

REPORT TO CITY COUNCIL

Approved by:

Roger Sanchez Ruiz, Finance Director

Council Meeting of: June 17, 2020

Agenda Number: C-3

Arnoldo Rodriguez, City Manager

SUBJECT:

Public Hearing and Consideration of a Resolution Adopting the City of Madera Budget and Capital Improvement Program for Fiscal Year 2020/21

RECOMMENDATION:

Staff recommends that the City Council (Council) conduct a public hearing and adopt the Resolution approving the budget for Fiscal Year (FY) 2020/21, including the Five-Year Capital Improvement Program (CIP).

DISCUSSION:

Attached for Council consideration is the Proposed FY 2020/21 Budget and CIP. Council may recall that as part of the City's budget process, staff conducted several workshops pertaining to the City's Budget. More specifically, Council held workshops on:

- April 15, 2020 to discuss the financial results for FY 2018/19 and CAFR
- May 6, 2020 to discuss and make budget adjustments
- May 20, 2020 to discuss Sales Taxes and to select HdL as new consultant
- May 21, 2020 to discuss the Draft CIP for FY 2020/21 through FY 2024/25
- June 3, 2020 to present key assumptions for FY 2020/21
- June 11, 2020 to present proposed budget for FY 2020/21

The workshops were intended to provide Council and the community with a preliminary overview of the different types of funds, revenue sources, and expenditures that collectively comprise the City's Budget.

SUMMARY OF PROPOSED BUDGET:

Staff is proposing a balanced operating budget for FY 2020/21, where projected operational revenues will pay for projected operational expenses. Operational costs are the day-to-day

expenses incurred as a normal cost of doing business (e.g. salaries, benefits, utilities, supplies, equipment, contractual services, and similar costs). The following is a summary of the budget.

GENERAL FUND & MEASURE K

The General Fund is comprised of various funding sources. In short, more than 90 revenue line items contribute to the General Fund. The following 10 major revenue sources account for nearly 90 percent of the General Fund:

- Sales & Use Taxes
- Property Tax
- Secured Property Tax
- Engineering Fees
- Building Permits
- Transient Occupancy Tax
- Business License Tax
- Cable Utility Franchise Tax
- Grants
- Plan Check Fees

Measure K:

Measure K is a Sales Tax adopted by the residents of Madera to support Public Safety. The revenue generated by this ½ cent sales tax is split equally between the Police and Fire Departments. Measure K revenue is used for both operations and capital improvements.

The following table identifies the proposed General Fund operating budget and Measure K.

Table 1: General Fund & Measure K for FY 2020/21		
<i>Description</i>	<i>Projected Revenues</i>	<i>Proposed Expenditures</i>
General Fund	\$31,630,413	\$31,183,214
Measure K - Police	\$2,257,500	\$2,479,199
Measure K - Fire	\$2,257,500	\$2,482,243

ENTERPRISE FUNDS

Enterprise funds are municipal services that are funded through fees charged partly or wholly to cover the costs of the services provided. Enterprise activities are roughly analogous to a private sector business, however are not run for profit. The fees collected must be used on operating and/or capital expenditures directly related to the enterprise for which they were collected, such as water, sewer, or street sweeping. Table 2 provides a summary of the funds.

Table 2: Enterprise Funds for FY 2020/21		
<i>Description</i>	<i>Projected Revenues</i>	<i>Proposed Expenditures</i>
Water Fund	\$13,118,381	\$11,906,652
Sewer Fund	\$9,258,322	\$11,472,028
Airport Fund	\$1,138,032	\$1,806,061
Golf Course	\$360,054	\$402,859
Dial-A-Ride	\$1,310,960	\$1,222,994
Fixed Route	\$3,264,480	\$2,396,149
Airport Develop Fund	\$729	-
Drainage	\$853,731	\$1,094,319
Solid Waste	\$6,195,387	\$6,382,287
Total General Fund	\$35,500,076	\$36,683,349

OVERALL BUDGET

Overall, the City's projected budget for FY 2020/21 is roughly \$94.6 million including Capital Expenditures, with projected revenues at approximately \$94.1 million. This includes the General Fund, Measure K, Enterprise Funds, Special Revenue Funds, and Internal Service Funds.

KEY ASSUMPTIONS

While staff is proposing a balanced budget, it is imperative to highlight key assumptions and changes to methodology:

1. Revenues:

- Projected Retail Sales & Use Tax: \$8.7 million
- Measure K: \$4.5 million
- Transient Occupancy Tax (hotel tax): \$450k
- Property tax in-lieu: \$6.1 million
- Property tax: \$3.6 million
- Golf course revenue: \$61k
- Business license revenue: \$406k
- Cable franchise tax: \$298k
- Electric franchise tax: \$368k
- Interest earned on investments will decrease by at least 30 percent

2. Expenditures Forecasts during COVID-19:

- Departments were asked to reduce their Maintenance and Operations budgets between 5 to 10 percent

- Programs and services impacted by Public Health Orders or California's closure of certain business sectors were adjusted to match the assumed amount of programming and services we will be able to offer based on current information.

3. Balancing the Budget:

- The proposed FY 2020/21 budget projects that revenues will exceed expenses by \$19,758.
- The proposed budget does not anticipate using funds from the General Fund Reserve at this time.
- Should the City receive less revenue than anticipated or should the COVID-19 pandemic be prolonged, the City expects to utilize reserves to offset revenue shortfalls, however such utilization of reserves will be brought to Council for consideration and approval.
- Prior to the COVID-19 pandemic, the City was projecting a surplus for FY 2019/20; however, final figures will not be known for several months. Once determined, staff will present its findings to Council. Current indications are that the City should not have to utilize reserves to offset the decline in revenues. While the latter portion of the year is anticipated to come in below projections, the City exceeded projections for the prior portions of the year.

4. Budgeted Positions:

- The proposed budget only includes positions based on those reasonably expected to be filled by a person. As the year progresses, staffing will be continually reviewed and analyzed, and any changes to budgeted positions will be brought to the Council for consideration.
- The proposed budget includes three new positions.
- Besides the three new positions noted above, there are 16 vacant full-time positions and 1 vacant part-time position included in the budget.

5. Health Care for Vacant Positions:

Prior to the FY 2019/20, staff budgeted vacant positions at family medical coverage. For the FY 2019/20 budget, vacant positions were budgeted at the expectation of an employee plus one dependent health care coverage. After review of all full-time employees hired within the last year and their health benefit selections, the current proposed budget assumes employee only coverage for each vacant position.

6. Planned Promotions

Planned promotions have also been captured in the budget. These promotions are for class series where classification is determined by certification and/or time in the position (i.e. Police Officer I to Police Officer II). These promotions will only be effectuated upon satisfactory job performance at the current classification level.

7. Temporary Reassignment of Staff

With COVID-19's effects on Parks & Community Services Department programming, four staff have been temporarily reassigned to provide support in other departments. The budget assumes these assignments will last for six months. While the staff have been shifted to ensure meaningful work, it should be noted that three of the four remain in General Fund Departments.

8. Employee Compensation

The FY 2020/21 budget includes the following relative to employee compensation:

- Merit increases have been budgeted, however, actual achievement of such increase is dependent upon individual employee performance.
- Consistent with the Memorandum of Understanding (MOU) between the City and the Madera Police Officers' Association (MPOA), a two percent Cost of Living Increase (COLA) is included in the budget for MPOA members; no other COLA adjustments are included for any other employees during FY 2020/21.
- Consistent with MOUs with all bargaining units, the City's contribution to health insurance has been adjusted to reflect the decrease in premiums for FY 2020/21.
- Classic members of the California Public Employees' Retirement System represented by the City's four recognized bargaining units began paying an additional one percent of the Employee Contribution toward the pension plan upon adoption of their respective MOUs during FY 2019/20; this reduced the City's Employer Paid Member Contribution by one percent for these employees and is reflected in the budget.

9. Measure K

Measure K sales tax revenue is committed to public safety and is shared 50/50 between the Police and Fire Departments. Measure K Police and Fire funds are budgeted and accounted for separately.

This budget recognizes the following:

- New fire fighters and new equipment to be housed at Fire Station 58
- Operations and Maintenance expenses for Fire Station 58
- The City issued lease revenue bonds in June 2019 for the construction of Fire Station 58 in the amount of \$4,005,000. The bonds are due in annual installments of \$230,000 to \$307,000 over 20 years. The construction on the fire station was completed in May 2020. The annual debt service is included in the budget.
- Police staff salaries and benefits
- General Fund loan payment for purchase of police building and critical radio infrastructure

10. Measure K Stabilization Fund

The Council has directed that \$130,000 of Measure K revenue for both Police and Fire be committed each year for the establishment of a stabilization reserve, until the reserve reaches the equivalent of 30 percent of Measure K expenditures. Currently, both Police and Fire have a stabilization reserve fund balance of \$390,000 each.

11. Fire Engine Replacement Fund

Additionally, the Council approved a fire engine replacement reserve fund of \$200,000 in the previous year, with the intent to add \$200,000 each year. Currently, the Fire Department has a reserve fund balance of \$400,000 dedicated to fire engine replacement.

12. Debt

The City owes, in principal and interest, a total of \$87,290,894.

13. Freedom Industrial Park (FIP)

FIP was developed in partnership by the City and Span in an effort to spur economic development following the Great Recession (c. 2010). The City partnered with Span and agreed to install off-site improvements along West Pecan Avenue and South Pine Street in return for approximately 32.9 acres of real property. Span funded the construction of the internal streets and infrastructure within the industrial park. The costs to the City of off-site improvements totaled approximately \$4.55 million.

Since FIP was constructed, the City sold the parcels identified on the following table. Note that the City received the funds for Parcels 14 and 15 in FY 2019/20. The proceeds from parcels 12, 13, and 16 are not recognized given that the City has not received the funds. As of the preparation of this budget, it is expected the City will receive them in the immediate future. The funds will be recognized in the fiscal year in which they are received.

BUDGET SUMMARY:

Staff is pleased to present a balanced General Fund budget. More detailed information regarding the budget may be found in the proposed budget document in the City Manager's Budget Message.

FINANCIAL IMPACT:

The fiscal impact to the General Fund is highlighted in Table 1, whereas the impact to the Enterprise Funds are identified in Table 2 of this report.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

Approval of this item is consistent with Strategy 115 of the Vision Plan – Economic Resource Provision: Ensure sufficient economic resources to provide adequate City services and prepare for future growth.

ALTERNATIVES:

Direct staff to amend the proposed budget for consideration by Council.

ATTACHMENTS:

1. Resolution approving the proposed Fiscal Year 2020/21 Operating Budget and Capital Improvement Program
2. Exhibit A – Schedule of Revenues and Expenditures
3. Proposed 2020/2021 Budget
4. Capital Improvement Program

RESOLUTION NO. 20-_____

**RESOLUTION OF THE COUNCIL OF THE CITY OF MADERA ADOPTING THE
BUDGET OF THE CITY OF MADERA FOR THE FISCAL YEAR JULY 1, 2020
THROUGH JUNE 30, 2021 IN THE AMOUNT OF \$94,612,348 AND THE FIVE-
YEAR CAPITAL IMPROVEMENT PROGRAM**

WHEREAS, City staff has prepared the proposed budget in proper form for all funds for which a budget is required; and

WHEREAS, the City Council (Council) held a special workshop on May 21, 2020 to review the draft five-year Capital Improvement Program (CIP) covering the period through Fiscal Year (FY) 2024/25; and

WHEREAS, at the special workshop on May 21, 2020, the Council reviewed and discussed projects proposed in the FY 2020/21 CIP; and

WHEREAS, the Council held a special workshop on June 3, 2020 to discuss the Key Assumptions for FY 2020/21; and

WHEREAS, the Council held a special workshop on June 11, 2020 to discuss the Proposed FY 2020/21 Budget; and

WHEREAS, the Proposed Budget along with all supporting schedules and data have been available for public inspection online and in the office of the Financial Services Director; and

WHEREAS, the five-year CIP covering the period through Fiscal Year 2024/25 is attached to the Proposed Budget and has been made available for public inspection online and in the office of the Financial Services Director; and

WHEREAS, on June 17, 2020 the Council held a duly noticed budget review session to receive public comment and ascertain the facts regarding the proposed budget and the CIP; and

WHEREAS, all statutory and legal requirements for the final adoption of said budget have been completed; and

WHEREAS, it is the intention of the Council to adopt the said budget Fiscal Year 2020/21.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF MADERA hereby resolves, finds, determines and orders as follows:

1. The above recitals are true and correct.
2. The City of Madera budget in the amount of \$94,612,348 (\$13,377,338 of Capital Expenditures) as set forth in the attached Exhibit "A" including budgets for capital improvements, is hereby adopted for the Fiscal Year beginning July 1, 2020 and ending June 30, 2021.
3. Transfer of appropriated budget authority from one-line account to another within a department may be done upon approval of the City Manager.
4. Transfer of budget authority between departments of the General Fund or between funds will be done by minute order of the Council if less than \$25,000 and by resolution if greater than \$25,000. Transfer of appropriated budget authority between capital outlay accounts in one fund to capital outlay accounts in the corresponding capital outlay fund or from Special Revenue funds to capital outlay funds as presented in the CIP budget regarding project funding may be done upon approval of the City Manager.
5. Authority is given to the Financial Services Director to adjust the budget for all monies received by the City not included in this budget up to \$5,000 per incident without a budget resolution. A report will be given to the Council on a quarterly basis regarding any such activity.
6. All outstanding encumbrances as of June 30, 2020 approved by the City Manager shall be continued and re-appropriated for expenditure into the FY 2020/21.
7. The unencumbered balance for all Capital Improvement Project accounts, which are duly approved as of or before June 30, 2020 shall be continued and re-appropriated for expenditure in the FYI 2020/21.
8. Except as monetary appropriations may be affected by intra-fund transfers within the General Fund or other funds as herein above provided, no appropriations set forth in said budget shall be cancelled in whole or in part except by resolution adopted by a majority vote of all members of the City Council.
9. Expenditures made, liabilities incurred, or warrants issued in excess of budget appropriations as originally approved or as thereafter increased or decreased, shall not constitute an obligation or liability of the City of Madera. The City Manager and the City Council shall approve no claims and the Financial Services Director shall issue no warrants or checks for any expenditure in excess of existing appropriations except upon an order of the court of competent jurisdiction, or in cases of emergency as specified and in accordance with the procedures established in the Government Code of California.
10. The CIP covering the period through FY 2024/25 is consistent with the Madera General Plan.

11. The CIP covering the period through FY 2024/25, a copy of which is on file with the Madera City Engineer, 205 W. 4th Street, Madera, is hereby adopted.
12. This resolution shall be effective immediately upon adoption.

LETTER FROM THE CITY MANAGER

Executive Summary

On behalf of City staff, it is my pleasure to present the 2020/21 Annual Operating Budget for general operations and capital improvement programs for the City of Madera. The budget revenues and expenses as proposed represent a net surplus for 2020/21 of approximately \$20,000.

Note that the City's budget document is one of the single most important expressions of a municipality's core mission, City Council policy priorities and, ultimately, the community's vision. With this in mind, the 2020/21 Annual Budget has been prepared with the goal to continue to deliver essential city services while meeting the challenges presented by the COVID-19 pandemic.

The City's financial condition has been on an upward trajectory, with sales tax and property tax revenue growth averaging 2-3% per year. Other revenues, such as charges for services, were on a gradual growth trend as well. While the COVID-19 pandemic statewide stay-at-home order has had an impact on sales tax revenue in fiscal year (FY) 2019/20 and will also impact FY 2020/21, the City has maintained its general fund balance stabilization reserve consistent with the City General Fund Balance Reserve Policy. In response to COVID-19, City staff took immediate action to reduce current year expenditures. The proposed budget takes into account COVID-19

City Manager

Arnoldo Rodriguez

impacts as staff can reasonably assume they exist today based on current information. Specific assumptions and budget modifications are outlined in the Key Budget Assumptions & Changes section. As the new fiscal year progresses, staff will routinely revisit our assumptions and projections based on new information and bring that analysis to Council for direction and action.

While the City's General Fund budget is balanced for FY 2020/21, it does not address all the City's long-term liabilities such as facility maintenance and new infrastructure. Historically, deferred maintenance of the City's parks, playgrounds, senior centers, Fire Stations, City Hall, pools, Corporation yard, and other facilities has been underfunded. As a result, continuing to identify opportunities to reduce costs, increase revenue, updating service delivery plans, and forming new partnerships will be imperative moving forward.

These challenges, and our focus on delivering the most effective services where they have the greatest impact are the impetus for our operating plan.

Consequently, this budget is designed to:

- Ensure continuing excellent service and safety to our community
- Maintain fiscal balance in an evolving economy
- Shape the organizational culture to ensure a high-performing workforce operating in a rewarding environment, making the City an employer of choice in the region
- Continue our commitment to keeping our neighborhoods safe
- Improve our service delivery.

Budget Overview

Sales tax revenue had been anticipated to be \$1 Million greater than budgeted for FY 2019/20, however with the COVID-19 pandemic, the anticipated surplus sales tax will likely not

materialize. The City did have stronger than anticipated sales tax revenues in the first two quarters of the 2019/20 fiscal year, which will assist in offsetting the impacts of COVID-19 during the latter part of the fiscal year. Staff has adjusted projected sales tax revenue for 2020/21 based on quarter-to-quarter analysis of actual 2019/20 revenues considering anticipated COVID-19 impacts. The net result is that sales tax assumed in the 2020/21 budget is substantially similar to initial 2019/20 projections for that fiscal year. Some stabilization is provided by new businesses, such as the Love's Travel Stop coming on-line. Sales tax comprises approximately 28 percent of the General Fund budget.

Property taxes and property tax in-lieu/VLF are forecast to decrease slightly year over year, by approximately \$100,000. Property values have remained stable, both in the residential and commercial arenas. Property taxes, including property tax in-lieu/VLF, is approximately 31 percent of the General Fund budget.

Other revenues, including charges for services, interest income, and transient occupancy tax (TOT) are experiencing some modest declines, with TOT being one of the most significant. The TOT is the hotel tax, and since the statewide stay-at-home order was issued, hotel occupancy declined abruptly. The City is anticipating an over \$250,000 decrease in TOT in FY 2020/21.

The City has a General Fund Reserve Policy that provides for Madera to accumulate savings sufficient to fund an emergency reserve to protect the City against an unexpected

catastrophic event, and to protect City services until other options could be implemented during an economic downturn. The current pandemic qualifies as an emergency in which use of Emergency Reserves would be available to mitigate the current economic downturn created by the COVID-19 pandemic. The City has prudently adhered to its reserve policy and has established a conservative fund balance reserve. Should revenues be more severely impacted by COVID-19 than currently projected, staff will bring the information to Council for consideration and directions, at which time the Council may determine that use of Emergency Reserves is prudent. The 2020/21 budget as proposed does not require utilization of reserve funds.

Measure K sales tax is proposed at over \$350,000 less than was budgeted in FY 2019/20 in response to the overall sales tax decline, as well on an error that occurred in the collection of Measure K sales tax at a location outside the City limits. This has been corrected and resulted in a small decline in Measure K sales tax projected revenue.

The Citywide budget includes a number of enterprise, internal service, and special revenue funds that operate with adequate revenue to sustain necessary operating and capital needs, however, some have incurred structural deficits with ongoing revenues insufficient to cover ongoing expenses. In these situations, staff will be providing recommendations to Council in the normal course of business to address the operating deficits. Among the larger funds contributing to operations, the Water, Wastewater, and Drainage funds have sufficient

revenue to cover operational and capital needs during the budget period. The Streets and Solid Waste Funds will need to be addressed.

Special revenue funds are established to track, and report funds assigned to specific purposes. All special revenue funds are budgeted based on projected revenues and are balanced. An example of Special revenue funds would be the Community Development Block Grant (CDBG) program. Internal service funds provide services to internal customers, including Information Services, Fleet, and Facilities. With the 2020/21 fiscal year, the Insurance Reserve Fund has been reclassified to an internal service fund to properly reflect its role and utilization. Like enterprise funds, the internal service funds charge customers for services provided. Budgeted revenues are adequate to provide the City departments with the essential internal services.

Presenting a Balanced Budget

I understand that a balanced budget is one of Council's highest priorities. In my review, each respective department, along with Finance Department staff and myself, have examined both projected revenues and proposed expenses. The result is a budget where projected operational revenues slightly exceed anticipated projected operational expenses.

Several items worth highlighting:

- The City is projecting operating General Fund Revenue of \$31.7 million and \$4.5 million for Measure K for a total of \$36.2 million for fiscal year 2020/21. Operational costs are the day-to-day expenses incurred as a normal cost of

doing business (e.g. salaries, benefits, utilities, supplies, equipment, contracted services, and similar costs)

- General fund operating costs are \$35.5 million and capital cost of \$0.65 million for a total of \$36.2 million of expenditures.
- This budget reflects the operating and capital activities of 5 General Funds, 8 Enterprise Funds, and 140 Special Revenue Funds, 4 Internal Service Funds, 4 Capital Projects Funds, 1 Debt Service Fund, 6 Fiduciary Funds, and approximately 275 full-time and part-time positions that provide the City's public safety, quality of life, infrastructure construction and maintenance, transportation and development-related services, and the internal governance services that support them
- The largest component of the budget is the General Fund
- Capital Improvement Projects will be placed in separate accounts, apart from the General Fund
- Measure K is projected to generate nearly \$4.5 million for public safety
- Sales and use taxes are projected to generate \$8.7 million while property taxes and property taxes in-lieu/VLF are anticipated to be \$9.7 million

Recalibrating Our Approach due to COVID-19

Staff recognizes that profound technological and economic changes are reshaping our lives,

affecting both the public and private sectors and rendering old ways of doing business and delivering services increasingly obsolete. While staff has made significant changes to the budget process, our long-established methods of making economic and operational projections have been challenged. Traditional revenue streams have slowed due to economic downturn related to COVID-19 pandemic; the City's Sales and Use Tax forecast is flat year over year; pension costs are projected to increase to address unfunded public pension liabilities; and changes in customer's preferences impact our local economy.

As we continue to work in partnership with our community to deliver desired service levels through effective business models, staff will continue to adjust its efforts as more efficient methods are identified. Though this budget funds the absolute musts, the City must plan on economic tightening. As the economic disruption lessens and more is known about the consequences of the pandemic, the City will recalibrate the budget accordingly and provide Council with timely reports. I am confident that in partnering with our community, service organizations, Council, and staff, we will capitalize on opportunities and mitigate challenges positioning the City to weather anticipated challenges on the horizon.

Finally, I would like to thank the City Council for your leadership. With your ongoing support, we can continue to provide excellent customer service as we strive to become the City of tomorrow and where community members are

confident that their City is well-run, and their well-being is our top priority.

Respectfully submitted,

A handwritten signature in blue ink, reading "Arnoldo Rodriguez". The signature is fluid and cursive, with a long horizontal stroke at the end.

CITY OF MADERA ORGANIZATIONAL CHART

2020-2021

BOARDS & COMMISSIONS

On or before December 31st of each year, each legislative body prepares an appointments list of regular and ongoing boards, commissions, and committees which are appointed by the Council. This list shall be known as the Local Appointments List. This list shall contain the following information:

- A list of all appointive terms which will expire during the next calendar year, with the name of the incumbent appointee, the date of the appointment, the date the term expires, and the necessary qualifications for the position,
- A list of all boards, commissions, and committees whose members serve at the pleasure of the legislative body, and the necessary qualifications for each position

The City encourages residents to apply for service on City Boards, Commissions, and Committees that are currently vacant or that will have vacancies in FY 2020/21. For information; community members are encouraged to contact the City Clerk at (559) 661-5405; by visiting the City Clerk webpage at www.madera.gov; or via email at cityclerkinfo@madera.gov.

MADERA CITY MAP

"The Heart of California"

MADERA AT A GLANCE

Source: Madera Chamber of Commerce and United States Census Bureau QuickFacts

Madera, California

The City of Madera is located in California's stunning Central Valley. Featuring a balanced climate that serves as the perfect host to some of the nation's finest agricultural operations, Madera is also within close proximity to cherished world treasures such as Yosemite National Park, the Sierra Nevada Mountain Range, and attractions that run along the Pacific coastline. Madera is the perfect combination of the best California has to offer.

Located in Madera County

Established in 1907

Population:
About 65,700

Location Size:
~16.5 sq. miles

Median Income:
\$42,581

THE EARLY HISTORY OF MADERA

Source: Madera Chamber of Commerce

William H. Thurman founded the City of Madera and is thus known as the "Father of Madera." He founded the Madera Lumber and Trading Company and served as Madera County's first sheriff from 1893 until 1895.

The Madera County Courthouse began construction in 1896. It was completed in 1901. The court and county offices moved out in 1957. In 1971, it was renovated to become the Madera County Historical Society Museum.

1876

On October 11, 1876, the idea for the City of Madera was first discussed in the newspaper, the Fresno Expositor.

1877

At a public meeting on March 21, 1877, attendees decided a school building should be built. There was also a drought throughout the San Joaquin Valley during this time.

1881

A disastrous fire completely destroyed the lumberyards in Madera, almost ridding the town of the lumber industry entirely.

1893

Madera County officially became a county in the State of California on May 16, 1893.

1896

Madera began construction on a new courthouse, jail, zoo, and county park. Madera also became the county seat this year.

1898

In March, Madera's first Chamber of Commerce was formed. Forty-nine men paid \$2.50 charter membership dues.

1907

Madera is officially founded on March 27, 1907. Citizens of Madera held a centennial celebration on March 27, 2007.

1933

After 50 million board feet of timber, the lumber industry era ended in Madera. Farmwork became Madera's new main industry and revenue source.

MADERA RESIDENTS

Source: Madera Chamber of Commerce and California Demographics

Average Age

28.8

is the average age of a Madera Resident, almost 10 percent lower than the average age of a United States citizen.

Diversity

77.1%

of Madera residents are Hispanic, with 15.7% of residents categorized as White, 4.2% as African American and 3% as Other respectively.

Education

23.3%

of Madera residents have a high school diploma, and 9.9% of residents have a Bachelor's Degree or higher.

Language

61.6%

of Madera residents over the age of five, speak a language other than English.

MADERA HOME & FAMILY

Sources: United States Census Bureau QuickFacts

\$202,300

is the median cost of owner-valued homes in Madera, compared to Fresno's \$224,600 and California's \$475,900 home cost.

18,037

is the number of households in Madera, compared to 166,758 Fresno households, and 12,965,435 California households.

3.55

is the average number of persons who reside in each Madera home, compared to 3.08 persons in Fresno households and 2.96 persons per California households.

48.5%

of Madera residents own their homes, compared to 46.4% of Fresno residents and 54.6 of California residents.

89.4%

of Madera residents are living in the same house they were living in a year ago, compared to 82.5% of Fresno residents and 86.7% of Californians.

MADERA CLIMATE

Sources: National Weather Service and Madera Chamber of Commerce

Average Warmest Month:
JULY

Average Annual Rainfall:

12.23 INCHES

Average Coolest Month:
DECEMBER

Madera is typically **warm, dry,** with relatively **low humidity.**

MADERA TRANSPORTATION

Sources: Madera Chamber of Commerce and Madera.gov

Madera Metro utilizes **3 ROUTES**, transporting Madera citizens where they need to be.

Dial-A-Ride

Dial-A-Ride charges **3DOLLARS** or less for a ride within the city or county. Seniors and the disabled can ride at a discounted price.

Madera residents take over **26.6 MINUTES** to get to work, compared to 21.8 minutes for Fresno residents and 29.3 for all of California.

Number of Miles to Other Major California Destinations

MADERA PARKS

10 PARKS

Madera enjoys three community centers, one skate park, one community garden, one municipal golf course, and a cross-city trail system.

21 SLIDES

These slides are located at various municipally operated playgrounds distributed throughout the City of Madera.

3 POOLS

Located at the Centennial Pool Complex, these pools provide refuge and fun to residents wanting to escape the summer heat.

159 ACRES

These acres compromise the City of Madera's municipal park resources available to residents of the community.

MADERA INFRASTRUCTURE

199 MILES OF CITY STREETS

This is based on reports from the Public Works department.

19 WATER WELLS

These work to provide the City of Madera's water supply.

200 MILES OF WATERLINE

In addition to the waterline, there is an additional 175 miles of sewer line.

47 TRAFFIC SIGNALS

There are 29 city-owned traffic signals, with 15 maintained by Caltrans.

MADERA POLICE

39 POLICE VEHICLES

Madera PD has 16 marked patrol vehicles, eight code enforcement vehicles, five traffic enforcement motorcycles, five unmarked detective vehicles, and five administration vehicles.

70 SWORN OFFICERS

This includes specialized units, such as SWAT, SIU, and Community Outreach. The Police Department also has 35 civilian employees.

3 K-9 UNITS

The Madera PD welcomed a new K9 to their ranks this year. These dogs help human officers take a bit out of crime.

60,432 EVENTS

Madera PD responded to 6,201 more events, compared to last fiscal year's 54,231 events.

CALFIRE - MADERA

2 FIRE STATIONS

Fire Station #58 is expected to be completed in FY 20/21.

5 FIRE ENGINES

The Fire Department also have one ladder truck.

834 FIRES PUT OUT

Fires were extinguished during FY 2019/20.

19 FIRE FIGHTERS

Recruitment efforts are still in effect to add more.

3,345 CALLS FOR SERVICE

Calls occurred during FY 2019/20.

Basis of Accounting &
Budgeting

Financial Budget Policies

Employee Salary & Benefits

Employees By Department

KEY BUDGET ASSUMPTIONS & CHANGES

Defining the 2020/21 Starting Point

While the City anticipated a long-predicted downturn in the economic cycle, one caused by a health crisis—let alone a crisis with the swiftness and severity of the COVID-19 pandemic—was unexpected. The City took immediate action once COVID-19 began to affect the United States in an attempt to mitigate the anticipated economic impacts. Working in our favor is the fact that prior to the pandemic, the City was enjoying a prosperous budget year.

The City experienced an unexpected increase in revenues in both FY 2018/19 and 2019/20 above projections. This resulted in the General Fund reserve balance above and beyond that required by the General Fund Reserve Policy. Due to these unexpected increases in revenue, the City is positioned to remain financially stable.

While the budget as proposed includes a small surplus, for all intents and purposes it should be considered a balanced budget. The unexpected additional reserve noted above allows the City a continuity of operations and services while the economy adjusts, scientists work on therapeutic remedies and a vaccine, and health officials monitor data to determine safe approaches to daily life.

Revenue Forecast during COVID-19

The COVID-19 pandemic and economic turmoil began in the midst of the City's budget development process. Staff was in the infant stages of forecasting tax revenues and City

departments had begun estimating their department revenues and submitted their expenditure requests. With the amount of fiscal uncertainty that exists with the economic downturn, staff have updated revenue forecasts and reduced projected revenues relative to the pre-pandemic forecast. In response to the economic effects of the pandemic, the City significantly curtailed new hires; exceptions were made for positions that address an immediate critical need.

Staff recognizes the fiscal uncertainty caused by the stay-at-home orders and business closures and acknowledges that actual tax revenues next year may be significantly different from these estimates. Since the City will not have final sales tax data from the April through June quarter until September, staff will return to Council in October with a financial update and potential budget revisions based on the new information. With the reduced revenue estimates and the status quo expenditure budget, the proposed budget reflects an approximate surplus of slightly less than \$20,000 for FY 2020/21.

While there is significant uncertainty about how much the City's revenues will decline, some items are foreseeable. For example:

- The closure of retail establishments means a decline in sales tax revenues, however there may be a potential offset from increased online purchases and bulk purchasing as people prepared to shelter-in-place

- The stay-at-home order will result in less hotel stays equating to less revenue from transient occupancy tax (TOT)
- People are driving less, reducing the demand for fuel and gas tax revenue available for maintenance of the City's streets and roadways
- Full or partial closure of facilities such as golf courses, the aquatic center, and programmed sports will result in a loss of revenue
- Effects on property values caused by this economic downturn, and any decline in associated property tax revenue, will not be known until next year and would affect the FY 2021/22 budget

Like all annual budgets, staff made assumptions to determine the budget. The following are a list of key assumptions.

Projected Revenues

In preparing the FY 2020/21 budget, staff made the following adjustments to revenues:

- Projected Retail Sales & Use Tax: \$8.7 million
- Measure K: \$4.5 million
- Transient Occupancy Tax (hotel tax): \$450k
- Property tax in-lieu (c. 2004): \$6.1 million
- Property tax: \$3.6 million
- Golf course revenue: \$61k
- Business license revenue: \$406k
- Cable franchise tax: \$298k
- Electric franchise tax: \$368k

Expenditure Forecast during COVID-19

In preparing the proposed budget, the following approach to expenditures was implemented:

- All departments were asked to reduce their Maintenance and Operations budgets between five to ten percent
- All programs and services impacted by Public Health Orders or California's closure of certain business sectors were adjusted to match the assumed amount of programming and services we will be able to offer based on current information.

Balancing the Budget

- The proposed FY 2020/21 budget projects that revenues will exceed expenses by \$19,758
- The proposed budget does not anticipate using funds from the General Fund Reserve at this time
- Should the City receive less revenue than anticipated or should the COVID-19 pandemic be prolonged, the City expects to utilize reserves to offset revenue shortfalls, however such utilization of reserves will be brought to Council for consideration and approval.
- Prior to the COVID-19 pandemic, the City was projecting a surplus for FY 2019/20; however, final figures will not be known for several months. Once determined, staff will present its findings to Council. Current indications are that the City should not have to utilize reserves to offset the decline in revenues. While the latter portion of the year is anticipated to come in below projections, the City exceeded projections for the prior portions of the year.

Budgeted Positions

- Budgeted positions: The proposed budget only includes positions based on those reasonably expected to be filled by a person.

As the year progresses, staffing will be continually reviewed and analyzed, and any changes to budgeted positions will be brought to the Council for consideration.

- The proposed budget includes three new positions:
 - Water System Supervisor in the Public Works Department
 - Deputy City Engineer in the Engineering Department
 - Assistant Engineer in the Engineering Department
- Besides the three new positions noted above, there are 16 vacant full-time positions and 1 vacant part-time position included in the budget. This is a point-in-time count; the number of actual vacant positions and the positions themselves fluctuates as employees leave the organization and new employees are hired.
 - Health Care for Vacant Positions: Prior to the FY 2019/20, staff budgeted vacant positions at family medical coverage. For the FY 2019/20 budget, vacant positions were budgeted at the expectation of an employee plus one dependent health care coverage. After review of all full-time employees hired within the last year and their health benefit selections, the current proposed budget assumes employee only coverage for each vacant position.

Reclassifying Positions

Pursuant to the City's Memorandums of Understanding with represented employee groups, employees may submit reclassification requests each year during certain filing windows if they believe they are working outside their job classification. These requests are evaluated by the Human Resources Department and then a

recommendation is made to the City Manager on whether a position should be reclassified or whether the assigned duties fall within the existing classification. The City Manager then makes a determination to either recommend a reclassification to be included in the budget or uphold the recommendation not to reclassify. Employees may appeal to the City Manager if they disagree, however the City Manager's determination is final. Two reclassification requests were submitted for consideration and both were approved and recommended by the City Manager for inclusion in the budget:

<i>Department</i>	<i>Prior Classification</i>	<i>New Classification</i>
Planning	Assistant Planner	Associate Planner
Building	Permit Technician	Administrative Assistant

Planned Promotions

Planned promotions have also been captured in the budget. These promotions are for class series where classification is determined by certification and/or time in the position (i.e. Police Officer I to Police Officer II). These promotions will only be effectuated upon satisfactory job performance at the current classification level.

Temporary Reassignment of Staff

With COVID-19's effects on Parks & Community Services Department programming, four staff have been temporarily reassigned to provide support in other departments. The budget assumes these assignments will last for six months. While the staff have been shifted to

ensure meaningful work, it should be noted that three of the four remain in General Fund Departments. The following table summarizes these reassignments:

<i>Position</i>	<i>Temporary Department</i>	<i>Fund</i>
Administrative Assistant	Finance – Utility Billing	Water/Sewer/Solid Waste
Recreation/Community Programs Coordinator	Planning	General
Recreation/Community Programs Coordinator	Parks Maintenance	General
Recreation/Community Programs Coordinator	Parks Maintenance	General

Employee Compensation

The FY 2020/21 budget includes the following relative to employee compensation:

- Merit increases have been budgeted, however, actual achievement of such increase is dependent upon individual employee performance.
- Consistent with the Memorandum of Understanding (MOU) between the City and the Madera Police Officers' Association (MPOA), a two percent Cost of Living Increase (COLA) is included in the budget for MPOA members; no other COLA adjustments are included for any other employees during FY 2020/21.
- Consistent with MOUs with all bargaining units, the City's contribution to health insurance has been adjusted to reflect the decrease in premiums for FY 2020/21.
- Classic members of the California Public Employees' Retirement System represented by the City's four recognized bargaining units began paying an additional one percent of the Employee Contribution toward the pension plan upon adoption of their

respective MOUs during FY 2019/20; this reduced the City's Employer Paid Member Contribution by one percent for these employees and is reflected in the budget.

Measure K

Measure K sales tax revenue is committed to public safety and is shared 50/50 between the Police and Fire Departments. Measure K Police and Fire funds are budgeted and accounted for separately.

This budget recognizes the following:

- New fire fighters and new equipment to be housed at Fire Station 58
- Operations and Maintenance expenses for Fire Station 58
- The City issued lease revenue bonds in June 2019 for the construction of Fire Station 58 in the amount of \$4,005,000. The bonds are due in annual installments of \$230,000 to \$307,000 over 20 years. The construction on the fire station was completed in May 2020. The annual debt service is included in the budget.
- Police staff salaries and benefits
- General Fund loan payment for purchase of police building and critical radio infrastructure

Measure K Stabilization Fund

The Council has directed that \$130,000 of Measure K revenue for both Police and Fire be committed each year for the establishment of a stabilization reserve, until the reserve reaches the equivalent of 30 percent of Measure K expenditures. Currently, both Police and Fire have a stabilization reserve fund balance of \$390,000 each.

Fire Engine Replacement Fund

Additionally, the Council approved a fire engine replacement reserve fund of \$200,000 in the previous year, with the intent to add \$200,000 each year. Currently, the Fire Department has a reserve fund balance of \$400,000 dedicated to fire engine replacement.

Debt

The City owes, in principal and interest, a total of \$87,290,894.

Freedom Industrial Park (FIP)

FIP was developed in partnership by the City and Span in an effort to spur economic development following the Great Recession (c. 2010). The City partnered with Span and agreed to install off-site improvements along West Pecan Avenue and South Pine Street in return for approximately 32.9 acres of real property. Span funded the construction of the internal streets and infrastructure within the industrial park. The

costs to the City of off-site improvements totaled approximately \$4.55 million.

Since FIP was constructed, the City sold the parcels identified on the following table. Note that the City received the funds for Parcels 14 and 15 in FY 2019/20. The proceeds from parcels 12, 13, and 16 are not recognized given that the City has not received the funds. As of the preparation of this budget, it is expected the City will receive them in the immediate future. The funds will be recognized in the fiscal year in which they are received.

BUDGET PROCESS

The latest approved budget document is made available at madera.gov/budget

The City operates on a fiscal year that begins July 1. City staff in their respective departments prepare individual budgets for their functional areas. These budgets are then combined into an overall city budget that is presented to the Council each spring for review and input.

The Council has the authority to approve the annual budget and may amend it during the year if needed. The legal level of budgetary control is at the fund level, which means spending in each different type of fund may not exceed the budgeted amount without Council approval.

Department Personnel Begins Projections

Department personnel are asked to update current year projections as well as proposed FYI 2020/21 projected expenses and revenues. As part of this process, Salary Projection Worksheets are also prepared. These worksheets list City employees organized by department and calculates their total salary and wages for the specified fiscal year.

Mid-year Budget Review

A mid-year budget review is performed by each department to determine if budgeted revenue and expenses are on target or need to be adjusted. Budget adjustments will be adopted per resolution. The Engineering Department prepares a five-year Capital Improvement Plan and presents the draft to the Council at this time as well.

Preliminary Enterprise Fund Review

The preliminary Enterprise fund budgets are presented to Council for review. These include budget:

- Water
- Sewer (e.g. wastewater)
- Solid Waste; and
- Storm Drainage

Public Input on Spending Priorities

A public hearing is held at a Council meeting regarding the Community Development Block Grant (CDBG). The public is encouraged to provide input regarding how funds are allocated. Preliminary Internal Services (Fleet, Facilities Maintenance, and Technology) and Special Revenue Fund budgets are presented to Council for review.

Preliminary Budget to City Council

A budget workshop is held for the Council and community. Budgets for City funds are made available for review and discussion. The City Manager and Financial Services Director lead the presentation and department directors are available to discuss any specific budget items within the purview.

Final Budget Approval

A budget workshop is held for the Council and community. Budgets for City funds are made available for review and discussion. The City Manager and Financial Services Director lead the presentation and department directors are available to discuss any specific budget items within the purview.

BASIS OF ACCOUNTING & BUDGETING

The City budgets on a modified accrual basis for all funds except for its enterprise and internal service funds, which are budgeted on a full accrual basis. This is consistent with the city's basis of accounting as reported in its Comprehensive Annual Financial Report or "CAFR." The city's Governmental Funds consist of:

- The General Fund
- Special revenue funds
- Debt service funds
- Capital project funds

Each fund is prepared on a modified accrual basis where revenues are recognized when they become measurable and available, and expenditures are recorded when the related liability is incurred; except that principal and interest payments on general long-term debt are recognized when due. Revenue availability criteria are defined as collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period (i.e., 60 days after fiscal year-end).

Budgets for proprietary funds (Internal Service Funds and Enterprise Funds) are prepared on a full accrual basis where revenues are recognized when earned, and expenses are recognized when they are incurred.

LEVEL OF BUDGETARY CONTROL

In the spring of every year, City personnel prepare a proposed budget and present it to the Council for consideration. The proposed budget along with all the supporting schedules are made available for public inspection in the office of the Financial Services Director. For the FY 2020/21 budget, the Council held a budget review session on June 3, 2020 to receive public comment and ascertain the facts regarding the proposed budget.

The City Council will be presented with the proposed budget on June 11, 2020 with the following six stipulations:

1. Transfer of appropriated budget authority from one account to another within a department may be done upon approval of the City Manager.
2. Transfer of budget authority between departments of the general fund or between funds will be done by minute order of the City Council if less than \$25,000 and by resolution if greater than \$25,000.
3. Authority is given to the Financial Services Director to adjust the budget for all monies received by the City not included in the budget up to \$5,000 per incident without a budget resolution. A report will be given to the Council on a quarterly basis regarding any such activity.
4. All outstanding encumbrances as of June 30, 2019 approved by the City Manager shall be continued and re-appropriated for expenditure into FY 2019/20.
5. Except as monetary appropriations may be affected by intra-fund transfers within the

general fund or other funds, no appropriations set forth in said budget shall be cancelled in whole or in part except by resolution adopted by a majority vote of all members of the Council.

6. Expenditures made, liabilities incurred, or warrants issued in excess of budget appropriations as originally approved or as thereafter increased or decreased, shall not constitute an obligation or liability of the City. The City Manager and the Council shall approve no claims and the Financial Services Director shall issue no warrants or checks for any expenditure in excess of existing appropriations except upon an order of the court of competent jurisdiction, or in cases of emergency as specified and in accordance with the procedures established in the Government Code of California.

FINANCIAL BUDGET POLICIES

Budgeting

- An annual base budget will be developed by verifying or conservatively projecting revenues and expenditures for the current and forthcoming fiscal year.
- The operating budgets shall be balanced. Ongoing costs shall not exceed current revenues plus available fund balance that exceeds reserve fund requirements.
- Projected revenues will be sufficient to support projected expenditures.
- The City will avoid budgetary procedures which balance the current budget at the expense of future budgets.
- The Financial Services Director will prepare and submit to the City Council a mid-year budget review and analysis.

Accounting & Financial Reporting

- An independent audit will be conducted annually by a certified public accountant.
- Financial reports will be produced in accordance with Generally Accepted Accounting Principles (GAAP) as outlined by the Governmental Accounting Standards Board (GASB).
- The City will maintain a strong system of internal controls.
- The City will maintain a written investment and portfolio policy that establishes parameters for determining investment placement and the overall management of the City's investment portfolio.

Reserves

- The City will maintain the General Fund Contingency reserves at a level of at least 30% of the general fund operating expenditures in order to protect essential service programs and funding requirements during periods of economic downturn or other unforeseen major costs not covered by the Contingency Reserve.
- The City will establish an account to accumulate funds to be used for payment of accrued employee benefits for terminated employees. The level of this reserve will be established based upon an annual projection of employee retirements.
- Self-insurance reserves will be maintained at a level which will adequately protect the City.

Capital Planning

- The City will develop and annually update a long-term Capital Improvement Plan (CIP) for the purpose of planning, scheduling, and financing capital projects as determined and approved by the City Council.
- The CIP will be a five-year plan and will include major on-going maintenance and rehabilitation costs to existing capital assets (land, land improvements, infrastructure, and equipment), as well as the costs of new facilities and improvements.
- The City will maintain its capital assets at a level adequate to protect the City's capital

investment and to minimize future maintenance and orderly replacement of capital assets from current revenues where possible.

- The CIP budget will realistically assess potential future revenues and avoid commitments for projects that lack economic feasibility.

Revenue

- The City will estimate its annual revenues by an objective, analytical process utilizing trend, judgmental, and statistical analysis as appropriate.
- The City will attempt to maintain a diversified and stable revenue base to minimize the effects of economic fluctuations on revenue generation.
- The user fees and charges for each Enterprise Fund will be set to fully support the total direct and indirect costs of the activity. Indirect costs include the cost of annual depreciation of capital assets and overhead charges.
- Internal Service Funds are to be funded at appropriate levels to ensure their ability to provide services adequately.
- Development Impact Fees will be established to provide for the cost of infrastructure improvements from new growth instead of being a burden to existing tax payers.

Debt Management

- The City will not use long-term debt financing for any recurring purpose such as current operating and maintenance expenditures.

- The City will consider the issuance of long-term debt to purchase or construct capital assets that will serve as long-term community assets. Prior to entering into a long-term financing arrangement, an internal analysis will be conducted to determine the impact on current and future budgets for debt service and operations. This analysis will address the reliability of revenues to support the debt service.

EMPLOYEE SALARY & BENEFITS

Employee Salary & Benefits Summary	
<p>The City has four recognized bargaining units that represent all full-time employees except Management. They include:</p> <ul style="list-style-type: none"> ▪ Madera Affiliated City Employees' Association ▪ Mid Management Employee Group ▪ Madera Police Officers' Association; and ▪ Law Enforcement Mid Management Employee Group. <p>Management and part-time employees are unrepresented.</p> <p>When proposing and negotiating modifications to either salary or benefits, the City's pay philosophy is to focus on total compensation. Below represents a summary of the normal benefits offered by the City in addition to base pay. Individual bargaining units may have additional pay incentives or benefits negotiated for their members; bargaining unit agreements can be found on the City's website.</p>	
Benefit	Summary Description
Retirement	
Retirement: Defined Benefit	<p>The City participates in the California Public Employees' Retirement System, commonly known as CalPERS. The benefit received in retirement depends on the employee's age at retirement, years of service, applicable pay, and benefit factor. The City does not participate in Social Security. The benefit is funded by both Employer and Employee contributions. The City participates in the following benefit formulas, with placement in the formula defined by hire date with the City:</p> <p><u>Miscellaneous Employees</u></p> <ul style="list-style-type: none"> ▪ Classic: 2.5% @ 55, highest single year ▪ Classic Tier I: 2% @ 60, average 3-year final compensation ▪ PEPRA: 2% @ 62, average 3-year final compensation <p><u>Sworn Employees</u></p> <ul style="list-style-type: none"> ▪ Classic: 3% @ 50, highest single year ▪ Classic Tier I: 3% @ 55, average 3-year final compensation ▪ PEPRA: 2.7% @ 57, average 3-year final compensation
Retirement: Supplemental	<p>The City offers a choice between two 457 Deferred Compensation plans for full-time employees. For all full-time employees except Sworn Law Enforcement and Management, the City contributes an amount equal to 4.2% of base pay into the plan. No matching contribution from employees is required. Employees may elect to contribute their own funds up to the IRS defined annual maximum on a pre-tax basis. Monies may be withdrawn while still employed through either an emergency withdrawal or as a loan that must be repaid. Emergency withdrawal provisions are governed by IRS rules. Individuals have full access to funds after separation of service from the City.</p>

Retirement: Part Time	Part-time employees receive either the CalPERS benefits defined above or participate in a Social Security replacement plan administered by Empower Retirement depending on the number of hours worked annually. Any employee who works 1,000 or more hours in a fiscal year qualifies for CalPERS, regardless of part-time or full-time status.
Health & Welfare Benefits	
Health, Dental, & Vision Insurance	<p>The City offers a fully insured employer-sponsored health plan for full-time employees and their dependents. The City contributes up to \$1,832.75/month for family coverage. Employees may waive coverage with proof of other coverage and receive a monthly waiver benefit of \$300. The City's current benefit providers are:</p> <ul style="list-style-type: none"> ▪ Medical: The City's plan includes a primary and secondary payor. ▪ Primary: Blue Shield of California ▪ Secondary: Administrative Solutions, Inc. (self-funded layer) ▪ Telemedicine: Teledoc ▪ Dental: Ameritas ▪ Vision: Superior <p>Premiums are paid by employees pre-tax under a Section 125 Cafeteria Benefits Plan.</p>
Flexible Spending Accounts	The City offers both child care and medical expense Flexible Spending Accounts under its Section 125 Cafeteria Benefits Plan. Employees may choose to contribute up to \$1,000 per year on a pre-tax basis for reimbursable medical expenses or up to \$5,000 per year on a pre-tax basis for reimbursable childcare expenses.
Group Life	The City provides group life insurance coverage for full-time employees and dependents. Employees may purchase additional term life through the program.
Disability	The City provides a long-term disability policy for situations requiring the employee to be absent from work due to disability more than 90 days. The policy provides up to 2/3 income replacement. The City does not participate in the California State Disability program; Madera Affiliated City Employees' Association participates at their own expense.
Employee Assistance Program	The City offers an Employee Assistance Program through Halcyon Behavioral that provides free counseling services to employees and their household. The program also has free online resources to help with work-life balance and management. In addition to these services, the plan also includes wellness benefits for employees and emotional fitness coaching resources.
Supplemental Insurance	The City offers additional accident, disability, universal life and similar policies employees may choose to participate in at their own expense.
Paid Leave Benefits	

Vacation	All full-time employees accrue paid vacation based on years of service with the City. Unused vacation is fully vested to the employee and is paid out as compensation upon separation from the City. Vacation balance caps vary by bargaining unit.
Sick	All full-time employees accrue paid sick leave at the rate of 12 days per year. A percentage of sick leave is available for cash-out upon positive separation based on years of service with the City. All part-time employees accrue paid sick leave at the rate of 1 hour for every 30 hours worked.
Family Sick	Both full and part-time employees may use sick leave to care for a family member. The number of hours varies by bargaining unit.
Holidays	The City recognizes 11 full day and 2 half day paid holidays each year. Additionally, some employees are eligible for floating holiday time based on years of service with the City, depending on their bargaining unit. Because of the nature of their job, employees represented by the Madera Police Officers' Association accrue holiday leave similar to vacation.
Administrative Leave	Positions exempt from overtime under the Fair Labor Standards Act receive 40 hours per year of Administrative Leave. This leave must be used each fiscal year, or it is lost; unused hours are not carried forward.
Compensatory Time Off	Positions eligible for overtime have the option to accrue Compensatory Time Off in lieu of pay. For each hour of overtime worked, the employee may elect to accrue 1.5 hours of leave.
Additional Benefits	
Flexible Work Schedules	Depending on bargaining unit, employees may request to work alternative schedules to assist in work/life balance. This potentially includes both 9/80 and 4/10 options.
Bilingual Pay	Full-time employees may be eligible for bilingual English-Spanish incentive pay after successfully completing a skills exam.
Education/Certificate Incentive Pay	All four of the City's recognized bargaining units provide some type of education and certificate incentive pay. These benefits are in addition to base pay.
Education Reimbursement	All four of the City's recognized bargaining units have provisions in their agreements for reimbursement of education expenses. Currently employees may request reimbursement of up to \$2,400 per fiscal year for pursuing a college degree.
Holiday Closure	For employees represented by the Madera Affiliated City Employees' Association and the Mid Management Employee Group, the City closes non-safety functions and services between Christmas Day and New Year's Day.

GENERAL FUND OPERATING BUDGET

The FY 2020/21 General Fund Operating Budget totals \$36,222,549 while the proposed operating expenditures are \$36,235,222. The projected deficit of \$12,673 is anticipated to be covered by either surplus revenue or budget adjustments during the fiscal year.

The FY 2020/21 Measure K Fund is balanced with proposed operating revenues of \$4,515,000 and proposed operating expenditures of \$4,993,873. The Police Department budget includes use of the existing fund balance in the amount of \$221,699 to be used primarily for capital outlay expenditures. The Fire Department budget includes use of existing fund balance in the amount \$257,174. The Fire Station 58 was completed in May 2020, and the bond proceeds were spent, as well as fund balance accumulated in previous years.

MAJOR REVENUE SOURCES

Revenues provide a representative picture of the local economy. These revenues are of particular interest as they fund basic city services, such as Police, Fire, Parks, some professional staff, etc. The following is a synopsis of revenue sources.

Sales & Use Tax

Sales tax is one of the City's largest sources of revenue for the General Fund. Sales Tax revenues generally move in step with economic conditions and have improved markedly over the past years. A small portion of the sales tax collected is shared with Madera County as part of a tax sharing agreement. The sales tax rate in Madera County is 8.25%. The City receives 1.5% of the Sales Tax collected. Included in the 1.5% is the .5% Measure K sales tax approved by the residents of the City. This .5% sales tax is used for public safety enhancements and is recorded in a separate fund within the General Fund.

Due to the COVID-19 pandemic, it is anticipated that sales tax revenue will decrease, or remain stagnant at best.

Property Tax In-Lieu of Vehicle License Fees (VLF)

This revenue source reflects the "VLF Swap" made in 2005 under which the State significantly reduced VLF payments (and ultimately eliminated them) but backfilled ("swapped") them in an equal amount for an increased share of property roll taxes. As such, this is another form of property tax where the "base" is determined on the amount

"swapped" in 2005 plus growth in assessed valuation like the City's "regular" property taxes.

Current Secured Property Tax

The City's property tax revenues are based on assessed property values. Proposition 13, adopted in 1978, limits the annual increase in assessed values for property. Under this proposition, assessed values (and the related property tax) can grow by no more than two percent per year. The value upon which the tax is based is only increased to the full market value upon the sale of a property. Thus, property taxes tend to grow slowly unless there is a significant amount of housing activity.

Property Tax collections are much less predictable than Property Tax In-Lieu of VLF, as the second installments vary considerably from the first installment.

Engineering Fees, Projects and Transfers In

Interfund Charges/Project Management makes up approximately half of the Engineering Division's revenue budget. The Engineering Department charges other departments for personnel costs related to the management of certain capital projects.

Interfund Charges (Administration and Overhead)

Certain administration and overhead costs can be allocated to departments that are served by such administrative departments as the City Clerk, City Council, City Attorney, City Manager,

Human Resources, and Finance Departments. The City recaptures these costs from non-General Fund departments in amounts that are based on various factors such as number of employees, number of agenda items, budget amounts, and square footage. The City employs formulas provided by Cost Tree, an independent company, to determine universally accepted methods. Charges are recorded by way of monthly recurring journal entries.

Police Fees, Grants and Contracts

The Police Department within fund 1020 charges various fees and penalties per the Master Fee and Master Penalty Schedule, utilizes various grants to purchase equipment and supplement staff time, and has agreements with outside entities to provide police services (such as the Madera Unified School District) and receives payment for these services.

Development-related revenues

Development-related revenues are derived from fees for planning, engineering and building permits, and fees paid by developers to cover the cost of reviewing and monitoring development activities, such as plan checks and inspections. These revenues are difficult to predict, as many of the planning and engineering activities occur months or years before any actual development.

Transient Occupancy Tax

The City collects Transient Occupancy Tax (TOT) from all hotels, motels, and inns within the City limits. The City imposes a Transient Occupancy Tax of 9% on room rates for stays of 30 days or less. The tax was last raised in 1986, from 7% to 9%.

Business License Tax

A Business License Tax is a tax imposed on businesses for the privilege of conducting business in the City. The bulk of this tax is collected and recorded in July when business licenses are renewed.

Franchise Tax

Franchise Fees are funds paid to the City from utility companies for use of public streets or right-of-way, such as cable and electric services.

CITY COUNCIL

City Council Summary

The City Council (Council) consists of seven members and is the governing body elected directly by the residents of Madera. The Mayor is elected at large and there are six Council Districts.

As the legislative branch of our local government, the Council makes final decisions on all major City matters and sets citywide priorities and policies. The Council directs the City Manager to implement these priorities and policies.

The Council adopts ordinances and resolutions necessary for efficient governmental operations, approves the budget, and acts as a board of appeals. It appoints also members of the City's advisory boards, commissions, and committees.

The Council is responsible for the scope, direction, and financing of City services; establishing policy based on information provided by staff, advisory boards and commissions, and the public; and implementing policy through staff under the Council-Manager form of government.

The terms of the Mayor and Council members are four years, and the General Municipal Election is held in even-numbered years on the first Tuesday after the first Monday in November.

Responsibility

The mission of the Council is to adopt legislation and provide direction to the administration of the City and to promote the best interests of the community locally and with other governmental agencies.

The Council is elected by the public to serve as the governing body and policy makers of the City.

The City Clerk oversees the Council budget as it relates to expenses associated with the conduct of Council meetings, and other miscellaneous expenses for participation in various community events and functions, and travel and training for professional development as elected officials.

In addition to Council meetings, Council members hold special local and regional committee assignments, meet frequently with residents and business owners, as well as City staff to discuss issues and projects, and regularly attend a variety of community events.

The Council hires the City Manager, the City Clerk, and the City Attorney.

The City Manager oversees the hiring and management of the rest of the staff. It is the Council's responsibility to enact policy and the

City Manager's job to implement the Council's policies and approaches, many of which are expressed in the annual budget.

Objectives

While the objectives of the Council are many, the following reflect some key items:

- Provide legislative policy directives for City programs and services
- Represent the interests of Madera residents at all levels of governments
- Approve programs for the City's physical, cultural, and socio-economic development
- Encourage cooperation among community leaders, civic organizations, and residents
- Work to maintain high-quality City programs and services
- Actively participate in State and federal legislative processes
- Work closely with other local governments and the League of California Cities to focus on issues that press local governments
- Continue to concentrate on communication and cooperative efforts with City residents

Department Fund Summary

The Council is fully funded by the General Fund and does not anticipate generating any revenue in FY 2020/21.

The proposed budget includes the following expenses:

- \$4,500 for the New Mayor's and Council Members' Academy and the Mayor's and

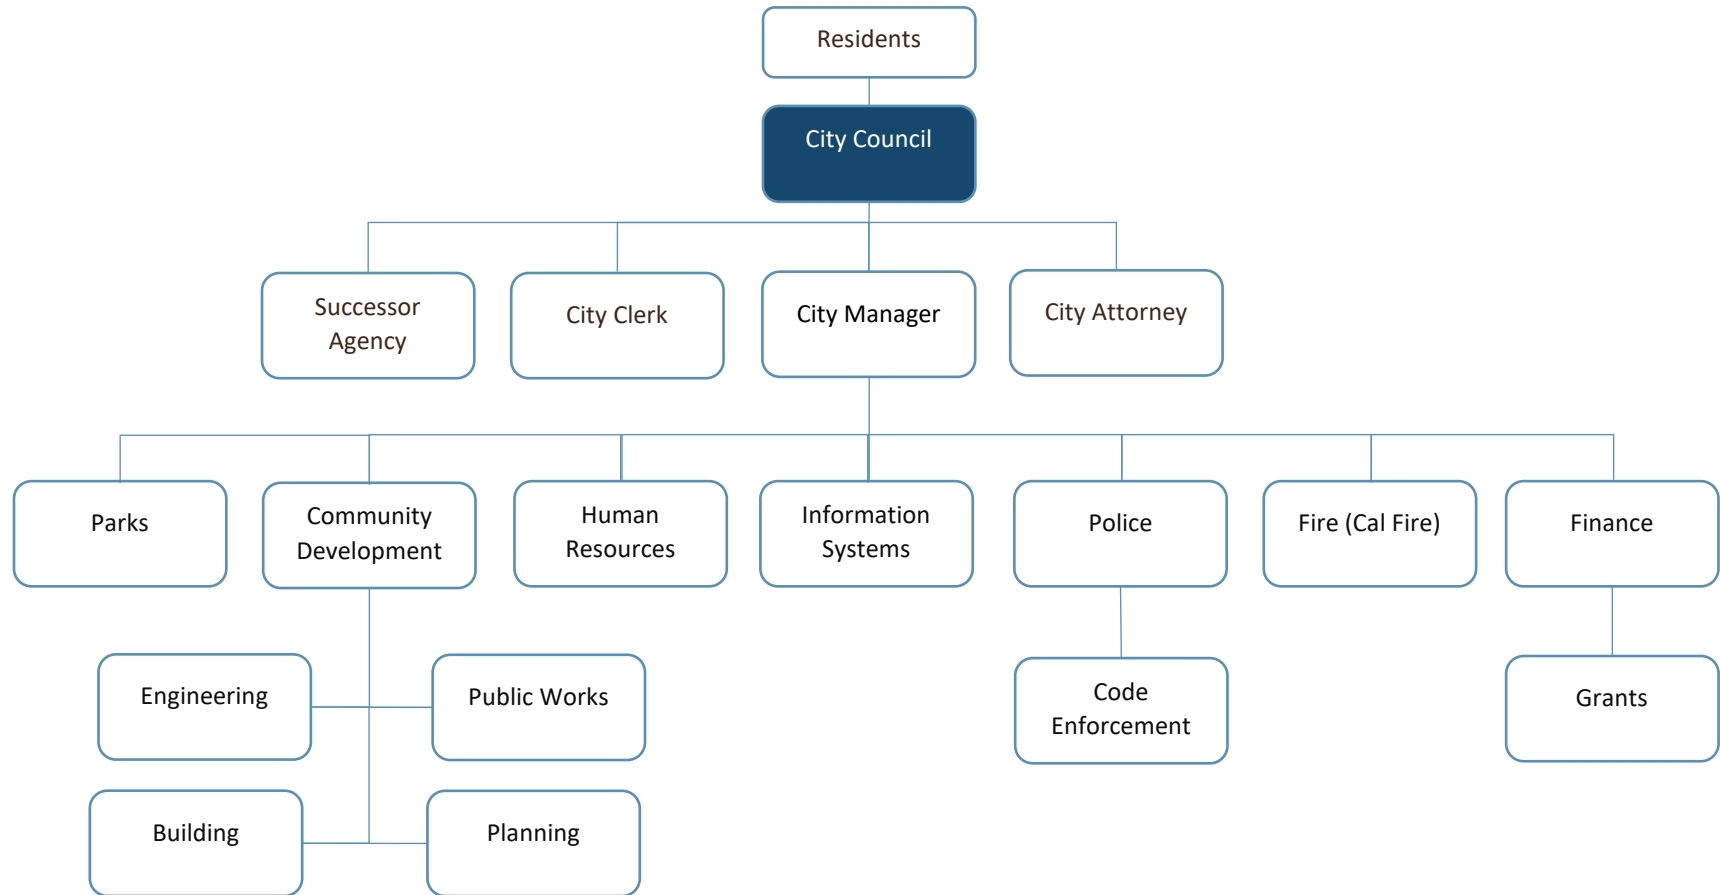

Council Members' Executive Forum. Should Councilmembers elect not to attend, said funds will be reallocated to the General Fund.

- Note that this represents a decrease from FY 2019/20 due to the COVID-19 pandemic which has resulted in trainings being modified from in-person to webinar-based programming.
- \$800 per Council member, for a total of \$5,600 for expenses related to travel, meetings, etc.

Department Staffing & Structure

The Council is elected by district sans the Mayor which is elected at large. The Council also appoints members to the City's eight Boards and Committees.

CITY CLERK

Department Summary

The City Clerk's Office serves as a vital link between city government and those it serves, providing access to public records, publishing Council agendas, preparing minutes and serving as the City's election official.

The purpose of the City Clerk's Office is to provide prompt, high-quality public service by connecting the public with the legislative process; ensure the City's legislative processes are open and transparent including friendly customer service; facilitate the preservation of Madera's legislative history, including

approved action minutes; coordination of public records requests, claims against the city, applications for boards and commissions and update and maintain city ordinances and the municipal code; provide access to legislative meeting information and coordinate Statements of Economic Interest as well as campaign and other financial disclosure related filings.

The statutes of the State of California prescribe the basic functions and duties of the City Clerk, and the Government Code provides precise and specific responsibilities and procedures to follow.

The City Clerk's office is a service department with the municipal government upon which the Council, all city departments, and the public rely for information regarding the operations and legislative history of the city.

Responsibility

The City Clerk's Office provides a wide range of public services including:

- Archiving all official city records; preserving a complete and accurate record of Council meetings
- Processing of public records requests
- Supporting the Council, city staff, and public by providing copies of agendas and associated reports
- Coordinating Council meetings, agenda items, packets, and minutes for regular and special meetings
- Posting and publishing legal notices, scheduling public hearings
- Transcribing meeting minutes
- Recording of ordinances and resolutions
- Engaging in boards and commissions, elections, and records management recruitments
- Providing information pertaining to the Brown Act, the Political Reform Act, and the Public Records Act

As the custodian of records, the City Clerk's office is responsible for the management of the City's official records including:

- Agendas
- Meeting minutes

- Resolutions
- Ordinances
- Agreements

The City Clerk also serves as the filing official for the Fair Political Practices Commission for Statement of Economic Interest filings (form 700); and serves as a liaison between the community and City Council regarding the City's business and community events.

The City Clerk is also responsible for maintaining the City's Municipal Code to date and the Boards and Commissions Appointive List.

Key Accomplishments

Overview of accomplishments in FY 2019/20:

- Overhauled the agenda making it more user-friendly
- Prepared and published 25 Council agenda packets
- Prepared and published 11 Special City Council agenda packets
- Coordinated over 200 Responses to Public Records Act requests
- Adhered to statutory requirements related to open meeting law and agenda preparation
- Coordinated FPPC filings for 87 filers and designated positions

Goals & Performance Measures

- Records management - develop schedule for filing backlog

- Develop citywide records retention schedule
- Continue to provide quality customer service to internal and external customers
- Stay informed on changes to state laws that have the potential to affect operations
- Ensure Council and City Clerk website pages are current
- Follow-up on implementation of Tyler Content Manager Module (TCM)
- Track public record requests and respond in accordance with the Public Records Act
- Acknowledge and/or respond to requests within two business days
- Ensure records are stored electronically using TCM

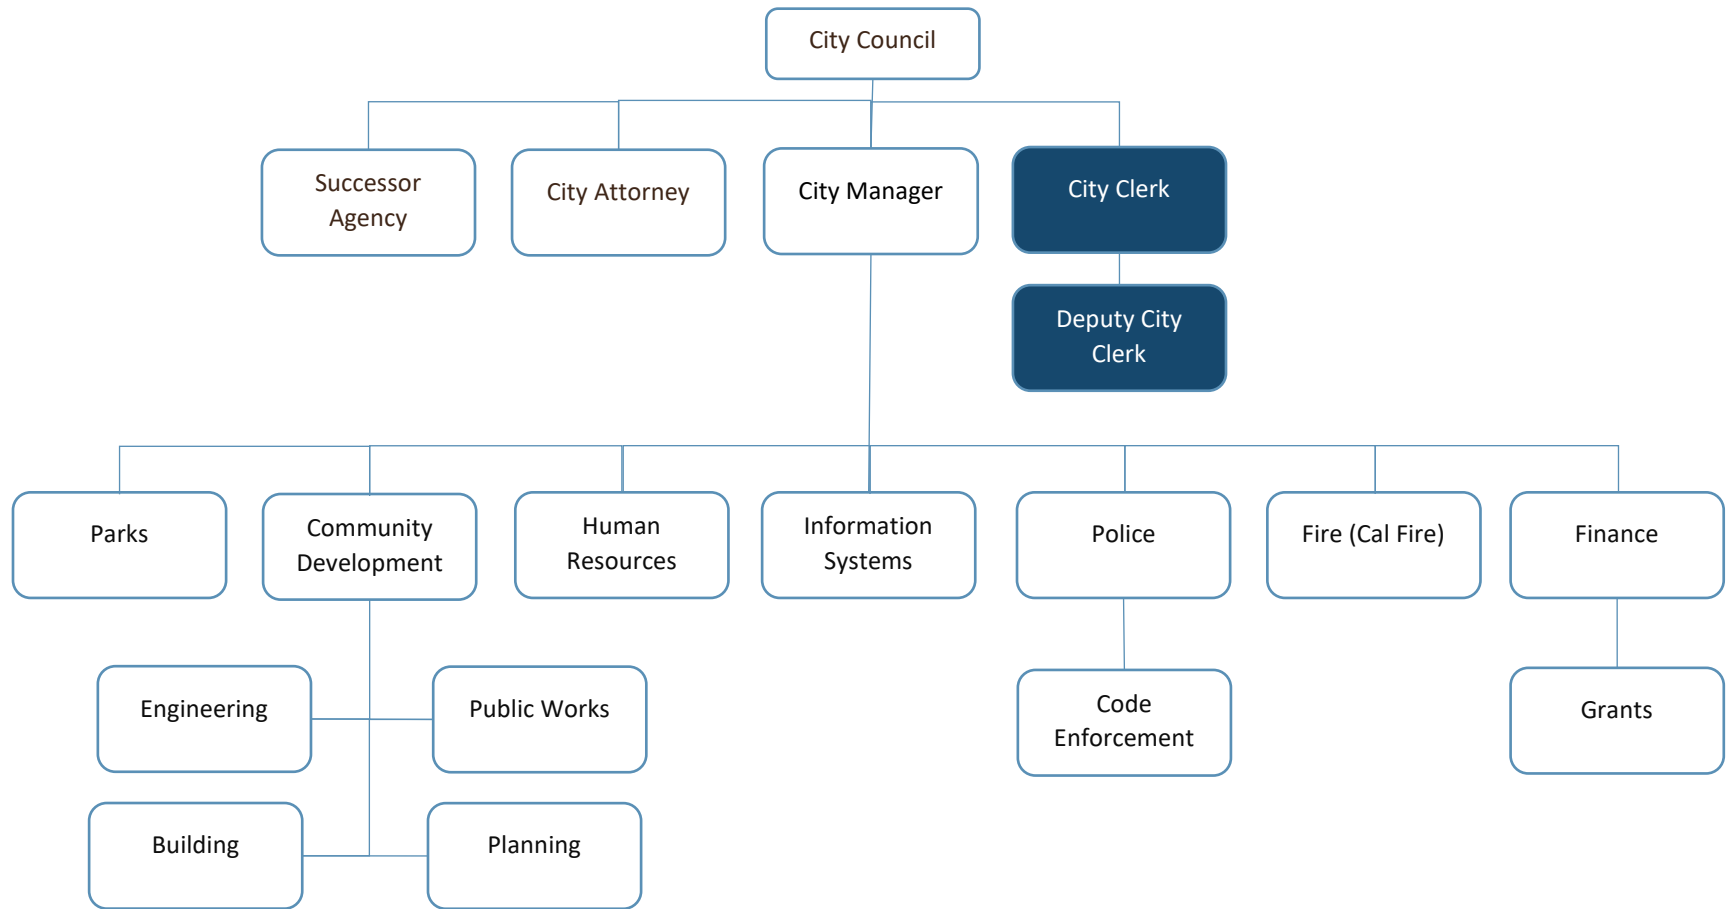

Department Fund Summary

The City Clerk department budget provides for two full-time personnel to carry out the primary functions of the department. The department is fully funded by the General Fund and does not anticipate generating any revenue in FY 2020/21.

Department Staffing & Structure

The City Clerk reports directly to the Council and is supported by the Deputy City Clerk. The City Clerk's Office has two full-time employees and no changes are proposed from FY 2019/20.

CITY MANAGER

Department Summary

The City Manager's Office is dedicated to continuous improvement that fosters the well-being of a high performing organization that delivers impactful results to further the public good.

The city operates under a Council-Manager form of government. The elected seven-member City Council appoints the City Manager to provide executive leadership and oversee the day-to-day business of the city government.

The mission of the City Manager is to provide leadership and direction in the implementation of Council policy objectives and administration of city services and programs, ensuring accountability, community responsiveness, and customer service excellence. The City Manager's Office provides leadership and professional management to the city government organization and works with the Council to develop and implement its policies to maintain and enhance Madera's quality of life. The City Manager's Office adheres to guiding values that emphasize community, stewardship, and public service.

Responsibility

Provides the organizational support and leadership necessary to:

- Implement City Council programs and policies to meet current and future needs
- Ensure city operations demonstrate transparency and fiduciary responsibility to the public
- Build a strong service culture
- Maintain a healthy relationship with employees
- Provide ongoing, informative communications to City Council and city employees regarding key objectives, challenges, and accomplishments
- Provide clear and concise information to the community
- Provide the community with live and recorded access to various public meetings, community forums, local events, public service announcements, social media, etc.
- Foster a positive relationship with a variety of media outlets by releasing notable updates and information promptly and accurately through press releases and media advisories

Key Accomplishments

- Transitioned essential leadership and staff positions to ensure the execution of key City Council priorities
- Successfully partnered with the Downtown Business Association to continue

implementation of the Crow Abatement Program

- Updated the annual budget process to provide greater opportunity for staff and Council feedback
- Implemented new measures to provide greater clarity relative to city financing, including Measure K
- Played an instrumental role in the successful negotiations of six labor group contracts
- Managed the city's state and federal legislative program to advance City Council and city department goals
- Acted on recommendation from the Madera County Grand Jury to create a Code of Conduct for the Council, Board, and Commission Members
- Conducted a governance workshop to discuss the role of City Council and its role and responsibilities
- Acted swiftly in adopting an urgency ordinance protecting tenants against no-fault evictions for residential real property
- Approved conveyance for financing submitted by Habitat for Humanity
- Initiated work to assess and ultimately prepare a cannabis related ordinance; having identified a premier industry-leading cannabis consultant and executing an agreement

Played an instrumental role in:

- Collaborating with the Madera Unified School District, the City of Chowchilla, and

- Madera County to provide a response to the High-Speed Rail Authority
- Purchasing of property for the ultimate expansion of Fire Station 56
- Securing \$19.2M in funding for energy upgrades
- Selling four City owned parcels for private development in Freedom Industrial Park
- Refinancing water bonds resulting in approximately \$170k in annual savings to the water fund
- Recalibrated efforts to ensure internal and external communication with Council,

employees, and public was consistent, professional and effective

- Redefined and rebranded the City's monthly utility bill newsletter "MaderaProud #Moments" with renewed focus on original content that highlights city operations, community, and civic pride
- Launched new City of Madera branding assets, including an updated seal and logo
- Designed new layout for Madera City Fire's 2019 Annual Review
- Worked in collaboration with community stakeholders, business owners, and residents to allow for the swift creation of a new parade route in recognition of Madera High School's "MadTown Robotics" team after they secured a world championship title in Houston, Texas

In response to the COVID-19:

- Adopted a Resolution proclaiming a Local Emergency, at an earlier timeframe than other jurisdictions
- Adopted an Urgency Ordinance prohibiting residential and commercial tenant evictions related to the novel coronavirus pandemic
- Supported H.R. 6467, aimed at the need to have direct aid from the federal government to local governments with population of less than 500,000
- Strived to provide regular communication to City Council and staff, as information and guidance was released by local and State officials
- Proactively and effectively led the City's response to the COVID-19 pandemic by

modifying work assignments, access to public facilities, work schedules, etc.

Goals & Performance Measures

- Continue to meet the City's mission statement to deliver quality public services with integrity, courage, compassion, and competence to the diverse community
- Continue to support the City Council, the priority setting process, and regular, special, and committee meetings
- Grow the community engagement and transparency efforts to foster authentic civic engagement with residents, organizations and businesses
- Continue to provide leadership and professional management to the city government organization
- Provide timely, accurate, and results-oriented financial and operational reports
- Lead the City's management team to ensure the provision of high-quality, cost-effective, and customer-focused services
- Advance Council priority projects while promoting the high-performance organization initiatives
- Assist in the negotiations with employee associations and labor unions to maintain positive management-labor relations
- Shape the organizational culture to ensure a high performing workforce operating in a rewarding environment, making the City an employer of choice in the region
- Research and implement best practices related to government services and innovation

- Continue to support the Council and departments with Federal and State legislative priorities and goals

Department Fund Summary

The City Manager is responsible for three distinct budgets. They include:

- City Manager's Office
- Central Administration
- Community Promotion

The following is a summary of each:

City Manager's Office

The City Manager's Office budget provides for three full-time personnel to carry out the primary functions of the department. These include the City Manager, an Administrative Analyst, and the Communications Specialist.

The City Manager's Office budget proposes the recruitment of a vacant Administrative Analyst position. While the City Council previously approved the position, a budget appropriation was not prepared or approved by the Council.

Central Administration

The Central Administration budget is used to track services provided internally to the organization.

Community Promotion

The Community Promotion budget includes payment to organizations outside of the city. For example, the City contributes towards the Local Agency Formation Commission, the Economic Development Commission, League of California Cities, crowd abatement for

downtown, recognition of community events/people, etc.

Department Staffing & Structure

The City Manager is one of three appointed positions. The City Manager reports directly to the City Council.

FINANCE DEPARTMENT

Department Summary

As a steward of the city's assets and liabilities, the Finance Department sets and implements a strategic financial management plan and provides information in an effective and timely manner, ensuring the City makes sound financial decisions.

The department takes pride in accomplishing this mission by maintaining individual and departmental credibility; working together as a team; and consistently striving to go above and beyond expectations.

As a full-service finance operation, the department is responsible for accounting

procedures and policies, accounts payable and receivable, budget preparation and administration, annual independent audit preparation and financial statement review, debt issuance and administration, revenue collection, including water, wastewater, solid waste, drainage and street sweeping bills, payroll, business license taxes, parking citations, purchasing, and fleet management.

Responsibility

The Finance Department provides the organizational support and leadership necessary to:

- Deliver superior service to internal and external customers in a fiscally responsible manner
 - Ensure that purchases strictly comply with city purchasing policies
 - Continue to audit internal operations, as well as external vendors and customers
 - Prepare and maintain balanced annual operating and CIP budgets that meet the Government Finance Officers of America (GFOA) program guidelines
 - Anticipate potential budget impacts from changing economic conditions, state budget impacts to Madera, impacts from state and federal legislation to the city, and recommend and implement measures to mitigate those impacts
 - Administer quarterly budget monitoring meetings with city departments
 - Maintain a balanced operating budget for all governmental funds
 - Monitor all proprietary funds to ensure they remain self-supporting, maintaining appropriate reserves, and complying with all bond covenants
 - Provide reliable, cost-effective fleet management
 - Maintain critical records related to fleet asset inventory and work order history through management of the fleet maintenance database
 - Completed the 2018/2019 Annual Financial Audit
 - Completed the 2018/2019 Comprehensive Annual Financial Report (CAFR)
 - Provided various financial reports to the Council
 - Made great strides in moving from the MIAS to Munis software system for budget tracking and preparation
 - Provided staff training on the effectiveness of the Munis system
- Fleet:*
- Clean-up shop
 - Purchased new lift
 - Set up CNG fueling at school district which helps with cost savings
 - Purchased seven new transit buses and put them into service
 - Obtained the certified automotive fleet manager certification
- Utility Billings:*
- Updated municipal code to comply with State Law
 - Continued to provide services during COVID-19 pandemic
 - Automatic extension of business license during pandemic

Key Accomplishments

Overview of accomplishments in FY 2019/20:

Finance:

Goals & Performance Measures

Finance:

- Provide timely, accurate, and result-oriented financial and operational reports
- Monitor City's general fund budget every 90 days to evaluate changes in revenue levels compared to expenditure commitments
- Provide financial update reports to City Council, city staff, and the public in a timely manner
- Reassess the City's general fund reserve
- Continue a business license compliance audit and discovery effort to ensure a level playing field
- Review opportunities for refunding city debt to maximize debt service savings
- Identify ways to streamline purchasing/contracting by creating template agreements for citywide use, providing training, and reviewing the city's purchasing policies to ensure that the city's purchasing policies reflect contemporary practices
- Maintain and repair the city's general vehicle fleet and related equipment and administer the vehicle replacement account
- Perform review of underutilized vehicles annually and remove vehicles from fleet that do not meet the minimum usage requirements
- Complete the 2019/2020 Annual Financial Audit timely

- Complete the 2019/2020 Comprehensive Annual Financial Report (CAFR) timely and submit it to the GFOA for recognition

Fleet:

- Implement Work Order system
- Hire and train new mechanic
- Continue to upgrade the off-road equipment and be in compliance with California Air Resource Board (CARB)
- Continuous improvements at the shop including cost reduction
- Dispose old paint booth

Department Fund Summary

The Finance Department is responsible for the following areas:

- Budget
- Accounting
- Utility Billing
- Purchasing
- Fleet
- Grants

The following is a summary of each:

Budget

Budget includes the preparation, development, and publication of the Annual Adopted Budget as well as the Quarterly Financial Reports. This may also include budget amendments, including the carry-forward of approved budgets for unspent encumbrances and capital improvement projects (CIPs), throughout the year. The finance team works with all city departments to ensure that actual

spending does not exceed City Council-approved budget appropriations.

Accounting

The Finance Department is also responsible for the development, implementation, and maintenance of effective financial accounting systems and internal controls. The department provides for management control over the city's financial activity by ensuring the ability to present a fairly stated financial position of the city in a timely basis. The accounting staff is responsible for managing the revenue operations of the city and monitoring the city's debt and investment portfolio. It is also responsible for the city's billed receivables, including the collection of citywide delinquent accounts.

The department is responsible for the timely calculation and payment of payroll, payments to vendors, PERS administration and reporting, and retiree health administration and payment.

Utility Billing

The Utility Billing division is responsible for the billing and collection of utility services to the city residents for water, wastewater, drainage, street sweeping, and refuse service. Services include the processing of new service, transfers, payments, delinquency cutoffs, and meter reading. While the city utilizes Mid-Valley Disposal (MVD) for refuse collection, the city collects payments and distributes funds to the private hauler.

Utility Billing salaries and benefits are paid by the water, wastewater, and refuse service enterprise funds per the following:

- Water Fund: 50 percent

- Wastewater Fund: 25 percent
- Refuse Collection Fund: 25 percent

Purchasing

The Purchasing Division manages Central Supply which is responsible for warehousing and prepares Request for Proposals.

Fleet

The Fleet Division manages the purchasing and maintenance of city's vehicles including police cars, construction equipment and other Public Works vehicles. Maintaining these assets in safe, optimal condition not only helps ensure public and worker safety, it reduces overall repair expenses and long-term replacement costs.

The Fleet Maintenance program funds labor, parts, services, and lubricants necessary to maintain the City's fleet of vehicles. This program funds asset replacement and vehicle outfitting. Cost-effective vehicle procurement is achieved through cooperative purchasing agreements and bidding processes. Fleet assets enable client departments to achieve their operational mission in a safe, efficient manner. The Fleet Vehicle Replacement program is funded through a replacement charge for each vehicle or piece of equipment in service, based on the actual costs of vehicle procurement divided by the expected life of the vehicle. Additional revenue is collected from the sale of retired city fleet assets at auction.

The Motor Pool is a fairly new program within Fleet that serves to utilize vehicles more effectively and reduces the need to keep more vehicles on hand than necessary. Employees that only drive city vehicles occasionally can

reserve motor pool vehicles prior to the need or can check out a car on a walk-up basis. This program allows multiple departments to share the cost of a few vehicles, rather than having individual departments paying for a vehicle that may be underutilized.

Grants

The Grants Department manages a portfolio of grants and pursues ongoing additional grant resources from federal, state and local government agencies for various City Departments, oversees the City's Transit Division, manages the Community Development Block Grant Program, and oversees the Owner-Occupied Rehabilitation (OOR) Program and the Down-Payment Assistance Program (DAP).

Budget Summary

- Fleet detail pages can be found in the Internal Service Fund section.
 - Utility Billing detail pages can be found in the corresponding Enterprise Fund section.
 - The Grant Department detail pages can be found as the last section of the Special Revenue Funds Group under its own heading.

HUMAN RESOURCES

Department Summary

The Human Resources Department provides services to both internal and external customers of the city. Acting as the city's first point of contact for many individuals, the department strives to put customers in contact with the appropriate person or service the first time. The responsibilities of the department serve to support the creation of a high-performance work culture that can carry out the vision for the organization as defined by the City Council and the City Manager.

The Human Resources Department manages personnel, employee relations, and risk management programs. These activities include recruitment, employee benefits, personnel records, labor contract negotiations, classification and compensation, training, insurance/self-insurance, and safety/loss control.

The Human Resources Department administers two separate budgets:

- Human Resources (General Fund 1020)

- Risk Management (Insurance Reserve Fund 1090)

Responsibility

The Human Resources Department focuses on:

- Attracting, recruiting, retaining, and developing qualified individuals committed to serving the City of Madera
- Onboarding
- Employee benefits and workforce planning
- Providing comprehensive risk management programs to ensure a safe workplace
- Ensuring well-rounded employee benefit offerings to aid in employee satisfaction and retention
- Ensuring all city departments and individual employees are supported fairly with the utmost confidentiality
- Providing training opportunities to improve supervisory skills, employee interactions, and workplace safety
- Maintaining open lines of communication throughout all levels of the organization
- Offering support and assistance in administering benefit programs to help employees navigate work and life changes
- Managing risk exposure to the city through the participation in self-insurance programs and the purchase of fully insured products as appropriate, as well as facilitating appropriate risk transfer activities
- Maintaining positive working relationships with representatives of the city's recognized bargaining units

- Ensuring policies and workplace standards are applied in a fair and consistent manner across all city departments

Key Accomplishments

Overview of accomplishments in FY 2019/20:

- Promulgated 31 Civil Service employment lists; onboarded 44 new hires
- Processed and provided ongoing administrative management for 34 tort claims
- Processed and provided ongoing case management for 45 reports of employee on-the-job injuries
- Processed and sought recovery for over 50 property damage/loss events through the filing of either insurance claims or direct billing to the at-fault party
- Developed and implemented a New Employee Onboarding Day to ensure all city employees understand the services the city provides and how their position fits into the big picture of citywide service delivery. Riding a Madera Metro bus, new employees toured City Hall, Fire Station 56, John Wells Youth Center, Wastewater Treatment Plant, Madera Municipal Airport, Police Department, and the City Corporation Yard.
- Secured a pathway for funding through the City's primary insurance provider to design and implement an employee wellness rewards program

Entered into an agreement with a new Employee Assistance Program provider from the local area to provide a better level of service to our employees that includes web-based resources, in-person counseling, telephonic counseling, and wellness coaching by text messaging to meet the needs of individual employees.

- Negotiated a health insurance renewal that reduced the plan's premiums while maintaining the same benefits for employees
- Negotiated rate passes from both dental and vision insurance providers

- Provided a virtual Employee Health & Benefits Fair, putting employees in contact with their service providers
- Facilitated quarterly on-site and virtual visits from retirement service providers to assist employees with planning for their future
- Completed negotiations with all four bargaining units, entering into Memorandums of Understanding (MOUs), including extensions, with all MOUs continuing through June 30, 2021.
- Drafted and implemented policies and benefits to assist employees in light of COVID-19 and its economic effects on individuals and households

- Implemented loan programs from the City's 457 Deferred Compensation Plans, including additional loan provisions authorized by the CARES Act
- Implemented a sick-leave borrow program for those affected by COVID-19
- A one-time vacation cash-out of up to 40 hours was made available to employees
- Implemented Emergency Family Medical Leave Act and Emergency Paid Sick Leave policies in compliance with the CARES Act

- Facilitate opportunities to educate employees on their available benefits and choices. With COVID-19, staff and service providers have found it necessary to get creative to provide quality customer service. HR staff is committing to continuing to ensure that our employees receive the best service from benefit providers that we can facilitate.
- Identify additional ways to communicate with our employees in virtual environments, including implementation of an employee intranet site in coordination with Communications staff.

Goals & Performance Measures

- Continue to support our internal and external customers with positive interactions, providing the correct information and resources at the first interaction
- Implement online employment applications through a self-service portal, taking our application process paperless. Staff has made progress on this goal during 2019-20 and looks forward to bringing it to fruition in the coming months after some final system and workflow polishing.
- Migrate the department's Workers' Compensation, liability and property damage claim tracking software/programs to a single, updated platform. With the approval of a new software provider, staff has begun the data conversion process and looks forward to a consolidated software platform to serve the City's needs.

Department Fund Summary

Human Resources

The Human Resources Department budget captures the operating expenses for the personnel and risk management functions. This includes salaries and benefits for the four departmental staff, as well as operational expenses such as office supplies.

Two members of the department are relatively new on staff and are eligible to be considered for merit increases during the year. These are included in the proposed budget where you will see a slight increase in budgeted full-time salaries over last year. You'll also see a slight increase in the benefit allowance line item; we have some celebratory life events occurring in our department, including a new marriage and a new baby, and those changes are also reflected in the proposed budget.

Staff reviewed the operational expenses for the department, analyzing a three-year

historical trend comparison. In addition, staff took into consideration changes to operating expenses in light of COVID-19. For example, with more staff telecommuting, copy/paper charges have temporarily decreased. After considering all factors, staff is recommending an operating budget that represents an approximate decrease of ten percent over the prior year.

Risk Management

The risk management budget in the Insurance Reserve Fund captures retrospective adjustments from the City's pooled insurance program, the Central San Joaquin Valley Risk Management Authority (CSJVRMA). Every year is different; some years we owe and some years we receive refunds, all depending on our claims experience for the program year being adjusted. The city has experienced several years now of high retrospective adjustments in the workers' compensation program. These have now tapered off as the CSJVRMA Board acted to project claims at a higher confidence level in an effort to prevent large retrospective amounts due.

There is an operating budget within the fund that is used to pay for contracted legal services not provided by the City Attorney, mostly related to employment law items. These items are typically handled by a separate firm because the City Attorney represents the City Council, who is the appeal body for employment matters. Utilizing the same attorney to advise staff on employment matters who will advise the Council on appeal matters can give the appearance of a biased system. There is also a budget line item for citywide harassment training. While the City was previously required to train supervisors

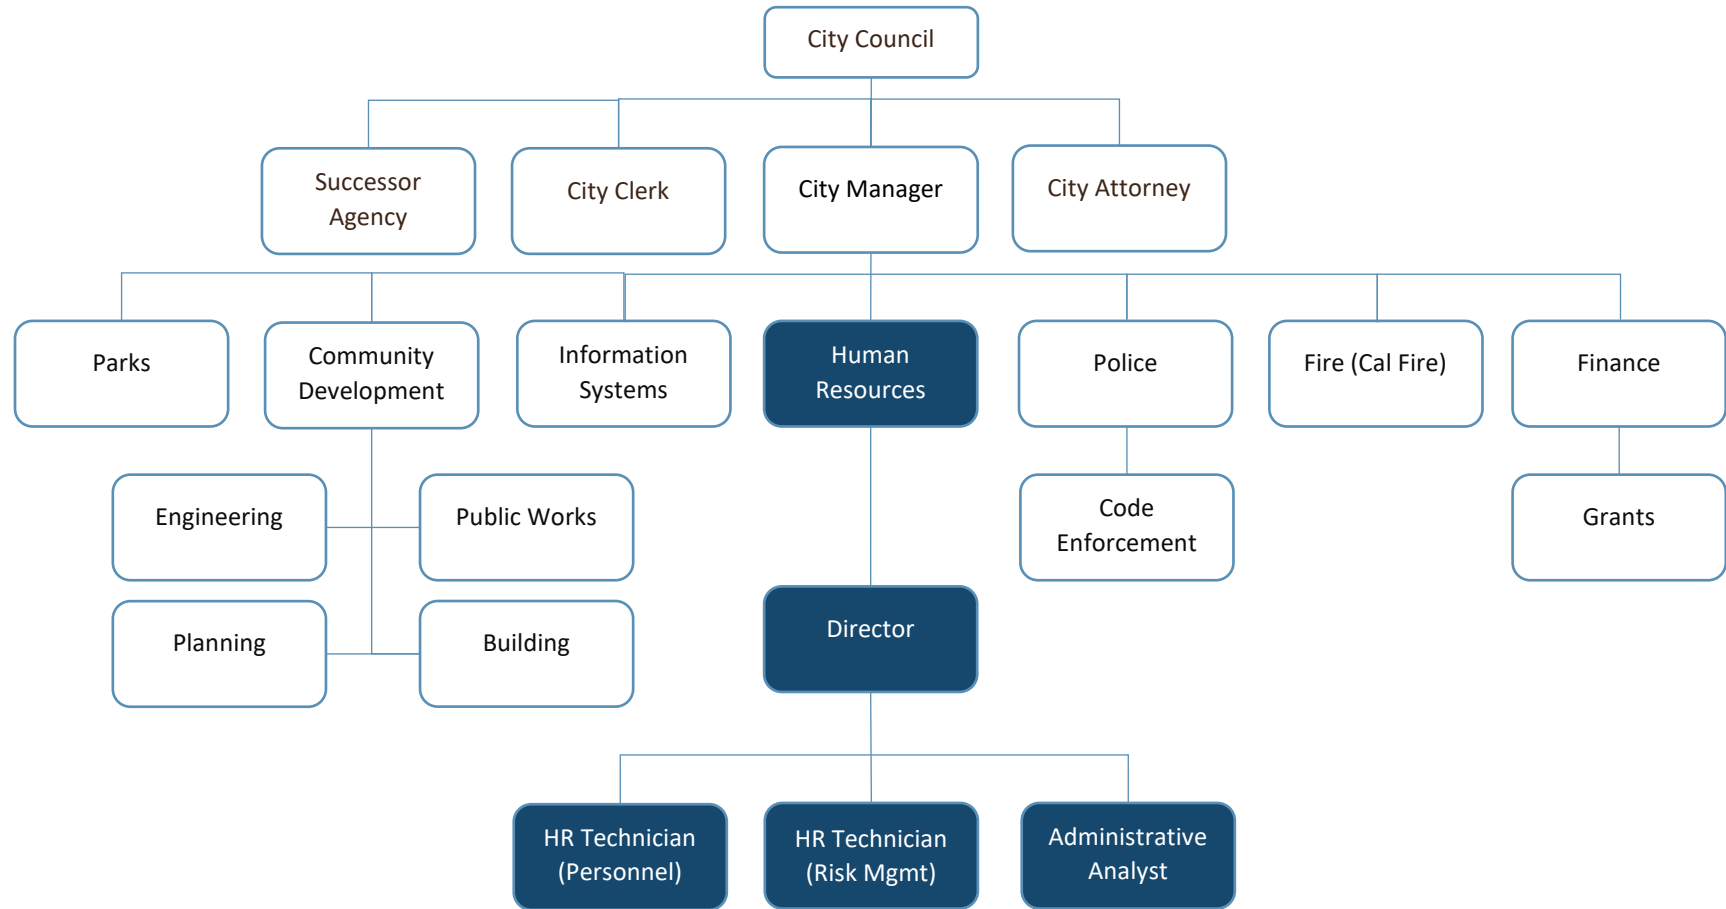

every other year, as of 2020, all employees must receive training every other year. Additionally, claims tracking software was previously budgeted in both the Human Resources and Information Services budgets. Upon approval of moving to RiskEnvision Lite for this purpose, the cost of the software was moved into the Risk Management budget.

The fund itself maintains a balance designated for claims payment should we have any claims or lawsuits not covered by our insurance. The fund balance is separate from the operating budget.

Department Staffing & Structure

The Human Resources Department is staffed with four positions. The Director of Human Resources reports to the City Manager and has overall responsibility for the department. The department is also staffed with one Administrative Analyst and two Human Resources Technicians.

POLICE DEPARTMENT

Department Summary

At the Madera Police Department, Police Chief Dino Lawson leads and directs a dedicated, diverse workforce of 70 sworn peace officers and 35 non-sworn employees who are ready to provide superior service delivery through the three main divisions and functions of the organization. The Department consists of the following divisions:

- *Administration Division:* Community outreach, including 97 Neighborhood Watch programs dispatch, and non-sworn personnel

- *Operations Division:* The largest division of the department comprised of patrol personnel
- *Investigations Division:* Detective Unit, Special Investigations Unit, and Code Enforcement

The Madera Police Department works to be true partners with the community and strives to meet the frequent needs of the public, laboring to reduce crime, fear, and disorder by creating a foundation of superior service delivery, citizen/police partnerships and proactive problem-solving strategies through organizational planning and visionary processes.

Code Enforcement and Animal Control are also part of the Police Department.

The Code Enforcement division is committed to enhancing the quality of life for residents by addressing concerns about unsafe, unhealthy, or unsightly conditions in homes, neighborhoods and the entire community.

Animal Control enforces animal control laws, responds to animal-related emergencies and routine calls, and takes dead, stray, and abandoned animals to the animal shelter.

Responsibility

The Police Department is tasked with:

- Forming partnerships with community members and stakeholders to address matters of public safety and concern
- Safeguarding lives and property
- Protecting the innocent against deception, the weak against oppression or intimidation and the peaceful against violence and disorder
- Identifying and apprehending criminal offenders
- Reducing the opportunities for the commission of crimes through preventive patrol and deterrence measures
- Improving the safety of the motoring public through the enforcement of traffic laws
- Ensuring that the City is safe and attractive via proactive Code Enforcement
- Maintaining public safety and the wellbeing of animals through the

education and enforcement of city, state and federal animal laws

Key Accomplishments

Overview of accomplishments in FY 2019/20:

- The popularity of the department's community outreach programs continues to grow as applications for the Citizens' Academy, Parent Project, and MadKids Camp exceeded the number of spots available. As a result, an additional three Citizens' Academy classes, with one being in Spanish, were added.
- Every patrol officer is now equipped with a body-worn camera which garners public trust and the ability to quickly resolve citizen complaints, thereby helping protect the city against frivolous complaints.
- The department has delivered, once again, on the promise of achieving faster response times with the passage of Measure K. For the last two years, officers have lowered their response time by 30 seconds.
- Measure K enabled the department to hire 11 new officers beginning in 2017. This new staffing has significantly increased the capacity of the department. Officer-initiated field activity has increased by over 46 percent during this time, which is critical to the department's mission since this proactive component of policing has the greatest impact on property crimes and certain violent crimes, such as street robberies.
- The department utilizes social media to help spread and receive information. The department currently has more than

44,500 social media followers, creating a network to disseminate information and work collaboratively with the public to solve crimes that may have otherwise gone unsolved. The department's weekly feature titled "#WhoIsThisWednesday" promotes posts with surveillance videos of crimes, allowing the public to help identify suspects. This program has a success rate of over 60 percent.

- Members of the department participated in 15 Neighborhood Watch meetings, with over 97 Neighborhood Watch groups and five Business Watch groups respectively.
- The Communications Center received and processed over 122,400 emergency and non-emergency calls for service in 2019.
- Department personnel handled 60,432 events, which included calls for service and officer-initiated activity, in 2019.
- Responded to 2,187 welfare checks, 1,448 burglar alarms, 1,605 stray animal calls, and 3,646 request-for-assistance calls in 2019.
- Successfully integrated the Code Enforcement Division within the Police Department.
- Implemented a new Code Enforcement tracking system.
- Code Enforcement conducted 518 rental housing inspections; a 33 percent increase compared to 2018.
- Code Enforcement personnel handled 308 public nuisance complaints, issuing 537 notice-of-violations and citations.
- The Investigations Unit handled 1,177 cases in 2019, a 29 percent increase from

2018, and closed over 99 percent percent of the cases during the calendar year.

- Officers arrested 338 persons for driving under the influence.
- Personnel completed 38 homeless encampment/river cleanups in coordination with Public Works.
- PD partnered with Criscom Company to proactively seek out grant funding for public safety. Criscom is currently working on a multimillion-dollar SAFER grant to hire seven fire fighters and submitted for COVID-19 grant funding for the City.
- \$130,000 added to Measure K Police Reserve Fund

Goals & Performance Measures

- Continue to grow the department's community outreach programs which fosters trust and mutual respect
- Pursue technology that allows the department to be more efficient and effective at deterring and solving crime
- Continue to grow the department's social media presence which allows the public to take an active role in crime fighting and gives them a voice in how they want Madera to be policed
- Code Enforcement will continue to maintain high levels of responsiveness to reported nuisances through the monitoring and improving upon the division's current performance measures
- Employ improved strategies related to the use of citations, by seeking to implement strategies to ensure that enforcement

costs are borne by the violator and not by the taxpayers

- Expand animal control public education efforts to increase responsible pet ownership and reduce the stray/feral animal population

Department Fund Summary

The Police Department operates under the following budgets and funding sources:

- PD Administration
- Measure K- Police
- Community Corrections Partnership
- School Policing
- PD Housing Authority
- COPS Hiring Program
- Supplemental Law Enforcement Services Funds (SLESF)
- Justice Assistance Grant (JAG)
- Tobacco Law Enforcement Grant
- Animal Control
- Code Enforcement
- Selective Traffic Enforcement Program (STEP)
- Alcoholic Beverage Control (ABC)

The following is a summary of each:

PD Administration

The PD Administration budget provides for 52.5 full-time sworn police officers and 23 non-sworn personnel to carry out the primary functions of the department. This budget also

makes up the bulk of the department's maintenance and operations costs.

Measure K- Police

The Measure K-Police budget provides for 11 full-time sworn police officers and three non-sworn personnel. This budget also provides funding to improve police technology and equipment and plan for the growth of the department.

Community Corrections Partnership

The Community Corrections Partnership budget funds the cost of one Special Investigations Police Sergeant. The funding source comes from the passage of AB109 in 2011 that effectively shifted the responsibility for the supervision of specified offenders from the state to the counties.

School Policing

The School Policing budget provides for two full-time sworn police officers whose sole focus is the policing of MUSD campuses.

PD Housing Authority

The PD Housing Authority budget provides for one full-time sworn police officer whose sole focus is issues arising from properties under the jurisdiction of the housing authority.

COPS Hiring Program

The COPS Hiring Program is a grant from the U.S. Department of Justice which funds the hire of 2.25 full-time sworn police officers who are military veterans.

Supplemental Law Enforcement Services Funds (SLESF)

These funds are a grant from the State of California to be spent on “front line law enforcement services.” SLESF funds can be used for salaries, services, supplies, equipment, and administrative overhead. The department receives \$100,000 annually.

Justice Assistance Grant (JAG)

JAG is federal criminal justice funding to state and local jurisdictions that can be used to support a broad range of state and local government projects, including those designed to prevent and control crime. This year the department will have \$36,625 of these funds available.

Tobacco Law Enforcement Grant

The California Healthcare, Research, and Prevention Tax Act of 2016 (Proposition 56) increased taxes on cigarettes and other tobacco products by \$2.00 starting in April 2017. These funds support local agencies enforcing tobacco-related statutes and ordinances, including efforts to reduce the illegal sale of tobacco products to minors. This year the police department will have \$32,079 of these funds available.

Animal Control

The Animal Control budget provides for two full-time animal control officers who protect and serve the citizens and animals in the city, through education and enforcement of local, state and federal animal laws.

Code Enforcement

The Code Enforcement budget provides for six full-time code enforcement personnel, one part-time Code Enforcement Officer, two part-

time clerical staff, and one full-time Neighborhood Outreach Specialist.

Selective Traffic Enforcement Program (STEP)

The State of California Office of Traffic Safety (OTS) awarded a grant of \$110,000 to the Madera Police Department. STEP helps police officers to help residents obey traffic laws, like wearing their seatbelt and avoiding speeding or impaired driving. The grant award allows the Madera Police Department to perform overtime operations related to DUI checkpoints and saturation patrols as well as traffic enforcement operations linked to distracted driving and primary collision factors. The grant also allows the Madera PD to purchase electronic citation data collection devices and provide training to identify persons under the influence.

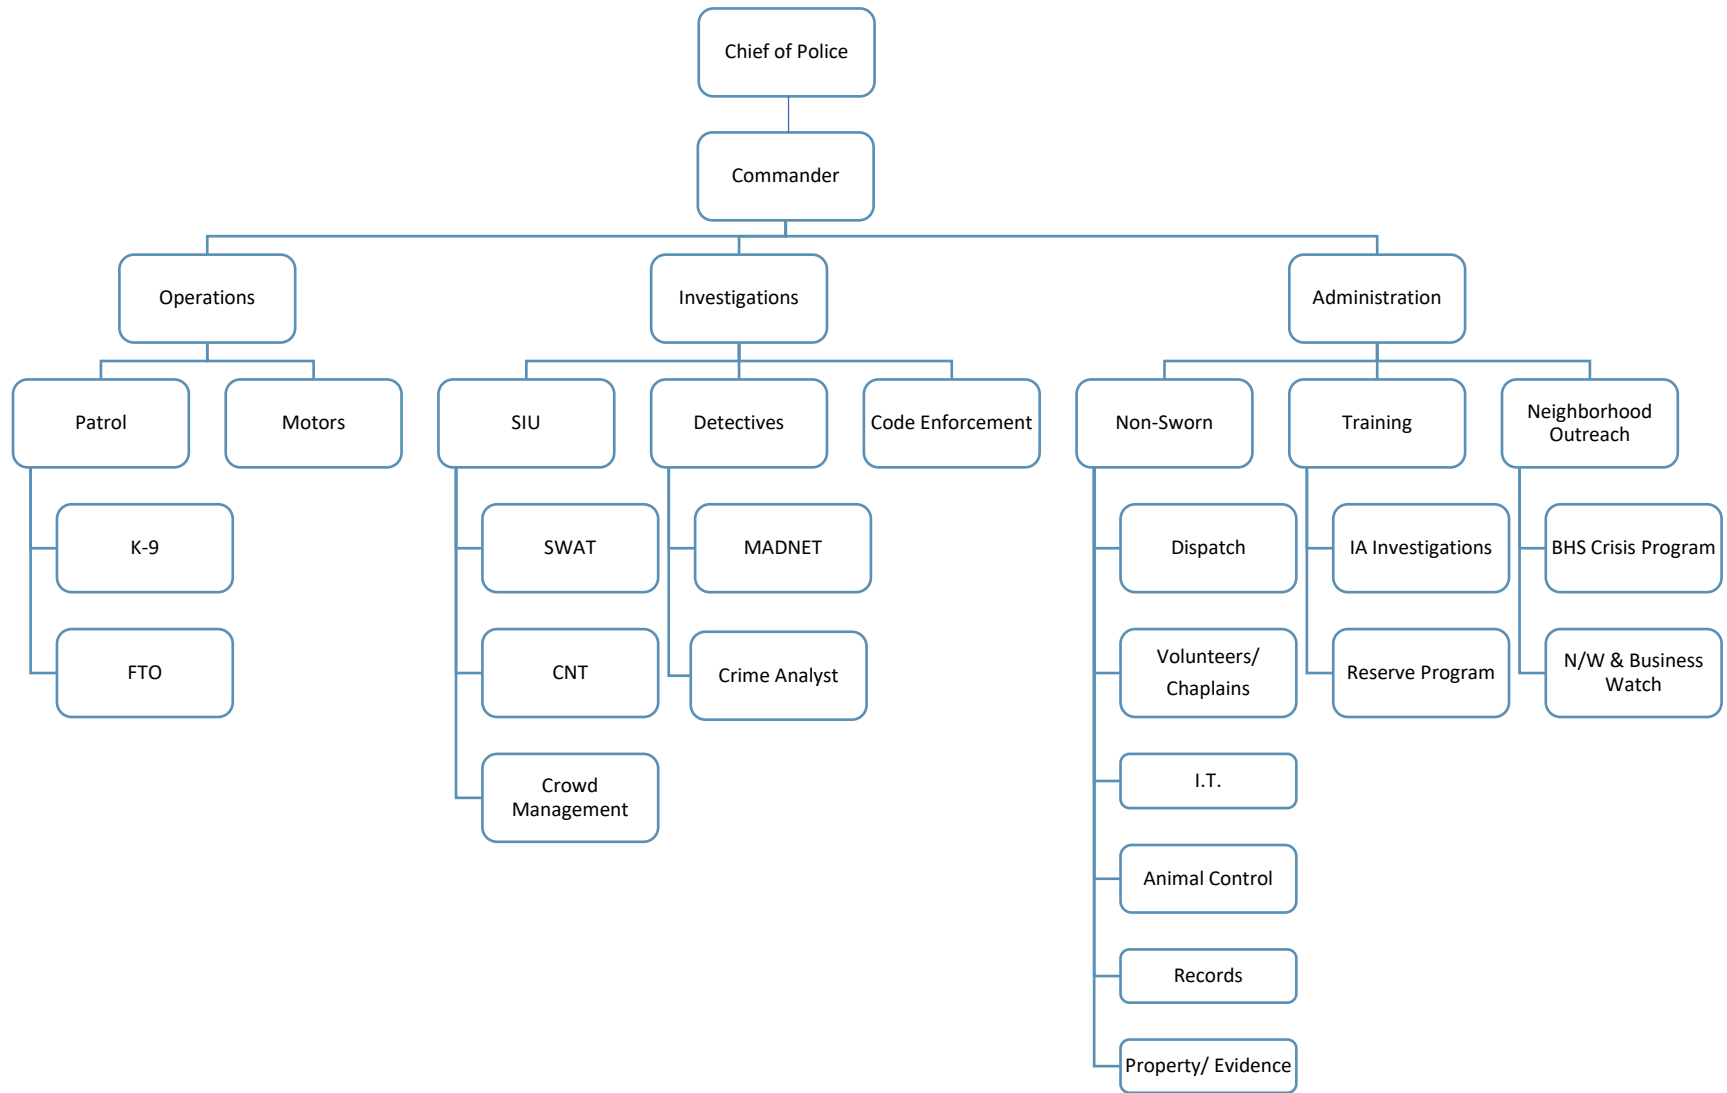

Alcoholic Beverage Control (ABC)

The California Office of Traffic and Safety awarded the Madera Police Department with an \$18,000 grant through the National Highway Traffic Safety Administration to battle alcohol-related harm. This gives police officers additional resources to reduce the availability of alcohol to minors and reduce alcohol-related crime. It also is used for holiday enforcement efforts.

FIRE DEPARTMENT

Department Summary

The Fire Department remains focused on its core mission: the protection of life and property.

The mission of the Fire Department is to provide effective emergency response to the public in a safe, efficient, and cost-effective manner. The Department strives to protect life, property, and the environment, through the delivery of innovative and efficient quality emergency management services in our community.

The Fire Department is administered by the California Department of Forestry and Fire Protection (CAL FIRE) pursuant to a cooperative fire protection agreement. Policy direction remains with the Madera City Council. Fire Department staff are CAL FIRE employees. CAL FIRE serves and safeguards the citizens and protects the property and resources of California, and provides a multitude of emergency and non-emergency services to the community.

Contracted Services include, but are not limited to:

- Fire suppression and prevention

- Deliver emergency medical services
- Rescue and public service assistance
- Fire menace standbys
- Coordinate response support operations for natural or man-made disasters

The City has continually been contracted with CAL FIRE since 1993 to provide fire protection services.

Responsibility

CAL FIRE provides the organizational support and leadership necessary to:

- *Serve:* We are committed to the safety and well-being of the public and our employees.
- *Collaborate:* We build and maintain cooperative relationships across the state and beyond to benefit the public we serve.
- *Protect:* We integrate fire protection, natural resource management, and fire prevention under a single mission on behalf of the state and local communities.

Key Accomplishments

Overview of accomplishments in FY 2019/20:

- Received delivery of Ladder Truck 58
- Continued the construction on the new Fire Station 58, the first new station constructed since 1978
- Provided orientation training to all city firefighters
- Secured funding to outfit Ladder Truck 58 and ordered all the equipment
- Trained four current firefighters to truck operation level for the new ladder truck
- Secured funding for the purchase of a firefighting Utility Terrain Vehicle (UTV) to provide better fire protection for citizens that live near the river (from Cleveland/Tozer to Riverview/Caitlin Drive)
- Led the response in the Yosemite Street Hotel Fire which included assistance from nine cooperating agencies and 55 firefighters

- Set aside \$200,000 for the Fire Apparatus replacement fund
- Purchased property next to Fire Station 56 for future expansion
- Published its first Fire Department Annual Report

Successfully mitigated 2,806 calls:

- 1,554 emergency medical calls
- 314 fires
- 291 motor vehicle accidents
- 222 assists to other agencies
- 373 fire alarm responses
- 143 public service assists (non-emergency calls of service)
- 81 fire menace standbys (emergency calls non-fire or medical)
- 41 hazardous material incidents

- Identify a work plan to become compliant with Senate Bill No. 1205
- Complete construction of Fire Station 58
- Place Ladder Truck 58 in service
- Reduce response times with the addition of Fire Station 58
- Complete a Request for Statement of Qualifications (RFQ) to design for Station 56 remodel and Station 58 training grounds
- Repave the parking lots for Fire Station 56 and Fire Station 57
- Work on improving Insurance Service Office (ISO) rate to a Class 3 Fire Department, creating a cost savings for citizens and businesses of Madera on their insurance policies
- In conjunction with the Police Department, research and apply to state, federal, and private grant programs to assist in funding Fire Department operations

Goals & Performance Measures

- Continue effective collaboration with community groups to ensure coordination and integration with local emergency response agencies
- Train an additional 10 firefighters to the truck operational level
- Continue to provide effective fire and life safety education to school-aged children in our community
- Emphasize the prevention of fire and other peril through effective code adoption and enforcement activities in the city

No. 1205. Currently, chief officer coverage is shared between one City of Madera-funded battalion chief and one Madera County-funded battalion chief to maintain one chief officer on duty 24 hours, seven days a week.

Department Staffing & Structure

Three fire stations are located within the City:

- Fire Station 56 at 317 North Lake
- Fire Station 57 at 200 South Schnoor
- Fire Station 58 is located at 2558 Condor and is expected to open in the latter 2020

Currently, Station 56 and 57 are always staffed with three firefighters. Both engines, 56 and 57, have three personnel. During grass fires, Engine 56 is reduced to two firefighters while a Type 6 engine is deployed with a single firefighter. The firefighters are supported by a Battalion Chief. It is worth noting that both stations provide reserve engines and the city benefits from CAL FIRE personnel housed proximally to the city that assist in times of need. The new fire station will also always be staffed by three firefighters to operate the new ladder truck increasing the total to nine on-duty firefighters, plus a Battalion Chief.

The addition of a second battalion chief position is required to take on the state mandated inspections outlined in Senate Bill

PUBLIC WORKS DEPARTMENT

Department Summary

The Public Works Department is one of the five divisions that cumulatively make up the Community Development Department.

The Public Works Department is responsible for maintaining and managing operations of the City's public utility systems. The Public Works Department is responsible for the installation, maintenance, and repair of the

City's water, sewer, and electrical conveyance systems.

Primary responsibility also includes maintaining the Wastewater Treatment Plant and the Municipal Airport. Street repair and maintenance, street sweeping services, and flood control are included within the Public Works Department, as well as administrative functions related to solid waste and recycling activities.

Public Works is composed of the following Divisions:

- Water and Sewer Collections
 - Water Quality
 - Water Conservation
 - Wastewater Collection
- Facilities and Electrical
- Streets and Storm Drainage
- Wastewater Treatment
- Administration
 - Airports

Responsibility

Streets and Storm Drainage:

- Provide maintenance and repair of street systems, including pavement markings, pothole repair, alley grading, and street signs
- Provide street sweeping services and annual leaf cleanup program
- Maintain storm drain systems, including cleaning of drainage lines and inlets, basin maintenance, and emergency flood responses
- Removal and cover up of graffiti

Water and Sewer Collections:

- Deliver a continuous supply of clean, fresh water throughout the City
- Provide routine maintenance of the City's 19 groundwater wells and approximately 200 miles of water distribution pipelines

- Promote water conservation through outreach and customer rebate programs
- Ensure collection and delivery of wastewater to the Wastewater Treatment Plant (WWTP)
- Provide routine maintenance of five sewer lift stations and approximately 140 miles of sewer collection lines

Wastewater Treatment:

- Operate and maintain the City of Madera's Wastewater Treatment Plant in a safe, reliable, productive and cost-effective manner.
- Ensure and maintain compliance with Regional Water Quality Control Board's Waste Discharge Requirements (WDR) permit for all wastewater treatment and disposal facilities.
- Implement and enforce the City of Madera's Industrial Pretreatment Program in conformance with City's Legal Authority and Code of Federal Regulations (CFR), Title 40, Part 503.
- Protect public health and the environment by providing wastewater treatment to all domestic and industrial wastewater collected within our service areas; ensure treated waters discharged back into the environment meet or exceed the City's Waste Discharge Requirements permit limits and all other applicable local, State and Federal requirements.
- Promote safe work habits in the workplace through increased employee involvement and participation in in-house safety training, as well as through

- participation in trade industry's technical and educational programs.
- Implement capital improvement/repair plan to continually improve and maintain mechanical systems critical to the efficient operation of the WWTP

Facilities and Electrical:

- Provide routine maintenance to the City's buildings, equipment, and facilities
- Maintain over 3,000 City-owned streetlights and 30 traffic signals
- Provide electrical installation, maintenance and troubleshooting on all electrical components for the City
- Responsible for the safe operation of the 19 water wells, 5 sewer lift stations, and 23 storm drains among other systems
- Work on projects within our buildings that make them more up to date and appealing
- Maintain the electrical operation of solar arrays at the Police Department, Youth Center and to a lesser degree the WWTP
- Maintain all operations and controls for machinery and equipment for the Wastewater Treatment Plant. Including the pumps, motors, motor control centers, Variable Frequency Drives, programmable logic controllers, instrumentation and SCADA integrated system

Key Accomplishments

Overview of accomplishments in FY 2019/20:

- Have taken the lead on the ENGIE energy conservation program, a \$19.2 million capital improvement program
- Completed rehabilitation of Well #20. The well is back online and providing quality water for the first time in seven years.
- Partnered with the City Engineering Department to complete extensive road repair and chip seal projects funded through RMRA
- Collaborated with City Engineering and contractors to ensure the rapid development of City Well #38 at Love's Truckstop in anticipation of future growth and water demands in this area
- Completed replacement of the Millview Gym roof utilizing funds from CDBG
- Successfully completed the two-year \$5.8 million-dollar Phase 1 WWTP Rehabilitation Project.
- Provided project management assistance to facilitate the installation of a new traffic signal and several enhanced pedestrian crosswalk safety measures
- Worked with the Madera Irrigation District to divert irrigation water into existing ponding basins thereby improving our water recharge efforts
- In cooperation with Mid-Valley Disposal, collected 1,704 tons of refuse, 48 tons of metal, and 1,232 mattresses during the City's annual clean-up
- Installed approximately 142 water meters
- Completed 100 homeless encampment/river cleanups in coordination with City Police Department and Code Enforcement
- Waste Discharge Permit Renewal; coordinated with the Central Valley Regional Water Quality Control Board to renew the City's waste discharge permit for the Wastewater Treatment Facility
- Continued to implement program recommendations to reduce water loss within the water distribution system
- Issued 953 citations for watering during a non-water period and excessive water waste, as well as 167 verbal warnings
- Worked with Engineering and property owners to implement improved striping and signage to help resolve issues with speed, parking, and traffic control
- Helped organize the parade to recognize the Madera High School championship robotics team
- Repaired 124 leaks in water service lines and water mains
- Ensured the successful repair of 94 solar panel arrays at the WWTP. Each array is equipped with 56 panels. This increased efficiency output from 360KW to in excess of 800KW
- Completion of monthly report. This has recently been enhanced to provide photographs and detailed descriptions of monthly events
- The city continues to provide street sweeping services for all city streets. This is done daily during weekdays, on a two-week cycle. Over 3200 miles of street

sweeping takes place annually. This is the approximate equivalent of driving from Madera to Georgia

- Approximately 85 miles of roadway was painted and striped for traffic control
- Purchased a hot patch trailer in order to more effectively patch and repair roadway surfaces
- We collected over 5000 tires through the tire abatement program
- Street sweeping is being completed at the airport on an as needed basis. Currently, this task is being completely approximately once each month
- The City of Madera secured \$69k through a CARES grant which can be utilized in a variety of ways to offset costs at the City Airport

Goals & Performance Measures

- Monitor and evaluate the effectiveness and efficiency of the delivery of services provided
- Implement asset management programs for proper maintenance of City infrastructure
- Complete study and conditions assessment of sewer and water system for long-term capital improvement planning
- In coordination with Stantec engineering, the City's consultant, the City has begun discussions with the Regional Water Quality Control Board on the requirements and conditions for renewal of the City's Wastewater Treatment Plant Waste Discharge Requirements (WDR) permit.
- Continue the on-going difficult task of recruiting certified staff for the Wastewater Treatment Plant in efforts to bring staffing levels to a basic standard of manpower complement.
- Continue, coaching, training and managing all new staff (most WWTP employees) to provide them a better opportunity at succeeding in their new positions, while at the same time gaining the knowledge and experience necessary to help them pass the State required certification tests
- Complete valve exercising and cross connection survey for half of the City
- Work with groundwater consultant to identify and complete rehabilitation of Well #27
- Work with consultant to perform a study of the water, sewer, and solid waste rates
- Complete rehabilitation and install new pump equipment at Well #30 (Town and Country Park)
- Install at least 3 new chlorine generators at Well #22, #24 and #29
- Rehab at least 2 wells a year at a substantial cost savings for the city
- Reconfigure the City's backflow reporting program through Munis or another outside source so the program navigates easier and cost effective
- Implement funding in the anticipation of major water main breaks and road repair
- Add a Water System Supervisor to the Water division. This position will be filled through internal promotion and the resulting vacancy will be left unfilled.

Department Fund Summary

The Public Works Department is comprised of numerous budgets across seven different funds:

- Streets/Graffiti (General Fund)
- Water Fund
- Sewer Fund (Sewer and WWTP)
- Airport Fund
- Drainage Fund
- Solid Waste and Recycling Fund
- Facilities (Internal Service Fund)

The following is a summary of each:

Streets/Graffiti

The Streets and Graffiti budgets fall within the General Fund. Gas Tax and Measure T are the two main revenue sources for each of these budgets.

Water Fund

The Water Fund is funded by user rate revenue. There are several budgets within the Water Fund: Water Maintenance, Water Quality, Water Conservation, and Water Capital Outlay.

Sewer Fund

The Sewer Fund is also funded by user rate revenue. Within the Sewer Fund are several budgets: Sewer Maintenance, Wastewater Treatment Plant, and Sewer Capital Outlay.

Airport Fund

The Airport Fund is funded by several revenues: hangar and tie down rental fees, fixed based operator land leases, and agricultural land leases. The Airport Fund has

both a maintenance budget, as well as a capital outlay budget. Capital projects are largely fund by the Federal Aviation Administration.

Drainage Fund

The Drainage Fund is funded by user rate revenue. It is broken into three budgets: Drainage Capital Outlay, Drainage Operations, and Drainage Flood Control.

Solid Waste and Recycling Fund

The Solid Waste Fund is funded by user rate revenue. Within this Fund are several budgets: Solid Waste Disposal, Street Cleaning, and Tire Cleanup. There are also numerous small budgets that represent various CalRecycle grants the City receives from the state for recycling programs.

Facilities

Facilities is an Internal Service Fund. It receives Gas Tax revenue to offset the cost of maintaining streetlights and traffic signals. The remainder of the costs are then split proportionately throughout each department in the City.

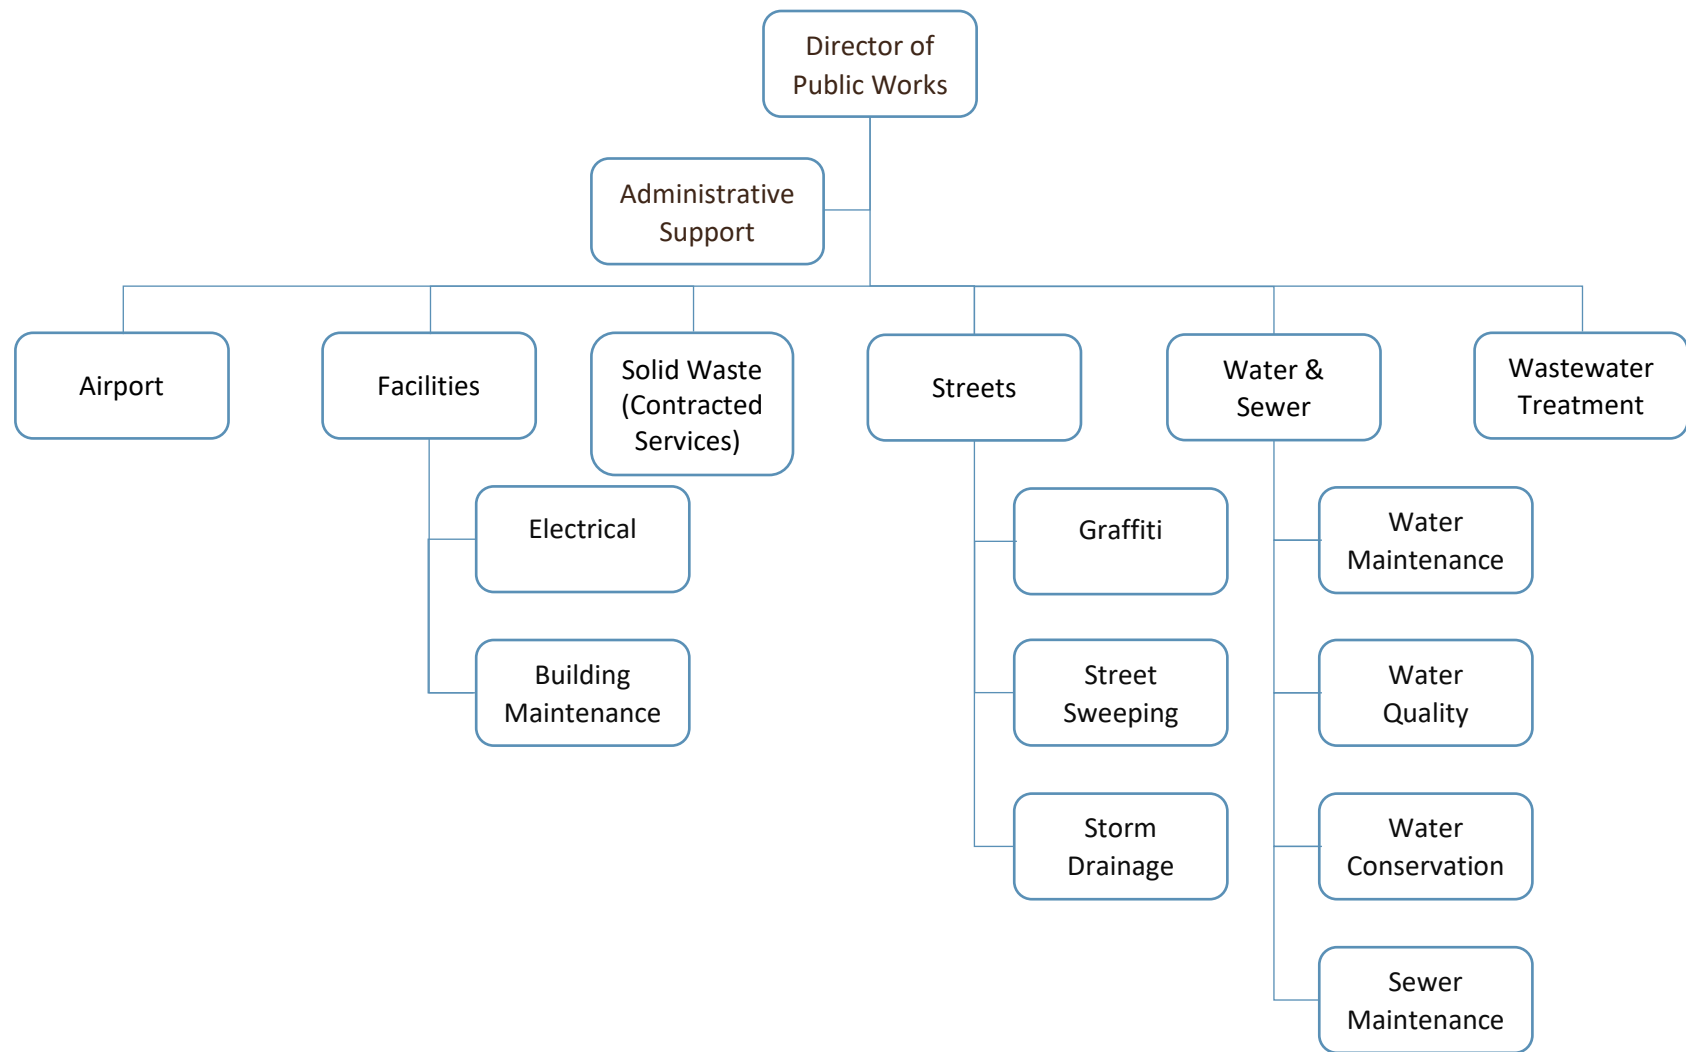

Budget Summary

PLANNING DEPARTMENT

Department Summary

The Planning Department is one of the four divisions that cumulatively make up the Community Development Department of the City.

This department provides professional advice to the Council, Planning Commission, residents, developers, and businesses regarding policies that guide the physical development of the community. This

department is responsible for updating and maintaining the General Plan, specific plans, zoning ordinance and development-related policy documents. It is also responsible for processing various zoning, land use, subdivision, design, and sign applications through required city review and public hearing processes.

Planning staff is available Monday through Friday, nine hours each day to answer general questions regarding growth and development

of the City, and to explain permit review requirements.

With the loss of key experienced staff members early in the budget year, the Department has relied upon the extra efforts of remaining staff to meet expectations of the City Council and the community.

Responsibility

The Planning Department is responsible for three distinct planning disciplines followed by a description of each:

- *Ministerial permits:* Processing of sign permits, temporary use permits, zoning administrator permits and other non-discretionary permits.
- *Current development:* Applications include precise plans, site plan reviews, conditional use permits, variances, rezones, parcel maps, tentative subdivision maps, and general plan amendments, all of which require the discretionary approval by the Planning Department and most especially, the Planning Commission and/or Council as well.
- *Long Range Planning:* Includes the maintenance or preparation of the City's General Plan and its elements, including annual housing program implementation reports required by the California Department of Housing and Community Development, annexations, specific plans, master plans, and other documents specific to the future vitality of the City.

The primary function of the Department is to serve as a liaison to the Planning Commission. The department also:

- Provides exemplary customer service to the citizens of Madera, including at the Planning Department counter, on the phone, in the field, and via email
- Provides dedicated service to the development community, including implementation of the Community Development Department's Project Manager Program
- Implements the 2009 General Plan, the various specific plans of the City, and the zoning ordinance.
- Processes land division entitlements in conformance with the Subdivision Map Act
- Provides interdepartmental support with the preparation of environmental documentation for Capital Improvement Program projects
- Provides Geographic Information Systems (e.g. maps and data) support to multiple departments within the City
- Provides intellectual support to all departments via preparation of a myriad of deliverables ranging from park design and placement, cannabis industry research, preparation of a smoking ordinance, and spatial analysis regarding infrastructure placement

Key Accomplishments

Overview of accomplishments in FY 2019/20:

Type	17/18	18/19	19/20
Zoning Administrator Permits	28	20	7
Site Plan Reviews	52	40	12
Conditional Use Permits	36	31	8
Variances	2	5	3
Precise Plans	5	8	7
Tentative Subdivision Maps	7	5	1
Tentative Parcel Maps	0	5	1
Rezones	7	8	3
General Plan Amendments	4	3	2

Entitlements have included:

- The processing of a new tentative subdivision encompassing 110 single family residential lots
- The acquisition of an approximately half-an-acre park space as a component of the 110-lot subdivision
- Approval of approximately 160 multi-family residential dwelling units in four multifamily complex projects, including:
 - Eagle Meadows Apartments (106 units)
 - Sherwood Apartments (16 units)

- Naz Apartments (6 units)
- Linden Street Apartments (29 units)
- Entitlement of three job-generating projects –
- Vallarta Supermarket within the former 60,000 square foot Mervyn's building
- Miles Chemical business at an existing industrial site, and
- Entitlement of three new commercial developments – an automotive repair business, a neighborhood commercial plaza, and a service station

Active Planning Projects:

- Village D Specific Plan area
- Pecan Square
- Road 28 shopping center
- Burger King on SR 145
- AM/PM on SR 145/Pecan
- Downtown Veteran's Housing representing 2 three-story residential buildings in the heart of downtown

The Planning Department also:

- Collaborated with outside agencies through the entitlement process of various commercial and residential projects
- Assisted the Engineering Department with the preparation of CEQA and/or NEPA environmental documentation on several CIP projects
- Completed numerous GIS projects in support of City departments, including mapping efforts on topics ranging from Census 2020 participation, to transit route Dial-a-Ride mapping, to community risk

fire prevention analysis, to airport land use compatibility mapping

- Facilitated four annexations of multiple project territories into CFD-01
- Applied for and was awarded in excess of \$300k in Senate Bill 2 funds to help prepare a Master Plan for north Madera
- Provided the Council with a CFD workshop
- In partnership with County staff, held a LAFCO workshop before Council to discuss the role of LAFCO and its duties
- In partnership with Public Works Department, held an Airport Land Use

workshop with Council to discuss the impending closure of Runway 8-26

Goals & Performance Measures

- Complete the Village D Specific Plan planning process, to include pre-zoning of the project area, approval of the specific plan, adoption of the supporting environmental impact report, and annexation of the project area into the City
- Continue to provide exemplary customer service to all segments of the population
- Collaborate wherever possible with other departments to maximize the value of staff

- Enter into an agreement with a strong consultant, to assist with the preparation and adoption of the North Madera Master Plan as proposed for SB2 planning grant program and identify other grant opportunities specific to the planning realm and apply for funding where appropriate
- Continue partnerships and collaboration with outside agencies and organizations with the preparation, adoption and implementation of ordinances, plans, and policies.
- Identify opportunities to engage the citizenry via the presentation of small business development workshops, attendance at community stakeholder meetings, and participation in youth outreach programs (such as the high school "Legacy" program)
- Maintain the highest standards for the timely processing of planning entitlements, assuring that all applications are processed within suitable timeframes and scheduled to the earliest possible Planning Commission
- Provide training opportunities for both staff and the Planning Commission, including attendance at the League of California Cities Planning Commissioners Conference
- Continue efforts related to the adoption of updated zoning ordinance and the associated update of the Official Zoning Map of the City
- Respond proactively to the direction of the Council, Planning Commission, and the City

Manager to positively influence the betterment of the community

- Assist with the preparation of a Development Impact Fee workshop before the Council

Department Staffing & Structure

The Planning Department has five budgeted positions, four of which are filled. Most recent position filled was the Planning Manager position which previously was filled by an interim contracted employee. The Department is currently seeking to fill the Senior Planner position.

BUILDING DEPARTMENT

Department Summary

The Building Department is one of the four divisions that cumulatively make up the community development department.

The Building Department ensures the safe occupancy of buildings by verifying construction compliance with building and fire codes, which is achieved through the application and enforcement of State laws and city ordinances governing the construction, use, and maintenance of structures on private and public property. In this capacity, the building department administers federal, state, and municipal regulations regarding architectural compliance, structural stability,

seismic safety, electrical, mechanical, plumbing, disabled access, energy conservation, green building, and tenant protection during construction.

Services provided by the department include public counter permitting operations, plan reviews, inspections, and maintenance of permit and construction records.

Responsibility

The City Clerk's Office provides a wide range of public services including:

The Building Department is responsible for reviewing all activities associated with on-site

construction projects. It administers the building permit process, which includes the submittal of building plans, subsequent plan check for compliance with city and State building code requirements, and the issuance of certificates of occupancy. The typical timing of this process varies. Plan review times for expedited projects range between 2-3 weeks, whereas typical projects range between 4-6 weeks. Back checks are typically completed in less than two weeks. The city's Interim Fire Marshal acts as a consultant to the department and performs plan check reviews and field inspections to ensure compliance with California Fire Code.

Projects that may require a building permit include new construction, remodels, modifications to existing plumbing and/or electrical systems, and heavy mechanical equipment (heating, ventilation, and air conditioning systems).

Certain types of construction and installation projects that do not require a building permit include:

- Any structure less than 120 square feet without plumbing or electrical work
- Surface treatments (paint, tile, etc.)
- On-site concrete work, not in an accessible path
- Fences that do not require footings

The Permitting Process

- *Over-the-counter:* These permits are common for single-family home owners and are completed with relative ease saving the customer time. Common permits that do not require plan check include water heater replacements, re-

roofs, electrical service upgrades, window replacement, and HVAC replacements.

- *Plan Check:* More complex permits that require plans, such as new commercial/industrial buildings, new homes, tenant improvements, or extensive house remodels. As part of this process, applicants submit plans identifying proposed improvements. Staff reviews the plans for compliance with state building codes to ensure that minimum codes are met.
- *Inspections:* The building division has a 24-hour inspection request line. Inspections requested prior to 6 pm are completed the next business day.

Key Accomplishments

Overview of accomplishments in FY 2019/20:

- The building division was active in issuing 1,797 building permits with a total valuation of over \$1.4 million.
- The Building Department has strived to meet its goals by conducting inspections to ensure compliance with governing codes, tracking permits and inspections and posting information to the City's website. All while providing exemplary customer service. The Building Department is currently scanning documents and has implemented electronic signatures to streamline the permit process to comply with COVID-19 guidelines for safe business operations.

Notable projects include;

- The completed TranPak facility located at 1209 Victory Ln.

- Love's Travel Stops located at Avenue 17 and Highway 99
- Vallarta Supermarkets is in process of remodeling a vacant site on Country Club Dr.
- Full Throttle Suspension has begun construction of their building located at Aviation Dr. and Condor Dr.
- The City's new Fire Station located at 2558 Condor Dr.
- New Transit Facility located at 1951 Independence Dr.
- Issued six red tags (e.g. work without the benefit of permits)

Goals & Performance Measures

- In partnership with the Madera Fire Department, identify a workplan to increase annual fire inspections
- Ensure compliance with codes for the construction, use, and occupancy of buildings and their affiliated components
- Conduct building inspections and issue certificate of occupancy for new construction
- Continue to provide exemplary customer service and foster great rapport with clientele
- Track issuance of permits, inspections, and certificates of occupancy
- Continue to build a strong relationship between departments and outside agencies

- Explore opportunities to further modernize and streamline operations, including the efficient digitization of building plan prints
- Respond to 100 percent of building permit field inspection on the next-business day basis
- Reduce the plan check review period from 4-6 weeks to 3 weeks for 75 percent of all plans
- Reduce the back-check process from 2 weeks to 8 business days for 75 percent of back checks

Annual Inspections

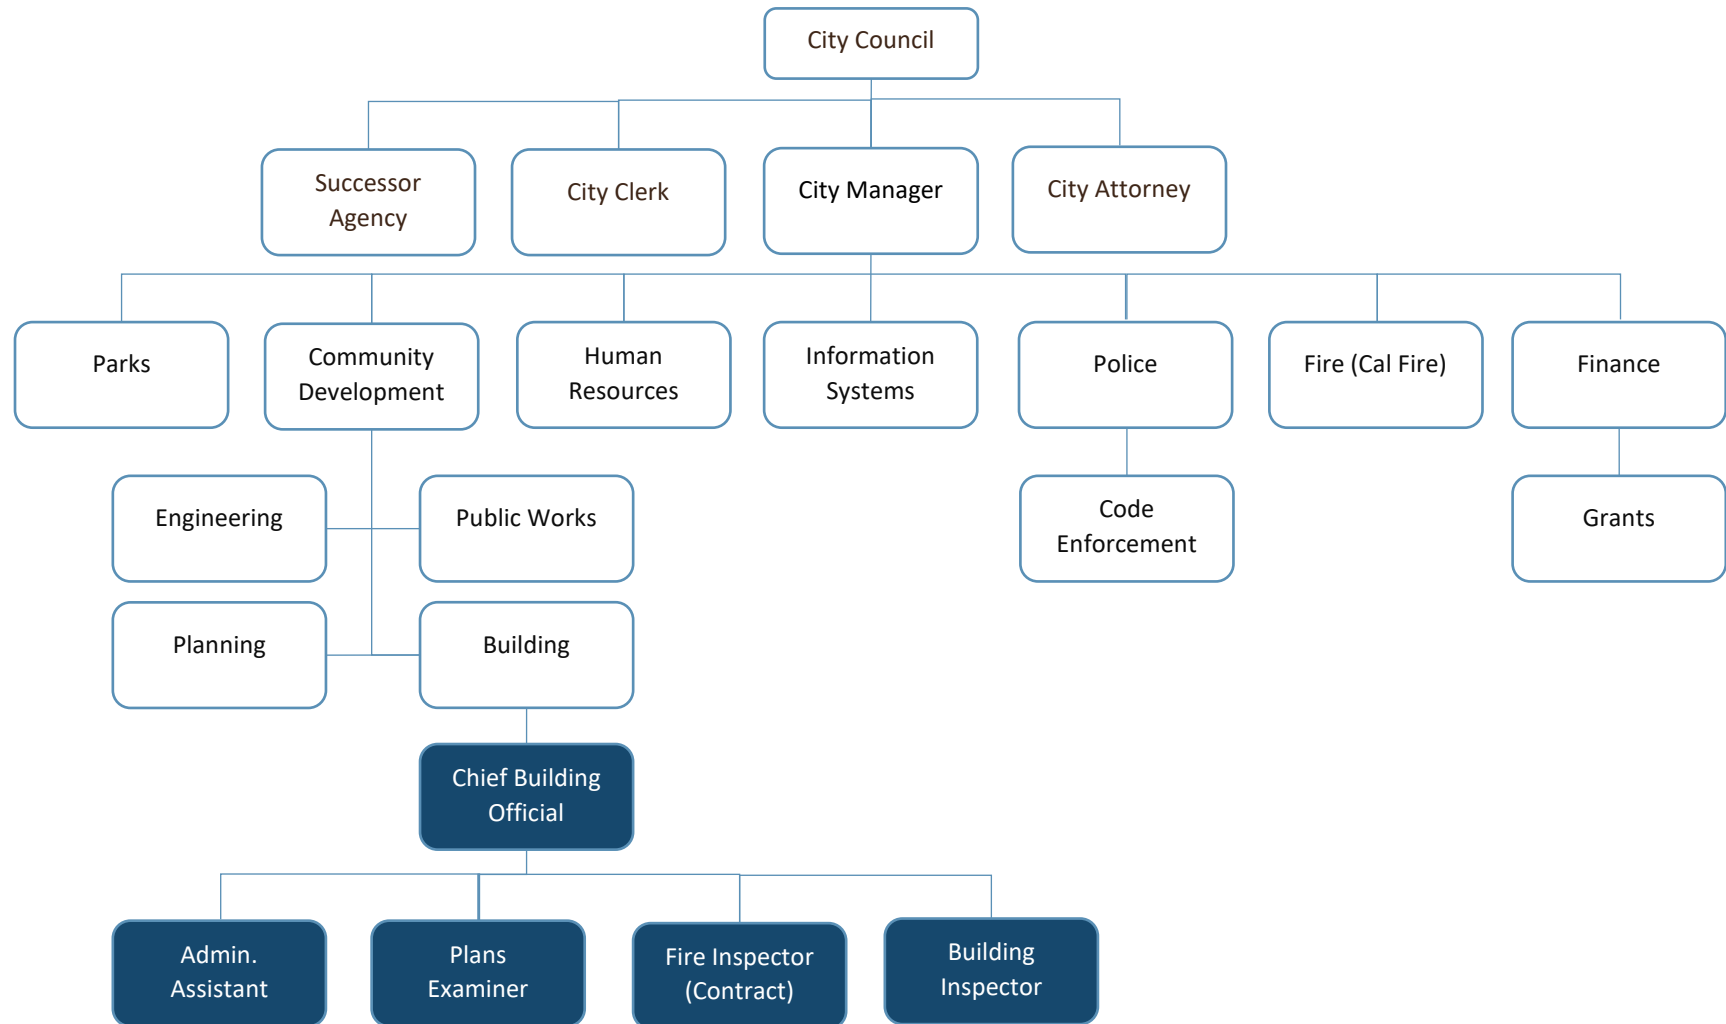

The following table highlights the number of inspections and inspection stops.

Workload Indicators		
<i>Calendar Year</i>	<i>2018</i>	<i>2019</i>
# of building inspections	16,004	12,033
# of inspection stops	6,402	4,838

Department Staffing & Structure

The Building Division has four budgeted positions, of which four are currently filled. One additional contracted position, the Fire Consultant, conducts review of plans for compliance with both the California Fire Code and the Building Code.

ENGINEERING DEPARTMENT

Department Summary

The Engineering Department is one of the four divisions that cumulatively make up Madera's Community Development Department.

The mission of the Engineering Department is to serve the needs of the citizens of Madera by providing professional engineering services to the community and city government.

The department is dedicated to maintaining the highest level of responsiveness which serves to characterize a business-friendly environment to serving our community.

The Engineering Division includes both Inspection and Design. The Inspection team provides construction management and inspection services on private development projects, encroachment permit projects, and Capital Improvement Program projects.

The Design team provides engineering and public facility design, plan review, administration, permitting, and construction of public works and development projects, including infrastructure, Capital Improvement Program projects, and replacement projects.

In addition, the department is responsible for enhancing mobility and safety citywide through ongoing transportation planning, traffic engineering, and signal operations activities.

Responsibility

The Engineering Department, under the direction of the City Engineer, is charged with overseeing, planning, designing, and implementation of infrastructure projects.

Some of the department's functions include:

- Transportation, water, sanitary sewer and storm drain engineering
- Asset management of transportation, drainage and other city infrastructure
- Construction Management & Inspection (CM&I) – managing capital improvement projects and public works contracts for city departments, inspection and oversight of private development grading, storm water and improvements, inspection and oversight of all activity in the public right-of-way and provides project management and development services for civic projects
- Serve as the construction manager for city projects (i.e. Fire Station No. 58 and Transit Facility)
- Program, plan, design and administer the construction of the annual Capital Improvement Program
- Issue permits for work in the public right-of-way
- Inspect construction within the right-of-way

- Plan check all development plans, parcel maps, subdivision maps including those that impact other department functions
- Manage the NPDES (National Pollutant Discharge Elimination System) program activities
- Manage traffic engineering and transportation planning activities
- Provide Interagency Coordination with agencies such as Caltrans, County of Madera, and Madera Irrigation District
- Implement Council programs and policies to meet the City's current and future infrastructure needs
- Provide ongoing, informative communications to city council and residents regarding key objectives, challenges and accomplishments
- Provide clear and concise information to the community
- Participation in the Sustainable Groundwater Management Act (SGMA) activities that includes preparation of the Groundwater Management Plan (GMP)

Key Accomplishments

The department accomplishments are most visible in the completion of projects, those that are moving forward at any given time, and assistance provided toward other endeavors of the Council. Overview of accomplishments in FY 2019/20:

- During the last fiscal year, engineering staff completed the following:

- Served as project manager for the nearly complete Fire Station 58 (substantial completion by end of June)
- Served as project manager for the Transit Facility
- Awarded the Fresno River Trail – Gateway & UPRR Undercrossing Project (under construction)
- Facilitated 2,500 feet of sidewalks near Washington School (under construction)
- Managed design of a new traffic signals at:
 - Howard Road and Westberry Boulevard (awarded in May, going to construction)
- Howard Road and Granada Drive (awarded in May, going to construction)
- Facilitated 4,100 linear feet of new sidewalks on Sunset Avenue and pedestrian refuges proximate to Thomas Jefferson Middle School
- Managed selection process that determined future signal control at Lake, Fourth and Central
- Completed emergency repair of Wastewater Treatment Plant Primary Effluent Pump Station Improvements in addition to ongoing improvements from previous year
- Managed State Route 145 (Yosemite Avenue) as Downtown Main Street Plan

- Facilitated 2,500 feet of sidewalk improvements near John Adams
- Per the direction of Council, improved Gateway Avenue adjacent to Sunrise Rotary Park
- Managed Olive Avenue Road Widening (building demolition complete, utility undergrounding awarded, advertisement of road construction anticipated in July)
- Continued progress toward completing initial phases of Sewer & Water Condition Assessments
- Designed and managed various Road Rehabilitation Projects including:
 - City Street 3R and ADA – various locations
 - RMRA Seals and Overlay
 - LPP Seals and Overlay
 - Golden State Shoulder Paving
 - Alley Paving - Various Locations
- Sewer Main Installations – Various Locations
- Managed ADA and Lighting Improvements at Centennial Park, Pan American Center, and Frank Bergon Center (under construction)
- Completed or near complete projects during this last fiscal year exceeded \$20,000,000 while the total value of projects under or going to construction is approximately \$12,700,000
- Through April 7, 2020, issued 248 encroachment permits within the public right-of-way versus 146 as presented in the previous year budget document
- Moved Engineering Design and Clerical staff to former Successor Agency Building on Yosemite Ave.
- Caitlan Drive and Isla Vista Traffic Circle Safety Improvement
- Managed heaviest development activity since 2007/08 fiscal year
- Participated in the ENGIE project that will install various energy efficient devices and solar panels at multiple City facilities including City Hall and the Wastewater Treatment Plan. The project also includes location identification and installation of 150 streetlights

Goals & Performance Measures

- Continue to support the Council and its goals toward a more livable community through, in part, infrastructure that supports the community today and into the future
- Advance council infrastructure and planning priority projects in a manner that demonstrates the highest ideals of commitment to current and future residents
- Recruit new team members with the goal of reducing project backlog while minimizing impacts to the General Fund through continued allocations of staff time to those projects
- Complete site selection, environmental and preliminary design of new Water Storage Tank project
- Continue to assist in the preparation of the Village D Master Plan

- Initiate and complete a traffic study associated with the planned construction of Almond Avenue between Pine Street and Stadium Road as well as circulation on Stadium Road between Pecan Avenue and Olive Avenue as originally planned for fiscal year 2019/20
- Provide ongoing ADA improvements to city sidewalk facilities throughout the city as funding becomes available
- Move the Northeast Tank, supporting pump station and transmission mains to completion of design and obtain necessary right-of-way for construction
- Continue to utilize and update the citywide pavement management system to improve the efficient use of available resources
- Present D Street Water Tower Evaluation results to council (Study completed-tower is not in imminent threat)
- Reduce current backlog through increased staffing and reliance upon planned on-call consultant agreements
- Continue support of SGMA activities identified previously

Department Fund Summary

The department is responsible for one departmental budget as well as numerous project and program related budgets that are too voluminous to repeat in this summary document.

The budget is comprised of multiple funds including:

- Local Transportations Funds
- Gas Taxes

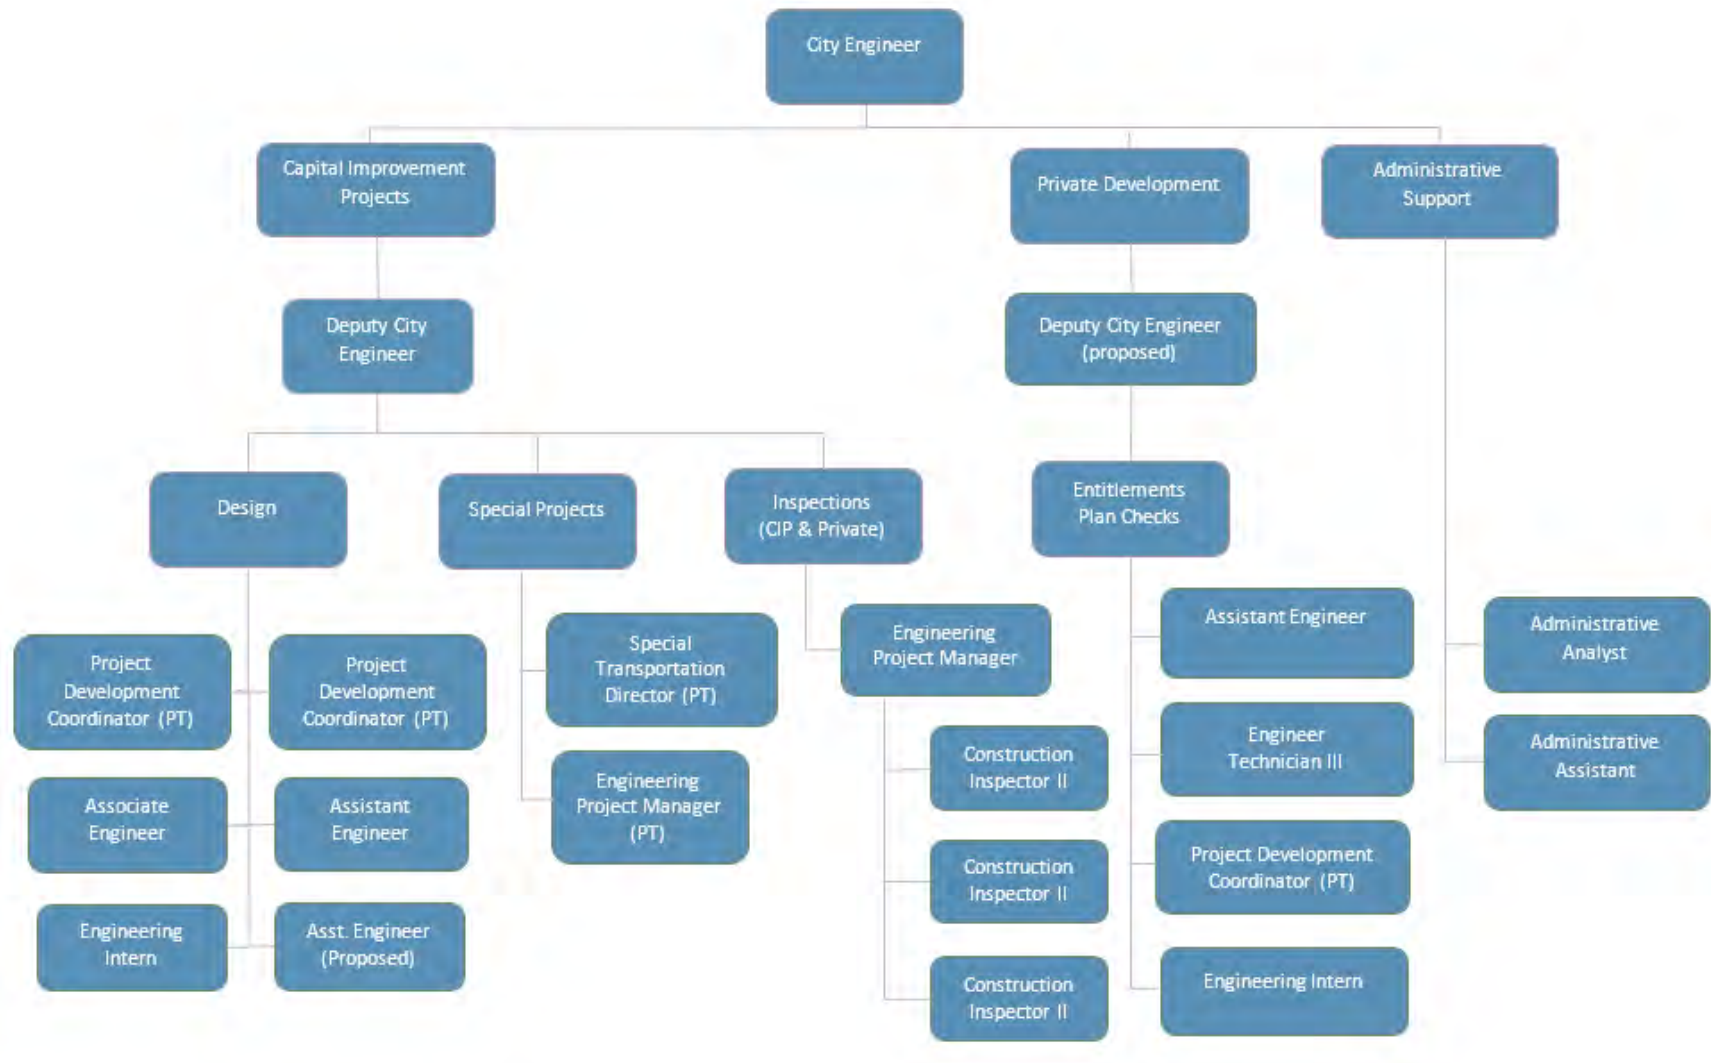

- Staff time charges to projects in which staff has been assigned
- Landscape Maintenance District management fees
- Drainage System Operations Fund
- Private Development fees
- General Fund

Department Staffing & Structure

The department is currently staffed with 12 full-time positions (one being advertised), six part-time positions, and two part-time trainees provided through a federally funded program.

For FY 2020/21, staff is proposing the addition of one Deputy City Engineer, one Assistant Engineer and one additional Engineering Intern.

PARKS AND COMMUNITY SERVICES DEPARTMENT

Department Summary

The Parks and Community Services (PCS) Department provides a wide range of direct services to the public and is divided into three major operational divisions:

- Administration
- Recreation & Community Services
- Parks Maintenance

Subdivisions include sports, seniors, aquatics, landscape maintenance districts, median maintenance, and special events.

The three individual divisions work collectively to provide high quality recreation, therapeutic, and leisure services to community members of all ages.

The PCS Department also hosts community special events and seeks outside funding to provide programs such as Movies in the Park,

the Pomegranate Festival, and community volunteer day.

Responsibility

Administration:

- Development of grant applications and oversight of allocated funds
- Development of departmental policies
- Annual budget creation
- Contract oversight
- Payroll and other human resource management activities

Recreation & Community Services:

- Oversight and management of recreation facilities, such as community and youth centers, senior centers, an aquatic complex, and a skate park
- Implementation and management of recreation programming for community members of all ages including: educational and leisure classes; youth and adult sports; swimming lessons and other aquatics programming; day camps; after school programs; fitness/wellness programs for all ages; leadership and career preparedness; and drop-in recreation programs for youth, including sports, crafts, technology, and audio-engineering
- Oversight of nutrition and recreation programs for senior citizens including those with special needs

Parks Maintenance:

- Management, oversight, and maintenance of a variety of different sized parks, a cross-city trail system, and other greenbelts and walkways

- Contract oversight and management for the efficient maintenance and operation of the municipal golf course
- Oversight of median island landscape maintenance activities citywide
- Management of the landscape maintenance activities of the City's 80 Landscape Maintenance Zones (LMZs)
- Oversight, maintenance, and protection of the City's urban forest

Key Accomplishments

Overview of accomplishments in FY 2019/20:

- Completed ADA and lighting upgrades at the John Wells Youth Center utilizing CDBG funding
- Completed Union Pacific Railroad undercrossing
- Organized and managed approximately 500 youth and 700 adults in various sports leagues and tournaments
- Completed upgrades to the Centennial Pool Complex, including upgrades to the diving board, re-plastering/tiling of the wading pool and replacing the primary pump and motor
- Accepted donation of 8.1 acres of land for future park development known as India Park
- Completed a playground replacement project at Pan American Park with \$134,000 of HRPP Grant funding.
- Successfully negotiated a one-year extension to the Golf Course Master Lease Agreement due to the onset of COVID-19

- Reinstated the Parks Maintenance Department's mistletoe removal program
- Re-established irrigation systems in the City's median islands that were abandoned due to State orders related to drought
- Completed clearance trimming of City trees planted in the right-of-way that overhang City streets
- Successfully navigated through rapidly evolving CDC and local health department regulations related to sanitizing public spaces and modifications to public

Goals & Performance Measures

- Continue to seek out new revenue sources to support departmental activities, vision, and goals
- Develop Memorandum of Understanding specific to user groups and seek City Council approval
- Develop a land banking strategy with the goal of securing land for future park development
- Analyze participation in recreation leagues and camps with the goal of increasing registration levels
- Reintroduce the 4th of July Golf Tournament and Fireworks Celebration
- Assist in negotiating a successful contract with a third party to manage the municipal golf course

- Complete a cost for service study to provide measurement data

Department Fund Summary

Department-wide temporary staffing reductions and re-assignments occurred in FY 2019/20 as a direct result of the reduction/elimination of recreation programming due to the onset of the COVID-19 pandemic.

Several full-time staff members have been temporarily re-assigned to other departments, these temporary assignments are expected to continue until December 2020 or until programming expands to the extent their services are required.

Actual changes are as follows:

- Recreation Supervisor to Grants
- Recreation Coordinator (Aquatics) to Planning
- Recreation Coordinator (Facilities/Rentals) to Parks Maintenance
- Recreation Coordinator (Sports) to Park Maintenance
- Administrative Assistant to Utility Billing

In addition to the re-assignment of full-time staff, all part-time staff were temporarily released except for the Parks Maintenance and Landscape Maintenance District programs.

The current budget reflects the assumption that the re-hire of part-time staff will be phased in as programming resumes.

Department Staffing & Structure

The Parks and Community Services Department is responsible for 11 individual budgets, which include:

- Administration
- Aquatics
- Golf Course
- Landscape Maintenance District (LMD)
- Median Islands
- Sports
- Recreation
- Centers
- Senior Services
- Special Events
- Park Maintenance

The FY 2020/21 budget document reflects budgetary assumptions and/or reductions related to changes deemed necessary due to the downward trend of the local economy in recent months.

This downturn is projected to continue at some level into the next fiscal year.

Budgetary changes across all divisions as compared to FY 2019/20 Adopted Budget are as follows:

- *Maintenance and Operations:* Reduced by approximately 5 percent or \$53,000
- *Revenues:* Reduced by approximately 34 percent or \$324,000
- *Part-time salaries:* Reduced by approximately 36 percent or \$283,000 (base rate only)
- *Golf Course:* Revenues paid to the City by the golf course contractor were reduced by

\$20,000 per year (base rate) and by \$0.75 per round of golf played

Administration

The Administration Division is devoted to the management and oversight of the entire PCS Department. Specific functions include management of the department's purchasing, safety, policy, grant-making, grant management, procedures, marketing, as well as all fiscal and contractual functions.

Aquatics

The Aquatics Program Budget provides for maintenance, operations, and staffing of the city's swimming pool complex. Revenue is received from a variety of sources including swimming lessons, special events, and pool rentals.

Golf Course

The PCS Department oversees the Golf Course Budget which supports a contract with a private vendor who manages the operations and maintenance of the city's municipal golf course.

LMD

The Landscape Maintenance District Budget is used to support staff efforts to maintain landscaping in the city's 80 distinct zones. Revenues are made up solely of assessments paid by individual parcel owners with their biannual property tax payment.

Median Islands

The Median Island Budget provides for landscaping maintenance and upkeep of median islands throughout the city. Gas tax is

the sole source of revenue for the activities reflected within this cost center for the 2020/2021 fiscal year. This work is contracted to an outside vendor.

Sports

The Sports Budget reflects revenues and expenditures related to youth and adult sports programming. The PCS Department provides organized, fee-based sport leagues and tournaments for Madera residents of all ages. Basketball, softball, T-Ball, flag-football, and soccer are among the department's many sports offerings.

Recreation

The Recreation Budget reflects revenues and expenses necessary to support maintenance

and operations, materials, and staffing associated with delivering recreation programs and activities.

Centers

The Centers Budget provides for personnel and maintenance and operations for the department's community centers. Centers included are: John W. Wells Youth Center, Pan-American Community Center, Bergon Senior Center, Youth Hut, Mexican American Center, Millview Center, and the skatepark.

Senior Services

The Senior Services Budget funds the operations of two senior centers and associated programming for senior citizens. Included in this budget are senior recreation

programs, enrichment classes, day trips, and costs associated with providing congregate and homebound meal programs to eligible seniors.

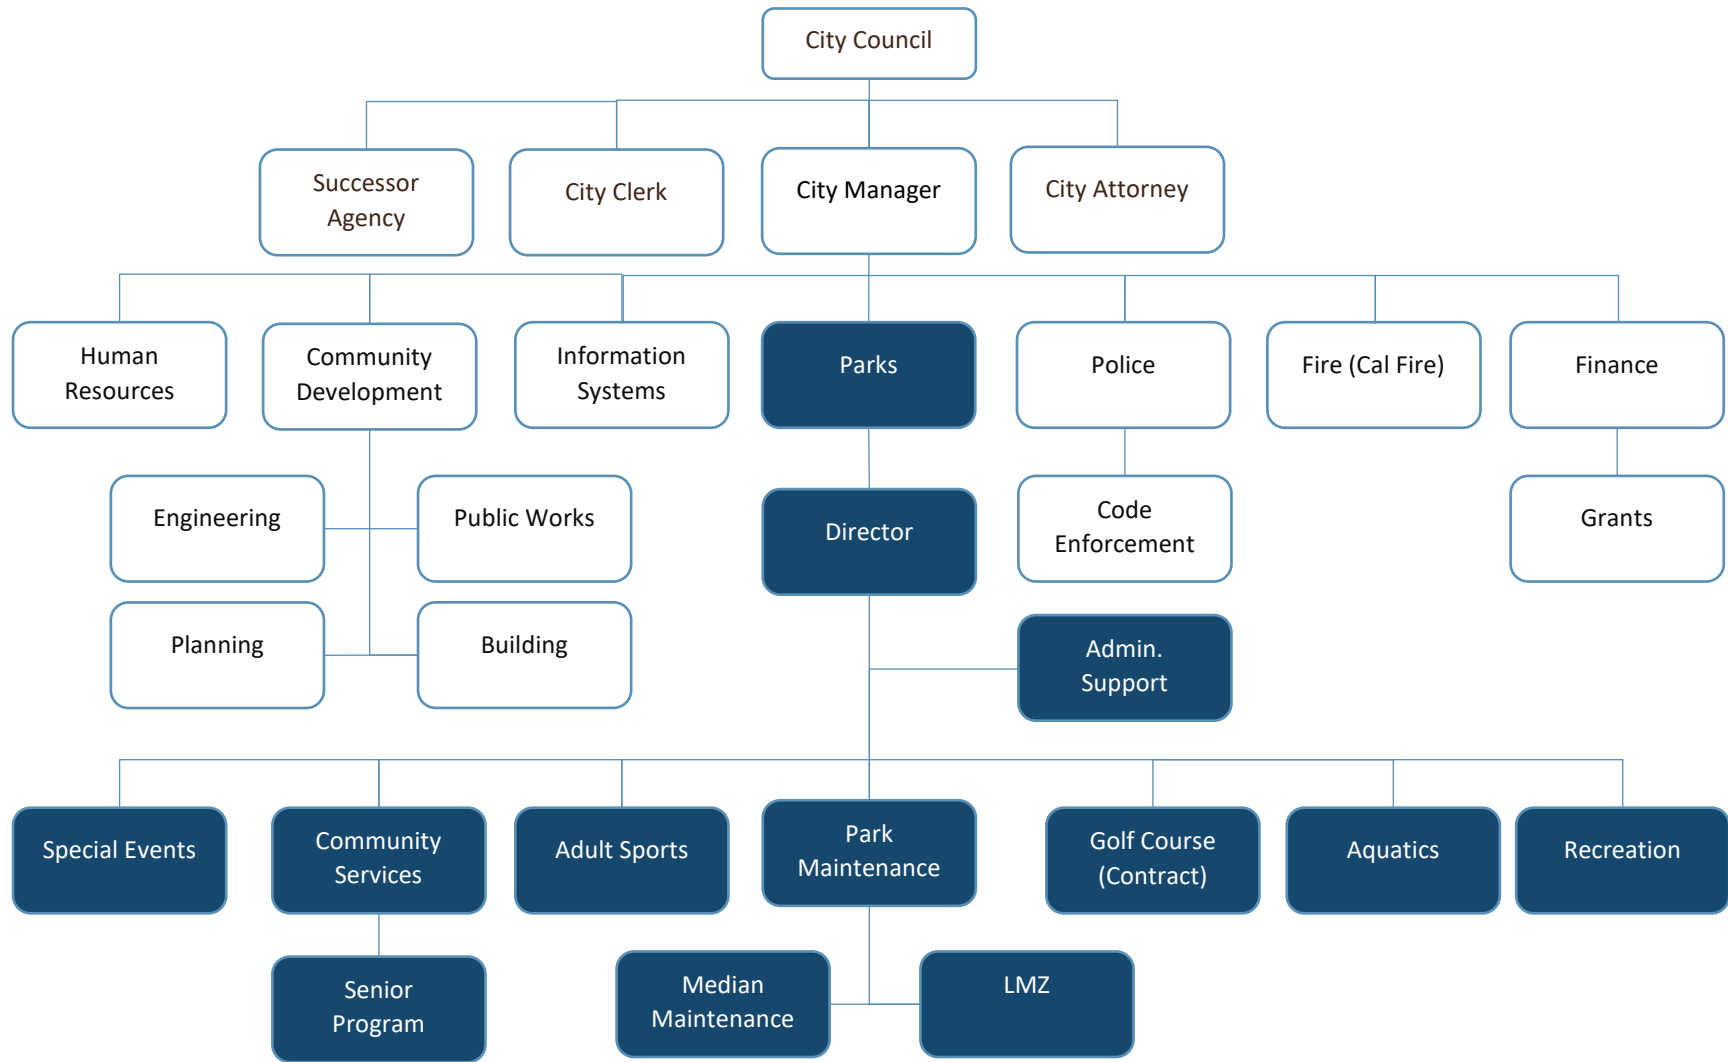

Special Events

The Special Events Budget details revenues and expenditures for community events including golf tournaments, Movies in the Park, the Pomegranate Festival, and others.

Park Maintenance

The Parks Maintenance Budget funds full and part-time personnel engaged in the maintenance of all the city's park, trail, and public green space. Day-to-day operations include maintenance of turf, trees, landscape, trails, public restrooms, picnic areas, and pavilions.

ENTERPRISE FUNDS OPERATING BUDGET OVERVIEW

Enterprise funds are municipal services that are funded through fees charged to partly or wholly cover the costs of the services provided. Enterprise activities are roughly analogous to a private sector business. In FY 2020/2021, the enterprise funds are projected to generate \$35,500,076 million in operating revenue and \$36,683,349 in operating expenditures.

Water Fund

The Water Fund is funded by user fee revenue which pays for the operations and maintenance of the municipal water system including 19 wells, a one million gallon above ground storage tank, miles of distribution mains, and approximately 13,000 water meters and services. The fund supports the city's efforts to provide clean water to the community, conserve water resources, and to plan for future growth. The total capital request for FY 2020/21 is \$1,368,750. In January 2020, the last of five water rate adjustments was implemented which will result in an increase of approximately 4.4 percent in revenues.

Sewer Fund

The Sewer Fund is funded by user fee revenue which pays for the maintenance and operation of the sewage collection system and the Waste Water Treatment Plant (WWTP). There are \$500,000 of new capital projects scheduled for FY 20/21. The FY 20/21 budget requests funds for updates to the WWTP facilities in addition

to ongoing WWTP upgrades and an Infrastructure Study.

Solid Waste Fund

The Solid Waste Fund is funded by user fee revenue which pays for solid waste collection and street sweeping. When the solid waste rates were set several years ago, revenues exceeded expenditures in excess of the goal of 20-30 percent of the annual operating expenses. Along with user rates being reduced by 15 percent in prior years and projected to stay flat for five years, annual deficits were programmed for the subsequent five years. The deficit for the proposed FY 20/21 Solid Waste budget is projected to be approximately \$186,900.

Drainage Fund

Drainage user fees are expected to remain level in FY 20/21 at approximately \$853,000.

Airport Fund

The Airport Fund is projecting a deficit in FY 2020/21 of \$667,300. The airport is funded by user fees and rental and lease income. Some of the major capital expenses are eligible for grant assistance from the state and or federal government.

As of June 30, 2020, the airport will owe approximately \$113,921 on a loan that was borrowed for the purpose of building 14 hangars, with the final installment due in 2023. Currently, the airport leases nearby land for agricultural purposes and receives

approximately \$170,000 annually. However, with continual state mandates for water reduction, this revenue source may be eliminated if farming within the city limits is identified as a method for major water use reduction. Additional revenues are being saved for future improvements.

Golf Course Fund

The golf course is operated by a third-party vendor. As of June 30, 2019, the Golf Course Fund's unrestricted net position was \$(544,248). This negative balance is indicative that the fund does not cover its operating expenses with annual revenues. Due to a lack of revenue, the General Fund supports the Golf Course Fund with annual transfers-in.

Local Transit Fund

The Local Transit Fund consists of both the Madera Metro fixed route system and Dial-A-Ride (DAR). The Transit Fund is currently funding approximately \$305,000 in capital outlay. The new transit center with its interior and exterior furnishings was completed in 2020 along with the purchase of new buses. Revenues are generated through federal and state grants as well as local transportation funds and fare collections. Much of the capital outlay is funded by Special Revenue Funds.

SPECIAL REVENUE FUNDS BUDGET OVERVIEW

Special Revenue Overview

Special Revenue Funds are established to track and report monies that must be expended for specified purposes. The following is a summary of the various accounts that collectively make up the Special Revenue Funds:

Special Gas Tax

This major fund increased by \$3 million in fund balance during FY 2019. This fund excess goes toward public works and transportation for street maintenance. Gas tax revenues for streets and roads are received from multiple sources monthly from the State Controller's Office. Funds are transferred to the Streets Department through the annual budget process to support the streets operations and projects.

Regional Surface Transportation Program (RSTP) Exchange

This fund provides flexible funding for projects to preserve and improve Federal-Aid highway, bridge, and tunnel projects on public roads, pedestrian and bicycle infrastructure, and intercity passenger projects. Funds are received as reimbursement for costs incurred.

State Transportation Improvement Program (STIP)

A multi-year capital improvement program of transportation projects on and off the State Highway System. Funds are programmed within the Madera County region to prioritize

regional projects. There are currently no projects scheduled to receive STIP funds.

Proposition 1B SLPP

State Program created by the Road Repair and Accountability Act of 2017 (Senate Bill (SB) 1) to provide funding to local and regional transportation agencies that have sought and received voter approved taxes (i.e. Measure T) and enacted fees for Road Maintenance and Rehabilitation (RMRA) projects. Projects require a 50 percent local match. Funds are received as reimbursement for costs incurred.

Road Maintenance & Rehabilitation Account (RMRA)

Utilized to address road maintenance, rehabilitation, and critical safety projects, this fund was created by the Road Repair and Accountability Act of 2017, SB 1. These funds are received monthly from the state.

Measure A

A ½ cent sales tax for local transportation projects collected from 1990 to 2005. The remaining fund balance has been designated for a specific project.

Measure T

Current ½ cent sales tax for local transportation projects and programs. It is a 20-year program that sunsets in 2027 that funds highway and road capital projects designed to improve traffic safety; relieve congestion; and leverage

other state and federal funds. Funds are received quarterly from Madera County.

San Joaquin Valley Air Pollution Control District (SJVAPCD) REMOVE II Grant

This grant provides funding for projects consistent with the goals of the SJVAPCD.

Transportation

Prop 1B Public Transportation Modernization, Improvement and Service Enhancement Account (PTMISEA)

This program is aimed at transit modernization and improvement and service enhancement. This program is currently being used to fund a portion of the transit facility. Funds are received as reimbursement for costs incurred.

Low Carbon Transit Operations Program (LCTOP)

This program provides funding to be used by transit operators to reduce greenhouse emissions. The City has utilized these funds to improve transit stop amenities.

Local Transportation Fund (LTF)

This program is to fund Public Transportation including planning and program activities, pedestrian and bicycle facilities, community transit services, and bus and rail projects. Additionally, LTF may be used for construction and maintenance of local streets and roads. It is a component of the Transportation Development Act (TDA).

Sustainable Communities Grant

Grant program created to maintain and integrate multi-modal transportation, also from the Road Repair and Accountability Act of 2017, SB 1.

Parks

Housing Related Parks Program (HRPP) Grant

Grant funding for the creation and renovation of parks and community recreation facilities.

Tire Derived Products (TDP) Grant

This grant is administered by California Department of Resources Recycling and Recovery (CalRecycle) to promote markets for recycled-content products derived from waste tires generated in California and decrease the adverse environmental impacts created by unlawful disposal and stockpiling of waste tires.

Chukchansi Grant

This grant is currently funding one project in the CIP Program.

Development Impact Fees (DIF)

There is a Local Fee imposed on new development to fund the city's capital facilities. Revenues depend on development activity. Funds are collected during the permitting process and deposited into multiple assigned accounts, each having a specific purpose.

Special Districts

Parking District Operations

Established by the city, this fund supports the acquisition, construction, installation or maintenance of parking facilities, street lighting, refuse receptacles, benches, parks, or fountains in the downtown area. The city serves as the fiscal agent and participants are billed quarterly. Currently, funds are used to pay for a part-time parking enforcement officer, refuse collection, gardening services, and a portion of the crow abatement program.

Business Improvement District

Established by the city, this program supports activities, and promotes events and tourism within the Business Improvement District. The city serves as the fiscal agent and participants are billed quarterly. The city remits the funds to the Madera Downtown Association quarterly, less expenses it incurs.

Community Facilities Districts (CFD)

CFD 2005-1 Special Tax for city services and CFD 2006-1 Special Tax for debt service on infrastructure improvements.

Landscape Maintenance Districts (LMD)

Funding for landscaping in 80 defined zones within the city. Special assessments are prepared in accordance with the Streets and Highway Code.

Federal Aid

Active Transportation Program (ATP)

State program that consolidates existing Federal and State transportation programs, including Transportation Alternatives Program (TAP), Bicycle Transportation Account (BTA), and State Safe Routes to School (SR2S) into a single program. Currently, this program is funding one CIP project (PK-00008). Funds are received as reimbursement for costs incurred.

Bridge Preventive Maintenance Program (BPMP)

Intended to maintain existing inventory of bridges and is currently funding one CIP project (B-000004). Funds are received as reimbursement for costs incurred.

Congestion Mitigation & Air Quality Program (CMAQ)

Intended to fund transportation projects that will contribute to attainment of national air quality standards. Currently funding six CIP projects (ALY-0002, R-000037, R-000057, R-000062, R-000068, and TS-00019). Funds are received as reimbursement for costs incurred.

Highway Safety Improvement Program (HSIP)

Federal aid program available to states for achieving a significant reduction in fatalities and serious injuries on public roads. This program currently funds two CIP projects (R-000031 and R-000066). Funds are received as reimbursement for costs incur.

Housing

Home/CalHome Down Payment Assistance and Program Income

Grant money to assist first-time home buyers with down payment assistance. Funds recaptured from loan payments are deposited into Program Income to be used for further down payment assistance.

CalHome Manufactured Housing Rehabilitation and Program Income

Grant money to assist with the rehabilitation of manufactured housing. Funds recaptured from loan payments are placed into Program Income to be used for further rehab assistance.

Law Enforcement Grants

Supplemental Law Enforcement Services Fund (SLESF)

Funds allocated to provide front-line law enforcement services.

Justice Assistance Grant (JAG)

Funds allocated for the purpose of enforcing State and local laws improving the criminal justice system, with an emphasis on preventing violent crime. Grants may provide for personnel, equipment, training, technical assistance, and criminal justice information systems for the more widespread apprehension, prosecution, adjudication, detention, and rehabilitation of persons who violate criminal laws.

Tobacco Law Enforcement Grant

Department of Justice Grant funds to be used for police activities relating to the reduction of illegal sales and marketing of tobacco products to minors.

CFD SPECIAL TAX REFUNDING BOND

The City issued special tax and assessment bonds on behalf of property owners, pursuant to the Improvement Bond Act of 1915 and the Mello-Roos Community Facilities Act of 1982, to finance the acquisition and construction of certain infrastructure improvements within the assessment districts and community facilities districts.

The City acts solely as an agent for those paying special tax and assessments and remits the amounts collected to the bondholders. The City is acting as an agent and is in no way liable for the special assessment debt and, accordingly, the debt is not recorded in the financial statements.

GRANTS DEPARTMENT

Department Summary

The mission of the Grants Department is to provide exceptional grant administration, resources and development to advance the City's vision and mission.

The Grants Department is part of the Finance Department. The Grants Department manages

a portfolio of grants and pursues ongoing grant resources from federal, state and local government agencies for various City Departments, oversees the City's Transit Division, manages the Community Development Block Grant Program, and oversees the Owner-Occupied Rehabilitation (OOR) Program and the Down-Payment Assistance Program (DAP).

Department Functions

- Grants development consists of researching grant opportunities to determine if the City is eligible and well-positioned to pursue a grant, identifying prospective partnering agencies, and developing grant applications. Grants administration includes management of awarded grants, including reporting, budgeting, compliance monitoring, project implementation and grant close-out. Project implementation includes ensuring that the obligations under the grants are fulfilled, including project completion
- The Transit Division operates three fixed routes within the city limits and a curb-to-curb service that extends into specific areas of the county (Dial-A-Ride)
- The Community Development Block Grant (CDBG) program receives an annual allocation from the U.S. Department of Housing and Urban Development (HUD), of approximately \$900,000. Funds are then distributed to local agencies to carry out projects and services benefiting city residents, which must be consistent with HUD national goals and objectives
- The housing programs (Down Payment Assistance and Owner-Occupied Rehabilitation) provide interest-free, 30-year deferred-payments loans to qualifying owner-occupied households for first-time homebuyer down-payment assistance or owner-occupied home rehabilitation projects

The Grants Department provides the administration, resources and support necessary to:

- Coordinate activities with outside agencies, other City Departments, boards and commissions, and local officials to support the City's grant funding goals and/or to implement grant funded activities
- Ensure that the Transit Division's funding and activities align with demand for service, the input provided by the Transit Advisory Board, Council, and priorities identified through the Unmet Transit Needs process
- Manage entitlement grant program processes ensuring compliance and effective use of program funds
- Coordinate and facilitate Block Grant Commission, Transit Advisory Board and Loan Review Committee meetings
- Release relevant program information to the public through press releases, media advisories, and/or through television or radio programs
- Support general City projects; such as, Census 2020 outreach efforts, homeless initiatives, or developing staff reports for general/miscellaneous projects
- Provide translation or interpretation support; such as, interpreting during Council meetings, during community meetings, reviewing/editing City publications, or assisting other City Departments with a variety of translation requests

Responsibility

Key Accomplishments

Overview of accomplishments in FY 2019/20:

- Secured \$18.5M in funds during last calendar year (2019) in collaboration with other City departments and outside agencies
- Received a grant award in the amount of \$11.4M for the Downtown Madera Veterans and Family Housing project
- Completed the development of the Madera Transit Center which will serve as the new operations hub for Madera Metro
- The completion of this project expands office space from 975 ft. to 3,200 ft., providing 35 parking spaces for bus fleet, a bus wash, a training room, and other transit amenities for transit employees and the public
- Received American Public Works Association 2019 Project of the Year award for the Madera Transit Center for the Less than \$5M Construction Cost Buildings/Structures category
- Transit provided bus transportation service to 143,788 individuals on two fixed routes and Dial-A-Ride services
- Continued to operate Route 3 to MCCC during its third-year pilot period. Ridership during this year was 8,462 passengers (2019)
- Furthered the transit system's rebranding efforts by adopting a new logo for Madera Metro
- Secured a California Housing and Community Development HOME grant in the amount of \$500K to be used for first-

time down payment assistance for new homeowners

- Procured seven new buses for Madera Metro with a total cost of \$1.1M
- Eliminated fares during the Covid-19 emergency period to enhance safety for the public and bus drivers. This safety measure also provided an economic benefit for low-income riders.
- Organized a virtual ribbon cutting event to inaugurate the Madera Transit Center

Goals & Performance Measures

Grants

- Research new grant opportunities and make applications to expand the grants portfolio by diversifying the type of grants that are submitted, to develop a minimum of six new competitive applications for other City Departments; such as Planning, Parks, Engineering, and Public Works departments
- Submit ongoing applications to support the transit system, CDBG, and to develop the Grant Department's housing programs
- Carry out 2020/24 Consolidated Plan, Analysis of Impediments to Fair Housing Choice and 2020/21 Action Plan and ensure their approval by HUD
- Develop strategies in collaboration with CDBG-funded agencies and City Departments to improve timeliness of project completion and Federal Guidance compliance
- Provide training to CDBG-funded non-profits in the area of CDBG national

objectives, eligible activities and CDBG regulations

Housing

- Continue to process and use HOME and CalHOME program funds and program income to issue a minimum of eight new loans, should funds be available
- Apply for HOME and CalHOME grants as notices are released to continue to support residents with these resources
- Expand marketing efforts to enlist new homebuyer and home rehabilitation prospects as funding for projects allow

Transit

- Continue to monitor and secure federal and state allocation grants as well as competitive grants for revenue sources to sustain and advance transit services
- Provide contract oversight to ensure the provision of high-quality, cost-effective, and customer-focused transit services
- Improve outreach and communication with the public regarding transit services availability, and opportunities for engagement

Department Fund Summary

The Grants Department manages multiple division and program budgets as follows:

General Grants Oversight

This budget will provide the general administration of the City's current grant awards and programs. It will also fund the

City's efforts to pursue additional resources and develop new programs.

Transportation Dial-A-Ride

The Dial-A-Ride budget supports a curb-to-curb transportation system that provides service to all locations in the city and in some locations in the county.

Transportation Fixed Route

The fixed route system provides regular transportation within the City from bus stops along predefined routes. The City operates two fixed routes in the City and one to Madera Community College Center.

Madera Metro Capital Outlay

The Madera Metro Capital Outlay budget provides for the acquisition of long-term assets such as new buses, development of the transit center, bus stop amenities, etc.

CDBG Administration

The Community Development Block Grant provides administration as well as efforts to promote affordable housing, reduce homelessness, and to address impediments to fair housing.

CDBG Public Improvement

The Community Development Block Grant provides for projects City Council has allocated through subgrantee awards to City Departments or agencies to carryout capital projects identified in the 2019/2020 CDBG Annual Action Plan.

CDBG Public Service

The Community Development Block Grant provides for the programs and projects Council has allocated for through subgrantee awards to local agencies to carryout priorities identified in the 2019/2020 CDBG Annual Action Plan.

CalHOME and HOME

This includes grants received from the California Department of Housing and Community Development to carryout housing activities; such as, providing loans for first-time homebuyer down payment assistance or owner-occupied rehabilitation projects.

Parking District Operations

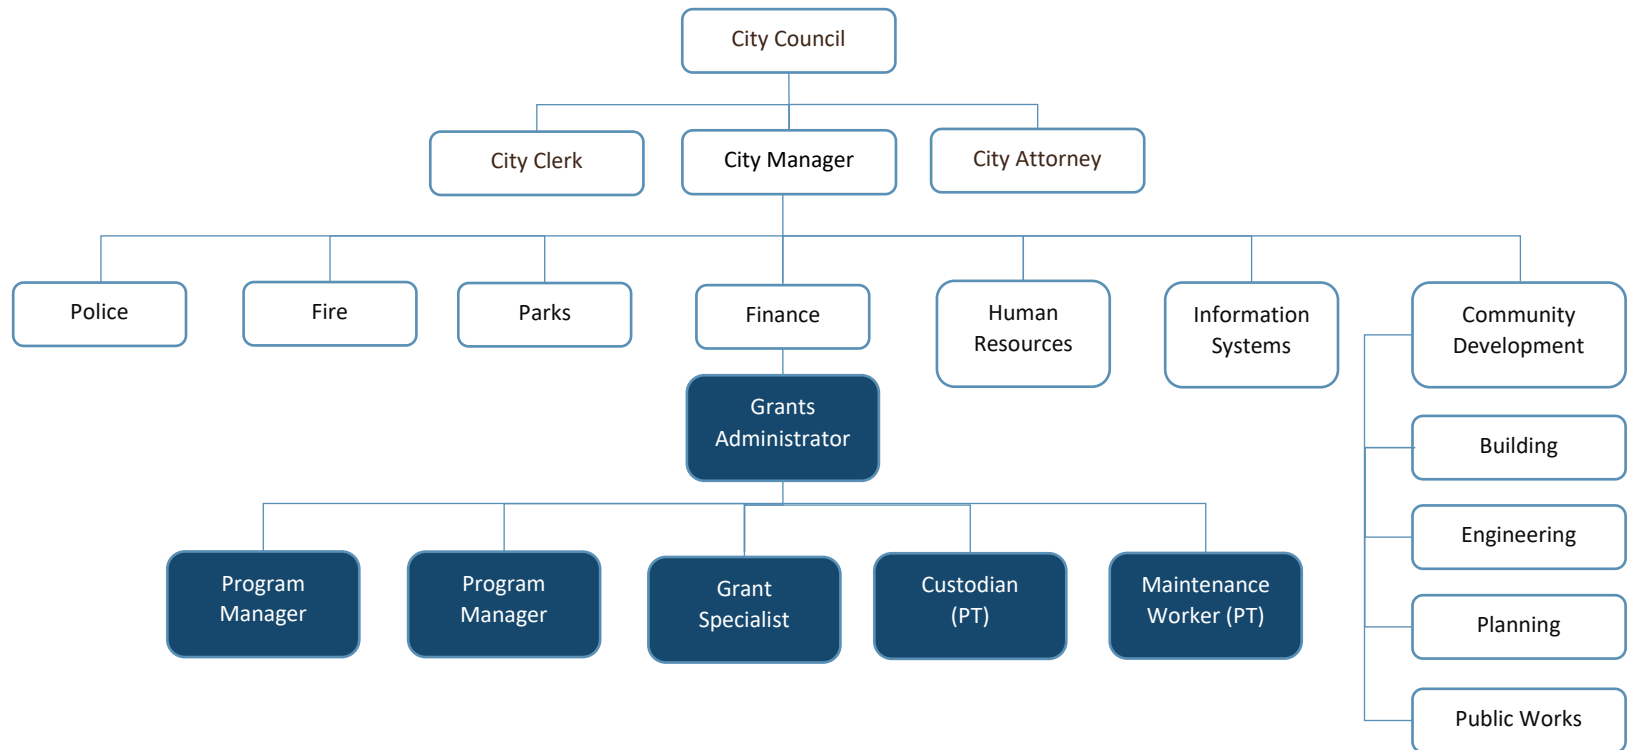

This budget supports the activities carried out by the Parking Enforcement Officer. This non-sworn officer patrols a designated area in downtown and issues citations to motorists who violate our vehicle ordinances.

Department Staffing & Structure

The Grants Department is staffed by a Grants Administrator, a Program Manager, an Interim Program Manager, a Grant Specialist, an Intermodal Custodian (PT), and a Maintenance Worker III (PT).

In addition, the department's budgets cover cost for other full-time and part-time personnel to carryout activities associated with the Grants Department's projects, which include two Mechanic I in Public Works, a Fleet Operations Manager, and an Accountant II.

Grants Department Organization Chart

Department Functions

- Grants development consists of researching grant opportunities to determine if the City is eligible and well-positioned to pursue a grant, identifying prospective partnering agencies, and developing grant applications. Grants administration includes management of awarded grants, including reporting, budgeting, compliance monitoring, project implementation and grant close-out. Project implementation includes ensuring that the obligations under the grants are fulfilled, including project completion
 - The Transit Division operates three fixed routes within the city limits and a curb-to-curb service that extends into specific areas of the county (Dial-A-Ride)
 - The Community Development Block Grant (CDBG) program receives an annual allocation from the U.S. Department of Housing and Urban Development (HUD), of approximately \$900,000. Funds are then distributed to local agencies to carryout projects and services benefiting city residents, which must be consistent with HUD national goals and objectives
 - The housing programs (Down Payment Assistance and Owner-Occupied Rehabilitation) provide interest-free, 30-year deferred-payments loans to qualifying owner-occupied households for first-time homebuyer down-payment assistance or owner-occupied home rehabilitation projects
-

Responsibility

The Grants Department provides the administration, resources and support necessary to:

- Coordinate activities with outside agencies, other City Departments, boards and commissions, and local officials to support the City's grant funding goals and/or to implement grant funded activities

CDBG Public Service

The Community Development Block Grant provides for the programs and projects Council has allocated for through subgrantee awards to local agencies to carryout priorities identified in the 2019/2020 CDBG Annual Action Plan.

CalHOME and HOME

This includes grants received from the California Department of Housing and Community Development to carryout housing activities; such as, providing loans for first-time homebuyer down payment assistance or owner-occupied rehabilitation projects.

Parking District Operations

This budget supports the activities carried out by the Parking Enforcement Officer. This non-sworn officer patrols a designated area in downtown and issues citations to motorists who violate our vehicle ordinances.

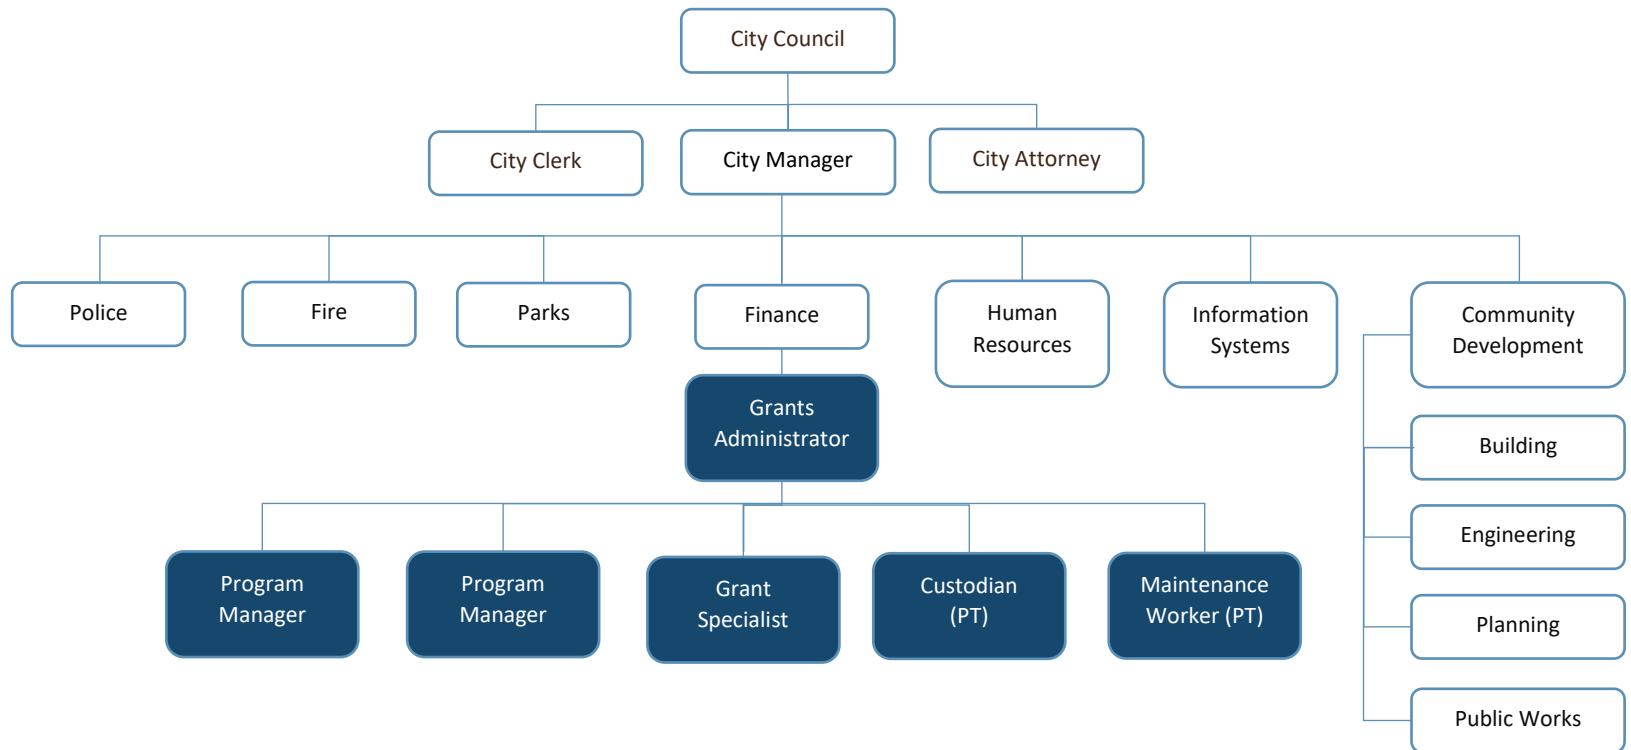

Department Staffing & Structure

The Grants Department is staffed by a Grants Administrator, a Program Manager, an Interim Program Manager, a Grant Specialist, an Intermodal Custodian (PT), and a Maintenance Worker III (PT).

In addition, the department's budgets cover cost for other full-time and part-time personnel to carryout activities associated with the Grants Department's projects, which include two Mechanic I in Public Works, a Fleet Operations Manager, and an Accountant II.

INTERNAL SERVICE FUNDS

BUDGET OVERVIEW

Internal Service Funds are used in governmental accounting to track services provided internally to the organization. The City currently operates three internal service funds:

- Facilities,
- Fleet, and
- Computer Acquisition and Maintenance

Each department in the organization is charged for the services provided by the internal service fund through interfund transfers.

The following is a summary of each:

Facilities

Each department is charged a facility fee. Allocations are based on the square footage of the area occupied by the department and a time study of facility personnel.

Fleet Management

The City maintains a plethora of vehicles. Each department is charged a fee based on number and type of vehicles assigned to the department. Replacement of vehicles is also included based on the number and type of vehicles and useful life estimates for replacement, whereas motor pool charges are based on the prior year's usage.

Information Services

Computer services, provided by the City's Information Technology Department, are

charged based on computer users per department taking into consideration all peripherals, servers, and licenses required to maintain and upgrade the current technology.

Budgets for Internal Service Funds are designed to balance.

The exceptions are the fleet and computer replacement funds, where money is set aside for each department in both funds so when vehicles and computers have reached the end of their useful life, funds are available for replacements. Some years will experience greater revenues than expenses and vice versa, which largely depends on the number of vehicles and computers slated to be replaced in that period. Each fund tracks the balances available by department and determines when equipment should be replaced.

FLEET

Fleet

The Fleet Division manages the purchasing and maintenance of city's vehicles including police cars, construction equipment and other Public Works vehicles. Maintaining these assets in safe, optimal condition not only helps ensure public and worker safety, it reduces overall repair expenses and long-term replacement costs.

The Fleet Maintenance program funds labor, parts, services, and lubricants necessary to maintain the City's fleet of vehicles. This program funds asset replacement and vehicle outfitting. Cost-effective vehicle procurement is achieved through cooperative purchasing agreements and bidding processes. Fleet assets enable client departments to achieve their operational mission in a safe, efficient manner. The Fleet

Vehicle Replacement program is funded through a replacement charge for each vehicle or piece of equipment in service, based on the actual costs of vehicle procurement divided by the expected life of the vehicle. Additional revenue is collected from the sale of retired city fleet assets at auction.

The Motor Pool is a fairly new program within Fleet that serves to utilize vehicles more effectively and reduces the need to keep more vehicles on hand than necessary. Employees that only drive city vehicles occasionally can reserve motor pool vehicles prior to the need or can check out a car on a walk-up basis. This program allows multiple departments to share the cost of a few vehicles, rather than having individual departments paying for a vehicle that may be underutilized.

INFORMATION SERVICES

Department Summary

The Information Services Department (ISD) operates under the direct leadership of the City Manager.

The ISD centrally manages the Information and Technology assets, planning, support and alignment of the City's technology infrastructure with departmental business needs and requirements.

The mission of the ISD is to connect employees within the city government and to connect residents to their government.

The department strives to promote the effectiveness and efficiency of government and build stronger connections through reliable and secure infrastructure and applications, responsive service delivery, and greater transparency of information.

Responsibility

The ISD provides the organizational support necessary to:

- Maintain the computer, network, and phone system

- Build a strong, secure internal network
- Provide proactive infrastructure planning, replacement and upgrading
- Provide high level technical problem solving and troubleshooting
- Provide digital resource management and security
- Ensure that everyone has the technical resources they need to do their job effectively
- Provide clear and concise information to the community, via public applications and customer portals

Hardware maintained by ISD:

- 12 Server Rooms
- 81 Servers\Virtual Servers
- 30 Network Switches
- 13 Phone Switches
- 27 Battery Backups
- 5 Firewalls
- 3 Routers
- 123 Mobile Devices
- 292 Workstations\Tablets
- 4 Large Data Storage Clusters
- 2 Tape Backups
- 247 Desk phones
- 30 Access Points

Software maintained by Information Services:

- Munis enterprise resource planning software
- Microsoft users accounts

- Office 365 accounts
- GIS mapping software
- System backups
- Virus protection
- Public safety software support
- Multiple department specific applications
- Network monitoring

Key Accomplishments

Overview of accomplishments in FY 2019/20:

- Implemented Virtual Council meetings along with other City meetings
- Responded to COVID-19 with emergency computer kits, including dual monitors and video conferencing, allowing people to evacuate a building in minutes if necessary and have full-functionality at home
- Finalized the desktop computer upgrade of full-time personnel, thereby increasing productivity and security
- Refreshed the hardware on older computers for use in computer labs
- Completed the citywide computer upgrade to i7 processors for increased performance and longevity
- Finalized the upgrade of the entire network to Windows 10, Office 365, and Server 2019
- Finalized the AT&T construction at the Water Tower, with an estimated revenue of \$655,000 to the city over 25 years
- Replaced two aging core switches at City Hall and the Police Department to an

upgraded model that has built-in redundancy to avoid system failure

- Upgraded the battery backup systems at City Hall and remote locations

Goals & Performance Measures

The following IT strategic projects are the main department goals for this year. They either enable better service delivery citywide, mitigate a potential critical issue, or create the potential for significant citywide savings.

Information Services plans to achieve the following:

- Upgrade the batteries at the Police Department for better power failover protection
- Finalize the Implementation of a geographic information system server for use with the Munis ERP programs and enable staff to maximize use of the field worker apps that are part of the new ERP software
- Finalize the configuration of a new network monitoring system, critical network tools, and help desk software systems to decrease response times for computer, server, and network issues
- Implement a Network Security audit and Penetration testing
- Continue to support city departments with the all aspects of their technology needs in a timely and effective manner
- The implementation of the Munis Customer Self Service and Munis Incident Management to allow the public to interact directly with city departments to

pay bills, report issues such as animal control complaints or potholes and many more features

- Launch the Madera Transparency Portal which will give the public current access to view the city's financial information
- Complete the implementation of the Munis ERP software to allow the final shutdown of the city's 25-year-old legacy system and move Utility Billing into the Munis system
- Virtualize the servers at the Wastewater Treatment Plant for increased redundancy and added disaster recovery protection
- Add additional security cameras at Public Works and the Engineering Building
- Build out video conferencing rooms throughout the city to save time on staff travel and possible social distancing
- Replace the Munis cluster hardware with new equipment and use the old hardware for redundant off-site backups
- Research and implement the best practices related to information services and innovation in both software and hardware
- Recommend new technology that will help support the city's service delivery and communication with the public

Department Fund Summary

The Information Services Manager is responsible for two distinct budgets:

Computer Operations and Maintenance

The Computer Operations and Maintenance budget provides for servicing and maintaining

all the technology equipment owned by the city. All city departments are supported by minimizing costs, maximizing uptime, the regular refreshing of equipment, updating of software, and the use of support tools.

Computer and Equipment Replacement

The Information Systems Computer and Equipment Replacement budget is a fully funded internal service fund. All current Information Services equipment has been inventoried, assigned a replacement value, and assigned a replacement lifecycle. This will ensure that costs are allocated to departments correctly and that all IS assets will be funded and regularly replaced. A replacement fund is maintained to ensure funds are available when needed. Pro-rated annual contributions are made by the departments to this fund based on capital cost and expected life of the equipment.

Methods of Maximizing City Funds

With the constantly changing nature of technology, it is imperative that this department focuses not only on new technology, but in maximizing the actual return of value for expenditure as that technology is implemented.

Information Services applies the following methods:

- Repurposing old servers for non-critical applications (approximate savings of \$110,000)
- Refreshing and repurposing desktops for computer labs and low-use computers (approximate savings of \$35,800)
- In-house installation, repair, and upgrades (approximate savings of \$10,000-\$25,000)

- Self-warranties on serviceable and non-critical equipment (approximate savings of \$25,000)
- Reusing the Storage Area Network for fast offsite backups (approximate savings of \$50,000)
- Competitive bidding and individualized quotes (approximate savings of \$35,000)
- Preventative maintenance and as such (savings are undeterminable)

Department Staffing & Structure

The Information Services Manager is a department head level position and reports directly to the City Manager. All other members of the Information Services Department report directly to the Information Services Manager. The other positions include the Tyler Munis Project Manager, two Network Administrators, and two Network Technicians.

CITY
DEBT

DEBT SERVICE

The City implemented a Debt Management Policy on October 18, 2017 by adopting Resolution 17-163. The Debt Policy has been developed to provide guidance in the issuance and management of debt and is intended to comply with Government Code (GC) 8855(i) which became effective January 1, 2017. Consistent with the requirements of GC 8855(i), the policy includes the purpose of the debt, type of debt that may be issued, relation of the debt to the capital improvement plan (if applicable), policy goals and internal control procedures to ensure that the proceeds of the debt issuance will be directed to the intended use.

The policy provides guidance for maintaining sound financial position while designing the debt issuance. The goals of the policy include ensuring flexibility in response to future service demands, changing revenue streams, fluctuations in operating expenses and meeting capital improvement objectives. Long-term debt may be issued to finance or refinance the construction, acquisition, and rehabilitation of capital improvements, equipment, and land. All debt must be approved by the City Council. Short-term debt may be issued for operational cash flow or short-lived assets. The issuance of debt must not constitute an unreasonable burden to taxpayers, ratepayers or constituents.

The following is a detailed description of the City's long-term debt:

GENERAL FUND

Enterprise Resource Planning (ERP) and Fire Truck

In August 2015, the City entered into a five-year equipment lease/purchase agreement for the purchase of an Enterprise Resource Planning (ERP) system installed at the City Hall and a fire truck. The ERP and the fire truck were financed through Holman Capital Corporation. Holman Capital deposited \$1,540,065 into an Escrow Fund with Community Business Bank, who acts as the escrow agent. The ERP (\$835,065) and the fire truck (\$705,000) will become the property of the City when all terms of the lease agreement are met. The purchase price of the equipment was \$1,540,065 and is payable in semi-annual payments (\$165,715.47) over a period of five years. The effective interest rate on the contract is 2.71%. At June 30, 2020, the outstanding balance was \$165,715.47 and will be paid off August 2020.

Annual Debt Service for ERP and Fire Truck			
<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2021	\$163,500	\$2,215	\$165,715

Solar Energy and HVAC Upgrade Project

The City approved a lease/purchase agreement in the amount of \$19,432,000 with the Bank of America in December 2019 to finance a comprehensive energy savings project. The City approved a resolution to enter into an agreement with ENGIE Services U.S. Inc. (ENGIE) in November 2019 to design and install various energy improvements at 17 different City locations and facilities. The energy savings project includes solar generating facilities, HVAC system upgrades, electric vehicle charging stations, LED lighting retrofits and solar streetlighting. Approximately 76 percent of the overall project costs are for solar improvements. The total cost of the project is \$18,848,862.

The lease/purchase amount of \$19,432,000 includes \$18,848,862 for the cost of the project, \$494,906 in capitalized interest and \$88,000 in cost of issuance. During the construction phase of the project, only interest will be paid on the financing. The lease/purchase agreement is an obligation of the City's General Fund, but a portion of the payments and associated energy savings will be allocated to other City funds, including Water, Wastewater, Airport and the Successor Agency. The net energy savings (savings less lease

payments) is estimated to be \$6,909,256 through the year 2040, the term of the financing. Additional savings is anticipated after the lease is paid. The solar project assets will become the property of the City when all terms of the lease agreement are met. Lease payments are made semi-annually, June 1 and December 1 beginning June 1, 2020. The first three payments are interest only through June 1, 2021, thereafter the annual debt service payments range from \$1,314,878 to \$1,315,756. The effective interest rate is 2.77% with a term of 20 years.

The annual debt service requirements are as follows:

Annual Debt Service ENGIE Energy Project			
<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2021	\$-0-	\$538,266	\$538,266
2022	\$788,000	\$527,353	\$1,315,353

2024	\$833,000	\$482,465	\$1,315,220
2025	\$856,000	\$459,072	\$1,315,072
26-30	\$4,655,000	\$1,920,870	\$6,575,870
31-35	\$5,349,000	\$1,229,174	\$6,578,174
36-40	\$6,141,000	\$434,682	\$6,575,682
Total	\$19,432,000	\$6,322,875	\$25,754,875

LOANS

Police Facility Commercial Loan (2018 Police Facility Refinancing)

In December 2005, the City entered into a capital lease agreement for \$1,500,000 for the construction of the police facility. The entire purchase price for the facility was \$5,200,000, of which \$1,500,000 was financed over a period of 20 years. The City refunded the capital lease in January 2018 and entered into a new capital lease. The 2018 refunding not only refinanced the remaining balance of Police Facility capital lease, it also included the refinance of 1993 Variable Rate Demand Bonds for the Golf Course (discussed in more detail separately in the Golf Course Enterprise Fund section).

The lease was assigned to Zions Bank/California Bank & Trust and named the Police Facility Commercial Loan. The payments are due in annual installments of \$124,870 to \$125,048 beginning May 2018 with interest rate fixed at 2.76% per annum, payable semi-annually. The principal and interest remaining on the agreement is payable through 2026. At June 30, 2020 the outstanding principal and interest balance was \$687,259.

The annual debt service requirements are as follows:

Annual Debt Service for Police Facility Refunding			
<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2021	\$108,200	\$16,746	\$124,946
2022	\$111,200	\$13,739	\$124,939
2023	\$114,400	\$10,648	\$125,048
2024	\$117,400	\$7,470	\$124,870
2025	\$120,800	\$4,206	\$125,006
2026	\$61,600	\$850	\$62,450
Total	\$633,600	\$53,659	\$687,259

BONDS

2019 Lease Revenue Bonds (Fire Station)

The Madera Public Financing Authority issued Lease Revenue Bonds in June 2019 for \$4,005,000. The proceeds were used to finance the construction of a fire station. The City entered into a Facilities Lease Agreement with the Madera Public Financing Authority to make rental payments. The Bonds are due in annual installments of \$230,000 to \$307,000 through February 1, 2039 with interest payable semiannually on February 1 and August 1 of each year, with an interest rate ranging from 3.00% to 5.00%. Debt service payments will be paid from the Measure K sales tax revenue allocated to the Fire Department each year. At June 30, 2020 the outstanding principal and interest balance was \$5,785,550.

The annual debt service requirements are as follows:

Annual Debt Service for Lease Revenue Bonds (Fire Station 58)			
<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2021	\$130,000	\$173,200	\$303,200
2022	\$135,000	\$168,000	\$303,000
2023	\$145,000	\$162,200	\$307,600
2024	\$150,000	\$155,350	\$305,350
25-29	\$865,000	\$657,000	\$1,522,000

Total	\$3,880,000	\$2,011,228	\$5,785,550

WATER ENTERPRISE FUND

Water and Wastewater Refunding Revenue Bonds, Series 2015

In December 2015, the City issued the 2015 Water and Wastewater Refunding Bonds in the aggregate amount of \$30,140,000. Proceeds from the bonds were used to refund a portion of the 2006 Water and Wastewater Revenue Bonds, with \$2,025,000 allocated to the Water Bonds and \$28,115,000 allocated to the Wastewater Bonds (the Wastewater component is discussed in more detail in the Sewer Enterprise section). The Water Enterprise portion of the 2015 Refunding Bonds are due in annual installments of \$141,445 to \$149,215 through March 1, 2036 with interest payable semi-annually on September 1 and March 1 of each year at 3.7%. At June 30, 2020, the outstanding principal and interest balance of the Water

Enterprise fund portion of the Water and Wastewater Revenue Bonds was \$2,262,809.

The Financing Authority has pledged a portion of future water and wastewater revenue to repay the 2015 Water and Wastewater Revenue Bonds.

The annual debt service requirements are as follows:

Annual Debt Service for 2015 Water & Wastewater Bonds – Water Enterprise Fund			
<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2021	\$80,000	\$64,010	\$144,010
2022	\$85,000	\$61,050	\$146,050
2023	\$85,000	\$57,905	\$142,905
2024	\$90,000	\$54,760	\$144,760
25-29	\$510,000	\$260,335	\$730,335
30-34	\$605,000	\$120,065	\$725,065
35-39	\$275,000	\$15,355	\$290,355
Total	\$1,730,000	\$633,809	\$2,363,809

2019 Water Revenue Refunding Bonds

In December 2019, the City refunded the 2010 Water Revenue Bonds. The Water Revenue Bonds, Series 2010 were issued by the Financing Authority in November 2010 for \$11,215,000. The City used the proceeds from the Bonds to bring the City into compliance with State Law to have the entire City on meters by the year 2025.

The City refunded the 2010 Water Revenue Bonds at a lower interest rate and resulted in annual debt service cost savings to the City. The 2019 Water Revenue Refunding Bonds issued in the amount of

\$9,016,903, due in semi-annual installments ranging from \$631,434 to \$638,984, beginning March 2020 with a fixed rate of 2.64%, payable through March 1, 2037.

The annual debt service requirements are as follows:

Annual Debt Service for 2019 Water Revenue Refunding Bonds			
<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2021	\$409,781	\$225,466	\$635,247
2022	\$418,148	\$214,593	\$632,740
2023	\$435,546	\$203,439	\$638,985
2024	\$447,120	\$191,864	\$638,985
25-29	\$2,396,768	\$775,604	\$3,172,372
30-34	\$2,717,599	\$440,560	\$3,158,159
35-37	\$1,817,861	\$84,941	\$1,902,802
Total	\$8,642,823	\$2,136,466	\$10,779,289

SEWER ENTERPRISE FUND

California Infrastructure and Economic Development Bank (CIEDB) Loan

In March 2006, the City entered into an installment sale agreement with California Infrastructure and Economic Development Bank (CIEDB) for the purpose of making improvements to the wastewater treatment plant. The loan is for 30 years with an effective interest rate of 3.01%. Semi-annual installment payments range from \$383,084 to \$525,788. In addition to the principal and interest paid annually, the City pays an annual fee to CIEDB in an amount equal to 0.3% of the outstanding principal. The loan was secured at the same time as the 2006 Water and Wastewater Revenue Bonds were issued. At June 30, 2020, the outstanding principal and interest balance of the CIEDB loan was \$8,618,948.

The annual debt service requirements are as follows:

Annual Debt Service for CIEDB Loan				
<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Annual Fee</i>	<i>Total</i>
2021	\$331,996	\$196,592	\$20,092	\$548,680
2022	\$341,989	\$186,448	\$19,096	\$547,533
2023	\$352,283	\$175,999	\$18,070	\$546,352

Total	\$23,950,000	\$8,214,370	\$32,164,370

AIRPORT ENTERPRISE FUND

Airport Hangar Loan

In 2007, the City obtained a fifteen-year loan from the Department of Transportation, Division of Aeronautics for the purchase of 14 airplane hangars, with annual payments ranging from \$14,131 to \$27,180, including interest at 4.78%. At June 30, 2020 the outstanding balance of the loan was \$85,441.

Annual Debt Service for Airport Hangar Loan			
<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2021	\$24,755	\$3,725	\$28,480
2022	\$25,939	\$2,541	\$28,480
2023	\$27,181	\$1,300	\$28,481
Total	\$77,875	\$7,566	\$85,441

GOLF COURSE ENTERPRISE FUND

Golf Course Commercial Loan (2018 Refunding of the 1993 Variable Rate Demand Bonds)

In May 1993, the Financing Authority issued Variable Rate Demand Bonds in the aggregate principal amount of \$5,280,000. The proceeds were used to redeem \$4,835,000 of its December 8, 1989 Lease Revenue Bonds, Series A plus \$262,450 for additional Golf Course construction.

On January 1, 2018, the 1993 Variable Rate Demand Bonds were refunded and the Financing Authority paid the City an advance rental for the use and right to the possession of the Golf Course and Police facilities for a total of \$2,553,000 (police facilities portion discussed in the General Fund section). The loan is due in annual principal installment of \$138,100 to \$161,800 beginning May 2018 with interest rate fixed at 3.19% per annum, payable semi-annually. Total principal and interest remaining on the agreement is \$1,150,743 payable through 2024.

The annual debt service requirements at June 30, 2020 are as follows:

Annual Debt Service for Golf Course Commercial Loan
