by CITY through CITY'S Project Manager in writing and agreed to by CONSULTANT in writing for an agreed to fixed fee or hourly rate of compensation or for necessary expenses over that listed in the Budget, provided, however, the City Engineer's authority is limited to expenditures not to exceed the amount of forty thousand dollars (\$40,000).

9. AUDITS AND INSPECTIONS ACCESS:

CONSULTANT shall, upon reasonable notice and at any time during regular business hours, and as often as CITY may deem necessary, make available to the CITY or its authorized representative for examination, all of its books, records and data with

respect to matters covered by this Agreement. CONSULTANT shall permit CITY to audit and inspect all invoices, materials, payrolls, records of personnel, conditions of employment, and other data relating to matters covered by this Agreement.

10. LIABILITY INSURANCE:

Without limiting Consultant's indemnification of City, and prior to commencement of Work, Consultant shall obtain, provide, and continuously maintain at its own expense during the term of the Agreement, and shall require any and all Subcontractors and Subconsultants of every Tier to obtain and maintain, policies of insurance of the type and amounts described below and in form satisfactory to the City.

a. **Minimum Scope of Insurance**

Consultant shall maintain limits no less than:

- i. **\$2,000,000 General Liability** (including operations, products and completed operations) per occurrence, \$4,000,000 general aggregate, for bodily injury, personal injury and property damage, including without limitation, blanket contractual liability. ***Coverage shall be at least as broad as Insurance Services Office (ISO) Commercial General Liability coverage form CG 00 01 CG 00 01. General liability policies shall be endorsed using ISO form CG 20 10 that the City and its officers, officials, employees and agents shall be additional insureds under such policies.***
- ii. **\$1,000,000 Automobile Liability** combined single limit per accident for bodily injury or property damage at least as broad as ISO Form CA 00 01 for all activities of Consultant arising out of or in connection with Work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles. Automobile Liability policies shall be endorsed to provide that the City and its officers, officials, employees and agents shall be additional insureds under such policies.

- iii. **Worker's Compensation** as required by the State of California and \$1,000,000 **Employer's Liability** per accident for bodily injury or disease. Consultant shall submit to the City, along with the certificate of insurance, a Waiver of Subrogation endorsement in favor of the City, it's officers, agents, employees, and volunteers.
- iv. \$1,000,000 **Professional Liability (Errors & Omissions)** per claim and in the aggregate. Consultant shall maintain professional liability insurance that insures against professional errors and omission that may be made in performing the Services to be rendered in connection with this Agreement. Any policy inception date, continuity date, or retroactive date must be before the effective date of this Agreement, and Consultant agrees to maintain continuous coverage through a period no less than three years after completion of the services required by this Agreement. The cost of such insurance shall be included in Consultant's bid.

b. Maintenance of Coverage

Consultant shall procure and maintain, for the duration of the contract, insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the Work hereunder by Consultant, its agents, representatives, employees, subcontractors or subconsultants as specified in this Agreement.

c. Proof of Insurance

Consultant shall provide to the City certificates of insurance and endorsements, as required, as evidence of the insurance coverage required herein, along with a waiver of subrogation endorsement for workers' compensation. Insurance certificates and endorsements must be approved by the City prior to commencement of performance. Current evidence of insurance shall be kept on file with the City at all times during the term of this Agreement. Agency

reserves the right to require complete, certified copies of all required insurance policies, at any time.

d. Acceptable Insurers

All insurance policies shall be issued by an insurance company currently authorized by the Insurance commissioner to transact business of insurance in the State of California, with an assigned policyholders' Rating of A- (or higher) and a Financial Size Category Class VII (or larger), in accordance with the latest edition of Best's Key Rating Guide.

e. Waiver of Subrogation

All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against the City, its elected or appointed officers, agents, officials, employees, and volunteers, or shall specifically allow Consultant, or others providing insurance evidence in compliance with these specifications, to waive their right of recovery prior to a loss. Consultant hereby waives its own right of recovery against the City and shall require similar written express waivers and insurance clauses from each of its sub-consultants or subcontractors.

f. Enforcement of Contract Provisions (non estoppel)

Consultant acknowledges and agrees that any actual or alleged failure on the part of the Agency to inform Consultant of non-compliance with any requirement imposes no additional obligations on the City, nor does it waive any rights hereunder.

g. Specifications not Limiting

Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference

to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If Consultant maintains higher limits than the minimums required above, the entity shall be entitled to coverage at the higher limits maintained by Consultant.

h. Notice of Cancellation

Consultant agrees to oblige its insurance agent or broker and insurers to provide to the City with thirty (30) calendar days' notice of cancellation (except for nonpayment for which ten (10) calendar days' notice is required) or nonrenewal of coverage for each required coverage.

i. Self-insured Retentions

Any self-insured retentions must be declared to and approved by the City. The City reserves the right to require that self-insured retentions be eliminated, lowered or replaced by a deductible. Self-insurance will not be considered to comply with these specifications unless approved by the City's Risk Manager.

j. Timely Notice of Claims

Consultant shall give the City prompt and timely notice of claims made or suits instituted that arise out of or result from Consultant's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.

k. Additional Insurance

Consultant shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgement may be necessary for its proper protection and prosecution of the Work.

11. OWNERSHIP OF DOCUMENTS:

All original papers, documents, reports, drawings and other work product of CONSULTANT are instruments of service. All reports and legal documents shall include the professional's registration number and be stamped, signed and dated. All instruments of service shall, upon payment in full to CONSULTANT, become the property of the City whether the project for which they are prepared is executed or not. CONSULTANT shall be permitted to retain copies, including reproducible copies, of the instruments of service for information and reference. The instruments of service shall not be used by the CONSULTANT on other projects, except by agreement in writing by the City. In the event the City reuses such instruments of service, CONSULTANT shall be released and held harmless by the City from any and all liability, including legal costs and attorneys' fees, with respect to the reuse of such instruments of service.

Reuse of documents for any purpose other than as intended under this Agreement shall be at CITY'S sole risk. CITY shall indemnify CONSULTANT for any damages incurred as a result of such reuse, including use of incomplete documents.

12. TIME OF COMPLETION:

- a. Based on an agreed upon Notice to Proceed date, CONSULTANT shall complete the work as shown in Exhibit D, Project Schedule.
- b. CONSULTANT shall not be held responsible for delays caused by CITY review or by reasons beyond CONSULTANT'S control. Also CONSULTANT shall not stop his work, including work unrelated to any extra services request, unless it can be shown that the project work cannot proceed while a claim or request for extra services is being evaluated.
- c. Time is of the essence in the completion of the services covered by this Agreement. Failure of CONSULTANT to comply with the above time schedule by more than fourteen (14) calendar days, unless the delay is not attributable to CONSULTANT or is attributable to CITY, is sufficient cause to terminate this Agreement, at the option of CITY, in accordance with Section 13.

- d. CONSULTANT shall complete all services required under this Agreement and this Agreement shall expire on an agreed upon date for each individual project, unless extended by mutual agreement in writing.

13. TERMINATION OF AGREEMENT:

- a. This agreement may be terminated at any time by either party upon fifteen (15) calendar days written notice. In the event the Agreement is terminated by either party, CONSULTANT shall be compensated for services performed to the date of termination based upon the compensation rates and subject to the maximum amounts payable agreed to together with such additional services performed after termination which are authorized by the CITY representative to wind up the work performed to date of termination.
- b. CITY may immediately suspend or terminate this Agreement in whole or in part by written notice where, in the determination of CITY, there is:
 - i. An illegal use of funds by CONSULTANT;
 - ii. A failure by CONSULTANT to comply with any material term of this Agreement;
 - iii. In no event shall any payment by CITY or acceptance by CONSULTANT constitute a waiver by such party of any breach of this Agreement or any default which may then exist on the part of either party. Neither shall such payment impair or prejudice any remedy available to either party with respect to such breach or default. CITY shall have the right to demand of CONSULTANT the repayment to CITY of any funds disbursed to CONSULTANT under this Agreement which, as determined by the appropriate court or arbitrator, were not expended in accordance with the terms of this Agreement.

14. APPROVAL:

CITY will give reasonably prompt consideration to all matters submitted by CONSULTANT for approval to the end that there will be no significant delays in CONSULTANT'S program of work. An approval, authorization or request to CONSULTANT given by CITY will only be binding upon CITY under the terms of this Agreement if in writing and signed on behalf of CITY by a CITY representative or designee.

15. HOLD HARMLESS:

Indemnity for Professional Liability: When the law establishes a professional standard of care for Consultant's Services, to the fullest extent permitted by law, Consultant shall indemnify, protect, defend, and hold harmless Agency and any and all of its officials, employees and agents from and against any and all losses, liabilities, damages, costs, and expenses, including legal counsel's fees and costs but only to the extent the Consultant (and its Subconsultants) are responsible for such damages, liabilities and costs on a comparative basis of fault between the Consultant (and its Subconsultants) and the Agency in the performance of professional services under this agreement. Consultant shall not be obligated to defend or indemnify Agency for the Agency's own negligence or for the negligence of others.

Indemnity for Other Than Professional Liability: Other than in the performance of professional services and to the full extent permitted by law, Consultant shall indemnify, defend, and hold harmless Agency, and any and all of its employees, officials and agents from and against any liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged or threatened, including legal counsel's fees and costs, court costs, interest, defense costs, and expert witness fees), where the same arise out of, are a consequence of, or are in any way attributable to, in whole or in part, the performance of this Agreement by Consultant or by any individual

or Agency for which Consultant is legally liable, including, but not limited to, officers, agents, employees, or subcontractors of Consultant.

16. RESPONSIBILITY FOR OTHERS:

CONSULTANT shall be responsible to CITY for its services and the services of its sub consultants. CONSULTANT shall not be responsible for the acts or omissions of other parties engaged by CITY nor for their construction means, methods, techniques, sequences, or procedures, or their health and safety precautions and programs.

17. PROFESSIONAL RESPONSIBILITY:

CONSULTANT shall be obligated to comply with applicable standards of professional care in the performance of the Services. CONSULTANT recognizes that opinions relating to environmental, geologic, and geotechnical conditions are based on limited data and that actual conditions may vary from those encountered at the times and locations where the data are obtained, despite the use of due professional care.

18. PARTIES BOUND BY AGREEMENT:

This Agreement shall be binding upon CITY, CONSULTANT, and their successors in interest, legal representatives, executors, administrators and assigns with respect to all covenants as set forth herein. CONSULTANT shall not subcontract, assign, or transfer any of the work except as otherwise provided for in this agreement.

19. COMPLETE AGREEMENT OF PARTIES:

This Agreement, including attachments incorporated herein by reference, represents the entire Agreement and understanding between the parties. Any modifications of this Agreement shall be in writing and signed by authorized representatives of the parties. One or more waivers of any term, condition or covenant by either party shall not be construed as a waiver of any other term, condition or covenant.

20. ASSIGNMENT WITH APPROVAL:

It is understood that neither party shall assign, sublet, subcontract or transfer its rights or obligation under this Agreement without the prior express, written consent of the other party.

21. INDEPENDENT CONTRACTOR:

In performance of the work, duties and obligations assumed by CONSULTANT under this Agreement, it is mutually understood and agreed that CONSULTANT, including any and all of CONSULTANT'S officers, agents and employees will, at all times, be acting and performing as an independent contractor, and shall act in an independent capacity and not as an officer, agent, servant, employee, joint venture, partner or associate of CITY. Furthermore, CITY shall have no right to control or supervise or direct the manner or method by which CONSULTANT shall perform its work and function. However, CITY shall retain the right to administer this Agreement so as to verify that CONSULTANT is performing its obligations in accordance with the terms and conditions hereof. CONSULTANT and CITY shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over the subject matter hereof.

Because of its status as an independent contractor, CONSULTANT shall have absolutely no right to employment rights and benefits available to CITY employees.

22. GOVERNING LAW:

Any controversy or claim arising out of, or relating to, this Agreement which cannot be amicably settled without court action shall be litigated either in the appropriate State court for Madera County, California, or as appropriate in the U. S. District Court for the Eastern District of California, located in Fresno County. The rights and obligations of the parties and all interpretations and performance of this Agreement shall be governed in all respects by the laws of the State of California.

23. AMENDMENTS:

Any changes to this Agreement requested either by CITY or CONSULTANT may only be affected if mutually agreed upon in writing by duly authorized representatives of the parties hereto. This Agreement shall not be modified or amended or any rights of a party to it waived except by such in writing.

24. COMPLIANCE WITH LAWS AND WAGE RATES:

CONSULTANT shall comply with all Federal, State, and local laws, ordinances, regulations and provisions applicable in the performance of CONSULTANT'S services. CONSULTANT may use professional practices and standards regarding the interpretation of these laws.

Wherever reference is made in this Agreement to standards or codes in accordance with which work is to be performed or tested, the edition or revision of the standards or codes current on the effective date of this Agreement shall apply, unless otherwise expressly stated.

25. CONSULTANT 'S LEGAL AUTHORITY:

Each individual executing or attesting this Agreement on behalf of CONSULTANT hereby covenants and represents: (i) that he or she is duly authorized to execute or attest and deliver this Agreement on behalf of such corporation in accordance with a duly adopted resolution of the corporation's board of directors and in accordance with such corporation's articles of incorporation or charter and by-laws; (ii) that this Agreement is binding upon such corporation; and (iii) that CONSULTANT is a duly organized and legally existing corporation in good standing in the State of California.

26. NOTICES:

Any and all notices or other communications required or permitted by this Agreement or by law to be served on or given to either party to this Agreement by the other party shall be in writing, and shall be deemed duly served and given when personally delivered to the party to whom it is directed or any managing employee of that

party or, in lieu of personal service, when deposited in the United States mail, first class postage prepaid, addressed as follows:

PROJECT WORK PLAN – SCOPE OF WORK

City of Madera Fire Station No. 8

Scope of Services

August 17, 2017; Revised September 13, 2017

PROJECT UNDERSTANDING

The City of Madera is seeking public safety strategic planning services for the new Fire Station to serve the community of Madera in the northwest region of the City and area around the Madera Municipal Airport. The final site will be determined during the planning and preliminary project assessment phase.

The City desires to complete the design and construction of this new fire station before January 2019. With the schedule in mind, the City has requested that RRM base the design of this station on a previous RRM project, Bakersfield Fire station No. 5. This station will be approximately 9,800 sf with three (3) apparatus bays.

SCOPE OF SERVICES

RRM Design Group has been selected for this project to work with the City to refine the scope and associated fees. The following listing and description of phases and subtasks represent our approach for the project.

Phase 1: Planning and Preliminary Project Assessment

- Task 1.1 Fire Station Conceptual Layout – Site Plan and Floor Plan (Already Started)
- Task 1.2 Schematic Design

Phase 2: Design Development and Construction Documents

- Task 2.1 Design Development
- Task 2.2 Construction Documents
- Task 2.3 Permitting

Phase 3: Bidding Phase

- Task 3.1 Bidding

Phase 4: Construction and Project Completion

- Task 4.1 Construction Administration
- Task 4.2 Record Drawings and Project Close Out

Phase 1: Planning and Preliminary Project Assessment

Subtask 1.1: Fire Station Conceptual Layout – Site Plan and Floor Plan *(Already Started)*

RRM will refine the overall project schedule. RRM will review the program space needs summary for the project and validate the project budget assumptions. Working closely with the City's Fire Department, RRM will design a site layout to meet the needs of this specific site with consideration given to the site circulation, and a floor plan layout based on the operational needs of the City's Fire Department. RRM will assist the team to identify the most appropriate architectural character of the station to compliment the neighborhood and prepare conceptual building elevations for City's Fire Department approval. Each decision will be reviewed and evaluated by the impact to the project budget.

Objectives:

- Refine the project schedule
- Review Facility Space Needs
- Verify the project budget
- Prepare conceptual layouts
- Identify architectural character
- Refine selected site plan, floor plan, and elevations; three (3) anticipated

Deliverables:

- Preliminary Project Schedule
- Project Space Needs Summary Review
- Preliminary Project Budget
- Two (2) Draft Conceptual Site Plan
- One (1) Final Conceptual Site Plan
- One (1) Draft Conceptual Building Floor Plan
- One (1) Final Conceptual Building Floor Plan
- Three (3) Draft Architectural Concept Building Massing
- One (1) Final Architectural Concept Building Massing

Meetings:

- One (1) kickoff meeting to review preliminary schedule, budget, and work plan strategy
- One (1) program validation meeting; concurrent with kickoff
- One (1) working project meeting to review draft site, floor plan, and elevations
- One (1) working project meeting to review the final site and floor plan, and draft concept massing

Client Participation:

- Attend working meetings
- Provide timely decisions

Subtask 1.2: Schematic Design

With the conceptual floor plan and site plan defined, RRM will prepare a complete Schematic Design application package for submittal to the City Planning Division.

Bedrock Engineering, a civil engineering and land surveying company in Madera, will provide a topographic survey of the proposed construction area.

Tasks:

- Prepare an addendum to Site Plan Review (SPR) package; in coordination with existing approval; identified as a 30% design package including civil, architecture and landscape architecture
- Secure utility information
- Assist City with preparation of presentation for planning commission; if needed
- Perform topographic survey

Deliverables:

- Project Schedule
- Preparation of a Qualified Cost Estimate
- 30% Design Package
 - Architectural Site Plan – Colored for Presentation
 - Architectural Floor Plan
 - Architectural Building Elevations
 - Architectural Building Sections
 - Landscape Plan
 - Grading and Drainage plan
 - Site Photo
 - Colored Rendering
 - Parking and Circulation Plan (part of Site Plan)
 - Interior and Exterior Finish Board

Meetings:

- One (1) working project status meeting to review the Schematic Design and project budget
- Attendance at one (1) planning commission approval meeting; if needed

Client Participation:

- Attendance at working project status meetings
- Attendance at planning approval meetings
- Provide timely decisions regarding the design
- Assistance with preparation and processing of planning application; if needed

Phase 2: Design Development and Construction Documents

Subtask 2.1: Design Development

Based on the Schematic Design documents and project budget, RRM and our consultant team will develop the building systems and site improvements for the project. In the Design Development subtask, the architectural and engineering team will design and layout the basic engineering systems. A Schematic Design/Design Development level construction cost estimate will be prepared to reflect the information developed in this task.

Decisions made in this phase are evaluated based on operational needs, durability, operations and maintenance, initial and long-term costs, sustainability, and other priorities identified in the program. We recommend a careful analysis at this stage to develop the most energy efficient design possible.

Tasks:

- *Work with the City to review the project design and budget*
- *Develop 100% Design Development package to include:*
 - *Architectural drawings*
 - *Engineering drawings; including*
 - *Plumbing, mechanical, electrical, civil, and structural*
 - *Progress specifications*
 - *Design Development level cost estimate*

Deliverables:

- *Design Development Drawings*
- *Design Development Progress Specifications*
- *Design Development Engineering Drawings; including*
 - *Plumbing, mechanical, electrical, civil, and structural*
- *Design Development Qualified Level Cost Review – by the design team*
- *Interior Finishes Materials Board*

Meetings:

- *One (1) meeting to present the Design Development package to City*

Client Participation:

- *Attend scheduled Design Development meetings*
- *Provide timely decisions regarding the design*
- *Review and approval of Design Development package*

Note: Civil design includes utility connection to existing utilities in street and driveway design.

Subtask 2.2: Construction Documents

Based on the Schematic Design/Design Development drawings, specifications, and the construction cost estimate, RRM and our subconsultants will proceed with the preparation of the Construction Documents.

Tasks:

- *Develop 100% Construction Documents package for permit submittal and bidding phase to include:*
 - *Architectural drawings*
 - *Engineering drawings; including*
 - *Plumbing, mechanical, electrical, civil, and structural*
 - *Specifications in CSI format*
 - *Title 24 reports*
 - *Structural calculations*
 - *Bid schedule*
- *Assist the City in preparing the front-end specification; Division 1 and General Conditions, if needed*
- *100% Construction Document level cost estimate*
- *RRM in-house QA/QC process*

Deliverables:

- *100% Construction Document package (for Client review and permit submittal)*
- *100% construction cost estimate with bid schedule*
- *Response to City comments*

Meetings:

- *One (1) meeting to review City team comments to the 100% Construction Document*

Client Participation:

- *Attendance of City/RRM team meetings*
- *Provide timely decisions regarding design and cost*
- *Provide Standard Division 1 and General Condition specifications*

Note: *Civil design includes utility connection to existing utilities in street and driveway design.*

Subtask 2.3: Permitting

RRM will submit the 100% Construction Documents to the City Building Department for plan check review at the end of the Construction Document task. RRM will respond to the plan check comments received in writing and prepare documentation to achieve permit ready status. During this subtask modification to the documents may also occur as a result of City team review comments and RRM's in-house QA/QC process. RRM will incorporate City agency plan check, RRM in-house QA/QC, and City review comments into the 100% Construction Document set for the project bidding process.

Tasks:

- *Submit to City for building permit*
- *Respond to plan check comments*

Deliverables:

- *100% Construction Documents with City's review team comments included submittal for bidding*

Meetings:

- *One (1) meeting to review plan check comments with the building department*

Client Participation:

- *Payment of plan check fees*
- *Attendance of RRM/agency meetings*

Phase 3: Bidding Phase

Subtask 3.1: Bidding

RRM and our subconsultants will assist the City during the bidding phase by participating in a pre-bid conference, evaluating and advising the City with regards to substitution requests, and responding to questions from prospective bidders in the form of an addendum.

Tasks:

- *Respond to bidder questions*
- *Prepare five (5) addendums*

Meetings:

- *One (1) pre-bid conference with prospective bidders*

Client Participation:

- *Attendance at pre-bid conference*
- *City will conduct bid opening*

Phase 4: Construction and Project Completion

Subtask 4.1: Construction Administration

RRM and our subconsultants will remotely assist the City during the construction phase by reviewing and responding to contractor submittals and requests for additional information, reviewing and responding to requests by the City or Contractor for changes in the work, observing and advising the City Construction Administrator regarding construction progress and conformance to the Contract Documents. We will attend regular progress meetings and assist the City in the preparation of a punch list and will advise the City on the status of the project concerning Substantial Completion and Final Completion.

Tasks:

- *Respond to Requests for Information*
- *Issue supplemental information/instructions*
- *Review payment applications*
- *Review change proposals and change orders*
- *Prepare field observation reports when needed*
- *Prepare punch list*
- *Attendance at construction project meetings every two weeks for 12 months for a total of 26 months*
- *Review of contractor provided record as-built drawings and operations and maintenance manuals*
- *Participate in a conference call for alternating project meetings every two (2) weeks when not in attendance on-site*
- *Review and approve submittals within five (5) working days*

Meetings:

- *One (1) pre-construction meeting*
- *Twenty-Six (26) on-site project meetings/construction observations; every two (2) weeks. Also, RRM to participate in a conference call for twenty-six (26) project meetings*
- *One (1) preliminary punch list walk-through*
- *One (1) final construction completion meeting*
- *Submittals*

Client Participation:

- *Attendance at job site meetings*

Subtask 4.2: Record Drawings and Project Closeout

RRM and our subconsultants will review the contractor's markups of record drawings to verify all revisions made during construction are included to provide the City with a complete record of the project as completed.

Tasks:

- Review revisions and changes during construction
- Comment on revisions contractor has not yet incorporated
- Review final contractor markup set

Deliverables:

- List of missing revisions
- Scan of final contractor markups
- As built construction plans

Client Participation:

- Review and provide comment to initial record drawing set

SCOPE OF SERVICES FOR OPTIONAL TASKS

Task X.01: Cost Estimate at Design Development Phase

A typical Fire Station process includes three (3) cost estimates throughout the design process, but due to the accelerated schedule, it is anticipated that only two (2) estimates (at the completion of Schematic Design and during the Construction Documents phase) will be provided. If request an additional cost estimate, at the completion of the Design Development, will be provided.

Task X.02 or X.03: Lot Line Adjustment or Lot Merger

Bedrock Engineering, a civil engineering and land surveying company in Madera, will provide the necessary services to facilitate a lot line adjustment or a lot merger. It is not anticipated that both services would be required.

Task X.04: AutoCAD As-Built Drawing Files

RRM and each of its consultants will implement each of the RFI's and contractor revisions presented in the contractor markups into an AutoCAD digital file to provide the City. The revised drawings will include architectural, landscape, civil, structural, mechanical, electrical, and plumbing.

OPTIONAL TASKS

TASK	DESCRIPTION	T&M NTE (see footnote)
X.01	Cost Estimate at Design Development Phase	\$ 10,120
X.02	Lot Line Adjustment	\$ 2,500
X.03	Lot Merger	\$ 1,180
X.04	AutoCAD As-Built Drawing Files	\$ 9,800

Fee Footnote

Estimated fees for tasks shown as "Time and Materials - Not to Exceed" (T&M/NTE) establish the maximum that will be billed for each task. Amounts billed will reflect actual hours, and will not exceed the maximum amount shown without prior approval by the Client. The T&M NTE amounts include the subconsultant fees.

Reimbursable Expenses

Incidental expenses incurred by RRM Design Group, or any subconsultant it may hire to perform services for this project, are reimbursed by the Client at actual cost plus 10% to cover its overhead and administrative expenses. Reimbursable expenses include, but are not limited to

reproduction costs, postage, shipping and handling of drawings and documents, long-distance communications, fees paid to authorities having jurisdiction over the project, the expense of any additional insurance requested by Client in excess of that normally carried by RRM Design Group or its subconsultants, travel expenses (transportation/automobile/lodging/meals), renderings and models. Reimbursable automobile travel mileage will be billed at the current IRS business standard mileage rate.

Adjustment to Hourly Billing Rates

RRM reserves the right to adjust hourly rates on an annual basis, each July 1st.

SERVICES AND/OR INFORMATION TO BE PROVIDED BY CLIENT

- Property location and data on project site(s)
- Development agreements
- Geotechnical reports
- CEQA documents

LIMITATIONS OF SCOPE AND EXCLUSIONS

Please note that the tasks to be performed by the RRM team are limited purely to those outlined above. Substantive changes requested by the Client or changes in the Client's program or direction that are inconsistent with prior approvals are subject to additional services fees. Any additional services that RRM Design Group is asked to perform over and beyond those described above will be billed on a negotiated and Client-approved, fixed-fee or hourly basis.

The following services or tasks are specifically excluded from the scope:

- Drawings for off-site electrical or gas utilities
 - *Civil will connect to utilities provided immediately adjacent to this site in the street under this contract*
- Building Commissioning Agent; provided by developer/owner
- LEED certification or documentation
- Street improvements (e.g., street lights, traffic signals)
- Undergrounding of overhead utilities
- Bid Forms and General Conditions; use City standard
- Legal description or plat maps for easements
- Detailed cost estimate at the completion of the Design Development task (Qualified cost review is included)
- Lot line adjustment or lot merger
- SWPPP/QSP inspection or monitoring services

If you have any questions or require clarification of the scope of services or fees outlined above, please do not hesitate to call us. Thank you again for this opportunity.

REPORT TO CITY COUNCIL

COUNCIL MEETING OF September 20, 2017
AGENDA ITEM NUMBER B-14

PREPARED BY: Mary Anne Seay, Director
Parks & Community Services Department

APPROVED BY: David Tooley, City Administrator

SUBJECT: **CONSIDERATION OF MINUTE ORDER APPROVING A LETTER TO MADERA COUNTY REQUESTING AN EASEMENT DEED FOR USE BY THE CITY IN CONSTRUCTING A PORTION OF THE GATEWAY/UPRR TRAIL UNDERCROSSING AND AUTHORIZING THE MAYOR TO SIGN THE LETTER**

RECOMMENDATION:

Staff recommends Council approve the minute order approving a letter to Madera County requesting an Easement Deed for use by the City in constructing a portion of the Gateway/UPRR Trail Undercrossing. Staff further recommends that Council authorize the Mayor to sign the Letter on behalf of the City.

SUMMARY:

In order to complete right-of-way acquisition for the Vern McCullough River Trail Gateway/UPRR Undercrossing project, a Deed of Easement is required from Madera County for a 0.275 acre parcel of property above the Fresno River just south of the County Maintenance Yard. Staff is requesting Council approve the attached letter to the County Board of Supervisors asking for a Deed of Easement for the property.

DISCUSSION:

The Council approved project to construct a trail undercrossing beneath the Gateway Avenue Bridge and the Union Pacific Railroad (UPRR) trestle at the Fresno River may be ready to break ground as early as the summer of 2018. One of the many tasks that need to be finalized before this can occur is acquisition of all right-of-way within the project boundaries. The County of Madera currently administers land adjacent to and south of the County Maintenance Yard (see letter attachment, Exhibit B) situated off of North Gateway Drive and on the north slope of the banks of the Fresno River. The portion of the property in front of the Yard is currently occupied by a sidewalk and is therefore already dedicated to pedestrian use. The part of the requested easement south of the Yard on the river bank is currently unoccupied, offers no benefit to the County, has negligible monetary value and creates a continual maintenance burden for the County.

In order to obtain the required Deed of Easement, staff has prepared a request letter to the Board of Supervisors for the Mayor to sign. It is anticipated that the request can be agendaized to go before the Board at their upcoming October 3, 2017 meeting.

FINANCIAL IMPACT:

There is no General Fund impact from the recommended action, as with many capital projects eventual completion of the undercrossing will consume General Fund resources for ongoing maintenance of the trail segment. Staff estimates annual maintenance costs to be in the range of \$3,000 to \$4,000.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

The recommended actions support the following Vision Madera 2025 strategies:

Strategy 401 – Develop and promote Madera as a walkable community with an emphasis on improving the quality of the natural resources.

Strategy 404 – Community Wellness: Promote increased community wellness.

Strategy 411 – Recreational Opportunities: Enhance and expand recreational activities available to Maderans.

Strategy 121 – Multi-modal transportation: “. . . ensure safe, affordable and convenient transportation modes for residents . . .”

Madera County Board of Supervisors
c/o Max Rodriguez, Chair
200 West 4th Street
Madera, CA 93637

Dear Supervisor Rodriguez:

One of the premier recreation and transportation amenities in the City of Madera is the Vern McCullough Fresno River Trail spanning the City almost continuously on the banks of the Fresno River from the eastern to the western City Limits. Unfortunately for years the trail has terminated at the Union Pacific Railroad right-of-way approaching from the East, and North Gateway Drive approaching from the West. In order for pedestrians and bicyclists to legally cross this void, they must detour to the busy intersection at Gateway Drive and Cleveland Avenue, and make a crossing when traffic signals allow. In far too many instances, trail users choose the path of least resistance and cross the railroad tracks at an unauthorized crossing and proceed across Gateway Drive without the benefit of a crosswalk. For over a decade the City has worked with the state, the federal government and its local partner agencies to acquire financial resources and right-of-way to construct a trail segment that will pass under both Gateway and the railroad. This is necessary to finally achieve an uninterrupted trail that will be safe, scenic, and convenient for users.

Recently there has been encouraging progress in moving the project forward toward a potential construction date in the Summer of 2018. Construction plans are being finalized, required permits are being obtained and establishment of right-of-way is in its final stages. The issue of right-of-way is the reason for this communication. The County of Madera administers land (approximately 0.275 acres, see attachment Exhibit B) on the north bank of the Fresno River, west of Gateway Drive, which will be needed to accommodate a portion of the trail that descends beneath the Gateway Drive Bridge. The City of Madera is requesting that an item be placed on the Madera County Board of Supervisors October 3, 2017 Meeting Agenda to consider granting an easement to the City in accordance with the requirements for Federal Air Projects which allows for right-of-way to be donated as long as it is voluntary and the County is aware of its right to compensation. Thank you for your consideration in supporting this beneficial community project.

Sincerely,

Andrew J. Medellin

REPORT TO CITY COUNCIL

MEETING DATE: September 20, 2017

AGENDA ITEM NO.: B - 15

Approved:

Tim Przybyla, Director of Finance

David R. Tooley, City Administrator

Subject: CONSIDERATION OF A RESOLUTION ADOPTING THE CITY'S MASTER FEE SCHEDULE AND THE MASTER PENALTY SCHEDULE FOR FY 2017/2018.

Recommendation:

Staff recommends Council Adopt the Resolution approving the Master Fee Schedule and the Master Penalty Schedule for FY 2017/2018.

Summary: Staff has reviewed the Master Fee Schedule and submitted recommendations for fee increases based on increased costs of doing business as well as maintaining a market appropriate fee schedule. These fee increases are detailed in Exhibit A, attached. Additionally, various fees previously approved by Council have been added to the Master Fee Schedule. There are no changes to the Master Penalty Schedule. Permitting Fees and Developer Impact Fees are currently under review and will be submitted for review at a future time.

Discussion:

- A. The Parks and Community Services Department (PCS) team reviews and adjusts their rental, reservation and program fees on an annual basis. As a foundation for determining the recommended changes, PCS staff evaluate customer suggestions, our own revenue trend-lines for the past few years along with comparative data from 7 surrounding communities. The 7 cities we look to for comparison information are: Chowchilla, Clovis, Fresno, Kerman, Merced, Modesto, and Reedley. The ultimate goal is to identify market-rate appropriate fees for Madera's residents while balancing the need for increased revenue. It should also be noted that PCS

receives several anonymous donations to a scholarship fund for children who may otherwise be unable to participate in our fee-based recreation programs.

Some key adjustments for FY 17-18 include:

1. Adding the Bergon Senior Center to the list of facilities that allow alcohol;
2. Increasing the deposit for events where alcohol is served;
3. Increasing the alcohol surcharge for events where alcohol is served;
4. Increasing pool rental fees for private parties to more closely align with neighboring cities;
5. Increasing rental fees for some of our facilities;
6. Increasing outdoor lighting fees by \$5/hour due to rising utility costs and comparative data; and
7. Adding an option to have early entry, late exit, or evening before set-up options.

B. New Community Development Fees include the addition of Rental Inspection fees and minor increases in other fees to adjust for the increased costs associated with the services.

C. Permitting Fees and Developer Impact Fees are currently under review and recommendations for adjustments will be presented at a later date.

Financial Impact:

The updates to the Master Fee Schedule include minor increases to keep up with inflation and new fees required for new services, which are intended to offset the cost of providing the service. No changes have been made to the Master Penalty Schedule.

Consistency with the Vision Madera 2025 Plan:

Approval of the Fiscal Year 2017/2018 Master Fee Schedule and Master Penalty Schedule is consistent with Strategy 115 of the Vision Plan – Economic Resource Provision: Ensure sufficient economic resources to provide adequate City services and prepare for future growth. It is also in line with funding core services as articulated by the Vision Madera 2025 Plan.

RESOLUTION NO. _____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MADERA,
CALIFORNIA, ADOPTING THE MASTER FEE SCHEDULE AND THE MASTER
PENALTY SCHEDULE FOR FY 2017/2018.**

WHEREAS, there are no proposed changes to the Master Penalty Schedule for FY 2017/2018.

WHEREAS, The City Council desires to provide for adjustments and modification to the existing fees, together with the imposition of new fees and additional charges to the Master Fee Schedule as incorporated in the 2017/2018 Master Fee Schedule.

NOW THEREFORE, THE COUNCIL OF THE CITY OF MADERA does hereby resolve, find and order as follows:

1. The above recitals are true and correct.
2. The City hereby finds and determines that the fees and charges imposed hereunder do not exceed a reasonable estimate of the cost of providing the service for which the fees are charged.
3. The City hereby approves the changes and additions to the Master Fee Schedule as identified in the attached Exhibit A and approves the adoption of the Master Penalty Schedule for FY 2017/2018.
4. This resolution is effective immediately upon adoption.

2017-2018

REPORT TO THE CITY COUNCIL

COUNCIL MEETING OF September 20, 2017

AGENDA ITEM NUMBER C-1

APPROVED BY

GRANTS ADMINISTRATOR

CITY ADMINISTRATOR

SUBJECT:

PUBLIC HEARING AND CONSIDERATION OF A RESOLUTION APPROVING 2016/2017 COMMUNITY DEVELOPMENT BLOCK GRANT CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT AND FINANCIAL SUMMARY

RECOMMENDATION:

Staff recommends that Council open the public hearing, invite public input and approve the attached resolution.

DISCUSSION:

The Department of Housing and Urban Development (HUD) requires entitlement communities receiving Community Development Block Grant (CDBG) funds to annually review and publicly report on the progress made in carrying out its Annual Action Plan. Submission of the Consolidated Annual Performance and Evaluation Report (CAPER) is the reporting tool HUD requires to meet this obligation and is due to HUD within 90 days after the end of each program year (June 30, 2017).

As required by HUD regulations and the Citizen Participation Plan, staff obtained citizen participation by publishing and posting bilingual public hearing notices. Staff published a bilingual public hearing notice Saturday, September 2, 2017 in the Madera Tribune. Notices were also posted at City Hall. The notices contained details on availability of the CAPER for review and information about the date, time, and location for our public hearing. Each notice stated, citizens' comments may be submitted in person and in writing until 5:00 p.m., Monday, September 18, 2017. No comments were received as of the writing of this staff report.

In summary, the CAPER reflects that the City is making progress to expend its CDBG funds in a timely manner and meet the grant's primary objectives. The City has a total balance of CDBG funds of \$1,057,207. This amount consists of the 2016/17 allocation of \$847,853 and \$209,354 in carryover funds from previous years. During FY 2016/17 the City spent \$329,665 through June 30, 2017. (Please see the chart below.) Staff believes this performance demonstrates the City's strong commitment to meeting the objectives of the CDBG program and recommends that Council approve submission of the 2016/2017 CAPER.

The following provides a summary status of CDBG Capital Projects/Public Improvements activities funded during 2016/17 allocations:

Centennial Park Rehabilitation and Lighting Project

Phase 1 of this project was to paint the exterior of the John W. Wells Youth Center. This phase was completed in Fiscal Year 2016/2017 with total expenditures of \$47,010. Phase 2 consists of installing exterior lighting, ADA upgrades, and other improvements to enhance Centennial Park. A Request for Statements and Qualifications (RFQ) soliciting a design firm is underway. Staff anticipates placing a qualified firm under contract by December 2017, and construction completed by June 2018.

Fire Station No. 6 Emergency Generator

The generator is ordered and expected to be delivered in approximately six weeks. Staff is currently working to provide the Fire Station with an acceptable electrical panel that will adequately work with the new generator. It is anticipated that this project will be completed by end of this calendar year.

Solar Powered LED Street Lights

The installation of the solar powered LED street lights is progressing well. Currently, there are eight (8) installed and an order for six (6) additional lights has been submitted. All of these street lights are designated for CDBG qualifying areas. The first eight are working well and illuminating neighborhoods where traditional utility powered street lights were not feasible. They are near the City's water tower in mid-block locations adjacent to the tower's surrounding streets.

2016/2017 expenditures for programs and projects are as follows:

CDBG 2016/2017		
Administration	Expenditures	Balance
CDBG Grant Oversight	\$133,138.57	\$17,831.43
Fresno/Madera Continuum of Care (Community Action Partnership of Madera County)	\$16,000.00	\$0.00
Sub Total	\$149,138.57	\$17,831.43
Public Services		
Madera County Workforce Investment Corporation	\$10,000.00	\$0.00
Resilient Madera I and II	\$10,000.00	\$0.00
Pequeños Empresarios	\$9,709.39	\$290.61
Parks Senior Services	\$95,226.96	\$0.04

Sub Total	<u>\$124,936.35</u>	<u>\$290.65</u>
Capital Projects/Public Improvements		
Centennial Park Rehabilitation and Lighting Project	\$47,010.00	\$382,990.00
Fire Station No. 6 Emergency Generator	\$1,812.92	\$23,187.08
Solar Powered LED Street Lights	\$6,767.82	\$93,888.18
Sub Total	<u>\$55,590.74</u>	<u>\$500,065.26</u>
Grand Total	<u>\$329,665.66</u>	<u>\$518,187.34</u>

FINANCIAL IMPACT:

Approval of the CAPER will not have a direct financial impact on the General Fund but will satisfy HUD requirements and maintain the City's eligibility for future cycles of CDBG funding.

VISION MADERA 2025 ACTION PLAN CONSISTENCY:

The projects and programs discussed in this report advance the following Vision Plan objectives:

Fresno/Madera Continuum of Care and Madera ADA Advisory Council:

Strategy 113: City Facilities Accessibility: Promote greater accessibility of City facilities and services to meet the needs of various cultural, socioeconomic, and disabled groups.

Madera County Workforce Investment Corporation:

Strategy 215: Educational and Occupational Opportunities: Ensure educational and occupational opportunities are available for all Maderans.

Strategy 211: Business-Education Alliance: Create a business-education alliance to promote mutual support for vocational training.

Resilient Madera I and II, Pequeños Empresarios and Parks Senior Services:

Strategy 215: Educational and Occupational Opportunities: Ensure educational and occupational opportunities are available for all Maderans.

Strategy 303.3: Strengthen neighborhood associations.

Strategy 407: Promote and expand existing services, supportive services, case management, and self-sufficiency for Madera residents to maintain independent lifestyles.

Centennial Park Rehabilitation and Lighting Project:

- Action 113.3: Establish budgets to ensure all City facilities that provide services to the public are ADA compliant.
- Action 113.4: Provide parking with easy access for the handicapped.
- Action 121.0: Add facilities and amenities for the public.
- Action 314.2: Continue and expand facilities for youth-at-risk.
- Strategy 332: Youth Services: Expand comprehensive services for Madera's youth, including employment opportunities, community activities, sports programs, performing arts, and after-school programs.
- Strategy 336: Youth Center: Expand youth center facilities throughout the City.
- Strategy 404: Promote increased community wellness.
- Strategy 406: Community Safety: Reduce the incidence of domestic violence within the community including child abuse; spousal abuse; crimes against youth and the elderly; and crimes committed by youth.
- Strategy 407: Promote and expand existing services to allow Madera's elders to maintain independent lifestyles.
- Strategy 411: Enhance and expand recreational activities available to Maderans.

Fire Station No. 6 Emergency Generator:

- Strategy 421: First Response Emergency Services: Ensure the safety and protection of Madera and its community members through adequate first response to emergencies. Maintain sufficient resources to expand protection as the community grows.

Solar Powered LED Street Lights:

- Strategy 431: Alternative Energy Use: Develop a City plan to promote both governmental and citizen use of alternative sources of energy.

Dear Sonia:

After meeting with Dave Merchen, Director of Community Development, I am writing to request an item be placed on a Madera City Council meeting agenda to address the council, concerning fee reductions for Non-Profits in planning permit fees for new developments/additional buildings. If I could be placed on the agenda for the meeting of September 20, 2017 or later, that would be greatly appreciated. I have several points that I would like to address and Dave and I feel that this would be the best avenue to bring this item to our City Council. Thank you for all of your assistance.

Sincerely,

SUBJECT: Written Communication From Valley West Christian Center and Consideration of a Request for a Reduction in Fees for a Proposed 5,250 Square Foot Multi-Purpose Building.

RECOMMENDATION:

This report is provided as backup information to the written communication from Roger Leach of Valley West Christian Center which addresses fee reductions for non-profit development projects. The communication is related to a specific request for a reduction in fees for a proposed 5,250 square foot multi-purpose building.

SUMMARY:

In conjunction with the addition of a new structure on the campus of Valley West Christian Center, Roger Leach requested an adjustment to the City's calculation of development impact fees. The existing fee schedule sets these fees at \$19,136. Staff could not identify a basis for granting a fee adjustment under the requirements of the municipal code. After discussing this determination with Mr. Leach and reviewing his options with him, he has chosen to request relief from the City Council based on the non-profit and quasi-public nature of the use. Such factors may not be considered by Staff under the technical criteria spelled out in municipal code. However, the City Council may choose to adjust fees if it finds that the public benefit created by a proposed use is a reasonable basis to a grant a fee adjustment.

DISCUSSION:

In December of 2016, the Planning Commission approved a conditional use permit and site plan review to allow a new 5,250 square foot multi-purpose building on the grounds of Valley West Christian Center. The building will be used for miscellaneous church activities and will function as classroom space for the charter school which operates on the church campus. When the project moved to the building permit stage this summer, development impact fees in the amount of \$19,136 were calculated for the new building. Believing that this amount was excessive, and that the church had already paid appropriate fees previously, Mr. Leach requested a fee adjustment (Attachment 1).

Fee waivers and modifications are reviewed pursuant to Section 10-8.17 of the Municipal Code. The code requires that adjustments be based upon the absence of any reasonable relationship between a project's impact on a public facility and the amount of the fee charged. Legal and technical arguments supporting the request must be provided. Unfortunately, the facts surrounding new multi-purpose building and the resulting fee calculation did not support the request. A letter describing Staff's finding in this matter was completed (Attachment 2) and Staff later met with Mr. Leach in person where the determination outlined in the letter was confirmed.

In discussing this matter with Valley West Christian Center, it is apparent that the request for a fee waiver is at least partially based on their status as a non-profit entity and the intended use of the proposed building as part of the existing church and charter school campus. Neither City code or the City fee schedule currently make a distinction between for-profit and not-for-profit/quasi-public uses. All private development projects are treated the same. In very limited instances, where a non-profit use demonstrates public benefit, the Council has authorized a fee adjustment. An example is when land use permit fees were absorbed by the City for the Madera Rescue Mission project.

In comparison to private-non-private projects, public agency projects, such as schools and County offices, are only subject to City sewer, water, and storm drainage development impact fees. A comparison of development impact fees due from a private versus public building is presented below.

**5,250 Square Foot Classroom/Multi-Purpose Building
Private Building vs. Public Building Development Impact Fees**

Fee Category	Private Building	Public Building
Commercial Admin Impact Fee	\$126.00	\$0
Commercial Fire Impact Fee	\$189.00	\$0
Commercial General Government Fee	\$63.00	\$0
Commercial Police Impact Fee	\$378.00	\$0
Commercial Public Works Impact Fee	\$698.25	\$0
Commercial Additional Sewer NE	\$887.25	\$887.25
Commercial Existing Sewer NE	\$189.00	\$189.00
Commercial Storm Drain NE	\$6,352.50	\$6,352.50
Commercial 12 Ft. Arterial Street Lane	\$1,317.75	\$0
Commercial 16 Ft. Arterial Median Island	\$745.50	\$0
Commercial 24 Ft Collector Street Lane	\$1,317.75	\$0
Commercial Traffic Signals	\$456.75	\$0
Commercial Transportation Facilities	\$1,333.50	\$0
Commercial Water Pipes Impact Fee	\$698.25	\$698.25
Commercial Water Wells	\$378.00	\$378.00
Commercial Wastewater Treatment Plant	\$4,005.75	\$4,005.75
Total Development Impact Fees	\$19,136.25	\$12,510.75

CONSISTENCY WITH THE VISION MADERA 2025 PLAN

The Vision Madera 2025 Action Plan does not address the topic of fee adjustments for projects proposed by non-profit groups or other types of project applicants.

FISCAL IMPACT:

The development impact fee total for the Valley West Christian Center is \$19,136 across 16 fee categories. A fee reduction would result in minor reductions in the amounts otherwise programmed for developer reimbursements or future capital projects.

Re: Permit Fees Printed July 9, 2017

Dave,

I want to ask the City of Madera to reduce the permit fees that the engineering department assessed upon our project at 101 W Adell St, Madera.

I believe the fees to be excessive and redundant for our project. This is not a new site, construction was begun in 1990 finished 1991 where street, curbs, gutter, sewer, water along the street, storm drains were all completed. We never received any pay back from other developments.

All the sizing, flow, impact of our total project scope were approved and fees were paid then. We are not putting any more use into the system of water, sewer, or storm drains than when we proposed our master plan in 1989. (Actually we had a much larger sanctuary planned on the site plan at that time, over twice the size of the building currently being done.) There are no new city connections, in 1990 the city engineers designed the original size and all has been fine. The new building is not creating any new runoff in the storm drain (already calculated and constructed), nor water hook ups, nor sewer or electrical. The work has already been done.

Our project will add to Madera's employment of about 5-6 people which will bring more revenue, but more importantly, a better school into our community. More people are leaving Madera for Clovis school attendance areas and we need to provide this kind of school (STEM) for our community. These fees cause a hardship in finishing the building like we would want to.

The fees also include areas that do not affect our project, like the Arterial Street Lane, Median lane, Traffic signals, and collector street lane. The waste water fees are outrages and the treatment plant was paid for by a FHA grant years ago, the fee of \$4005.75 is excessive.

The fees I would like to see reduced are;

1. Comm Public Works Impact
2. Comm Additional Sewer NE
3. Comm Exist Sewer NE
4. Comm Storm Drain NE
5. Comm 12 FT Arterial Street Lane
6. Comm Arterial Median Island
7. Comm 24FT Collector Street Lane
8. Comm Traffic Signals
9. Comm Transportation Facilities
10. Comm Water Pipes Impact Fee
11. Comm Waste Water Treatment Pln

The other 13 fees itemized on the permit, I would gladly pay in the suggested amounts. I believe that \$ 20,255.80 permit fees for a 5000 sq ft building are way to excessive. We paid the CUP fees months ago.

I feel that we have already paid these fees (probably more on several occasions) and ask the city for a reduction. We have always allowed the city to use our buildings and charged no fees and whenever asked, have accommodated the city and county services, at again no charge. We are a non profit organization and have only tried to benefit our city and community and strived to make it better.

Thank you for your consideration,

RE: Impact Fee Adjustment – Preliminary Review and Determination

Dear Mr. Leach,

I have had an opportunity to review your request for an adjustment to the development impact fees calculated for the building project at 101 W. Adel Street. Your request has been reviewed in accordance with Section 10-8.17 of the Madera Municipal Code, a copy of which is attached. According to these provisions, fee adjustments shall be based upon the absence of any reasonable relationship between a project's impact on a public facility and the amount of the fee charged. The discussion below represents my review and preliminary determination on the matter.

Building Description

The building description and the characteristics of its use are generally the determining factors in whether an adjustment to typical impact fee calculations can be supported. The building under consideration is a 5,250 square foot multi-purpose building on the campus of Valley West Christian Center. The building's use, as described in the application and operational statement provided in conjunction the project's conditional use permit, is for school classrooms and church activities. Classroom space will be provided for 75 students, with parents picking up and dropping off students each day. Between classroom and church activities, activities will occur in the building 6 days per week on a year-round basis.

Fee Program-Calculation Methodology

The purpose of development impact programs, as authorized under California law, is to assess the proportionate cost of new capital facilities to the new development (new construction) that generates the need for those facilities. Impact fee revenues are utilized to construct sewer, water and street facilities, for instance, that are required to support new subdivisions, schools, and shopping centers. In many instances, fee revenues are also utilized to reimburse developers who installed more than their fair share of public facilities when their projects were first constructed.

The City's development impact fee program anticipates that new construction will create various levels of demand for City services for each type of building. For instance, one use within a commercial building may generate very little vehicle traffic, while a different use within the same size building may generate a very large amount of traffic. Understanding that the character and use of every building may evolve and

change over time, the fee program does not attempt to calculate fees based on a case-by-case evaluation of the impacts of individual occupancies. Instead, the program specifies a fee schedule for each of 4 building types (commercial, industrial, single family residential, multiple family residential) based on average demands, and then relies on square footage as a logical “scaling mechanism” to determine fee responsibility for each new building. These factors combine to establish the reasonable relationship called for in the municipal code.

Finding Required to Grant Waiver

The waiver or adjustment of a fee shall be based upon the absence of any reasonable relationship between the impact on public facilities of that development and either the amount of fee charged or the type of facilities to be financed [§ 10-8.17 (A)].

The application for fee adjustment or waiver shall state completely and in detail both the applicant's factual basis and legal theory for adjustment or waiver, and compare its proposal with the analysis set forth in the Technical Report prepared for the fee being challenged [§ 10-8.17 (B)].

Analysis of the Request in Comparison to the Required Finding

1. The building in question is intended to support classroom occupancy of 75 students and to host miscellaneous church activities while school is not in session. The building will directly intensify activities on the parcel through the addition of new classroom space. The new building will indirectly allow intensification of on-site activities by allowing expanded use of existing facilities when the building is used for church operations.
2. Additional demand for services will be created as the result of the intensifications described above. Additional traffic will be created, additional sewer and water service will be required and utilized, and additional demand on the capital equipment and facilities used in Public Works to install and maintain this infrastructure will be generated.
3. The City’s development impact fee program assesses fees based on new square footage, as a universal scaling measure of the demand for services created by new buildings and the uses within those buildings. The building in question represents 5,250 square feet of new construction.
4. The request for waiver or adjustment notes that existing construction on the site was completed in 1991 and states that “All of the sizing, flow, impact of our total project scope were approved and fees were paid then. We are not putting any more use into the system of water, sewer, or storm drains than we proposed our master plan in 1989.”

As described above, the measure of building impacts and the calculation of development impact fees does not occur at the master plan or overall project level; it occurs as each new building is proposed. Additional demand is created as new buildings are constructed. No information has been provided which demonstrates that development impact fees were previously paid for the new 5,250 square foot building.

5. The request for waiver or adjustment of impact fees does not provide a factual and legal theory to support the request, nor does it compare the proposal with the analysis set forth in the Technical Report for the fee being challenged.

Preliminary Determination

Based on the analysis described above, my preliminary determination is that your request for a waiver or adjustment of impact fees does not meet the requirements set forth in Section 10-8.17 of the Madera Municipal Code. For this reason, I am not able to support your request.

Informal Hearing Available

This letter represents my preliminary determination relative to your request. Pursuant to the terms of the municipal code, you are entitled to an informal hearing on this matter. I would be pleased to meet with you at your convenience to discuss the details of your request for an adjustment, or to review the analysis and determination that are outlined above. If you have not scheduled a time to meet with me within 30 days of the date of this letter, the preliminary determination outlined in this letter will become final.

If you have any questions regarding this matter or if you'd like to meet, please do not hesitate to give me a call at 661-5430.

REPORT TO THE CITY COUNCIL

COUNCIL MEETING OF September 20, 2017

AGENDA ITEM NUMBER D-2

APPROVED BY

Steve Erazor
DEPARTMENT HEAD

[Signature]
CITY ADMINISTRATOR

SUBJECT: CONSIDERATION OF A WRITTEN REQUEST BY THE MADERA SOUTH HIGH SCHOOL SEEKING COUNCIL APPROVAL TO WAIVE PERMIT FEES AND COVER THE COST OF POLICE AND PUBLIC WORKS EFFORTS IN ASSOCIATION WITH THEIR HOMECOMING PARADE AND REQUEST FOR THE CITY TO PAY \$1,200 TOWARDS THE RENTAL OF BARRICADES

RECOMMENDATION:

It is the recommendation of staff that Council consider this request and provide direction as outlined in discussion below.

SUMMARY:

Madera South High School is sponsoring its annual Homecoming Parade on Friday, October 6, 2017. Approximately 900 students will take part in the parade, including the Band, pep and cheer, Varsity and Junior Varsity football teams, and class and club floats. All purple pyramid elementary and junior high schools will be bused to the campus to watch the parade.

DISCUSSION:

Mrs. Julie Larrivee, Director of Student Activities, has requested the City Council waive the fees for permit, and is asking the council to cover the cost for police and public works services associated with the event. As is City policy, insurance binders (Special Events Insurance) to transfer liability and property damage claims from the City to parade sponsors, are to be provided by Madera South High School. Further, Madera South High School requests the City of Madera to pay, \$1,200 toward the cost of barricades. Last year Council approved this request out of the Community Promotion/Employee recognition line item (10201120-6518). This account has already been encumbered and therefore is insufficient to cover the cost as requested by Madera

South High School. Neither the cost for barricades or officer time has been included within the current budget. Council may:

- Deny the request altogether.
- Deny the cost sharing of barricades.
- Direct the PD to fund the barricades and officer time and make appropriate budget adjustments at midyear.
- Apply any combination above.

FINANCIAL IMPACT:

The cost of providing City services to assist with traffic and crowd control and cleanup is estimated at about \$1,765 to pay for overtime and straight time for two and a half hours of work. The sponsors request this amount of money be covered by the City and additionally is seeking \$1,200 for assistance in barricade rental. Please see discussion above for decision points by Council.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

City participation in the annual Homecoming Parade supports the following Vision 2025 strategies:

- Strategy 317: "Develop and encourage festival, gatherings, and events . . .".
- Strategy 332: "Expand comprehensive services for Madera's youth . . .".
- Strategy 313: "Provide year-round programs fostering community pride. . .".

Mayor Robert L. Poythress and Members of the City Council,

For the last six years, our school's Homecoming festivities have featured a community parade thanks to your contribution and support. We are beyond thrilled to continue the tradition of promoting our student body and celebrating Stallion Pride once again this year. Please consider this letter as our request to be put on the agenda for your next meeting. The item for consideration is our 7th annual Madera South High Homecoming Parade on Friday, October 6th. This parade has been a goal from the very first year we opened as a brand new high school and an event that we wish to continue to showcase our students and creating a strong Stallion Alumni.

Approximately 900 high school students will take part in the parade, including the band, pep and cheer, all football teams, class and club floats. This is our third year we are collaborating with our feeder elementary and middle schools to be part of the celebration. Each school has the opportunity to have a float in the parade which will increase our parade participation to over 1,000 involved. We also invite all of the purple pyramid elementary and middle schools to attend and pay for them to be bussed over to our campus to watch the parade. Last year we had over 5,000 students and spectators lined on the parade route.

We understand that an event of this magnitude will incur many costs for all parties involved. We make sure to inform all Madera residents who reside on the parade route to make sure they are aware of the closure of the streets. We ask that the City of Madera would continue to support this event that is truly meaningful not only for our students, but the community of Madera by waiving the permits, police and public work fees that are associated with the events. We also ask to continue the agreement that was made last year that the City of Madera will pay, not to exceed, \$1,200 toward the cost of the rental of the safety barricades through the company, Alert O Lite. We have paid the remaining balance of the barricades which is usually an additional \$400-\$500.

We are looking forward to another spirited community pride event!
Thank you for your consideration of this matter.

APPROVED BY

Steve Fronz
DEPARTMENT HEAD

CITY ADMINISTRATOR

SUBJECT: CONSIDERATION OF A WRITTEN REQUEST BY THE MADERA HIGH SCHOOL SEEKING COUNCIL APPROVAL TO COVER THE COST OF POLICE AND PUBLIC WORKS EFFORTS IN ASSOCIATION WITH THEIR HOMECOMING PARADE

RECOMMENDATION:

It is the recommendation of staff that Council approve the participation of Police and Public Works for traffic and clean-up at no cost to Madera High School (MHS).

SUMMARY:

Madera High School is sponsoring its annual Homecoming Parade on Friday, October 13, 2017. Approximately 700 students will take part in the parade, including the Coyote Band, pep and cheer, Varsity and Junior Varsity football teams, and class and club floats. All the elementary and junior high schools are invited to bring students to watch the parade.

It has been the practice of the Council to recognize this function as a community event and help defray some of the costs associated with putting on the activity.

DISCUSSION:

Mr. Isaac Lopez, Director of Student Activities, has requested the City Council waive the fees for permit, and cover the cost for police and public works associated with the event, i.e. traffic and crowd control and cleanup (see attached letter). The high school will obtain the appropriate special use permit for use of city streets as part of the parade route.

As is City policy, insurance binders (Special Events Insurance) to transfer liability and property damage claims from the City to parade sponsors are to be provided by Madera High School. Further, Madera High School administration has agreed to contribute up to \$1,500 toward the provision of installation of barricades along the parade route.

FINANCIAL IMPACT:

The cost of providing City services to assist with traffic and crowd control and cleanup is estimated to be cost neutral with the \$1,500 fee offered by Madera High.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

City participation in the annual Homecoming Parade supports the following Vision 2025 strategies:

- Strategy 317: “Develop and encourage festival, gatherings, and events . . .”.
- Strategy 332: “Expand comprehensive services for Madera’s youth . . .”
- Strategy 313: “Provide year-round programs fostering community pride. . .”.

September 11, 2017

Mayor Andrew J. Medellin and Members of the City Council,

Please consider this letter as our formal request to be placed on the agenda for your next meeting. The item for consideration is our annual Madera High School Homecoming Parade on Friday, October 13, 2017. Our parade has been a Madera tradition for the last 18 years that we wish to continue for the community.

Approximately 700 high school students and 100 elementary students will take part in the parade, which includes the band, pep and cheer, football teams, class and club floats. Furthermore, we invite elementary and junior high feeder schools to bring students to watch the parade. Last year we had over 600 students in attendance from our feeder programs.

We understand that an event of this magnitude will incur many costs for all parties involved. However, we kindly ask the City of Madera for their continued support with this event by waiving the permit, police, and public works fees that are associated with the MHS Homecoming parade. Subsequently, we respectfully ask to continue the agreement that was made in 2006 whereas MHS may pay the City of Madera, a sum *not* to exceed \$1500 toward the cost of the rental and safety barricades.

The Coyote family is looking forward to another spirited community event! Thank you for your consideration of this matter.

Respectfully,

REPORT TO CITY COUNCIL

Approved by:

Sonia Alvarez

City Administrator

Council Meeting of: 9/20/17

Agenda Number: E-1

SUBJECT: Report and Request for Direction Regarding Agenda Distribution Timeline

RECOMMENDATION: Staff requests discussion and direction from the Council regarding timeline on distribution of agenda packets to Council. If the Council would like to increase the timeline, staff requests that the Council provide a definitive distribution timeline (number of days before scheduled meeting) and direct staff to transition as necessary.

SUMMARY: Council Member Gallegos recently expressed an interest in receiving the agenda packet sooner to allow adequate time to review the agenda reports. Agenda packets are currently distributed on Friday, or five days, prior to the scheduled meeting.

DISCUSSION: The Brown Act requires that agendas are posted at least 72 hours before the regular meeting (GC 54954.2). For the City, the 72 hour timeline falls during the weekend therefore agendas are posted on Friday of the week prior to the scheduled meeting. It has been the practice of the City to also distribute the agenda packet to the Council and post to the website on Friday, five days prior to the scheduled meeting. Of the cities that responded to a recent inquiry, most stated that the agenda packet is distributed to the elected body and posted to their website five or six days prior to the scheduled meeting.

There is nothing that prohibits finalizing and distributing the agenda in advance of the 72 hour requirement. Changes to the distribution timeline will require adjustments internally, by departments, during the agenda preparation process. Depending on Council direction, a transition period may be necessary in order to finalize the agenda sooner. In addition, it is anticipated that if there are changes to the distribution timeline, that the Successor Agency and the Housing Authority will follow suit.

As with any change, there are pros and cons to earlier distribution of the agenda packet. Examples of potential benefits and impacts follow. Earlier distribution provides extra cushion to ensure the City meets the Brown Act posting requirement. It provides the Council extra time to

review the reports which can be voluminous in nature and ask questions of staff in advance of the meeting if necessary. It also provides the public and interested parties more time to review the business conducted by the City. Earlier distribution may lengthen the time between finalizing contract negotiations with proposed vendors and actual adoption by the Council. Earlier distribution will also lead to less flexibility in adding items to agendas making any urgent last minute additions difficult to do. As previously stated, and based on Council direction, earlier distribution will require department timelines be adjusted accordingly to meet the distribution timeline. It can also mean an increase in late distributions.

Benefits and impacts can occur regardless of whether the timeline remains at five days or not. If the Council would like to increase the timeline, staff requests that the Council provide a definitive distribution timeline (number of days before scheduled meeting) and direct staff to transition as necessary.

FINANCIAL IMPACT: Discussion and direction only. There is no financial impact.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN: The requested action is not specifically addressed in the Vision Plan however, it supports the statement of A Well Planned City by reinforcing transparency and open communication between the community and City government.

REPORT TO THE CITY COUNCIL

COUNCIL MEETING OF:
September 20, 2017

AGENDA ITEM NUMBER:
E-2

Approved By:

COMMUNITY DEVELOPMENT DIRECTOR

CITY ADMINISTRATOR

SUBJECT: Update and Request for Direction Regarding a Proposal By Sohan Samran for Extra-Territorial Sewer and Water Connections in Conjunction with the Expansion of the BAPU Almond Facility at 24341 Avenue 14.

RECOMMENDATION:

Staff recommends that the City Council review the staff report and any testimony provided during the Council's discussion of this matter and provide direction to staff as the Council deems appropriate.

SUMMARY:

In June of this year, the Council reviewed a request by Sohan Samran that the City provide sewer and water connections to the BAPU Almonds nut processing facility at 24341 Avenue 14. The Council asked that the owner work with staff to determine if some of the obstacles that complicated the request could be removed or minimized. Staff worked with the owner to draft an agreement with terms that would have provided the utility connections while requiring the project to meet development standards equivalent to businesses that are developing in the City. After considering the full scope and costs related to the agreement, the owner determined that he did not wish to proceed. Instead, the owner has requested that the City allow the installation of a fire hydrant along the frontage to provide fire flow to the site.

DISCUSSION:

The BAPU Almond property is comprised of a 5.5 acre County island, located on the north side of Howard Road between the Santa Barbara Estates subdivision and a mini storage business. The owner is in the process of expanding his existing almond processing business to fully build-out the available space on the parcel. While requesting City sewer and water connections, the applicant had been opposed to annexing into the City or developing the site to City standards. Development conditions are further complicated by the fact that the nut processing facility is not consistent with the low density residential use called for in both City and County General Plans.

Following the June 7, 2017 City Council meeting, the owner expressed a new willingness to annexing the subject property into the City limits and developing the project in accordance with some or all of the City development standards. Based on this change in position, a draft agreement was prepared and provided to the owner (attached).

Primary features of the draft agreement are as follows:

1. Applicant would agree to annex into the City, and be responsible for all costs of annexation process. City would be the applicant for annexation process. Annexation would not be completed for 1 year or until the owner's project was completed, whichever occurred first.
2. The subject property would be pre-zoned to U (Unclassified). The use at time of annexation would be grand-fathered, including all the improvements completed by the owner during the one-year period provided by point #1 above. Future expansion/modification would require a conditional use permit.
3. Owner would construct standard half-street frontage improvements on Howard Road, including undergrounding of utilities. City would permit and inspect off-site improvements.
4. Owner would be eligible for standard reimbursements with standard terms.
5. Improvements would need to be completed within 1 year. If occupancy of the office occurs prior to completion of improvements, improvements would be secured with cash or a certificate of deposit.
6. On-site development of the property would be permitted under Madera County's land use jurisdiction for a period of at least one year. Annexation would not record until development process is completed or 1 year, whichever is later.
7. Owner would pay sewer and water impact fees for existing facilities, and full City impact fees for new construction as would any project developing in the City. Connection fees (payback for existing improvements) would also be paid.
8. Owner would incorporate site plan features into the development to minimize conflicts with adjacent properties to the extent feasible.

A draft of the sewer and water agreement was provided to the owner on July 10th and over the following few weeks a handful of subsequent discussions and clarifications occurred regarding the various fees and terms contained in the document. The owner consistently expressed concern regarding certain costs related to the agreement, including but not limited to the cost of undergrounding the existing overhead electrical line. On August 9th, the owner's representative indicated that they were dropping the request for sewer and water and instead asked that the City consider allowing the installation of a fire hydrant along the project frontage.

The location of an existing water main along the subject parcel's Howard Road frontage makes it possible to install a new fire hydrant without extending City infrastructure. The installation of the line would provide enhanced fire flow to the parcel and alleviate some or all of the need for on-site water storage. While this would improve fire protection capacity for the parcel, it would effectively extend the benefits of City infrastructure to a parcel that has otherwise declined to develop in conformance with the same standards as similar parcels located within the City. If the Council determines that the installation of a fire hydrant is appropriate, Staff recommends that development impact fees and connection fees (payback fees for existing improvements) related to the water system be required.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

Consideration of the extraterritorial service request should be evaluated against its relationship with applicable Vision statements and Action Items. As discussed in the body of this report, the circumstances involved with the request may be viewed through multiple lenses; no single perspective clearly prevails. Vision 2025 calls for a well-planned, healthy community with strong and carefully planned neighborhoods and commercial uses. Vision statements also support economic development and job creation for a range of business sectors.

FISCAL IMPACT:

Standard language in sewer and water service agreements call for owners to pay for the costs of physically connecting to the applicable systems, as well as payment of related impact fees and their proportionate share of any existing utility lines that front their properties. In the case of the BAPU site, because the connections were proposed to support intensive site development, staff recommended that full impact fees be paid for the new construction, as if they were already in the City. If a fire hydrant alone is permitted, staff recommends that impact fees and connection fees specifically related to the water system infrastructure be collected.

**AGREEMENT FOR OUTSIDE CITY LIMITS
WATER AND SEWER CONNECTIONS FOR 24341 AVENUE 14**

AGREEMENT MADE AND ENTERED INTO this ____ day of _____, 2017, by and between the CITY OF MADERA, a municipal corporation of the State of California, hereinafter called "CITY" and Sohan and Mandeep Samran, Trustees of the Sohan and Mandeep Samran Family Trust dated September 13, 2012, hereinafter called "OWNER".

WITNESSETH

WHEREAS, OWNER is the owner of that certain property consisting of 5.56 acres, more or less, located on the north side of Avenue 14 (Howard Road), west of Westberry Boulevard, known as 24341 Avenue 14 ("the Property"), in the unincorporated territory of Madera County; and

WHEREAS, the Property is located outside the City limits, but contiguous to the City limits on its northerly, westerly, and easterly property lines; and

WHEREAS, OWNER is in the process of expanding an existing almond sorting and processing business on the Property as described and illustrated in Exhibit A; and

WHEREAS, OWNER desires sewer and water service connections from CITY to the Property to facilitate the business expansion; and

WHEREAS, CITY is willing to authorize said sewer and water connections subject to conditions agreeable to OWNER; and

NOW, THEREFORE, the parties hereto agree as follows:

Connections to Sewer and Water Mains

1. Subject to and in accordance with all of the conditions set forth in this Agreement, CITY hereby authorizes OWNER to connect to existing water and sewer mains in Avenue 14 (Howard Road) to serve OWNER'S Property located on the north side of Avenue 14 (Howard Road), west of Westberry Boulevard, which property is more particularly described as follows:

PARCEL 2 OF PARCEL MAP NO. 3377, ACCORDING TO THE MAP THEREOF RECORDED JULY 2, 1993 IN BOOK 41 OF MAPS, AT PAGES 57 AND 58, MADERA COUNTY RECORDS.

APN: 045-090-066

2. OWNER agrees that connections to the sewer and water mains at this time is for the purpose of providing domestic water, fire flow, and sewer service to property located on the north side of Avenue 14 (Howard Road), west of Westberry Boulevard for the buildings and improvements described and illustrated in Exhibit A. Use of water for industrial purposes, or discharge of wastewater into the sewer system, including rinse and wash down processes, is not permitted without specific written approval by CITY. Use of CITY services for use not shown in Exhibit A, or use of CITY services for any change of use of the Property or buildings on the Property, is not allowed without the express approval of the CITY.

3. OWNER agrees that water connection shall be subject to all City of Madera water regulations and fines as may be contained in City of Madera Municipal Code.

Construction and Dedication of Public Improvements

4. As a condition precedent to receiving sewer and water connections, OWNER agrees to construct and dedicate public improvements along the Property's Avenue 14 (Howard Road) frontage as follows:

a. OWNER shall dedicate a Public Utility Easement 10-foot wide along the entire project parcel frontage on Avenue 14 (Howard Road) prior to CITY'S approval of plans or issuance of encroachment permit(s) for the installation or construction of any improvements described in this Section 3 of the Agreement. A \$405 fee or the fee in effect at the time of dedication shall be paid to the Engineering Department.

b. The north half of Avenue 14 (Howard Road) along the entire project frontage shall be improved to a 100 foot arterial street per City of Madera standards. Adequate transitions with the existing improvements relative to grade and alignment shall be provided. The following improvements shall be constructed in their ultimate location relative to the property line on Avenue 14 (Howard Road) per CITY standards: curb, gutter, sidewalk, fire hydrants, landscape parkstrip, and street lights.

c. All existing overhead public utilities allocated along the Avenue 14 (Howard Road) project frontage shall be undergrounded, except transformers, which may be mounted on pads.

d. Water service connection(s) shall be constructed to current CITY standards including the installation of an Automatic Meter Reading (AMR) water meter installed within public right-of-way and backflow prevention device installed within private property.

- e. A separate water meter and backflow prevention device will be required for landscape area.
- f. Existing wells if any shall be abandoned as directed and permitted by City of Madera for compliance with State standards.
- g. Sewer service connection(s) shall be constructed to current CITY standards.
- h. Sewer main connection(s) 6" and larger diameter shall require manhole installation.
- i. Existing septic tanks, if found, shall be removed, permitted, and inspected by City of Madera Building Department.
- j. Storm runoff from this project site is planned to go to Mosesian Basin located north of this project. Runoff volume calculations shall be provided and the OWNER shall excavate basin to an amount equivalent to this project's impact on the basin.
- k. Support calculations shall be provided that prove the existing storm drain facilities are capable of intercepting runoff in accordance with the provisions of the Storm Drainage System Master Plan.
- l. Improvement plans for off-site public improvements described in this Section 3 shall be signed and sealed by an engineer and shall be submitted to the Engineering Division for approval in accordance with CITY'S standard submittal process.
- m. All off-site improvements shall be completed within 12 months of the execution of this Agreement. However, if all of the improvements are not completed at the time the office structure shown in Exhibit A is occupied, the completion of all remaining improvements shall be secured with a cash bond or certificate of deposit naming the City of Madera as a payee.

Reimbursement to Owner for Eligible Public Facility Costs

5. In consideration of public improvements constructed in accordance with CITY Standards and Specifications, CITY agrees to reimburse the OWNER'S reasonable costs as the term is herein described below for construction of certain improvements. The following improvements shall be reimbursed through funds collected as part of the City-wide development impact fee program:

- a. Construction of new street improvements within Avenue 14 (Howard Road) completed by the OWNER and not previously constructed by another party that are located within 20 feet of either side of the Avenue 14 (Howard Road) center line will be eligible for reimbursement.
- b. Those improvements within 8 feet on either side of the centerline shall be reimbursed consistent with a typical median island reimbursement.
- c. Construction of those improvements located between 8 feet and 20 feet on either side of the centerline shall be reimbursed as arterial lanes.

6. CITY agrees to reimburse OWNER the CITY'S proportionate share of the costs of improvements as determined by the City Engineer in his sole discretion and whose decision shall be final and as set forth below. CITY shall not reimburse any expenses beyond the actual and reasonable cost of installing the improvements. All reimbursements are subject to the condition precedent that the OWNER shall submit a financial statement within ninety (90) days after the CITY'S acceptance of the improvements, showing evidence of the actual costs of the improvements described in this agreement. Evidence shall be provided in the form of receipted bills, cancelled checks and construction contracts. Failure to timely submit evidence shall void the reimbursement agreement as to any items not timely submitted or not supported by such evidence. Any cost to be reimbursed for administrative or overhead shall not exceed the usual and customary cost for such expenses in the industry, and in no event shall they exceed 15 percent. Such cost shall be determined in the sole discretion of the City Engineer.

7. CITY does not guarantee reimbursement, where reimbursements are made from impact fees or connection fees as those fees are collected. CITY shall have no responsibility for the delivery of the funds collected hereunder and only agrees to hold said funds collected and to make payment as directed by contact with CITY. CITY will contact OWNER within ninety (90) days of collection of funds at the address as specified in this agreement or as may thereafter be provided in writing to the City Clerk of the City. CITY shall have no obligation to locate or determine the true address of OWNER other than the addresses provided by the OWNER. If no contact has been made at the address provided by the OWNER, CITY shall hold such funds collected hereunder for a period of one (1) year. Undistributed funds shall then be paid into the appropriate impact or connection fee fund, and all responsibilities of CITY shall terminate. CITY cannot and does not pledge itself in advance that such charges will be collected or that they are valid or that there will be proceeds for reimbursement, but only that pursuant to this Agreement CITY will, as a condition precedent to the issuance of permits for the development of such properties, levy such charges. OWNER acknowledges that impact fees may be used to reimburse other developers based on a first in time payment process and additionally, may be pledged for the payment or repayment of other improvements to be constructed by or for CITY in advance of reimbursement to OWNER. In no event shall reimbursement exceed the OWNER'S cost of construction as adjusted by the Engineering News Record Construction Cost Index (CCI) as determined by the City Engineer based upon duly verified records submitted to the CITY within 90 days from completion of such facilities and approved by the City Engineer. For purpose of determining the adjustment in the CCI, the time begins upon the submittal of request for reimbursement.

8. All work and improvements shall be done at the sole cost and expense of the OWNER. The cost of engineering, inspection, testing, surveying, staking and all applicable fees as required by the City of Madera shall be the sole responsibility of the OWNER.

Payment of Fees and Costs by Owner

9. Prior to installation or construction of any improvements described in Section 3 of this Agreement, OWNER shall pay to CITY the following amounts:

- a. Water and sewer impact fees which total ~~\$147,505~~ \$14,482. Impact fees are based the 2016-2017 City of Madera Master Fee Schedule, development Impact fee program for

commercial (office) and industrial (storage) development, and are calculated to include the existing 39,816 sq. ft. building area and the proposed 59,823 sq. ft. building expansion.

b. Street related impact fees which total \$30,217. Impact fees are based the 2016-2017 City of Madera Master Fee Schedule, development Impact fee program for commercial (office) and industrial (storage) development, and are calculated to include only the proposed 59,823 sq. ft. building expansion.

c. Storm drainage related impact fees which total \$34,151. Impact fees are based the 2016-2017 City of Madera Master Fee Schedule, development Impact fee program for commercial (office) and industrial (storage), and are calculated to include only the proposed 59,823 sq. ft. building expansion.

d. Public safety, general government, and other miscellaneous impact fees which total \$11,958. Impact fees are based the 2016-2017 City of Madera Master Fee Schedule, development Impact fee program for commercial (office) and industrial (storage), and are calculated to include only the proposed 59,823 sq. ft. building expansion.

e. 50% of the cost to install the 8-inch component of the 12-inch water and 12 inch sewer mains located in Avenue 14 (Howard Road), in the amount of \$12,770.18.

f. City Encroachment Permit and Inspection fees for all public improvements to be constructed by OWNER pursuant to this Agreement.

g. Any other fees as specified in this Agreement or fees for services as specified in the City of Madera Master Fee Schedule.

h. On and after connection of OWNER'S property to the CITY water and sewer systems, OWNER shall pay to CITY the appropriate monthly water and sewer service charges.

Owner's Consent to Annexation and Waiver of Right to Protest

10. OWNER hereby agrees to the annexation to the City of Madera of all of OWNER'S property described herein and agrees to pay any and all fees and charges associated therewith and hereby irrevocably consents to the annexation of said real property and waives any right to protest such annexation.

Submittal of Application to Annex the Property

11. OWNER and CITY agree that CITY will file an application to annex the Property into the city limits, as follows:

a. CITY shall file the annexation application in such a manner that the annexation does not record until after on-site development of the Property is completed in accordance with Exhibit A, or 12 months from the execution of this agreement, whichever occurs first.

b. Prior to the issuance of any encroachment permit for the improvements described in Section 3, OWNER shall pay the costs for the items outlined in this Section 10a related to annexing the Property. The amount for each item shall be based on the fee schedule in effect for each item at the time payment is made.

- City of Madera Prezoning Fee
- City of Madera Mitigated Negative Declaration Fee
- LAFCO Annexation Fee
- State Board of Equalization fee
- Madera County Recorder Fee
- State Fish and Game Fee
- Legal Description Preparation Costs
- City Administrative Costs (20% of Total of All other Costs in Section 9a)

Prezoning of the Property in Preparation for Annexation

12. Prior to the issuance of any encroachment permit for the improvements described in Section 3, OWNER shall file a complete application with the City Planning Department to Pre-zone the Property to the U (Unclassified) zone district.

13. CITY and OWNER agree that buildings and uses legally established on the Property prior to annexation will be considered by CITY to be “grand-fathered”, or legal non-conforming uses which may continue to function in the same manner under the U (Unclassified) zone district after the Property is annexed as they did prior to annexation. OWNER further acknowledges that modification, addition, or expansion of the use of the Property after annexation occurs, under the U (Unclassified) zone district will require the issuance of conditional use permit by the City of Madera Planning Commission. CITY does not and cannot guarantee the outcome of any future conditional use permit request.

On-Site Development and Construction

14. CITY and OWNER agree that any building permits or other permits and inspections required to construct buildings and other on-site improvements in conjunction with the planned expansion of the existing almond business as shown in Exhibit A will be processed or issued by the County of Madera until the property is annexed into the City limits. Recordation of the annexation shall not occur less than 12 months after the execution of this Agreement.

15. Notwithstanding County’s permitting authority for development of the Property prior to annexation, CITY and OWNER agrees that the following features will be provided in conjunction with the development of the property pursuant to Exhibit A:

- a. On-site landscaping designed and installed in conformance with the State Model Water Efficient Landscape Ordinance (MWELI).
- b. On-site drainage improvements to prevent on-site storm water from entering adjacent residential properties by retaining storm water on-site or directing storm water into City drainage facilities.

- c. Paving of all parking and circulation areas.
- d. Installation of a picnic area for employees in a portion of the site which does not abut a residential lot.

City's Reservation of Right to Terminate Service in Event of Breach by Owner

16. CITY reserves the right to terminate sewer and/or water service provided herein in the event of breach by OWNER of any of the terms of the agreement, including but not necessarily limited to the non-payment of monthly service charges. In no event shall OWNER'S consent to annexation, however, be considered revocable as a result of the terms of this paragraph.

Agreement is Covenant Running with Land

17. This agreement shall be recorded and is considered a covenant running with the land and is binding upon OWNER, OWNER'S heirs, executors, administrators, assigns and successors in interest.

Hold Harmless

18. OWNER shall indemnify, defend, and hold harmless the CITY, and its officers, employees, and agents ("CITY indemnitees"), from and against any and all causes of action, claims, liabilities, obligations, judgments, or damages, including reasonable legal counsels' fees and costs of litigation ("claims"), arising out of the OWNER'S performance of its obligations under this agreement or out of the operations conducted by OWNER, including the CITY'S active or passive negligence, except for such loss or damage arising from the sole negligence or willful misconduct of the CITY. In the event the CITY indemnitees are made a party to any action, lawsuit, or other adversarial proceeding arising from OWNER'S performance of this agreement, the OWNER shall provide a defense to the CITY indemnitees, or at the CITY'S option, reimburse the CITY indemnitees their costs of defense, including reasonable legal counsels' fees, incurred in defense of such claims.

REPORT TO CITY COUNCIL

COUNCIL MEETING OF September 20, 2017

AGENDA ITEM NUMBER E-3

PREPARED BY: Mary Anne Seay, Director
Parks & Community Services Department

APPROVED BY: David Tooley, City Administrator

SUBJECT: **SEEKING DIRECTION FROM COUNCIL ON ABSORBING RENTAL FEES TO
ACCOMMODATE THE MEXICAN CONSULATE AT THE PAN-AMERICAN
COMMUNITY CENTER**

SUMMARY:

Members from the Mexican Consulate are traveling to Madera to provide services to residents for one week in December of 2017. The Parks & Community Services Department received a request from Councilmember Rigby to host them at a City facility at no cost. Staff is requesting direction from Council on how to proceed with this request.

DISCUSSION:

For several months, Council Member Rigby and Mayor Medellin have been working in partnership with the Mexican Consulate to establish temporary satellite offices to provide services to local constituents. Because the number of people served is determined by the size of available space and because their goal is to serve as many Maderans as possible, the large multi-purpose space at the Pan-American Center was requested. The dates and times requested are Monday, December 11 through Friday, December 15, 2017 from 8 am to 5 pm each of those days.

The Parks and Community Services Department does not typically rent this facility to users at the above listed times/days because it is routinely used for senior fitness programs, drop-in recreation programming, organized sports leagues and family fitness events. Staff has met and identified ways to move, postpone, or adapt our scheduled programs for the week to accommodate the request.

FINANCIAL IMPACT:

The cost for a non-profit entity to rent the Pan-American facility for the requested times is \$510 per day for a total of \$2,550. There are no anticipated dips in revenue anticipated for this action and staff costs for the event will be approximately \$300.00.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

The recommended actions support the following Vision Madera 2025 strategies:

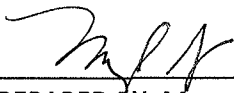

- | | |
|----------------------|--|
| Strategy 111: | Promote greater alignment of local government agencies under a shared community vision. |
| Strategy 113: | Promote greater accessibility of City facilities and services to meet the needs of various cultural, socio-economic and disabled groups. |
| Strategy 317: | Foster cross-cultural understanding and community pride. |

REPORT TO CITY COUNCIL

COUNCIL MEETING OF September 20, 2017

AGENDA ITEM NUMBER E-4

PREPARED BY: Mary Anne Seay, Director
Parks & Community Services Department

APPROVED BY: David Tooley, City Administrator

SUBJECT: **REQUEST FOR DIRECTION ON THE ELIMINATION OF THE ADULT DAY CARE PROGRAM**

RECOMMENDATION:

Staff recommends that Council consider the elimination of the Adult Day Care (ADC) Program as a budget cutting measure and direct staff to take next steps.

SUMMARY:

During the City Council's Budget Workshop in June of 2017, Parks and Community Services (PCS) Staff described potential budget cuts which included the elimination of the ADC Program. The FY 2017-18 City Budget was adopted with a projected deficit of \$911,000 which staff and Council agreed to reduce in the first half of the Fiscal Year. The ADC Program, while valuable, is being recommended for elimination to achieve a General Fund savings of approximately \$30,000 - \$35,000 in the current year and \$70,000 per year in subsequent years.

DISCUSSION:

Meal and recreation programs for seniors with special needs are offered by the Parks & Community Services Department at the ADC Center which is located in an old County building at the south-east corner of 6th and I Streets. Programming at this facility is designed exclusively for seniors who have dementia (including Alzheimer's), Parkinson's disease or other related health conditions. The program also provides respite for caregivers who are most often family members of the program participants.

Staff used the elimination of the Adult Day Care Program as an example of potential General Fund savings at the Budget Workshop for several reasons. First, this is a service that municipalities do not typically offer

residents. While the program has value, this service is not viewed as a core service for a City of any size. Second, program expenses continue to climb while revenues remain on a flat or downward trend. Third, the program's present attendance numbers are quite low. Elimination of the program now would impact fewer clients and families. Additionally, because we must have at least two Program Leaders on the premises at all times, the low attendance numbers drive up the cost per client and reduce opportunities to collect revenue as there are fewer participants.

By its nature, this program's attendance is variable. With the age and fragility of the clients, we see them migrate on to settings where more care can be provided such as a long term care facility. Also, additional families identify the need for respite care periodically so we see increases and decreases throughout any one year. Attendance numbers range from as low as five total clients to a max out at 20, though our high watermark has been 17 for the last 10 years. We currently have three participants who attend on a daily basis. The balance of our current clientele is as follows: one client comes 3 times/week, one comes twice/week, one comes once/week, and another is registered and comes periodically (two – five times per month). To highlight the variance in attendance numbers, staff reported 10 total clients during the Budget Workshop in June and different numbers again in August.

As stated above, lower attendance numbers increase the cost per client. In the Budget Workshop, Council was provided with an annual cost per client that ranged from \$4,118 - \$7,000 based on total general fund costs less full-time salaries (we used \$70,000). Presently, the cost per client has increased to \$11,667 with slightly more than half of the existing clients being part-time attendees.

Program expenses include percentages of full-time salaries apportioned to this activity, fully-burdened part-time salaries, utilities, meals, supplies/equipment, and inter-fund charges. Total expenses for the program are budgeted at \$162,428 in the current Fiscal Year. Only a portion of full-time staff time is assigned to this activity. PCS lost a full-time employee earlier this month who will not be replaced due to budget conditions. This person was responsible for oversight of the home-bound meal program. Staff determined a logical re-organization of activities would be to shift the full-time salaries currently spent on ADC to home-bound meal program oversight. If the ADC Program is eliminated, the program revenues will be lost. Total program revenues projections for the current Fiscal Year are \$55,213.

Revenues

FMAAA	\$33,368
County	\$ 845
Fundraising	\$ 3,000
Client Donations	\$18,000
	\$55,213

Expenditures

Fully-burdened FT Staff	\$37,772
Fully-burdened PT Staff	\$83,494
Utilities	\$ 4,350
Supplies/Meals/training etc.	\$18,001
Intra-fund charges	\$18,811
	\$162,428

Net Cost to the General Fund	\$107,215
<u>Less the cost of FT Salaries</u>	<u>- \$ 37,772</u>
	\$ 69,443

The specific direction requested tonight is a choice of the following:

- A) Maintain the program as it currently is, or
- B) Eliminate the program effective January 1, 2018.

Eliminating the program has consequences. While small in number, there are families who rely on the services that are provided. Another equally painful reality is the reduction of the part-time workforce who we consider a part of our PCS family.

Making the effective date of elimination January 1, 2018 does several things. It allows the City to send the FMAAA a letter providing our 90 day notice of intent to suspend the program. Per the contract, there is a 90 day requirement. The three plus months also gives our team the opportunity to work with families to make other arrangements and do what we can to connect them to other services in the region. It also gives our loyal and hard-working part-time staff some time to find other work. They will also be considered first for any part-time work for which they qualify within the City.

FINANCIAL IMPACT:

This action would result in savings of approximately \$30,000 - \$35,000 in the current Fiscal Year and \$70,000 + in future years.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

The recommended action is not necessarily consistent with a Vision Plan that calls for increased programming for a variety of user groups. That said, particularly under the current conditions, sound fiscal planning is a critical element of the City team's work effort.

REPORT TO THE CITY COUNCIL

[Return to Agenda](#)

COUNCIL MEETING OF:
September 20, 2017

AGENDA ITEM NUMBER:
E-5

Approved By:

COMMUNITY DEVELOPMENT DIRECTOR

CITY ADMINISTRATOR

Subject: Review of Permit and Processing Costs for the Development Services Departments, Review of Potential Fee Adjustment Programs, and Direction to Staff Regarding Placing These Items on the October 4, 2017 Agenda for Consideration

RECOMMENDATION:

Staff recommends that the City Council review the attached materials and provide direction to staff to place a user fee update and a targeted fee adjustment program on the October 4th agenda.

SUMMARY:

At its August 16th meeting, the City Council reviewed and discussed a potential update to the user fees in the Building, Planning and Engineering Departments. A preliminary fee schedule showing full cost recovery was presented. Council members expressed interest in reviewing alternative scenarios and requested that additional information be presented showing the relationship between the existing fees and updated fees. Interest was also expressed in reviewing programs that would reduce fees for targeted projects that the Council might want to incentivize.

DISCUSSION:

The existing fee schedule was adopted in 2014 following the completion of a fee study by Matrix Consulting Group. Updating the calculations to determine the full cost of providing services is accomplished by incorporating current cost data into the fee model built by Matrix Consulting for each department. Alternate fee schedule scenarios can be run by applying different cost recovery percentages. Two different scenarios are presented for each department in the attached materials, as follows:

- Option A: Fees based on 100% of costs, calculated using most recent budgeted cost data.
- Option B: Fees based on alternative cost recovery percentages, 90% for the Engineering and Building Departments, 75% - 100% for the Planning Department.

The attached information provides a comparison of each alternative scenario to the existing fee program. This is presented on a fee-by-fee basis for the Planning and Engineering Departments. Because of the hundreds of fee categories in the Building Department, absorbing the detail in a multi-scenario fee comparison would be very arduous and time consuming. For that reason, a summary of building fees is presented. Finally, a comparison of some of the most common permits issued by each department is provided which shows the results of the alternative fee scenarios.

The Council can set each fee in the fee schedule at any level up to the full cost of providing the service. Any proposal to change the existing fee schedule will need to return to the Council for consideration after a noticed public hearing. Staff's recommendation is that the Council direct staff to proceed with scheduling an item at the October 4th Council Meeting to adopt a fee schedule based on either Option A or Option B as presented in the attachments to this report. If there are specific fees for which a unique recovery target is desired, direction can be provided accordingly.

Fee Adjustment Programs

Fee adjustment programs can be established if the City Council wishes to provide an incentive to facilitate certain kinds of development, or development in certain locations. A review of existing programs in cities across the state and country demonstrates that a wide range of fee adjustments have been implemented to achieve priorities set by local agencies. The most common fees are geographically oriented, whereby building permit and/or land use permit fees are reduced in downtown areas. Some are focused on tenant improvements, while others are strictly limited to new construction. Below are some potential user fee reduction programs that the Council might have interest in considering.

- A. *Downtown Target Area.* Reduce fees for new commercial construction or commercial tenant improvements within a defined downtown target area. Reduction of 25% with \$2,000 maximum reduction for civil plan check and inspection, plus 50% reduction for all other development user fees with \$1,250 maximum reduction.
- B. *Non-Profit Organization Projects.* Reduce fees for new construction or tenant improvements for projects owned and utilized by Non-Profit Organizations (IRS 501C Confirmed). Reduction of 25% with \$3,500 maximum reduction for civil plan check and inspection, plus 50% reduction for all other development user fees with \$2,000 maximum reduction.
- C. *Vacant Building Tenant Improvements.* Reduce fees for tenant improvements in buildings or individual suites within buildings that have been vacant for longer than 180 days. Reductions of 50% of all development user fees with a maximum reduction of \$1,250.
- D. *Older Buildings Reinvestment.* Reduce fees for reinvestments in commercial buildings older than 40 years where Site Plan Review has been completed and interior and exterior improvements are included to update a building. Reduction of 25% with \$2,000 maximum reduction for civil plan check and inspection, plus 50% for all other development user fees with \$1,250 maximum reduction.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

Action 112.1 calls for a review of all fees as often as necessary, but not less than once every three years.

FISCAL IMPACT

Projected fee revenues in the affected departments total approximately \$1.37 Million in the FY 17/18 budget. Fees in the Planning and Engineering Departments were projected to be updated, with updates effective for approximately 9 months of the fiscal year. After a new or updated fee schedule is approved, State law specifies that it cannot become effective for 60 days. Therefore, if a fee schedule is adopted as early as October 4th, it would not become effective until the first week of December. Updated fees would be in place for approximately 7 months of the fiscal year.

Approximately 73% of \$1.37 Million total revenue estimate (\$996,000) is from fees related to building permits. Fees set at full cost recovery might generate an annual increase of up to \$250,000 (approximately) in comparison to amounts shown in the adopted budget.

The remaining 27% in budgeted fee revenue (\$375,000) is related to permits and services provided in the Planning and Engineering Departments. The budget projections for the Engineering Department assume that costs factors will be updated, but the percentage of costs recovered will stay at 90%. The projections for the Planning Department assume that cost factors will be updated, and that the percentage of cost recovery will increase from a 60% average target to a 75% average target. If fees are set to achieve full cost recovery, with all discounts removed, fee revenue would result in an annual increase of up to \$125,000 in comparison to budgeted amounts.

If fee updates are effective for 7 months of the fiscal year, a little less than 60% of the potential revenue increases described above could be expected.

The financial impact of fee reduction programs has not been estimated because the number and type of building projects that would qualify for various programs is unknown.

Building Department Permits - Summary & Description - FY 2017/18

Fee Schedule Description: The fee schedule for the building department is comprised of three separate schedules for three different types of permits. (1) A fee schedule for general building permits and inspections for new construction and tenant improvements. Fees are based on the use, occupancy, and construction type, and square footage. (2) A fee schedule for Mechanical, Engineering and Plumbing Permits, where a fixed fee is charged for individual improvements or installations related to building systems, such as an air conditioner replacement or the installation of a new electrical panel. (3) A fee schedule where a fixed fee or per unit fee is charged for miscellaneous, discreet improvements such as a deck or carport addition, or installation of a door or window. (4) A fee schedule for improvements related to fire protection, where a fixed fee or per unit fee is charged for fire protection related improvements such as fire sprinklers, alarms, and suppression systems.

Basis for Fee Calculation: All building department fees are calculated based on the amount of time estimated for permit, including plan check and inspection processes as applicable. The time for each permit is multiplied by an aggregate hourly rate for the staff that provide service. All permits use the same aggregate hourly rate.
