# Letter from the City Manager

## *Executive Summary:*

On behalf of City staff, it is my pleasure to present the FY 2022/23 Annual Operating Budget for general operations and capital improvement programs for the City of Madera.

Although the past two years have been an unprecedented one with the onset of COVID-19, the City is pleased to share the budget revenues and expenses as proposed represent a net surplus for 2022/23 General Fund, including a \$906k transfer from the unallocated balance in the General Fund to pay the increase in health insurance premiums and one-time pay to the bargaining unit groups.

Note that the City's budget document is one of the single most essential expressions of a municipality's core mission, City Council policy priorities, and ultimately, the community's

vision. With this in mind, the 2022/23 Annual Budget has been prepared with the goal to continue to deliver essential city services, all while maintaining fiscal accountability.

The City's financial condition has been on an upward trajectory, with sales tax and property tax revenue exceeding last year's. Other revenues, such as charges for services, were on a gradual growth trend as well. While the COVID-19 pandemic statewide stay-at-home order impacted sales tax, the City has maintained its general fund balance stabilization reserve consistent with the City General Fund Balance Reserve Policy. Specific assumptions and budget modifications are outlined in the Key Budget Assumptions & Changes section. As the new fiscal year progresses, staff will routinely revisit our assumptions and projections based on new information and bring that analysis to Council for direction and action.

Preparing a budget with as many unknown variables as we encountered in the past two fiscal years posed significant challenges. However, the pandemic is only one variable impacting the national and local economy. Others factors causing challenges include:

- Inflation has increased, while interest rates are unpredictable.
- Supply chain issues
- Labor shortages (the Great Resignation) remain a challenge for the City and the community
- Global conflict; Russia's invasion of Ukraine has impacted the economy, such as oil prices
- Complying with increased regulations, specifically land use and environmental regulations

Though we anticipate much of that uncertainty will continue in the near term, our approach to budgeting continues to focus on the continuity of service levels and the strategic expansion of services as growth and demand warrant. This requires reprioritizing and adapting as the economy reopens. As reopening occurs, the outlook for revenue looks brighter; however, expenses are also projected to increase.

Despite forecasts predicting a brighter economic outlook nationally, the City must still keep a keen eye on rising costs from unfunded mandates, deferred maintenance of facilities and amenities, and maintaining competitive employee compensation and benefits. Moreover, while the community has continued to grow, service levels have not necessarily kept pace. Positions added this year account for several years of pent-up demand to maintain service levels and address overgrowing areas of concern, such as the cleanliness of our City.

While the City's General Fund budget is balanced for FY 2022/23, it does not address all of the City's long-term liabilities, such as facility maintenance and new infrastructure. Historically, deferred maintenance of the City's parks, playgrounds, senior centers, Fire Stations, City Hall, pools, Corporation yard, and other facilities has been underfunded. While this budget does not address all deferred maintenance, it does include some funding for minor repairs. Regardless, continuing to identify opportunities to reduce costs, increase revenue, update service delivery plans, and form new partnerships remains imperative to moving forward.

These challenges and our focus on delivering the most effective services with the most significant impact are the impetus for our operating plan.

Consequently, this budget is designed to:

- Ensure continuing excellent service and safety to our community
- Maintain fiscal balance in an evolving economy
- Shape the organizational culture to ensure a high-performing workforce operating in a rewarding environment, making the City an employer of choice in the region
- Continue our commitment to keeping our neighborhoods safe
- Improve our service delivery

### ***Budget Overview***

The City of Madera cannot provide a budget overview without acknowledging the impacts COVID-19, by raising costs, and inflation presented to the preparation of this budget document. While traditional revenue streams have increased, such as gas, transit occupancy tax, and recreation revenue, City expenses have also increased. For example, while the City receives more in gas tax, road repairs have also increased.

As we continue to move forward, the anticipates greater revenue in comparison to previous years. More specifically, the City generating \$12.3M from Bradley-Burns uniform local sales tax and \$6.6M from Measure K.

Property taxes and property tax in-lieu/VLF are forecast to increase slightly year over year, to \$7.1M. Property values have increased, both in the residential and commercial arenas.

Unfortunately, while some revenues have increased, certain city expenses have as well. Property Liability Insurance is anticipated to increase, while Unfunded Accrued Pensions Liability is also expected to increase. Employee Health Insurance is projected to increase, and Senate Bill 1383 will increase solid waste costs.

The Citywide budget includes many enterprise, internal service, and special revenue funds that operate with adequate revenue to sustain necessary operating and capital needs;

however, some have incurred structural deficits with ongoing revenues insufficient to cover ongoing expenses. Specifically, the Sewer, Water, and Drainage funds require millions of dollars to fund complex projects over the following years, impacting rates with increases, albeit nominal given the City's use of the American Rescue Fund.

Special revenue funds are established to track and report funds assigned to specific purposes. All special revenue funds are budgeted based on projected revenues and are balanced. An example of Special revenue funds would be the Community Development Block Grant (CDBG) program. Internal service funds provide services to internal customers, including Information Services, Fleet, and Facilities. During the 2020/21 fiscal year, the Insurance Reserve Fund was reclassified to an internal service fund to reflect its role and utilization properly. Like enterprise funds, the internal service funds charge customers for services provided. Budgeted revenues are adequate to provide the City departments with essential internal services.

### ***Presenting a Balanced Budget***

I understand that a balanced budget is one of the Council's highest priorities. In my review, each department, including Finance Department staff and myself, examined projected revenues and proposed expenses. The result is a budget where projected operational revenues slightly exceed anticipated projected operational expenses.

Several items worth highlighting:

- The City is projecting General Fund revenues increase in comparison to previous years.
- Senate Bill 1383 has state mandates which will impact the solid waste cost permanently. Commercial accounts will experience the largest increases.
- The City is projecting a balanced operating budget. Operational costs are the day-to-day expenses incurred as a normal cost of doing business (e.g., salaries, benefits, utilities, supplies, equipment, contracted services, and similar costs).
- This budget reflects the operating and capital activities of 5 General Funds, 8 Enterprise Funds, and 140 Special Revenue Funds, 4 Internal Service Funds, 4 Capital Projects Funds, 1 Debt Service Fund, 6 Fiduciary Funds, and approximately 298 full-time equivalent positions that provide the City's public

safety, quality of life, infrastructure construction and maintenance, transportation and development-related services, and the internal governance services that support them.

- The largest component of the budget is the General Fund.
- Capital Improvement Projects will be placed in separate accounts, apart from the General Fund.
- Measure K is projected to generate nearly \$6.6 million for public safety.
- Projected Measure R revenue is not included considering that it is premature when cannabis businesses will open

### ***American Rescue Plan***

The American Rescue Plan Act (ARPA) was passed by Congress and signed into law by President Joe Biden on March 11, 2021, and is expected to be a significant factor in ensuring the economic recovery continues to be successful with \$1.9 trillion in federal funding to help mitigate the impacts of the pandemic and assist individuals and communities to rebuild and get back on their feet. In this package, \$65 billion is allocated for local governments nationwide, with an estimated \$8 billion earmarked for California cities.

Notably, funds cannot be deposited into a pension fund. The Department of the Treasury recently released its guidance to further clarify the potential uses of these funds and any restrictions that may be placed on how they can be spent. The funds must be fully utilized by December 2024 and will require periodic reporting to the Department of the Treasury as to how they were spent. However, the Treasury Department is still expected to make additional changes to its interim regulations over the next several months.

The American Rescue Plan funds will bring in an expected \$23M, of which about \$11.5M will be allocated within FY 2021/22 and the remaining amount this fiscal year. All funds have been allocated to the Sewer and Water Enterprise Funds.

### ***Safe and Clean Initiative***

As City resources, personnel, and services have been reduced to safeguard fiscal stability, maintaining our premier public spaces is a priority. In addressing this priority, staff is

proposing to continue expanding the clean-up pilot program that commenced with the removal of snipe signs, abandoned telephone booths, shoes over power lines, and shopping carts. This continued with the contracting of a private company to remove trash around the Fresno River. Staff is proposing that these efforts continue while also maintaining part-time employees that will focus on cleaning public spaces. Through these strategic allocations, the City will continue to care for and safeguard its prized public spaces for residents and visitors alike. This will be particularly important as we welcome our community back to pre-pandemic times.

### *Looking Ahead*

Our City continues to assess evolving circumstances and should make every effort to prepare itself for the effects they may have on our ability to deliver quality services. While much remains out of our control, such as international conflicts, inflations, national trends, the City remains financially steady.

Though this budget funds the absolute musts, the City must plan on economic tightening. As we continue to work in partnership with our community to deliver desired service levels through effective business models, staff will continue to adjust its efforts as more efficient methods are identified. In partnering with our community, service organizations, Council, and staff, I am confident that we will capitalize on opportunities and mitigate challenges positioning the City to weather any anticipated challenges on the horizon.

While we look forward to returning to a more traditional social environment, we will take what we learned during the pandemic and incorporate it into our ongoing operations and culture.

Finally, I would like to thank the City Council for your leadership. Community members are confident that their City is well-run, and their well-being is our top priority. With your ongoing support, we will continue to provide excellent customer service as we strive to become the City of tomorrow.

Respectfully submitted,

**Arnoldo Rodriguez**  
City Manager

## General Description of Boards / Committees / Commissions

**ADA ADVISORY COUNCIL:** Four-year term. The ADA Council is composed of seven members. Appointees shall be residents of the City of Madera. Regular meetings are held the third Tuesday of each month at 3:30 p.m. Each member of the City Council makes a nomination to be considered for appointment by the Mayor.

**Responsibilities:** Serves in an advisory capacity to the City Council and staff on ADA matters including: promote pedestrian safety and access to all public streets; ensure that all public buildings and facilities, services, programs and activities are in compliance with ADA regulations; promote inclusion of the disabled community in the City's emergency and disaster preparedness plans; develop disability awareness and educational outreach programs; work with the various City of Madera departments to ensure that all public buildings and facilities, remodeled and newly constructed are in compliance with current laws guaranteeing access for all people with disabilities; promote affordable and accessible housing in the community; make recommendations regarding unmet transit needs; and ensure grievance procedures are followed and enforced as described in the ADA bylaws.

**AIRPORT ADVISORY COMMISSION:** Four-year term. The Commission is composed of seven members. Appointees shall be residents of Madera County, and at least four members shall reside within the City. The commission meets at least quarterly at a date and time selected by the Commission. Appointments are made by Council Members.

**Responsibilities:** Oversee, review, and make recommendations regarding the airport's annual budget for operational and capital improvement purposes, Airport operations and services, master planning and land use.

**BEAUTIFICATION COMMITTEE:** Four-year term. The Committee is composed of seven members. Appointees shall be residents of the City of Madera. Regular meetings of the Committee are held every second Thursday of the month at 5:30 p.m. Appointments are made by City Council Members.

**Responsibilities:** Serves in an advisory capacity to the City Council and staff on community beautification matters including: develop and formulate programs and projects to enhance the aesthetic appearance of the community; develop an ordinance which will establish landscape standards for new development projects; develop and recommend practices and policies which will enhance and upgrade existing properties; and coordinate periodic community clean up campaigns and encourage public participation therein.

**CIVIL SERVICE COMMISSION:** Four-year term. The Commission is composed of seven members, each member of the City Council makes a nomination to be considered for appointment by the Mayor. Appointees shall be residents of the City of Madera. Commissioners shall not be employed with the City nor shall they be under the direct supervision of any existing Council Member. Meetings, as needed, are usually held on the first Tuesday of each month at 5:00 p.m.

**Responsibilities:** Certification of eligibility lists for hiring employees in the classified service at regularly scheduled meetings; conducts appeal hearings regarding disciplinary action or alleged violations of Civil Service rules and at the request of the City Council or Administrator; special meetings for hearings are scheduled as needed and may require multiple evenings to complete.

**CDBG BLOCK GRANT COMMISSION:** This committee is composed of seven members appointed by the Council. Meets during a weekday evening as required. Serves in an advisory capacity to staff and the City Council on matters

pertaining to the use of CDBG funds allocated to the City of Madera to benefit persons of low and moderate income, disabled and elderly persons, minority groups, homeless persons or persons at risk of homelessness and CDBG-funded activities in eligible Census Tracts where CDBG program activities are proposed. Accepts testimony from City staff and applicants presenting proposals to request CDBG funds. Evaluates proposals and recommends CDBG funding allocations consistent with policies, goals and priorities established by the City's CDBG Consolidated Plan and the Vision Madera 2025 Action Plan. Receives testimony from staff and provides comments about the City's CDBG-funded programs and projects overall annual outcomes and accomplishments. Promotes public participation in the CDBG planning process and any amendments.

**LOAN REVIEW COMMITTEE:** This committee consists of five members appointed by the City Council comprised of at least three residents of the City of Madera. Members shall possess backgrounds in residential mortgage lending, real estate or the building trades industry. Members do not serve specific terms nor do they receive compensation/benefits. Meetings of the committee are held as needed to provide for the review of loan and grant applications for first time homebuyer down payment assistance and owner occupied rehabilitation programs funded by State, Federal and local funds awarded to the City of Madera and from the Successor Agency to the Former Redevelopment Agency. Failure by a Committee member to attend three consecutive meetings shall be deemed an automatic resignation. A significant pattern of absences shall also be considered grounds for removal from the committee. Conflict of interest provisions apply as applicable to committee appointees serving the City of Madera or the Successor Agency to the Former Redevelopment Agency.

**PLANNING COMMISSION:** Four-year term. The Commission is composed of seven members who are individually appointed, one appointee for the Mayor and each of the Council Members. Appointees must reside within the City limits. Meetings are held on the second Tuesday of each month beginning at 6:00 p.m.

**Responsibilities:** Develop, maintain and amend the General Plan and Specific Plans as deemed appropriate; discretionary approval of development proposals, including subdivisions, use permits, and variances; discuss overall planning for the City, including ordinances, special studies, zoning, subdivisions and signs, with recommendations to the City Council.

**TRANSIT ADVISORY BOARD:** Four-year term. The Board consists of seven members appointed from a cross section of the community (general public, children, elderly, disabled, students, social service agencies, and minority family). Seven (7) members are appointed by individual Council Members. Appointees shall be residents of the City of Madera. Meetings are held quarterly in January, April, July, and September at a time and public place set by the advisory board.

**Responsibilities Include:** Recommend to the City Council a five (5) year transit and equipment plan; review, modify transit system proposals.

**YOUTH COMMISSION:** Two-year term. The Commission consists of seven members. Each member of the City Council shall appoint one member to the Commission from their district; the Mayor shall appoint one member from the city-at-large. The Commission meets on the second Wednesday of each month at 5:00 p.m.

**Responsibilities Include:** Serves in an advisory capacity to the City Council about public safety, job opportunities for youth, recreation activities for youth, opportunities for effective participation by youth in governmental process, and changes in city regulations that are necessary to improve the social, economic, educational, recreational advantages, health and well-being of youth.

## Madera, California

The City of Madera is located in California's stunning Central Valley. Featuring a balanced climate that serves as the perfect host to some of the nation's finest agricultural operations, Madera is also within close proximity to cherished world treasures such as Yosemite National Park, the Sierra Nevada Mountain Range, and attractions that run along the Pacific coastline. Madera is the perfect combination of the best California has to offer.

Located in Madera County

Established in 1907

Population:  
~66,000

Location Size:  
~16.5 sq. miles

Median Income:  
\$45,163

# The Early History of Madera

Source: Madera Chamber of Commerce

William H. Thurman founded the City of Madera and is thus known as the “Father of Madera.” He founded the Madera Lumber and Trading Company and served as Madera County’s first sheriff from 1893 until 1895.

The Madera County Courthouse began construction in 1896. It was completed in 1901. The court and county offices moved out in 1957. In 1971, it was renovated to become the Madera County Historical Society Museum.

1876

On October 11, 1876, the idea for the City of Madera was first discussed in the newspaper, the Fresno Expositor.

1877

At a public meeting on March 21, 1877, attendees decided a school building should be built. There was also a drought throughout the San Joaquin Valley during this time.

1881

A disastrous fire completely destroyed the lumberyards in Madera, almost ridding the town of the lumber industry entirely.

1893

Madera County officially became a county in the State of California on May 16, 1893.

1896

Madera began construction on a new courthouse, jail, zoo, and county park. Madera also became the county seat this year.

1898

In March, Madera’s first Chamber of Commerce was formed. Forty-nine men paid \$2.50 charter membership dues.

1907

Madera is officially founded on March 27, 1907. Citizens of Madera held a centennial celebration on March 27, 2007.

1933

After 50 million board feet of timber, the lumber industry era ended in Madera. Farmwork became Madera’s new main industry and revenue source.

# Madera Residents

Source: Madera Chamber of Commerce and California Demographics

## Average Age

**28.8**

is the average age of a Madera Resident, almost 10 percent lower than the average age of a United States citizen.

## Diversity

**77.1 %**

of Madera residents are Hispanic, with 15.7% of residents categorized as White, 4.2% as African American and 3% as Other respectively.

## Education

**58.1 %**

of Madera residents aged 25+ have a high school diploma or higher.

## Language

**62.7 %**

of Madera residents over the age of five, speak a language other than English.

# Madera Home & Family

Sources: United States Census Bureau QuickFacts

**\$224,100**

is the median cost of owner-valued homes in Madera.

**18,122**

is the number of households in Madera, compared to 168,265 Fresno households, and 13.6 million California households.

**3.56**

is the average number of persons who reside in each Madera home, compared to 3.08 persons in Fresno households and 2.96 persons per California households.

**48.5%**

of Madera residents own their homes, compared to 46.4% of Fresno residents and 54.6 of California residents.

**89.4%**

of Madera residents are living in the same house they were living in a year ago, compared to 82.5% of Fresno residents and 86.7% of Californians.

# Madera Climate

Sources: National Weather Service and Madera Chamber of Commerce

Average Warmest Month:

July

Average Annual Rainfall

12.23 inches

Average Coolest Month:

December

Madera is typically warm, dry, with relatively low humidity.

# Madera Transportation

Sources: Madera Chamber of Commerce and Madera.gov

Madera Metro utilizes 3 routes, transporting Madera citizens where they need to be.

Dial-A-Ride

Dial-A-Ride charges \$3 or less for a ride within the city or county. Seniors and the disabled can ride at a discounted price.

Madera residents take over 26.6 minutes to get to work, compared to 21.8 minutes for Fresno residents and 29.3 for all of California.

## Number of Miles to Other Major California Destinations

# Local Government

## ***Council-Manager***

Madera is a municipal corporation following the Council-Manager form of government. The Council, the city's legislative body, defines the policy direction of the city. The City Manager oversees the daily operations of the city.

## ***Districts***

The City Council consists of an elected mayor and six elected council members. Each serves a four-year term. Council members are elected by district, whereas the Mayor is elected at large or citywide.

## ***General Law City***

There are two types of cities in California – charter and general law. Charter cities follow the laws set forth in the state's constitution along with their own adopted "charter" document. General law cities follow the laws set forth by the state legislature. Madera is a General Law city.

## The Six City Council Districts of Madera

View a detailed district map at [madera.gov/districts](http://madera.gov/districts)

## Madera Parks

---

### 10 Parks

Madera enjoys three community centers, one skate park, one community garden, one municipal golf course, and a cross-city trail system.

### 21 Slides

These slides are located at various municipally operated playgrounds distributed throughout the City of Madera.

### 3 Pools

Located at the Centennial Pool Complex, these pools provide refuge and fun to residents wanting to escape the summer heat.

### 159 Acres

These acres comprise the City of Madera's municipal park resources available to residents of the community.

## Madera Infrastructure

---

### 199 Miles of City Streets

This is based on reports from the Public Works department.

### 19 Water Wells

These work to provide the City of Madera's water supply.

### 200 Miles of Waterline

With an additional 175 miles of sewer line.

### 3,000 Streetlights

Keep Maderans out of the dark, while 38 traffic signals keep them safely moving.

## Madera Police

### 39 Police Vehicles

Madera PD has 16 marked patrol vehicles, eight code enforcement vehicles, five traffic enforcement motorcycles, five unmarked detective vehicles, and five administration vehicles.

### 71 Sworn Officers

This includes specialized units, such as SWAT, SIU, and Community Outreach. The Police Department also has 35 civilian employees.

### 3 K-9 Units

The Madera PD welcomed a new K9 to their ranks this year. These dogs help human officers take a bit out of crime.

### 60,432 Events

Madera PD responded to 6,201 more events, compared to last fiscal year's 54,231 events.

## CalFire - Madera

### 3 Fire Stations

Construction of Fire Station #58 was completed in FY 20/21.

### 5 Fire Engines

The Fire Department also has one ladder truck.

### 375 Fires Mitigated

during FY 21/22.

### 19 Fire fighters

Recruitment efforts are still in effect to add more.

### 3,228 Calls for Service

Calls occurred during FY 21/22.

## 20,369 Inspections Conducted

Inspections were conducted by the Building Department.

## 3,021 Business Licenses

Madera has this total number of business licenses, excluding rentals by the end of FY 21/22.

## 172 Single Family Residential

Permits were issued in FY 21/22.

## 3,010 Building Permits

Permits were issued during FY 21/22 fiscal year.

# Key Budget Assumptions & Changes

## Defining the 2022/23 Starting Point

The City budgets to maintain existing level of services delivered to the community while strategically increasing or expanding services as growth and demand warrant. Similar to other communities, the City's consistently recalibrates its service delivery model to meet evolving demands. While the City anticipated a long-predicted downturn in the economic cycle, one caused by a health crisis—let alone a crisis with the swiftness and severity of the COVID-19 pandemic—was unexpected. The City took immediate action once COVID-19 began to affect the country in an attempt to mitigate the anticipated economic impacts. Working in the City's favor was the fact that prior to the pandemic, the City was enjoying a prosperous budget period. While some communities experienced significant decreases in sales tax revenue, the City experienced an unexpected increase in revenues in the most recent three budgets, including the current budget. This resulted in the General Fund reserve balance above and beyond that required by the General Fund Reserve Policy. Due to these unexpected increases in revenue, the City is positioned to remain financially stable. Unfortunately, the Country is entering a tumultuous period and planning and flexibility will be imperative. With the level of uncertainty that exists in the current economic climate, staff have updated budget item forecasts relative to the plethora of issues pressing the national and local economy. Some of these include:

- **Inflation:** The U.S. Labor Department reported that its consumer price index increased over 8 percent in March 2022 from the prior year, the largest year-over-year increase in 40 years. In addition, prices have been driven up by supply chain issues, and disruptions to global food and energy markets worsened by Russia's war against Ukraine. Similar to others, the City is experiencing the effects of inflation from cost increases in services, fuel, supplies and equipment, and construction projects.
- **Consumer Confidence:** Consumer expectations for inflation have increased over the past year and most expect that their income will not keep pace with prices over the next year.
- **Supply chain issues:** The pandemic created significant supply chain challenges, which continue to impact manufacturing, construction, retail, and many other industries. These disruptions have caused lengthy lead times and brought about sudden price increases for goods. The City has experienced these challenges

procuring various supplies and equipment, including IT hardware, vehicles, capital projects, etc.

- **Labor:** The Great Resignation and labor challenges have had an impact on the City. While the City has attempted to mitigate impacts by implementing unconventional practices, the City will need to monitor trends to ensure that it retains its workforce and remains competitive in attracting new talent.

## Revenue Forecast during uncertain times

While there is uncertainty about how much the City's revenues will be impacted, some items are foreseeable. For example:

- The erosion of consumer confidence and the potential closure of retail establishments means a decline in sales tax revenues, however there may be a potential offset from increased online purchases.
- The lingering spike in cost of gas and other fuel is a major concern. Thus, staff will need to closely monitor related city service and construction costs, and staff use of city vehicles and travel requirements.
- The largest economic sectors affected were transportation, tourism and hospitality. Business travel may never return to pre-pandemic levels, due to the ease of virtual meetings and the quick adaptation by most businesses.
- Until consumer confidence returns, there may be a decrease in programmed sports revenue. While programmed activities may decrease, the City must still maintain facilities, such as the pool which may need fund augmentation from the General Fund to offset some costs.
- Staff anticipates that consumer confidence and consumer shopping habits will also be altered for a significant amount of time.

Like all annual budgets, staff made assumptions to determine the budget. The following are a list of key assumptions.

## Projected Revenues

In preparing the FY 2022/23 budget, staff estimated major city revenues as indicated below:

- Projected Retail Sales & Use Tax: \$12.3 million
- Measure K: \$6.6 million
- Transient Occupancy Tax (hotel tax): \$980k
- Property tax in-lieu (c. 2004): \$7.1 million
- Property tax: \$4.2 million
- Business license revenue: \$511k

It should be noted that potential Measure R revenues are not included given that cannabis permits are under review.

### Increased Expenses

In preparing the FY 2022/23 budget, staff made the following adjustments to expenses:

- Unfunded Accrued Pensions Liability is expected to increase.
- Property Liability Insurance is expected to increase.
- Employee Health Insurance is projected to increase.
- Senate Bill 1383 will result in increased costs for solid waste.

### Balancing the Budget

- The proposed general fund FY 2022/23 budget projects that revenues will exceed expenses by approximately \$988k.
- The proposed budget does not anticipate using funds from the General Fund Reserve at this time.
- The proposed budget includes allocating \$1,500 stipends for City employees from the General Fund unallocated account and an additional \$580k to offset increased health care costs. These funds were placed in separate accounts and were derived from the Unassigned Funds from prior Fiscal Years.
- Should the City receive less revenue than anticipated or should the COVID-19 pandemic be prolonged, the City expects to utilize reserves to offset revenue

shortfalls, however such utilization of reserves will be brought to Council for consideration and approval.

### Budgeted Positions

- The proposed budget incorporates the costs of the City's recently negotiated labor agreements and cost increases in other spending categories.
- Budgeted positions: The proposed budget only includes positions based on those reasonably expected to be filled by a person. As the year progresses, staffing will be continually reviewed and analyzed, and any changes to budgeted positions will be brought to the Council for consideration.
- The proposed budget includes several new positions that are recommended to maintain and enhance the City's service delivery:
  - Police Auxiliary Services Supervisor, Police Department
  - Administrative Analyst I, Engineering Department
  - Payroll Specialist, Finance Department
  - Parks Manager, Parks & Community Services Department
  - Parks Worker I – 2 positions; reduced equivalent hours in part time parks maintenance (equivalent hours not equivalent dollars)
- Vacant positions are included in the budget for any existing or new positions the City intends to fill. The number of actual vacant positions and the positions themselves fluctuate as employees leave the organization and new employees are hired. The budget includes assumptions on hiring timelines and applicant availability. The proposed budget includes all approved positions with reasonable assumptions as to hire date for positions currently vacant. As the year progresses, staffing will be continually monitored, and any requests for additional positions will be subject to Council consideration and approval.

- For the FY 2022/23 proposed budget, vacant positions were budgeted at the expectation of employee only health coverage in the Anthem plan.

## Reclassifying Positions

The City may seek to reclassify positions based on an analysis of actual job duties. Additionally, pursuant to the City's Memorandums of Understanding with represented employee groups, employees may submit reclassification requests each year during certain filing windows if they believe they are working outside their job classification. These requests are evaluated by the Human Resources Department and then a recommendation is made to the City Manager on whether a position should be reclassified or whether the assigned duties fall within the existing classification. The City Manager then decides to uphold or deny the recommendation. Employees may appeal to the City Manager if they disagree, however the City Manager's determination is final. The City did not receive any employee-initiated requests this year.

## Planned Promotions

Planned promotions have also been captured in the budget. These promotions are for class series where classification is determined by certification and/or time in the position (i.e. Police Officer I to Police Officer II). These promotions will only be effectuated upon satisfactory job performance at the current classification level and the individual meeting the employment standards for the higher classification.

## Employee Compensation

The FY 2022/23 budget includes the following relative to employee compensation:

- Merit increases have been budgeted, however, actual achievement of such increase is dependent upon individual employee performance.
- Consistent with the City's labor negotiations that are in process, a 2% cost of living adjustment has been included to base wages for employee represented by the City's four bargaining units.
- Health Care for Current Employees: As Council has directed the unallocated balance in the General Fund be designated and used to pay the increase in health insurance premiums, the cost of the increase is not included in the operating budget. Instead, the

Finance Department will designate and utilize funds from the unallocated General Fund balance for this purpose.

- One-time payments: Per Council direction, the Finance Department will designate and utilize funds from the unallocated General Fund balance for this purpose.

## Measure K

Measure K sales tax revenue is committed to public safety and is shared 50/50 between the Police and Fire Departments. Measure K Police and Fire funds are budgeted and accounted for separately.

This budget recognizes the following:

- Operations and Maintenance expenses for Fire Station 58.
- The City issued lease revenue bonds in June 2019 for the construction of Fire Station 58 in the amount of \$4,005,000. The bonds are due in annual installments of \$230,000 to \$307,000 over 20 years. The construction on the fire station was completed in November 2020. The annual debt service is included in the budget.
- Police staff salaries and benefits
- General Fund loan payment for purchase of police building and critical radio infrastructure.

## Measure K Stabilization Fund

The Council has directed that \$130,000 of Measure K revenue for both Police and Fire be committed each year for the establishment of a stabilization reserve, until the reserve reaches the equivalent of 30 percent of Measure K expenditures. Currently, both Police and Fire have a stabilization reserve fund balance of \$650,000 each, both consistent with the City's reserve policy.

## Fire Engine Replacement Fund

Additionally, the Council approved a fire engine replacement reserve fund of \$200,000 in the previous year, with the intent to add \$200,000 each year. In an attempt to ensure effective engine replacement plan and to maintain a modern fleet of fire

equipment, staff recommends in this proposed budget that \$490,000 per year be set aside, an increase of \$290,000 to ensure that adequate funding is maintained.

## Debt

The City expects to pay a total of \$5,420,130 in principal and interest this year with a total outstanding debt of \$60,874,111 as of June 30, 2022.

# Budget Process

The latest approved budget document is made available at [madera.gov/budget](http://madera.gov/budget)

## Budget Basics

The City operates on a fiscal year that begins July 1. City staff in their respective departments prepare individual budgets for their functional areas. These budgets are then combined into an overall city budget that is presented to the Council each spring for review and input.

The Council has the authority to approve the annual budget and may amend it during the year if needed. The legal level of budgetary control is at the fund level, which means spending in each different type of fund may not exceed the budgeted amount without Council approval.

## Department Personnel Begins Projections

Department personnel are asked to update current year projections and proposed FY 2022/23 projected expenses and revenues. As part of this process, Salary Projection Worksheets are also prepared. These worksheets list City employees organized by department and calculates their total salary and wages for the specified fiscal year.

## Mid-year Budget Review

Each department performs a mid-year budget review to determine if budgeted revenue and expenses are on target or need to be adjusted. Budget adjustments will be adopted per resolution. The Engineering Department prepares a five-year Capital Improvement Plan and presents the draft to the Council at this time.

## Preliminary Enterprise Fund Review

The preliminary Enterprise fund budgets are presented to Council for review. These include budget:

- Water
- Sewer (e.g. wastewater)
- Solid Waste; and
- Storm Drainage

## Other Funds Review

Preliminary Internal Services (Fleet, Facilities Maintenance, and Technology) and Special Revenue Fund budgets are presented to Council for review.

## Public Input on Spending Priorities

A public hearing is held at a Council meeting regarding the Community Development Block Grant (CDBG). The public is encouraged to provide input regarding how funds are to be allocated.

## Preliminary Budget to City Council

A budget workshop is held for the Council and community. Budgets for City funds are made available for review and discussion. The Financial Services Director lead the presentation and department directors are available to discuss any specific budget items within the purview.

## Final Budget Approval

A budget workshop is held for the Council and community. Budgets for City funds are made available for review and discussion. The City Manager and Financial Services Director lead the presentation and department directors are available to discuss any specific budget items within the purview.

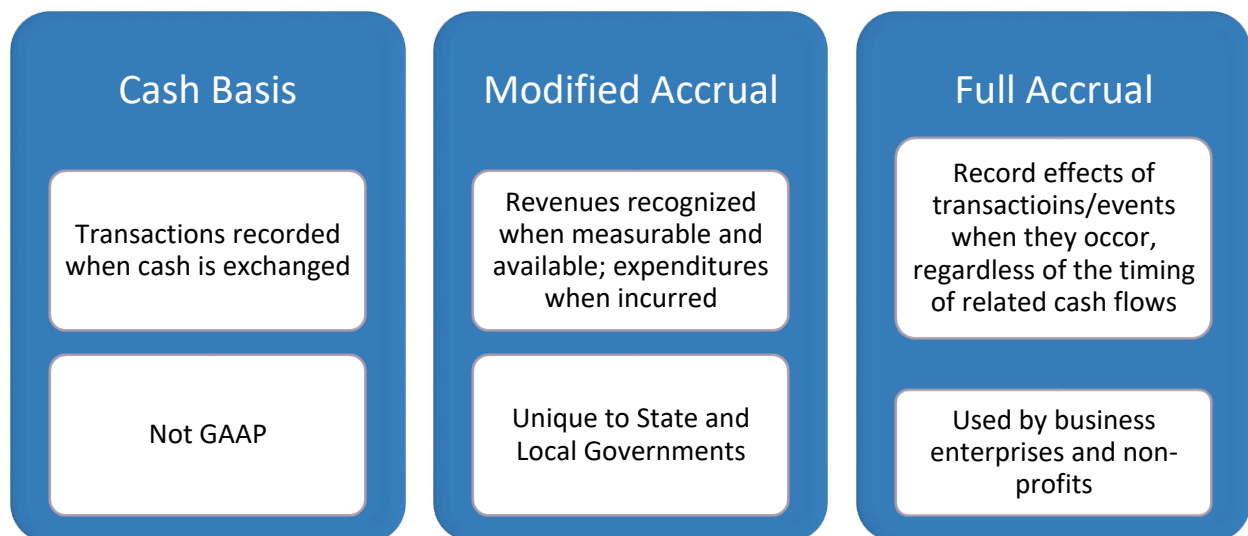

# Basis of Accounting & Budgeting

The City budgets on a modified accrual basis for all funds except for its enterprise and internal service funds, which are budgeted on a full accrual basis. This is consistent with the City's basis of accounting as reported in its Annual Comprehensive Financial Report (ACFR). The City's Governmental Funds consist of:

- The General Fund
- Special revenue funds
- Debt service funds
- Capital project funds

Each fund is prepared on a modified accrual basis where revenues are recognized when they become measurable and available, and expenditures are recorded when the related liability is incurred; except that principal and interest payments on general long-term debt are recognized when due. Revenue availability criteria are defined as collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period (i.e., 60 days after fiscal year-end).

Budgets for proprietary funds (Internal Service Funds and Enterprise Funds) are prepared on a full accrual basis where revenues are recognized when earned, and expenses are recognized when they are incurred.

# Level of Budgetary Control

In the spring of every year, City personnel prepare a proposed budget and present it to the Council for consideration. The proposed budget, along with all the supporting schedules, are made available for public inspection in the City Clerk's Office and the office of the Financial Services Director. For the FY 2022/23 budget, the Council held budget review workshop on August 3, 2022, to receive public comments and ascertain the facts regarding the proposed budget.

The City Council was introduced to new budgetary controls to start the FY 2020/21 budget. Council may recall the following controls were presented at the June 11, 2020, Council meeting:

- Transfer of appropriated budget authority from one account to another within a department may be done upon approval of the City Manager.
- Transfer of budget authority between departments of the general fund or between funds will be done by minute order of the City Council if less than \$25,000 and by resolution if greater than \$25,000.
- Authority is given to the Financial Services Director to adjust the budget for all monies received by the City not included in the budget up to \$5,000 per incident without a budget resolution. A report will be given to the Council on a quarterly basis regarding any such activity.
- All outstanding encumbrances as of June 30 approved by the City Manager shall be continued and re-appropriated for expenditure into the following fiscal year.
- Except as monetary appropriations may be affected by intra-fund transfers within the general fund or other funds, no appropriations set forth in said budget shall be cancelled in whole or in part except by resolution adopted by a majority vote of all members of the Council.
- Expenditures made, liabilities incurred, or warrants issued in excess of budget appropriations as

originally approved or as thereafter increased or decreased, shall not constitute an obligation or liability of the City. The City Manager and the Council shall approve no claims and the Financial Services Director shall issue no warrants or checks for any expenditure in excess of existing appropriations except upon an order of the court of competent jurisdiction, or in cases of emergency as specified and in accordance with the procedures established in the Government Code of California.

# Financial Budget Policies

## *Budgeting*

An annual base budget will be developed by verifying or conservatively projecting revenues and expenditures for the current and forthcoming fiscal year.

The operating budgets shall be balanced. Ongoing costs shall not exceed current revenues plus available fund balance that exceeds reserve fund requirements.

Projected revenues will be sufficient to support projected expenditures.

The City will avoid budgetary procedures which balance the current budget at the expense of future budgets.

The Financial Services Director will prepare and submit to the City Council a mid-year budget review and analysis.

## *Accounting & Financial Reporting*

- An independent audit will be conducted annually by a certified public accountant.
- Financial reports will be produced in accordance with Generally Accepted Accounting Principles (GAAP) as outlined by the Governmental Accounting Standards Board (GASB).
- The City will maintain a strong system of internal controls.
- The City will maintain a written investment and portfolio policy that establishes parameters for determining investment

placement and the overall management of the City's investment portfolio.

## *Reserves*

- The City will maintain the General Fund Contingency reserves at a level of at least 30 percent of the general fund operating expenditures in order to protect essential service programs and funding requirements during periods of economic downturn or other unforeseen major costs not covered by the Contingency Reserve.
- The City will establish an account to accumulate funds to be used for payment of accrued employee benefits for retired and separated employees. The level of this reserve will be established based upon an annual projection of employee retirements.
- Self-insurance reserves will be maintained at a level consistent with professional actuarial review recommendations.

## *Capital Planning*

- The City will develop and annually update a long-term Capital Improvement Plan (CIP) for the purpose of planning, scheduling, and financing capital projects as determined and approved by the City Council.
- The CIP will be a five-year plan and will include major on-going maintenance and rehabilitation costs to existing capital assets (land, land improvements, infrastructure, and equipment), as well as the costs of new facilities and improvements.

- The City will maintain its capital assets at a level adequate to protect the City's capital investment and to minimize future maintenance and orderly replacement of capital assets from current revenues where possible.
- The CIP budget will realistically assess potential future revenues and avoid commitments for projects that lack economic feasibility.
- The City will consider the issuance of long-term debt to purchase or construct capital assets that will serve as long-term community assets. Prior to entering into a long-term financing arrangement, an internal analysis will be conducted to determine the impact on current and future budgets for debt service and operations. This analysis will address the reliability of revenues to support the debt service.

### *Revenue*

- The City will estimate its annual revenues by an objective, analytical process utilizing trend, judgmental, and statistical analysis as appropriate.
- The City will attempt to maintain a diversified and stable revenue base to minimize the effects of economic fluctuations on revenue generation.
- The user fees and charges for each Enterprise Fund will be set to fully support the total direct and indirect costs of the activity. Indirect costs include the cost of annual depreciation of capital assets and overhead charges.
- Internal Service Funds are to be funded at appropriate levels to ensure their ability to provide services adequately.
- Development Impact Fees will be established to provide for the cost of infrastructure improvements from new growth instead of being a burden to existing taxpayers.

### *Debt Management*

- The City will not use long-term debt financing for any recurring purpose such as current operating and maintenance expenditures.

# Employee Salary & Benefits

## Employee Salary & Benefits Summary

The City has four recognized bargaining units that represent all full-time employees except Management. They include:

- Madera Affiliated City Employees' Association
- Mid Management Employee Group
- Madera Police Officers' Association
- Law Enforcement Mid Management Employee Group

Management and part-time employees are unrepresented.

When proposing and negotiating modifications to either salary or benefits, the City's pay philosophy is to focus on total compensation. Below represents a summary of the normal benefits offered by the City in addition to base pay. Individual bargaining units may have additional pay incentives or benefits negotiated for their members; bargaining unit agreements can be found on the City's website.

Benefit	Summary Description
Retirement	
Retirement: Defined Benefit	<p>The City participates in the California Public Employees' Retirement System, commonly known as CalPERS. The benefit received in retirement depends on the employee's age at retirement, years of service, applicable pay, and benefit factor. The City does not participate in Social Security. The benefit is funded by both Employer and Employee contributions. The City participates in the following benefit formulas, with placement in the formula defined by hire date with the City:</p> <p><b>Miscellaneous Employees</b></p> <ul style="list-style-type: none"> <li>▪ Classic: 2.5% @ 55, highest single year</li> <li>▪ Classic Tier I: 2% @ 60, average 3-year final compensation</li> <li>▪ PEPR: 2% @ 62, average 3-year final compensation</li> </ul> <p><b>Sworn Employees</b></p> <ul style="list-style-type: none"> <li>▪ Classic: 3% @ 50, highest single year</li> <li>▪ Classic Tier I: 3% @ 55, average 3-year final compensation</li> <li>▪ PEPR: 2.7% @ 57, average 3-year final compensation</li> </ul>

Retirement: Supplemental	The City offers a choice between two 457 Deferred Compensation plans for full-time employees. For all full-time employees except Sworn Law Enforcement and Management, the City contributes an amount equal to 4.2% of base pay into the plan. No matching contribution from employees is required. Employees may elect to contribute their own funds up to the IRS defined annual maximum on a pre-tax basis. Monies may be withdrawn while still employed through either an emergency withdrawal or as a loan that must be repaid. Emergency withdrawal provisions are governed by IRS rules. Individuals have full access to funds after separation of service from the City.
Retirement: Part Time	Part-time employees receive either the CalPERS benefits defined above or participate in a Social Security replacement plan administered by Empower Retirement depending on the number of hours worked annually. Any employee who works 1,000 or more hours in a fiscal year qualifies for CalPERS, regardless of part-time or full-time status.
Health & Welfare Benefits	
Health, Dental, & Vision Insurance	<p>Effective July 1, 2021, the City has joined the PRISM public entity risk sharing pool to participate in their health plans. This change will allow the City to offer multiple providers and multiple plans for employees to choose from when selecting benefits. Joining the pooled program will also have the long-term benefit of reducing rate volatility. The City's current benefit providers are:</p> <ul style="list-style-type: none"> <li>▪ Medical: Anthem and Kaiser</li> <li>▪ Dental: Delta Dental</li> <li>▪ Vision: Superior</li> </ul> <p>The City's contribution towards health insurance is defined within the bargaining unit agreements for each employee group. The contribution will be equal to the cost of the Core medical plan plus dental plus vision at each enrollment level. Employees may waive coverage with proof of other coverage and receive a monthly waiver benefit of \$450. Premiums are paid by employees pre-tax under a Section 125 Cafeteria Benefits Plan.</p>
Flexible Spending Accounts	The City offers both dependent care and medical expense Flexible Spending Accounts under its Section 125 Cafeteria Benefits Plan. Employees may choose to contribute up to \$1,000 per year on a pre-tax basis for reimbursable medical expenses or up to \$5,000 per year on a pre-tax basis for reimbursable childcare expenses.
Group Life	The City provides group life insurance coverage for full-time employees and dependents. Employees may purchase additional voluntary employee, spouse, and/or dependent life through the program, as well as accidental death and dismemberment benefits.
Disability	The City provides a long-term disability policy for situations requiring the employee to be absent from work due to disability more than 90 days. The policy provides up to 60% income replacement. The City does not participate in the California State Disability program; Madera Affiliated City Employees' Association participates at their own expense.

Employee Assistance Program	The City offers an Employee Assistance Program through Halcyon Behavioral that provides free counseling services to employees and their household. The program also has free online resources to help with work-life balance and management. In addition to these services, the plan also includes wellness benefits for employees and emotional fitness coaching resources.
Supplemental Insurance	The City offers additional accident, disability, universal life and similar policies employees may choose to participate in at their own expense.
Paid Leave Benefits	
Vacation	All full-time employees accrue paid vacation based on years of service with the City. Unused vacation is fully vested to the employee and is paid out as compensation upon separation from the City. Vacation balance caps vary by bargaining unit.
Sick	All full-time employees accrue paid sick leave at the rate of 12 days per year. A percentage of sick leave is available for cash-out upon positive separation based on years of service with the City.  All part-time employees accrue paid sick leave at the rate of 1 hour for every 30 hours worked.
Family Sick	Both full and part-time employees may use sick leave to care for a family member. The number of hours varies by bargaining unit.
Holidays	The City recognizes 11 full day and 2 half day paid holidays each year. Additionally, some employees are eligible for floating holiday time based on years of service with the City, depending on their bargaining unit.  Because of the nature of their job, employees represented by the Madera Police Officers' Association accrue holiday leave similar to vacation.
Administrative Leave	Positions exempt from overtime under the Fair Labor Standards Act receive 40 hours per year of Administrative Leave. This leave must be used each fiscal year, or it is lost; unused hours are not carried forward.
Compensatory Time Off	Positions eligible for overtime have the option to accrue Compensatory Time Off in lieu of pay. For each hour of overtime worked, the employee may elect to accrue 1.5 hours of leave.
Supplemental Paid Sick Leave	Effective April 1, 2021 through September 30, 2021, all full-time employees received 80 hours of supplemental paid sick leave for COVID related reasons. Part time employees are eligible for a pro-rated amount of leave based on work schedule.

Additional Benefits	
Flexible Work Schedules	Depending on bargaining unit, employees may request to work alternative schedules to assist in work/life balance. This potentially includes both 9/80 and 4/10 options.
Bilingual Pay	Full-time employees may be eligible for bilingual English-Spanish incentive pay after successfully completing a skills exam. Employees represented by the Madera Police Officers' Association are also eligible for American Sign Language bilingual pay.
Education/Certificate Incentive Pay	All four of the City's recognized bargaining units provide various education and certificate incentive pays. These benefits are in addition to base pay.
Education Reimbursement	All four of the City's recognized bargaining units have provisions in their agreements for reimbursement of education expenses. Currently employees may request reimbursement of up to \$2,400 per fiscal year for pursuing a college degree.
Holiday Closure	For employees represented by the Madera Affiliated City Employees' Association and the Mid Management Employee Group, the City closes non-safety functions and services between Christmas Day and New Year's Day.

# Citywide FTE Count

# GENERAL FUND SUMMARIES

# Major Revenue Sources

Revenues provide a representative picture of the local economy. These revenues are of particular interest as they fund essential city services, such as Police, Fire, Parks, some professional staff, etc. The City relies on several revenue sources to support the General Fund budget. The major revenue sources are the following:

## ***Sales & Use Tax***

Sales tax is one of the City's most significant sources of revenue for the General Fund. In accordance with the Bradley-Burns Local Sales and Use Tax Act, the City receives a 1 percent share of taxable sales generated within city limits. Sales Tax revenues generally move in step with economic conditions and have improved markedly over the past years. A small portion, or 3% of the sales tax collected is shared with Madera County as part of a tax sharing agreement.

With the passage of Measure K, the City receives an additional .5%. This .5% sales tax is used for public safety enhancements and is recorded in a separate fund within the General Fund. Revenues are divided by the Fire and Police Departments.

In short, the sales tax rate in the City is 8.25% and includes:

- 7.25% per the State of California
  - The City receives 1% of the 7.25%, also known as the Bradley-Burns Local Sales Tax
- .50% for Measure K (Police & Fire; City only)
- .50% for Measure T (Transportation; Countywide)

## ***Property Tax In-Lieu of Vehicle License Fees (VLF)***

Previously the State of California assessed a 2% tax for cities and counties known as the Vehicle License Fee (VLF) on car registrants. As part of the 2004 Budget Act negotiations, an agreement was made between the state and local governments where the VLF rate will be permanently reduced from 2 percent to 0.65 percent. The difference is paid through local property tax from County educational revenue augmentation funds (ERAF), referred to as the "VLF swap." As such, this is another form of property tax where the "base" is determined on the amount "swapped" in 2005 plus growth in assessed valuation like the City's "regular" property taxes.

## ***Secured Property Tax***

The City's property tax revenues are based on assessed property values. Proposition 13, adopted in 1978, limits the annual increase in assessed values for property. Under this proposition, assessed values (and the related property tax) can grow by no more than two percent per year. In addition, the value upon which the tax is based is only increased to the total market value upon the sale of a property. Thus, property taxes tend to grow slowly unless there is a significant amount of housing activity.

Property Tax collections are much less predictable than Property Tax In-Lieu of VLF, as the second installments vary considerably from the first installment.

## ***Transient Occupancy Tax***

Hotel/Motel Tax, also known as Transient Occupancy Tax (TOT), is a 9 percent tax assessed on hotel and motel room rentals and short-term residential rentals within the City. A total of 7 hotels and motels currently operate within city boundaries. The tax was last raised in 1986, from 7% to current 9%. The FY 2022/23 projected TOT revenue is projected at \$980 thousand

## ***Franchise Fees***

Franchise fees are considered a form of rent to use Madera public rights-of-way. This fee is collected from companies furnishing users with telephone, cable television, and gas services. Franchise fee revenue comes from Comcast and Pacific Gas & Electric. Payments are based on a percentage of gross revenues as stated in the Madera Municipal Code; therefore, they fluctuate based on gross billings by the companies listed above. Based on current year revenues, this revenue stream is expected to remain flat in FY2022-23.

## ***Engineering Fees, Projects, and Transfers In***

Interfund Charges/Project Management makes up approximately half of the Engineering Division's revenue budget. In addition, the Engineering Department charges other departments for personnel costs related to the management of specific capital projects.

## ***Interfund Charges (Administration and Overhead)***

Madera's General Fund includes expenses for all administrative services (e.g., finance, human resources,

attorney services, etc.). A portion of these services support the enterprise funds, including utility funds. The City uses a fair and equitable indirect cost allocation process to allocate departmental costs from the General Fund to all funds that benefit from the services that the General Fund departments provide. The City recaptures these costs from non-General Fund departments in amounts that are based on various factors such as number of employees, number of agenda items, budget amounts, and square footage. The City employs formulas provided by Cost Tree, an independent company, to determine universally accepted methods. Charges are recorded by way of monthly recurring journal entries.

### ***Police Fees and Contracts***

The Police Department within fund 1020 charges various fees and penalties per the Master Fee and Master Penalty Schedule, utilizes various grants to purchase equipment and supplement staff time and has agreements with outside entities to provide police services (such as the Madera Unified School District) and receives payment for these services.

### ***Development-related revenues***

Development-related revenues are derived from fees for planning, engineering, and building permits and fees paid by developers to cover the cost of reviewing and monitoring development activities, such as plan checks and inspections. These revenues are difficult to predict, as many planning and engineering activities occur months or years before any actual development.

### ***Business License Tax***

A Business License Tax is a tax imposed on businesses for the privilege of conducting business in the City. The bulk of this tax is collected and recorded in July when business licenses are renewed.

### ***Grants***

This revenue category includes state and federal grant awards received by the City and reimbursement of state mandates.

## Department Summary

The City Council (Council) consists of seven members and is the governing body elected directly by the residents of Madera. The Mayor is elected at large and there are six Council Districts.

As the legislative branch of our local government, the Council makes final decisions on all major City matters and sets citywide priorities and policies. The Council in turn directs the City Manager to implement these priorities and policies.

The Council adopts ordinances and resolutions necessary for efficient governmental operations, approves the budget, and acts as a board of appeals. It also appoints members of the City's advisory boards, commissions, and committees.

The Mayor and Councilmembers are accountable to the electorate and must balance the views of individuals and groups with the community's needs. Councilmembers achieve success with public policy issues facing the region by leading and collaborating with residents, businesses, and regional partners on issues of mutual interest.

The Council is responsible for the scope, direction, and financing of City services; establishing policy based on information provided by staff, advisory boards and commissions, and the public; and implementing policy through staff under the Council-Manager form of government. The terms of the Mayor and Councilmembers are four years, and the General Municipal Election is held in even-numbered years on the first Tuesday after the first Monday in November.

## Responsibility

The mission of the Council is to adopt legislation and provide direction to the administration of the City and to promote the best interests of the community locally and with other governmental agencies.

The Council is elected by the public to serve as the governing body and policy makers of the City.

The City Clerk oversees the Council budget as it relates to expenses associated with the conduct of Council meetings, and other miscellaneous expenses for participation in various community events and functions, and travel and training for professional development as elected officials.

In addition to Council meetings, Councilmembers hold special local and regional committee assignments, meet frequently with residents and business owners, as well as City staff to discuss issues and projects, and regularly attend a variety of community events.

The City Council hires the City Manager, City Clerk and City Attorney, and appoints members of the City's advisory boards, commissions, and committees.

The City Manager oversees the hiring and management of the rest of the staff. It is the Council's responsibility to enact policy and the City Manager's job to implement the Council's policies and approaches, many of which are expressed in the annual budget.

## Objectives

While the objectives of the Council are many, the following reflect some key items:

- Provide legislative policy directives for City programs and services
- Support Community engagement and advocacy
- Invest in well-planned infrastructure and growth
- Approve programs for the City's physical, cultural, and socio-economic development
- Encourage cooperation among community leaders, civic organizations, and residents

- Work to maintain high-quality City programs and services
- Actively participate in State and Federal legislative processes
- Work closely with other local governments and the League of California Cities to focus on issues that press local governments
- Continue to concentrate on communication and cooperative efforts with City residents

## Department Fund Summary

The Council is fully funded by the General Fund and does not anticipate generating any revenue in FY 2022/23.

The proposed budget includes the following expenses:

- \$25,000 for the New Mayors and Council Members Academy, the City Leaders Summit, and the Mayors and Council Members Executive Forum. Should Councilmembers elect not to attend, said funds are reallocated to the General Fund.
- \$800 per Councilmember, for a total of \$5,600 for expenses related to travel, meetings, etc.

## Department Staffing & Structure

The Council is elected by district sans the Mayor which is elected at large.

# City Clerk

## Department Summary

The City Clerk's Office serves as a vital link between the city government and those it serves, providing access to public records, publishing Council agendas, preparing minutes, and serving as the City's election official.

The purpose of the City Clerk's Office is to provide prompt, high-quality public service by connecting the public with the legislative process; ensure the City's legislative processes are open and transparent, including friendly customer service; facilitate the preservation of Madera's legislative history, including approved action minutes; coordination of public records requests, claims against the City, applications for boards and commissions and update and maintain city ordinances and the municipal code; provide access to legislative meeting information and coordinate Statements of

Economic Interest as well as campaign and other financial disclosure related filings.

The statutes of the State of California prescribe the essential functions and duties of the City Clerk, and the Government Code provides specific responsibilities and procedures to follow. The City Clerk's office is a service department with the municipal government upon which the Council, all city departments, and the public rely for information regarding the operations and legislative history of the City.

## Responsibility

The City Clerk's Office provides a wide range of public services, including:

- Archiving all official city records; preserving a complete and accurate record of Council meetings
- Processing of public records requests
- Supporting the Council, city staff, and the public by providing copies of agendas and associated reports
- Coordinating Council meetings, agenda items, packets, and minutes for regular and special meetings
- Posting and publishing legal notices, scheduling public hearings
- Transcribing meeting minutes
- Recording of ordinances and resolutions
- Engaging in boards and commissions, elections, and records management recruitments
- Providing information pertaining to the Brown Act, the Political Reform Act, and the Public Records Act

As the custodian of records, the City Clerk's office is responsible for the management of the City's official records, including:

- Agendas
- Meeting minutes
- Resolutions
- Ordinances
- Agreements

The City Clerk also serves as the filing officer for the Fair Political Practices Commission for Statement of Economic Interest filings (Form 700) and serves as a liaison between the community and City Council regarding the City's business and community events.

The City Clerk is also responsible for maintaining the City's Municipal Code to date and the Boards and Commissions Appointment List. The City Clerk also responds to requests for internal document production.

## Key Accomplishments

Overview of accomplishments:

- Prepared and published 22 Council agenda packets
- Prepared and published 3 Special City Council agenda packets
- Supported over 60 hours of City Council meetings
- Effectively administered the City Council Redistricting process after 2020 Census reporting
- Continue to offer online public records request services through our website to increase citizen access to records and streamline compliance and department workflow. Coordinated over 200 responses to Public Records Act Requests
- Adhered to statutory requirements related to open meeting law and agenda preparation
- Coordinated FPPC filings for 87200 filers and designated positions

## Goals & Performance Measures

- Records management - develop a schedule for filing backlog
- Develop citywide records retention schedule
- Be committed to maintaining a system of transparency, public engagement, and collaboration, thus ensuring the public's trust. Transparency in government promotes accountability and provides information for citizens about what their local government is doing. Local government should be easily accessible and contain the information that is the most desired and valuable to the community.
- Stay current on updates to state laws that have the potential to affect operations

- Ensure Council and City Clerk website pages are current
- Track public record requests and respond in accordance with the Public Records Act
- Acknowledge and/or respond to requests within two business days
- Maintain 100 percent filled status of the City Boards and Commissions. Our goal is to fill all future vacancies within 60 days of when an unscheduled vacancy occurs.

### Department Staffing & Structure

The City Clerk reports directly to the Council and is supported by the Deputy City Clerk. The City Clerk's Office has two full-time employees, and no changes are proposed from FY 2022/23.

# City Manager

## Department Summary

The City operates under a Council-Manager form of government. The elected seven-member City Council appoints the City Manager to provide executive leadership and oversee the day-to-day business of the city government.

The City Manager's Office implements the City Council's vision and goals by aligning financial resources and administering City projects, programs, and services that support expressed City Council priorities. The City Manager makes policy recommendations to the City Council and oversees all City departments except the City Clerk and the City Attorney. The City Manager's Office also focuses on leadership; overall quality-of-life issues, fiscal accountability, internal and external communications; engagement with employees, the business community, neighborhood associations, residents, and regional governments; internal collaboration between departments; public/private partnerships; higher-education opportunities, and drives efficiency, innovation, and change within the City.

The City Manager's Office provides leadership and professional management to the City government organization and works with the Council to develop and implement its policies to

maintain and enhance Madera's quality of life. The City Manager's Office adheres to guiding values that emphasize community, stewardship, and public service.

## Responsibility

Provides the organizational support and leadership necessary to:

- Implement City Council programs and policies to meet current and future needs
- Ensure city operations demonstrate transparency and fiduciary responsibility to the public
- Build a strong service culture
- Maintain a healthy relationship with employees
- Provide ongoing, informative communications to City Council and City employees regarding key objectives, challenges, and accomplishments
- Provide clear and concise information to the community
- Provide the community with live and recorded access to various public meetings, community forums, local events, public service announcements, social media, etc.
- Foster a positive relationship with a variety of media outlets by releasing notable updates and information promptly and accurately through press releases and media advisories
- \$5M for the Avenue 13 for the Avenue 13 (Pecan Avenue) Sewer Trunk Main Rehabilitation line with the assistance of Senator Caballeros
- Applying \$23 million in American Rescue Plan funding to mitigate excessive sewer and water rate increases
- \$80k Kaiser grant for exercise equipment along the Fresno River and Town & Country Park
- Transitioned essential leadership and staff positions to ensure the execution of key City Council priorities
- Successfully partnered with the Downtown Business Association to continue implementation of the Crow Abatement Program for the third year in a row
- Managed the City's state and federal legislative program to advance City Council and city department goals
- Prepared numerous cannabis related resolutions and ordinances for Council consideration
- Originated Council meeting informative recap communication to employees, geared towards maintaining employees informed of items brought before Council and actions taken
- Strived to support employees working remotely by providing enhanced technology resources as part of that effort
- Served as the lead for the Fresno River clean-up
- Produced a balance budget for three consecutive fiscal years with the anticipation of a fourth year in 2022-23 fiscal year.
- Madera Eats, featuring food vendors and local businesses

## Key Accomplishments

- Amid the global pandemic of COVID-19, continued to provide essential services to residents such as emergency response, transportation, water and sewer, maintenance of local streets and public facilities, as well as the overall upkeep of City infrastructure
- Actively sought and advocated for
  - \$3.5M for the Avenue 13 for the Avenue 13 (Pecan Avenue) Sewer Trunk Main Rehabilitation line with the assistance of Congressman Costa via the Omnibus Bill

### *Played an instrumental role in:*

- City staff worked collaboratively with multiple other committee members toward preparing a November 2022 ballot for extension of the Measure T program

- Securing \$2 million in funding for Olive Park
- Securing \$830,000 in Clean California funding for the Fresno River clean up and enhancement. To date, the City has not expended the funds and recent clean up efforts during 2022 were paid for by the City, Cal Fire and Madera Irrigation District.
- Modernizing the City's Fire Department fleet with the addition of a fire engine and increasing annual allocation for the Fire Engine Replacement Program
- Completed rehabilitation at two little league fields at Town and Country Park with City funding of \$35,000 coupled with private donation of \$30,000
- Directing Clean and Safe Initiatives citywide such as:
  - Removal of snipe signs
  - Removal of shoes over powerlines
  - Removal of abandoned pay phones
  - Clean-up of shopping carts
  - River bottom clean up, through contracted efforts with two private companies
  - Purchase of sweeper for use at City Parks, parking lots, trails, etc.
  - Maintenance of identified city owned land

#### ***Growing our community by:***

- Hiring a new Community Development Director with a background in City Planning and entitlement processing
- Opening a cannabis program and currently reviewing Cannabis applications for sales operations.
- Approving Village D, a three-square mile Master Plan with 11k new homes, 2 million square feet of commercial space and 300k square feet dedicated to industrial space

## **Goals & Performance Measures**

- Continue to meet the City's mission statement to deliver quality public services with integrity, courage, compassion, and competence to the diverse community
- Continue to support the City Council, the priority setting process, and regular, special, and committee meetings
- Grow the community engagement and transparency efforts to foster authentic civic engagement with residents, organizations, and businesses
- Continue to provide leadership and professional management to the city government organization
- Provide timely, accurate, and results-oriented financial and operational reports
- Lead the City's management team to ensure the provision of high-quality, cost-effective, and customer-focused services
- Advance Council priority projects while promoting the high-performance organization initiatives
- Assist in the negotiations with employee associations and labor unions to maintain positive management-labor relations
- Shape the organizational culture to ensure a high performing workforce operating in a rewarding environment, making the City an employer of choice in the region
- Research and implement best practices related to government services and innovation
- Continue to support the Council and departments with Federal and State legislative priorities and goals
- Promote transparency by providing staff updates on Council action and latest information affecting the City

## Department Fund Summary

The City Manager is responsible for three distinct budgets. They include:

- City Manager's Office
- Central Administration
- Community Promotion

The following is a summary of each:

### *City Manager's Office*

The City Manager's Office budget provides for three full-time personnel to carry out the primary functions of the department. These include the City Manager, an Administrative Analyst, and the Communications Specialist.

### *Central Administration*

The Central Administration budget is used to track services provided internally to the organization.

### *Community Promotion*

The Community Promotion budget includes payments to organizations outside of the city. For example, the City contributes towards the Local Agency Formation Commission, the Economic Development Commission, League of California Cities, crowd abatement for downtown, recognition of community events/people, etc.

## Department Staffing & Structure

The City Manager is one of three appointed positions. The City Manager reports directly to the City Council.

# Finance Department

## Department Summary

As a steward of the City's assets and liabilities, the Finance Department sets and implements a strategic financial management plan and provides information effectively and timely, ensuring the City makes sound financial decisions.

Finance takes pride in accomplishing this mission by maintaining individual and departmental credibility, working together as a team, and consistently striving to go above and beyond expectations.

As a full-service finance operation, the department is responsible for accounting procedures and policies, accounts payable and receivable, budget preparation and administration, annual independent audit preparation and financial statement review, debt issuance, and administration,

revenue collection, including water, wastewater, solid waste, drainage, and street sweeping bills, payroll, business license taxes, parking citations, purchasing, and fleet management.

## Responsibility

The Finance Department provides the organizational support and leadership necessary to:

- Deliver superior service to internal and external customers in a fiscally responsible manner
- Maximize the effective and efficient use of public funds
- Ensure the financial integrity of the City by strictly complying with City policies and continuously improving the City's financial accounting processes
- Monitor the financial activities of City departments to ensure strict compliance with the City's Purchasing Policy
- Prepare and maintain balanced annual operating and CIP budgets that meet the Government Finance Officers of America (GFOA) program guidelines
- Anticipate potential budget impacts from changing economic conditions, state budget impacts to Madera, impacts from state and federal legislation to the City, and recommend and implement measures to mitigate those impacts
- Administer quarterly budget monitoring meetings with City departments
- Maintain a balanced operating budget for all governmental funds
- Monitor all proprietary funds to ensure they remain self-supporting, maintaining appropriate reserves, and complying with all bond covenants
- Provide reliable, cost-effective fleet management
- Maintain critical records related to fleet asset inventory and work order history through management of the fleet maintenance database

## Key Accomplishments

Overview of accomplishments in FY 2021/22:

### *Finance:*

- Completed the FY2020/21 Annual Financial Audit
- Completed the review and issuance of the FY2020/21 Annual Comprehensive Financial Report (ACFR)
- Completed the review and issuance of the FY2020/21 Single Audit report
- Provided various financial reports to the Council as well as to City departments
- Provided ongoing staff training of the Munis system
- Recalibrated the Department's service delivery model in response to the pandemic. This included telework and modified work assignments
- Served as the project lead for the Proposition 218 (Rate Study) for water, wastewater, solid waste, and drainage
- City received \$371k from the State to pay for outstanding water bills during COVID.

City received \$308k from the State to pay for outstanding sewer bills during COVID.

### *Purchasing:*

- Identify ways to streamline purchasing/contracting by creating template agreements for citywide use, providing training, and reviewing the City's purchasing policies to ensure that the City's purchasing policies reflect contemporary practices and various state and federal regulations
- Auction current surplus vehicles and equipment

### *Fleet:*

- Completed 1,120 work orders in the new system
- Re-purposed surplus Park's landscape trailer into a transport trailer for PD's "Bubbles"
- Certified two Fleet mechanics in CNG tank inspections

- Scheduled for three new 10,000 lb vehicle lifts that meet current safety standards
- Assisted with upgrade of Public Works wash rack with new pressure washer and vacuum

### **Utility Billing:**

- Offered paperless billing as an option for customers
- Applied for the California Water and Wastewater Arrearage Payment Program
  - Funds applied and received
    - Water - \$371,626
    - Sewage - \$308,566
- Updated policy relating to the establishments of payment arrangements to comply with California Water and Wastewater Arrearage Payment Program guidelines

## **Goals & Performance Measures**

### **Finance:**

- Provide timely, accurate, and result-oriented financial and operational reports
- Monitor City's general fund budget every 90 days to evaluate changes in revenue levels compared to expenditure commitments
- Provide financial update reports to City Council, City staff, and the public in a timely manner
- Continue a business license compliance audit and discovery effort to ensure a level playing field
- Review opportunities for refunding City debt to maximize debt service savings
- Identify ways to streamline purchasing/contracting by creating template agreements for citywide use, providing training, and reviewing the City's purchasing policies to ensure that the City's purchasing policies reflect contemporary practices

- Maintain and repair the City's general vehicle fleet and related equipment and administer the vehicle replacement account
- Review underutilized vehicles annually and remove vehicles from the fleet that do not meet the minimum usage requirements
- Complete the FY2021/22 Comprehensive Annual Financial Report (CAFR) timely and submit it to the GFOA and CSMFO for recognition

### **Fleet:**

- Continue to update and maintain Fleet equipment for efficiency to better suit the City's current needs
- Auction current surplus vehicles and equipment
- Assist Transit mechanics in obtaining commercial class B licenses with passenger endorsements
- Continuous improvements at the shop, including cost reduction

## **Department Fund Summary**

The Finance Department is responsible for the following areas:

- Budget
- Accounting
- Utility Billing
- Purchasing
- Fleet
- Grants

The following is a summary of each:

### **Budget**

The budget includes the preparation, development, and publication of the Annual Adopted Budget and Quarterly Financial Reports. This may also include budget amendments,

including the carry-forward of approved budgets for unspent encumbrances and capital improvement projects (CIPs), throughout the year. In addition, the finance team works with all City departments to ensure that actual spending does not exceed City Council-approved budget appropriations.

### **Accounting**

The Finance Department is also responsible for developing, implementing, and maintaining effective financial accounting systems and internal controls. The department provides management control over the City's financial activity by ensuring the ability to present a fairly stated financial position of the City on a timely basis. The accounting staff is responsible for managing the revenue operations of the City and monitoring the City's debt and investment portfolio. It is also responsible for the City's billed receivables, including the collection of citywide delinquent accounts.

The department is responsible for the timely calculation and payment of payroll, payments to vendors, PERS administration and reporting, and retiree health administration and payment.

### **Utility Billing**

The Utility Billing division is responsible for the billing and collection of utility services to city residents for water, wastewater, drainage, street sweeping, and refuse service. Services include the processing of new service, transfers, payments, delinquency cutoffs, and meter reading. The City utilizes Mid-Valley Disposal (MVD) for refuse collection, collects payments, and distributes funds to the private hauler.

Utility Billing salaries and benefits are paid by the water, wastewater, and refuse service enterprise funds per the following:

- Water Fund: 50 percent
- Wastewater Fund: 25 percent
- Refuse Collection Fund: 25 percent

### **Purchasing**

The Purchasing Division is responsible for acquiring needed goods and services as efficiently and as inexpensively as possible while assuring fair and equal opportunity to all qualified vendors. Purchasing's primary function is to assist other City departments in their procurement efforts by

securing materials and services which meet the necessary standards. Concurrently, Purchasing monitors the procurement process to ensure compliance with applicable laws and Council policies. The Purchasing Division manages vendor relations, prepares Requests for Proposals and other procurement efforts, and manages the City's travel and credit card procurement programs.

### **Fleet**

The Fleet Division manages the purchasing and maintenance of the City's vehicles, including police cars, construction equipment, and other Public Works vehicles. Maintaining these assets in a safe and optimal condition helps ensure public and worker safety and reduces overall repair expenses and long-term replacement costs.

The Fleet Maintenance program funds labor, parts, services, and lubricants necessary to maintain the City's fleet of vehicles. This program funds asset replacement and vehicle outfitting. Cost-effective vehicle procurement is achieved through cooperative purchasing agreements and bidding processes. Fleet assets enable client departments to achieve their operational mission in a safe, efficient manner. The Fleet Vehicle Replacement program is funded through a replacement charge for each vehicle or piece of equipment in service, based on the actual costs of vehicle procurement divided by the expected life of the vehicle. Additional revenue is collected from the sale of retired City fleet assets at auction.

The Motor Pool is a relatively new program within the Fleet division that serves to utilize vehicles more effectively and reduces the need to keep more vehicles on hand than necessary. Employees that only drive City vehicles occasionally can reserve motor pool vehicles prior to the need or can check out a car on a walk-up basis. This program allows multiple departments to share the cost of a few vehicles, rather than having individual departments paying for a vehicle that may be underutilized.

### **Grants**

The Grants Department manages a portfolio of grants and pursues ongoing additional grant resources from federal, state, and local government agencies for various City Departments, oversees the City's Transit Division, manages the Community Development Block Grant Program (CDBG), and oversees the Owner-Occupied Rehabilitation (OOR) Program and the Down-Payment Assistance Program (DAP).

## Budget Summary

- The Fleet Division detail pages can be found in the Internal Service Fund section.
- The Utility Billing Division detail pages can be found in the corresponding Enterprise Fund section.
- The Grants Department detail pages can be found as the last section of the Special Revenue Funds Group.

## Department Staffing & Structure

# Human Resources

## Department Summary

The Human Resources Department provides services to both internal and external customers of the City. Acting as the City's first point of contact for many community members, the department strives to put customers in contact with the appropriate person or service the first time. The department's responsibilities serve to support the creation of a high-performance work culture that can carry out the vision for the organization as defined by the City Council and the City Manager.

The Human Resources Department manages personnel, employee relations, and risk management programs. These activities include recruitment, employee benefits, personnel records, labor contract negotiations, classification and compensation, training, insurance/self-insurance, and safety/loss control.

The Human Resources Department administers two separate budgets:

- Human Resources (General Fund 1020)
- Risk Management (Insurance Reserve Fund 1090)

## Responsibility

The Human Resources Department focuses on:

- Attracting, recruiting, retaining, and developing qualified individuals committed to serving the City of Madera
- Onboarding new employees to ensure a complete understanding of all City services and their contribution to our community
- Administering employee benefits
- Workforce planning
- Providing comprehensive risk management programs to ensure a safe workplace
- Ensuring well-rounded employee benefit offerings to aid in employee satisfaction and retention
- Ensuring all City departments and individual employees are supported with confidentiality to the extent possible
- Providing training opportunities to improve supervisory skills, employee interactions, and workplace safety
- Maintaining open lines of communication throughout all levels of the organization
- Offering support and assistance in administering benefit programs to help employees navigate work and life changes
- Managing risk exposure to the City through the participation in self-insurance programs and the purchase of fully insured products as appropriate, as well as facilitating appropriate risk transfer activities

- Maintaining positive working relationships with representatives of the City's recognized bargaining units
- Ensuring policies and workplace standards are applied fairly and consistently across all City departments
- Supporting our workforce as we navigate the multi-year COVID global pandemic and its effect on where and how we work, as well as work/life balance

## Key Accomplishments

Overview of accomplishments in FY 2021/22:

- Promulgated 53 Civil Service employment lists.
- Onboarded 106 new hires and facilitated 39 existing employee transfers, promotions, and temporary assignments.
- Processed and provided ongoing administrative management for 34 tort claims.
- Processed and provided ongoing case management for 49 reports of employee on-the-job injuries.
- In compliance with state mandates, reported and investigated 61 actual and potential COVID-19 workplace exposures.
- Processed and sought recovery for 65 property damage/loss events by filing either insurance claims or direct billing to the at-fault party, collecting \$244,877.93 in recovered funds.
- Continued Wellness Challenges to encourage employees to focus on initiatives such as Rethink Your Drink (hydration challenge), Pay it Forward (acts of kindness challenge), and Walk this Way (step challenge). All employees who completed the challenges were eligible for prize drawings. Prizes included a pair of bikes, Smartwatches, and gift cards to local vendors.
- Applied for and received a Cities for Workforce Health grant through the League of California Cities to be used for wellness services at our 2023 Health & Benefits Fair.

- Expanded the City's Wellness Challenges to include participation in local events that support wellness. The event must be for a local non-profit, must be tied to wellness, and must have an internal City Champion for the event. Employees participated in the 2nd Wind 5K in support of the Madera Food Bank and Madera Rescue Mission. Employees also participated in the Run with the Lions 5k in support of the Lions Club's 100th anniversary in Madera, with funds raised used to support diabetes awareness and youth projects.

- Published a Request for Proposals for medical services, including pre-employment physicals for both safety and non-safety positions, Department of Transportation commercial driver exams and random drug testing, and occupational medicine. Submittals are currently under evaluation for award.
- Provided a virtual Employee Health & Benefits Fair, providing employees information on their comprehensive benefits package.
- Implemented a new benefit administration system for the City's Health and Wellness benefits that will provide employees access to their enrollment information year-round rather than just during Open Enrollment.
- Updated and implemented policies and benefits to assist employees in light of the COVID-19 pandemic and its ongoing impacts on both work and personal lives.
- Worked with consultant Sally Swanson Architects on an update to the City's ADA Self Evaluation and Transition Plan in collaboration with the City's ADA Advisory Council. The project has completed most

data collection and is in the process of quality control review.

- The Human Resources Department budget also included funds for use by the ADA Advisory Council to support and further ADA access and education. In the current year, these funds were used to:
  - Purchase and distribute 6-foot-tall orange safety flags for use by citizens who traverse our City with the aid of mobility devices such as motorized scooters.
  - Partner with the Madera Police Department on an educational campaign to promote "Save the Space," a campaign to raise awareness about the appropriate use of accessible parking spaces and placards.

## Goals & Performance Measures

- Continue to support our internal and external customers with positive interactions, providing the correct information and resources at the first interaction.
- Conduct two (2) in-person Employee Onboarding Day events, one in the fall and one in the spring.
- Conduct an in-person Health & Benefits Fair in October during Open Enrollment.
- Implement Personnel Actions within the Tyler Munis system, moving the City away from paper Change of Status forms for employee payroll changes.
- Following implementation of Personnel Actions, complete the build-out of Recruiting within Tyler Munis to allow for online application submittals.
- Facilitate opportunities to educate employees on their available benefits and choices. With COVID-19, staff and service providers have found it necessary to get creative to provide quality customer service. HR staff is committing to continue to ensure that our employees receive the best service from benefit providers that we can facilitate.
- Identify additional ways to communicate with our employees in virtual environments, including

implementing an employee intranet site in coordination with Communications staff.

## Department Fund Summary

### Human Resources

The Human Resources Department budget captures the operating expenses for the personnel and risk management functions. This includes salaries and benefits for the four departmental staff, as well as operational expenses.

There are no proposed staffing changes to the department's organizational chart, however it should be noted that Eric Battles was recently promoted to Administrative Analyst II.

The proposed budget includes funds for two (2) in-person Employee Onboarding Day events and one (1) in-person Health & Benefits Fair. The department has offered virtual events during the COVID-19 pandemic, however we feel it is highly beneficial for all new employees to have the opportunity to participate in the in-person Onboarding event to gain a well-rounded understanding of the City's full service delivery plan. Staff plans to offer one Onboarding event in the fall and one in the spring. It is also highly beneficial to have the in-person Health & Benefits Fair so employees have the opportunity to speak with providers directly about their various employment-related benefits.

One big change to the department budget has to do with expenses related to new hires. For several years now, Human Resources paid for some pre-employment physicals and basic advertising, and the rest of the expenditures were charged out to various object codes in applicable departments. This methodology made it difficult to track expenses. The proposed Human Resources budget includes all pre-employment costs and advertising for all departments of the City, with the Police Department maintaining a budget specifically for their sworn recruitments. Staff believes this will allow for better monitoring and budgeting of the expenditures. While the Human Resources Department is considered a General Fund Department, it is funded by Administrative Overhead Charges, spreading the costs across all City Funds.

In preparation of the budget, staff reviewed the operational expenses for the department, analyzing a three-year historical trend comparison. After considering all factors, the proposed budget shows a decrease over the prior year of approximately \$100,000. This decrease is mostly attributed to the one-time expense in the prior year budget for the ADA Self-Evaluation and Transition Plan update.

### Risk Management

The risk management budget in the Insurance Reserve Fund captures retrospective adjustments from the City's pooled insurance program, the Central San Joaquin Valley Risk Management Authority (CSJVRMA). Every year is different; some years we owe, and some years we receive refunds, depending on our claims experience for the program year being adjusted. The proposed budget includes the actuarial estimates for the coming year's adjustments.

There is an operating budget within the fund used to pay for contracted legal services not provided by the City Attorney, primarily related to employment law items. A separate firm typically handles these items because the City Attorney represents the City Council, the appeal body for employment matters. Utilizing the same attorney to advise staff on employment matters which will advise the Council on appeal matters, can give the appearance of a biased system. There is also a budget line item for citywide harassment and/or safety training. Additionally, claims tracking software was previously budgeted in both the Human Resources and Information Services budgets. Upon approval of moving to RiskEnvision Lite for this purpose, the cost of the software was moved into the Risk Management budget contracted services.

A noticeable decrease is seen in the Contracted Services line item. The FY 2021/22 budget included funds for the the ASi Medical Expense Reimbursement Plan (MERP) run-out. The MERP was the self-funded portion of health insurance prior to the move to PRISMHealth. The funding in contracted services was used to pay outstanding claims. The City is still receiving claims from employees as they receive bills from providers, however this has slowed to what could be described as a trickle, and the amount included for this purpose in the FY 2022/23 budget reflects the current volume of claims.

The fund itself maintains a balance designated for claims payment should the City have any claims or lawsuits not covered by our insurance. The fund balance is separate from the operating budget.

### Department Staffing & Structure

The Human Resources Department is staffed with four positions. The Director of Human Resources reports to the City Manager and has overall responsibility for the department. The department is also staffed with one Administrative Analyst and two Human Resources Technicians.

# Police Department

## Department Summary

The mission of the Police Department is to reduce crime, fear, and disorder by creating a foundation of superior service delivery, citizen/police partnerships and proactive problem-solving strategies through organizational planning and visionary processes.

At the Madera Police Department, Police Chief Dino Lawson leads and directs a dedicated, diverse workforce of 71 sworn peace officers and 33 professional employees who are ready to provide superior service delivery through the three divisions and functions of the organization.

The Department consists of the following divisions:

- **Administration Division:** Community Outreach, including 97 Neighborhood Watch Programs, Animal Control, Dispatch, Records, and Property and Evidence.
- **Operations Division:** The largest division of the department, comprised of patrol personnel, school resource officers, and traffic enforcement officers.
- **Investigations Division:** Detective Unit, Special Investigations Unit, MADNET, and Code Enforcement.

## Responsibility

The Police Department is tasked with:

- Safeguarding lives and property.
- Protecting the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder.
- Identifying and apprehending criminal offenders.
- Reducing the opportunities for the commission of crimes through preventive patrol and deterrence measures.
- Improving the safety of the motoring public through the enforcement of traffic laws.
- Forming partnerships with community members and stakeholders to address matters of public safety and concern.
- Ensuring that the City is safe and attractive via the efforts of Code Enforcement.
- Maintaining public safety and the wellbeing of animals through the education and enforcement of city, state and federal animal laws.

## Key Accomplishments

- Measure K has allowed MPD to expand technology infrastructure, in order to be more efficient and better serve our community. This includes an ever-expanding citywide camera system.
- Code Enforcement, along with other staff and the Madera Irrigation District, has been able to achieve remarkable levels of nuisance mitigation along the Fresno River and parallel McCullough River Trail. Efforts include trash removal, citation issuance, fire prevention and an educational component to prevent future trash accumulation.
- Every police officer and code enforcement officer are now equipped with a body-worn camera which allows for increased public trust and transparency, the ability to quickly resolve citizen complaints, and to protect the City against frivolous complaints.

- The MPD social media following has grown to over 53,000 followers allowing for the quick dissemination of information and the ability to work collaboratively with the public to solve crimes that may have gone unsolved in the past. For example, the MPD initiated a weekly feature titled, "#WhoisThisWednesday" where a surveillance video of crimes is posted that allows the public to help identify the suspects. This program has a success rate of over 60 percent.
- For the first time ever, MPD hosted the "Egg-stra Special Event" to gather community members for an afternoon of games, food, and fun. Community members had the opportunity to participate in an egg hunt, shop from local vendors, and build relationships with our officers. This is one of the largest events hosted by MPD with an estimated attendance of 4,000.
- The communications center received and processed 140,217 emergency and non-emergency calls for service.
- Department personnel handled 55,311 events in calendar year 2021. An event includes service calls and officer-initiated activities. In 2021, responded to 2,302 welfare checks, 1,397 burglar alarms, and 3,659 requests for assistance. Responded to 1,528 stray animal calls and investigated 67 dog bites.
- Code Enforcement responded to 3,995 calls for service. These calls resulted in the generation of 2,709 reports, resulting in 813 notices of violation and 228 citations for non-compliance. Staff also towed 373 vehicles from the streets of the City that were abandoned or had registrations that were significantly expired (there were exceptions made per Governor Newsom's orders at the onset of the COVID-19 Pandemic).
- The Investigations Unit handled 953 cases in 2021 and closed 98 percent of the cases in the calendar year.
- Officers arrested 314 persons for driving under the influence in calendar year 2021.
- The department has delivered, once again, on the promise of achieving faster response times with the passage of Measure K. For the last three years, officers have lowered their response time by 38 seconds.
- The department expanded its specialty units to include a Crisis Intervention Team. Two officers promote community wellness by embracing and applying

Community Policing philosophies and strategies. The team collaborates with Madera Behavioral Health to support beneficial outcomes for persons with mental health illness. Measure K allowed MPD to purchase an off-road vehicle so the team could reach persons in the Fresno River.

- The Police Department has provided an unprecedented amount of support to our vulnerable homeless community inhabiting near the Fresno River. Individuals have been provided with services to improve their health, safety, and quality of life. For example, we have successfully reunited several individuals with their families.

## Goals & Performance Measures

- Pursue technology that allows us to be more efficient and effective at deterring and solving crime.
- Continued growth of our social media presence which allows the public to take an active role in crime fighting and gives them a voice in how they want Madera to be policed.
- Implement the Crisis Intervention Team to better utilize non-enforcement solutions to problems within our community.
- Increase service delivery to the public with the addition of a new position titled the Police Auxiliary Services Supervisor. This supervisor would oversee Property & Evidence, Animal Control, and Records. Provide better service to the public by decreasing the workload currently experienced by our single office supervisor.
- Launch our Principled Policing program, educating our employees about implicit bias and procedural justice, in order to better serve our community.
- As our community continues to recover from the COVID-19 pandemic, the Police Department will begin to revive pre-pandemic programming and events. These include Citizens' Academy, Mad-Kids Camp, Neighborhood and Business Watch meetings, and National Night Out.

## Department Fund Summary

The Police Department operates under the following budgets and funding sources:

- PD Operations
- Measure K- Police
- Community Corrections Partnership
- School Policing
- PD Housing Authority
- Supplemental Law Enforcement Services Funds (SLESF)
- Justice Assistance Grant (JAG)
- Tobacco Law Enforcement Grant
- Animal Control
- Code Enforcement
- Selective Traffic Enforcement Program (STEP)

The following is a summary of each:

### *PD Operations*

The PD Operations budget provides for 52.5 full-time sworn police officers and 24 professional personnel to carry out the primary functions of the department. This budget also makes up the bulk of the PD's maintenance and operations costs.

### *Measure K- Police*

The Measure K Police budget provides for 11 full-time sworn police officers and three professional personnel. This budget also has funding to improve police technology and equipment and plan for the growth of the police department.

### *Community Corrections Partnership*

The Community Corrections Partnership budget funds the cost of our Special Investigations Police Sergeant. The funding source comes from the passage of AB109 in 2011 that effectively shifted the responsibility for the supervision of specified offenders from the state to the counties.

### ***School Policing***

The School Policing budget provides for three (up from two in previous years) full-time sworn police officers whose sole focus is the policing of MUSD campuses.

### ***PD Housing Authority***

The PD Housing Authority budget provides for one full-time sworn police officer whose sole focus is issues arising from properties under the jurisdiction of the Housing Authority.

### ***Supplemental Law Enforcement Services Funds (SLESF)***

These funds are a grant from the State of California to be spent on “front line law enforcement services.” SLESF can be used for salaries, services, supplies, equipment, and administrative overhead. MPD receives \$100,000 annually.

### ***Justice Assistance Grant (JAG)***

JAG is federal criminal justice funding to state and local jurisdictions that can be used to support a broad range of state and local government projects, including those designed to prevent and control crime. This year the police department will have \$27,514 of these funds available.

### ***Tobacco Law Enforcement Grant***

The California Healthcare, Research and Prevention Tax Act of 2016 (Proposition 56) increased taxes on cigarettes and other tobacco products by \$2.00 starting in April 2017. These funds support local agencies to enforce tobacco-related statutes and ordinances, including efforts to reduce the illegal sale of tobacco products to minors. This year represents the final year of the three-year grant that awarded the department a total of \$286,314. This is an increase of nearly \$250,000 from prior grant awards and will allow us to hire a Neighborhood Revitalization Specialist dedicated to tobacco enforcement activities.

### ***Animal Control***

The Animal Control budget provides for two full-time animal control officers who protect and serve the citizens and animals within the City, through education and enforcement of city, state and federal animal laws.

### ***Code Enforcement***

The Code Enforcement budget provides for one full-time supervisor, five full-time code enforcement personnel, two part-time code enforcement officers, and one full-time neighborhood outreach specialist.

### ***Selective Traffic Enforcement Program (STEP)***

The Selective Traffic Enforcement Program is a grant that provides \$85,000 for the enforcement of impaired driving and distracted driving violations, with a goal of reducing traffic collisions within the City. The grant provides money for overtime, training, and equipment.

# Fire Department

## Department Summary

The Fire Department's goal is to protect lives, property, and the environment through fire suppression, emergency medical services, community risk reduction, public education, and emergency preparedness. The Fire Department's mission is to provide effective emergency response to the public in a safe, efficient, and cost-effective manner. The Department strives to protect life, property, and the environment, by delivering of innovative and efficient quality emergency management services in our community.

The Fire Department is administered by the California Department of Forestry and Fire Protection (CAL FIRE) pursuant to a cooperative fire protection agreement. Policy direction remains with the Madera City Council. Fire Department staff are CAL FIRE employees. CAL FIRE serves and

safeguards the citizens and protects the property and resources of California, and provides a multitude of emergency and non-emergency services to the community.

The Fire Department provides the following services:

- Fire suppression and prevention
- Deliver emergency medical services
- Rescue and public service assistance
- Fire menace standbys

- Coordinate response support operations for natural or man-made disasters

The City has continually been contracted with CAL FIRE since 1993 to provide fire protection services.

## Responsibility

The Fire Department:

- **Serve:** We are committed to the safety and well-being of the public and our employees.
- **Collaborate:** We build and maintain cooperative relationships across the state and beyond to benefit the public we serve.
- **Protect:** We integrate fire protection, natural resource management, and fire prevention under a single mission on behalf of the state and local communities.

## Key Accomplishments

Overview of accomplishments in FY 2021/22:

- Held the grand opening of Station 58.

- Trained all firefighters to truck operation level for the new ladder truck
- Implemented a firefighter cancer prevention procedure to improve the health and safety of our firefighters.
- Purchased two Madera City Fire Department antique fire engines from the Madera Historical Society.
- Set aside \$200,000 for the Fire Apparatus replacement fund.
- Purchased a Type 1 fire engine for \$751,460 to be delivered on January 2, 2023.
- Successfully mitigated 3,228 calls:
  - 1,770 emergency medical calls
  - 375 fires
  - 343 motor vehicle accidents
  - 126 assists to other agencies
  - 499 fire alarm responses
  - 125 public service assists (non-emergency calls of service)

- 125 fire menace standbys (emergency calls non-fire or medical)
- 60 hazardous material incidents
- Participated in the 2022 Fresno River clean-up, including minimizing fuel for potential fires. Recruited a hand crew comprised of 34 fire fighters to eliminate overgrown brush.
- Added fitness centers to all three fire stations
- Repurposed former paramedic room, formerly occupied by Pistoresi Ambulance, at Station 57
- Remodeled a bathroom and replaced natural grass with synthetic turf at Station 56
- Work on improving Insurance Service Office (ISO) rate to a Class 3 Fire Department, creating cost savings for citizens and businesses of Madera on their insurance policies
- In conjunction with the Police Department, research and apply to state, federal, and private grant programs to assist in funding Fire Department operations
- Continue effective collaboration with community groups to ensure coordination and integration with local emergency response agencies
- Continue to provide effective fire and life safety education to school-aged children in our community
- Increase funding for the Fire Engine Replacement account from \$200k per year to \$490k

## Goals & Performance Measures

- Demolish the single family home adjacent to Station 56 and commission a site assessment for said station
- Identify a work plan to become compliant with Senate Bill No. 1205
- Emphasize the prevention of fire and other peril through effective code adoption and enforcement activities in the city
- Complete a Request for Statement of Qualifications (RFQ) to design for Station 56 remodel

## Department Fund Summary

The Fire Department is funded by the City's General Fund and Measure K. Measure K is a .5% sales tax is used for public safety enhancements and is recorded in a separate fund within the General Fund. Revenues are divided by the Fire and Police Departments.

## Department Staffing & Structure

The stations are staffed with three firefighters on duty per day. A Battalion Chief supports the firefighters. It is worth noting

# Public Works Department

## Department Summary

Public Works (PW) is one of the four divisions that cumulatively make up the Community Development Department.

The Public Works Department is responsible for maintaining and managing operations of the City's public utility systems. The Public Works Department is responsible for the installation, maintenance, and repair of the City's water, sewer, and electrical conveyance systems.

Primary responsibilities also include maintaining the Wastewater Treatment Plant and the Municipal Airport. Street repair and maintenance, street sweeping services, and flood control are included within the Public Works Department, as well as administrative functions related to solid waste and recycling activities.

Public Works is composed of the following Divisions:

- Streets and Storm Drainage
- Water and Sewer Collections
  - Water Quality
  - Water Conservation
  - Wastewater Collection
- Wastewater Treatment

- Facilities and Electrical
- Administration
  - Airports

## Responsibility

### *Streets and Storm Drainage*

- Provide maintenance and repair of street systems, including pavement markings, pothole repair, alley grading, and street signs
- Provide street sweeping services and annual leaf cleanup program
- Partnered with contracted services to remove over 170 tons of refuse and trash from the riverbed
- Painting of traffic control identifiers on over 90 miles of roadway
- Oversee the contract of alley re-pavement and maintenance
- Maintain storm drain systems, including cleaning of drainage lines and inlets, basin maintenance, and emergency flood responses
- Removal and cover up of graffiti throughout the city
- 11.2 miles of unpaved shoulder maintenance

### *Water and Sewer*

- Deliver a continuous supply of clean, fresh water throughout the City
- Provide routine maintenance of the City's 20 groundwater wells and approximately 200 miles of water distribution pipelines
- Repair compromised water service lines and water mains annually
- Promote water conservation through outreach and customer rebate programs

- Ensure collection and delivery of wastewater to the Wastewater Treatment Plant (WWTP)
- Provide routine maintenance of 5 sewer lift stations

### *Wastewater Treatment*

- Operate and maintain the City of Madera's Wastewater Treatment Plant in a safe, reliable, productive and cost-effective manner
- Ensure and maintain compliance with Regional Water Quality Control Board's Waste Discharge Requirements
- (WDR) permit for all wastewater treatment and disposal facilities
- Enforce the City of Madera's Industrial Pretreatment Program in conformance with City's Legal Authority and Code of Federal Regulations (CFR), Title 40, Part 503
- Protect public health and the environment by providing wastewater treatment to all domestic and industrial wastewater collected within our service areas; ensure treated waters discharged back into the environment meet or exceed the City's Waste Discharge Requirements permit limits and all other applicable local, State and Federal requirements
- Promote safe work habits in the workplace through increased employee involvement and participation in in-house safety training, as well as through participation in trade industry's technical and educational programs
- Implement capital improvement/repair plan to continually improve and maintain mechanical systems critical to the efficient operation of the WWTP

### *Facilities and Electrical*

- Provide routine maintenance to the City's buildings, equipment, and facilities
- Maintain:
  - Over 3,300 streetlights

- 196 Solar Street Lights
- 40 traffic signals
- Provide electrical installation, maintenance and troubleshooting on all electrical components for the city
- Responsible for the safe operation of the 19 water wells, 5 sewer lift stations, and 23 storm drains among other systems
- Maintain City owned buildings to make them more user friendly, comfortable, and aesthetically appealing
- Maintain the electrical operation of solar arrays at the Police Department, Youth Center and to a lesser degree the WWTP.
- Maintain all operations and controls for machinery and equipment for the WWTP. Including the pumps, motors, motor control centers, Variable Frequency Drives, programmable logic controllers, instrumentation and SCADA integrated system

### **Administration (including the Airport)**

The administration division has several responsibilities, as well as the added task of overseeing the airport. All calls for service originate with the administrative division and are then disseminated to the appropriate division.

Last year the administrative division contracted, with a private firm, the monitoring of backflow prevention devices. This has greatly simplified the process for consumers, while protecting the potable water supply to citizens. Thus far we have received positive feedback from the community, and it has greatly reduced staff time needed of backflow monitorization.

At the Municipal Airport, the City experienced the expansion of one of the larger hangers by over a 3<sup>rd</sup> of its original size. Finally, the recent addition of a commercial flight school as added 14 planes at the airport has been a remarkable success.

### **Key Accomplishments**

FY 2021/22 continued to bring challenges from the current pandemic. By following recommended public health guidelines, the Public Works management team did an

excellent job ensuring limited exposure for team members, which as a result, allowed PW to fully operate without any disruption in service to the community. This includes all street sweeping operations, street maintenance, water and sewer services, and wastewater treatment operations.

Some examples of the day-to-day operations of Public Works includes:

- This year the team repaired north of 2,300 potholes, or an increase of over 500 potholes from the previous year, with over 50 tons of cold mix
- Over 3,200 miles of street sweeping was completed. Street sweepers operate each weekday in the early morning hours
- Installed Historic Route signs along old Highway 99 (aka Gateway, G Street)
- Removed over 600 yards of leaf and vegetation during the annual leaf removal program
- Completed a beautification project at Town & Country park entrances with drought tolerant landscaping that are easy to care for
- The Safe and Clean team, a pilot program aimed at beautifying the City,
  - pressured washed more than 30,000 square feet of pavement
  - Was able to clean and mow all city owned ponding basins and vacant city lots, numbering over 20 locations. This is the first time the city was able to clean all ponding basins and vacant lots in recent history
- Cleaned and repaired 18 road shoulders located throughout the city. The shoulders was mowed, landscaped and repaired as needed and this will continue
- Two separate alleys were paved in what is considered high traveled areas
- In cooperation with Mid-Valley disposal, collected 1,988 tons of refuse, 167 tons of metal, 21 tons of e-

waste, and a total of 3,294 tires during citywide annual curbside cleanup

- Replaced approximately 130 water service lines and repaired 111 service line leaks, and nearly 120-meter leaks. Three of these leaks were classified as major
- Over 300 city owned backflows were tested and repaired
- Approximately 25 fire hydrants were repaired and/or replaced
- 142 house laterals were snaked for clogging and 186,685 linear feet were cleaned with the Vactor
- 6 sewer mains were repaired
- Complete the rebuild of Water Well No. 34, located at Papaya and Knox Streets
- Continued to work with Madera Irrigation District to divert irrigation water into existing ponding basins thereby improving our water recharge efforts
- Installed approximately 50 water meters
- Wastewater Treatment Plant operated without interruption, processing over five million gallons a day
- WWTP is working with a consultant to convert the plant to manage up to 10 million gallons per day of wastewater (up from the current 7.1 MGD)
- Facilities team repaired 637 streetlights, and 65 traffic signal bulbs were replaced
- 10 traffic signal controllers were upgraded to better suit the increased traffic needs
- Installed protective barriers for protection from COVID throughout all city buildings
- Upgraded all communication antennas at all city facilities
- Re-lamp all downtown post top lights
- Replaced drinking fountains to ungraded bottle fillers/drinking fountain for reduced water use

- Upgraded the wash station with new vacuum, pressure washer and cement slab at the City's Corporation Yard
- Repaired the exterior plaster the Youth Center
- In December of 2019 the City of Madera approved a contract more than \$18 million for a comprehensive energy savings project. The City contracted with ENGIE Services U.S. Inc. to modify or install energy improvements at 17 different city locations and facilities. This project includes solar energy production, HVAC improvement and overhaul, electrical vehicle charging stations, LED lighting retrofits and solar streetlights. Approximately 76 percent of the total cost is for solar power generation. The facilities department was tasked to oversee the operation to its completion, which occurred this last year.
- Coordinated with multiple City departments and other local agencies on Fresno River clean-up to mitigate fire hazard due to overgrown vegetation.

## Goals & Performance Measures

- Monitor and evaluate the effectiveness and efficiency of the delivery of services provided
- Beautification of the water wells
- Continued installation and maintenance of solar streetlights throughout the City over the course of the next several years
- Streets Division will be overseeing and conducting pavement crack seal throughout the City
- Wastewater Treatment Plant will continue the process of increasing the Plant's capacity to process 10 million gallons of solid waste per day
- Continue coaching, training, and managing employees to provide an opportunity to succeed in their positions, while at the same time gaining the knowledge and experience necessary to help them pass the State required certification tests at WWTP
- Facilities Division will continue to convert the City into more reliance on green energy

- Continue with beautification projects lead by the Safe and Clean team

## Department Fund Summary

The Public Works Department is comprised of numerous budgets across seven different funds:

- Streets/Graffiti (General Fund)
- Water Fund
- Sewer Fund (Sewer and WWTP)
- Airport Fund
- Drainage Fund
- Solid Waste and Recycling Fund
- Facilities (Internal Service Fund)

The following is a summary of each:

### *Streets/Graffiti*

The Streets and Graffiti budgets fall within the General Fund. Gas Tax and Measure T are the two main revenue sources for each of these budgets. Recently, this team was awarded \$25,000 to purchase paint via the Community Development Block Grant.

### *Water Fund*

The Water Fund is funded by user rate revenue. There are several budgets within the Water Fund: Water Maintenance, Water Quality, Water Conservation, and Water Capital Outlay.

### *Sewer Fund*

The Sewer Fund is also funded by user rate revenue. Within the Sewer Fund are several budgets: Sewer Maintenance, Wastewater Treatment Plant, and Sewer Capital Outlay.

### *Airport Fund*

The Airport Fund is funded by several revenues: hangar and tie down rental fees, fixed based operator land leases, and

agricultural land leases. The Airport Fund has both a maintenance budget, as well as a capital outlay budget. Capital projects are largely funded by the Federal Aviation Administration.

### *Drainage Fund*

The Drainage Fund is funded by user rate revenue. It is broken into three budgets: Drainage Capital Outlay, Drainage Operations, and Drainage Flood Control.

### *Solid Waste and Recycling Fund*

The Solid Waste Fund is funded by user rate revenue. Within this fund are several budgets: Solid Waste Disposal, Street Cleaning, and Tire Cleanup. There are also numerous small budgets that represent various CalRecycle grants the City receives from the state for recycling programs.

### *Facilities*

Facilities is an Internal Service Fund. It receives Gas Tax revenue to offset the cost of maintaining streetlights and traffic signals. The remainder of the costs are then split proportionately throughout each department in the City.

## Budget Summary

- For budget details for the following, please refer to “Enterprise Revenues” section of this report.
- For budget details for the following, please refer to “Special Revenues” section of this report.
- For budget details for the following, please refer to “Interfund Revenues” section of this report.

# Planning Department

## Department Summary

The Planning Department is one of the four departments that cumulatively make up the Community Development Department of the City.

The Planning Department provides professional advice to City Council, Planning Commission, residents, businesses, and developers regarding policies that guide the physical development of the community. The Department is responsible for updating and maintaining the General Plan, specific plans, zoning ordinance and development-related policy documents. It is also responsible for processing various land use, zoning, subdivision, design, sign applications, and hearing processes. Planning staff is available Monday through Friday to answer general questions regarding growth and

development of the City, and to explain permit review requirements.

The budget year exemplified an extremely challenging period for the Planning Department. The year brought on changes in Department personnel and staff during a time of unprecedented growth and development interest in the community. In meeting these challenges, the Department relied upon the extraordinary efforts of staff (Planning Manager, Associate Planner, Assistant Planner, Administrative Assistant and a Planning Assistant on loan from the Parks and Recreation Department during the first 6 months of the previous fiscal year) and by retaining contract planners and consultants to perform planning and environmental services in order to the

meet expectations of the City Council, the citizens and business of the City and that of the development community.

## Responsibility

The Planning Department is responsible for three distinct planning disciplines:

- **Ministerial Permits:** Processing of site plan reviews, sign permits, temporary use permits, zoning administrator permits, home business occupational permits and other non-discretionary permits.
- **Current Development:** Includes, use permits, precise plans, variances, parcel maps, tentative subdivision maps, vacation and abandonment of public right-of-way, zoning administrative permits, rezones, general plan amendments, and ordinance amendment requests, all of which require the discretionary approval of the Planning Department, the Planning Commission and/or City Council.
- **Long Range Planning:** Includes the maintenance or preparation of the City's General Plan and its elements, including annual housing program implementation reports required by the California Department of Housing and Community Development, annexations, specific plans, master plans, design guidelines and other documents specific to the future vitality of the City.

A primary function of the Department is to serve as a liaison to the Planning Commission. The Department also:

- Provides exemplary customer service to the citizens of Madera, including at the Planning counter, over the phone, in the field, and via email.
- Provides dedicated service to the development community, including implementation of the Community Development Department's Project Manager Program.
- Implements the City's General Plan, the various specific plans of the City and Zoning Ordinance.
- Processes land division entitlements in conformance with the Subdivision Map Act.
- Provides plan check reviews of new and remodeled residential, commercial, industrial and public buildings for compliance with state building codes as

well for compliance with project conditions of approval.

- Provides site inspection of new/remodeled commercial, industrial and public buildings to ensure development conforms with project conditions of approval.
- Provides interdepartmental support with the preparation of environmental review and documentation for Capital Improvement Program projects as well as for state and federal grant funded programs and projects.
- Provides Geographic Information Systems (e.g., maps and data) support to multiple City departments.
- Provides intellectual support to all departments via preparation of a myriad of deliverables ranging from park design and placement, street landscaping, cannabis industry research, preparation of a development impact fee update assessment telecommunication ordinance, and spatial analysis regarding infrastructure placement.

## Key Accomplishments

- Planning implemented procedures allowing full utilization of its services following the close of City offices to the public due to the pandemic. Customers were able to conduct all typical aspects of their needs including the submittal, review and processing of development and entitlement applications digitally.

These services continued unabated even as Planning successfully migrated staff from their office in City Hall to temporary quarters at Public Works as well as their homes through the use of remote computer connections. This service model now exists as an available accommodation to staff should this be needed again or simply to provide additional methods to maximize office space efficiency and utilizing staffing resources from remote locations.

- Successfully amended the City Planning and Zoning Code to permit the cultivation, processing, manufacturing, testing, distribution and the sale of cannabis and cannabis products in certain zoning districts consistent with the Cannabis Regulatory Ordinance. Collaborated with the Administration Department in the preparation of the Cannabis Regulatory Ordinance.

Overview of entitlement accomplishments in FY 2021/22:

Type	# of Applications
Right-of-Way Abandonment	2
Annexation	5
Conditional Use Permit	23
CEQA/NEPA Environmental Review Assessment	32
General Plan Amendment	5
Home Occupational Permit	80
Lot Line Adjustment	2
Ordinance Text Amendment	2
Precise Plan	7
Preliminary Project Review	26
Prezone / Rezone	8
Sign Permit	64
Site Plan Review	51
Tentative Parcel Map	10
Tentative Subdivision Map	6
Temporary Use Permit	26
Variance	5
Zoning Administrator Permit	5

**Entitlement Approvals Included:**

- Completion of the Village D (Villages at Almond Grove) Specific Plan, General Plan text and land use map amendments, pre-zoning and annexation of 1,900 acres into the City, and certification of the supportive environmental impact report (EIR).
- Nine-acre, 144,300 Square Foot Multi-Tenant Flex-space Industrial Warehouse Project with the design capacity of serving up to 74 tenants.
- State of the art agriculture cold storage warehouse buildings with a combine total of 500,000 square feet on 30 acres in the Airport Industrial Park. Project will be constructed in two phases and will include extending Condor Drive north of Aviation Drive.
- Multiple tentative subdivision projects with a combined total of over 5,400 single family residential lots.
- Several multi-family apartment complexes providing a combined total of nearly 300 units. Each apartment

complex will provide on-site complementary community center and recreation areas.

- In-N-Out Burger restaurant and drive-thru at the northeasterly corner of The Commons at Madera Fair Shopping Center.
- Dutch Bros Coffee drive-thru at the Vallarta Supermarket Center.
- Expansion of the Madera Ford Dealership to include 36,220 square foot vehicular service and maintenance building.
- New and expanded commercial developments – financial / banking, restaurants, automotive repair, drive-thru coffee house, medical and dental offices, professional offices, beauty salons, car wash, service stations.

**Active Planning Projects:**

- Telecommunication Ordinance
- Central Valley Hotel – A 5-Story, 94 Room Hotel
- Carmel Homes Phase IV - 226 Single Family Subdivision
- Pecan Stadium Links Ranch - 214 Single-Family Unit Subdivision
- Home Ranch V - 42 Unit Townhome Subdivision
- West Pecan Avenue 108 Unit Multi-Family Residential Development

**Non-entitlement project tasks:**

- Collaborated with outside agencies through the entitlement process of various commercial and residential projects.
- Assisted the Engineering Department with the preparation of CEQA and/or NEPA environmental documentation on several CIP projects.
- Completed numerous GIS projects in support of City departments, including mapping efforts on topics ranging from Council District realignment to transit route Dial-a-Ride mapping to airport land use

compatibility mapping to General Plan Land Use and Zoning District Mapping.

## Goals & Performance Measures

- Continue to provide exemplary customer service to all segments of the population.
- Collaborate wherever possible with other departments to maximize the value of staff.
- Enter into an agreement with a strong consultant, to assist with the preparation and adoption of the North Madera Master Plan.
- Enter into an agreement with a consultant to assist with the preparation, adoption and certification of the Housing Element Update.
- Continue partnerships and collaboration with outside agencies and organizations with the preparation, adoption and implementation of ordinances, plans, and policies.
- Maintain the highest standards for the timely processing of planning entitlements, assuring that all applications are processed within suitable timeframes and scheduled to the earliest possible Planning Commission.
- Provide training opportunities for both staff and the Planning Commission, including attendance at the League of California Cities Planning Commissioners Conference and at the American Planning Association Conference.
- Continue efforts related to the adoption of updated zoning ordinance and the associated update of the Official Zoning Map of the City.
- Respond proactively to the direction of the Council, Planning Commission, and the City Manager to positively influence the betterment of the community.
- Assist with the preparation of a Development Impact Fee workshop before the Council.

## Department Staffing & Structure

The Planning Department has 5 budgeted positions, 3 of which are filled. The Department is currently seeking to fill the Senior and the Associate Planner/Assistant Planner position. Should the Department continue to receive the volume of land use entitlement applications it received the previous fiscal year, the Department may continue to rely on the services of contract planners and/or planning and environmental consultant firms to perform planning and zoning entitlements, and environmental review and report preparation as directed by the Planning Department.

# Building Department

## Department Summary

The Building Division is one of the four divisions that cumulatively make up the Community Development Department.

The Building Division ensures the safe occupancy of buildings by verifying construction compliance with building and fire codes, which is achieved through the application and enforcement of State laws and City ordinances governing the construction, use, and maintenance of structures on private and public property. In this capacity, the Building Division administers federal, state, and municipal regulations regarding architectural compliance, structural stability, seismic safety, electrical, mechanical, plumbing, disabled access, energy conservation, green building, and tenant protection during construction.

Services provided by the division include public counter permitting operations, plan reviews, inspections, and maintenance of permit and construction records.

## Responsibility

The Building Division is responsible for reviewing all activities associated with on-site construction projects. It administers the building permit process, which includes the submittal of building plans, subsequent plan check for compliance with City and State building code requirements, and the issuance of certificates of occupancy. The typical timing of this process varies. Plan review times for expedited projects range between 2-3 weeks, whereas typical projects range between 4-6 weeks. The City's Interim Fire Marshal acts as a consultant to the division and performs plan check reviews and field inspections to ensure compliance with California Fire Code.

Projects that may require a building permit include new construction, remodels, modifications to existing plumbing and/or electrical systems, and heavy mechanical equipment (heating, ventilation, and air conditioning systems).

Certain types of construction and installation projects that do not require a building permit include:

- Any structure less than 120 square feet without plumbing or electrical work
- Surface treatments (paint, tile, etc.)
- On-site concrete work, not in an accessible path
- Fences that do not require footings

### The Permitting Process

- **Over-the-counter:** These permits are common for single-family homeowners and are completed with relative ease saving the customer time. Common permits that do not require a plan check include water heater replacements, re-roofs, electrical service upgrades, window replacement, and HVAC replacements.
- **Plan Check:** More complex permits that require plans, such as new commercial/industrial buildings, new homes, tenant improvements, or extensive house remodels. As part of this process, applicants submit plans identifying proposed improvements. Staff reviews the plans for compliance with state building codes to ensure that minimum codes are met.

- **Inspections:** The building division has a 24-hour inspection request line. Inspections requested prior to 6:00 pm are completed the next business day.

## Key Accomplishments

Overview of accomplishments in FY 2021/22:

- The Building Division was active in issuing 3,010 building permits with a total valuation of over \$1.7 million.
- The Building Division has strived to meet its goals by conducting inspections to ensure compliance with governing codes, tracking permits and inspections and posting information to the City's website. All of this while providing exemplary customer service.

Notable projects include:

- Full Throttle Suspension and the adjacent Building B have continued progress and are nearing completion.
- Sugarpine Village – 5 Buildings including a Community Center was given certificate of occupancy.
- Ready Roast has completed an interior reconstruction and commenced a new addition to the plant.
- One new airplane hangar and an expansion of the Madera Jet Center.
- DMP, KB Homes and K Hovanian Homes all completed a significant portion of their remaining lots.
- Boot Barn opened a new retail outlet – certificate of occupancy was issued.
- The Veterans and Multi-Family projects in Downtown were issued temporary occupancy and certificate of occupancy should be granted prior to end of the fiscal year.

## Goals & Performance Measures

- Prepare for adoption of the 2022 California Codes. The Building Department will continue to minimize local amendments to the code.
- Ensure compliance with codes for the construction, use, and occupancy of buildings and their affiliated components.
- Continue to provide exemplary customer service and foster great rapport with clientele
- Track issuance of permits, inspections, and certificates of occupancy
- Continue to build a strong relationship between departments and outside agencies
- Explore opportunities to further modernize and streamline operations, including the efficient digitization of building plan prints
- Respond to 100 percent of building permit field inspection on a next-business day basis. We have managed to meet this goal and it will continue to be our standard of care.
- Reduce the plan check review period from 4-6 weeks to 3 weeks for 75 percent of all plans. Due to a huge surge in permit activity this did not occur but we are continuing our efforts in this regard.
- Reduce the back-check process from 2 weeks to 8 business days for 50 percent of back checks. Due to a huge surge in permit activity this did not occur but we are continuing our efforts in this regard.

## Department Fund Summary

The Building Division has five budgeted positions, of which four are currently filled. The City also hired a part-time building inspector to assist and a contracted Fire Consultant that conducts review of plans for compliance with both the California Fire Code and the Building Code.

## Annual Inspections

The following table highlights the number of inspections and inspection stops.

# Engineering Department

## Department Summary

The Engineering Department is one of the four divisions that cumulatively make up Madera's Community Development Department. The mission of the Engineering Department is to serve the needs of Madera residents by providing professional engineering services to the community and city government. The department is dedicated to maintaining the highest level of responsiveness, which serves to characterize a business-friendly environment to serving our community.

The Engineering Division includes both Inspection and Design. The Inspection team provides construction management and inspection services on private development projects, encroachment permit projects, and Capital Improvement Program projects.

The Design team provides engineering and public facility design, plan review, administration, permitting, and construction of public works and development projects, including infrastructure, Capital Improvement Program projects, and replacement projects.

In addition, the department is responsible for enhancing mobility and safety citywide through ongoing transportation planning, traffic engineering, and signal operations activities.

## Responsibility

The Engineering Department, under the direction of the City Engineer, is charged with overseeing, planning, designing, and implementation of infrastructure projects.

Some of the department's functions include:

- Transportation, water, sanitary sewer and storm drain engineering
- Asset management of transportation, drainage and other city infrastructure. Long range planning for capacity and financial support (rate studies).
- Construction Management & Inspection (CM&I) – Managing capital improvement projects and public works contracts for city departments, inspection and oversight of private development grading, sanitary

sewer, water, storm water and improvements, inspection and oversight of all activity in the public right-of-way and provides project management and development services for civic projects

- Serve as the construction manager for city projects not initiated in the Engineering Department (i.e., Fire Station No. 58 and Transit Facility completed in previous fiscal years)
- Program, plan, design and administer the construction of the annual Capital Improvement Program in cooperation with other City departments
- Issue permits for work in the public right-of-way
- Inspect construction within the public right-of-way
- Plan check all development plans, parcel maps, subdivision maps including those that impact other department functions
- Manage the National Pollutant Discharge Elimination System (NPDES) program activities
- Manage traffic engineering and transportation planning activities
- Provide Interagency Coordination with agencies such as Caltrans, County of Madera, Madera Irrigation District, Madera County Transportation Commission and Authority (MCTC & MCTA)
- Implement Council programs and policies to meet the City's current and future infrastructure needs
- Provide ongoing, informative communications to City Council and residents regarding key objectives, challenges, and accomplishments
- Participation in the Sustainable Groundwater Management Act (SGMA) activities that includes preparation of the Groundwater Management Plan (GMP)
- Participate in the Technical Advisory Committee of the MCTC and MCTA and planning, programming, and oversight of local, state, and federal transportation funding sources.

- Provide support to City Departments in areas of infrastructure planning and construction

## Key Accomplishments

The department accomplishments are most visible in the completion of projects, those that are moving forward at any given time, and assistance provided toward other endeavors of the Council. Overview of accomplishments in FY 2021/22:

- The Engineering Department implemented procedures at the beginning of the pandemic in 2020 that would allow full utilization of its services following the need to close offices. These procedures continue to allow customers the ability to conduct all typical aspects of their needs including permits and plan reviews as a couple of primary examples.

These services continued unabated even as Engineering successfully migrated many employees from the office to their homes and now back to the office using remote computer connections. This service model now exists as an available accommodation to employees should this be needed again or simply to provide additional methods of utilizing employee resources from remote location, whether that be local or more distant locations such as Oakhurst or farther afield.

- Managed Phase II of the Olive Avenue Road Widening Project, where overhead utilities were undergrounded. This was done in advance of the Phase III Road construction portion, which is anticipated to advertise in early 2023, subject to ongoing coordination efforts with the Union Pacific Railroad
- Assisted in securing federal earmark funding for the Avenue 13 Sewer Trunk Main rehabilitation. Secured a consultant for design and project will move to construction in FY 22/23
- Worked collaboratively with multiple other committee members toward preparing a November 2022 ballot for extension of the Measure T program

Designed and managed various Road Rehabilitation or Miscellaneous Paving Projects including:

- City Street 3R and ADA, Cycle 2020-21 – various locations – Completed

- RMRA Seals and Overlay, Cycle 2019/20 – Completed
- RMRA Seals and Overlays, Cycle 2020/21 - In construction
- RMRA Seals and Overlay, Cycle 21/22 – in design
- Alley Paving Projects ALY-01, 03 – in design. Construction anticipated Fall, 2022

Managing design and construction of multiple pedestrian facilities including:

- Maple, Santa Cruz and Monterey Community Development Block Grant (CDBG) sidewalk project – Nearly Complete
- Lilly and Vineyard CDBG sidewalk project – Nearly Complete
- Schnoor Avenue sidewalk project from Sunset to Riverside (Congestion Management and Air Quality (CMAQ) and Measure T) – Plans are 30%
- Washington School sidewalk project (CMAQ) – Plans are 30%
- Affordable Housing and Sustainable Communities (AHSC) grant project which includes sidewalks, bike lanes, stop sign flashers, rapid flashing pedestrian crossing beacons – In process of retaining design consultant
- Granada Pedestrian and Bicycle Bridge crossing the Fresno River (CMAQ)
- Managed construction of new traffic signals at:
  - Howard Road and Westberry Boulevard – Completed
  - Howard Road and Granada Drive - Completed
- Lake and Adell Street Flashing Stop Signs on the north and southbound approaches - Completed
- Managed design and current construction activities of the Stadium Road and Gary Lane HAWK Signal - Completed

- Managing design of the Lake/4th/Central Intersection traffic signal following a study of alternatives. Design of a future signal is approaching 60 percent complete
- Managing design of traffic signals at the intersection of Olive Avenue at Knox and at Roosevelt as part of Olive Avenue Widening

Managing design and construction of sewer and water projects identified in the CIP

- New Water Storage Tank in northeast Madera
- New Water Well 37 on Granada Drive
- Complete planning and design for new water meters
- Completed or near complete projects during this last fiscal year was approximately \$6M
- Through June 13, 2022, issued 270 encroachment permits of all types within the public right-of-way versus 359 same time last year and 331 two years ago
- Managed what is anticipated to be the busiest three years of development activity since 2007/08 fiscal year with the prior year (2020/21) being the highest.
- Engineering and Public Works worked collaboratively toward the installation of a crosswalk on Granada from Town and Country Park to the west side of Granada. Temporary crosswalk has been installed by Public Works as Engineering works toward remaining improvements using funding from a successful Highway Safety Improvement program grant. Full completion based is anticipated to occur in summer 2022.

## Goals & Performance Measures

- Advance a project or projects to address necessary improvements to the Avenue 13 sewer pipeline recently identified as having significant age-related deterioration
- Continue to support the Council and its goals toward a more livable community through, in part, infrastructure that supports the community today and into the future

- Advance council infrastructure and planning priority projects in a manner that demonstrates the highest ideals of commitment to current and future residents
- Continue effort to recruit new team members with the continuing goal of reducing project backlog while minimizing impacts to the General Fund through continued allocations of staff time to those projects
- Complete site selection, environmental and preliminary design of new Water Storage Tank project
- Move the Northeast Tank, supporting pump station and transmission mains to completion of design and obtain necessary right-of-way for construction
- Continue to assist in the next phase of development within Village D Master Plan
- Initiate and complete a traffic study associated with the planned construction of Almond Avenue between Pine Street and Stadium Road as well as circulation on Stadium Road between Pecan Avenue and Olive Avenue
- Provide ongoing ADA improvements to city sidewalk facilities throughout the city as funding becomes available
- Continue to utilize and update the citywide pavement management system to improve the efficient use of available resources
- Present D Street Water Tower Evaluation results to Council (Study completed - tower is not in imminent threat)
- Continue support of SGMA activities identified previously

- Gas Taxes
- Staff time charges to projects in which staff has been assigned
- Landscape Maintenance District management fees
- Drainage System Operations Fund
- Private Development Impact Fees
- General Fund

## Department Staffing & Structure

The department is currently budgeted with:

- 16 full-time positions (3 are vacant with 1 currently in the hiring process)
- 8 part-time positions; 3 are vacant with 2 of those vacant being interns. One intern is currently in hiring process.
- 2 part-time temporary Senior Engineers while recruitment continues for full time equivalents which have been vacant for approximately six months or more.
- 1 part-time trainee provided through the Senior Community Service program For FY 2022/23

## Department Fund Summary

The department is responsible for one departmental budget as well as numerous project and program related budgets that are too voluminous to repeat in this summary document.

The budget is comprised of multiple funds including:

- Local Transportations Funds

# Parks & Community Services Department

## Department Summary

The Parks and Community Services (PCS) Department provides a wide range of direct services to the public and is divided into three major operational divisions:

- Administration
- Recreation & Community Services
- Parks Maintenance

The three divisions work collectively to provide high quality recreational pursuits, preservation of parks and open space areas, entertainment and leisure services to community members of all ages.

Subdivisions include sports, seniors, aquatics, landscape maintenance districts, median landscaping, and special events.

The PCS Department also hosts community special events such as Movies in the Park, the Pomegranate Festival, Walk the Trail Days, Senior Days, Free Swim Day, and most recently Madera Eats.

## Responsibility

### Administration:

- Development of grant applications and oversight of allocated funds
- Development of departmental policies
- Annual budget creation
- Contract oversight
- Payroll and other human resource management activities

### Recreation & Community Services:

- Oversight and management of recreation facilities, such as community and youth centers, senior centers, the aquatic complex, and the skate park.
- Implementation and management of recreation programming for community members of all ages including educational and leisure classes; youth, adapted and adult sports; swimming lessons and other aquatics programming; day camps; after school programs; fitness/wellness programs; leadership and career preparedness; and drop-in recreation programs for youth, including sports, crafts, technology, and audio-engineering.
- Oversight of nutrition, recreation and leisure programs and services for senior citizens including those with special needs.

### Parks Maintenance:

- Management, oversight, and maintenance of a variety of different sized parks, a cross-city trail system, and other greenbelts and walkways.
- Contract oversight and management for the efficient maintenance and operation of the municipal golf course.
- Oversight of citywide tree maintenance contract.

- Oversight of median island landscape maintenance activities citywide.
- Management of the landscape maintenance activities of the City's 80+ Landscape Maintenance Zones (LMZs).
- Oversight, maintenance, and protection of the City's urban forest.

## Key Accomplishments

Overview of accomplishments in FY 2021/22:

- Successfully awarded \$1.9 Million grant under the Proposition 68 Statewide Park Program for the Olive Park Project. The grant performance period ends June 30, 2025, at which time Olive Park is scheduled to be completed.
- Successfully awarded \$832,350 under the Clean CA Local Grant Program for a litter abatement project, beautification and improvement projects along the Fresno River and Vernon McCullough River Trail. The grant performance period ends June 30, 2024.
- Successfully awarded \$177,952 grant under the 2018 Parks Bond Act Per Capita Grant Program, for improvements at Lions Town & Country Park. The grant performance period ends June 30, 2024.
- Successfully awarded \$609,307 in FY22/23 CDBG Action Plan for McNally Park. The funding will be utilized for capital improvements at the park, including a play structure, water fountains, and basketball courts.
- After the emergency approval from state agencies to immediately begin removing excessive vegetation from the 4-mile stretch of the Fresno River that runs through the City, PCS Department staff actively participated in the collaboration to being clearing the riverbed of dry brush, grass, debris, and litter that had accumulated in the area. The collaboration consisted of various City staff, as well as the Madera Irrigation District and CalFire.
- Received a \$30k donation for improvements of Ballfields 1 & 2 at Lions Town & Country Park. The city

completed an Invitation for Bids, and the project was completed in March 2022.

- Installed five motion capable exercise equipment stations along the Vernon McCullough River Trail, and eight motion capable exercise equipment stations along the walking trail at Lions Town & Country Park. The equipment installation was made possible through a \$80k grant from Kaiser Foundation Hospitals.
- Coordinated and held two Walk the Trail Days events to raise awareness of the new exercise amenities at the trails, encourage regular exercise, and promote Healthy Eating Active Living. Local health-based organizations, as well as Madera Police Department, were invited to host informational booths.
- Secured a three-year Contractor Services Agreement with West Coast Arborist for citywide tree management and maintenance services, estimated at \$150,000 per year.
- A new shade structure was installed and completed summer of 2021 at Centennial Park Pool Complex, providing much needed shelter from the sun to pool-users, as well as providing temperature reduction effects and making the area more aesthetically pleasing.
- After a massive leak was found in the large swimming pool at Centennial Park Pool Complex, staff worked with National Aquatics Services, Inc. to address repairs needed, as well as install new valves to main lines that needed upgrades.
- Replaced 25-year-old fountains inside the Pan American Community Center foyer. The new water fountains feature a high/low option to comply with ADA regulations, along with a water bottle filling station.
- Initiative to replace outdated fountain receptors at parks, starting with the purchase of two stainless steel receptors for Lions Town & Country Park.
- Reopened the Frank Bergon Senior Center. The Center provides a wide variety of classes, programs, and activities to promote healthy and independent living for individuals 55 years and older.

- Reopened the Centennial Pool Complex. The aquatics program is designed to provide the local community with opportunities for a safe, fun, low-cost summer of recreational swimming, lessons, and group rentals.
- Movies in the Park resumed in the summer of 2021 with roughly 800 Madera residents attending over an 8-night program.
- The Pomegranate Festival resumed November 2021 with upwards of 6,000 participants attending the event.
- A new series of outdoor events, known as Madera Eats, featuring food vendors and local small businesses were a success with the community. The events provide marketing opportunity to local businesses and boost community usage of parks.
- Successfully resumed numerous youth sports programs such as youth fall and spring baseball, tiny tikes baseball, tiny tikes basketball, tiny tikes soccer, tiny tikes football, tiny tikes track & field and youth basketball.
- Resumed participation in adult softball leagues and adult basketball leagues. Outdoor coed soccer league, open gym basketball and adult softball tournaments to resume as well.
- Continued coordinating the use of City facilities for COVID-19 testing centers and vaccination clinics through partnerships with local entities.

## Goals & Performance Measures

- Continue to seek out new revenue sources to support departmental activities, vision, and goals.
- Develop Memorandum of Understanding specific to user groups and seek City Council approval.
- Develop a land banking strategy with the goal of securing land for future park development.
- Analyze participation in recreation leagues and camps with the goal of increasing registration levels.
- Analyze participation in sports leagues with the goal of increasing registration levels, as well as the introduction of new sports programs opportunities.

- Reintroduce the 4th of July Golf Tournament and Fireworks Celebration, with planning led by the City of Madera
- Reopen the Pan-Am Community Center Program and Services. The site houses the Pan-Am Senior Center, Afterschool and drop-in program, teen services and young adult activities, as well as a premiere community rental facility.
- Partner with the Madera Food Bank to provide food distribution sites at the senior centers to support low-income seniors.

## Department Fund Summary

Department-wide temporary staffing reductions and re-assignments continued through FY 2021/22 as a direct result of the reduction/elimination of recreation programming due to the ongoing impacts of the COVID-19 pandemic.

The current budget reflects the following assumptions regarding programming:

- The 2022 Aquatics season will be limited to a small number of swim lessons to accommodate COVID-19 precautions. Pool rentals, public swim, and concessions will not resume until the 2022 season.
- Sports revenues and their corresponding expenditures are expected to return to pre-COVID levels in FY 2022/23.
- Outdoor rentals resumed in July 2021; however, indoor rentals will not reopen to 100 percent capacity until summer 2022.
- Senior services will resume late spring 2022; however, the status of the congregate meal program is still dependent on the Fresno Madera Area Agency on Aging fully transferring these services back to City management following a lift on COVID-19 restrictions.
- Recreation programming will resume on a limited basis to accommodate COVID-19 precautions. MUSD Fit/Foster Camp resuming summer 2021. The after-school program is expected to resume for the 2022/23 school year.

## Department Staffing & Structure

The Parks and Community Services Department is responsible for 11 individual budgets, which include:

- Administration
- Aquatics
- Community & Recreation Centers
- Golf Course
- Landscape Maintenance District (LMD)
- Median Landscaping
- Parks Maintenance
- Recreation
- Senior Services
- Special Events
- Sports

### Administration

The Administration Division is devoted to the management and oversight of the entire PCS Department. Specific functions include management of the department's purchasing, safety, policy, grant-writing, grant management, procedures, marketing, as well as all fiscal and contractual functions.

### Aquatics

The Aquatics Program Budget provides for maintenance, operations, and staffing of the city's swimming pool complex. Revenue is received from a variety of sources including swimming lessons, special events, and pool rentals.

### Community & Recreation Centers

The Centers Budget provides for personnel and maintenance and operations for the department's community centers. Centers included are the John W. Wells Youth Center, Pan-American Community Center, Bergon Senior Center, Youth

# Enterprise Funds Operating Budget Overview

Enterprise funds are municipal services that are funded through fees charged to partly or wholly cover the costs of the services provided. Enterprise activities are roughly analogous to a private sector business.

## Water Fund

The Water Fund is funded by user fee revenue which pays for the operations and maintenance of the municipal water system including 19 wells, a one million gallon above ground storage tank, miles of distribution mains, and approximately 13,000 water meters and services. The fund supports the city's efforts to provide clean water to the community, conserve water resources, and to plan for future growth.

## Sewer Fund

The Sewer Fund is funded by user fee revenue which pays for the maintenance and operation of the sewage collection system and the Wastewater Treatment Plant (WWTP).

## Solid Waste Fund

The Solid Waste Fund is funded by user fee revenue which pays for solid waste collection and street sweeping. When the solid waste rates were set several years ago, revenues exceeded expenditures in excess of the goal of 20 to 30 percent of the annual operating expenses. Along with user rates being reduced by 15 percent in prior years and projected to stay flat for five years, annual deficits were programmed for the subsequent five years.

## Drainage Fund

The Drainage Fund is funded by user fee revenue which pays for drainage. Drainage user fees are expected to remain level in FY 2022/23.

## Airport Fund

The Airport Fund is funded by user fees and rental and lease income. Some of the major capital expenses are eligible for grant assistance from the state and or federal government.

As of June 30, 2022, the airport will owe approximately \$27,180 on a loan that was borrowed for the purpose of building 14 hangars, with the final installment due in 2023. Currently, the airport leases nearby land for agricultural purposes and receives approximately \$170,000 annually. However, with continual state mandates for water reduction, this revenue source may be eliminated if farming within the city limits is identified as a method for major water use reduction. Additional revenues are being saved for future improvements.

## Golf Course Fund

The golf course is operated by a third-party vendor. As of June 30, 2022, the Golf Course Fund's net position was \$694,759. The fund does not typically cover its operating expenses with annual revenues. Due to a lack of revenue, the General Fund supports the Golf Course Fund with annual transfers-in.

## Local Transit Fund

The Local Transit Fund consists of both the Madera Metro fixed route system and Dial-A-Ride (DAR). Revenues are generated through federal and state grants as well as local transportation funds and fare collections. Much of the capital outlay is funded by Special Revenue Funds.

# Special Revenue Funds

## Budget Overview

Special Revenue Funds are established to track and report monies that must be expended for specified purposes. The following is a summary of the various accounts that collectively make up the Special Revenue Funds:

### ***Special Gas Tax***

This fund goes toward public works and transportation for street maintenance. Gas tax revenues for streets and roads are received from multiple sources monthly from the State Controller's Office. Funds are transferred to the Streets Department through the annual budget process to support the streets operations and projects.

### ***Regional Surface Transportation Program (RSTP) Exchange***

This fund provides flexible funding for projects to preserve and improve Federal-Aid highway, bridge, and tunnel projects on public roads, pedestrian and bicycle infrastructure, and intercity passenger projects. Funds are received as reimbursement for costs incurred.

### ***State Transportation Improvement Program (STIP)***

A multi-year capital improvement program of transportation projects on and off the State Highway System. Funds are programmed within the Madera County region to prioritize regional projects. There are currently no projects scheduled to receive STIP funds.

### ***Proposition 1B LPP***

State Program created by the Road Repair and Accountability Act of 2017 (Senate Bill (SB) 1) to provide funding to local and regional transportation agencies that have sought and received voter approved taxes (i.e. Measure T) and enacted fees for Road Maintenance and Rehabilitation (RMRA) projects. Projects require a 50 percent local match. Funds are received as reimbursement for costs incurred.

### ***Road Maintenance & Rehabilitation Account (RMRA)***

Utilized to address road maintenance, rehabilitation, and critical safety projects, this fund was created by the Road Repair and Accountability Act of 2017, SB 1. These funds are received monthly from the state.

### ***Measure A***

A ½ cent sales tax for local transportation projects collected from 1990 to 2005. The remaining fund balance has been designated for a specific project.

### ***Measure T***

Current ½ cent sales tax for local transportation projects and programs. It is a 20-year program that sunsets in 2027 that funds highway and road capital projects designed to improve traffic safety; relieve congestion; enhanced street maintenance; environmental enhancement through transportation projects; transit improvements; and leverage other state and federal funds. Funds are received quarterly from Madera County.

### ***San Joaquin Valley Air Pollution Control District (SJVAPCD) REMOVE II Grant***

This grant provides funding for projects consistent with the goals of the SJVAPCD.

### ***Transportation***

### ***Prop 1B Public Transportation Modernization, Improvement and Service Enhancement Account (PTMISEA)***

This program is aimed at transit modernization and improvement and service enhancement. This program is currently being used to fund a portion of the transit facility. Funds are received as reimbursement for costs incurred.

### ***Low Carbon Transit Operations Program (LCTOP)***

This program provides funding to be used by transit operators to reduce greenhouse emissions. The City has utilized these funds to improve transit stop amenities.

### ***Local Transportation Fund (LTF)***

This program is to fund Public Transportation including planning and program activities, pedestrian and bicycle facilities, community transit services, and bus and rail projects. Additionally, LTF may be used for construction and maintenance of local streets and roads. It is a component of the Transportation Development Act (TDA).

### ***Sustainable Communities Grant***

Grant program created to maintain and integrate multi-modal transportation, also from the Road Repair and Accountability Act of 2017, SB 1.

### ***Parks***

#### ***Housing Related Parks Program (HRPP) Grant***

Grant funding for the creation and renovation of parks and community recreation facilities.

#### ***Tire Derived Products (TDP) Grant***

This grant is administered by California Department of Resources Recycling and Recovery (CalRecycle) to promote markets for recycled-content products derived from waste tires generated in California and decrease the adverse environmental impacts created by unlawful disposal and stockpiling of waste tires.

### ***Chukchansi Grant***

This grant is currently funding one project in the CIP Program.

### ***Development Impact Fees (DIF)***

There is a Local Fee imposed on new development to fund the city's capital facilities. Revenues depend on development activity. Funds are collected during the

permitting process and deposited into multiple assigned accounts, each having a specific purpose.

### ***Special Districts***

#### ***Parking District Operations***

Established by the city, this fund supports the acquisition, construction, installation or maintenance of parking facilities, street lighting, refuse receptacles, benches, parks, or fountains in the downtown area. The city serves as the fiscal agent and participants are billed quarterly. Currently, funds are used to pay for a part-time parking enforcement officer, refuse collection, gardening services, and a portion of the crow abatement program.

#### ***Business Improvement District***

Established by the city, this program supports activities, and promotes events and tourism within the Business Improvement District. The city serves as the fiscal agent and participants are billed quarterly. The city remits the funds to the Madera Downtown Association quarterly, less expenses it incurs.

#### ***Community Facilities Districts (CFD)***

CFD 2005-1 Special Tax for city services and CFD 2006-1 Special Tax for debt service on infrastructure improvements. CFD 2006-01 applies to a single subdivision.

#### ***Landscape Maintenance Districts (LMD)***

Funding for landscaping in 80 defined zones within the city. Special assessments are prepared in accordance with the Streets and Highway Code.

### ***Federal Aid***

#### ***Active Transportation Program (ATP)***

State program that consolidates existing Federal and State transportation programs, including Transportation Alternatives Program (TAP), Bicycle Transportation Account (BTA), and State Safe Routes to School (SR2S) into a single program. Currently, there are no new projects funded through this program. Previously, ATP funds were utilized for one CIP project (PK-00008). Funds are received as reimbursement for costs incurred.

### ***Bridge Preventive Maintenance Program (BPMP)***

Intended to maintain existing inventory of bridges and is currently funding one CIP project (B-000004). Funds are received as reimbursement for costs incurred.

### ***Congestion Mitigation & Air Quality Program (CMAQ)***

Intended to fund transportation projects that will contribute to attainment of national air quality standards. Currently funding many CIP projects. Funds are received as reimbursement for costs incurred.

### ***Highway Safety Improvement Program (HSIP)***

Federal aid program available to states for achieving a significant reduction in fatalities and serious injuries on public roads. This program currently funds two CIP projects (R-000031 and R-000066). Funds are received as reimbursement for costs incur.

## **Housing**

### ***Home/CalHome Down Payment Assistance and Program Income***

Grant money to assist first-time home buyers with down payment assistance. Funds recaptured from loan payments are deposited into Program Income to be used for further down payment assistance.

### ***CalHome Manufactured Housing Rehabilitation and Program Income***

Grant money to assist with the rehabilitation of manufactured housing. Funds recaptured from loan payments are placed into Program Income to be used for further rehab assistance.

### ***Affordable Housing and Sustainable Communities Program (AHSC)***

Administered by the Strategic Growth Council and implemented by the Department of Housing and Community Development (HCD), the AHSC Program funds land-use, housing, transportation, and land preservation projects to support infill and compact development that reduce greenhouse gas ("GHG") emissions.

Funding for the AHSC Program is provided from the Greenhouse Gas Reduction Fund (GGRF), an account established to receive Cap-and-Trade auction proceeds.

## **Law Enforcement Grants**

### ***Supplemental Law Enforcement Services Fund (SLESF)***

Funds allocated to provide front-line law enforcement services.

### ***Justice Assistance Grant (JAG)***

Funds allocated for the purpose of enforcing State and local laws improving the criminal justice system, with an emphasis on preventing violent crime. Grants may provide for personnel, equipment, training, technical assistance, and criminal justice information systems for the more widespread apprehension, prosecution, adjudication, detention, and rehabilitation of persons who violate criminal laws.

### ***Tobacco Law Enforcement Grant***

Department of Justice Grant funds to be used for police activities relating to the reduction of illegal sales and marketing of tobacco products to minors.

# CFD Special Tax Refunding Bond

The City issued special tax and assessment bonds on behalf of property owners, pursuant to the Improvement Bond Act of 1915 and the Mello-Roos Community Facilities Act of 1982, to finance the acquisition and construction of certain infrastructure improvements within the assessment districts and community facilities districts.

The City acts solely as an agent for those paying special tax and assessments and remits the amounts collected to the bondholders. The City is acting as an agent and is in no way liable for the special assessment debt and, accordingly, the debt is not recorded in the financial statements.

# Grants Department

## Department Summary

The mission of the Grants Department is to provide exceptional grant administration, resources and development to advance the City's vision and mission.

The Grants Department manages a portfolio of grants and pursues ongoing grant resources from federal, state and local government agencies for various City departments, oversees the City's Transit Division, manages the Community Development Block Grant Program (CDBG) and Housing Program by offering Owner-Occupied Rehabilitation (OOR), and Down-Payment Assistance (DAP) loans to qualifying residents.

## Department Functions

- Grants development consists of researching grant opportunities to determine whether the City is eligible and well-positioned to pursue a grant, identifying prospective partnering agencies, and developing grant applications.
- Grants administration includes management of awarded grants, including reporting, budgeting, compliance monitoring, project implementation and grant close-out.
- Project implementation includes ensuring that the obligations under the grants are fulfilled, including project completion.

- The Transit Division operates three fixed routes within the city limits and a curb-to-curb service that extends into specific areas of the county (Dial-A-Ride).
- The Community Development Block Grant (CDBG) program received its annual allocation from the U.S. Department of Housing and Urban Development (HUD) in the amount of \$922,011. Funds are then distributed to local entities to carryout projects and services benefiting City residents, which must be consistent with HUD national goals and objectives.
- The housing programs (Down Payment Assistance and Owner-Occupied Rehabilitation) provide interest-free, 30-year deferred-payment loans to qualifying owner-occupied households for first-time homebuyer down-payment assistance or owner-occupied home rehabilitation projects.

## Responsibility

The Grants Department provides the administration, resources and support necessary to:

- Coordinate activities with outside agencies, other City departments, boards and commissions, and local officials to support the City's grant funding goals and/or to implement grant funded activities.
- Ensure that the Transit Division's funding and activities align with demand for service, incorporate input provided by the Transit Advisory Board, Council, and priorities identified through the Unmet Transit Needs assessment. Manage entitlement grant program operations ensuring compliance and effective use of program funds.
- Coordinate and facilitate the Block Grant Commission, Transit Advisory Board and Loan Review Committee meetings.
- Release relevant program information to the public through press releases, media advisories, and/or through television or radio programs.

## Key Accomplishments

Overview of accomplishments in FY 2021/22:

- Awarded over \$10M in total grant funds (combined across all applications submitted) during the 2021-2022 fiscal

year in collaborative proposals with other City departments and outside agencies.

- Secured a grant award in the amount of \$98K through the State of Good Repairs (SB1) Program for the procurement of security cameras for all transit facilities.
- Secured a grant award in the amount of \$165K through the Low Carbon Transit Operations Program (LCTOP) for the procurement of a Madera Metro Paratransit vehicle.
- Transit provided bus transportation services to 52,164 individuals on both fixed routes and Dial-A-Ride services.
- Developed a draft of the Madera Transit Plan, to develop a guide for future transit operations. Began the process of Phase II of the Plan.
- Updated and replaced all Madera Metro Bus Signage with the use of LCTOP funds.
- Closed out three Federal Transit Administration (FTA) grants preciously awarded to the City for transit operation assistance and bus procurement.
- Successfully submitted the National Transit Database NTD annual report.
- Responded effectively to drivers affected by COVID-19. Staff ensured minimal disruption to service despite decreased driver availability.
- Successful completion of the Federal Transit Administration Triennial Review. Maintained elimination of fares during the COVID-19 emergency period to maintain strong safety protocols.
- This safety measure also continued to provide an economic benefit for low-income riders.
- Ensured the City of Madera met the HUD (Office of Housing and Urban Development) Timeliness requirement. Staff developed a HUD Approved Timeliness Action Plan and consequently ensured the drawdown of funds exceeding \$700K to meet this requirement.
- Transitioned to an electronic method of CDBG subrecipient reporting. City Data Systems maintains all subrecipient files.

- Secured a \$27K Justice Assistance Grant (JAG) for the Police Department for in-car body cameras.

## Goals & Performance Measures

### Grants

- Fill vacancy for the Administrative Assistant. The Grants department experienced significant staff turnover during the 2021-2022 program year. Developing a new department is critical for the departments continued success.
- Aggressively research new grant opportunities and prepare applications to expand the grants portfolio by diversifying the type of grants that are submitted, to support the development of competitive applications for other City departments; such as Planning, Parks, Engineering, and the Public Works Departments.
- Prepare and submit ongoing applications to support the transit system, CDBG, and to aggressively develop the Grant Department's housing programs.
- Carry out 2020/24 Consolidated Plan, Analysis of Impediments to Fair Housing Choice and 2022/23 Action Plan and ensure their approval by HUD.
- Develop strategies in collaboration with CDBG-funded entities to maintain timeliness of project completion and Federal Guidance compliance.

### Housing

- Resume review of wait list applicants and begin processing new loan applications. Utilize HOME and CalHOME program funds and program income to complete down-payment and rehabilitation assistance projects.
- Collaborate with local realtors to develop a marketing plan to enlist new homebuyer and home rehabilitation prospects as funding for projects allows.

### Transit

- Continue to monitor and secure federal and state allocation grants as well as competitive grants for revenue sources to sustain and advance transit services.

- Provide contract oversight to ensure the provision of high-quality, cost-effective, and customer-focused transit services.
- Improve outreach and communication with the public regarding transit services availability, and opportunities for engagement.

## Department Fund Summary

The Grants Department manages multiple division and program budgets as follows:

### General Grants Oversight

This budget will provide the general administration of the City's current grant awards and programs. It will also fund the City's efforts to pursue additional resources and develop new programs.

### Transportation Dial-A-Ride

The Dial-A-Ride budget supports a curb-to-curb transportation system that provides service to all locations in the City and in some locations in the county.

### Transportation Fixed Route

The fixed route system provides regular transportation within the City from bus stops along predefined routes. The City operates two fixed routes in the City and one to Madera Community College.

### Madera Metro Capital Outlay

The Madera Metro Capital Outlay budget provides for the acquisition of long-term assets such as new buses, development of a transit center, bus stop amenities, etc.

### CDBG Administration

The Community Development Block Grant provides administration as well as efforts to promote affordable housing, reduce homelessness, and to address impediments to fair housing.

### ***CDBG Public Improvement***

The Community Development Block Grant Program provides allocations to City departments or agencies to carryout capital projects identified in the CDBG Annual Action Plan.

### ***CDBG Public Service***

The Community Development Block Grant Program provides allocations to City departments or agencies to carryout service projects identified in the CDBG Annual Action Plan.

### ***CalHOME and HOME***

This includes grants received from the California Department of Housing and Community Development to carryout housing activities; such as, providing loans for first-time homebuyer down payment assistance or owner-occupied rehabilitation projects.

### ***Parking District Operations***

This budget supports the activities carried out by the Parking Enforcement Officer. This non-sworn officer patrols a designated area in downtown and issues citations to motorists who violate our vehicle ordinances.

## **Department Staffing & Structure**

The Grants Department is staffed by a Grants Administrator, two Program Managers (1 vacancy as of January 2022), and a Grant Specialist (vacant), an Intermodal Custodian (PT), and a Maintenance Worker III (PT).

In addition, the department's budgets cover costs for other full-time and part-time personnel to carryout activities associated with the Grants Department's projects, which include two Mechanic III, a Fleet Operations Manager, and an Accountant II.

# INTERNAL SERVICE FUNDS

Revenues & Expenses by  
Organization

Fleet  
Facilities  
Information Technology

# Internal Service Funds Budget Overview

Internal Service Funds are used in governmental accounting to track services provided internally to the organization. The City currently operates three Internal Service Funds:

- Facilities
- Fleet
- Computer Acquisition and Maintenance

Each department in the organization is charged for the services provided by the internal service fund through interfund transfers.

The following is a summary of each:

## ***Facilities:***

The Facilities Division provides routine maintenance to the City's buildings, equipment, and facilities. Each internal department is charged a facility fee for the services. Allocations are based on the square footage of the area occupied by the department and a time study of facility personnel.

## ***Fleet Management:***

The City maintains a plethora of vehicles. Each department is charged a fee based on number and type of vehicles assigned to the department. Replacement of vehicles is also included based on the number and type of vehicles and useful life estimates for replacement, whereas motor pool charges are based on the prior year's usage.

Worth noting is that fire engines are covered under the City's Fire Engine Replacement program implemented in FY 2019/20. Funds for this program are allocated from Measure K and the City recently purchased its first fire engine under this program. The City expects to receive its engine in FY 2022/23.

## ***Information Services:***

Computer services, provided by the City's Information Services Department, are charged based on computer users per department taking into consideration all peripherals, servers, and licenses required to maintain and upgrade the current technology.

Budgets for Internal Service Funds are designed to balance.

The exceptions are both the Fleet and Computer Replacement funds, where money is set aside by department so when vehicles and computers have reached the end of their useful life, funds are available for replacements. Some years will experience greater revenues than expenses and vice versa, which largely depends on the number of vehicles and computers slated to be replaced in that period. Each fund tracks the balances available by department and determines when equipment should be replaced.

# Fleet

## Department Summary

The City's fleet consists of more than 280 vehicles and equipment, with a replacement value of over \$8 million, necessary to complete the city's mission of delivering quality and efficient services. The fleet maintenance & replacement programs enable departments to achieve their operational mission in a safe, efficient manner. The fleet maintenance program funds labor, parts, services, fuel and oil necessary to maintain the city's fleet of vehicles and equipment. The fleet maintenance program is funded through charges based on vehicle type and utilization.

The Fleet Services Division is responsible for the acquisition, maintenance, and disposal of all the City's mobile equipment. This includes on-road sedans, pickups, heavy duty vehicles, and Transit buses. Fleet also services the off-road and mobile

equipment consisting of tractors, graders, backhoes, portable air compressors, and generators to name a few.

The Fleet Services Division has three funds to accomplish its mission. This consists of Equipment Maintenance which funds the annual cost of maintenance and repairs, Replacement Fund used for purchasing new vehicles and equipment, and the Motor Pool Fund.

The fleet vehicle replacement program is funded through a replacement charge for each vehicle or equipment in service, determined by actual costs of vehicle procurement divided by the expected life of the vehicle. This program funds asset replacement and vehicle outfitting. Cost-effective vehicle procurement is achieved through cooperative purchasing

agreements and bidding processes. Revenue is collected from the sale of retired city fleet assets at auction.

Fleet Services works tirelessly on making improvements in equipment and efficiencies as technology improves and changes. Air quality has regulations that require annual reporting as well as clean air goals that must be met. New regulations are being introduced as well as existing being updated. Fleet must continuously update and adapt our policies and equipment to ensure these are being met.

Staff consists of the Fleet Manager and five mechanics.

## Responsibility

It is the responsibility of Fleet to provide the vehicles and equipment the City needs to perform its essential tasks and duties. Safety is a high priority in maintaining the equipment to high standards as well as maintaining maximum up-time to ensure departments can work efficiently.

Equipment purchases are made with the end task in mind to obtain the proper and best fit for the application. The replacement fund charges a pro-rated amount over the life of the equipment to ensure funds are available when the equipment has reached its life expectancy and a replacement is purchased. As funds are collected through Fleet, the department sees a consistent charge annually and the purchases are made with Fleet funds.

Disposal of equipment is done when it has reached its useful life. This is done through a public on-line auction site.

## Key Accomplishments

Overview of accomplishments in FY 2021/22:

- Maintained full on-site staffing schedules and hours during COVID
- Completed 1,120 work orders
- Re-purposed surplus Park's landscape trailer into a transport trailer for the Police Department tiny horse, Bubbles

- Certified two Fleet mechanics in compressed natural gas (CNG) tank inspections
- Scheduled for three new 10,000 lb. vehicle lifts that meet current safety standards
- Assisted with upgrade of Public Works wash rack with new pressure washer and vacuum
- Replaced 19 pieces of equipment ensuring that the City maintains an efficient fleet that meets the organization's needs.
- In the process of selling surplus equipment. The proceeds of this are used for future purchases.
- Have met or exceeded air quality regulations requiring turnover of older equipment for cleaner burning vehicles.

## Goals & Performance Measures

- Continue to update Fleet equipment to maintain efficiency and better meet our current needs
- Continue to update facility infrastructure
- Auction current surplus vehicles and equipment
- Assist Transit mechanic in obtaining commercial class B license with passenger endorsement by helping find and provide training materials and helping set up required on the road driver training.
- Continue to maintain air quality regulation goals and implement new regulatory policies

## Department Staffing & Structure

The Fleet Department has seven budgeted positions consisting of the Manager and five mechanics. One mechanic position is currently vacant due to a retirement.

The mechanics are divided by service area. These consist of one light duty mechanic, one heavy duty mechanic, one Police services mechanic, and two Transit services mechanics.

# Information Services Department

## Department Summary

The Information Services (IS) Department operates under the direct leadership of the City Manager. The IS department centrally manages the City's Information and Technology assets, planning, support, and alignment of the City's technology infrastructure with departmental business needs and requirements.

The mission of IS department is to connect employees within the City government and to connect residents to their government. The department strives to promote the effectiveness and efficiency of government and build stronger connections through reliable and secure infrastructure and applications, responsive service delivery, and greater transparency of information.

## Responsibility

The IS department provides the organizational support necessary to:

- Maintain the computer, network, and phone system.
- Build a strong, secure internal network.
- Provide proactive infrastructure planning, replacement, and upgrading.
- Provide high-level technical problem solving and troubleshooting.

- Provide digital resource management and security of those resources.
- Ensure that everyone has the technical resources they need to do their job effectively.
- Provide clear and concise information to the community, via public applications and customer portals.

#### Hardware maintained by IS:

- 13 Server Rooms
- 85 Servers/Virtual Servers
- 35 Network Switches
- 14 Phone Switches
- 27 Battery Backups
- Five Firewalls
- Three Routers
- 200 Mobile Devices
- 300 Workstations\Tablets
- Two Large Data Storage Clusters
- 250 Desk phones
- 30 Access Points
- 80 Security Cameras

#### Software maintained by IS:

- Munis enterprise resource planning software
- Microsoft users accounts
- Office 365 accounts
- Adobe PDF enterprise software
- Zoom video communication

- GIS mapping software
- AutoCAD and Engineering software
- System backups
- Virus protection
- Public safety software support
- Network monitoring software
- Multiple department-specific applications

## Key Accomplishments

#### Overview of accomplishments in FY 2021/22:

- Designed and implemented a hybrid virtual City Council meeting system whereby participants can participate both onsite and virtually along with allowing public comment.
- Responded to COVID-19 by deploying Microsoft surface computer kits for home use. This included dual monitors with video conferencing capability and a docking station that will allowing staff to have full functionality at home and at work interchangeably.
- Started the transition of all possible City staff to a transient workforce whereby jobs can be completed from remote locations if necessary and thereby lessen the impact of a future evacuation crisis.
- Built and deployed additional remote camera systems for Police video monitoring that can be deployed at almost any location.
- Refined configuration of a new network monitoring system, critical network tools, and help desk software systems to decrease response times for computer, server, and network issues.
- Implemented Anti-Phishing training for computer users with periodic testing. This reduced the malware exposure rate from approximately 20% to under 1%.
- Started the implementation of the Munis Customer Self Service and Munis Incident Management Portal

to allow the public to interact directly with City departments to pay bills, report issues such as animal control complaints or potholes, and many more features.

- Started the implementation of installing security cameras for Engineering, the Airport, Public Works, and City Hall.
- Replaced the aging Munis cluster hardware with a new improved cluster model and used the old hardware for redundant off-site backups.
- Virtualized four of the City's five Domain Controllers and reduce the amount of hardware required to save upgrade costs.
- Replaced Servers for aging hardware in Public Works, Parks, and the Police Department.
- Added additional software tools for Planning and Engineering to increase staff effectiveness and make remote work more seamless.
- Implemented additional network security measures, including increasing storage backup storage protection, additional firewall monitoring, and reducing network intrusion exposure.
- Supported City departments in all aspects of their technology needs in a timely and effective manner.

- Upgrade Munis to the latest available software version via their product roadmap, work through any issues, and maintain a current patching schedule going forward.
- Finalize the implementation of a geographic information system server for use with the Munis ERP programs and enable staff to maximize the use of the field worker apps that are part of the new ERP software.
- Implement A.I. Intrusion detection security software to for increased protection from cyberattacks.
- Finalize the transition of all possible City staff to a transient workforce whereby jobs can be completed from remote locations if necessary and thereby lessen the impact of a future evacuation crisis.
- Protect the Wastewater and Water department servers with hardware firewalls for increased security, along with allowing remote view access.
- Explore better securing city buildings with physical keycard access at City Hall.
- Server replacements for aging hardware in Public Works and the Police Department.
- Partial replacement of the aging phone system to a new system the is more computer integrated and will provide better offsite connectivity.
- Continue to add additional security cameras at Public Works, and other City facilities.
- Research and implement the best practices related to information services and innovation in both software and hardware.
- Recommend new technology that will help support the City's service delivery and communication with the public.
- Continue to support City departments with all aspects of their technology needs in a timely and effective manner.

## Goals & Performance Measures

The following IS Department strategic projects are the main goals for this year (FY 2022/23). They either enable better service delivery citywide, mitigate a potentially critical issue, or create the potential for significant citywide savings.

Information Services plans to achieve the following:

- Finalize the implementation of the Munis Customer Self Service and Munis Incident Management to allow the public to interact directly with City departments to pay bills, report issues such as animal control complaints, potholes, and many more features.
- Finalize the implementation of installing security cameras for Engineering, the Airport, Public Works, and City Hall.

## Department Fund Summary

The Information Services Department is responsible for two distinct budgets:

### *Computer Operations and Maintenance*

The Computer Operations and Maintenance budget provide for servicing and maintenance of all technological equipment owned by the City. All City departments are supported by minimizing costs, maximizing uptime, the regular refreshing of equipment, updating of software, and the use of support tools.

### *Computer and Equipment Replacement*

The Information Systems Computer and Equipment Replacement budget is a fully-funded internal service fund. All current Information Services equipment has been inventoried, assigned a replacement value, and assigned a replacement lifecycle. This will ensure that costs are allocated to departments correctly and that all IS assets will be funded and regularly replaced. A replacement fund is maintained to ensure funds are available when needed. Pro-rated annual contributions are made by the departments to this fund based on capital cost and expected life of the equipment.

### *Methods of Maximizing City Funds*

With the constantly changing nature of technology, it is imperative that the department focuses not only on new technology but on maximizing the actual return of value for expenditures as the technology is implemented.

Information Services are applying the following methods for maximizing value in the 2022/23 FY:

- Repurposing old servers for non-critical applications. (Approximate savings of \$50,000)
- Refreshing and repurposing desktops for computer labs and low-use computers. (Approximate savings of \$30,000)
- In-house design and buildout of remote camera solution. (Approximate savings of \$30,000)

- General In-house design, installation, repair, and upgrades (Approximate savings of \$20,000 - \$30,000)
- Self-warranties on serviceable and non-critical equipment (Approximate savings of \$35,000)
- Reusing the Storage Area Network for fast off-site backups (Approximate savings of \$50,000)
- Competitive bidding and individualized quotes (Approximate savings of \$100,000 -150,000)
- Routine preventative maintenance (Savings are undeterminable)
- Preventative user phishing training, timely security patches, A.I. Virus Protection, and Firewall configuration updating. (Savings are undeterminable and substantial)
- Timing purchases to stock availability and anticipated market fluctuations. (Approximate savings of \$25,000)
- Designed and implementing a hybrid virtual City Council meeting system for a fraction of the cost that other cities are spending for the same functionality. (Approximate savings of \$235,000)

## Department Staffing & Structure

The Information Services Manager is a department head level position and reports directly to the City Manager. All other members of the Information Services Department report directly to the Information Services Manager. The other positions include two Network Administrators and two Network Technicians.

# CITY DEBT

# Debt Service

The City Council established a Debt Management Policy on October 18, 2017 by adopting Resolution 17-163. The Debt Policy provides guidance in the issuance and management of debt and compliance with Government Code (GC) 8855(i). Consistent with the requirements of GC 8855(i), the policy includes the purpose of the debt, type of debt that may be issued, relation of the debt to the capital improvement plan (if applicable), policy goals and internal control procedures to ensure that the proceeds of the debt issuance will be directed to the intended use.

The policy provides guidance for maintaining sound financial position while designing the debt issuance. The goals of the policy include ensuring flexibility in response to future service demands, changing revenue streams, fluctuations in operating expenses and meeting capital improvement objectives. Long-term debt may be issued to finance or refinance the construction, acquisition, and rehabilitation of capital improvements, equipment, and land. All debt must be approved by the City Council. Short-term debt may be issued for operational cash flow or short-lived assets. The issuance of debt must not constitute an unreasonable burden to taxpayers, ratepayers or constituents.

A summary of the City's debt service obligations due during the fiscal year 2023 and included in this budget is presented Schedule A below. A detailed discussion of each of the related debt obligations are presented in the City's audited Annual Comprehensive Financial Report. A copy can be viewed online at the city website. A hard copy is available at the City Clerk's office in City Hall.

## Summary of City Debt Service For Fiscal Year 2023 (Schedule A)

<i>Fund</i>	<i>Issuance</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
General Fund	2019 Solar Energy Lease	\$810,000	\$505,220	\$1,315,220
