HISTORY

At its meeting of February 21, 2018, the City Council approved a Consulting Services Agreement with Mr. Ron Manfredi to provide services related to water rate review, compensation review and the City Manager recruitment. At its meeting of August 1, 2018, Council requested staff negotiate an amendment to Mr. Manfredi's defined scope of work to include additional services related to the salary and benefit package to be offered to the next City Manager.

SITUATION

Mr. Manfredi has met with staff and the proposed Amendment was drafted to expand his scope of work to include:

Item #4

- In collaboration with City staff and the City Council, prepare a specific recommended salary and benefits package for the next City Manager, including recommendations for managing change to existing employee agreements. This recommendation and related discussion will be presented at the August 15, 2018 Council Meeting in closed session. Consultant will be available for consultation by phone during contract negotiations with the new City Manager and will additionally be available to review the specific proposed contract language for the new City Manager employment agreement.

These services will be provided based on the following negotiated fee:

\$2,500 paid after delivery of recommendations to Council at the August 15, 2018 Council meeting, to include consultation by phone and review of specific City Manager contract language through September 15, 2018. Any additional written work after submission of the August 15th report required by City of Consultant or attendance at additional staff or Council meetings shall be charged and paid at the rate of \$125/hour, not to exceed ten (10) hours of additional time.

FISCAL IMPACT

If Council desires to amend the Agreement with Mr. Manfredi, the minimum cost for services will be \$2,500.00. If additional work is requested, the City will pay \$125/hour for this work up to an additional ten (10) hours, or \$1,250.00.
