

CITYWIDE CURBSIDE CLEANUP

MARCH 9 - APRIL 17, 2020

A detailed neighborhood map with your assigned cleanup day is included with this flyer and is also available on the City's website at madera.gov/curbside.

The Citywide Curbside Cleanup is designed to assist City of Madera single-family homeowners and residents (**no county residents**) in the removal of excess trash, rubbish, and other bulky items not collected during normal weekly service.

Do not put out debris more than 72 hours (3 days) before, or after 6am on your scheduled cleanup date. Please limit debris pile size to 2 pickup loads or 5'x5'x10' maximum. Place debris 6 inches away from curb. Do not block sewer vents, water inlets, mail boxes, or fire hydrants. There will be **NO** alley collections. Remove portable basketball hoops from the street.

There are specific items allowed and prohibited, so please review the list below. Prohibited items will be left at the curbside by Mid Valley Disposal and the prohibited items will have to be removed by the homeowners/residents **WITHIN 24 HOURS** after the scheduled cleanup date.
