- 2. Prices:** All rates and/or prices itemized in the Purchase Order are firm and not subject to escalation unless so stated on the face of the Purchase Order. Consultant represents and warrants that all rates and/or prices itemized in the Purchase Order are at least as low as those currently being quoted by Consultant to commercial or government users for the same work of similar scope under similar circumstances.
- 3. Taxes:** This purchase is subject to all applicable California sales and use taxes.
- 4. Terms of Payment:** Full payment shall be made within thirty (30) days from the date of receipt of invoice or acceptance of work, whichever occurs last, with the exception of instances where specific codes or terms dictate alternate payment schedules. If City is entitled to a cash discount, the period of computation shall commence on the date of receipt of invoice or acceptance of work by City, whichever occurs last. Partial payments may be made with City's concurrence at no less than monthly intervals. City shall endeavor to pay each invoice within thirty (30) days but shall not be responsible to Consultant for additional charges, interest or penalties due to failure to pay within that period.
- 5. Time for Performance:** Time is of the essence in the performance of the Purchase Order. If service cannot be performed at the specified time, Consultant shall promptly notify City of the earliest possible date for performance of the service. Notwithstanding such notice, if Consultant, for any reason whatsoever, fails to perform the work within the time specified, City may terminate the Purchase Order or any part thereof without liability except for work previously performed and accepted.
- 6. Warranty:** Consultant warrants that the work performed under the Purchase Order complies with all specifications and that workmanship and materials are free from defects. If any portion of the work has not been completely described in the Purchase Order, it shall comply with State and Local codes, if applicable and established industry standards. Consultant agrees that the aforementioned warranties shall be in addition to any warranties provided by law or offered by Consultant. In addition to any other right City may have, if any work is found not to be in compliance with specifications or if workmanship and/or materials are found to be defective within ninety (90) days after the conclusion of performance of the work, Consultant shall, at City's option, take any necessary corrective action required to correct the defect.
- 7. Independent Consultant Status:** Consultant is acting as an independent Consultant in performing the work required by the Purchase Order and is not an agent or employee of City. Nothing in the Purchase Order shall be interpreted or construed as creating or establishing the relationship of employer and employee between City and Consultant. Consultant is responsible for paying all required state and federal taxes.
- 8. Use of Subconsultants:** Consultant shall perform the work with its own employees under its immediate supervision and shall not subcontract any portion of the work unless approved by City in advance in writing.
- 9. Discrimination:** Consultant shall strictly adhere to all state and federal laws with respect to discrimination in employment and shall not discriminate against any individual on the basis of race, color, religion, gender, sexual orientation, marital status, national origin, age or disability.

(b) Consultant shall obtain and maintain throughout the life of the Purchase Order all permits and licenses required in connection with the work to be performed and shall provide copies of such permits and licenses to City, upon request.
- 11. Extra or Additional Work and Changes:** Consultant shall perform no extra or additional work or alter or deviate from the work specified in the Purchase Order unless agreed in writing by City. Consultant shall not be compensated for extra work without written authorization from the City. Consultant must have the written authorization from the City in advance of any work being done.
- 12. Change Orders:** City shall have the right to revoke, amend, or modify the Purchase Order at any time by issuance of a written Change Order. No verbal revocations, amendments or modifications shall be held binding on City; and City is not required to compensate Consultant for services not authorized in advance by written Change Order. Consultants must respond within ten (10) days of receipt of City's written Change Order. If written response is not received by City within ten (10) days or upon Consultant's performance of work reflecting the change, whichever occurs first, either of these actions shall constitute Consultant's acceptance of the change without any price or other adjustment.
- 13. Indemnification:** Consultant shall indemnify, defend and hold harmless City and its officers, officials, employees and volunteers from and against all claims, damages, losses and expenses, including attorney fees, arising out of the performance of the services described in the Purchase Order, caused in whole or in part by Consultant, any subconsultant, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, except where caused by the sole negligence, or willful misconduct of City.
- 14. Insurance:** Consultant shall provide insurance coverage as listed in Attachment A to this document.

Upon receipt of this written notice, Consultant shall stop performance under the Purchase Order as directed by City. If the Purchase Order is so terminated, Consultant shall be paid in accordance with the terms of the Purchase Order for work performed and accepted prior to termination.
- 17. Breach of Contract:** Should Consultant breach any of the provisions of the Purchase Order, City reserves the right to cancel the Purchase Order upon written notice to Consultant and obtain such services from another source. If a greater price than that named in the Purchase Order is paid for such services, the excess price shall be charged to and collected from the Consultant.

19. Force Majeure: Neither party to the Purchase Order shall be held responsible for delay or default caused by fire, riot, acts of God, and/or war which is beyond that party's reasonable control. City may terminate the Purchase Order upon written notice after determining such delay or default will reasonably prevent successful performance of the Purchase Order.

20 Exceptions to City's Terms and Conditions: If Consultant objects to any term or condition set forth in the Purchase Order, this objection must be in writing and received by City's Purchasing Division as identified below prior to Consultant's commencement of the work.
