

# Citywide curbside cleanup

The Citywide Curbside Cleanup Program assists residents in getting rid of excess trash, rubbish, and other bulky items that aren't collected during regular weekly service. **This event is limited to single-family homes located inside the city limits of Madera, and does not include unincorporated areas of Madera County, multi-family dwellings, or commercial businesses.** The City has been divided into 3 service areas (zones) for the program. For your convenience, a detailed map with your neighborhood's designated service day will be included with this flyer, available on the City's website at [madera.gov/curbside](http://madera.gov/curbside), and published in the Madera Tribune.

**Loose debris must be bagged or boxed**

**Ineligible items will be left at the curbside and must be removed by residents within 24 hours after the scheduled cleanup date.**

## ✓ What you need to know ...

- Discard piles may not exceed 5' high, 5' wide, and 10' in length.
- Loose debris must be bagged or boxed.
- Separate debris, appliances, mattresses, electronics, green waste, and general trash, and place them at least 6" away from the curb.
- Avoid blocking sewer vents, stormwater inlets, mailboxes, and fire hydrants.
- Temporarily remove roadside basketball hoops during your designated service period.
- Eligible discard materials must be placed outside no earlier than three days before your designated service day. You may continue to add to your discard pile until 6am on the day of service.

## ✗ What items won't be collected?

- Lawnmowers or any other two stroke motors
- Auto parts
- Construction or demolition material
- Light bulbs / Fluorescent tubes
- Flammable and hazardous materials (e.g., motor oil, grease, coolant, etc.)
- Acids, oxidizers, and bases (e.g., pool chemicals, cleaners, etc.)
- Pesticides and herbicides
- Compressed gas cylinders, including propane tanks used for BBQ
- Hypodermic needles / medical waste
- Paint, paint thinners, lacquers, or wood stains
- Any liquids
- All types of batteries or any item containing batteries
- Dirt, rock, sod, asphalt
- 50 gallon drums
- Tires
- Any item over 4' in length
- Any item over 150 lbs

For disposal of Household Hazardous Waste contact Madera County Fairmead Landfill: (559) 665-7300
