Mrs. Ivette Iraheta
Grant Administrator,
Accountable Executive
City of Madera – Madera Area Express/Madera Metro

Dear Mrs. Iraheta,

The California Department of Transportation (Caltrans) Division of Rail and Mass Transportation (DRMT) developed a State "Public Transportation Agency Safety Plan (ASP) and provided technical assistance for all of California's small transit providers to comply with the requirements of 49 CFR Part 673. Under this regulation the DRMT must also provide ASP certifications for the small providers that utilize the State ASP. The Federal Transit Administration (FTA) will use its annual Certification and Assurance process to confirm certification.

This letter confirms that the City of Madera did not opt out of the State's ASP and that the ASP submitted to the DRMT by the City of Madera meets the minimum requirements of 49 CFR Part 673 for small providers. Furthermore, submittal of this ASP to the DRMT confirms transmittal of the City of Madera's Safety Performance Targets to Caltrans. Please ensure that your Agency's Safety Performance Targets are also shared with your Metropolitan Planning Organization as outlined jointly by the Federal Highway and Transit Administrations' final rule for Statewide, Nonmetropolitan and Metropolitan Transportation Planning. This rule may be located here:

If you have any questions about this ASP certification please contact Brian Travis at (916) 844-4313 or brian.travis@dot.ca.gov.

Sincerely,

A handwritten signature in blue ink that reads "Wendy King".
