According to City Ordinance § 6-1.05 *“It shall be unlawful for any person to commence, transact, engage in, or carry on any business in the city without first having procured a license from the city so to do, or without complying with any and all applicable regulations of this chapter and other related or relevant laws of the city..”*

### INFORMATION

On October 11, 2017 Governor Brown signed to revise law SB-1186 changing the state fee to \$4 (previously \$1.00) on and after January 1, 2018 to any application for a city business license. The purpose is to increase disability access and compliance with construction-related accessibility requirements and to develop educational resources for businesses in order to facilitate compliance with federal and state disability laws, as specified.

Under federal and state law, compliance with disability access laws is a serious and significant responsibility that applies to all California building owners and tenants with buildings open to the public. You may obtain information about your legal obligations and how to comply with disability access laws at the following agencies:

- The Division of the State Architect at [www.dgs.ca.gov/dsa/Home.aspx](http://www.dgs.ca.gov/dsa/Home.aspx)
- The Department of Rehabilitation at [www.rehab.cahwnet.gov](http://www.rehab.cahwnet.gov)
- The California Commission on Disability Access at [www.ccca.ca.gov](http://www.ccca.ca.gov)

Dear Applicant:

Enclosed is the application you requested for a City of Madera business license. Please complete and return the enclosed application along with one-time **non-refundable application fee of \$50.00 and a \$4.00 ADA compliance fee. In addition once your application is received you will be billed for the current license fee due.** All businesses are charged a yearly business license fee, billed annually from July 1st through June 30<sup>th</sup>. This fee is a flat rate for certain types of businesses or based on your gross receipts for business done in the City of Madera, which you estimate at the time you submit the application. If your license is based on gross receipts, you will be sent a Gross Receipts Reporting Form at the beginning of each new year. After the form is filled out and returned to us, your Business License Tax will be adjusted for the following year.

Filing the application and paying the application fee does not automatically provide you with a business license. Other city departments will review your application. Special conditions may apply to the type of business or business location you have selected and prolong the approval time. This will be determined during the review process.

After the review process has been completed, the Business License Department will notify you of either final approval or you will be notified by the other departments of conditions that you may be required to complete prior to the issuance of a business license. The approval process can take up to three (3) weeks.
