

High Efficiency DISHWASHER Rebate Program - \$200 (rev. 10/2024)

Residential customers may receive a rebate up to \$200 for purchasing a qualifying Energy Star rated dishwasher!

Save Energy and Water: Dishwashers can use up to 6 gallons of water per load. In contrast, Energy Star rated dishwashers use about one-third less water averaging 4 gallons per cycle.! Using an Energy Star rated dishwasher reduces water use and energy consumption. This adds up to savings for you and a big boost for the environment. Replacing old washers with Energy Star models help ensure the future water supply is adequate and helps maintain low water rates.

What's in it for the Customer?

SAVE WATER! Energy Star rated dishwashers use one-third less water. Customers with water meters will especially notice a difference. **SAVE ENERGY!** Energy Star rated equipment use less energy to operate. Also, with less water to heat, energy costs can be reduced, so you save there too.

How the Program Works

1. Obtain an application using one of the following methods:
 - **Telephone:** (559) 661-5466
 - **Web site:** www.madera.gov
 - **FAX:** (559) 661-0760
 - **Drop by our office:**
City of Madera Public Works - Water Conservation Program
1030 S. Gateway Dr., Madera, CA 93637
2. Do not purchase a dishwasher until you verify that the unit you want meets rebate criteria listed in the *Dishwasher Rebate Program Guidelines & Conditions*.
3. Purchase and install the new qualifying Energy Star Rated Dishwasher
4. Submit a completed application along with a copy of the original dated itemized sales purchase receipt and copy of most recent City of Madera utility bill to the Water Conservation Department at the address listed above.

Program Rebate Guidelines and Conditions

Dishwashers Qualifying for Rebate (Not all high efficiency appliances qualify for this rebate.)

- **Qualifies as an ENERGY STAR® labeled appliance.**
- **Meets Consortium for Energy Efficiency (CEE) standards for energy and water consumption standards with a Water Factor of 4.25 or less. Ask your appliance dealer or find qualifying dishwashers at the Consortium for Energy Efficiency (CEE) website: <https://cee1.org/program-resources/>**

Who Qualifies?

- City of Madera customers who pay a water utility bill to the City of Madera and who have property with existing single-family or multi-family dwellings within the City service area

Timelines

- Program applies to qualifying High Efficiency Dishwashers purchased and application submitted on or after December 1, 2017.
- Application must be post marked or submitted within **60 days** of the purchase date of qualifying dishwasher or rebate will not be processed.

Installation, Inspection, Documentation

- Qualifying dishwasher must be completely installed at approved service location listed on the customer's City of Madera water utility bill account. Qualifying dishwasher must be new; not pre-owned or leased. Qualifying dishwashers must remain installed at specified location for at least 36 months.
- Qualifying dishwashers must replace a non qualifying dishwasher. A replacement of an existing qualifying dishwasher or the purchase of a dishwasher for a new residence or structure is not eligible for the rebate.
- Rebates may be subject to on-site compliance inspection by City representatives to verify installation at customer's City of Madera utility account service address.
- Customer must provide a copy of original dated itemized sales purchase receipt of purchase for the qualifying dishwasher. **Receipt must list manufacturer and model.**

Rebates

- Rebates will be credited to customer's City of Madera Utility Service account after approval.
- Level of incentive is **up to \$200** per qualified account.
- Rebates are limited to one rebate per utility billing account. Except residential units such as mobile homes, condos/townhouses, etc, under a shared utility billing account, may receive one rebate for each washer installed in a separate dwelling unit.
- Commercial and industrial billing accounts are limited to one per utility billing account.

Application and Rebate Approval or Denial

- Customers must fulfill all program guidelines to be eligible for incentives. Incomplete, incorrect and/or unsigned applications cannot be processed and will be returned to applicant.

Other Considerations

- The Rebate Program is not responsible for materials delayed or lost by mail.
- Submission or possession of a rebate application does not guarantee receipt of a rebate.
- Funding for this rebate program is limited to available resources. This program shall at all times be subject to change or termination without prior notice. Rebates are processed on a first come, first served basis.
- Offer void where prohibited or restricted by law.
- Customer is responsible for disposal of old washer.
